City Deals Additional Estimates 2021-22

Report prepared for the purpose of tabling to the Rural and Regional Affairs
and Transport Committee

About this report:

The information in this report is based on information reported to the Department as at the time listed on the front of the report. Information is supplied to the Department by partner agencies or Deal partners.

The information contained in this report is correct as at 31 December 2021.

All figures are in \$million.

Some projects may have been amended since Budget and/or may involve funds that are under consideration for movement between financial years. These changes will be reflected in the next update.

Status of Commitments are classified as:

- **Future Project** – the commitment is not planned to commence until some future date.
- **Pre-Planning** – the commitment's planning work has commenced.
- **On Time** – the commitment is running to schedule, including ongoing commitments
- **Completed** – the commitment is complete.
- **On Hold** – the commitment is pending next steps.
- **Discontinued** – the commitment is no longer part of the City Deal.
- **Behind** – the commitment is running behind schedule.
- **Issue** – the commitment has an issue that is preventing progress or completion.

Funding profiles are based on the Department's best estimates reflecting current negotiations with project proponents, and may be subject to change.

Start dates showing July may commence at any time during that financial year.

End dates showing June are expected to be completed during that financial year.

Abbreviations used:

- U/N - under negotiation
- N/A - not applicable
- TBC - to be confirmed

It will be home to the award-winning Plantbank and new National Herbarium of NSW.	Hume, Macarthur		
Deliver Rail for the Western City	Western City	State, Cwth	\$10,500.00M	\$5,250.00M	\$876.00M	\$1,310.00M	\$1,058.00M	\$1,070.00M	\$550.00M	\$72.00M					On Time	The Australian and NSW governments will deliver the first stage of Sydney Metro -Western Sydney Airport from St Marys to the Western Sydney Aerotropolis via Western Sydney International (Nancy-Bird Walton) Airport. On 1 June 2020, the Australian Government and NSW Government committed an extra \$3.5 billion to fast-track the project, to a total project cost of around \$10.5 billion. The Australian Government commitment is up to \$5.25 billion, including business case planning and the Elizabeth Drive overpass. The project will be 50-50 funded by the Australian and NSW governments through the Western Sydney City Deal. The NSW Government is working to protect suitable corridors for future rail connections in Western Sydney.	Hume, Lindsay, McMahon, Werriwa		
Education partnership	Western City	State	\$0.00M												On Time	The NSW Government will seek to establish a partnership agreement on education to identify and deliver more education facilities for the Western City to support urban growth over time, in a manner consistent with the School Assets Strategic Plan.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, Werriwa		
Establish jobs in the region	Penrith	Cwth	\$0.00M												Completed	The Australian Government will establish the National Disability Insurance Scheme Quality and Safeguards Commission (NDIS Commission) in Penrith, creating up to 150 new jobs.	Hume, Lindsay, McMahon		
Fast-track local housing strategies	Western City	Local	\$15.00M	\$7.50M											On Time	The Australian and NSW governments will accelerate adoption of new Local Environmental Plans, and associated local housing strategies, by providing \$2.5 million incentive payments to Camden, Campbelltown, Fairfield, Liverpool, Penrith and Wollondilly. New plans will be agreed within two years, and set a course to achieve local housing targets and better quality outcomes for local communities.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa		
Growth Infrastructure Compacts & Transport and water infrastructure models	Western City	State	\$15.00M	\$5.00M	\$3.00M										On Time	The NSW Government will establish Growth Infrastructure Compacts for the Western Parkland City. The compacts will coordinate planning and delivery of new jobs and housing supply and ensure that the required infrastructure is delivered as it is needed. The NSW and Australian governments will develop transport and water infrastructure models to plan innovatively for future infrastructure needs. These models will accelerate development assessment processes and streamline infrastructure delivery, and support the Growth Infrastructure Compacts.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa		
High-value employment precincts	Western Sydney Aerotropolis	State	\$0.00M												On Time	The NSW Government will deliver a Land Use and Infrastructure Implementation Plan (LUIIP) and an associated State Environmental Planning Policy to set the planning framework for the Western Sydney Aerotropolis Growth Area. These policies will identify key employment precincts and safeguard the operation of the Western Sydney International (Nancy-Bird Walton) Airport.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa		
Housing targets for the Western Parkland City	Western City	State	\$0.00M												On Time	The NSW Government will set and publish 5- and 20-year housing targets for each local government area to deliver at least 184,500 homes over the next 20 years consistent with the targets in the Western City District Plan.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa		
Indigenous Business Hub	Liverpool	Cwth	\$0.00M												Completed	The Australian Government will establish an Indigenous Business Hub in the Western Parkland City, to capitalise on the opportunity for Indigenous businesses and entrepreneurs. The hub will deliver; facilitation of business support; and access to short-term office space and connections to commercial opportunities to support a thriving Indigenous business sector.	Fowler, Hughes, Hume, Werriwa		
Indigenous small business and skills package	Western City	State	\$8.00M												On Time	The NSW Government will deliver an Indigenous small business and skills package across the Western Parkland City. The package will include; an expansion of the Opportunity Hub in Campbelltown to help connect Indigenous school leavers with jobs; a new Opportunity Hub in Liverpool; an Indigenous Business Connect Program to support Indigenous people to start or grow a business; 50 additional Bert Evans scholarships and mentoring support for young people; and a dedicated Aboriginal Enterprise Development Officer Program.	Fowler, Hughes, Hume, Macarthur, Werriwa		
Indigenous, social and local participation targets	Western City	State, Cwth	\$0.00M												On Time	The Australian and NSW governments will work to adopt Indigenous, social and local employment and procurement targets in construction projects, including a 2.4 per cent Indigenous employment target and a 3 per cent Indigenous procurement target for construction projects in the district. The NSW Government will support the introduction of these targets by increasing funding for apprenticeships and traineeships in Western Sydney, and for pre-vocational qualifications.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa		
Investment Attraction Fund	Western City	State	\$5.00M												On Time	The NSW Government will establish an Investment Attraction Fund to support the work of the Western Sydney Investment Attraction Office (WSIAO).	Fowler, Hughes, Hume, Werriwa		

Western Sydney City Deal

															Deal Announced	Deal Signed	Implementation Plan	Deal Partners	Deal Length
															June 2016	March 2018	December 2018	New South Wales Governments Councils of Western Sydney (Various)	20 Years
Name ▲	Location	Lead	Total Funding	Cwth	Commonwealth Funding Profile										Status	Description	Electorate		
					2021-22	2022-23	2023-24	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30	TBA					
J7A Surplus government land to drive jobs growth	Western City	State	\$1.20M	\$0.40M	\$0.40M										On Time	The NSW and local governments will review government land and explore opportunities for release of surplus or under-utilised land and assets to drive economic growth.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
J7B Surplus government land to drive jobs growth	Western City	Cwth	\$0.00M												On Hold	The Australian Government will release the Penrith Multi-User Depot for sale, to be used to support jobs growth in the Penrith CBD.	Hume, Lindsay, McMahon		
Key performance metrics	Western City	State, Cwth	\$0.00M												On Time	To monitor the impact of the commitments delivered through the Western Sydney City Deal, parties will agree and publish key performance metrics in the implementation plan. The City Deal will be evaluated three years after its signing.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
Long-term governance	Western City	State	\$0.00M												Completed	The three levels of government will establish a long-term governance arrangement. This will oversee the delivery of the City Deal and the enduring growth and sustainability of the Western Parkland City. The Implementation Board will establish mechanisms to consult with stakeholders.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
New Growth Area for the Greater Penrith to Eastern Creek corridor	Western City	State	\$2.50M	\$1.25M	\$1.25M										On Time	The Australian and NSW governments will undertake land use and infrastructure planning for a new Growth Area for the Greater Penrith to Eastern Creek corridor. This will ensure new housing can be planned, delivered and integrated with new infrastructure such as schools, health care and transport.	Lindsay, McMahon		
New public high school focused on the aerospace and aviation industries	Western Sydney Aerotropolis	State	\$0.00M												On Time	The NSW Government will build a new public high school in the Aerotropolis with vocational links to Western Sydney International (Nancy-Bird Walton) Airport and the aerospace and aviation industries, preparing students for future job opportunities.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
Openly available data sets	Western City	Cwth	\$0.00M												On Time	The NSW and local governments will explore, identify and make data publicly available in line with open-data principles. To facilitate this, the Australian Government will establish a Western Parkland City data catalogue on data.gov.au and NationalMap, and support local governments to fully utilise the platform. Better access to local data has the potential to drive innovation and improved service delivery across the Western Parkland City.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
Rapid bus service for the Western City	Western City	State	\$6.53M												On Time	The NSW Government will establish rapid bus services from the metropolitan centres of Penrith, Liverpool and Campbelltown to Western Sydney International (Nancy-Bird Walton) Airport before it opens in 2026, and to the Western Sydney Aerotropolis.	Fowler, Hume, Lindsay, Macarthur, Werriva		
Restore and protect South Creek	Western City	State	\$9.30M												On Time	The South Creek corridor from Narellan to Hawkesbury has been identified as an important environmental spine and organising landscape element for the Western Parkland City. The NSW Government will develop a strategy for South Creek that will investigate its restoration and protection as part of the broader strategy of integrating land use and water management within the 63,000 hectare catchment.	Lindsay, Macarthur, McMahon, Werriva		
Smart Western City Program	Western City	State	\$1.00M												On Time	The NSW Government will deliver a Smart Western City Program to enable NSW agencies to embed interoperable smart and secure technology—such as transport and utility monitoring systems—into new infrastructure as it is rolled out.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
STEM University	Western Sydney Aerotropolis	State	\$0.00M												Completed	The NSW Government will call for proposals from leading global universities and industry to form part of an integrated Aerospace Institute in the Aerotropolis.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
Strategic assessment under the EPBC Act	Western City	State, Cwth	\$0.00M												On Time	The Australian and NSW governments will progress a Strategic Assessment under the Environment Protection and Biodiversity Conservation (EPBC) Act 1999 (Cth) (EPBC Act) to protect the environment and streamline environmental approvals for development.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
TAFE Skills Exchange near Western Sydney International (Nancy-Bird Walton) Airport	Near Western Sydney International (Nancy-Bird Walton) Airport	State	\$0.00M												On Time	TAFE NSW will work with the Australian Government and Western Sydney Airport to establish a Skills Exchange near the Western Sydney International (Nancy-Bird Walton) Airport, to provide local training for the workers needed to construct the airport and other major projects.	Hume, Werriva		
Uniform local government engineering design standards and telecommunications planning	Western City	Local	\$1.25M	\$1.25M											Completed	The Australian Government will support council development of uniform, best practice local government engineering design standards to simplify the development assessment process, deliver better outcomes for local residents and reduce costs to homebuyers.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
VET facility in the Aerotropolis	Western Sydney Aerotropolis	State	\$0.00M												On Time	The NSW Government will establish a permanent VET facility in the Aerotropolis with a focus on construction, aviation and aeronautical-related engineering to support residents of the Western Parkland City to access jobs of the future.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		
Western City Digital Action Plan	Western City	Local	\$0.16M												Completed	Local governments will lead the development of a Western City Digital Action Plan in collaboration with the Australian and NSW governments, and industry partners.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriva		

Western Sydney City Deal

Deal Announced Deal Signed Implementation Plan Deal Partners Deal Length

June 2016 March 2018 December 2018 New South Wales Governments Councils of Western Sydney (Various) 20 Years

Name	Location	Lead	Total Funding	Cwth	Commonwealth Funding Profile									Status	Description	Electorate	
					2021-22	2022-23	2023-24	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30				TBA
Western Parkland City Liveability Program	Western City	State, Local, Cwth	\$210.00M	\$60.00M	\$33.04M										On Time	To establish a hallmark Western Parkland City Liveability Program. Projects funded will deliver improved community facilities and urban amenity, and enhance liveability to enable and complement new housing supply.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa
Western Sydney Aerotropolis	Badgerys Creek	State, Cwth	\$53.00M												On Time	The Australian, NSW and local governments will work together to establish the Western Sydney Aerotropolis as a world-class city precinct that supports jobs growth. The Australian Government will enable the development of 114 hectares of Commonwealth land at North Bringelly, to accelerate jobs growth and help build the new Western Parkland City. The NSW Government will establish an enabling infrastructure program on the Commonwealth land to kick-start servicing of the precinct.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa
Western Sydney City Deal implementation plan	Western City	State, Cwth	\$0.00M												Completed	The three levels of government will agree and publish an implementation plan for the City Deal in 2018. The implementation plan will clearly define how these commitments will be delivered, when they will be delivered and who will be responsible.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa
Western Sydney Health Alliance	Western City	Local	\$0.18M												On Time	Local governments, in collaboration with health partners, will establish the Western Sydney Health Alliance to improve coordination and effectiveness of health services in the region, supporting healthier neighbourhoods.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa
Western Sydney Investment Attraction Office	Liverpool	State	\$1.00M												Completed	The NSW Government, with the Australian Government and local governments, will establish the Western Sydney Investment Attraction Office (WSIAO) in Liverpool to attract domestic and international investment. Its initial focus will be on the Aerotropolis, as well as supporting existing industrial areas and employment centres.	Fowler, Hume, Werriwa
Western Sydney Planning Partnership	Western City	Local	\$0.70M												Completed	The NSW Government will create a new planning partnership with the City Deal councils—Blue Mountains, Hawkesbury, Liverpool, Penrith, Campbelltown, Camden, Fairfield and Wollondilly—in conjunction with Blacktown to achieve more efficient and higher quality outcomes.	Chifley, Fowler, Greenway, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa
Work with Indigenous organisations to maximise opportunities	Western City	State	\$0.00M												On Time	The three levels of government commit to work with Indigenous organisations in the Western Parkland City, to realise economic, social and cultural outcomes for Aboriginal people in Western Sydney.	Fowler, Hughes, Hume, Lindsay, Macarthur, Macquarie, McMahon, Werriwa

WA	Perth CBD Transport Plan - Casuarway Bridge	Investment Roads		2000-21 Budget	50.4	25.0	50	4.5	9.0	9.0	9.0	25.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project funds the design and construction of a new 'Overway' bridge across the Swan River for cyclists and pedestrians. The 6 metre wide bridge will provide safe, high-quality infrastructure and encourage more people to ride and walk to and from the city. The Casuarway Bridge is one of the busiest connectors into the city. It provides an important traffic, walking and cycling connection between the CBD and East Perth, Heilbronn Island and the south-western suburbs. The route also links two of the most popular recreational shared paths on the river: north and south foreshores. The existing shared path along the Casuarway is no longer meeting the needs of users.	Perth, Swan			
WA	Perth CBD Transport Plan - Kings Park Road Shared Path	Investment Roads		2000-21 Budget	2.4	1.0	50	0.0	0.8	0.2	0.0	1.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project involves construction of an on-road shared path along the southern foreshore of Kings Park Road, between Thomas Street and Cliff Street. In consultation with the Botanic Gardens and Parks Authority, the existing grass corridor path will be upgraded to provide priority to path users, while a side access road crosses the path and to improve the connection to the existing Heilbronn Island Shared Path over Heilbronn Street. This is primarily to provide a path for the 4000 adjacent to Kings Park Road. It will be a separate facility.	Perth		
WA	Perth CBD Transport Plan - Spring Street / Mounts Bay Road Blue Lane Conversion	Investment Roads		2000-21 Budget	1.4	0.8	50	0.0	0.4	0.2	0.4	0.8	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project includes the detailed design and construction of the Spring Street Mounts Bay Road Blue Lane Conversion. The project involves conversion of a protected blue lane along the length of Spring Street starting at Mounts Bay Road.	Perth		
WA	Perth CBD Transport Plan - Wellington Street Blue Lane Upgrade	Investment Roads		2000-21 Budget	0.3	0.3	100	0.0	0.2	0.1	0.0	0.3	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project would convert the existing surface treatment from black asphalt to red asphalt to address lighting and safety issues.	Perth		
WA	Perth CBD Transport Plan - Wilmorem Street Blue Lanes	Investment Roads		2000-21 Budget	2.4	1.3	50	0.0	1.0	0.3	0.0	1.3	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project includes the design and construction of the Wilmorem Street Blue Lanes, providing a new recreational blue path. This first stage of an ultimate route of dedicated blue facilities lanes will extend east-west for about 1.75 km of a total 2.1 km, ultimately connecting the Wilmorem Street Bridge to the southern end of the Wilmorem Street. This stage will implement the section from the rail line through to Lord Street and along Wilmorem and the Downs to Melmorem Street.	Perth		
WA	Perth to Burbury Fatsir Rail Business Case	Major Project Business Case Fund - Rail		2000-21 Budget	8.0	4.0	50	1.0	2.0	1.0	0.0	4.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Underway	The project will investigate faster rail opportunities from Perth to Burbury.	Burt, Canning, Forrest, Perth, Swan		
WA	Perth Heavy Haulage Diversion (Stage 1)	Roads of Strategic Importance		2019-20 BUDGET	27.8	22.8	80	13.0	0.0	0.0	0.0	22.8	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project involves road upgrades to the existing Perth-Williams Road and construction of a new link to South Western Highway.	Canning		
WA	Platform and Signalling Upgrade Program Business Case	Major Project Business Case Fund - Rail		2000-21 JEFU	21.4	10.6	Capped at \$10.6m	3.0	2.5	0.0	0.0	5.5	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Underway	The Platform and Signalling Upgrade Program Business Case seeks to develop a scope and business cases for the investments required to extend the platform on the Midland, Fremantle and Armadale rail lines (the 'heritage lines') and to upgrade the current signalling system on the heritage line and the Armadale and Midland lines.	Black, Boro, Canning, Cowan, Curtin, Fremantle, Heilbronn, Moore, Perth, Stirling, Swan, West, Wilmorem		
WA	Port Augusta to Perth (PA) - Coalbridge Esplanade Highway - 2km Roads	Roads of Strategic Importance		2000-21 Budget	52.0	41.8	80	12.7	2.4	0.0	0.0	15.1	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will reconstruct and realign a 2.5 kilometre section between Wedderburnville and Kamadilla, together with shoulder sealing and the construction of an over-riding lane in each direction.	O'Connor		
WA	Port Augusta to Perth (PA) - Great Eastern Highway - Wadigood Southern Drive and Collier Drive	Roads of Strategic Importance		2000-21 Budget	40.9	32.4	80	12.2	12.7	2.4	0.0	27.4	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will upgrade three sections, including Wadigood Southern Drive, Redcliffe Bridge Drive, and realign the road approaches, Wadigood Southern Drive, Wadigood Bridge Drive, and realign the road approaches, and Collier Drive Section, Redcliffe Bridge Drive and Wadigood Drive, under the Active Partnership of the existing road approaches, and provide the platform for over-riding lanes.	Durack, Pearce		
WA	Regional State Road Safety Improvement Program	Investment Roads	Targeted Road Safety	2000-21 JEFU	120.0	96.0	80	17.0	0.0	0.0	0.0	17.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will undertake 24 km road widening and safety projects across the Great Southern Region, South West Region, Mid West-Coast Region, Goldfields-Esperance Region, Kimberley Region, Pilbara Region, Kimberley Region and Metropolitan Region. Works include widening of shoulder to correct formation and installation of audible edge lines.	Canning, Durack, Forrest, Perth, Swan		
WA	Road Highway - Along Road and Wood Street - Over-riding Drive - Grade Separation Intersection	Investment Roads		2001-22 Budget	225.4	112.3	50	0.0	14.0	45.0	45.0	104.0	8.5	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	4.5	Planning	The project will construct grade separations at the intersection of Road Highway and Wood Street at an level of Road Highway, Dandenong Road and Dandenong Drive.	Cowan, Heilbronn, Pearce, Perth, Swan	
WA	Road Highway - Along Road and Wood Street - Over-riding Drive - Grade Separation Intersection	Investment Roads		2000-21 Budget	176.0	87.5	50	13.0	26.5	48.0	0.0	87.5	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project will construct a grade separated interchange at the intersection of Wood Street Road and the Wood Street.	Heilbronn, Pearce	
WA	Road Safety Program - WA	Investment Roads		2000-21 Budget	290.8	232.5	NA	137.4	0.0	0.0	0.0	137.4	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will undertake road safety treatments works across the road network in Western Australia. The works vary across the state but include a mix of - sealing of shoulders - widening the road formation - installation of audible edge lines and - installation of audible centre lines.	Unallocated	
WA	Road Safety Program additional funding - WA	Investment Roads		2001-22 Budget	142.0	142.0	0	0.0	142.0	0.0	0.0	142.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project will undertake road safety treatments works across the road network in Western Australia. The works vary across the state but include a mix of - sealing of shoulders - widening the road formation - installation of audible edge lines and 2. Funding will see the protection of pedestrians and cyclists at intersections.	Unallocated

Construct a new roundabout serving proposed development sites on both sides of Thomas Road. Upgrade the remaining single carriageway section of Thomas Road eastwards of Nicholson Road. Upgrade of Kingsford Road intersection and other priority sections along Thomas Road including widening of road approaches.	Black, Canning	
WA	Torkin Highway Gap	Investment Roads		2019-20 BUDGET	200.0	232.0	80	100.0	55.8	17.3	11.6	193.5	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will upgrade the existing section of the Torkin Highway, that contains two through lanes to three through lanes in both directions, as well as upgrading interchanges, bridges, and a roundabout at road junctions.	Perth, Swan	
WA	Torkin Highway Interchanges	Investment Roads		2019-20 BUDGET	368.0	293.0	80	40.0	100.0	93.0	38.0	271.0	20.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	20.0	Planning	The project will construct grade separations at Kalam, Westport and Hale Roads along the Torkin Highway.	Canning, Heilbronn
WA	Torkin Highway Stage 2 Extension	Investment Roads		2018 Budget	556.0	404.0	80	32.4	115.4	140.0	60.0	347.8	13.0	8.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	13.0	Planning	The project will extend the Torkin Highway from Kalam, Westport and Hale Roads along the Torkin Highway. This includes intersections at Bonyo Road, Mandroo Road, Thomas Road and Oron Road, as well as a bridge over the freight/passenger railway line in the Project area. The Project's development phase activities include a detailed risk and opportunities register and workshop, final environmental and heritage approvals, groundwater monitoring, detailed traffic modelling, land acquisition, procurement method assessment and selection, and detailed construction and site/contractor preparation.	Canning
WA	Toodyay Road Upgrade - Chrysalis to Toodyay	Investment Roads		2001-22 Budget	80.0	64.0	80	0.0	0.0	4.0	16.0	20.0	16.0	16.0	12.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	44.0	Planning	The project will undertake realignment of sub-standard roads, intersection improvements, provision of passing lanes and seal widening on Toodyay Road from Dwyer to Toodyay.	Pearce
WA	Toodyay Road Upgrade - Angling Brook to Toodyay	Investment Roads	Shoalwater Projects	2000-21 JEFU	7.6	5.8	80	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Completed	The project will undertake the following works: Toodyay Road Section - Angling Brook and Lovers Lane (section 3) - widen the seal and improve the shoulder, with the provision of a new passing lane; and Toodyay Road Section - Toodyay Road and North - Toodyay Road (section 6) - widen the seal and improve the shoulder, intersection improvements and the installation of audible edge lines to address the road safety issues.	Pearce
WA	Trackless Tram and Road Infrastructure (Southborough Beach Road) Business Case	Urban Congestion Fund		2000-21 JEFU	2.0	2.0	100	1.2	0.6	0.0	0.0	1.8	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Underway	The project will undertake investigation and completion of a business case to determine the feasibility of a trackless tram connecting Southborough Beach with the City of Stirling Centre and the Perth CBD and associated road infrastructure.	Curtin, Stirling
WA	Transforming Freeways - Widen and introduction of ITS (Mitchell Freeway Southbound)	Urban Congestion Fund		2019-20 BUDGET	140.0	70.0	50	14.2	20.0	16.6	23.0	67.8	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will include dualisation of Perth Signals and associated ITS at all approach on-ramps, including ramp widening up to three lanes at the wider point, and realignment of principal travel lanes, safety barriers, and drainage, as required for widening on-ramps. The widening includes ITS ramp monitoring equipment, variable speed limit signs, CCTV cameras, and dynamic message signs. The project also includes the provision of emergency management equipment at three stages, as follows: - Heilbronn Avenue to Warwick Road (northern section) - Warwick Road to Victor Street (southern section) - Heilbronn Avenue (Shepherson section)	Curtin, Moore, Perth, Stirling
WA	Upgrade Great Eastern Highway and Old Northern Road, Woodroze and Sowers Mills	Urban Congestion Fund		2019-20 PFDO	14.4	11.5	80	6.2	3.3	0.0	0.0	11.5	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will upgrade the intersection at Great Eastern Highway and Old Northern Road in Woodroze and Sowers Mills.	Heilbronn
WA	WA Agricultural Supply Chain Modernisation - Packard	Investment Roads		2001-22 Budget	200.0	160.0	80	0.0	10.0	50.0	50.0	160.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project will reconstruct and realign a 2.5 kilometre section between Wedderburnville and Kamadilla, together with shoulder sealing and the construction of an over-riding lane in each direction.	Durack, O'Connor, Pearce
WA	Warwicko Road - Duranton Road to Romeo Road - Duranton	Investment Roads		2001-22 Budget	25.2	12.8	50	0.0	4.0	0.8	12.8	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project will duplicate Warwicko Road from Duranton Road to south of Romeo Road and provide a new over-riding lane.	Pearce
WA	Warwicko Road Motor Vehicle Interceptor Upgrade, Balicata	Urban Congestion Fund		2019 Election	20.0	10.0	50	5.0	1.0	0.0	0.0	6.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Under Construction	The project will upgrade the intersection at Warwicko Road and Motor Drive, Balicata. The development phase activities include finalising project design, environmental and heritage approvals, project management, land acquisition, community and stakeholder engagement and public consultation.	Stirling
WA	Wheatbelt Secondary Freight Network	Roads of Strategic Importance		2019-20 BUDGET	187.0	150.0	80	27.0	20.0	20.0	0.0	87.0	20.0	20.0	20.0	5.0	0.0	0.0	0.0	0.0	0.0	0.0	45.0	Under Construction	The project will undertake upgrade works on identified priority routes and projects on the Wheatbelt Secondary Freight Network. The works include the construction of over-riding lanes, seal and shoulder upgrades, shoulder widening and seal widening, and seal widening works.	O'Connor, Pearce
WA	Wheatbelt Timber Bridge Replacement	Investment Roads		2000-21 Budget	14.0	11.2	80	7.2	4.0	0.0	0.0	11.2	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	Planning	The project will replace 13 km of timber mainline timber bridges with concrete culverts on the Northern Crossroads Road between Northern and York and - Replace seven low headroom mainline timber bridges with concrete culverts on the Northern Pilbara Road between Northern and Morgan Hill.	Durack, Pearce

Local Roads and Community Infrastructure Program - Projects Approved - Details

Information as available at 1 February 2022.

LRCI Funding rounds: Phase 1 - \$500 million originally for construction by June 2021*; Phase 2 - \$1 billion originally for construction by December 2021*; Phase 3 - \$1 billion for construction by June 2023.

*Eligible Construction period for Phase 1 and Phase 2 extended to 30 June 2022, given exceptional circumstances posed by the pandemic and natural disasters.

Dates construction commence and construction complete are dates advised by eligible funding recipients.

