Apology to Ben Davies

APOLOGY TO BEN DAVIES

In October and November 2018, I published media releases on behalf of the AWU concerning Ben Davies, the former Chief of Staff to Minister Michaelia Cash.

I stated in those media release that the AWU had been forced to hire private investigators to track down a number of individuals, including Ben Davies to serve subpoenas on them.

I accept the inference conveyed by these statements was that Mr Davies was deliberately evading service of a subpoena. I also accept that this was untrue and that in fact Mr Davies took no such action.

In those circumstances I retract those statements and apologise unreservedly to Mr Davies for the hurt and damage which these statements caused.
