Dear Committee Secretary

Clarification to Hansard – Budget Estimates hearing on 31 May 2024

I am writing to clarify evidence given by Leanne Smith to the Senate Legal and Constitutional Affairs Legislation Committee during the Estimates hearing on Friday 31 May 2024.

On page 14 of the transcript, in response to a question from Senator Shoebridge concerning funding from external providers, where he said ‘So that’s \$32 million from the Commonwealth and ... about \$10 million in addition to that coming from external funders. Is that right?’ Ms Smith said:

Ms Smith: That’s right.

On 21 June Ms Smith confirmed that this should be clarified that the figure for total sales revenue should be \$13.972 million, including estimated training revenue and ticket sales.

Please be advised that Ms Smith is on leave until 17th July 2024 and I request that you accept this clarification on her behalf.

Please contact _____ on _____ should further information be required.

Yours sincerely
