Dear Ms Youhorn

I am writing to correct evidence given during the Department of Foreign Affairs and Trade Senate Estimates hearing on Monday, 3 June 2024 in relation to Senator Ghosh's question on the 2024-25 official development assistance budget on gender equality, disability and social inclusion (GEDSI) (refer to Hansard page 63):

In 2024-25 we will directly allocate \$102.3 million, not \$122.3 million for this GEDSI work.

Yours sincerely

Elizabeth Wilde  
First Assistant Secretary