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
ACT	Transport Canberra and City Services Directorate	1	Community	ACT Strategic Cycle Infrastructure Projects - wayfinding signage, priority crossing at Theodore Street and Melrose Drive, Aikman Drive path connection, Heyson Street link to Lyons shops, Menindee Drive path, City-Woden cycle route priority crossings	High number of cyclist and pedestrian casualties. Projects will encourage use of off-road paths and improve safety of road crossings, encourage active travel, improve connectivity of network.	Nov-20	Sep-21	\$2,899,000	\$2,899,000
ACT	Transport Canberra and City Services Directorate	1	Road	ACT Streetlights - replacement of dull streetlight lamps	Increasing number of streetlights not meeting specified illumination.	Nov-20	Jul-21	\$250,000	\$250,000
ACT	Transport Canberra and City Services Directorate	1	Road	ACT Streetlight Infill Program	Address prioritised list of public spaces for lighting enhancement; address bus stop locations nominated by women as having inadequate lighting and contributing to fear of using public transport.	Jan-20	Oct-21	\$900,000	\$900,000
ACT	Transport Canberra and City Services Directorate	1	Road	Parliamentary Triangle Canberra - refurbish high mast lighting	Structural concerns around the adequacy of the poles; an options study recommended refurbishment of the poles.	Jan-21	Jun-21	\$650,000	\$650,000
ACT	Transport Canberra and City Services Directorate	1	Community	Belconnen and Woden skate park refurbishments	Audit and condition reports identified cracked concrete surfaces; replace lighting with energy efficient LED lighting at both locations; install shading area at Belconnen.	Nov-20	Jul-21	\$500,000	\$500,000
ACT	Transport Canberra and City Services Directorate	1	Community	ACT sportsground facilities improvements - Woden Enclosed Athletics Track, Stirling District Playing Fields, Kambah District Playing Fields	Woden - Existing amenities not adequate for disabled athletes; Stirling and Kambah - ageing infrastructure does not meet ACT guidelines or user needs	Nov-20	Jun-21	\$1,000,000	\$1,000,000
ACT	Transport Canberra and City Services Directorate	1	Combination	Acton Waterfront Lake Beach upgrade	Public space improvements and upgrades	Jul-21	Oct-21	\$750,000	\$750,000
ACT	Transport Canberra and City Services Directorate	1	Community	Tuggeranong Library: Upgrades to landscape areas around the library	Reduce erosion of landscaped area around library	Jan-21	Mar-21	\$30,000	\$30,000
ACT	Transport Canberra and City Services Directorate	1	Community	Dickson Library - courtyard upgrade	Aged courtyard furniture and landscaping	Jan-21	Mar-21	\$30,000	\$30,000
ACT	Transport Canberra and City Services Directorate	1	Community	Aboriginal and Torres Strait Islander Cultural Centre Acton - audio and visual upgrade	Aged audio and visual equipment impacting the ability to host events	Nov-20	Mar-21	\$15,000	\$15,000
ACT	Transport Canberra and City Services Directorate	1	Community	Belconnen Library - landscaping and access upgrade	Reduce erosion of landscaped area; disability compliance of rear access door	Nov-20	Mar-21	\$50,000	\$50,000
ACT	Transport Canberra and City Services Directorate	1	Community	Bonython Community Centre - painting	Aged and damaged external façade	Nov-20	Mar-21	\$15,000	\$15,000
ACT	Transport Canberra and City Services Directorate	1	Community	Calwell Early Childhood - fence replacement, bathroom and kitchen upgrades	Fence, bathroom and kitchen are all in poor condition and in need of upgrade	Nov-20	Mar-21	\$85,000	\$85,000
ACT	Transport Canberra and City Services Directorate	1	Community	Downer Community Centre - floor coverings replacement	Aged and damaged floor coverings	Nov-20	Mar-21	\$15,000	\$15,000
ACT	Transport Canberra and City Services Directorate	1	Community	Gilmore Community Centre - roof upgrade	Leaking roof	Nov-20	Mar-21	\$20,000	\$20,000
ACT	Transport Canberra and City Services Directorate	1	Community	Ginninderra Community Hall Higgins - ramp replacement, electrical upgrade and painting	Disabled ramp not DDA compliant, electrical switchboard not compliant with current standards, exterior requires repainting	Nov-20	Mar-21	\$25,000	\$25,000
ACT	Transport Canberra and City Services Directorate	1	Community	Griffin Centre Canberra - roof repairs	Roof leaks	Oct-20	Mar-21	\$25,000	\$25,000
ACT	Transport Canberra and City Services Directorate	1	Community	Gungahlin Community Centre - carpet replacement	Carpet is in poor condition	Nov-20	Mar-21	\$20,000	\$20,000
ACT	Transport Canberra and City Services Directorate	1	Community	Holder Early Childhood Centre - solar panels	Sustainability and cost of electricity	Dec-20	Mar-21	\$25,000	\$25,000
ACT	Transport Canberra and City Services Directorate	1	Community	Hughes Community Centre - window coverings replacement, roof and ceiling repairs and replacement	Window coverings not functioning, ceiling tiles aged and water damaged, roof leaks and requires repair and replacement in areas	Nov-20	Mar-21	\$60,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
ACT	Transport Canberra and City Services Directorate	1	Community	Isabella Plains Neighbourhood Centre - stormwater and sewer upgrade	Storm water and sewer regularly become blocked	Nov-20	Mar-21	\$20,000	\$20,000
ACT	Transport Canberra and City Services Directorate	1	Community	Fitters Workshop Kingston - internal painting	Aged and damaged internal paint	Oct-20	Mar-21	\$40,000	\$40,000
ACT	Transport Canberra and City Services Directorate	1	Community	Kippax Library Holt - landscaping	Reduce erosion of landscaped area around library	Jan-21	Mar-21	\$30,000	\$30,000
ACT	Transport Canberra and City Services Directorate	1	Community	Majura Community Centre Dickson - electrical upgrades	Aged and non-compliant electrical switchboard	Oct-20	Mar-21	\$25,000	\$25,000
ACT	Transport Canberra and City Services Directorate	1	Community	Southside Community Centre Narrabundah - floor and window coverings replacement, bathroom upgrades, painting and electrical upgrades	Aged and damaged floor and window coverings, damaged bathroom tiles and fittings, aged and damaged external façade, aged electrical switchboards	Nov-20	Mar-21	\$185,000	\$185,000
ACT	Transport Canberra and City Services Directorate	1	Community	Tooms Place Former Depot Lyons - stormwater upgrades, asbestos removal and flooring replacement	Storm water blockages, flooring if end of life and requires upgrade, flooring to be replaced contains asbestos	Nov-20	Mar-21	\$55,000	\$55,000
ACT	Transport Canberra and City Services Directorate	1	Community	Tuggeranong Community Centre - painting, hand rails, re-carpeting, flooring repairs and fire system	Aged building, DDA compliance, building safety	Nov-20	Mar-21	\$250,000	\$250,000
ACT	Transport Canberra and City Services Directorate	2	Community	Shared Community Paths	TCCS maintains a priority list of defects and requests associated with community paths (e.g. bicycle and walking). This project focuses on replacing and repairing suburban footpaths. In some instances, this may involve path widening, changing surface types and filling in missing links.	Jul-21	Dec-21	\$8,200,000	\$2,600,000
ACT	Transport Canberra and City Services Directorate	2	Road	Road maintenance	Augment the 2020-21 road maintenance program due to increased road deterioration caused by La Niña weather conditions. With the LRCI funding, Roads ACT proposes to deliver additional work orders for hot asphalt patching and reseal.	Jan-21	Oct-21	\$24,000,000	\$4,000,000
ACT	Transport Canberra and City Services Directorate	2	Community	Public Toilets	Replace two aged toilets (Lyneham and Phillip) with modern facilities that meet accessibility standards. The toilet facilities will result in one accessible cubicle per site. The standard of public toilets has consistently received one of the lowest community satisfaction scores for all TCCS services, with a relatively high perceived level of importance.	Jun-21	Dec-21	\$1,650,000	\$800,000
ACT	Transport Canberra and City Services Directorate	2	Community	Lake Ginninderra swimming area improvements	The swimming areas associated with ACT's Western Foreshore Park are degraded and in need of revitalisation. Western Foreshore Park is a high use District Park that is located on the western side of Lake Ginninderra. This project includes topping up the beach sand, landscaping improvements and providing an outdoor shower facility.	Jul-21	Dec-21	\$300,000	\$300,000
ACT	Transport Canberra and City Services Directorate	2	Community	More urban tree plantings	Much of the ACT urban forest is ageing and large numbers of trees have reached, or will soon reach, the end of their safe and useful life. Additionally, hot spots have been identified across Canberra through CSIRO heat island mapping, which are in need of more trees. This project includes landscaping improvements - more urban tree plantings to improve canopy cover and reduce the urban heat island effect.	Jan-21	Dec-21	\$4,000,000	\$1,000,000
ACT	Transport Canberra and City Services Directorate	2	Community	Play spaces	The works are in response to community requests to improve existing play spaces across the ACT. Three packages of works include: - Install new shade sails at priority playgrounds - Install new fencing at priority playgrounds - install new a skate element at an existing skate park	Jun-21	Dec-21	\$2,440,000	\$1,260,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
ACT	Transport Canberra and City Services Directorate	2	Community	Mt Taylor path improvements	The track is one of the most popular walking tracks in Canberra Nature Park and requires an upgrade. It has deteriorated over time leaving an uneven track surface with many potholes that can be hazardous for users. The project includes improving the walking track by resurfacing, reinstating stairs, providing access over wet section, addressing track braiding and installing a short section of new track.	Sep-21	Dec-21	\$200,000	\$200,000
ACT	Transport Canberra and City Services Directorate	2	Combination	NoWaste facility improvements	The current areas experiences flooding and is unusable in wet weather. Following wet weather the area has to be closed off for safety. The project involves installing appropriate drainage and paving area outside the reusables shed.	Jan-21	Dec-21	\$314,198	\$314,198
ACT	Transport Canberra and City Services Directorate	2	Community	Sportsgrounds improvements	Work would be undertaken at multiple sports grounds which would include LED lighting installation at Bonner Neighbourhood Oval, irrigation upgrades at Curtain District Playing Fields and the continuation of the pavilion upgrades to achieve female friendly compliance. Works are associated with aged / outdated infrastructure	Jan-21	Dec-21	\$2,980,000	\$1,000,000
ACT	Transport Canberra and City Services Directorate	2	Combination	National Arboretum Canberra	Upgrades dirt roads throughout the National Arboretum Canberra to tarmac to allow access during wet weather. This project also includes improved site accessibility, with new wheelchair accessible paths in Central Valley and the Himalayan Cedar Forest.	Sep-21	Dec-21	\$2,185,000	\$2,185,000
ACT	Transport Canberra and City Services Directorate	2	Community	Venues Canberra	A variety of aged infrastructure replacements and amenity improvements are needed. Proposed works include: <ul style="list-style-type: none"> - EPIC campground - Refurbish the amenities block - EPIC - Replacement of gutters - GIO - Security fencing - GIO - Smoke detector heads upgrades and concrete path upgrades - EPIC Budawang - replace aged air conditioning units - Manuka - West and East Gate - security landscaping - Manuka Oval - scoreboard repairs Venues various - thermal and smoke detector upgrades 	Jan-21	Dec-21	\$820,000	\$820,000
ACT	Transport Canberra and City Services Directorate	2	Community	ACT Property Group	Safety, accessibility and infrastructure improvements are needed due to ageing assets built to outdated standards. Proposed works include: <ul style="list-style-type: none"> - Dickson Library - Courtyard works - Heritage Library - internal upgrades to preserve historical material - Community buildings (various) - removal of hazardous material - Southside Community Centre (Chifley) - refurbishment and upgrades to services - Dickson Pool - Upgrade foyer/reception/kiosk, repair leaks and upgrade splash park - Manuka Pool - improve ventilation in boiler room, replace chainmesh fence and update concrete ramp. 	Jan-21	Dec-21	\$2,050,000	\$2,050,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
IOT	Cocos (Keeling) Islands Shire Council	1	Community	Upgrades to parks and community centre - Multiple Locations.	The islands playgrounds currently have limited suitability for use due to the exposure to the heat and sun. Shade sails will enable children and families to utilise the playgrounds not just in the early mornings and late afternoons, but also during the peak of the day. It will protect from harm from sun but also safety of users as equipment tends to get to hot for use. The Shelter at the spot will provide a community gathering opportunity for picnics, observing of wildlife and water sports. The location is also popular with tourists enabling them to maximise the use of this location.	Nov-21	Jun-22	\$136,739	\$136,739
IOT	Cocos (Keeling) Islands Shire Council	2	Community	Re-sheeting Home Island Community Resource Centre	Painting/Improvements to community facilities Recladding of Community Resource Centre -12.116942021790747, 96.89591965248827	Jan-22	Jun-22	\$59,042	\$59,042
IOT	Cocos (Keeling) Islands Shire Council	2	Community	Access Steps at Trannies Beach	Improved Accessibility of Community Facilities and Areas Installation of steps at Trannies beach to allow for safe access -12.141756688673386, 96.81786463535533	Mar-22	Jun-22	\$34,892	\$34,892
IOT	Cocos (Keeling) Islands Shire Council	2	Community	Museum Works	Painting/Improvements to community facilities Render front of building and install window -12.115420854442151, 96.8940543593669	Jan-22	Apr-22	\$15,000	\$13,282
IOT	Norfolk Island Regional Council	2							
IOT	Shire of Christmas Island	1	Community	Smith Point Trail Reconstruction The Smith Point Trail is the premier walking trail site in the north-east corner of the island starting at the historic Tai Jin House Museum and ending at the top of the mountain at Territory Day Park. The project will repair and replace trail infrastructure to re-establish a safe walking/hiking experience for tourists and locals.	Much of the Smith Point Trail infrastructure was destroyed in a cyclone in 2017. Large trees fell across boardwalks, rails and other safety infrastructure destroying much of it. It had to be closed for safety reasons since then.	Oct-20	Nov-20	\$20,000	\$20,000
IOT	Shire of Christmas Island	1	Road	One km sealing of North-South Baseline Road	This unsealed road is utilised daily by heavy vehicles for the mining company as well as provides access from the settled north-east corner of the island to the national parks, immigration centre and mining sites spread out across the island. It is heavily trafficked and unsealed, being a chalk road at present. Combined with the average 2.3m of rain a year, with the heaviest years nearing 6, degradation is quick and severe. The sealing of the road way will save on recurring maintenance grading immediately in the next wet season and beyond.	Dec-20	Mar-21	\$64,000	\$64,000
IOT	Shire of Christmas Island	1	Community	Phosphate Hill Footpath Completing a dual use walkway between the Drumsite and Poon Saan precincts alongside the ridge Murray Road on Phosphate Hill, Christmas Island.	There is no pedestrian connectivity between the two precincts. Walkers and cyclists have to walk on the road to move between the precincts currently. There is a dangerous S-bend and other blind corners on Murray Road, which is essentially curves around Phosphate Hill at the ridge. Phosphate Hill is the tallest peak on the settled area of Christmas Island.	Jan-21	Jun-21	\$253,000	\$253,000
IOT	Shire of Christmas Island	2	Community	Dual Use Pathways	To continue the Dual Use Pathway Program on Christmas Island and link more of the island's neighbourhoods to the network	Mar-21	May-21	\$130,000	\$130,000
IOT	Shire of Christmas Island	2	Community	Foreshore Leisure Precinct Works	Fencing and related foundation works at the Foreshore Recreation and Leisure Precinct	Jul-21	Aug-21	\$70,000	\$70,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
IOT	Shire of Christmas Island	2	Community	Off Road Carpark	Develop of parking facilities adjacent to the Foreshore Recreation and Leisure Precinct	Jul-21	Aug-21	\$79,412	\$79,412
IOT	Shire of Christmas Island	3	Community	Foreshore Precinct, Christmas Island, -Lingiari Electorate NT	Project Name: Foreshore Bicycle Path - Category: Bicycle and Walking Paths -This will create the first ocean side bicycle path on Christmas Island for visitors and residents to enjoy. It will span the length of the foreshore padang precinct with a 180 degree view of the Indian Ocean.	Feb-22	Apr-22	\$298,500	\$298,500
IOT	Shire of Christmas Island	3	Community	Foreshore Precinct, Community facility upgrade	Project Name: Foreshore Artwork - Category: Painting / Improvement to Community Facilities - Brightening up the 40m blank wall looking over the Foreshore Padang Park area with colour, creativity and community stories. The Shire has just completed a successful public art program 'Our Streets Are Our Museums' which featured 7 walls around the township depicting images from local history. We were looking to continue this public art theme with the LRCI grant by beautifying the Foreshore Padang, which is a leisure and recreation precinct of some size on the Foreshore. The site used to be an outdoor cinema in the past, so we were looking at some creative documentation of that in the artworks to interpret that history onsite. It is also the precinct where the historical Chinese Literary Association resides. Thus the artist will be given a brief to not only make the art fit a rec/leisure precinct, but to also add the dimension of local history and culture to the place.	Jun-22	Jul-22	\$40,000	\$40,000
IOT	Shire of Christmas Island	3	Community	Foreshore Precinct, Fencing upgrade	Project Name: Foreshore Padang Railing- Category: Repairs / Replacement of Fencing -Replacement of aged railing looking over the Foreshore Padang Park. As the car park sits at elevation over the park, the program looks to increase the safety for all users.	Aug-22	Oct-22	\$79,985	\$79,985
IOT	Shire of Christmas Island	3	Community	Foreshore Precinct, Community park upgrade	Project Name: Foreshore Servery Shelters- Category: Picnic Shelters or BBQ Facilities at Community Parks- The Servery Shelters will act as both gazebos for weekend picnic use and as the cover for the monthly night markets in the precinct. They will be installed at the Foreshore Padang Park precinct where the night markets take place currently.	May-22	Jul-22	\$196,557	\$196,557
IOT	Shire of Christmas Island	3	Community	Taman Sweetland Walking Paths	Project Name: Taman Sweetland Walking Paths- Category: Bicycle and Walking Paths - A Walking Path will be built adjacent to the rainforest at the Taman Sweetland district. This will be the first footpath in the area and be used to connect the houses to the school bus stop adjacent to the rainforest.	Feb-23	May-23	\$60,000	\$60,000
NSW	Albury City Council	1	Community	New toilet facilities at Hovell Tree Park including all abilities WC	Existing toilet block is now inconveniently located and the facilities provided are not Accessible to all and in need of modernising.	Apr-22	Jun-22	\$225,000	\$225,000
NSW	Albury City Council	1	Community	New toilet facilities at Lake Hume Park including all abilities WC and Baby Change Room	Existing toilet block is now inconveniently located and the facilities provided are not Accessible to all and in need of modernising.	Apr-22	Jun-22	\$225,000	\$225,000
NSW	Albury City Council	1	Community	New toilet facilities at National Forresters Park including all abilities WC and Baby Change Room	Existing toilet block is now inconveniently located and the facilities provided are not Accessible to all and in need of modernising.	Apr-22	Jun-22	\$150,000	\$150,000
NSW	Albury City Council	1	Community	New pedestrian footpath link between Lavington Sports Ground and the local footpath network.	Limitations of existing footpath connectivity to a recently redeveloped regional sporting facility	Oct-21	Dec-21	\$300,000	\$148,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Albury City Council	1	Community	New toilet facilities along Thurgoona Drive Bike Path	There is an identified under provision of toilet facilities along this section of the existing bike path.	Apr-22	Jun-22	\$135,000	\$135,000
NSW	Albury City Council	2	Road	Perryman Lane Reconstruction	The reconstruction and conversion of approximately 1.2km of sealed road. This is the only unsealed section remaining, between two sealed sections of Perryman Lane.	Feb-22	May-22	\$747,484	\$747,484
NSW	Albury City Council	2	Community	Urana Road (Heathwood to Pearsall) Footpath Construction	The linking of the existing path network to a recently upgraded major sporting facility.	Nov-21	Jan-22	\$150,000	\$150,000
NSW	Albury City Council	2	Community	Union Road (Burrows Rd to Fiveways) Footpath Construction	The construction of a path along a major collector road, between two existing sections of path.	Sep-21	Dec-21	\$480,000	\$480,000
NSW	Albury City Council	2	Community	Lavington CCTV Network Construction – Stage 2	Construction of a CCTV system for the Lavington CBD. The nominated stage is for: Urana Road	Sep-21	Dec-21	\$215,000	\$215,000
NSW	Albury City Council	2	Community	Lavington CCTV Network Construction – Stage 3	Construction of a CCTV system for the Lavington CBD. The nominated stage is for: Prune Street & Breen Street	Sep-21	Dec-21	\$215,000	\$215,000
NSW	Albury City Council	2	Community	Red Gum Park Upgrades (Stage 2)	Construction of a basketball court and drinking fountain. This construction will compliment Stage 1 which is the upgrade of play equipment, addition of rubber softfall and installation of shade sails.	Apr-21	May-21	\$75,000	\$45,000
NSW	Albury City Council	2	Community	Wagirra Trail Solar Lighting	The installation of 31 solar lights along a 700m section of the Wagirra Trail, from Oddies Creek Park to the River Precinct off Hume Street	Jul-21	Dec-21	\$165,000	\$165,000
NSW	Armidale Regional Council	1	Community	Armidale Mall - improved security, access, lighting, information and general maintenance.	Armidale Mall: Currently the mall needs to attract more people to support local businesses but it is in need of improved security, access, lighting, information and general maintenance to make it more appealing.	Mar-21	Dec-21	\$423,100	\$423,100
NSW	Armidale Regional Council	1	Community	Cinders Lane - CCTV	Replacing existing aged analogue camera	Aug-20	Aug-20	\$9,886	\$6,601
NSW	Armidale Regional Council	1	Community	Ebor - Signage	The lack of accessible information to the traveling public promoting the various points of interest within Ebor and surrounds	Apr-21	Jun-21	\$15,000	\$15,000
NSW	Armidale Regional Council	1	Road	Rural Resealing Program - Multiple Locations	road safety and economic development.	Sep-21	Dec-21	\$1,690,623	\$161,000
NSW	Armidale Regional Council	1	Road	Urban Resealing Program - Multiple Locations	road safety and economic development.	Sep-21	Dec-21	\$1,245,308	\$320,000
NSW	Armidale Regional Council	1	Road	Gravel Resheeting Program - Multiple Locations	road safety and economic development.	Sep-21	Dec-21	\$1,343,238	\$504,000
NSW	Armidale Regional Council	2	Community	Nature playground	A community consultation process has identified that nature-based playground is much needed in town to balance the existing playground infrastructure	May-21	Dec-21	\$225,000	\$225,000
NSW	Armidale Regional Council	2	Road	Gravel Re-sheeting – Multiple Locations	Degraded and defected unsealed road surface requiring Gravel Re-sheeting works Old Ebor Rd - Total 3.207kms Kilcoy Rd – Total 1km Old Hillgrove Rd - Total 0.593kms Metz Rd – Total 1.54kms Sandon Rd – Total 1.5kms Donald Rd – Total 1.5kms Dumaresq Rd – Total 1.87kms	Mar-21	Oct-21	\$400,000	\$400,000
NSW	Armidale Regional Council	2	Community	Guyra Men's Shed	Provide a suitable work space for the local Guyra Men's Shed group to support the group in its community, charity and mental health work and ethos.	Jul-21	Dec-21	\$125,000	\$100,000
NSW	Armidale Regional Council	2	Combination	Lower Creek Community Meeting Place. 8908 Kempsey Road	Provide a community meeting and emergency staging facility that includes road driveway access, internal access ways, carpark and tiering and drainage of the parcel of land.	Oct-21	Dec-21	\$190,000	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Armidale Regional Council	2	Community	Aquatic centre heat pump replacements	To replace the aging and failing heat pumps and electrical board at the Monckton Aquatic Centre. These pumps maintain pool temperatures at 26 degrees to allow the pool to be opened between October and April each year. Additional works required with funding required to upgrade the electrical systems to suit the new Pumps.	Mar-21	Sep-21	\$385,000	\$385,000
NSW	Armidale Regional Council	2	Road	Sealed Road Heavy patching & Bitumen Resealing Program	Required shoulder & table drain maintenance, heavy patching of damaged road pavement sections and bitumen resealing of road surface. Heavy patching of damaged road pavement sections and bitumen resealing of road surface	Feb-21	Dec-21	\$637,217	\$637,217
NSW	Armidale Regional Council	2	Community	Upgrades to community halls	Hillgrove Hall solar array and HVAC, Guyra HACC building upgrade to emergency exit, Former Guyra Courthouse painting of the exterior, Puddledock Hall fencing and kitchen upgrade, Dangarsleigh Hall rain water harvesting and improved access	Nov-21	Jun-22	\$190,000	\$190,000
NSW	Ballina Shire Council	1	Community	Ballina Heights Sport Fields - Lighting	To improve floodlighting infrastructure including to address any non-compliance issues with respect to Australian Standard AS2560.1 Sports Lighting.	May-21	Jun-21	\$200,000	\$200,000
NSW	Ballina Shire Council	1	Road	Chesworth Lane - Sealing	Maintenance works to rural gravel roads is required, however, undertaking road works to standard engineering specifications is non-economic. Dust sealing is a risk-based solution for such roads.	Dec-20	Dec-20	\$120,000	\$120,000
NSW	Ballina Shire Council	1	Community	Pimlico Hall - Improvements	Various issues meaning the building is not always in compliance with current building standards.	Feb-21	Mar-21	\$95,000	\$50,000
NSW	Ballina Shire Council	1	Community	Wardell District War Memorial Hall	Various issues meaning the building is not always in compliance with current building standards.	Feb-21	Apr-21	\$62,000	\$20,000
NSW	Ballina Shire Council	1	Community	Ross Park - Playground	Replacement of existing playground and safety surfacing to ensure compliance with Australian Standards including improving access for people with disabilities	Jul-21	Sep-21	\$707,500	\$250,000

NSW	Bega Valley Shire Council	1	Community	Renewal of the Berrambool footbridge and construction of an off road connecting path	Berrambool sporting complex is one of Council's major sporting facilities and is currently disconnected from the CBD via any means of continual active transport options. There is currently a carpark, skatepark clubhouse and a small footpath network within the sporting facility. There is a footbridge over the creek that is in desperate need for renewal but not connected to a path network. The bridge was built by community volunteers many years ago and is a warranted piece of infrastructure that needs to be renewed. By extending the path network from the existing path along the service lane to the existing path at the Berrambool Sporting complex we will be closing a vital missing link in our active transport network.	Mar-21	Dec-21	\$500,000	\$500,000
NSW	Bega Valley Shire Council	1	Combination	New public carpark at what is known as the former Plumb Motors site in Bega	The Plumb Motors site is an unsealed informal parking area in the business district of Bega adjacent to the Bega Sporting Complex. Runoff from the site flows through the adjoining buildings and carparks. There is a need for more, improved and safer parking in Bega for the general public as well as associated with the Bega sporting complex. This project will improve amenity, drainage, safety, capacity and accessibility of parking for the community.	Feb-21	Aug-21	\$574,292	\$158,983
NSW	Bega Valley Shire Council	1	Community	Building repair works to the Tathra Beach Kiosk	The Tathra Beach Kiosk is tenanted facility well patronised by both locals and visitors to the Shire dating back to the 1950's. Due to its age the kiosk building is in dire need of repair works to bring it up to a standard to be re-let and ensure the ongoing structural viability of the building. These works will rebuild the kiosk's iconic status to the community otherwise the building will remain closed to the community.	Aug-20	Jun-21	\$350,000	\$350,000
NSW	Bega Valley Shire Council	1	Community	Barclay Street Sportground Pavilion - Upgrade	Provide better facilities for sportground users and the community at large	Jun-21	Dec-21	\$1,033,058	\$213,000

NSW	Berrigan Shire Council	2	Community	Replace Finley Netball Courts	Replacement of netball courts that have reached the end of their useful life	Sep-21	Mar-22	\$340,000	\$270,000
NSW	Berrigan Shire Council	2	Community	Resurface Tocumwal Netball Courts	Resurfacing of netball courts to bring back to acceptable safety standard	Mar-21	Mar-21	\$40,000	\$30,000
NSW	Berrigan Shire Council	2	Community	Upgrade Apex Park carpark	Improve drainage and resurface carpark servicing Apex Park and Berrigan CBD. To allow for installation of drainage lines, water mains required relocation where they would cross. Additional works were required where the car park drain entered the main stormwater network	Jul-21	Mar-22	\$245,000	\$245,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Berrigan Shire Council	2	Road	Kerb and Gutter uplift	A kerb and gutter uplift program across urban areas of Berrigan Shire Two proposed kerb and gutter uplift programs have been removed from the scheduled program at an estimated value of \$30,000 each.	Jun-21	Mar-22	\$300,028	\$300,028
NSW	Berrigan Shire Council	3	Community	Barooga Recreation Reserve Netball Courts: Sporting and recreation facilities, off-road car parks	Construction of two outdoor netball courts with a concrete base and synthetic surface with suitable LED lighting. Associated realignment of internal roads and paths. This project will upgrade to contemporary standard sports facilities and improve pedestrian safety at the Barooga Recreation Reserve. Proposed is the replacement of two existing netball courts – both courts are in poor condition and poorly located within the sports precinct. Used and maintained by volunteer-based Barooga Football and Netball Club the fit-for purpose built courts improve player safety, and reduce ongoing maintenance costs for the Council and club volunteers. The new courts will also be re-located from their current site to a new site. The new site is adjacent to existing social club-rooms and change facilities. The relocation of the courts will also resolve pedestrian and vehicle conflicts within the reserve and is informed by the Barooga Recreation Reserve Landscape Master Plan 2021	Mar-22	Jun-23	\$566,054	\$566,054
NSW	Berrigan Shire Council	3	Road	Smithers Road: Reconstruction	The resheeting of 3600m x 6m of Smithers Road at a thickness of 0.1m. This project will improve road safety for all road users – recreational who use the road access to Murray Valley National Park Camp Grounds Also Southern Riverina agri-transport operators. This project is needed to repair damage to Smithers Road created by increased agricultural production and activity in this area. Resheeting, will therefore, allow for heavier vehicles to use Smithers Road in all conditions.	Jan-22	Jun-23	\$200,000	\$200,000
NSW	Berrigan Shire Council	3	Community	Amphitheatre and fishing stations, Tocumwal Foreshore: Landscaping improvements, sporting and recreation, other	Construction of a 100 m2 amphitheatre, 36m2 of fishing stations and 600m of walking track at Tocumwal Foreshore. Designed to improve the accessibility of Tocumwal's Foreshore precinct and connect the Town to the Murray River via improved all-abilities pedestrian access, ramps, and fishing stations. This project will complete the implementation of the Tocumwal Foreshore Master Plan – a plan developed to revitalise the Tocumwal and drive increased visitation. Projects already completed include a splash park, riverside café and associated street scape works	Mar-22	Jun-23	\$614,000	\$614,000
NSW	Berrigan Shire Council	3	Community	Redevelopment of Finley War Memorial Hall: Sporting and recreation, Painting/Improvements to community facilities	The final stage in a planned program of community facility improvement works. This project will complete the refurbishment of the Finley War Memorial Hall a valued community facility in the township of Finley and the surrounding region. The proposed works include replacing all the doors and windows, refurbishing the timber floor, painting the interior, a new switchboard and lighting; also, the replacement of the Hall's basketball backboards.	Jan-22	Jun-23	\$195,000	\$195,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Berrigan Shire Council	3	Combination	Burkinshaw St, Barooga: Landscaping Improvements	Landscaping improvements on the road reserve adjacent to the Barooga Regional Multi-Sport Facility and Barooga Sports Club, including construction of 92 lineal metres of retaining wall, 175m2 of concrete path, planting of 40 trees, establishment of 1,600m2 of lawn and garden, irrigation and signage. The Barooga Regional Multi-Sport Facility and Barooga Sports Club in addition to providing a range of sport facilities and recreation facilities for local residents also host NSW-Victorian state-level and regional level sport-related events. The landscape improvements proposed will address improve the visual amenity of the precinct and in doing so, address the untidy and unattractive approaches to Barooga's Sports precinct	Mar-22	Jun-23	\$180,000	\$180,000
NSW	Blacktown City Council	1	Community	Tree planting on Flushcombe Road, Metella Roa	Reducing urban heat Increasing canopy cover Increasing amenity of the streets	Sep-21	Nov-21	\$80,000	\$80,000

