Chair
Senate Finance and Public Administration Legislation Committee
PO Box 6100
Parliament House
CANBERRA ACT 2600

Dear Senator Pratt

I refer to the letter of 1 March 2021 from the former CEO of National Indigenous Australians Agency (NIAA), Ray Griggs, to the previous Chair of the Committee, Senator James Paterson. In his letter Mr Griggs AO CSC committed the NIAA to provide details of Indigenous Advancement Strategy (IAS) and Aboriginals Benefit Account (ABA) grants and unsuccessful applications to the Senate Finance and Public Administration Legislation Committee on a six monthly basis.

Following the change of Government the Agency wrote to the Committee secretariat seeking confirmation a twice yearly NIAA grants report is required. The Committee confirmed the report is still required. A report for 1 January 2022 through to 30 June 2022 is due to the Committee by 21 October 2022.

Please find attached information for the period 1 January 2022 to 30 June 2022. As per previous correspondence, the NIAA will provide reports twice per year, by 15 February and 15 August, for the period 1 July to 31 December and 1 January to 30 June, respectively.

Yours sincerely

JODY BROUN
Chief Executive Officer
