

Dr Patrick Hodder
Committee Secretary
Senate Finance and Public Administration Legislation Committee
CANBERRA ACT 2600

Dear Dr Hodder,

Correction of evidence

I wish to officially correct the record with respect to evidence I provided during the Budget Estimates Hearing of the Senate Finance and Public Administration Legislation Committee on Friday, 26 May 2023.

In answering questions related to the dataset that goes across from myGovID to the relying party (page 32 proof Hansard refers) I advised Senator David Shoebridge that there were five elements: first name, last name, date of birth, email address and home address, when actually, the core data set passed from myGovID to the relying party does not include a home address.

Yours sincerely
