Dear Committee Secretary

Clarification to Hansard – Estimates hearing on 15 February 2022

I am writing to provide a clarification to evidence the Disability Royal Commission gave to the Senate Legal and Constitutional Affairs Legislation Committee during the Estimates hearing on 15 February 2022.

On p 110 of the transcript, in response to a question from Senator Steele-John regarding a possible hearing to assess the impact of the Omicron variant on the community, I said in the third sentence:

Mr Cronan: Public hearing 5 addressed responses from government to COVID generally at the time, and public hearing 12 last year addressed responses to the booster rollout for people with disability.

I wish to clarify that public hearing 12 addressed responses to the ‘vaccine’ rollout, not the ‘booster’ rollout, for people with disability.

The action officer for this matter is _____ who can be contacted on _____

Yours sincerely

Paul Cronan AM
Official Secretary
