Note:

- This table is prepared based on course data provided by States and Territories for the period to 31 December 2023, which is mapped by DEWR to 'field of education' from the Australian Bureau of Statistics - Australian Standard Classification of Education.
- Some Fields of Education show with "-" values, this represents no data has been reported by a particular jurisdiction.
- Short courses relate to 'short courses' which could not easily be mapped to a field of education and as such have been counted as a short course rather than in a specific field of education.

Data source: State and Territory reporting under Part 3 of the Fee-Free TAFE Skills Agreement.
