

Referendum 2023

[Home](#) / Remote voter services

Remote voter services

The 2023 referendum will see more voting services delivered to remote areas than any other vote in Australia's history. There may be changes to the schedule beyond our control. Please check back before you vote.

Referendum voting day will be Saturday 14 October 2023. Remote voting services will be rolled out across Australia from Monday 25 September 2023, 19 days before referendum day.

In addition, there may be an early voting or voting on the day centre in a remote area near you. To search for a polling place near you please use the [Where to vote tool](#).

To see if an AEC team is visiting your area, select your state below.

Updated: 9:00pm AEDT 12 October 2023

All opening hours are in your state's time zone. Opening hours for APY Lands are in local time.