NSW	Blue Mountains City Council	2	Road	Heavy Patching Program	Resealing: Construction of heavy patching across 305 locations throughout out Blue Mountains City Council Local Government Area.	Jun-21	Nov-21	\$1,279,216	\$1,279,216
NSW	Blue Mountains City Council	2	Road	Warialda Street, Katoomba. Drainage.	Construction of new pit and pipe open channel with connection to existing drainage system.	Oct-21	Feb-22	\$30,000	\$30,000
NSW	Blue Mountains City Council	2	Road	Cleveland Road, Lawson. Drainage	Development of new connection and decommissioning of existing drainage system. To mitigate flooding of private property.	Oct-21	Feb-22	\$25,000	\$25,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Bogan Shire Council	1	Community	Swimming Pool - Water Slide	Nyngan in western NSW has long hot summers, and like many rural and regional towns there is a lack of recreational options for children and youth. Bogan Shire Council would like to install a slide at the pool to enhance the experience for children and youth and to encourage them outside during the summer. Council installed the stage 1 of a water splash play at the pool in 2019 to cater for very small children to make the pool attractive to young families. This project will comprise stage 2 of that with the purchase and installation of four aquatic water play features which can be attached to existing fittings.	Jan-21	Jul-21	\$200,000	\$200,000
NSW	Bogan Shire Council	1	Community	Netball Oval - Sealing	Nyngan has no all-weather netball courts which rules it out of hosting competitive games. The five grass courts in town were recently improved with lighting to enable weeknight competition, but the grass surface is slippery in winter, and requires constant maintenance and line marking. Netball is a popular sport in Nyngan, but with no suitable facilities for local competition, the teams must travel 160km to Dubbo to compete.	Mar-21	May-21	\$111,253	\$111,253
NSW	Bogan Shire Council	1	Community	Upper Bogan River Development	The upper weir area is a popular location for fishing, birdwatching, walking and camping. The site is undeveloped with no amenities. It requires tidying up the existing overgrown vegetation and repairs to the gravel access road. The installation of a toilet block, picnic table, seats, garbage bins and a bird watching platform will make the destination a more attractive and hygienic place for residents and visitors. It will also provide a free of charge option for recreation close to the township.	Feb-21	Nov-21	\$100,000	\$100,000
NSW	Bogan Shire Council	1	Community	Hermidale Park - Upgrade	The village of Hermidale is located between Nyngan and Cobar on the Barrier Highway. It is 50km from Nyngan. The playground and park are very old and the equipment is broken and unsafe. The existing wire fencing is not in good order. This is the only play equipment available for the village children.	Mar-21	Nov-21	\$30,000	\$30,000
NSW	Bogan Shire Council	1	Community	Coolabah Village - Toilets	There is currently no public toilet in Coolabah. This toilet would be built near the coach stop on the highway where it is needed.	Mar-21	Sep-21	\$30,000	\$30,000
NSW	Bogan Shire Council	1	Community	Nyngan Cemetery - Re-fencing	Nyngan cemetery includes a modern irrigated lawn plot which during dry time is invaded by hungry wildlife, particularly kangaroos, which cause damage to gravesites. This is distressing for those who visit, and also makes it difficult for the Bogan Shire to maintain	Feb-21	May-21	\$48,415	\$48,415
NSW	Bogan Shire Council	1	Community	Lower Bogan River Development	Although the Bogan River flows through Nyngan it has not been recognised by previous town planners as a feature for tourists and residents. In recent years Bogan Shire Council has been gradually developing this area, building a pontoon and a pathway. It has been well received and is a popular exercise and meeting area. Council would like to further develop this area to provide more alternatives for recreation and leisure and to capitalise on the Bogan River. It would also add a new tourism opportunity to the Shire.	Mar-21	Dec-21	\$130,000	\$130,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Bogan Shire Council	1	Community	Frank Smith Oval - Upgrades	Frank Smith Oval is used for senior and junior cricket and touch football in summer and soccer in winter. The main pitch does not have a boundary fence which means for cricket a boundary has to be made from rope or poly pipe before the games. There is currently no all weather shelter at the oval which means players and spectators must sit in their cars or gather under trees in the typically hot summer. There are no existing cricket sight screens on the oval. There is currently no designated pathway through the scrub between the oval and the nearby Dandaloo Street. An all weather designated path will be used as a regular walking track as well as an access route.	Feb-21	Nov-21	\$101,332	\$101,332
NSW	Bogan Shire Council	1	Road	Local Roads - Resealing	Old and cracked bitumen surface is allowing moisture infiltration into the pavement causing potholes and deformation.	Apr-21	Jun-21	\$84,000	\$84,000
NSW	Bogan Shire Council	1	Road	Local Roads - Re-sheeting 3km	Poor quality deformed pavement allows infiltration of moisture creating wheel ruts and potholes.	Dec-20	May-21	\$76,524	\$76,524
NSW	Bogan Shire Council	2	Community	Nyngan Showground Multipurpose Arena, Hoskins street, Nyngan NSW	Sporting and recreation facilities. The construction of an 80m x 40m enclosed arena with 1.7m high steel fence for horse events. There is currently no safe space for horse riding and lessons at Nyngan Showground and riders are instead going to other towns to learn and compete.	Apr-21	Apr-21	\$34,000	\$34,000
NSW	Bogan Shire Council	2	Community	Walker Pavilion painting, Nyngan Showground, Hoskins Street Nyngan NSW	Sporting and recreation facilities. The preparation and painting of the Walker Pavilion at the Nyngan Showground, Nyngan NSW	Jun-21	Jul-21	\$6,000	\$6,000
NSW	Bogan Shire Council	2	Road	Pangee Road 2km seal, Nyngan NSW	Sealing. The preparation and bitumen sealing of 2km of Pangee road, which is currently unsealed.	Sep-21	Jun-22	\$297,753	\$297,753
NSW	Bogan Shire Council	2	Combination	Kerb and guttering, Nyngan NSW	Works involving cycling and pedestrian infrastructure	Oct-21	Jun-22	\$337,750	\$337,750
NSW	Bourke Shire Council	1	Community	Upgrade to Pool Carpark, Gold Club Carpark and North Bourke Truck Stop Car Park	Improve access to community facilities; Bourke Swimming Pool, Bourke Golf Club and community playground at North Bourke.	Feb-21	Mar-21	\$88,445	\$88,445
NSW	Bourke Shire Council	1	Community	Construction of a 8mt x 12mt shelter shed to protect the historic railway scales at Bourke Railway Yards.	The scales are part of Bourke's Railway history and if not protected with a shelter and preserved will be left to deteriorate.	Apr-21	May-21	\$18,000	\$18,000
NSW	Bourke Shire Council	1	Community	Information board currently located at Percy Hobson Park will be relocated to North Bourke Park	The Swagman sign currently sits in front of a water tower that will soon have a mural of Percy Hobson painted on it. The Swagman sign will obstruct this mural. The Swagman sign needs to move.	Mar-21	Dec-21	\$18,000	\$18,000
NSW	Bourke Shire Council	1	Community	Rotary Park Toilets replacement with a modular building	New Rotary Park Toilets will be WHS compliant and disability accessible. Refurbished toilets to ensure there are appropriate facilities at the Bourke Golf Club precinct for crowds of 40+ people. The toilets can be accessed by Bourke Squash Club, Bourke Childcare Centre and Bourke Golf Club for events that may require additional toilet facilities.	Dec-20	Mar-21	\$92,500	\$92,500
NSW	Bourke Shire Council	1	Community	Improve access from Bourke to North Bourke with 4kms of compressed granite pathway at North Bourke	Improve access from Bourke to North Bourke providing a path that is off the Mitchell Highway, increasing safety for pedestrians and drivers.	Apr-21	Dec-21	\$150,000	\$150,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Bourke Shire Council	1	Community	Health and Wellbeing facility at the BOB Park	Increased access to walkways / exercise facilities around Bourke, additional pontoon for the Jandra Paddle steamer to dock, increasing tourism product, value adding to existing Back O Bourke Centre as a tourist facility.	Apr-21	Dec-21	\$349,726	\$349,726
NSW	Bourke Shire Council	1	Community	Purchasing and planting 100 advanced shade trees as per Bourke Shire Councils Tree replacement plan.	Increasing natural shade and beautifying the streets and park areas of Bourke.	Mar-21	Jun-21	\$136,795	\$136,795
NSW	Bourke Shire Council	1	Community	Footpath improvements consistent with Disability Action Management Plan	Implementation of Bourke Shire Council Disability Action Management Plan	Mar-21	Dec-21	\$140,000	\$140,000
NSW	Bourke Shire Council	1	Community	Removal of existing fence, graded fence line and installation of 3.1km's of exclusion fencing and access gates.	Old fence along Golf Course boundary is derelict. The fence does not prevent stock and feral animals from accessing the highway. The existing fence is ineffective in protecting the road and is an eyesore to people arriving into the township of Bourke.	Mar-21	Dec-21	\$25,000	\$25,000
NSW	Bourke Shire Council	1	Community	Installation of water-wise irrigation systems in public parks and gardens	This will improve water use (sprinklers can be programed to turn on at night) and improved WHS practices - staff do not have to move around heavy sprinkler systems.	Apr-21	May-21	\$181,437	\$181,437
NSW	Bourke Shire Council	2	Community	85 Mertin Street, Bourke (-30.096225089950764, 145.94440091349233)	Additional Swimming Pool Shade (Marshalling area, communal areas surrounding pool)	Mar-21	Jun-22	\$380,000	\$380,000

NSW	Cabonne Council	1	Road	Replacement of box culvert on Gumble Road Manildra	Road is an essential road transport link. Significant structural issues have been identified. As it is no longer safe for carrying heavy loads, culvert has been closed for heavy vehicles access.	Mar-21	Oct-21	\$95,000	\$95,000
NSW	Cabonne Council	1	Road	Rehabilitation of existing pipe culvert on Cargo Road Lidster	Road is an essential road transport link. Significant structural issues have been identified. As it is no longer safe for carrying heavy loads, culvert has been closed for heavy vehicles access.	Nov-20	Oct-21	\$166,845	\$166,845
NSW	Cabonne Council	1	Road	Sealing of gravel roads in Molong	Urban gravel road generating dust for adjoining residents, increased vehicle operating costs through uneven surfaces, pavement degradation and erosion of gravel surface due to adverse weather conditions and traffic, high maintenance costs for regular grading and re-gravelling.	Nov-20	Dec-20	\$48,155	\$48,155
NSW	Cabonne Council	2	Road	Repairs to Bocoble Creek Bridge on Garra Road. Location: (-33.126, 148.752) Work category: Bridge works	Project Description: Repairs to Bocoble Creek Bridge Problem Being Addressed: Scouring at abutments, debris in waterway, vegetation growth through the batter protection at both abutments, settlement, cracking and potholes at both approaches, joint material failure at pier joints, bridge barriers surface corrosion.	Aug-21	Dec-21	\$41,000	\$41,000
NSW	Cabonne Council	2	Road	Repairs to Loombah Creek Bridge on Loombah Road. Location: (-32.8164, 148.7578) Work category: Bridge works	Project Description: Repairs to Loombah Creek Bridge Problem Being Addressed: Impact damage to both approaches, transverse cracking throughout the deck, damage to metal railing, scour hole behind the abutment.	Aug-21	Dec-21	\$28,000	\$28,000
NSW	Cabonne Council	2	Road	Repairs to Jews Creek Bridge on Larras Lee Road. Location: (-32.9847, 148.841) Work category: Bridge works	Project Description: Repairs to Jews Creek Bridge Problem Being Addressed: Scouring throughout waterway up to 1.5 m depth at downstream side, transverse cracking in soffit of concrete arch, scour at abutments, and damaged guard rail.	Aug-21	Dec-21	\$39,500	\$39,500
NSW	Cabonne Council	2	Road	Repairs to Canomodine Creek Bridge on Baghdad Road. Location: (-33.458, 148.8478) Work category: Bridge works	Project Description: Repairs to Canomodine Creek Bridge Problem Being Addressed: Missing or ineffective kerb, replace defective kerb plank, build-up of debris and sediment on bridge deck timber rotting, erosion due to failure of concrete batter, corrosion of the girders & steel, corrosion of pier headstock, deformation of steel sheet, deformation of sheeting, concrete spalling underneath the steel diaphragm, scouring of waterway, missing timber deck bolts.	Aug-21	Dec-21	\$32,500	\$32,500

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Cabonne Council	2	Road	Repairs to Summer Hill Creek Bridge (3rd crossing) on Ophir Road. Location: (-33.2112, 149.1379) Work category: Bridge works	Project Description: Repairs to Summer Hill Creek Bridge (3rd crossing) Problem Being Addressed: Metal railing surface rust, wearing surface defects, blocked drainage, ineffective joints	Aug-21	Dec-21	\$20,000	\$20,000
NSW	Cabonne Council	2	Road	Repairs to Molong Rivulet Bridge on Marsden Street Location: (-33.0979, 148.8727) Work category: Bridge works	Project Description: Repairs to Molong Rivulet Bridge Problem Being Addressed: Corrosion of metal railing, no seal at joint, build-up of sediment on joint, concrete spalling, delamination to abutment 2 on side 2 adjacent to wing wall, cracks on wing wall, corrosion of steel girders, flaking of protective coating, scour through all spans, rutting, cracking and surface defects to approach 2 carriageway, scour forming behind batter protection at abutment 2, concrete spalling to the base of pier on side 1, concrete spalling to diaphragm member at abutment 1, heavy corrosion to steel plate, corrosion to light posts on deck, blocked drainage	Aug-21	Dec-21	\$34,000	\$34,000
NSW	Cabonne Council	2	Road	Repairs to Molong Creek Culvert on Lake Canobolas Road Location: (-33.319, 149.0239) Work category: Bridge works	Project Description: Repairs to Molong Creek Culvert Problem Being Addressed: Scour at both sides, concrete spalling, and general cleaning.	Aug-21	Dec-21	\$8,000	\$8,000
NSW	Cabonne Council	2	Road	Replacement of 5 Cell Box Culvert LR268-CUL2 on Nangar Road Location: (-33.521, 148.493) Work category: Bridge works	Project Description: Replacement of 5 Cell Box Culvert. Problem Being Addressed: Structure in an overall poor condition. Large cracks along entire length of Wing Wall. Loss of head wall section and exposure of reinforcement, concrete spalling in numerous locations, loss of section of crown, build of sediment and vegetation in waterway.	Aug-21	Dec-21	\$175,000	\$175,000
NSW	Cabonne Council	2	Road	Repairs to O'Neils Bridge on Reedy Creek Road. Location: (-33.36669287, 148.5488874) Work category: Bridge works	Project Description: Repairs to O'Neils Bridge Problem Being Addressed: Significant spalling under the deck girder units, the guard rail on the approaches with several sections being detached and broken posts.	Aug-21	Dec-21	\$28,000	\$28,000
NSW	Cabonne Council	2	Road	Repairs to Waree Creek Bridge on South Bowan Park Road. Location: (-33.36421161, 148.817393) Work category: Bridge works	Project Description: Repairs to Waree Creek Bridge Problem Being Addressed: Structural elements with some minor cracks, significant crash damage to the approach guard rail and bridge barriers.	Aug-21	Dec-21	\$24,000	\$24,000
NSW	Cabonne Council	2	Road	Repairs to Cullanes Bridge on Settlement Bridge Road. Location: (-33.580547377, 148.5313556) Work category: Bridge works	Project Description: Repairs to Cullanes Bridge Problem Being Addressed: Section of exposed reo at the top of one of the piles, one of the girder units is sinking relative to the remainder and significant debris build-up in the waterway.	Aug-21	Dec-21	\$19,000	\$19,000
NSW	Cabonne Council	2	Road	Repairs to Carmens Bridge on Yells Road. Location: (-33.366326855, 148.4981125) Work category: Bridge works	Project Description: Repairs to Carmens Bridge Problem Being Addressed: Numerous structural elements have suffered impact damage, significant edge breaks, sections of the guard rail which are not attached correctly and sections of batter protection showing signs of severe wash-out.	Aug-21	Dec-21	\$38,000	\$38,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Cabonne Council	2	Road	Repairs to Mandagery Creek Bridge on Eulimore Road. Location: (-33.3688925, 148.4394511) Work category: Bridge works	Project Description: Repairs to Mandagery Creek Bridge Problem Being Addressed: Important elements of the bridge structure showing advanced signs of wear, cracking near one of the bridge abutments and spalling under the deck, significant damage to the wire rope barrier of this bridge.	Aug-21	Dec-21	\$47,000	\$47,000
NSW	Cabonne Council	2	Road	Repairs to Baldrudgery Creek Bridge on Peak Hill Road. Location: (-32.86035045, 148.4844827) Work category: Bridge works	Project Description: Repairs to Baldrudgery Creek Bridge Problem Being Addressed: Significant severe scour under the western abutment and maintenance.	Aug-21	Dec-21	\$38,000	\$38,000
NSW	Cabonne Council	2	Road	Repairs to Culvert LR001-CUL42 on Baldry Road Location: (-32.8948 148.5530) Work category: Bridge works	Project Description: Repairs to 3 Cell Box Culvert Problem Being Addressed: Waterway 50% silted and significant debris on the upstream side.	Aug-21	Dec-21	\$3,500	\$3,500
NSW	Cabonne Council	2	Road	Repairs to Culvert LR002-CUL25 on Eurimbla Road Location: (-32.90432 148.8098311) Work category: Bridge works	Project Description: Repairs to 4 Cell Concrete Box Culvert Problem Being Addressed: Repairs/ replacement to Guard rail, major damage to scour protection, undermining of structure.	Aug-21	Dec-21	\$66,500	\$66,500
NSW	Cabonne Council	2	Road	Repairs to Culvert LR004-CUL13 on Bocobra Road Location: (-33.1567 148.5791) Work category: Bridge works	Project Description: Repairs to 4 Cell Concrete Box Culvert . Problem Being Addressed: Sections of exposed reo and severe downstream erosion warrant maintenance intervention.	Aug-21	Dec-21	\$7,000	\$7,000
NSW	Cabonne Council	2	Road	Repairs to Culvert LR007-CUL7 on Euchareena Road Location: (-33.0780 148.89926) Work category: Bridge works	Project Description: Repairs to 2 Cell Concrete Box Culvert. Problem Being Addressed: Significant debris downstream to block this culvert, significant scour behind the wing walls, parts of the road and guardrail are undermined.	Aug-21	Dec-21	\$6,000	\$6,000
NSW	Cabonne Council	2	Road	Repairs to Culvert LR007-CUL14 on Euchareena Road Location: (-33.0495 148.9174) Work category: Bridge works	Project Description: Repairs to 4 Cell Concrete Box Culvert. Problem Being Addressed: Debris build-up, Guardrail replacement.	Aug-21	Dec-21	\$4,000	\$4,000
NSW	Cabonne Council	2	Road	Repairs to Culvert LR049-CUL41 on Gumble Road Location: (-33.05336 148.6513) Work category: Bridge works	Project Description: Repairs to 5 Cell Concrete Box Culvert . Problem Being Addressed: Debris blocking the waterway, replacement of Bridge rail end terminals for a significant spearing hazard.	Aug-21	Dec-21	\$55,000	\$55,000
NSW	Cabonne Council	2	Road	Repairs to Culvert LR049-CUL66 on Gumble Road Location: (-33.01905 148.63576) Work category: Bridge works	Project Description: Repairs to 4 Cell Concrete Box Culvert. Problem Being Addressed: Debris build-up and erosion. Scoured areas need to be reinforced before more damage occurs.	Aug-21	Dec-21	\$11,500	\$11,500
NSW	Cabonne Council	2	Road	Repairs to Culvert LR104-CUL39 on Gundong Road Location: (-32.64079 148.3949) Work category: Bridge works	Project Description: Repairs to 4 Cell Concrete Box Culvert Problem Being Addressed: Blockage needs clearing of silt and vegetation in waterway and culvert.	Aug-21	Dec-21	\$4,000	\$4,000
NSW	Cabonne Council	2	Road	Repairs to Culvert LR105-CUL56 on Obely Road Location: (-32.664215 148.5594) Work category: Bridge works	Project Description: Repairs to 3 cell Concrete Box Culvert. Problem Being Addressed: Clearing of silt and vegetation in waterway and culvert.	Aug-21	Dec-21	\$7,000	\$7,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Cabonne Council	2	Road	Replacement of Pipe Culvert LR138-CUL10 on Yellow Box Road Location: (-33. 2382816, 148.668759 Work category: Bridge works	Project Description: Replacement of 450mm diameter Concrete Pipe Culvert Problem Being Addressed: Structure is in very poor condition. Pipe broken and blocked out. Needs road pavement and replacement of Pipe culvert.	Aug-21	Dec-21	\$12,500	\$12,500
NSW	Cabonne Council	2	Road	Replacement of 5 Cell box Culvert LR205-CUL26 on Casuarina Drive Location: (-33.54132 148.41504 Work category: Bridge works	Project Description: Replacement of 5 Cell concrete box Culvert (2100x1200) Problem Being Addressed: Structure in an overall poor condition. Numerous cases of exposed reinforcement in the box culvert and wingwalls.	Aug-21	Dec-21	\$135,000	\$135,000
NSW	Cabonne Council	2	Road	Replacement of Culvert MR238-CUL32 on Nangar Road Location: (-33.495510 148.44182 Work category: Bridge works	Project Description: Replacement of 4 Cell concrete box Culvert Problem Being Addressed: Structure in an overall poor condition. There are numerous instances of exposed reinforcement in the box cells. There is widespread cracking around the cells and between the cells and wingwalls.	Aug-21	Dec-21	\$114,908	\$114,908
NSW	Cabonne Council	2	Road	Replacement of 5 *1200 dia Pipe culvert LR268-CUL2 on Cowriga Road Location: (-33.41851 149.13709 Work category: Bridge works	Project Description: Replacement of 5 * 1200 mm dia Concrete pipe culvert Problem Being Addressed: Structure in an overall poor condition. Patch and repairs for soffit of some pipe sections and joins, headwall 2 and apron slab. Clearing of vegetation and debris required.	Aug-21	Dec-21	\$72,500	\$72,500
NSW	Cabonne Council	2	Road	Replacement of Concrete box culvert LR273-CUL4 on Davis Road Location: (-33.406389 149.14022 Work category: Bridge works	Project Description: Replacement of Concrete Box culvert Problem Being Addressed: Structure in an overall poor condition. Box culvert constructed of steel I-beams are severely corroded, recommended repair or replacement. Wingwall on approach 2 needs repair of severe cracks.	Aug-21	Dec-21	\$123,000	\$123,000
NSW	Cabonne Council	2	Road	Repairs to Culvert MR573-CUL9 on Burrendong Way Location: (-33.1864 149.10300 Work category: Bridge works	Project Description: Repairs of 4 Cell concrete box Culvert Problem Being Addressed: Recommended patch and repair for soffit of culverts.	Aug-21	Dec-21	\$7,500	\$7,500
NSW	Cabonne Council	2	Road	Repairs to Culvert MR237A-CUL49 on Cargo Road Location: (-33.435308 148.78083 Work category: Bridge works	Project Description: Repairs to 4 Cell concrete box Culvert Problem Being Addressed: Structure in an overall poor condition due to sections of exposed reo and cracking. Pavement has numerous failures.	Aug-21	Dec-21	\$19,000	\$19,000
NSW	Campbelltown City Council	1	Road	Cleopatra Drive - Gallus place to Candius Street road rehabilitation and reseal	The road pavement is affected with significant levels of structural cracking, pumping of fines and rutting. The roughness is also very high.	Dec-20	Jan-21	\$203,072	\$203,072
NSW	Campbelltown City Council	1	Road	Swaffham Road - From Airds Road to End cul-de-sac road rehabilitation and reseal	The road surface is oxidized and affected with longitudinal, transverse and crocodile cracking's with ravelling.	Dec-20	Jan-21	\$214,831	\$214,831
NSW	Campbelltown City Council	1	Road	Sirius Street - Dawes Place to Solander Street road rehabilitation	The road pavement is affected with significant levels of crocodile cracking, pumping of fines and rutting. The roughness is also very high.	Dec-20	Dec-20	\$183,469	\$183,469
NSW	Campbelltown City Council	1	Road	Nepean Tower Avenue - Larra Place to Hartford Avenue road rehabilitation	The proposed treatment includes rectification of the failure areas area with heavy patching treatment first. Then the whole section will be treated with hot mix asphalt with interlayer seal.	Dec-20	Jan-21	\$141,111	\$141,111
NSW	Campbelltown City Council	1	Road	Copperfiled Drive - Englorie Park Drive to Crispsparkle Drive road rehabilitation and sealing	The road pavement is affected with significant levels of crocodile cracking, pumping of fines and rutting. The roughness is also very high.	Dec-20	Feb-21	\$95,088	\$95,088

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Campbelltown City Council	1	Road	Montore Road - Airds Road to End Cul-de-sac, Minto road rehabilitation	The road surface is approximately 20 years old, oxidised and affected with moderate levels of cracking and ravelling	Dec-20	Feb-21	\$174,371	\$174,371
NSW	Campbelltown City Council	1	Road	Gilchrist Drive, Ambarvale - Road Rehabilitation	The road surface is oxidised and affected with moderate levels of cracking and ravelling.	Apr-21	May-21	\$150,000	\$94,388
NSW	Campbelltown City Council	2	Community	Oxford Road, Ingleburn NSW 2565 Footpath and Paver Replacement Location (WGS84): 33°59'56.43"S 150°52'0.39"E Work Category: Bicycle and Walking Paths	<ul style="list-style-type: none"> • Reconstruct 3000m2 Pavers and Footpaths with concrete Footpaths • Reconstruct 420m2 Concrete Path with Hydroconston Pavers • Reconstruct 400m2 two raised Pedestrian Crossings. • Replacements required due to poor asset condition, safety hazards, network condition Improvement. Approximately 650m2 landscaping improvements such as garden bed preparation, addition of 3590 plants, mulching garden beds, installation 18 urban curved and 3 urban classic benches.	Oct-21	Jun-22	\$600,000	\$600,000
NSW	Campbelltown City Council	2	Community	Oxford Road, Ingleburn NSW 2565 Landscaping refurbishments Location (WGS84): 33°59'56.43"S 150°52'0.39"E Work Category: Landscaping improvements	Approximately 650m2 landscaping improvements such garden bed preparation, Addition of 3,590 plants, mulching garden beds, installation 18 urban curved and 3 urban classic benches..	Oct-21	Jun-22	\$250,000	\$250,000
NSW	Campbelltown City Council	2	Community	Ingleburn NSW2565 and Campbelltown CBD NSW 2560 Smart Bins Upgrade Location (WGS84): Ingleburn: 33°59'55.52"S 150°51'52.97"E Campbelltown: 34° 4'.98"S 150°48'46.97"E Work Category: Other (Bin upgrade)	CBD Bins are running at capacity at peak times of the day which is causing overflows of rubbish regularly. Solar Compactor bins will allow for much higher volume of rubbish to be stored in the bins, which means reduced cost to council maintenance and improved community outcomes for waste. Approximately 30 aluminium bins will be replaced in CBD areas to solar compactor bins. The bins also have Bluetooth compatibility to let the council waste sections know when the bin is full.	Oct-21	Feb-22	\$300,000	\$300,000

