That's referred to in the governance audit on <b>page 86</b>.</p>	<p>The correct page reference to the ANAO audit is page 87.</p>  <p style="text-align: right;">Auditor-General Report No.29 2022–23 Governance of the Anindilyakwa Land Council 87</p>

How many times did Ms Fyles or her officials visit the island while she was in office?</p> <p>Mr Hewitt: Several times. <b>She came and opened our sports hall</b>, and she also came when the head lease was transferred to community</p>	<p>The previous Chief Minister Natasha Fyles <u>did not</u> attend the opening of the sports hall.</p> <p>The previous Chief Minister Natasha Fyles <u>did attend</u> the signing of the Local Government LDM Implementation Plan on 19 July 2023.</p> <p>She did attend the head lease transfer in November 2022 (ALC confirming this part is correct).</p>

	control by Minister Burney. She's been quite a few times, at least, in the last couple of years.	
Page 49	<p>Mr Hewitt: I'll just get the stats on the consultation. We conducted 15 rounds of consultation before the traditional owners agreed to mine, and that was back in 2017. I'm sorry; I can't see the stat in front of me, but there were 36 other meetings, I believe. Is that what you're seeing there, Marina? That was before, and there was information provided in language and film about what a joint venture was, what kind of benefit they would receive and how it would be used. That was a very thorough exercise.</p>	<p>These 15 rounds of consultation stated relate to the Little Paradise Development not Winchelsea Mine.</p> <p>The 36 meetings correctly relate to consultations for Winchelsea Mine (ALC confirming this part of the statement is correct).</p>
