Mr Patrick Hodder
Committee Secretary
Senate Finance and Public Administration Legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Mr Hodder

Correction of evidence

I am writing to correct my response to a question asked during the Additional Estimates Hearing of the Senate Finance and Public Administration Legislation Committee on Tuesday 13 February 2024.

Senator Birmingham asked about the status of the land swap agreement, and as part of my response I said *"ANI has signed a specific sales agreement for the first tranche of land to come across to ANI. I think that was signed on 18 December,..."* (Refer page 107 of Hansard).

I have realised that my recollection of the date was incorrect, and the relevant agreement was in fact signed on 8 December 2023.

Senator Birmingham also asked me *"How much land in total?"* to which I responded *"It is 45 hectares plus the skills academy which is another 30, I'm told. So its in the order of 70 to 75 hectares."*

On checking the title for the skills academy land, I have identified that it is in fact 20.75 hectares, not 30 as I stated in my evidence, and so the total is in the order of 65 to 70 hectares.

Please amend the transcript accordingly to clarify my evidence.

Yours sincerely

ANDREW SEATON