NSW	Central Coast Council (NSW)	1	Community	Construction Stage 1 of shared pathway along Malinya Road for a length of approximately 320 metres.	The aim of this project is to provide a dedicated off-road route for pedestrians and cyclists. The construction of this missing link would complete the connection from Davistown to Kincumber.	Nov-21	Mar-22	\$911,892	\$911,892
NSW	Central Coast Council (NSW)	1	Road	New carpark on the existing grassed area at the frontage of Lake Munmorah High School.	Carters Road has two primary schools, two high schools, a preschool. With the local area having a growing population and only one way in and out along Carters Road, a traffic solution is needed in this education precinct. The morning and afternoon peak hours cause congestion with an influx of parents/carer givers dropping off and picking up students.	Mar-21	Dec-21	\$900,000	\$900,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Central Coast Council (NSW)	1	Community	Upgrade of Narara District Skate Park	<p>The Narara District Skate Park will service the Gosford Central and Narara Valley and Ourimbah social planning precincts which are inclusive of 8,263 young people. Consultation undertaken throughout the development of the Central Coast Youth Strategy identified that young people are concerned about their own and other young people's mental health along with their physical health and are worried about the increasing numbers of young people who are overweight and obese.</p> <p>The provision of no cost recreation opportunities such as the proposed upgraded Narara District Skate Park will provide equitable access for all ages to develop physical, emotional, social and cognitive skills. Providing free active facilities helps combat obesity and allows socialisation opportunities for young people from all demographics and socio-economic backgrounds to engage in an unprejudiced environment resulting in improved behavioural development and social integration.</p> <p>The ability to stage low cost or no cost skate events and programs at the upgraded facility will also create an avenue to increase social connectedness and inclusion leading to enhanced positive relationships between community members and a decrease in anti-social behaviours.</p>	Apr-21	Oct-21	\$960,000	\$960,000
NSW	Central Darling Shire Council	1	Road	Installation of 10 telemetry signs with LED display	Enable heavy vehicles operators and other motorist to plan trips/routes when rain events occur throughout the shire. Have the ability to close and reopen roads remotely in short period of time, without have field staff traveling to site.	Sep-20	May-21	\$301,818	\$301,818
NSW	Central Darling Shire Council	1	Community	<p>Wilcannia Post Office - Refurbishment of interior</p> <p>White Cliffs Community Hall - Installation of toilet</p> <p>Ross Street Flats - Refurbishment of Exterior Building</p>	<p>Wilcannia Post Office-currently this section of the building can not be used. The purpose for the refurbishment is so the lower sections of the old residents can be utilised for community offices and meeting place.</p> <p>White Cliffs Community Hall- currently there are no toilet facilities for disable people.</p> <p>Ross Street Flats- refurbishment of the exterior of the building to make the facility more aesthetically appealing.</p>	Oct-20	Jun-21	\$465,000	\$465,000
NSW	Central Darling Shire Council	1	Community	installation of new kerbing, footpaths and installation of street trees	Replace kerbing to improve drainage from road carriageway. Replace footpaths to improve aesthetics and remove trip hazards to provide disability access.	Jul-21	Jun-22	\$235,000	\$235,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Central Darling Shire Council	2	Road	Upgrade and Installation of Strategic Variable Message Signs	Central Darling Shire Council will upgrade, replace and install new remotely controllable Variable Messaging Signs at key locations within the shire. The Shire's road network is highly susceptible to flooding and the impact of wet weather resulting in road closures at short notice. The smart signage upgrades will allow Council to communicate the status of roads in real time across the region helping to prevent road users from potential danger, such as becoming stranded, damaging the road surface and will ultimately to improve passenger and freight efficiencies as rerouting can often add many hours to a journey	Aug-21	Nov-21	\$214,049	\$194,049
NSW	Central Darling Shire Council	2	Community	Tilpa Pipeline Project	The Tilpa Pipeline Project will deliver water security to the Tilpa Village community. The project will see the installation of a 17km water pipeline from the bore to the Tilpa Village, as well as the associated capital infrastructure required to pump and store the water.	Aug-21	Nov-21	\$318,750	\$288,750
NSW	Central Darling Shire Council	2	Community	Wilcannia Post Office Maintenance Project	This project will replace the current flooring in the work area of the Council owned building.	Oct-21	Dec-21	\$100,000	\$100,000
NSW	Central Darling Shire Council	2	Road	Local Road Water Infrastructure	Central Darling Shire Council maintains 1600km of local roads of which 90% are unsealed. Water is required for maintenance grading operations which, in this arid zone, is often not available from property owners adjacent to local roads. New water bores, dams and fencing will enable roads to be graded at any time of the year to provide a safe, reliable road network for the travelling public and tourists.	Oct-21	Dec-21	\$160,000	\$133,421
NSW	Cessnock City Council	1	Road	Government Road Weston: Full width insitu stabilisation	The proposed project to create a shared space in this location has several objectives. 1. To provide a public space for temporary events including live music, markets, exhibitions, food trucks. 2. To celebrate two significant heritage buildings (the former Commercial Hotel and the Butcher's). The historic Royal Federal Hotel is also framed from this space. 3. To provide a canvas to celebrate local art and cultural expression. 4. To support two existing high street business that have the potential to be catalysts for further investment in the town centre. 5. To convert a poorly maintained service road to a much needed public space. 6. To support the ongoing realisation of the Branxton Public Domain Plan and Masterplan to transform the town centre from a previously vehicle-dominated thoroughfare to a high-quality, urban environment that celebrates the unique heritage streetscape. 7. To provide bicycle parking infrastructure.	Mar-21	Mar-21	\$301,181	\$300,399

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

To support the ongoing realisation of the Branxton Public Domain Plan and Masterplan to transform the town centre from a previously vehicle-dominated thoroughfare to a high-quality, urban environment that celebrates the unique heritage streetscape. 7. To provide bicycle parking infrastructure.	Jun-21	Dec-21	\$220,000	\$200,000
NSW	Cessnock City Council	2	Road	Charlton Street, Cessnock (Library Place)	Reconstruction, Traffic Improvement, Bicycle and Walking Paths. Installation of 10kph shared zone to provide pedestrian connectivity within Cessnock CBD, including Cessnock Library and shopping precincts.	Mar-22	Jun-22	\$823,735	\$769,910
NSW	Cessnock City Council	2	Road	O'Connors Road and Wine Country Drive, Nulkaba	Bicycle and Walking Paths. Installation of pedestrian pathway to connect existing bus stop infrastructure.	Mar-22	Jun-22	\$263,172	\$263,172
NSW	Cessnock City Council	2	Road	Millfield Road, Bennett Street & Crawford Avenue, Millfield	Bicycle and Walking Paths. Installation of 2.5 mtr shared path connecting Rosehill Estate with Crawfordville Park and Wollombi Road, Millfield.	Mar-22	Jun-22	\$360,000	\$240,000
NSW	Cessnock City Council	2	Road	Nelson Street, Greta	Bicycle and Walking Paths. Installation of 2.5 mtr shared path connecting Greta Railway Station to existing pathway on the New England Highway, Greta.	Mar-22	Jun-22	\$500,000	\$500,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Cessnock City Council	2	Road	Stanford Street, Pelaw Main	Bicycle and Walking Paths. Installation of 2.5 mtr wide shared path from Neath Street Pelaw Main to Log of Knowledge Park Mulbring Street Kurri Kurri	Mar-22	Jun-22	\$514,000	\$514,000
NSW	City of Canada Bay Council	1	Road	McKinnon Avenue is a local street that links Lyons Road and Great North Road. Lyons Road is a state road while this portion of Great North Road is maintained by Council. This street is used by motorists who is heading east towards Drummoyne to bypass Lyons Road & Great North Road signal during peak hours. Due to the number of vehicles uses this road, pavement has deteriorated over the time and is now due for renewal. The pavement rehabilitation works will include provision of deeplift pavement where required and resurfacing McKinnon Avenue. Under this project, on-street parking bays will be resurfaced on southern side of McKinnon Avenue.	McKinnon Avenue shows signs of pavement deterioration and isolated pavement failures. The project will see a deeper pavement constructed to address the pavement issues and to cater for increase in vehicle traffic as a result of recent development at the north-east corner of Lyons Road & Great North road.	Mar-21	May-21	\$103,595	\$103,595
NSW	City of Canada Bay Council	1	Road	Tennyson street is a collector street which is located in the suburb of Mortlake. Tennyson Road connects Mortlake and Breakfast Point with rest of Canada Bay LGA. This road is well utilized by means of public transport, vehicle traffic and active transport. Due to the high volume of vehicles that uses this road to get around, pavement has deteriorated over the time and is now due for renewal. The pavement rehabilitation works will include a geotechnical investigation to assist with pavement design and provision of deeplift pavement along Tennyson Road.	Tennyson Road is experiencing pavement failures which is associated with poor sub-grade conditions. The project will see a deeper pavement constructed to address the pavement failures and to cater for increase in buses and residential traffic due to recent substantial development activities.	Apr-21	May-21	\$300,000	\$300,000
NSW	City of Canada Bay Council	2	Road	Greenlees Avenue Road renewal works, Concord	From the recent audit, it has been determined that the street will require intervention to prevent further deterioration of pavement. The works will be a combination of pavement and surface renewal and will be completed as part of Roads program in the second half of 2021.	Jul-21	Sep-21	\$90,000	\$90,000
NSW	City of Canada Bay Council	2	Road	Ian Parade Roundabout reconstruction at the intersection with Wellbank Street, Concord	The roundabout has shown the sign of distress and severe pavement defects has also been observed. Council is proposing to reconstruct the pavement around the roundabout to address pavement failures. The works will need to be undertaken at night to minimise the disruption to motorists and other road users.	Jul-21	Sep-21	\$110,000	\$110,000
NSW	City of Canada Bay Council	2	Road	Garfield Street Shoulders, Five Dock	Garfield Street has central concrete pavement with asphalt shoulders. The street is located between Great North Road (state road) and Harris Road (regional road). Road shoulders exhibited the signs of stress and requires renewal ASAP to protect the adjoining concrete pavement from water penetration. Council is planning to undertake rehabilitation of shoulders on both side of Garfield Street.	Jul-21	Sep-21	\$120,000	\$120,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	City of Canada Bay Council	2	Road	Barney Street pavement renewal works, Drummoyne	Barney Street has experienced pavement failures which is associated with poor sub-grade conditions. The project will see a deeper pavement constructed to address the pavement failures.	Jul-21	Sep-21	\$80,000	\$80,000
NSW	City of Canada Bay Council	2	Road	Strathfield triangle public domain works	The pavement renewal works are proposed for Cooper street, Hiltz Road and Clarence street. The works also include provision of parking, footpath renewal and drainage works etc.	Oct-21	Dec-21	\$800,000	\$420,000
NSW	City of Canada Bay Council	2	Road	George Street renewal works, North Strathfield	George Street is a local street in Canada Bay LGA and is the main thoroughfare connection the suburbs of Concord West and North Strathfield. This section of the road is bounded by Pomeroy Street to the north and Parramatta Road to the south	Jul-21	Nov-21	\$1,000,000	\$300,000
NSW	City of Canada Bay Council	2	Road	Road renewal works from Queen street to Carrington Street, North Strathfield	The works will be a combination of pavement and surface renewal and will be completed as part of Roads program in the second half of 2021.	Jul-21	Sep-21	\$180,000	\$180,000
NSW	City of Canada Bay Council	2	Road	Barunga Street pavement rehabilitation works, Concord West	Barunga Street has experienced pavement failures which is associated with poor sub-grade conditions. The pavement will be rehabilitated to address the pavement failures.	Jul-21	Sep-21	\$100,000	\$100,000
NSW	City of Canada Bay Council	2	Road	Bertram Street renewal, Mortlake	Bertram Street is local street which is located in the suburb of Mortlake. This street segment is located between Hilly street and the bay. The works will be a combination of pavement and surface renewal and will be completed as part of Roads program in the second half of 2021.	Jul-21	Sep-21	\$120,000	\$120,000
NSW	City of Canada Bay Council	2	Road	Road renewal works from Cropley Street to Cropley lane, Rhodes	Cropley street and Cropley lane are local streets which are located in the suburb of Rhodes within Canada Bay LGA. The streets run between Concord Road from the west and Llewellyn Street to the east.	Jul-21	Sep-21	\$120,000	\$120,000
NSW	City of Canada Bay Council	2	Road	Road rehabilitation works at Russell Street, Russell Lea	The pavement has deteriorated over the time and Council now proposes to renew the surface and the damaged pavement.	Jul-21	Sep-21	\$300,000	\$300,000
NSW	City of Canada Bay Council	2	Road	Stanley Street renewal, Concord	Stanley Street is a local street. This street segment is located between Burwood Road and St Luke's Park. The street services Concord High School as well as sporting facilities in St Lukes park. The pavement has deteriorated over the time and Council now proposes to renew the surface and the damaged pavement.	Oct-21	Nov-21	\$170,000	\$170,000
NSW	City of Canada Bay Council	2	Road	Pavement rehabilitation at Barnstaple Road, Five Dock	Council has identified this segment for renewal in the 2nd half of 2021. The works will include a combination of surface and pavement renewals.	Jul-21	Sep-21	\$200,000	\$200,000
NSW	City of Canada Bay Council	2	Road	Heavy patching works at Hospital Road, Concord West	Hospital Road is located between Concord Road and Rivendell School and is the main access to Concord Hospital. The street is heavily used by buses and motorists. Hospital Road has exhibited isolated local failures. Council has proposed to carry out asphalt heavy patching to treat the failures	Jun-21	Jun-21	\$80,000	\$80,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	City of Canada Bay Council	2	Road	Heavy patching works at Arthur Street, Rodd point	The site is located at Arthur street and First Avenue intersection. The Arthur street at the intersection with First Avenue has exhibited isolated local failures. Council has proposed to carry out asphalt heavy patching to treat the failures	Jun-21	Jul-21	\$29,545	\$29,545
NSW	City of Canada Bay Council	2	Road	McKinnon Avenue, Five Dock - Parking bay Reconstruction	Existing parking area has deteriorated over the time. The parking area was under-utilised due to its condition. The proposal is to reconstruct the parking bay to the current standard. The works involves pavement reconstruction, installation of vehicular layback and barrier kerb, removal of trees, line marking and signage etc. Please note that an amount of \$103,595 has been allocated for McKinnon Avenue from LRCI – Phase 1. It has been identified that further funding is required to fully reconstruct the parking bay.	Mar-21	May-21	\$125,000	\$125,000
NSW	City of Canada Bay Council	2	Road	Tennyson Road, Mortlake – Additional Pavement Renewal works	Pavement investigation recommends 260mm thick asphalt deep lift pavement which has resulted an increase to renewal cost. Council allocated \$300,000 for Tennyson Road renewal from LRCI – Phase 1. Further funding is required to complete the Tennyson road renewal works.	Apr-21	May-21	\$450,000	\$150,000
NSW	City of Canada Bay Council	2	Road	Edwin Street, Mortlake	Edwin Street is local street which is located in the suburb of Mortlake. This street segment is located between Tennyson Road and Hilly Street.	Apr-21	May-21	\$100,000	\$100,000
NSW	City of Lithgow Council	1	Road	Elevation and sealing of 5.1km Glen Davis Road	Glen Davis Road is an unsealed road which is constructed at ground level. During periods of intense rainfall, localised flooding causes frequent deterioration to the road surface. Additionally, the road accommodates approximately 250 vehicles per day which further degrades the road surface.	Oct-20	Feb-21	\$1,012,205	\$796,800

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Dubbo Regional Council	1	Community	Dubbo Aquatic Leisure Centre - Upgrades	<p>The Dubbo Aquatic Leisure Centre (DALC) is a well-loved community recreation facility, however it is aging facility and is in need of an upgrade. Recent audits of the Centre's security, lighting and pump room facilities, as well as a number of security breaches that have occurred have highlighted major deficiencies in the safety and security of the site.</p> <p>As previous upgrades have been completed in an ad-hoc manner, parts of the existing lighting and security infrastructure are obsolete and do not meet current environmental standards.</p> <p>Lighting: A December 2020 audit of lighting at the DALC highlighted a safety concern for after-hours use of the Centre. At least half of the current floodlights are inoperative and there is no lighting directed at the public car park, staff car park, splash park or waterslide. No lighting exists outside the entrance to the DALC's new foyer and the current floodlights directed at the 50m pool are insufficient for evening events and carnivals.</p> <p>Replacing the existing Metal Halide Flood Lights with LED Flood Lights will reduce the existing energy use by up to 70% and reduce operational costs - every \$100 it costs to run the existing metal halide lights will be reduced to \$30 if replaced by an LED equivalent. Maintenance costs will be significantly reduced as the proposed LED fittings have a three year replacement warranty excluding labour and have a life span of approximately 35,000 hours.</p> <p>2. Security: A November 2020 audit of security at the DALC, as well as two concurrent break-ins, theft and damage to the centre, highlighted major gaps in the current security measures. The audit found that the facility has insufficient, incompatible and outdated security systems, with major sections of the facility/such as the</p>	May-21	Jul-21	\$150,000	\$150,000

The project involve upgrading footpath paving, upgrading vehicle traffic & pedestrian lighting, upgrading street furniture and planting street trees	Jun-21	Dec-21	\$3,880,000	\$1,572,627
NSW	Georges River Council	2	Combination	Footpath & pedestrian facility Renewal across the Local Government Area	Bicycle and Walking Paths - Reconstruction of existing poor condition pedestrian paths and pram ramps.	Apr-21	Jul-21	\$1,000,000	\$1,000,000
NSW	Gilgandra Shire Council	1	Road	Undertaking erosion restoration works, including batter and bed scour protection which will improve stability of the area. This project supports stabilisation of Biddon Creek banks, contributing to natural resource management outcomes. Public safety outcomes will also be achieved through stabilisation of the eroded area, which is encroaching on the power lines located in close proximity to Biddon Creek. The project is in addition to Council's existing work schedule for 2020/21. The proposed expenditure items under the LRCI funding include labour costs and material to complete the works, which are all eligible expenditure items.	Biddon Creek at Biddon is a location where heavy rainfall and flood events cause significant damage to the creek channel. Stabilisation of the area will reduce the potential for recurrent erosion issues to occur. A number of powerlines in close proximity to the creek are also at risk of falling over, creating a safety concern.	Apr-21	Jun-21	\$150,717	\$150,717
NSW	Gilgandra Shire Council	1	Road	The project involves construction of a concrete causeway over the existing culvert on Doorroombah Road which will support improved road safety outcomes. The proposed works are in addition to Council's existing work plan for 2020/21. This project supports improved road safety outcomes through improved access for road users on an existing unsealed road. Expenditure items under the LRCI funding include labour costs and material to deliver the works which are all eligible expenditure items.	Doorroombah Road is currently unsealed and is impacted during periods of heavy rainfall and prolonged wet weather. The existing culvert is continually being washed away, preventing access for road users. Construction of concrete causeway over the culvert will improve stability of the area, along with improving accessibility, conditions and overall safety for road users.	Apr-21	Jun-21	\$90,000	\$90,000
NSW	Gilgandra Shire Council	1	Road	The project involves extending the sealed section to the floodway over Gundy's Creek crossing. The proposed works are in addition to Council's existing work plan for 2020/21. This project supports improved road safety outcomes through improved access for road users during times of wet weather. Expenditure items under the LRCI funding include labour costs and material to deliver the works which are all eligible expenditure items.	Tooraweenah-Mendooran Road is currently unsealed and is impacted during periods of heavy rainfall and prolonged wet weather. Extension of the sealed section to the floodway will prevent longitudinal erosion of the road which is currently occurring in the location and improve stability of the area. Accessibility and overall road condition in the area will also be improved for road users, contributing to overall safety outcomes.	Apr-21	Jun-21	\$60,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Gilgandra Shire Council	1	Road	The project involves construction of a retaining wall at the existing culvert located on the overflow channel at Paddys Creek. This project supports improved road safety outcomes through enhanced stability of the area and road edges. The proposed works are in addition to Council's 2020/21 work plan. Expenditure items under the LRCI funding include labour costs and material to deliver the works which are all eligible expenditure items.	The existing culvert area is regularly washed out during periods of heavy rainfall, impacting the stability of the area, and the ability for landholders to move farm machinery across it. Construction of the retaining wall will improve drainage and stability of the area, along with improving usability and safety for road users.	Apr-21	Jun-21	\$25,000	\$25,000
NSW	Gilgandra Shire Council	1	Road	The project involves construction of an approach slab to Milpulling Creek to improve stability of the area. The project supports improved road safety outcomes through enhanced access and improved conditions for road users. The proposed works are in addition to Council's 2020/21 work plan. Expenditure items under the LRCI funding include labour costs and material to deliver the works which are all eligible expenditure items.	The existing causeway over the culvert is being eroded, impacting on the stability of the area and creating a traffic hazard. Construction of the approach slab will improve stability of the area, along with improving accessibility, conditions and overall safety for road users.	Apr-21	Jun-21	\$30,000	\$30,000
NSW	Gilgandra Shire Council	1	Community	The project will deliver Stage 2 upgrades to the Armatree War Memorial Precinct within the Armatree Village. The proposed upgrades include soft landscaping, signage board and lighting at the Big Armatree sculpture, along with pathways linking the key elements within the Precinct. The proposed works are in addition to 2020/21 work plans. Expenditure items under the LRCI funding include labour costs, materials to construct the walkway, establish landscaping, installation of lighting and interpretive signage board which are all eligible expenditure items.	Armatree is a small village located approximately 5km off the Castlereagh Highway, north of Gilgandra. Stage 1 of the upgrades to the War Memorial precinct are nearing completion, which includes development of History Boards and the Big Armatree Sculpture in close proximity to the existing War Memorial. LRCI funding will be used to deliver Stage 2 which addresses the lack of wayfinding signage and connectivity between the precinct elements, ultimately creating a circuit for visitors to engage with and learn about the village and district's history. Community safety and sense of place will also be enhanced through improved lighting and soft landscaping features.	Feb-21	Jun-21	\$72,727	\$72,727

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Gilgandra Shire Council	1	Community	<p>The project involves the following elements:</p> <ul style="list-style-type: none"> * redevelopment of the CHC car park area * relocation of the old visitor information building and existing BBQ shelter to the recreation area out the back of the CHC and fronting the Castlereagh River * establish driveable access linking the CHC to the nearby Rural Museum * installation of irrigation system and soft landscaping. <p>The proposed works will improve connectivity and accessibility between the CHC and Rural Museum, linking these two culturally significant spaces and encouraging community interaction and enjoyment of the facilities. The upgraded carparking spaces will be located on the northern side of the CHC, where visitors will be able to clearly observe and experience some of the main upgrade features such as the outdoor deck and Aboriginal garden.</p> <p>The proposed LRCI activities are in addition to Council's 2020/21 work plan and will enhance the overall CHC upgrades. The CHC upgrade project will result in improved functionality of the building and exhibition opportunities, incorporation of our Aboriginal Heritage, and improved accessibility and appreciation of the natural surroundings and view of the Castlereagh River.</p> <p>The proposed expenditure items are all eligible under the LRCI funding including:</p> <ul style="list-style-type: none"> * labour costs * material to construct the carparking spaces, establish driveable access, landscaping and irrigation systems. 	<p>The proposed project will address the inadequate available parking at the CHC and establish linkages between the CHC and Rural Museum as key elements of Gilgandra's Cultural precinct. The existing carpark space will be enhanced considerably, creating designated caravan parking spaces on the western side of the CHC along with car parking spaces on the northern side of the carpark. The CHC and Rural Museum are currently not directly linked, meaning visitors and locals alike are not invited or encouraged to explore past their immediate stopping point. Establishing driveable access and landscaping connecting the two spaces will enhance the general aesthetics and linkages between these two culturally significant facilities. Freedom camping opportunities are currently being explored for Cooeo Oval, located between the CHC and Rural Museum, which will enhance the overall opportunities for the Precinct.</p>	Apr-21	Jun-21	\$1,422,000	\$200,000
NSW	Gilgandra Shire Council	1	Road	<p>Rehabilitation and sealing a section of the existing unsealed Leeches Creek Road at the intersection of Berida-Innisfail and Leeches Creek Road. This section of road is regularly impacted by local floodwaters during periods of heavy and persistent rainfall. This project supports improved road safety outcomes through improved access for road users during times of wet weather, as the section of road becomes inundated and is unsafe for vehicles to drive through the water. The proposed works are in addition to Council's 2020/21 work plan. Expenditure items under the LRCI funding include labour costs and material to deliver the works which are all eligible expenditure items.</p>	<p>Targeted area is regularly inundated by local floodwaters, restricting access for road users and impacting on road conditions.</p>	Apr-21	Jun-21	\$250,000	\$250,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Griffith City Council	3	Combination	Kooyoo Street Plaza Stage 2 Re-development – Banna Lane – Yambil Street, Griffith	Complete the reconstruction of Kooyoo Street between Banna Lane & Yambil Street to complete a pedestrian plaza between Banna Lane & Yambil Street in Griffith, works will include; - Road reconstruction; Demolish and replace footpaths with paving; New Stormwater drainage and water and sewer utilities as per design; New street trees, furniture and lighting; New Kiosk and Shade Structure. Work category: Other, being a combination of road, drainage, footpath, water, sewer and paving works	Jan-22	Dec-22	\$2,131,952	\$2,061,282
NSW	Gunnedah Shire Council	1	Road	Oakey Creek Road Intersection via Clifton Road to Leys Road Intersection road works	The unsealed surface currently contributes to: * High vehicle operating costs and reduced average travel speeds. * Prevents the use of Clifton Road as a HML B-double route * Constrains usage of the shorter route between the Oxley and Kamilaroi Highways * Contributes to safety hazards such as poor skid resistance, high maintenance costs, dust/visibility issues and poor access during wet weather	Jan-21	Oct-21	\$1,378,750	\$1,007,220
NSW	Gunnedah Shire Council	2	Community	Gunnedah Aerodrome Certification Project	*Grade and build up the Runway and Taxiway edge so that the drop off to gravel does not exceed 25mm. *Upgrade the lighting system and line marking. *Install illuminated wind indicators at both ends of the bitumen runway.	Jun-21	Jun-22	\$651,000	\$255,000
NSW	Gunnedah Shire Council	2	Road	Acceleration of Gunnedah Kerb and Gutter Program	Accelerate K&G Program to be delivered in 2021, including; Palmer Crescent – 200m Osric Street – 200m Hunter Street – 100m George Street – 120m	Jun-21	Dec-21	\$360,914	\$360,914
NSW	Gunnedah Shire Council	2	Community	Gunnedah Impoundment Facility Upgrade	Upgrade the Gunnedah Impoundment Facility to a 350m2 facility with 12 kennels, 1 cat enclosure and quarantine facility	Jun-21	Jun-22	\$650,000	\$388,909
NSW	Gwydir Shire Council	1	Combination	Batterham Lookout Bingara makeover	The lookout road is not compliant with current Australian Standards and safety requirements. This project will ensure that the area is brought up to Standards. Further there is little signage to direct and inform visitors and residents. The existing furnishings are dated and hard to maintain and clean. The existing pathway to the bird watching platform is uneven and weather worn. The upgrade will improve safety and usability. These will be replaced which will make the whole area more aesthetically pleasing, safe and easier to maintain.	Jun-21	Sep-21	\$240,242	\$240,000
NSW	Gwydir Shire Council	1	Community	Warialda and Bingara CBD improvements	Gwydir Shire is a popular regional tourist destination for day trips and weekend stays. This project improves the amenity of the towns. Further Gwydir Shire has a high percentage of senior residents and young families, Council will increase the number of shaded resting places for their enjoyment and use. This is particularly beneficial given our extreme summers.	Dec-20	Jun-21	\$132,365	\$132,365

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Gwydir Shire Council	1	Community	Warialda Animal Shelter construction	Current facility and site is unsuitable. It is situated near a gully and noise travels to residences causing some nuisance. The facility is also small and outdated.	Oct-20	Aug-21	\$179,500	\$160,000
NSW	Gwydir Shire Council	1	Community	Warialda and Bingara Dog Exercise Area fencing and park furniture	The off leash areas currently are not fenced and have no other infrastructure. Without fencing there is a danger that dogs will run onto the roads surrounding the park areas. The fencing will increase patronage and permit appropriate unleashing of dogs for exercise. The access to bags and bins will encourage users to keep the area tidy and dispose of dropping appropriately. The exercise obstacles will offer alternative activities for the dogs and their owners. The plantings will increase the visual amenity of the area making it a pleasant place to take dogs for exercise. In the warmer months access to water is essential for dogs after exercising. Seating and will allow owners to sit, rest and socialize with other community members.	Jun-21	Oct-21	\$120,600	\$106,000
NSW	Gwydir Shire Council	1	Community	Renovate Warialda Medical Centre	The project will see the internal layout of the Centre altered so as to allow for a more COVID19 safe environment for patients, staff and visitors. The project will also create a designated ambulance entry/exit which will make the facility compliant and preserve the dignity of patients who currently have to be wheeled from the premises through the main reception area. The renovation will increase the functionality of the centre particularly for the doctors and a new and modern centre will attract more allied health service providers to the town.	Jun-21	Jun-21	\$230,000	\$230,000
NSW	Gwydir Shire Council	1	Community	Nicholson Oval Warialda - lighting	Gwydir Shire has a long and hot summer and the installation of lights will allow sports to be played at night in the cool. In addition teams in winter will be able to train safely with adequate lighting. The installation will allow a safe and well light green space for families to enjoy night concerts and activities.	Jun-21	Oct-21	\$490,878	\$313,859

NSW	Hawkesbury City Council	1	Community	Construct an 1.2m wide concrete footpath on the Southern side of Andrew Thompson Drive between Red House Crescent and Mcgrath Road.	The site provides a direct link to the local Shopping centre and Windsor High School. The graded nature strip is uneven and potentially hazardous and not useable during wet weather periods.	Feb-21	Feb-21	\$65,500	\$65,500
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete foot path on the southern side of Arndell Street between George Street and Court Street. The project will provide a 200 m section of new concrete footpaving.	The grass verge is not suitable for use by the elderly population particularly those requiring walking frames and motorised scooters	Apr-21	Apr-21	\$28,600	\$28,600
NSW	Hawkesbury City Council	1	Community	Construct an 1.2m wide concrete footpath on the northern side of Bathurst Street between Buckingham Street and Eldon Street.	The site is located in the village centre and the nature strip provides a link between the local Hotel/shopping centre and the residential community. The graded nature strip is uneven and potentially hazardous.	Apr-21	Apr-21	\$29,100	\$29,100
NSW	Hawkesbury City Council	1	Community	Construct a new concrete footpath on the eastern side between William Street (Primary School) and Bells Line of Road.	Improved access for school children and parents. The provision of an all weather surface (concrete) will alleviate safety concerns relating to pedestrians walking on a busy road.	Sep-20	Sep-20	\$38,500	\$38,500
NSW	Hawkesbury City Council	1	Community	Construct an 1.2m wide concrete footpath on the Western side of Chatham Street between Bathurst Street and Eldon Street. This is a missing section approximately 40 m in length.	The site is located in the village centre and the nature strip provides a direct link to the local Hotel/shopping centre. The dusty /muddy nature strip is uneven and potentially hazardous.	Apr-21	Apr-21	\$8,000	\$8,000
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete foot path on both sides of the road in Court Street between Arndell Street and Pitt Street. The project will provide a total of 120m of concrete footpaving. .	The grass verge is not suitable for use by the elderly population particularly those requiring walking frames and motorised scooters	Apr-21	Apr-21	\$16,900	\$16,900
NSW	Hawkesbury City Council	1	Road	Rehabilitate failed road pavement on the western portion of the road between Curtis Road and Wingate Road. Reconstruct pavement with full depth Asphalt. Recycle unsuitable material for reuse on unsealed roads and road shoulders.	Extensive pavement deformation in a busy Industrial Estate.	Jul-20	Jul-20	\$131,505	\$131,505
NSW	Hawkesbury City Council	1	Community	Construct an 1.2m wide concrete footpath on the southern side Eldon Street between Somerset Street and Chatham Street.	The site is located adjacent to the village centre and the nature strip provides a link between the local community Hotel and shopping centre. The graded nature strip is uneven and potentially hazardous.	Apr-21	May-21	\$54,000	\$54,000
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete footpath on the southern side of the road between Laurence Street (primary school) and Castlereagh Road.	Improved pedestrian amenity particularly for children walking to and from school. Address safety concerns associated with children walking on the road particularly during periods of wet weather.	Oct-20	Nov-20	\$92,000	\$92,000
NSW	Hawkesbury City Council	1	Road	Rehabilitate two failed sections of Kurmond Road.	Extensive pavement deformation including edge ruts and cracking.	Apr-21	May-21	\$586,000	\$419,924

