Dear Committee Secretary

Clarification to Hansard – Supplementary Budget Estimates hearing on 26 November 2021

I am writing to provide a clarification to evidence I gave to the Senate Standing Committee on Legal and Constitutional Affairs during the Supplementary Budget Estimates spill-over hearing on 26 November 2021.

On page 10 of the transcript in response to a question from Senator Grogan about domestic violence services, I said:

Mr Anderson: It is worth noting that, since 2020, the government's invested around \$735 million in additional funding for legal services.

I wish to clarify that the figure for the additional funding should be 'around \$725 million'.

The action officer for this matter is Adam Nott, who can be contacted on

Yours sincerely

Iain Anderson
