Dear Mr Anderson

Please find attached correspondence I received from Senator Ross Cadell regarding some evidence you gave to the committee on 14 February 2023.

As you would appreciate, if a witness becomes aware of an error in their evidence or where a clarification of evidence is required, it is usual practice for them to write a letter of correction/clarification and for the committee to publish the correction/clarification alongside the transcript.

I've attached an earlier clarification by way of example.

Could you please consider Senator Cadell's correspondence and advise the committee if a letter of correction/clarification is needed.

I have copied Mark Tapley into this email.

Don't hesitate to contact me if you'd like to discuss.

Kind regards

Stephen Palethorpe | Committee Secretary

Senate Environment and Communications Committee