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete foot path on the eastern side of the road between Luttrell Street and Harold Avenue. Approximately 360m long.	Well worn nature strip becomes muddy in the wet and provides a direct link to the local shopping centre. The new footpath will greatly improve pedestrian access to the shops and nearby school.	Feb-21	Mar-21	\$41,600	\$41,600
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete foot path on the northern side of Michin Avenue between Luttrell and Laurence Streets over a distance of 220 m.	The Hobartville district has an ageing population with a growing need for improved and safer pedestrian facilities. The nature strip in its current state is not suitable for motorised scooters or walking frames. The provision of a concrete path at this location will be greatly appreciated by the local community.	Feb-21	Mar-21	\$32,400	\$32,400
NSW	Hawkesbury City Council	1	Community	Construct new concrete foot paving on the south side of Riverview Street between Pitt Lane and Grose Vale Road. This road provides a direct link to North Richmond Primary School and the local Shopping Centre.	Improved pedestrian amenity particularly for school children	Feb-21	Mar-21	\$44,700	\$44,700
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete foot path on the northern side of Michin Avenue between Luttrell and Laurence Streets over a distance of 220 m.	The Hobartville district has an ageing population with a growing need for improved and safer pedestrian facilities. The nature strip in its current state is not suitable for motorised scooters or walking frames. The provision of a concrete path at this location will be greatly appreciated by the local community.	Mar-21	Mar-21	\$32,400	\$32,400
NSW	Hawkesbury City Council	1	Community	Construct a 1.2 m wide concrete footpath on the northern side of Windsor Street between Hobart Street and Pitt Street over a distance of approximately 350 m.	The verge is generally unsuitable for safe pedestrian use particularly during wet weather periods. A concrete path will greatly improve pedestrian safety and amenity. Windsor Street provides a link between the RAAF Base/ Industrial Estate and East Richmond Railway station.	Mar-21	Apr-21	\$52,500	\$52,500
NSW	Hawkesbury City Council	2	Road	Mileham St, South Windsor	Rehabilitate a failed road section. The road has extensive ruts and deformation including ravelling. The new works will significantly improve riding quality and safety.	Jun-21	Jul-21	\$140,000	\$140,000
NSW	Hawkesbury City Council	2	Road	Kurmond Rd, Wilberforce	Rehabilitate a failed road section. The road has extensive ruts and deformation including ravelling. The new works will significantly improve riding quality and safety.	Oct-21	Oct-21	\$175,000	\$175,000
NSW	Hawkesbury City Council	2	Road	Grose Vale Road, North Richmond	Rehabilitate a failed road section. The road has extensive ruts and deformation including ravelling. The new works will significantly improve riding quality and safety.	Aug-21	Aug-21	\$30,000	\$30,000

Provide improvements to Council owned community facilities to improve accessibility, recreational opportunities, amenity and facilitate healthy active communities.	Feb-21	Nov-21	\$78,000	\$78,000
NSW	Kyogle Council	1	Community	Upgrade BMX track to Asphalt Pump Track, replace and upgrade sports ground lighting	Provide improvements to Council owned community facilities to improve accessibility, recreational opportunities, amenity and facilitate healthy active communities.	Aug-20	Nov-21	\$280,000	\$280,000
NSW	Kyogle Council	1	Community	Construct additional storage area for museum and Historical Society collections at existing Museum building site.	Provide improvements to Council owned community facility to improve capacity for the delivery of quality museum display and research services by volunteer organisation.	Aug-20	Nov-21	\$41,000	\$25,000
NSW	Kyogle Council	1	Community	Upgrade sports oval lighting.	Provide improvements to Council owned community facilities to improve accessibility, recreational opportunities, amenity and facilitate healthy active communities.	Aug-20	Aug-21	\$130,000	\$130,000
NSW	Kyogle Council	2	Community	Tabulam Sports Ground	Internal renovation of existing kiosk and club house, Supply and install electric BBQ, shelter and seating, Supply and install shade structure for playground	Apr-21	Dec-21	\$285,000	\$285,000
NSW	Kyogle Council	2	Community	Woodenbong Sports Ground	Replace pool fencing and paint mural	Aug-21	Dec-21	\$50,000	\$50,000
NSW	Kyogle Council	2	Community	Bonalbo Norman Johnston Oval	Supply and install aerator fountain, construct viewing platform on stormwater dam, Clean and dredge stormwater dam, Supply and install shade structure for playground, renew shade and seating structures, Replace pool fencing and paint mural	Aug-21	Dec-21	\$215,000	\$215,000
NSW	Kyogle Council	2	Community	Bonalbo pre school	White ant damage repairs and painting	Oct-21	Dec-21	\$70,000	\$70,000
NSW	Kyogle Council	2	Community	Kyogle Visitor Information Centre	Repair cracks, paint, gutter guard, replace and upgrade air con, remove old office wall and relocate counter to expand available space	Oct-21	Dec-21	\$60,000	\$60,000
NSW	Kyogle Council	2	Community	Bonalbo Caravan park amenities	White ant damage repair, paint inside common room.	Oct-21	Dec-21	\$30,000	\$30,000
NSW	Kyogle Council	2	Community	Kyogle pre school	Paint inside and out, repairs and drainage improvement work, new fence to meet required height	Apr-21	Dec-21	\$100,000	\$100,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Kyogle Council	2	Community	Kyogle Memorial Institute Hall	Improve Supper Room acoustics and audio visual systems to allow for meetings, and paint interior of Supper Room	Sep-21	Dec-21	\$103,990	\$103,990
NSW	Kyogle Council	3	Combination	Kyogle Main Street Revitalisation - Located on the Summerland Way, Kyogle from the intersection with Wyangarie Street through to the intersection with Kyogle Road.	Undertake landscaping improvements and implementation of a 40km/h high pedestrian area speed zone, as outlined in the Kyogle CBD Revitalisation Master Plan Landscape and Urban Design Report. Provision of street trees and gardens, speed zone threshold treatments, outdoor kerb side dining areas, intersection improvements, cycling lanes, disabled parking spaces, new seating, recycling bins, and associated street furniture. Includes the following work categories; - Traffic Improvement - Landscaping improvements	Jun-22	Jun-23	\$2,048,312	\$2,048,312
NSW	Lachlan Shire Council	1	Community	Erection of new Lachlan Shire animal shelter to replace the existing animal shelter	Existing animal shelter has passed its useful life and does not provide satisfactory levels of care for animals and does not comply with current building requirements	Sep-21	Dec-21	\$300,000	\$300,000
NSW	Lachlan Shire Council	1	Road	Box Culvert replacements and drainage improvements	Replace existing damaged and degraded stormwater infrastructure. Associated Road repairs and traffic safety improvements	Jun-21	Oct-21	\$325,000	\$220,508
NSW	Lachlan Shire Council	1	Community	The goal of the project is to provide 4 x 4 way CCTV cameras at four intersections throughout the Lake Cargelligo CBD as a deterrent to crime and to assist the police in identifying persons responsible. Each camera will be mounted on a 6 metre solar pole. Cameras will be viewable at the Lake Cargelligo Police Station and footage will be stored securely at the Lake Cargelligo Council Administration Building.	The Local Police and Business Houses have identified the following which supports the need for CCTV surveillance cameras in the Lake Cargelligo CBD - High Vandalism in the CBD - High incidence of Violence in the CBD after dark - High number of adolescents present in the CBD after dark	Apr-21	Jun-21	\$145,000	\$145,000
NSW	Lachlan Shire Council	1	Community	820m of 2500m wide concrete shared path/walkway Associated safety signage and street furniture.	Walkway path nominated in this project will complete the final stage of a walking/cycling track. This final 820m will link a key recreation camping ground and tourist point with the existing shared path network, Local CBD, Sporting precinct, and other tourist attractions.	Feb-21	Oct-21	\$393,000	\$293,000
NSW	Lachlan Shire Council	1	Community	Community Energy Efficiency Project - Installation of Solar PV systems on eleven (11) community facilities in order to reduce overall operational costs. The savings generated will facilitate improved community facilities into the future.	The community facilities cost a significant amount of money to run through electricity charges. The project will generate total annual savings of approximately \$123,000.	Mar-21	Oct-21	\$1,100,000	\$1,100,000
NSW	Lachlan Shire Council	1	Community	Replace old lights with new LED. Replace old wiring and electrical components. Refurbish light towers. Refurbish court surface	Existing lighting is inefficient and becoming a maintenance issue with bulbs blowing. This new lighting and wiring will improve energy efficiency and reduce maintenance costs. Playing Surface has developed mildew issues. These is the need to clean and redress the existing surface.	Jan-21	Oct-21	\$90,000	\$90,000
NSW	Lachlan Shire Council	2	Community	Youth Centre Renovation - 7 Hay St, Condobolin :other	Youth Centre Building Renovations Other	Mar-21	Dec-21	\$363,698	\$363,698
NSW	Lachlan Shire Council	2	Road	Forster Street Upgrade - Forster St, Lake Cargelligo	Road Reconstruction and Drainage works	Oct-21	Dec-21	\$2,778,219	\$300,000
NSW	Lachlan Shire Council	2	Community	Swimming Pool Barbeque Area Replacement - 113 Umang Street, Tottenham	Picnic Shelters or Barbeque Facilities at Community Swimming Pool	Mar-21	Sep-21	\$50,000	\$50,000
NSW	Lachlan Shire Council	2	Community	Rec. Ground AFL and Netball Shed - 24 Burgooney Road, Tullibigeal	Installation of new sports storage shed Sporting and recreation facilities	Mar-21	Aug-21	\$25,000	\$25,000
NSW	Lachlan Shire Council	2	Community	Barbeque and Shade Shelter - 2 Federation Street, Albert	Picnic Shelters or Barbeque Facilities at Community Parks	Sep-21	Dec-21	\$30,000	\$30,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Lachlan Shire Council	2	Community	Netball Courts LED Lighting – Diggers Ave, Condobolin	Installation of new LED sporting lights Sporting and recreation facilities	Sep-21	Dec-21	\$30,000	\$30,000
NSW	Lachlan Shire Council	2	Community	Community Hall Ceiling and Insulation Replacement - Bulbodney Street, Tottenham	Insulation and Ceiling replacement for the Tottenham War Memorial Community Hall Other	Sep-21	Dec-21	\$10,000	\$10,000

NSW	Lachlan Shire Council	2	Community	Racecourse Skillion Roof Extension – 24 Burgooney Road, Tullibigeal	Installation of skillion shade structure Sporting and recreation facilities	Aug-21	Oct-21	\$20,000	\$20,000
NSW	Lachlan Shire Council	2	Community	Camp Kitchen and storage shed – Burcher	Installation of Camp Kitchen and storage shed Other	Mar-21	Nov-21	\$30,000	\$30,000
NSW	Lachlan Shire Council	2	Community	Water Tank Mural – Tottenham	Public mural Other	Mar-22	Jun-22	\$65,000	\$65,000
NSW	Lake Macquarie City Council	1	Community	Reay Park Dudley - tennis court and facilities refurbishment	Removal of disused and poor condition existing tennis court; Provision of accessibly enabled accessible facility; Demolition of disused sheds	Aug-20	Jun-21	\$368,940	\$368,940
NSW	Lake Macquarie City Council	1	Community	Charlestown Swimming Centre - pool upgrade	Existing pool at end of life and in poor condition; new facility will also be constructed to be an indoor facility to increase utilisation and create all weather environment.	May-21	Mar-22	\$750,000	\$600,000
NSW	Lake Macquarie City Council	1	Community	Catamaran Club and Boatshed Rathmines - external painting	Amenity and longevity of building improved and maintained.	Oct-20	Dec-20	\$10,000	\$10,000
NSW	Lake Macquarie City Council	1	Community	Michael Bird Field Windale - lighting upgrade	Utilisation of sports field can be increased through additional lighting; Safety of play can be increased.	Mar-21	Jun-21	\$120,000	\$120,000
NSW	Lake Macquarie City Council	1	Community	Eleebana tennis courts - carpark sealing	Existing carpark not sealed and subject to water pooling with potential for vehicles to become bogged.	Sep-20	Oct-20	\$95,448	\$95,448
NSW	Lake Macquarie City Council	1	Road	The Esplanade Warners Bay - installation of smart/solar lighting along shared path	Illuminating popular public walking track with smart and green energy lighting; Reduction in operational cost and carbon.	May-21	Oct-21	\$60,000	\$60,000
NSW	Lake Macquarie City Council	1	Community	Lakelands - shared path reconstruction	Pedestrian and cycle safety; Accessibility of path	Feb-21	May-21	\$275,000	\$275,000
NSW	Lake Macquarie City Council	1	Road	Bareki Road Eleebana - construction of a new pedestrian refuge and bus stop facilities	Road is wide and a primary thoroughfare for vehicles, and subject to high pedestrian volumes due to proximity of Thiomas H Halton park. Project will improve safety of park users crossing the road.	Apr-21	Jun-21	\$183,000	\$183,000
NSW	Lake Macquarie City Council	1	Community	Pacific Highway, Macquarie Aerodrome to Naru Street, Marks Point - landscaping	Basic general landscaping including re-turfing is being undertaken to beautify the area and tie in with planned reconstruction of access road.	Feb-21	Apr-21	\$40,000	\$40,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Lake Macquarie City Council	2	Community	Replacement of Valentine Rugby League Amenities Building. Croudace Bay Complex, 14 Parklea Avenue, CROUDACE BAY Sporting and recreation facilities	The implementation of the Croudace Bay Sporting Complex Master Plan does not provide for the new amenities' building for the Rugby League Club. Implementation works are planned to occur on site throughout 2021, but it currently does not include a new amenities building. By obtaining this external funding this will allow the majority of the master plan to be implemented over the next couple of years.	Dec-21	Aug-22	\$1,500,000	\$1,500,000
NSW	Lake Macquarie City Council	2	Community	Replacement of Valentine Football Amenities Building Croudace Bay Complex, 14 Parklea Avenue, CROUDACE BAY Sporting and recreation facilities	As per the above project, funding is also required for the Football Club new amenities to ensure both codes switch fields. One building can't be built without the other, so utilising this funding will allow the implementation of the master plan to occur successfully over the next few years. As per previous project only modular building construction will achieve the tight timeframes of the grant.	Sep-21	Dec-21	\$1,500,000	\$1,500,000
NSW	Lake Macquarie City Council	2	Community	Hunter Sports Centre Main Track Resurfacing 45 Stockland Drive, GLENDALE Improvements to community facilities	The Hunter Sports Centre is the premier Athletics venue for Lake Macquarie and the wider Hunter Region. Rejuvenation of the running track will ensure that current levels of service, marketability and reputation of the venue are maintained.	Jan-22	Mar-22	\$550,000	\$550,000
NSW	Lake Macquarie City Council	2	Road	Intersection Upgrade at Munibung Road and Myall Road, Cardiff Traffic Improvements	Upgrade works at Munibung Road and Myall Road Cardiff are required to unlock major economic development opportunities over at the former Pasmenco Development site.	Oct-21	Jun-22	\$2,000,000	\$300,000
NSW	Lake Macquarie City Council	2	Road	The Weir, Barnsley – replacement bridge Weir Road, Barnsley. Bridge works	The existing Weir Road crossing over Cockle Creek is a single lane, two-way concrete causeway constructed in the 1920's. Barnsley Weir is closed to all traffic and freight vehicles during moderate rainfall events. The alternative route of 13.5km includes a number of signalised intersections and adds considerable travel time and costs to residents and businesses. The proposal is to construct a new bridge to address safety issues regarding the approach on both sides of the creek to the bridge. This plan will provide increased safety and ability for residents to use Weir Road to travel between local centres. The project will improve freight routes in the west of Lake Macquarie, supporting local jobs and underpinning economic growth. It will also enable all in the community to reach their destination safer and sooner.	Jul-21	Dec-21	\$8,600,000	\$2,730,744
NSW	Lane Cove Council	1	Community	Shared User Path to improve access	Improve Pedestrian Connectivity	Nov-20	Mar-21	\$180,185	\$180,185

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Lane Cove Council	2	Road	Northwood Round about	Construct roundabout at River Road/Northwood Road/ Stevenson Street. The round about will improve safety at this location which is identified as a black spot, due to the number of head-on, rear-end, right turning and off-path crashes. A road safety Audit undertaken in July 2018 identified this intersection as high risk. This project is identified as traffic improvement under the project work categories for this grant.	Jul-21	Dec-21	\$1,000,000	\$500,000
NSW	Lane Cove Council	2	Community	Tantallon Oval	Construct new pavilion at Tantallon Oval. The project will support the users of the Oval and the general community and will consist of a community room, kiosk, toilet amenities, change room, storerooms and a medical/umpire change room and some external features such as a terrace, BBQ area and access ramps and stairs. The facility will replace an existing ageing and dilapidated grandstand structure. This project is identified as Sporting and recreation facilities under the project work categories for this grant.	May-21	Dec-21	\$1,600,000	\$450,000
NSW	Lane Cove Council	2	Community	Helen St Playground	Helen St Reserve playground was installed over 10 years ago. Equipment no longer compliant with Australian standards has been removed and needs to be replaced. An entire upgrade is scheduled for 2021/2022. This project is identified as Playgrounds and Skate parks (including all ability playgrounds) under the project work categories for this grant.	Sep-21	Dec-21	\$185,671	\$185,671
NSW	Lane Cove Council	2	Community	Carisbrook house Scullery - restoration	Carisbrook House is a heritage-listed former private residence and now house and local history museum at 334 Burns Bay Road, Lane Cove. The proposed works at Carisbrook House are for internal reconstruction works to the existing scullery. These works include the removal of modern building fabric, the relocation of modern services, the refit of the former scullery to traditional detail and the installation of a sandstone flagged floor. This project is identified as improvements to community facilities under the project work categories for this grant.	Jul-21	Dec-21	\$40,000	\$40,000
NSW	Leeton Shire Council	1	Community	Almond Road Leeton - pedestrian accessway	Formal pedestrian accessway to residential and semi-rural properties within Town boundaries	May-21	Feb-22	\$500,000	\$250,000
NSW	Leeton Shire Council	1	Community	Grevillia Road to Almont Road Leeton - pedestrian accessway with lighting	Formal pedestrian accessway to sporting facilities and between two street linkages	Jan-21	Jun-21	\$176,388	\$176,388
NSW	Leeton Shire Council	1	Community	Brobenah Road Leeton - canal bridge widening and pedestrian accessway	Improve pedestrian and disability access	Apr-21	Jun-21	\$100,000	\$100,000
NSW	Leeton Shire Council	1	Road	Myall Street Leeton - upgrade including kerb, guttering, stormwater drainage and roadway rehabilitation	Improve amenity and stormwater management for the hospital and local residents ; improve road safety	Feb-21	Jun-21	\$203,250	\$130,000
NSW	Leeton Shire Council	2	Community	Maiden Av Footpath	Construct bitumen sealed footpath 1500m long alongside Maiden Av and Leeton Golf Course.	Nov-21	Jun-22	\$373,000	\$373,000
NSW	Leeton Shire Council	2	Community	Yanco Sportsground Female Change rooms	Construct new female change rooms and extend awning.	Nov-21	Jun-22	\$100,000	\$100,000
NSW	Leeton Shire Council	2	Community	Golf Clubhouse Construction	Construct new Leeton golf course clubhouse facility.	Dec-21	Jun-22	\$880,000	\$265,445

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Leeton Shire Council	3	Combination	Vance Industrial Estate Expansion	Works proposed to be funded under this grant are greenfield construction of internal roadways, kerb, stormwater drainage, street lighting and landscape improvements including tree plantings. Primary Project goal: Regional Economic Development, Traffic Management. 240m Kerb and Guttering; 220m road rehabilitation; 100m stormwater drainage. 1021m new road pavement and AC wearing course, 2043m new kerb, 1312m new underground stormwater pipes and construction of 100ML detention basin, tree plantings and landscaping, installation of power, communications and gas infrastructure. Problem being addressed: Vance Industrial Estate is reaching capacity and little land remains for purchase by new businesses looking to invest and start up in Leeton. By expanding the estate to the north and providing infrastructure we can continue to accelerate economic growth within Leeton Shire.	Apr-22	Jun-23	\$1,870,000	\$1,242,776
NSW	Leeton Shire Council	3	Community	Corbie Hill Rd Footpath Installation	Install spray sealed footpath on northern side of Corbie Hill Rd between Petersham Rd and Irrigation Way intersections. The path will be constructed as a shared cycleway to complete the connection of residents back to the trunk cycleway network. The project will also provide underground stormwater under the path. Primary Project goal: Improve Road Safety, Traffic Management, Equity of access. Problem being addressed: Residents currently walk on the side of the road. Corbie Hill Rd is a conditional truck route with high traffic volumes. There are non-traversable verges on the side of the road. This project will provide a safe walking space.	Apr-22	Jun-22	\$70,000	\$70,000
NSW	Lismore City Council	1	Road	Reconstruction of 130m length of south western part Eggs Lane to a V type Concrete Lane including installation of power and stormwater infrastructure	The laneway surface is significantly damaged and at the end of its economic life. The project will address laneway reconstruction to improve drainage and roof water discharge as well as create access to power infrastructure to support place-making activation in the laneway network (community activities, events, festivals and pop-up business activation).	Feb-21	Dec-21	\$823,000	\$823,000
NSW	Lismore City Council	1	Road	Reconstruction of 190m of pavement along Rock Valley Road, Rock Valley.	This section of rural road has degraded to such a state that it poses a significant safety risk to road users. The proposal is to reconstruct this section of road and return it to meet road standards.	Mar-21	Jun-21	\$405,170	\$405,170
NSW	Lismore City Council	2	Road	New Ballina Road, Lismore Heights – Reconstruction – South of O'Flynn Street	Reconstruction of 680m of pavement along New Ballina Road, Lismore Heights. This section of urban road has degraded to such a state that it poses a significant safety risk to road users. The proposal is to reconstruct this section of road and return it to meet road standards.	Jun-21	Dec-21	\$1,675,000	\$600,000
NSW	Lismore City Council	2	Community	Heritage Park Waterplay Shade Construction – Heritage Park, corner Molesworth Street and Ballina Road, Lismore.	Playgrounds – Construction of large themed shade structures over the newly installed Waterpark facility.	Feb-22	Mar-22	\$167,000	\$167,000
NSW	Lismore City Council	2	Community	CBD Footpath Enhancement –Lismore.	Walking path renewal and enhancement in the inner CBD of Lismore. Greatly improving amenity within the shopping precinct and improving maintenance standards.	Jan-22	Jun-22	\$1,200,304	\$1,200,304

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Lismore City Council	3	Road	Bounty Street, Lismore - Reconstruction	The full length of Bounty Street is to be reconstructed. Treatments would include pothole repairs, heavy patching or complete pavement rehabilitation as needed, removing all current defects. Length of road being maintained is 0.2km and it is 21m wide.	May-22	Nov-22	\$1,600,000	\$400,000
NSW	Lismore City Council	3	Community	Oakes Oval LED Sports Lighting Upgrade	Upgrade Oakes Oval sports lighting to LED and increase the brightness to a Regional standard to enable increased use of the facility.	Apr-22	Jun-22	\$430,000	\$430,000
NSW	Lismore City Council	3	Community	CBD Footpath Enhancement (Stage 2) – Lismore	Walking path renewal and enhancement in the inner CBD of Lismore. Greatly improving amenity within the shopping precinct and improving maintenance standards.	Mar-22	Jun-22	\$1,626,340	\$1,626,340
NSW	Liverpool City Council	1	Community	Schoeffel Park, Horningsea Park - pump track, drainage, paths, picnic shelters and park furniture, playground, outdoor fitness gym, landscaping, car park and lighting	Address a gap in facilities for youths in Horningsea Park; provide opportunities for physical activities that will appeal to children, from a wide range of backgrounds, at little or no cost.	Oct-21	Feb-22	\$1,430,716	\$1,430,716
NSW	Liverpool City Council	2	Community	Wattle Grove Childcare Centre	Painting/Improvements to community facilities (roof replacement/repair works)	Nov-21	Dec-21	\$300,000	\$300,000
NSW	Liverpool City Council	2	Community	Whitlam Leisure Centre	Sporting and recreation facilities (Substation upgrade to improve electricity capacity)	Oct-21	Dec-21	\$700,000	\$700,000
NSW	Liverpool City Council	2	Community	Moorebank Library & Community Centre	Painting/Improvements to community facilities (Roof replacement/repair works)	Nov-21	Dec-21	\$500,000	\$500,000
NSW	Liverpool City Council	2	Community	Protection & Security Program	Improved Accessibility of Community Facilities and Areas (PIN code upgrade to various centres) Bringelly Community Centre, Carnes Hill Community Centre, Casula Community Centre, Cecil Hills Community Centre, Chipping Norton Community Centre, Chipping Norton Recreation Centre (The Lakes Boatshed), Dr James Pirie Community Centre, Green Valley District Centre, Greenway Park Community Centre, Heckenberg Community Centre, Hilda M Davis Senior Citizen Centre, Hinchinbrook Community Centre, Liverpool City Pipe Band Centre, Liverpool Community Centre, Miller Community Centre, Moorebank Community Centre, Orange Grove Community Centre, Seton Recreation Centre, Voyager Point Community Centre, Wattle Grove Community Centre, Wattle Grove Youth Centre.	Oct-21	Dec-21	\$300,000	\$300,000

NSW	Mid-Western Regional Council	1	Community	Walkers Oval: Construction of new walking path from the Cudgong River through the Walkers Oval	Completing walking paths in this area, creating accessible pathways for the community	Nov-20	Dec-21	\$175,000	\$175,000
NSW	Mid-Western Regional Council	1	Community	Glen Willow Regional Sporting Precinct: Community Off-Leash Dog Park	The existing site no longer meets the needs of the community. The relocation will allow for easier access from the popular riverside walking track, minimize disruptions to facility access during major sporting events/activities and provide an opportunity to add facilities that will enhance the user experience. This includes addressing shortfalls in the off-leash area size, separating large and small dog zones and providing additional shade, seating and water station opportunities.	Feb-21	Aug-21	\$150,932	\$150,932
NSW	Mid-Western Regional Council	1	Community	Multiple locations in Gulgong, Kandos, Mudgee & Rylstone: Installation of pathway extensions	To reduce pedestrian access severance and enhance safe and convenient crossing opportunities <ul style="list-style-type: none"> • Improve route connectivity by filling in the gaps between pathways in areas with existing pathway network • Replace poor condition pathway and non-compliant ramps 	Jan-21	Jun-21	\$500,000	\$500,000
NSW	Mid-Western Regional Council	1	Road	Township of Kandos Drainage	Problems identified in the Kandos flood study	May-21	Sep-21	\$700,000	\$700,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Mid-Western Regional Council	2	Road	Glen Willow to Putta Bucca link road approaches. Glen Willow Regional Sporting Complex Mudgee (Putta Bucca)	The new road from Glen Willow south loop toward Putta Bucca Road will reduce the traffic loads in the existing one Glen Willow Complex entrance. The new entrance (north) will allow people traveling from north of Mudgee to access Complex parking easily, and leave the Glen Willow Stadium easily. This will save travel time of up to 45 minutes on significant events, and expand the shared pathway from Putta Bucca to Glen Willow; aligning with the Mid-Western Regional Council Pedestrian Access and Mobility Plan (PAMP).	Jul-21	Feb-22	\$1,681,057	\$1,681,057
NSW	Mid-Western Regional Council	3	Community	Gulgong Tennis Courts Upgrade: Sporting and recreation facilities	Works to repair and upgrade the surfaces of Gulgong Tennis Courts.	Jan-22	Jun-23	\$130,000	\$130,000
NSW	Mid-Western Regional Council	3	Community	Kandos Community Hall Upgrades: Painting/Improvements to community facilities	External Painting improvements and Upgrades at Kandos Community Hall.	Jan-22	Jun-23	\$160,000	\$160,000
NSW	Mid-Western Regional Council	3	Community	Construction of Stage 2 of Putta Bucca Training Camp Facility: Other	Project will construct two community buildings at the Putta Bucca Training Camp Facility to support community in emergency situations, and sport and recreation at nearby Glen Willow Sporting Complex.	Feb-22	Jun-23	\$2,761,864	\$2,761,864
NSW	Moree Plains Shire Council	1	Community	Village Halls - Amenity	Currently several village halls have a functionally non-compliant primary septic system which requires frequent liquid waste removal to prevent the wastewater from being leached out onto the ground surface. This creates an environmental and compliance issue as many community groups, including the Gwydir Mobile Preschool service utilises the Shire's village halls to educate the children in these remote locations.	Nov-20	Dec-21	\$100,000	\$100,000
NSW	Moree Plains Shire Council	1	Road	Shire Wide - Gravel Resheeting	Currently, there is a lack of suitable road pavement cover resulting in access issues during wet periods. This is due to natural soils being exposed as the wearing course road layer. Currently many of the Shire's roads provide critical access for primary producers to transport their produce to market, and with the incoming harvest, gravel re-sheeting has never been more important.	Mar-21	Dec-21	\$1,937,679	\$987,679
NSW	Moree Plains Shire Council	1	Community	Moree Civic Precinct	Currently, the Moree township does not have any multi-purpose venue that is capable of hosting large-scale dinners and entertainment events. This problem was to be resolved during the course of the originally scoped and budgeted Moree Civic Precinct Redevelopment Project (Original Project). However, during the course of the scheduled Building Investigation studies, additional critical works have been identified due to the age and the condition of the building. The Original Project cannot proceed without these newly identified works being rectified. In addition, there are key upgrade elements needed for usability.	Feb-21	Dec-21	\$640,959	\$640,959
NSW	Moree Plains Shire Council	1	Community	Shared Pathways - Herbert Street, Moree and North Street, Boggabilla	Currently, there is a lack of suitable pathways to facilitate the foot traffic in both Moree and Boggabilla, leading to many patrons utilising the roadway for a smoother walking surface.	Feb-21	Mar-21	\$86,250	\$86,250

