Re: Additional Estimates 2019-2020

Dear Senator Ayres

Senator,

Thank you for your letter dated 25 February 2020 requesting information about Indigenous Advancement Strategy (IAS) and Aboriginals Benefit Account (ABA) grants and unsuccessful applications for the periods 1 January – 30 June 2019 and 1 July 2019 (Agency establishment) – 25 February 2020.

The National Indigenous Australians Agency has prepared the attached information; due to reporting cycles, we have provided the requested information for the period 1 January 2019 – 31 January 2020. However we can provide the information for the additional period if required.

As requested, assessment scores are provided for the merit-based grant rounds: NAIDOC and ABA. Assessment scores for NAIDOC and ABA are not comparable, as NAIDOC is scored out of 20 and ABA is scored out of 15. Please note as there were no NAIDOC or ABA grants / unsuccessful applications between 1 July 2019 and 31 January 2020, Attachments B and D do not include assessment scores.

Please also note the physical location of unsuccessful applicants has been included, while the service delivery locations is provided for funded grants.

In relation to ABA grants, we have included the then Department's recommendations to the Minister, as requested. The ABA Advisory Committee's recommendations to the Minister aligned on all occasions, except in relation to Ngurratjuta / Pmara Ntjarra Aboriginal Corporation unsuccessful application.

OFFICIAL

Your letter requests the "required outputs or performance targets for each grant". This information cannot be automatically extracted from our grants management systems and would require significant Agency resources to compile. To assist you in your enquiries, we have provided the NIAA key performance indicator (KPI) menus that align with the five IAS programs and specific groups of activities.

The KPIs are applied to each funding agreement based on the specific activity being funded. This provides a sense of what KPIs would be included and the methodological approach we apply. Should you require specific KPI information for particular grants, we will provide that on notice.

Yours sincerely

A handwritten signature in black ink, appearing to read "Ray Griggs". The signature is stylized and cursive.

RAY GRIGGS
Chief Executive Officer
