### **Clarifications to Hansard**

I write to the Senate Legal and Constitutional Affairs Committee concerning evidence provided to the Committee on 23 March 2021. The Australian Human Rights Commission has identified the following clarification:

Evidence of The Hon Dr Kay Patterson AO, Age Discrimination Commissioner, Australian Human Rights Commission

On page 121 of the transcript, in exchanges with Senator Siewert, Dr Patterson stated:

Dr Patterson: [...] We've had, I think, 275,000 people watch the video to the end, where they get the 1800 number.

The Australian Human Rights Commission wishes to clarify that in fact over 416,000 people have watched the video to the end on social media.

Please contact the Director, Age Discrimination Team on (02) 9284 9840 should further information be required.

Yours sincerely

The Hon Dr Kay Patterson AO  
**Age Discrimination Commissioner**