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Moree Plains Shire Council	2	Community	Project Name: Moree Netball Courts Renewal Location: Moree Netball Courts, Ron Harborne Oval, Gwydir St, Moree Category: Sporting and Recreation Facilities	The project will upgrade and repair Moree's 6 netball courts which are currently closed due to the courts being deemed unfit for use. The Moree Netball Association and the general public currently have no home ground and are forced to utilise the indoor basketball courts in Moree, sharing the infrastructure with other recreational activities. Works are required due to long term wear and tear and flood damage. Works include demolition of existing courts, laying foundations and asphalt and concrete surfaces, line marking, netting and lighting and security upgrades.	Sep-21	Dec-21	\$680,000	\$680,000
NSW	Moree Plains Shire Council	2	Community	Project Name: Mungindi Courts Renewal Location: Mungindi Tennis and Netball Courts, Wirrah St, Mungindi Category: Sporting and Recreation Facilities	Project funding from LRCI will contribute to Stage 2 of the Mungindi Courts Upgrade Project. The project will include upgrades of two tennis courts and a netball court at the Mungindi Courts complex. Works are required due to long term wear and include demolition of existing structures, formwork and drainage, laying of concrete and court surfaces, line marking and fit-out for tennis and netball posts and fencing.	Sep-21	Dec-21	\$508,780	\$300,000
NSW	Moree Plains Shire Council	2	Combination	Project Name: Moree CBD Pedestrian Safety Works Location: Moree CBD, Balo St, Heber St Category: Traffic Improvement	The Project includes installing multiple pedestrian islands in the CBD. In addition to pedestrian crossings and traffic lights, this project will help improve pedestrian safety throughout the CBD and help slow down traffic appropriate to the location.	Aug-21	Dec-21	\$326,460	\$326,460
NSW	Moree Plains Shire Council	2	Community	Project Name: Boughton Oval 100m track Location: Boughton Oval, 45 Jones Avenue, Moree Category: Sporting and Recreation Facilities	Boughton Oval is the major oval in Moree used for athletics activities. Located close by to primary and secondary schools, the Oval is used by schools and the local Little Athletics Club. Oval users have requested a 100m track to support and promote athletics in the Moree Plains, as well as top dressing the rest of the oval for future 400m track.	Nov-21	Feb-22	\$100,000	\$100,000
NSW	Moree Plains Shire Council	2	Combination	Project Name: Shared Pathways - Moree Location: various priority locations in Moree Category: Bicycle and Walking Paths	Establishing shared pathways in Moree to better connect residential, recreational and commercial areas has long been a priority for Moree Plains Shire. This project will enable Council to create some of the pathways as prioritised in Council's Strategic Pathways Plan.	Oct-21	Dec-21	\$152,055	\$152,055
NSW	Moree Plains Shire Council	3	Road	Rural Roads & Drainage, Replace and upgrade two culverts (6 cell culverts) on Bruxner Highway	Bridge works – replacing failing culverts on Bruxner Way, NSW - Problem is failing infrastructure restricting weight of trucks using the road negatively impacting on agriculture and logistic productivity. (15kms south east of Boggabilla, NSW)	Sep-22	Jun-23	\$1,000,000	\$1,000,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Moree Plains Shire Council	3	Community	Bank Art Museum Moree (BAMM) 25 Frome Street, Moree, NSW – Improve access and upgrade climate control.	Improvement to Community facility BAMM is located in a century old building with non-compliant access representing a barrier to the less mobile in our community. The climate control in the Museum does not meet modern standards to protect art. The sub-standard climate management also inhibits access to touring art collections. Moree community has less equitable access to collections available to larger centres with appropriate climate control. Improve access and equity for community members and visitors with mobility restrictions. Upgrade climate control in the building to maintain the condition of the existing collection and enable visiting collections that require a higher standard of climate control.	May-22	Jun-23	\$860,000	\$860,000
NSW	Moree Plains Shire Council	3	Community	Moree Civic Precinct Redevelopment (Memorial Hall) – 52 Balo Street, Moree NSW.	Painting/Improvement of Civic Facilities. Problem - The interior and exterior of the memorial is in poor condition and requires stripping of the old paint and reapplication. The scope of the project is beyond the financial capacity of Council yet the community values the facility and expect it to be presented in acceptable condition. The Hall is in the main street of Moree and its condition reflects on the sustainability and wellness of the community.	Feb-22	Jun-23	\$1,629,776	\$1,629,776
NSW	Moree Plains Shire Council	3	Community	Nana Brazel Park Pallamallawa, NSW	Playgrounds and Skate parks – upgrade safety of playground & construct a child’s learner bike track. Problem – families of Pallamallawa have expressed concern about the safety of children using the playground given its proximity to a freight route. Parents have requested a bike track to train children to understand road safety and road rules. This is particularly important given the high number of heavy vehicles and agricultural equipment using the roads through Pallamallawa notably in the harvest season.	Apr-22	Dec-22	\$100,000	\$100,000
NSW	Moree Plains Shire Council	3	Community	Ashley Sports Apparatus, NSW	Playgrounds and Skate parks – build a multi-sport hitting wall. The problem being addressed is to provide a variety of low cost sporting and recreational activities to the children of Ashley. The Wall will facilitate cricket, handball, soccer and other sports.	Apr-22	Dec-22	\$40,000	\$40,000

NSW	Muswellbrook Shire Council	1	Community	Muswellbrook Aquatic and Fitness Centre upgrade	The Muswellbrook Aquatic & Fitness Centre is a much loved community asset. The outdoor pool (Ruth White Memorial Pool) is 91 years old. The planned new and renewal works is to provide a facility that can continue to service the community in the future.	Sep-20	Dec-21	\$6,500,000	\$577,898
NSW	Muswellbrook Shire Council	2	Community	Muswellbrook Animal Shelter (Animal Care Facility) Construction, Sydney Street, Muswellbrook (Other)	The Animal Shelter will comprise deposit pens, adoption and private boarding kennels, seized and stray animal kennels, a dog park, stock pound, nursery, cafe and a new sustain-ability hub. The facility will be co-located the Community Conservation, Land Management and Energy Centre.			\$2,550,000	\$565,765
NSW	Muswellbrook Shire Council	2	Road	Path, Ironbark Road, Muswellbrook (Bicycle and walking path)	Concrete shared use path between Adams St and Rutherford Rd. The path is 350m in length and 2m wide. The project also involves tree planting to encourage active forms of transport.	Jun-21	Dec-21	\$250,000	\$250,000
NSW	Nambucca Valley Council	1	Community	Nambucca V-Wall precinct upgrades	Upgrade of aged infrastructure on a very well used foreshore area in Nambucca Heads	Nov-20	Jun-22	\$310,000	\$310,000
NSW	Nambucca Valley Council	1	Community	Installation of Banner Poles in the CBD of Nambucca Heads	The CBD of Nambucca Heads needs to be revitalised and enhanced. The installation of Banner Poles to announce events and encourage tourists has been supported by the Chamber of Commerce and locals.	Jul-21	Jun-22	\$30,000	\$30,000
NSW	Nambucca Valley Council	1	Community	Upgrading of sections of footpaths in Scotts Head	The sections of footpath being upgraded require improvements and widening in some sections to improve accessibility and potential for pedestrian accidents.	May-21	Jun-22	\$27,000	\$27,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Nambucca Valley Council	1	Community	Valla Beach Footpath creation	There is currently no footpath in this area of Valla Beach and this would address a long term community concern in this very popular small seaside town.	Apr-21	Jun-21	\$46,500	\$46,500
NSW	Nambucca Valley Council	1	Community	Enhancement of the recently installed basketball/netball courts and existing Skate Park in Anderson Park, Valla Beach - includes landscaping works.	This project would complete the works to upgrade this wonderful community space in Valla Beach.	Jan-21	Jun-21	\$21,500	\$21,500
NSW	Nambucca Valley Council	1	Community	Installation of a Climbing Wall at the Hennessey Tape Oval precinct - this will further enhance this community recreational area in Bowraville.	This project would further enhance the works undertaken at this recreational community precinct in the small rural town of Bowraville.	Feb-21	Jun-22	\$30,865	\$30,865
NSW	Nambucca Valley Council	1	Community	Replacement of the existing and aged public toilet	The public toilet block requires replacement as the facility is old, not very accessible and will eventually service the expanding cultural precinct in the area of Nambucca Heads.	Jun-21	Jun-22	\$150,000	\$150,000
NSW	Nambucca Valley Council	1	Community	Macksville CBD revitalisation plan implementation	This project will upgrade the pedestrian access in Wallace Lane and action improvements to the Nambucca River foreshore along River Street, Macksville. There is also potential to beautify the town with verandah post reinstatement.	May-21	Jun-22	\$100,000	\$100,000
NSW	Nambucca Valley Council	1	Road	Macksville CBD - Kerb and gutter upgrades	The community of Macksville, and the Chamber of Commerce, fully support this project to improve the bypassed township of Macksville.	May-21	Jun-22	\$53,000	\$53,000
NSW	Nambucca Valley Council	2	Community	Ridge Street Nambucca Heads; Work category: Improvements to Community Facilities	Activation of the cultural precinct in Ridge Street, Nambucca Heads to complement the upgrade and improvements to the Nambucca Heads library and associated halls, to include landscaping and courtyard improvements, activation of the passive space underneath the existing library and shade for this cultural precinct.	Sep-21	Jun-22	\$3,337,749	\$1,013,000
NSW	Nambucca Valley Council	2	Community	Adin Street, Scotts Head; Work Category: Bicycle and Walking Paths	Installation of pedestrian refuge and a raised platform in Adin Street, Scotts Head. This project will complement the work done at this location under Phase 1 of the LRCI ensuring safety of school children and families in this area.	Jul-21	Sep-21	\$20,187	\$20,187
NSW	Narrabri Shire Council	1	Road	The proposed works to be conducted are to fully reconstruct the pavement in the three main CBD blocks.	The current road surface in very poor condition and in its current condition, is not meeting traffic demand. The sub-standard condition has resulted in increased maintenance, which has a flow on effect of increased cost to Council. In addition, the poor road surface provides rough and uneven driving conditions for road users. This impacts on CBD aesthetics and results in decreased willingness to access the CBD which can be assumed impacts on business economics for CBD businesses. Failure to receive project approval will result in further road degradation which may increase vehicle wear and tear and result in increased safety issues over time.	Sep-20	May-21	\$1,860,983	\$1,475,176
NSW	Narrabri Shire Council	2	Road	Culgoora Road Rehabilitation	Council will undertake road rehabilitation works on numerous segments of Culgoora Road from segment 30 through to 240. Works will include milling, spreading milled material to obtain desired pavement width, overlay, two coat 8m wide seal, line marking and signposting	Apr-21	Nov-21	\$1,278,728	\$1,278,728
NSW	Narrabri Shire Council	2	Community	Pilliga Playground	Picnic shelter, electric BBQ, tables, chairs and tree planting.	Jun-21	Nov-21	\$50,000	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Narrandera Shire Council	1	Road	Installation of culverts and/or causeways at various location. To provide rock sour protection at recently constructed concrete causeways at various sites.	Improve sour protection at various sites and provide pavement protection at two additional sites by installation of concrete drainage structures to prevent washout.	Nov-20	May-21	\$100,000	\$100,000
NSW	Narrandera Shire Council	1	Road	Gravel resheet and sealing of Hay Lane and Arthur Lane	Motorist safety is the major factor being addressed. The existing road has experienced significant gravel lose and subsequently become rough and unsafe to use. The road also creates dust complaints from adjoining residential properties.	Feb-21	May-21	\$41,363	\$41,363
NSW	Narrandera Shire Council	1	Community	Construction of a rear deck and storage area and Narrandera Arts Centre	Usability of the external area of the facility and allow for the storage of items.	Nov-20	May-21	\$50,000	\$50,000
NSW	Narrandera Shire Council	1	Road	Narrandera Indoor Sports Stadium works	Usability as the stadium will be comfortable to all users and visitors throughout winter and aged and outdated amenities will provide cleaner and modern facilities.	Feb-21	Jun-21	\$130,000	\$115,000

NSW	Oberon Council	1	Road	Carlwood Road rehabilitation This section of Carlwood Road is currently unsealed The project will involve rehabilitation of pavement , drainage and bitumen seal for 1 km at both the east and western end of unsealed section	Carlwood Road is an increasingly busy passenger vehicle route due to recent subdivisions in the area. Increased traffic has lead to deterioration of road service which needs to be rehabilitated.The project will improve road safety along Carlwood Road.	Sep-20	Jun-21	\$380,000	\$380,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Oberon Council	1	Road	Edith Road Road safety improvement to rehabilitate approx 100m section of corner and correct pavement crossfall.	Incorrect camber on curve is a road safety issue. The project will correct super elevation on the southern edge of Edith Road to prevent vehicles running off the road while negotiating the curve. There is a crash history at this site due to incorrect road camber.	Nov-20	Jan-21	\$50,000	\$50,000
NSW	Oberon Council	1	Road	Ginkin Road update Improvements to curve due to incorrect camber on road	Incorrect camber on curve creates risk of vehicles running off road. There is an accident history at this site	Dec-20	Feb-21	\$50,000	\$50,000
NSW	Oberon Council	1	Road	Mozart Road Gravel resheet and widen and remove vegetation on a 1500m section at the western end of Mozart Road near Abercrombie Road to improve road safety.	Pavement is in poor condition and road too narrow. Mozart Road will be used for haulage of logs from pine forests in the next few years Mozart Road is on a school bus route.	Mar-21	Jun-21	\$104,500	\$104,500
NSW	Oberon Council	2	Community	Oberon Recreation Ground Grandstand Improvements Cunyghame Street Oberon NSW	Works to improve shelter and grandstand at Oberon Recreation Ground	Oct-21	Dec-21	\$65,000	\$35,394
NSW	Oberon Council	2	Community	Oberon Pool Complex 23 Cunyghame St Oberon NSW	Upgrade Old Amenities Block at Oberon Swimming Pool to increase capacity and improve accessibility	Apr-21	Sep-21	\$187,000	\$180,000
NSW	Oberon Council	2	Road	Nunan's Hill Road Rehabilitation	Upgrade 1.4 km section of Nunan's Hill Road to rehabilitate erosion and pavement failures	May-21	Nov-21	\$316,520	\$316,520
NSW	Orange City Council	1	Road	Extension of Southern Feeder Road in Orange NSW from Anson Street to Pinnacle Road The construction of the Civil Works component of a 2km section of the Orange Southern Feeder road between Anson Street and Pinnacle Road. The completion of this section will compliment works already completed on stages 1 and 2 of the overall Southern Feeder road route. Some grant funding has been allocated from Restart NSW however civil construction works have been on-hold pending the sourcing of additional co contributions.	The Southern Feeder Road Stage 4 (Anson St to Pinnacle Rd) serves as a southern city bypass route that links the Northern Distributor Road and forms a ring road around the City of Orange. The road serves a newly created suburb called Shiralee but its main benefit is in reducing the time travelled going through Orange.	Feb-21	Sep-21	\$14,560,000	\$720,809
NSW	Orange City Council	2	Road	Southern Feeder Road Stage 4 - Roundabout	Installation of Roundabout and associated Infrastructure within the Southern Feeder Stage 4 and Stage 5 Project.	Dec-21	Jun-22	\$14,530,696	\$1,596,422
NSW	Parkes Shire Council	1	Community	Woodward Oval Parkes - tennis courts upgrade	All courts now require resurfacing, 6 of them urgently (according to advice from Tennis NSW). Project will provide a safe and fit-for-purpose facility for the local community and visiting players during regional tournaments, sporting and school events, social tennis and local competitions - supporting more than 1000 players. The courts are now too dangerous to use and some have needed to be closed.	Feb-21	Jun-21	\$245,000	\$175,000
NSW	Parkes Shire Council	1	Community	Spicer Oval Parkes - new lighting	Spicer Oval is currently without any lighting and is unable to host any training at site for rugby in winter or cricket in summer. These sports are now sharing Northparkes Oval with Little Athletics and AFL.	Oct-20	Nov-21	\$526,000	\$400,000
NSW	Parkes Shire Council	1	Road	Parkes East School - pedestrian safety upgrades	Currently parents are either stopping in the middle of a busy regional road link to drop off and pick up students or causing near misses to park their cars at the edge of the school which is without a proper parking area.	Jan-21	Apr-21	\$200,000	\$200,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Parkes Shire Council	1	Community	Newell Highway and Rawson Street Parkes - road and footpath repairs	To address flooding concerns with new drainage pit, extend footpath network for accessibility for all community members and pram ramps to assist with crossing the road safely.	Apr-21	Nov-21	\$66,000	\$66,000
NSW	Parkes Shire Council	1	Community	Peak Hill main street (Caswell Street) - CCTV installation	The CCTV cameras are being installed to address issues of vandalism and anti-social behaviour which has become an increased concern in the CBD of Peak Hill. The cameras will provide increased security for community members and businesses alike.	Jan-21	Jun-21	\$20,000	\$20,000
NSW	Parkes Shire Council	1	Community	Parkes Shire Council - Coventry Room - cultural space refurbishment	Ongoing need for a dedicated community art space for workshops and the exhibiting of local and travelling exhibitions. At present there is no suitable purpose-built facility in the Parkes Shire that can adequately provide for exhibitions of local artists' work, professional or touring exhibitions, cultural performances, Aboriginal arts and cultural practice or exhibitions, cinema or venue for screenings, programs of community workshops, cultural hub for young people.	Oct-20	Dec-21	\$100,000	\$100,000
NSW	Parkes Shire Council	1	Community	Parkes Shire Library and Cultural Centre - Wiradjuri Keeping Place	The Parkes Library and Cultural Centre will provide a welcoming and inclusive cultural hub where Indigenous and non-Indigenous groups and individuals can meet and where Wiradjuri cultural expression is visible and celebrated. This project involves curation of a public display of local Aboriginal artefacts, development of digital and print educational materials to detail local Wiradjuri history.	May-21	Dec-21	\$85,000	\$85,000
NSW	Parkes Shire Council	1	Community	Parkes CBD smart pole banners	The traditional banner systems which Council has installed on existing lighting poles in other sections of the street, requires the procurement of a suitably qualified contractor to undertake the changing of the banners each time a new event or campaign is in market. This includes time and cost in the development of traffic management plans, safe work method statements, machinery hire and staff time in terms of procurement and supervision. Because of these time and cost factors (up to \$10,000 annually), along with disruption to commerce on the main street during changeover, Council can only change these promotional banners twice a year.	Nov-20	Jun-21	\$30,000	\$30,000
NSW	Parkes Shire Council	1	Community	Alectown Cemetery - fencing, memorial wall and seating	There is no current 'fit for purpose' space in which cremated remains can be interred. Meaning that people who choose cremation over burial are unable to be interred within their own community but rather at either the Peak Hill cemetery (to the north) or the Parkes cemetery to the south. The erection of a fence and Memorial Wall will alleviate both issues	Sep-21	Mar-21	\$30,000	\$30,000
NSW	Parkes Shire Council	1	Community	Henry Parkes Centre repairs	There are a number of areas within the Motor Museum where a gap exists between the wall and the roof. As a result unwanted debris (eg dust and leaf litter) blows into the facility, settling on the vehicles on display and onto the floor. Additionally, there is no a/c in the Motor Museum which, given the extremes of temperature experienced at its location, does nothing to enhance the visitor experience.	Apr-21	Nov-21	\$50,000	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Parkes Shire Council	1	Community	Rose Street and Coleman Street Parkes - footpath	The new shared pathway will mitigate stormwater damage caused to current walking area which makes it uneven and dangerous. The new pathway will also connect this area to existing pathways to the CBD.	Apr-21	Jun-21	\$35,000	\$35,000
NSW	Parkes Shire Council	1	Community	Woodward Oval tennis courts - stormwater drainage improvements	Currently storm water is unable to leave the court area quickly in rain events, causing it to run back over the courts causing damage to the surface and subsurface. The most severely affected courts are being resurfaced, so this work is a priority to protect the new asset of resurfaced courts.	Jan-21	Mar-21	\$66,613	\$66,613
NSW	Parkes Shire Council	1	Community	Cooke Park - Improvements	Cooke Park is Parkes' premium event Park. One of the challenges that we face during events is if there has been rain the Park can be very wet and we have had to bring in bark chip in the past to allow events to go ahead. Improving the storm water drainage across the park will help alleviate the problem. Additionally the irrigation system in the park is nearly 20 years old, the aging infrastructure is prone to leaks and breakages and is not as water efficient as it could be. Additionally Council is constructing a new Multipurpose stage facility in the Park which will create the opportunity for water to be captured off the roof and reused in the Park. It is timely that Council upgrades the irrigation system to minimise water usage in the park and allow for the preparation of events in the Park (including the Parkes Elvis Festival) but also help with the recovery of the park after events.	Sep-20	Feb-21	\$80,000	\$80,000
NSW	Parkes Shire Council	2	Community	Tennis/basketball court upgrade Lindner Oval Boori Street, Peak Hill (Lindner Oval) -32.725067, 148.188050	Upgrade Peak Hill basketball/tennis courts to address deteriorated court surface and clubhouse facility with asbestos lining. The asbestos will be removed with clubhouse upgraded including AC and security lighting.	Jun-21	Nov-21	\$160,000	\$160,000
NSW	Parkes Shire Council	2	Community	Carparking spaces upgrade at Harrison Park, Nash Street -33.148237 148.192908	Gravel and seal the car parking area along the side of the soccer/cricket fields at Harrison Park (Nash Street) to enable all weather access, safety improvements and improved access. The sporting precinct is divided by a busy road and carparking needs upgrading to improve safety for all.	Feb-22	Mar-22	\$150,000	\$150,000
NSW	Parkes Shire Council	2	Community	New cricket nets for Berryman Oval, Trundle	To provide a new fenced cricket net/s at a central location in Berryman Oval to encourage more activity for all residents and the ability to practise cricket. Currently there are no cricket nets available to the public in Trundle.	Aug-21	Mar-22	\$75,000	\$75,000
NSW	Parkes Shire Council	2	Community	Covered BBQ space for Northparkes Oval 12-14 Alexandra Street, Parkes -33.12779 148.18259	To construct a covered barbecue area at Northparkes Oval adjacent to the club house and canteen area. With no covered area or seating at the facility - this will provide a protected area for participants and spectators.	Feb-22	Apr-22	\$100,000	\$100,000
NSW	Parkes Shire Council	2	Community	Disabled access at McGlynn Park Baker Street, Parkes -33.146182 148.168078	To provide disabled access to the clubhouse and amenities at McGlynn Oval for sports participants, parents and their supporters.	Jan-22	Jan-22	\$30,000	\$30,000
NSW	Parkes Shire Council	2	Community	6 Spruce Up Burrawang Park, 40 Lachlan Street, Bogan Gate -33.106860	To provide an upgrade to the picnic area at the park, replace ageing shelter and 'spruce up' this central park space for the township of Bogan Gate.	Mar-21	Dec-21	\$50,000	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Parkes Shire Council	2	Community	Active movement shared pathways East Street, Parkes -33.135168, 148.183780	To deliver another section of shared pathway in Parkes township to continue to link the pathways to provide accessible active networks across town. This section will be provided as an on-road pathway of new asphalt which will be delineated by a separate curb to ensure safety of all. Approx. 200m of new pathway will be delivered.	Jan-22	Mar-22	\$101,760	\$101,760
NSW	Parkes Shire Council	2	Community	Memorial Hill Solar Lighting, East Street, Parkes -33.134323 148.183686	To complete the solar lighting project and clean up of walking tracks around the Memorial Hill precinct.	Mar-21	Jul-21	\$30,000	\$30,000
NSW	Parkes Shire Council	2	Community	Multipurpose facility furniture - Cooke Park Clarinda Street Parkes -33.139271 148.174325	To purchase furniture and IT equipment to provide the necessary equipment for the new multipurpose centre to service the community as an emergency location. This has become paramount for our community with the severity of storms and natural disasters become more frequent.	Mar-21	Oct-21	\$50,000	\$50,000
NSW	Parkes Shire Council	2	Community	Replace goal posts at Jock Colley Field Northparkes Oval Alexandra Street -33.12779 148.18259	To provide new fit for purpose goal posts at Northparkes Oval to replace the current drill rods which were installed a temporary posts many years ago.	Mar-21	Nov-21	\$20,000	\$20,000
NSW	Parkes Shire Council	2	Road	Stormwater remedial infrastructure purchases for Reid Street project -33.134377, 148.184976	With storm events becoming more common in Parkes - natural disaster event declared in Jan 2021 and many large events in previous years - the frequency of houses and businesses flooding is becoming more frequent. This project will purchase the necessary infrastructure for the project and will form Stage 1 of a two stage project (the second stage the install which will follow detailed design).	Jul-21	Jun-22	\$300,000	\$300,000
NSW	Parkes Shire Council	2	Community	Cheney Oval	The proposed works at Cheney Oval, home of Parkes Touch Football, is to provide clean fill and laser level the area, irrigation lateral construction, and installation of turf to complete the work at the oval to address salinity issues which have plagued the grounds. The project will complete a suite of works recently undertaken to improve the drainage across the oval which has plagued touch football for a number of years and affected their ability to bid for regional and state carnivals. The considered works will enable the oval to once again be used for sport.	Jan-21	May-21	\$145,000	\$145,000
NSW	Parkes Shire Council	2	Community	Crocker Oval detention basin project	To provide a proper detention basin at Crocker Oval to ensure run off from surrounding areas is captured and not adding to the stormwater problems during large rain events.	Aug-21	Jun-22	\$140,000	\$70,000
NSW	Penrith City Council	1	Community	Various throughout the Penrith, construction of approximately 50 bus stop boarding points	The program works toward meeting DDA compliance for bus stop boarding points and will enable the community equitable access to public transport. The works may also include short links to the existing path paving network.	Nov-20	Jun-21	\$400,000	\$200,000
NSW	Penrith City Council	1	Community	Street tree planting in older established suburbs where existing street trees are sparse.	The program works toward Councils 'Cooling the City Strategy'.	Mar-21	Nov-21	\$200,000	\$200,000
NSW	Penrith City Council	1	Community	Chapman Gardens Upgrade Diamond 1, new fencing and training infrastructure	The primary goal of the project is to improve recreational opportunities within the community by providing quality, safe sustainable facilities at a local level, where capacity of the venue for participation is maximised.	Mar-21	Oct-21	\$100,000	\$100,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Penrith City Council	1	Road	Farm Road, Mulgoa (St Thomas Road to Littlefields Road) resurfacing	The above sections of road currently have a rough and aged road surface. Traffic has increased during the construction of The Northern as the road is being used by motorists as a bypass.	Nov-20	Nov-20	\$200,000	\$200,000
NSW	Penrith City Council	1	Community	Supply and Installation of new 440kW Heat Pump at Penrith Pool	Penrith Pool is currently only operated for the shoulder & summer seasons, with the installation of the new 440kW heat pump the pool will be able to operated and be heated to 27deg throughout the entire year, providing a full years swimming season to the community.	Nov-20	Feb-21	\$200,000	\$200,000
NSW	Penrith City Council	1	Community	Eileen Cammack Reserve, South Penrith, upgrades to floodlighting.	The primary goal of the project is to improve recreational opportunities within the community by providing quality, safe sustainable facilities at a local level, where capacity of the venue for participation is maximised.	Feb-21	May-21	\$100,000	\$100,000
NSW	Penrith City Council	1	Community	Surveyors Creek Softball Facility upgrade to floodlights	The primary goal of the project is to improve recreational opportunities within the community by providing quality, safe sustainable facilities at a local level, where capacity of the venue for participation is maximised.	Feb-21	Dec-21	\$100,000	\$100,000
NSW	Penrith City Council	1	Community	Werrington Tennis Courts, Parkes Avenue surface and associated infrastructure upgrades	The primary goal of the project is to improve recreational opportunities within the community by providing quality, safe sustainable facilities at a local level, where capacity of the venue for participation is maximised.	Mar-21	Oct-21	\$197,275	\$197,275
NSW	Penrith City Council	1	Community	The Kingsway (South) Rugby League Sportsfields, installation of floodlighting	The primary goal of the project is to improve recreational opportunities within the community by providing quality, safe sustainable facilities at a local level, where capacity of the venue for participation is maximised.	Feb-21	May-21	\$75,000	\$75,000
NSW	Penrith City Council	1	Community	Gow Park, Littlefields Road, Mulgoa, installation of new and, upgrade of existing, floodlights.	The primary goal of the project is to improve recreational opportunities within the community by providing quality, safe sustainable facilities at a local level, where capacity of the venue for participation is maximised.	Feb-21	Oct-21	\$150,000	\$150,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Port Stephens Council	1	Community	Mullabula Sports Complex - playground	The existing playground is in poor condition, limited play opportunities and inaccessible due to lack of pathways and poor location. The new playground will be larger and offer a diverse playing experience including inclusive play items and supporting infrastructure such as pathways, bubbler and seating.	Feb-21	May-22	\$238,876	\$150,000
NSW	Port Stephens Council	1	Road	School Drive - Rehabilitation	The existing pavement servicing School Drive has reached the end of its useful life. It is now subject to significant failures including major cracking, rutting, edge break and potholes. Much of this is due to the large percentage of heavy vehicle traffic that frequent the industrial area where this road is located. However, the poor pavement strength, in combination with the poor drainage, further add to the problem. By overlaying the road and reshaping the tabledrains the road will continue to service adjoining businesses and other road users for many years to come.	Nov-20	Jun-22	\$428,679	\$300,527

