Dear Committee Secretary,

Request to correct testimony in Senate Estimates – 27 October 2021

I am writing to correct evidence I gave to the Senate Standing Committee on Education and Employment Legislation on 27 October 2021.

As recorded at Proof Hansard page 91, in response to a question from Senator Pratt regarding the significance of correspondence between the Fair Work Commission's President and Deputy President Dean, I said:

Mr Furlong: The correspondence went to a number of things, including the several steps that the president has taken in relation to the complaint.

The correspondence concerned the dissenting decision of Deputy President Dean in *Kimber v Sapphire Coast Community Aged Care Ltd* [2021] FWCFB 6015. It would have been correct to say that the correspondence went to the steps 'that the President has taken in relation to the decision'.

The action officer for this matter is _____, who can be contacted on _____.

Yours sincerely

Murray Furlong
