Dear Chair

SENATE ESTIMATES HANSARD CORRECTION

I would like to correct evidence I provided to the Senate Economics Committee at the Senate Estimates hearing on 24 October 2018.

On page 68 of the record I indicate that Treasury had not been specifically invited to make a submission to the inquiry being conducted into dividend imputation by the House's Standing Committee on Economics.

I write now to clarify that the Committee did directly invite Treasury to provide a submission. I have since written to the Committee to advise that Treasury would not provide a submission but remains available to the Committee at a public hearing.

Yours sincerely