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Singleton Council	1	Community	The construction of new sporting facilities at cook park #5 which includes track layout, marking, discus and shot put.	Singleton track and field are intending to relocate from alloy oval to cook park. The proposed works will ensure that the club will be able to operate with the required sporting infrastructure.	Aug-21	Sep-21	\$250,000	\$250,000
NSW	Singleton Council	1	Community	Shoalhaven Regional Gallery, Nowra - Beautification	Increase public access to art and beautification of public space in the CBD of Nowra	Apr-21	Jun-21	\$16,000	\$16,000
NSW	Singleton Council	2	Community	Civic Administration Building Roof Replacement	Replacement of the roof sheeting, gutters and downpipes on Council administration building, along with investigation of the structural capacity of the existing roof structure to support the future installation of solar panels. The Civic Administration Building was built in 1983. The original roof structure is still in place and has deteriorated due to its age. Recently there have been significant and continual incidents of water ingress during storm events resulting in damage to the ceiling and disruption to Council staff. In addition, Council wishes to pursue renewable energy options to reduce Councils carbon footprint and improve future sustainability. The installation of solar panels onto the administration building roof is currently being investigated.	Aug-21	Nov-21	\$300,000	\$300,000
NSW	Singleton Council	2	Community	Baileys Union Park Beautification Project	The beautification of Baileys Union Park is an extension to Stage 2 of the Town Centre Development which is currently being undertaken. It includes the provision of picnic tables and shelters, a drinking fountain, paved walkways, gardens and other landscaping works. The proposed upgrades will address connectivity issues within the area and encourage additional patronage to the town centre. It will also increase amenity through screening off the adjoining industrial zone.	Feb-22	Apr-22	\$440,000	\$440,000
NSW	Singleton Council	2	Community	Townhead Park Amenities Replacement	Council adopted the Townhead Park Masterplan in October 2018, which provides a vision for the long-term development and management of the Park. As a response to community feedback during the exhibition of the Masterplan, it was proposed that the existing public toilets in Townhead Park would be replaced with new toilets. The project entails the demolition of the existing public toilet block located in Townhead park and the construction of new accessible facilities. The existing toilets do not meet current accessibility guidelines, are dated and are not in keeping with the surrounding structures and the high profile nature of the site, being the gateway to the town and a rest stop for visitors	Dec-21	Feb-22	\$270,000	\$270,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Singleton Council	2	Community	OOSH Building Roof Replacement	The roof sheeting on the OOSH building is to be replaced and improvements be made to the roof structure to prevent ongoing issues. Council's Out of School Hours (OOSH) Building is currently utilised by Hunter Prelude and Singleton Council's OOSH services. The building was constructed in 1984 and is now 36 years old. The original roof structure is still in place and has deteriorated due to its age. In addition, the roof was originally constructed with a low pitch and building extension works have been undertaken, both have impacted on the capacity of the roof to effectively discharge stormwater. As a result there have been significant and continual incidents of water ingress during storm events resulting in damage to the ceiling, flooring and walls and disruption to staff.	Sep-21	Dec-21	\$150,772	\$150,772
NSW	Snowy Monaro Regional Council	1	Road	Improved access for heavy vehicles, access to remote communities, amenity of nearby residents	Access to shops, schools, sporting facilities, and the Community Hall, for all residents along the Micaligo Road currently requires all traffic to travel via the Monaro Highway. This results in significant delays and increased safety risks for the residents. The RFS and SES are also required to travel via the highway, resulting in delays to response times. The existing dirt track is hazardous, trafficable by four wheel drive only in low flows, and has required vehicle salvage on several occasions from attempted use.	Aug-21	Jun-22	\$872,161	\$872,161
NSW	Snowy Monaro Regional Council	1	Road	Replace bridge with a single lane concrete bridge with. The proposed concrete structure will increase the Bridge stability during high volume river flows. Renewed abutment protections will reduce the impact of erosion at the structure."	The existing single lane is significantly deteriorated and at risk of failure. The pile condition and the condition of many of the superstructure elements, put the bridge at risk of damage during mid to high water flows.	Jun-21	May-22	\$1,744,322	\$872,161

NSW	Strathfield Municipal Council	1	Community	Strathfield District Park works	Hudson District Park is a venue at which Council anticipates most visitors would prefer to have an extended stay. This will be particularly the case with our new attraction, about to commence construction, The Amazing Maze inclusive play space.	Oct-20	Nov-21	\$1,001,000	\$185,608
NSW	Strathfield Municipal Council	2	Community	Amenities and Community Building , Strathfield Park. Homebush Road, Strathfield. Toilet facilities	Community – Toilet facilities Council has invested heavily in development of this park and as a result, patronage has increased significantly. A key feature of the park is the Children's playground which attracts children and families from the local and inner western Sydney area. Toilets are distant from this area and the need for these creates significant challenges for visitors. Council wishes to support the park users by providing these facilities and including a sheltered area for users.	Mar-21	Oct-21	\$650,000	\$550,000
NSW	Strathfield Municipal Council	2	Community	Fragrant Garden Strathfield District Park Mitchell Street, Strathfield	Community – Landscaping Improvements Community Infrastructure – other The Strathfield District Park is an area that was formerly a golf course and is being converted to meet the active and passive recreational needs of residents and visitors from surrounding areas. The Park is surrounded by medium and high density housing. To date, the community needs for active recreation are being met through walking and bicycle routes through the park, extensive parkland areas that allow for personal exercise and “workouts” and it is planned that in the future, there will be a number of hard courts constructed for mainly ball sports. The park also adjoins Council's Golf Driving range that is constantly patronised. In terms of areas for passive recreation such as family gatherings there are extensive lawn and BBQ areas, a feature lake and currently under construction with Federal funding support is an amenities facility that will allow for extended stays. For children with disability and their carers Council is constructing a Maze and play area that will be available to all children, regardless of their abilities. The missing component of this park is an area for singular, quiet passive recreation that would appeal to older residents or those needing to access a peaceful and stimulating area. The Fragrant Garden will provide this space and allow Strathfield District Park to respond to the health and wellbeing needs of all residents	Mar-21	Nov-21	\$807,275	\$807,275

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Strathfield Municipal Council	3	Combination	Connecting Tunnel under Centenary Drive, Arthur Street, Strathfield	The Hudson District Park was formerly a golf course with sections of the park both east and west of Centenary Drive, Strathfield. The eastern section is a land area of 14.1 hectares and is under recreational development at this time. The western section will provide an additional 2 hectares of recreational space that will be a Turpentine Forest setting. The intersecting roadway between the east and west precincts is a major transport link for Sydney and a very daunting situation for any one attempting to cross this roadway, even when they do use traffic light controls. For anyone wishing to move between the two precincts, this barrier creates a clear barrier. In the past, when this was a golf course, a tunnel under the roadway was constructed. It is 40m long, 2.1 m wide and 1.88 m wide. It is in a state of disrepair and is not fit for general public use (uninviting, dark and major drainage issues) and is not accessible for all users. Council is attaching photos of the current tunnel and condition of same. Using this funding, Council will: 1:Improve drainage 2: Improve interior conditions including improved lighting and installation of CCTV 3: Improve access and make inclusive 4:Improve floor surface	Mar-22	Jan-23	\$500,000	\$371,216
NSW	Sutherland Shire Council	1	Community	The intent of the project is to renew the existing public amenities to a modern standard across a number of CX level Parks. The existing amenities are in poor condition and are approaching the end of their maintenance and serviceable life. The refurbished amenities will offer the community a more modern and useful amenity to utilise while enjoying the surrounding environment.	The intent of the project is to renew the existing public amenities to a modern standard across a number of CX level Parks. NSW	The Hills Shire Council	2	Road	Darcey Road, Castle Hill: Bicycle and Walking Paths	Construct new 1.2m wide footpath along one side of a section of Darcey Road along with associated road pavement and guardrail	Mar-21	Dec-21	\$80,000	\$80,000
NSW	The Hills Shire Council	2	Road	Hoyle Avenue and Packard Avenue, Castle Hill: Bicycle and Walking Paths	Construct new concrete 1.5m wide footpath along one side of Hoyle Avenue and Packard Avenue	Nov-21	Apr-22	\$120,000	\$120,000
NSW	Transport for NSW	1	Road	Road shoulder widening including pavement construction, sealing, linemarking, and installation of signs and guideposts on Silverton Road, connecting Broken Hill to Silverton for an 18km length	The current road is two lane 6m wide in total with no shoulders. This presents a safety issue for vehicles and trucks due to the narrowness of the sealed road, there is an increased risk the vehicles could lose control if they hit the dirt batter at 90km/hr	Jan-21	Jun-21	\$1,420,000	\$969,769
NSW	Transport for NSW	2	Road	MR81 Silverton Road Drainage Rehabilitation	Silverton Road has 25 major road floodways requiring rehabilitation due to erosion and damage by traffic over the life of the asset. It is proposed to construct concrete cut-off walls at the 25 floodways to protect the road pavement from rainwater flows and improve durability of the road assets.	Jan-22	Mar-22	\$663,441	\$663,441
NSW	Tweed Shire Council	1	Combination	Tweed Shire - LED streetlighting	The Shire has 5,713 streetlights that are using technologies requiring significant ongoing maintenance and reaching the end of their useful life.	Nov-20	Sep-21	\$2,689,844	\$1,814,531
NSW	Tweed Shire Council	2	Community	Marine transport asset renewal [Tweed River, Terranora Broadwater]	Other Tweed Shire Council is responsible for the management of ~ 50 Marine Transport Assets across the Waterways of the Tweed. A considerable number of these assets are in need of substantial works to ensure asset integrity and public safety. Sites of Works (In Priority Order): Dry Dock Road (Adjacent Boat Ramp), Crystal Waters Drive, Kennedy Drive Boat Ramp, Dry Dock Park	Jul-21	Jun-22	\$500,000	\$500,000
NSW	Tweed Shire Council	2	Combination	River revetment to protect Tweed Valley Way [Tumbulgum area]	Other Proactively stabilise river banks to reduce erosion potential and to avoid impacts to road formation & road user safety, while improving the ecological and fish habitat outcomes for river health.	Jul-21	Dec-21	\$600,000	\$600,000
NSW	Tweed Shire Council	2	Community	Anchorage Island Canal Estate Revetment Wall Repairs [Keith Compton Dr, Tweed Heads]	Other This public wall is in poor condition and requires work to continue to prevent erosion of the foreshore, as well as structurally support the transverse load of adjacent land and dwellings. This project focusses on 70m of wall that requires the most significant work.	Jul-21	Apr-22	\$460,000	\$460,000
NSW	Tweed Shire Council	2	Community	Tyalgum Public Toilet replacement	Toilet Blocks Demolish 2 old outdated facilities in Tyalgum and replace with a single, centrally located, equal-access facility	Jul-21	Aug-21	\$170,000	\$170,000
NSW	Tweed Shire Council	2	Community	Stan Sercombe Field grand stand refurb [Murwillumbah]	Sporting and recreation facilities Replace grand stand roofing and various steel support elements to address concerns found in engineering report and make grandstands safe and usable	Sep-21	Dec-21	\$400,000	\$400,000
NSW	Tweed Shire Council	2	Community	Knox Park Carpark renewal [Murwillumbah]	Off-road Car Parks To refurbish off road carparking facilities for community members to safely access CBD shopping and the upgraded Knox Park.	Sep-21	Nov-21	\$620,000	\$620,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Tweed Shire Council	2	Combination	Koala Warnings and Fencing [various sites between Round Mountain Rd and Terranora Rd]	Repairs/replacement of fencing Tweed Shire Council is responsible for the upkeep of ~3.5km of koala fencing along tweed coast road for the protection of motorists and wildlife. This fencing has become dilapidated over time and priority sections require renewal. In addition, koala alert road marking will be renewed on and extended onto roads to in areas of high koala concentrations.	Jul-21	Mar-22	\$100,000	\$100,000
NSW	Tweed Shire Council	2	Community	Regional fenced dog parks [Bray Park and Banora Point]	Playgrounds and Skate parks (including all ability playgrounds) Council's Open Space Strategy identified a need for regional fenced dog parks in the Shire. Two fully fenced dog parks at Bray Park and Banora Point will provide the only fenced dog off leash parks in the Tweed Shire.	Oct-21	Dec-21	\$250,000	\$250,000
NSW	Tweed Shire Council	2	Community	Chillingham tennis courts upgrade	Sporting and recreation facilities The tennis courts were damaged by cyclone Debbie floods in 2017 but have awaited funding to repair fencing and the playing surface. The opportunity will also be taken to follow recommendations from Council's Open Space Strategy to convert one court into a multipurpose court or all-purpose court for basketball, netball and handball, and to install seating and picnic table.	Oct-21	Feb-22	\$290,000	\$290,000
NSW	Tweed Shire Council	2	Community	Coastal access tracks refurbishments [various sites]	Bicycle and Walking Paths Tweed Shire Council is responsible for the maintenance of multiple emergency vehicle and pedestrian accesses within the coastal reserve, comprising of boardwalks, tracks, stairs, signage and barrier/gate structures. Many are constructed primarily of timber, and have deteriorated to a condition where maintenance has become a significant and ongoing expense. This project involves the removal and replacement of the existing timbers and replacement with a recycled plastic material to allow for longevity in a harsh environment and closing the loop on waste.	Aug-21	Mar-22	\$369,537	\$369,537

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Tweed Shire Council	3	Combination	Animal rehoming facility	<p>Design and Construction of a new Animal Re-homing Facility (Pound) allowing Council to manage animals either seized, abandoned, stray or surrendered. The facility provides for public drop off of surrendered animals, public viewing and purchase of animals through the "Re-homing" process. The new facility will create veterinary and animal husbandry services for animals, office space for Council's rangers and the volunteer organisation "Friends of the Pound" who operate the Animal rehoming facility.</p> <p>The works shall consist of Detailed design and documentation to obtain development approval and construction certificate. Construction of the new facility including - Access roads for Public drop off and collection area - Community Building construction for Animal husbandry facilities providing capacity for the temporary housing of 16 Dogs and 21 cats, allowing Council to re-home 110 dogs and 136 cats annually. - Animal exercise area</p>	Jun-22	Jun-23	\$6,000,000	\$1,761,562
NSW	Tweed Shire Council	3	Community	Anchorage Island Retaining Wall and Boardwalks	<p>Public access to various areas of the Anchorage Island Harbour is via walkways located immediately adjacent to the existing boulder retaining wall on an approximately 2.0m wide strip of community land behind private properties. This wall, approximately 600m in length, is in a very poor condition which has resulted in the deterioration of the public access way. This deterioration has reached such an extent that Council has been forced to close a considerable portion of the access due to safety concerns. Further, the timber boardwalks and access structures located over the harbour are in poor condition and requiring of considerable works to bring them into a reasonable state of repair.</p> <p>It is intended that this project will serve to replace the existing boulder retaining wall with a rubble revetment which will allow for the stabilisation of the footpath and reinstatement of public access as well as the renewal of the existing timber structures which serve to provide the general public with access around the harbour and local areas.</p> <p>These works are primarily aligned with the Bicycle and Walking Paths Work Category.</p>	Mar-22	Dec-22	\$1,900,000	\$1,867,500
NSW	Upper Hunter Shire Council	1	Community	Campbells Corner Liverpool and Kelly St, Scone - Removal and replacement of iron roof	Existing roof is in disrepair and causes leaking into the building. Roof replacement will ensure the building can be developed as a public space library and art gallery.	Mar-21	Jun-21	\$663,000	\$450,000
NSW	Upper Hunter Shire Council	1	Community	Merriwa Caravan Park, Merriwa - Installation of a new office for the Caretaker.	Previous office was unsafe and has recently been removed and replaced with a portablesite shed.	Jan-21	Jan-21	\$15,000	\$15,000
NSW	Upper Hunter Shire Council	1	Community	Merriwa Park, Merriwa - Demolition of existing Driver Reviver, and a newbuild at new location	The new location will increase safety and parking opportunities leading to increased tourism. The current building is no longer fit for purpose.	Feb-21	Jun-21	\$150,000	\$150,000

Construction of disabled access path at McHattan park that extends to the Southern side of the park next to the children's play equipment. Installation of a seating area next to children's play area. Replace existing park picnic tables and undertake re	Oct-20	Jun-21	\$53,479	\$53,479
NSW	Walcha Council	1	Community	Improved pedestrian access to Walcha Hospital	The steps and footpath leading to the Walcha Hospital are in poor repair. This project will construct new steps and extend the footpath leading to the Walcha Hospital. This will ensure safe access for the community to our primary health care facility.	Feb-21	Jun-21	\$8,932	\$8,932
NSW	Walcha Council	1	Road	Erect Pedestrian fencing along footpaths on Blue Hogan Bridge.	Blue Hogan Bridge is located in the centre of the Walcha township on the Oxley Highway. There are no barriers separating the pedestrians on the bridge from traffic. This project is will erect Australian Standard safety fencing along the footpaths to separate pedestrians from traffic on Blue Hogan Bridge.	Nov-20	Jun-21	\$68,301	\$68,301
NSW	Walcha Council	1	Road	Walcha Council - gravel resheeting of unsealed roads (various locations)	Restrictions to heavy vehicle productivity and wet weather access.	Feb-21	Jun-21	\$635,000	\$166,058

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Walcha Council	1	Community	Uralla Rd, Walcha - Installation of zone 2 air conditioning at the Walcha Preschool	A new preschool building was constructed in 2019 with passive heating and cooling design. During the dust storms and the fires 2019-2020 windows and doors of the building had to remain closed and it became apparent that air conditioning in the building is required. The installation of air condition has been divided into two area zones. Council is installing zone 1 of the air conditioning, and seeks funding for zone 2 of the preschool air conditioning. The air conditioning procurement process has already been undertaken. The cost of installation of zone 2 air conditioning is known and can be undertaken whilst zone 1 is being installed - meaning that this project can be delivered before 30 June 2021. This project will result in the entire preschool and early intervention building being fully air conditioned.	Apr-21	Jun-21	\$12,460	\$12,460
NSW	Walcha Council	2	Community	Walcha Truck Wash Bay	Funding to allow for the completion of the Walcha Truck wash bay. This includes the construction of a concrete wash down slab suitable for B Double vehicle. Supply and installation of effluent system, construction of new pump shed and associated services, supply and installation of associated electrical infrastructure, stormwater infrastructure and supply and installation of AVDATA electronic data and control system.	Apr-21	Sep-21	\$1,039,230	\$252,000
NSW	Walcha Council	2	Community	Walcha Fitness Centre	Walcha Community Gym was constructed under Stronger Country Communities funding and construction is complete and this project is currently being acquitted. The Walcha Community Gym construction was an extension onto an existing squash court building, and this facility (Walcha Fitness Centre) is Council owned. The Community Gym is operated for the community under the direction of a Council 355 Committee. Council is applying for this funding to provide new gym equipment, signage and painting at the front of the Fitness Centre building (existing Squash Court building). This project will also include the installation of CCTV to allow for the safe and secure running of this community facility.	May-21	Dec-21	\$120,700	\$120,700
NSW	Walcha Council	2	Community Infrastr	Electrical Upgrades	Council has completed an electrical engineering assessment of all Council owned buildings. This report details and prioritises electrical upgrade work required. This proportion of funding will complete all required electrical upgrade works at the Council Depot and contribute to cost of electrical upgrades on remaining identified Council buildings.	Aug-21	Dec-21	\$334,252	\$104,214

Jul-21	Jun-22	\$1,384,540	\$1,384,540
NSW	Wingecarribee Shire Council	1	Community	<p>The Mittagong SES Volunteer Centre building repair and refurbishment project is to replace roofing, address structural issues, improve storm water drainage and construct a retaining wall to restore the centre.</p> <p>NSW SES members work closely with residents to build stronger, more resilient communities to reduce the impact from natural disasters. The volunteers in the Wingecarribee SES have for several years regularly conducted community resilience programs. These public programs have included local initiatives such as the award winning "Get Ready Girls" program that builds confidence in local women and their resilience skills along with the "SES Youth Forum" a program informing youth on safety measures in times of emergencies.</p> <p>The local SES have in the past have made their training room available to Council, Police and other emergency services for bookings as well as local community organisations. It is also an alternate Emergency Operations Centre available for use by the by the Local Emergency Management Committee.</p> <p>The community service provided by the Mittagong SES Volunteers cannot be understated. They have responded to an average of 473 requests for assistance per year over the past 4 years related to floods and storms. The Wingecarribee Shire residents rely on the SES volunteers for emergency response.</p>	Due to stormwater and drainage issues for the building and site, water ingress has resulted in mould contamination to several rooms within the centre. At present, the offices cannot be safely occupied. Further, a structural issue with the converted garage walls has been identified by a structural engineer and requires rectification before the area can be safely reoccupied.	Oct-20	Dec-21	\$542,000	\$542,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Wingecarribee Shire Council	1	Community	<p>Church Road Oval Amenities Building, The Church Road Oval is Council's most utilized soccer field in the district and is used by the 1,600 registered participants to the Highlands Soccer Association.</p> <p>The Church Road Oval Amenities Building Refurbishment project is designed in 2 stages. Stage 1 is currently funded and programmed for delivery in 2020/21 in Council's capital works program. The works commenced in August 2020. Stage 2 is fully designed and shovel ready, but remains unfunded. Stage 2 works include construction of the second story clubhouse, access ramp, provision of awning and conversion of existing public toilets to storage.</p> <p>Should this funding application be successful, it would enable Council to construct the second stage of the amenities building immediately.</p>	Currently there is no indoor training facility on site to facilitate rainy-day training and strategy sessions. The construction of the second story clubhouse will provide an indoor venue for rainy day training. Further, the planned improvements include an access ramp to the first floor, kitchenette and awning. This will provide access to people with disabilities and carers pushing prams.	Oct-20	Dec-21	\$313,000	\$241,000
NSW	Wingecarribee Shire Council	1	Community	Eridge Park Netball Courts	The courts are at the end of useful life and are in poor condition with significant cracking present. One court has been closed due to safety concerns, which has reduced Netball's playing courts and is impacting their members. Netball is the leading women's sport in the Southern Highlands comprising of over 420 females in the reduced 2020 competition. To continue another season on minimal court availability could see a downturn in membership and reduces the ability of Southern Highlands Netball Association (SHNA) to hold mini-carnivals that can bring players and monies to the local district. SHNA have part funding to complete the required court renewal through a mixture of grant funding and fundraising by the Association. They have appealed to Council to help fund the shortfall to successfully complete the court renewal immediately.	Dec-20	Feb-21	\$451,000	\$80,000
NSW	Wingecarribee Shire Council	1	Road	Various Reseal Program	The selected road seals are at the end of life and need to be renewed to improve road safety, level of service and protect the road pavement. The works will extend the pavement life of Council's sealed roads through best practice reseal program.	Nov-20	Jun-21	\$321,041	\$321,041

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NSW	Wingecarribee Shire Council	2	Road	Resealing – Various locations	<p>This project comprises of 25 road segments at various locations across the shire. Council pavement management systems has picked up these segments through modelling based on road hierarchy, current conditions, traffic. Council has done physical inspection as well. Deterioration of the wearing surface in the form of cracking, shoving, some rutting and delamination was observed along road during inspection.</p> <p>The proposed works include preparation works prior to resealing which includes but not limited to fixing potholes, shape corrections, edge repair, shoulder grading, vegetations, table drains. Resealing is done after finishing of the preparation tasks. Line marking is done afterwards within the timeframe.</p> <p>This project will improve ride quality, protect pavement from ingress of water, save travel time, improve road safety, enhance asset value and life, address community aspiration.</p>	Jul-21	Jun-22	\$1,383,512	\$1,383,512
NSW	Wingecarribee Shire Council	2	Road	Various road improvements – Colo St and Range Rd	<p>Work Category: Construction of new road; Traffic Improvement; Drainage.</p> <p>Construction of Colo St diversion and roundabout on Range Rd and associated works (-34.451890, 150.452696 to -34.451058, 150.453887).</p> <p>The site is located at the intersection of Range Road, Railway Parade and Colo Street, Mittagong NSW 2575 and includes an approximately 50 m length of Railway Parade (from the intersection with Range Road to the south-east), an approximately 100 m length of Colo Street (from the intersection with Range Road to the north-east), an approximately 100 m length of Range Road (from the bridge over the main Southern Railway Line to the south) and a small area in the north-western part of the Frensham School grounds.</p> <p>Road and Railway Parade; construction of diversion of Colo St that includes pavement with asphalt surfacing.</p> <p>The proposed roundabout is located about 10 m east of the current intersection of Railway Parade and Range Road. The proposed Colo Street diversion is about 80 m in length and is proposed to commence at the proposed roundabout and run in a north-easterly direction through the Frensham School grounds before re-joining Colo Street.</p> <p>Detailed design has been completed and the project is shovel ready.</p> <p>This project will improve ride quality, save travel time, improve road safety, enhance asset value and life, address community aspiration.</p>	Dec-21	Apr-22	\$1,500,000	\$750,000

NT	City of Palmerston	2	Road	Temple Terrace – Road Reconstruction	Reconstruction of priority 1 section of Temple Terrace, a sub arterial road, to address pavement defects.	May-21	Oct-21	\$345,000	\$155,590
NT	Coomalie Community Government Council	1	Community	Replacement of existing fencing and gates that are not up to pool safety standard, including removal of trees and other vegetation along fence line prior to installation.	Current fencing and gates no longer provided security the pool.	Jan-21	Mar-21	\$61,168	\$61,168
NT	Coomalie Community Government Council	1	Community	Upgrade and renewal of existing irrigation systems that are over 20 years old, including installation of backflow devices and Hydrowise controllers with rain sensors to ensure Council are not watering when it is not necessary.	Old irrigation infrastructure that has degraded and continually breaks down causing water leaks and unnecessary water bills. This costs Council up to \$10,000 in wages and parts for repairs, and invoices for water that is wasted each year with undetected water leaks.	Mar-21	Jun-21	\$68,422	\$68,422

