Dear Sir/Madam

The Department of Foreign Affairs and Trade has had an enquiry from the Samoan High Commission regarding an email purportedly sent by the Hon. Daryl Maguire MP to a number of Consuls General from Pacific countries, including to the PNG Consul General, the Samoan Consul General and the previous Solomon Islands Consul General (please note at present there is no Consul General representing the Solomon Islands).

Are you able to confirm whether this email did in fact originate from the Hon. Daryl Maguire?

Kind regards

Mamie Wright

Subject: Good Morning Consuls Generals ,Gentelmen, thank you for your time to meet at Parliament House yesterday ,

I have spoken to Shenzhen SAPCDA regarding our discussions , they are delighted with all arrangements made by us on behalf of the peak bodies chambers of Commerce and business associations in each nation.

As agreed a letter responding on behalf of the consulate and the associations , with contact details for each representative organisation as well as an appraisal of the , economic, social environment , projects , resources and humanitarian needs of each nation would be sincerely appreciated.

As agreed next Wednesday should be the time line as we have a lot to do in the next month if the request is to be fulfilled by June 30. It was disappointing that Fiji and Vanuatu were not present however it was such short notice and the high Commissioner did warn of limited staffing issues.

We agreed last evening that you would approach Tonga, Vanuatu, and Fiji and any others you feel should be included on the same proposal and Request I put to you.

For the record I have discussed this with the Consul General of New Zealand who has indicated her willingness to assist in any way to get the formation of the organisation completed.

As stated there is no expectation of any financial contribution from participating countries as SAPCDA will be the funder of all costs.

I have also appointed Ms Maggie Wang to assist me with arrangements correspondence coordination of the project here in Australia and Simon Wang , no relation ,in Shenzhen to manage the communications between us and SAPCDA

If they could respond as quickly as possible it will be appreciated.

NSW ICAC EXHIBIT

Again thank you for your time , I am sure you agree this is the biggest opportunity to develop and build your countries and provide humanitarian assistance .

Warm regards

Daryl Maguire

Hon President
SAPCDA
