Parliament House  
CANBERRA ACT 2600

Dear Ms Beverley

I wish to clarify evidence I presented at the Additional Budget Estimates hearing on 28 February 2018. On page 117 of Hansard, when I said "that's right" I was actually referring to the Coordinated Veterans' Care (CVC) program, not the "Veteran-centric case management" as indicated by Senator Gallacher. Could the records please be updated to reflect this.

Thank you for your assistance.

Yours sincerely,

**Gayle Anderson**
