Dear Committee Secretary

**Update on Clarification to Hansard Letter - Legal and constitutional affairs legislation hearing on 24 October 2023**

I am writing to provide an update to my corrected evidence, provided via letter to you on 31 October 2023 (see attached). In my letter I wrote that it had been brought to my attention the figure of \$823,000 I quoted as the figure being novated from NAAJA to ALSNSW/ACT for the Justice Policy Partnership grant was incorrect. I also wrote the final figure had not yet been confirmed, and the Department would provide the final figure to the Committee once it had received confirmation. I can now inform you the final amount to be novated from NAAJA to ALSNSW/ACT is \$330,695.00 and the deed of novation for this was signed on the 4<sup>th</sup> January 2024.

The action officer for this matter is \_\_\_\_\_ who can be contacted on \_\_\_\_\_

Yours sincerely
