.@MarkBaileyMP was a no show at my daughter's year 6 graduation last night. I was looking forward to saying hi to my local member - something I can't do on twitter since he's had me blocked for

almost three years.

Election spending numbers will be interesting. My casual observation is that @QLDLabor has spent far more than @LNPQLD. Negative Labor ads everywhere I look. Very few LNP ads in comparison. #qldpolpic.twitter.com/yiDjAn1qqm

Labor is master of the tactical budget bomb. Legislate end date for budget repair levy, then blame coalition when said date arrives. #auspol

The absolute arrogance of @katejonesqld and @QLDLabor

Tim Nicholls MP @TimNichollsMP

Dear @katejonesqld last time I looked it was Queensland Taxpayers money, not yours or @QLDLabor. To claim it is your money is disgraceful.
