Dear Secretary,

I note that the Department of Education and Training is scheduled to appear before the Education and Employment Legislation Committee on Thursday 31 May 2018.

To facilitate the discussion, could you inform the Department that I would like an updated response to the table provided in SQ1 -001191. This table details the difference between the Government's schools funding model and that previously in place, by state and sector, each year over ten years.

I ask that this be tabled at the beginning of the Education and Training segment of Budget Estimates, on Thursday 31 May, to facilitate discussion.

If there are any issues with meeting this request, the committee can contact Felicity DeFombelle in my Office on (03) 9890 7022.

Yours sincerely,

Senator Jacinta Collins
Senator for Victoria
