CANBERRA ACT 2600

Dear Ms Palmer

Correction to Evidence

I am writing to correct my response to a question asked during the Additional Estimates Hearings of the Senate Finance and Public Administration Legislation Committee, on Tuesday, 19 February 2019.

I said that I could recall an instance where the Future Fund had voted against the management of an Australian listed insurance company in relation to a climate change resolution.

Senator McAllister asked if I would provide further details on notice.

After checking the records I realised this was an error and in 2018 the Future Fund did not vote against the management of a listed insurance company in relation to a climate change resolution.

Yours sincerely
