Dear Senator the Hon Eric Abetz,

I write to correct evidence that I gave at the hearing for Budget Estimates held on Wednesday 2 June 2021. During discussion relating to LAND 200 recorded in Hansard 02 June 2021 (Page 11) Senator Wong stated:

“At any point prior to last year, were there any concerns raised about the possibility that this system would not be re-accredited, whether provisionally or fully?”

In response, I stated that:

“LAND 200 is a project of concern, as I’m sure you’re aware”.

I wish to correct my evidence with the following information:

“LAND 200 is a project of interest, as I’m sure you’re aware”.

I apologise for any misunderstanding that may have arisen and thank you for the opportunity to clarify my evidence.

Yours sincerely

Simon Stuart
Major General
Head Land Capability
