**CLOSURE OF MANUS REGIONAL PROCESSING CENTRE**

NAME: [REDACTED] - DATE OF BIRTH: [REDACTED]  
BOAT ID: [REDACTED]

While claims for Refugee Statuses are being assessed by the Immigration & Citizenship Service Authority (ICSA) of Papua New Guinea (PNG) the Manus Regional Processing Centre (RPC) has provided temporary alternative accommodation.

The Refugee Status Claims Process has been completed and the RPC will be closed by 31 October 2017.

Accommodation and services for Refugees and non-refugees will be provided at other locations. Factsheets containing further information about these arrangements have been enclosed.

Your refugee status determines the accommodation options available to you. If you have been found to be a refugee, you can be transferred to the East Lorengau Refugee Transit Centre (ELRTC) or the West Lorengau Haus. If it has been determined that you are not a refugee, you can transfer to Hillside Haus. The ELRTC accommodation is at present available, and the other accommodations will be available soon.

After 31 October, the RPC will not have or provide the following:

- Electricity or water
- Food & drinking water
- Hygienic facilities & Sewerage
- Complete outdoor fencing

After 31 October, all Service Providers and personnel of the PNG & Australian governments will vacate RPC and arrangements are in place for the PNG Defense Force to occupy the RPC site.

Services at the RPC will not be resumed. Without considering individual decisions to remain at the RPC, this site will be closed after 31 October 2017.

Speak to the ICSA staff to arrange transfer to new accommodations.

Arrangements can be made for you to be transferred with your friends, but if you do not transfer early, this option may not be available to you at a later date.

We thank you for your cooperation

I, Estelle Faghih, Accredited NAATI Professional Translator in English-Persian, both directions, with NAATI No. 46867, certify that this is a true and accurate translation, to the best of my ability, of the document.
