Dear Ms Youhorn

I am writing to correct evidence given during the Foreign Affairs, Defence and Trade Senate Estimates hearing on Thursday, 27 February 2025.

I would like to correct my response to Senator Cadell's question in relation to our definition of 'high value' contracts which require contract management plans. I gave the following response to this question: "That would be \$100,000."

I wish to advise the Committee that the threshold value above which we require contract management plans is not \$100,000, but rather \$400,000.

I apologise to the Committee for the error, which I detected while reviewing the draft Hansard record of the hearings. I ask that you advise Committee members of my correction.

Yours sincerely,

Geoff Buchanan