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NT	Coomalie Community Government Council	1	Community	Becker St - Installation of a footpath	Joining footpath from Hopewell St to Stuart Highway along Becker Street Adelaide River. Majority of aged community members and primary school children use Becker Street to go between the school, the local clinic and the main road. Becker Street footpath will connect the two existing areas	May-21	Jul-21	\$44,326	\$44,326
NT	Coomalie Community Government Council	1	Community	Myrtle Fawcett Park - Installation of playground and shade structure	Old playground and trees were removed a few years ago as they were not safe. This project will install a new playground with shade structure for the community and tourists to utilise. It was a very well utilised park in Adelaide River	May-21	Jun-21	\$41,970	\$41,970
NT	Coomalie Community Government Council	2	Road	Upgrade floodways on Heathers Lagoon and Miles Roads	Installation of 20m x 6.5m floodways on Heathers Lagoon Road, Lake Bennett and Miles Road, Batchelor NT Due to the high rainfalls this year there have been a number of unmade road surfaces washed out to the extent that they become impassable. Significant funds have been expended to repair the road surface so the road becomes passable, only to have the repair washout in the next large storm event. Construction of suitable floodways would be most beneficial. The floodways would be constructed to the Department of Infrastructure, Planning and Logistics standards.	Jul-21	Dec-21	\$223,135	\$179,937
NT	Department of Transport	1	Road	Fleming Road - Sealing	The unsealed section of the Fleming Road gets bogged down and underwater during wet, obstructing live stock transport mainly access to trade destinations. The road also get restrictions for vehicle mass/weight. Upgrading the road surface from unsealed to sealed will improve the access for heavy vehicles, thus optimising the economic benefits.	May-21	Dec-21	\$1,900,000	\$1,900,000
NT	Department of Transport	1	Road	Mount Dension Road - Sealing	The proposed section of the road is used by heavy vehicles carrying supplies to the Yuendumu community. The upgrade will provide a continuous sealed road from the Tanami Road turnoff into the Yuendumu Community, assisting freight movements.	May-21	Jun-21	\$600,000	\$600,000
NT	Department of Transport	1	Road	Kinjorra Road - Widening	The proposed section of the Kinjorra Road is a single lane sealed surface with shoulders less than 1m wide with over 50mm edge drop off. The vehicles has to stop on the shoulders to allow oncoming vehicles to pass. There have been three accidents in recent past involving six fatalities on this road due to the narrow pavement. Shoulder widening will provide a safer driving environment to the motorists.	Nov-20	Jul-21	\$1,069,766	\$1,069,766
NT	Department of Transport	1	Road	Ellery Creek Touracc - Sealing	Ellery Creek Touracc is currently unsealed with very rough and corrugated surface. There are a number of unsealed floodways across the road that result in road closures during wet weather. Sealing the road will reduce road closure period and increase year round access.	Sep-21	Dec-21	\$1,300,000	\$1,300,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
NT	Department of Transport	1	Road	Corroboree Billabong Access - Sealing	The unsealed section of the Corroboree Billabong Access gets bogged down and underwater during wet, obstructing tourists and community access to fishing cruises. The road is also closed or restricted for vehicle mass/weight. Upgrading the road surface from unsealed to sealed will improve the access to wetland cruises and boat hire businesses, thus increasing the economic activities in the area.	Apr-21	Aug-21	\$1,700,000	\$886,668
NT	Department of Transport	2	Road	Fleming Road – Upgrade to sealing Ch. 0.9 – 2.9 km	Fleming Road is a key access road for Douglas Daly region cattle industry to transport live stock to interstate and Darwin Port. The road gets underwater during wet, obstructing livestock transport access to trade destinations. Sealing the road will improve access for heavy vehicles.	Aug-21	Oct-21	\$2,400,000	\$500,000
NT	Department of Transport	2	Road	Ooloo Road – upgrade to sealing Ch. 56.8 to 59 km	Ooloo Road is a major access road for Douglas Daly region cattle industry, Mahogany and Sandalwood farms and Douglas Daly Research Centre to Darwin and Katherine. The proposed section is unsealed with severe corrugation and exposed rock subgrade. Sealing the road will improve safety for road users.	Sep-21	Dec-21	\$2,000,000	\$2,000,000
NT	Department of Transport	2	Road	Marindja Road – Gravel resheet and improve drainage between Ch. 0 to 18 km	Marindja Road provides access for cattle yard to Darwin and is heavily used by tourists to access boat ramp for fishing and lookout. The road is severely corrugated and is prone to flooding due to low lying below batters.	Sep-21	Dec-21	\$1,000,000	\$1,000,000
NT	Department of Transport	2	Road	Juno Road – Reconstruct and widen Ch. 0 to 1.2 km	Juno Road is the only access for the educational training centre vehicles to Tennant Creek. The road is narrow with severely cracked and oxidised old seal. Reconstructing and widening the road will improve road safety for community / tourist buses and other vehicles.	Sep-21	Oct-21	\$1,073,736	\$1,073,736
NT	East Arnhem Regional Council	1	Road	Angurugu-Tanbakwa Access Road - Major Works	Improve road safety for all road users and accessibility of road networks. Stabilisation and adequate drainage works are required to maintain the surface and foundation to keep road networks dry as possible to prevent significant damage	Dec-20	Jun-21	\$2,562,264	\$566,290
NT	East Arnhem Regional Council	2							
NT	Katherine Town Council	1	Community	Katherine Sports Precinct - Oval 2 improved playing surface	The current oval surface is uneven and poorly drained. The irrigation system is approximately 30 years old. The work proposed will remove the old irrigation system, reprofile the oval playing surface to improve drainage, install new irrigation lines, provide a drainage layer of sand, screen and re-use existing top-soil and incorporate a new 80mm layer of imported top-soil and supply and install a new turf surface. The project has to be completed prior to the commencement of the 2021 playing season in April/May 2021.	Feb-21	May-21	\$706,267	\$249,585
NT	Katherine Town Council	1	Community	Patterson Court Cul-de-sac Reconstruction	The existing cul-de-sac has pavement distress and has lost shape causing water ingress leading to further pavement damage.	Jun-21	Nov-21	\$257,060	\$257,060

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	1	Community	Repairs and maintenance works on a community facility – Jean Howie Drive	Facility requires maintenance to reduce the safety risk for any future visitors or participants in activities at the facility. Works will enable community use to commence again.	Feb-21	Jun-21	\$386,005	\$386,005
QLD	Brisbane City Council	1	Community	Maintenance works at King George Square toilets and Library rooves	Painting to public toilets in King George Square to provide a level of service expected by the customers who are using the facility. Cleaning, repairing and painting of rooves at libraries to extend the remaining useful life of the roofs by up to 10 years and to ensure the facilities are water tight, so that there is no unplanned closures or collection damage at the facilities due to any roof leaks.	Feb-21	Sep-21	\$200,000	\$200,000
QLD	Brisbane City Council	1	Community	Maintenance of pile moorings in Breakfast Creek	Maintenance of pile moorings to remove and repair corrosion and spalling.	Feb-21	Jun-21	\$77,722	\$77,722
QLD	Brisbane City Council	1	Community	Reconstruction of Mt Coot-tha Reserve Mountain Bike Trail	The track is currently heavily used. Erosion and track use requires the track to be re-profiled and repaired to meet current International Mountain Biking Association (IMBA) standards.	Jan-21	Jun-21	\$37,360	\$37,360
QLD	Brisbane City Council	1	Community	Painting and maintenance of Kangaroo Point Cliffs Park Naval Stores	Asset maintenance to preserve the buildings to improving presentation and local amenity.	Mar-21	Jun-21	\$83,894	\$83,894
QLD	Brisbane City Council	1	Community	Painting and maintenance of Environment Centres	Staff and public security. Facility protection and presentation at a high profile location.	Feb-21	Jul-21	\$82,000	\$70,000
QLD	Brisbane City Council	1	Community	Sports field lighting	The aim of this project is to identify and rectify high risk electrical faults/issues at sporting clubs across Brisbane therefore ensuring the safety of community as a whole and assisting grass roots clubs with ongoing electrical maintenance costs.	Jul-20	Oct-21	\$6,700,000	\$5,500,000
QLD	Brisbane City Council	1	Community	Women's Community Aid Association repairs and maintenance	The facility has previously been affected by water ingress (creek and rain). Completing these works will support the current tenant in providing a safer place for it's participants.	May-21	Jun-21	\$165,000	\$100,000
QLD	Brisbane City Council	1	Community	Repairs to community facility at Paterson Parade	The building is of historical note within the local area and the proposed work will extend the usable life of the asset to be enjoyed by the community through a new community lease.	Feb-21	May-21	\$150,000	\$120,000
QLD	Brisbane City Council	1	Community	City Botanic Garden infrastructure upgrades	The City Botanic Gardens is a highly significant cultural heritage landscape requiring ongoing investment to ensure it is protected and enhanced, and amenity is maintained for its high volume of visitors. There is an impetus on Council to demonstrate that it is using water efficiently, including in its significant heritage botanic gardens. This project provides an opportunity to investigate and implement measures to improve water efficiency at the gardens. Further, many of the drinking fountains and furniture in the gardens are in fair to poor condition. Investment in new gardens fixtures/furniture will reduce water leaks, improve amenity and cater to increasing numbers of gardens users.	Sep-20	Dec-21	\$1,000,000	\$685,000
QLD	Brisbane City Council	1	Community	Tinchi Tamba Wetland Conservation Reserve	Resolving worn surface to improve safety and amenity.	Feb-21	May-21	\$148,041	\$148,041
QLD	Brisbane City Council	1	Road	Coronation Drive and Bicentennial Bikeway retaining wall repairs	A seven metre length of stacked block retaining wall supporting Coronation Drive roadway and footpath has failed. Further movement of the wall will impact on the footpath, roadway and the bikeway running along the river bank. The Coronation Drive roadway and Bicentennial Bikeway carry high volumes of vehicle and cycle/pedestrian traffic.	Apr-21	Jun-21	\$1,300,000	\$1,000,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	1	Community	Queen Street Mall repairs	Ongoing surface rectification works are required each year - a more permanent solution and new surface treatment is required to meet modern standards and provide economic development opportunities. Water penetration into pavers and subsurface is causing paved surfaces to move and grout wear, which requires ongoing filling and securing. There is consistent and high use of public furniture in the Queen Street Mall as it is a high profile outdoor space. Ongoing maintenance of these assets is required to maintain modern standards to provide economic development opportunities and social infrastructure benefits.	Sep-20	Apr-21	\$162,151	\$162,151
QLD	Brisbane City Council	1	Community	Maintenance of The Summit	There are ongoing issues with leaks in the roof which have been exaggerated by a large proportion of the existing tiles having slipped from their original position and inadequate overlap of the tiles along the edges of the gutters in the valleys of the roof. Both issues will be addressed as part of the planned maintenance works. This work will address threats to the structural integrity of the building.	Dec-20	Jun-21	\$211,123	\$211,123
QLD	Brisbane City Council	1	Community	Hangar 7 replacement roof. Replace the corrugated sheeting on the roof and repair any issues with the underlying timber structure on the WW2 heritage listed hangar	The building was structurally unsound due to extensive termite damage and a lack of maintenance over a considerable period of time. The roof sheeting is badly corroded with numerous holes.	Feb-21	Jun-21	\$950,000	\$800,000
QLD	Brisbane City Council	1	Community	Ed Davenport Rotary Park, Lota - New Skate Park	The current skate park is in poor condition and unsafe for use due to large cracking and spalling of the concrete skate surface	Sep-21	Dec-21	\$715,000	\$315,000
QLD	Brisbane City Council	1	Road	Road Resurface Package - Multiple Locations in Brisbane	The identified streets require resurfacing works as part as general maintenance and up-keep.	Aug-21	Nov-21	\$160,000	\$160,000
QLD	Brisbane City Council	2	Community	Minnippi Parklands, Cannon Hill: Bicycle and Walking Paths	There is a lack of pedestrian and cyclists facilities servicing Minnippi Parklands in Cannon Hill. The parklands are a significant open space network and the proposed connection will improve accessibility. The scope of works includes a new off-road shared path along a section at Minnippi Parklands and Cannon Hill Bushland Reserve.	Aug-21	May-22	\$3,700,000	\$3,700,000
QLD	Brisbane City Council	2	Road	Roghan Road, Fitzgibbon: Widening	Roghan Road works will ensure improved road access to the local park, implement a missing section of the eastbound cycle lane and formalise roadside parking for the adjacent community facilities, greatly improving road safety and amenity in the area. The scope of works includes a right-turn lane for local residents accessing Caribou Crescent, on-road cycle lanes from west of Odense Street to east of Caribou Crescent, and roadside parking for residents accessing local community facilities.	Jul-21	Dec-21	\$2,350,000	\$2,350,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Road	Dorville Road, Aspley: Widening	<p>An opportunity exists to enhance road safety and improve urban amenity outcomes along Dorville Road. The existing road has poor drainage and an unpaved road shoulder all contributing to dust and water ponding issues which is creating potential road safety, maintenance and urban amenity impacts.</p> <p>The scope of works includes the widening the pavement and installing kerb and channel along the eastern side of Dorville Road, south of the Cabbage Tree Creek bridge.</p>	Aug-21	Dec-21	\$1,152,000	\$1,152,000
QLD	Brisbane City Council	2	Combination	Kuraby State School - Beenleigh Road, Kuraby: Off-road Car Parks	<p>Kuraby State School carpark improvement works is to improve road safety for children and parents. The current unpaved carpark area is creating dust, mud and carpark surface maintenance issues with potential safety and urban amenity impacts.</p> <p>The scope of works includes formalising the existing unpaved carpark at Kuraby State School.</p>	Aug-21	Nov-21	\$1,100,000	\$1,100,000
QLD	Brisbane City Council	2	Road	Cannery Creek - Nudgee Road, Northgate: Bridge Works	<p>Cannery Creek project is to repair existing culverts within a heavy vehicle transport corridor.</p> <p>The existing culverts are evidencing signs of chlorine penetration into the reinforced concrete structure.</p> <p>The scope of work includes the repair and relining of existing culverts protect the concrete structure and ensure they meet vehicle loading requirements of the corridor.</p>	Aug-21	Feb-22	\$2,200,000	\$2,200,000
QLD	Brisbane City Council	2	Road	Breakfast Creek Bridge, Albion: Street Light Equipment	<p>The existing decorative LED lighting in the area is nearing the end of its serviceable life and represents a maintenance risk as well as a Crime Prevention through Environmental Design (CEPTD) risk for users of the paths near the structure. The project is located within a saltwater environment.</p> <p>The scope of works includes the replacement of existing lighting across the span of the bridge and adjacent lighting used for the paths in the vicinity to the bridge.</p>	Aug-21	Dec-21	\$400,000	\$400,000
QLD	Brisbane City Council	2	Road	Montpelier Road, Bowen Hills: Rehabilitation	<p>This rehabilitation project is preserving key Council asset ensuring an ability for ongoing maintenance and safety. The existing retaining wall on site has vegetation growing over the retaining wall and as such compromising the retaining wall structural integrity, resulting in the requirement for repairs to stabilise the wall including block removal and replacement.</p> <p>The scope of works includes vegetation removal, scaling and block removal at the rear of the existing commercial property on Montpelier Road to stabilise the wall.</p>	Sep-21	Dec-21	\$135,000	\$135,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Road	Ann Street, Fortitude Valley: Rehabilitation	This rehabilitation project is preserving key Council asset ensuring an ability for ongoing maintenance and safety. The project will involve repairs to capping stones and loose rock at the top of a 4-metre plus high retaining wall, approximately 130 metres long, which supports the All Hallows School along Ann Street pedestrian footpath.	Jun-21	Oct-21	\$165,000	\$165,000
QLD	Brisbane City Council	2	Community	Remediation Works – Bushland Acquisition Program, Various locations: Other	The Bushland Acquisition program secures land that supports significant ecosystems, plants and animals. Once the land is acquired it is transformed into conservation reserves of which most are accessible to the wider community ensuring that everyone enjoys Brisbane's natural environment and habitat is preserved. The scope of works includes the demolition and clean-up of multiple properties, removal of non-native species, installation of fences to secure properties, enabling Council to establish the properties as conservation reserves that are accessible to the public and restore significant habitat, open space and amenity.	Feb-21	Dec-21	\$345,000	\$345,000
QLD	Brisbane City Council	2	Road	Chrystal Street, Paddington: Rehabilitation	This rehabilitation project is improving the asset life and ensuring preventative safety improvements for the community. The existing retaining wall along the front of a kindergarten is starting to fail and requires rehabilitation with construction of approximately 50 metres of new wall. The scope of works includes a stone pitch retaining wall to replace the existing wall.	Sep-21	Oct-21	\$85,000	\$85,000
QLD	Brisbane City Council	2	Road	School Road, The Gap:	This rehabilitation project is improving the asset life and ensuring preventative safety improvements for the community. The existing retaining wall is starting to fail due to tree growth and root damage behind the retaining wall. The risk is that this represents a hazard to users of the road. The scope of works includes a new retaining wall of approximately 10 metres in length to replace the existing wall.	Sep-21	Oct-21	\$55,000	\$55,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Road	Mill Road, Pullenvale: Rehabilitation	<p>This rehabilitation project is improving the asset life and ensuring preventative safety improvements for the community.</p> <p>The existing road cutting is through loose ground/rock which has progressively eroded and failing.</p> <p>Stabilisation works are required to prevent debris from falling onto the existing road representing a hazard to users.</p> <p>The scope of works includes embankment repairs along approximately 150 metres of the road cutting.</p>	Oct-21	Dec-21	\$85,000	\$85,000
QLD	Brisbane City Council	2	Road	Ivory Street, Fortitude Valley: Rehabilitation	<p>This rehabilitation project is improving the asset life and ensuring preventative safety improvements for the community.</p> <p>The existing rock face wall is starting to fail with debris at risk of falling onto the busy road below. Stabilisation works using shotcrete are required to stabilise the rock face.</p> <p>The scope of the works includes embankment repairs along a section of approximately 80 metres.</p>	Sep-21	Oct-21	\$55,000	\$55,000
QLD	Brisbane City Council	2	Road	Toorak Road, Hamilton: Rehabilitation	<p>This rehabilitation project is improving the asset life and ensuring preventative safety improvements of the community.</p> <p>The upper section of rock slope is unstable and water barriers are currently in place to prevent material from falling onto the road, which is also restricting footpath access and movement.</p> <p>Vegetation clearing and scaling of loose material is required, followed by the installation of rockfall protection mesh and dowels to reinstate the footpath area in the road reserve.</p> <p>The scope of works includes embankment repairs along a section of approximately 60 metres.</p>	Sep-21	Oct-21	\$240,000	\$240,000
QLD	Brisbane City Council	2	Road	Tooth Avenue, Paddington: Reconstruction	<p>Existing pavement along Tooth Avenue is exhibiting signs of wear and aging. Pavement defects include surface cracking causing depressions in the road surface and localised AC patches failing.</p> <p>The scope of works includes resurfacing of approximately 4,940m² of existing road surface on Tooth Avenue.</p>	Sep-21	Nov-21	\$145,000	\$145,000
QLD	Brisbane City Council	2	Road	St Vincents Road, Banyo: Reconstruction	<p>Existing road surface is showing signs of aging with localised failures.</p> <p>The scope of works includes resurfacing of approximately 7560m² of existing road surface on St Vincents Road.</p>	Sep-21	Nov-21	\$928,000	\$928,000

QLD	Brisbane City Council	2	Road	Pound Drain, Nudgee Road, Nundah: Bridge Works	<p>The existing 12-metre-wide culverts are showing signs of chlorine penetration into the reinforced concrete structure which is an increased risk for the heavy vehicle route on Nudgee Road.</p> <p>The repairs will help to protect the concrete structure and reline the culverts to ensure it meets vehicular loading requirements for the corridor.</p> <p>The scope of works includes repairing and relining of existing culverts to increase strength and life of the asset.</p>	Aug-21	Dec-21	\$2,200,000	\$2,200,000
QLD	Brisbane City Council	2	Community	Nudgee Waterhole Reserve – Stage 2: Landscaping Improvements	<p>The Nudgee Waterhole Reserve was impacted as a result of upgrades to the Gateway Motorway North, between 2014-2019, with a portion of land resumed from the Reserve and facilities removed consequently degrading the site and providing poor community benefit.</p> <p>The site has exceptional aboriginal cultural heritage significance. Works have been planned to rectify the damage to the site.</p> <p>The scope of works includes the upgrade to the existing car park, additional vegetation to buffer noise from the motorway and provide shade to park users, sufficient playground equipment, and engagement with the indigenous community to create an interactive component to the playground/picnic area to reflect the significance of the site.</p> <p>Given the special environmental and cultural significance of this Reserve, these works need to be undertaken.</p>	Jul-21	Dec-21	\$290,000	\$290,000
QLD	Brisbane City Council	2	Community	Windsor Sports and Community Park Playground, Northey Street, Windsor: Playgrounds and Skate Parks	<p>An opportunity exists to create a new playground for the community. The new playground will address the problem of the space (opposite the Northey Street City Farm Market and the newly remediated area) being used for informal parking and the lack of available space for the community to enjoy creative/recreational activities, particularly around the iconic fig tree.</p> <p>The scope of works includes the delivery of a new signature playground, consisting of a bespoke tower to allow for 'at height' views of the iconic fig tree and surrounds.</p>	Aug-21	Dec-21	\$896,000	\$896,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Community	Scooter Track, Coorparoo Common, Cambridge Street, Coorparoo: Playgrounds and Skate Parks	<p>Coorparoo Common is a district general recreation park that is not currently serving the community to the standard expected of a district park.</p> <p>Council has received petitions from the community to develop a scooter or BMX facility at this park. The potential for this development was first identified in the Norman Creek 2012-2031 Master Plan and is yet to be realised for the community benefit.</p> <p>The scope of works includes the design and construction of a new BMX/scooter track of approximately 200 metres to increase recreational opportunities for residents and visitors.</p> <p>This track will complement the adjoining skate facility and will include a range of challenging features to improve skill and fitness of riders.</p>	Aug-21	Dec-21	\$595,000	\$440,000
QLD	Brisbane City Council	2	Community	Davies Park, Montague Road, West End: Playgrounds and Skate Parks	<p>The Davies Park Improvement works will ensure completion of the original masterplan to ensure maximum community benefit and value.</p> <p>Implementing the additional park improvements not able to be completed in the former improvement project will ensure optimum recreation potential for the community and visitors to the park.</p> <p>The scope of works will include a new nature-themed play space, new circular pathway around the village green connecting to the multi-use games area, new pathway to meet disability access standards connecting Davies Park to Riverside Drive and supporting park furniture.</p>	Aug-21	Dec-21	\$850,000	\$700,000
QLD	Brisbane City Council	2	Road	Fauna Movement Infrastructure, Multiple Locations: Other	<p>Wildlife on roads can be a significant safety hazard to motorists, particularly in locations where there are large numbers of wildlife moving through an area or on roads that adjoin habitat areas. Furthermore, vehicle strike is a key threat to Brisbane's native wildlife, particularly threatened species such as koalas. Roads can also fragment habitat and ecological corridors, preventing many animals from safely moving across the landscape.</p> <p>The project will improve driver safety and wildlife conservation by installing infrastructure that helps wildlife move safely across and around busy roads.</p> <p>The scope of works includes the installation wildlife movement infrastructure, such as fencing, habitat poles, glider poles and habitat ledges, subject to engineering design.</p>	Oct-21	Dec-21	\$700,000	\$700,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Road	Whites Hill Ring Road – Stage 1: Off-road Car Parks	<p>The Whites Hill Sporting Reserve is an extremely popular public sporting facility supporting different sporting community groups. This project will ensure the rationalisation and improved safety for the internal ring road that services the reserve, improving vehicle movements and safety.</p> <p>The scope of works includes the one-way directional rationalisation of the ring road from the park entrance, formalising existing carparking arrangements including required civil drainage works.</p>	Jul-21	Dec-21	\$4,190,000	\$4,190,000
QLD	Brisbane City Council	2	Community	Archerfield Wetlands – Greater Parkland Project: Bicycle and Walking Paths	<p>Archerfield wetland currently has limited accessibility for vegetation maintenance, emergency services, community recreation and waterway improvements.</p> <p>The scope of works includes the detailed design, documentation and establishment of approximately 2.7 kilometres of an unsealed management and access track network at grade within the 150-hectare site and wetlands environment</p>	Sep-21	Dec-21	\$4,698,886	\$4,698,886
QLD	Brisbane City Council	2	Community	Waterfront Park, Waterloo Street, Newstead: Repairs/ Replacement of fencing	<p>The proposed project is to formally fence an area of the parkland for a Dog -off leash area. Currently an unfenced Dog Off Leash Area (DOLA) operates early morning and late afternoons.</p> <p>Fencing the area would provide a designated area for this use permanently minimising conflict with other park users.</p> <p>The scope of works includes the installation of DOLA infrastructure and improve open space and landscaping.</p>	Jul-21	Sep-21	\$220,000	\$220,000
QLD	Brisbane City Council	2	Community	Sports field Lighting – Package 2, Multiple Locations: Sporting and recreation facilities	<p>Phase 2 proposal is a continuation for additional community facility sites to the Phase 1 LRCI approved works.</p> <p>The aim of this additional package is a continuation of the need to identify and rectify high risk electrical faults/issues at additional sporting clubs across Brisbane, ensuring the safety of community as a whole and assisting grass roots clubs with ongoing electrical maintenance costs.</p> <p>This scope of works includes the auditing of electrical infrastructure for up to 60 sporting clubs across Brisbane and the rectification of high-risk items identified as part of those audits.</p>	Jun-21	Dec-21	\$1,685,000	\$1,685,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Community	Kurilpa Hall, Boundary Street, West End: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups. The existing roof at Kurilpa Hall is leaking and needs repair.</p> <p>The scope of works includes complete repairs ensuring the facility is fit-for-purpose for a community tenant.</p>	Jun-21	Aug-21	\$50,000	\$50,000
QLD	Brisbane City Council	2	Community	Brisbane Bridge Centre, Yeronga Memorial Park, Yeronga: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>The roof at the Brisbane Bridge Centre requires replacement</p> <p>The scope of works includes replacement of the roof and make required structural repairs ensuring the facility is fit-for-purpose for a community tenant.</p>	Aug-21	Dec-21	\$200,000	\$200,000
QLD	Brisbane City Council	2	Community	Hamilton Town Hall, Racecourse Road, Hamilton: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>The Hamilton Town Hall has an aging fit-out and requires refurbishing to increase customer service and utilisation.</p> <p>The scope of works includes internal refurbishment of the hall, including works to the kitchen, amenities, minor internal fit outs and maintenance, and required structural repair works.</p>	Aug-21	Dec-21	\$600,000	\$600,000
QLD	Brisbane City Council	2	Community	Sandgate Community Hall, Cliff Street, Sandgate: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>The Sandgate Community Hall AV equipment is aging and requires replacement to increase customer service and utilisation.</p> <p>The scope of works includes the upgrade of AV equipment across the site including the stage, meeting rooms and main hall, including hearing loop installation.</p>	Sep-21	Dec-21	\$150,000	\$150,000
QLD	Brisbane City Council	2	Community	Musgrave Park Tennis Court, Cordelia Street, South Brisbane: Sporting and recreation facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>The Musgrave Park tennis court needs improved lighting for security and to enable facility utilisation times.</p> <p>The scope of works includes installation of lighting for the court and security.</p>	Sep-21	Dec-21	\$130,000	\$130,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Community	Musgrave Park Swimming Centre, Edmondstone Street, South Brisbane: Sporting and recreation facilities	<p>This community enhancement project will significantly improve the quality of facilities for pool users at Musgrave Pool .</p> <p>Attendance numbers have doubled in the last six years and the facility is near capacity.</p> <p>The addition of a separate swim pool area will improve patron safety 7 conflicts across the existing facilities at the Musgrave Park Swimming Pool.</p> <p>This scope of works includes the 50 metre existing pool to be divided into two 25 metre pool sections via the fabrication/construction of a floating divider/wall. This separation will be useful with the increasing demands on the pool facility. It will enable a diversity of pool users and minimise conflicts when water polo, squads or the schools are using the pool for training and games, and the public for leisure and lap swimming.</p>	Jun-21	Jul-21	\$190,000	\$190,000
QLD	Brisbane City Council	2	Community	Inala Library, Corsair Avenue, Inala: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for library users and visitors.</p> <p>Inala library requires refurbishment work to address an aging fit out to increase customer service.</p> <p>The scope of works includes refurbishment to ensure the facility is a welcoming, comfortable and safe facility which is fit for purpose and meets modern community hub needs.</p>	Sep-21	Dec-21	\$1,000,000	\$1,000,000
QLD	Brisbane City Council	2	Community	Old Substation, Paddington (Hands on Art), Enoggera Terrace, Paddington: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>The Old Substation is a heritage listed building in need of a roof replacement and essential repairs.</p> <p>The scope of works includes refurbishment and restoration of the heritage building, including roof replacement and fire safety and building compliance improvements to make it fit-for-purpose.</p>	Oct-21	May-22	\$1,500,000	\$1,500,000
QLD	Brisbane City Council	2	Community	Witton Barracks, Lambert Road, Indooroopilly: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>Witton Barracks site requires connection of essential utility services prior to future conversation/refurbishment of existing cultural significant infrastructure for a community hub.</p> <p>The scope of works includes establishing essential services, including water, sewerage, data and electricity from the adjacent street to the vicinity of the community hub.</p>	Sep-21	Jan-22	\$1,150,000	\$1,150,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Brisbane City Council	2	Community	Repairs and compliance maintenance, Multiple Locations: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>Building improvements are required to nine community facilities before they can be leased by non-for-profit community organisations.</p> <p>The scope of works includes repairs, maintenance to required building compliance standards on nine vacant community sites to enable tenanting.</p>	Aug-21	Dec-21	\$1,125,000	\$1,125,000
QLD	Brisbane City Council	2	Community	Whites Hill Reserve Club House, Jones Road, Camp Hill: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of facilities for community groups.</p> <p>The existing club house building is unsafe due to accumulation of gas methane levels due to the site being a remediated landfill for sporting recreation.</p> <p>Entry and exits from the clubhouse are not accessible and currently unsafe. Electrical cables and services are under risk due to land subsidence and movement, building services pipes have cracked and the roof requires replacement.</p> <p>The scope of works includes the demolition and construction of a new purpose-built club house for use by existing tenant designed and constructed specifically for the site constraints.</p>	Aug-21	Apr-22	\$3,930,000	\$3,700,000
QLD	Brisbane City Council	2	Community	Seven Hills Hub, Tallowood Street, Seven Hills: Painting/ improvements to community facilities	<p>This community enhancement project will significantly improve the quality of adjacent landscaping, providing complimentary use to an existing community facility.</p> <p>The gabion retaining walls that surround the Seven Hills Hub Outdoor Amphitheatre have deteriorated and require replacement. Presently, the area is currently unable to be used due to safety risks.</p> <p>The scope of works includes replacement of the gabion walls.</p>	Apr-21	Dec-21	\$100,000	\$100,000

QLD	Cook Shire Council	1	Community	Cooktown Dog park - Various improvements	The new off-leash area would benefit from having shade and seating for patrons comfort. Some agility equipment for the dogs will also make the space more appealing and user friendly.	Apr-21	Jun-21	\$75,000	\$75,000
QLD	Cook Shire Council	1	Community	Cooktown Water Treatment Plant, Rossville - Refurbishment of backwash dam	Potential overflow of backwash dam into river. These works are essential to ensure the ongoing health of the river and ecosystems of this popular fishing spot.	Jan-21	May-21	\$45,000	\$45,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Cook Shire Council	1	Community	Cooktown Shire Hall, Helen St - Refurbishments	Community consultation has revealed fond memories and broad support from residents for the restoration of the hall to provide a space for community programs and events including gymnastics, martial arts and community dances.	Feb-21	Sep-21	\$1,999,416	\$499,416
QLD	Cook Shire Council	2	Community	Cooktown District Community Centre Air - conditioning	To replace end-of-life air-conditioning units in this community facility.	May-21	Aug-21	\$45,000	\$45,000
QLD	Cook Shire Council	2	Community	Cooktown Airport Terminal Refurbishment	Flooring upgrade, building and bathroom repairs and increase of outdoor seating to public airport terminal.			\$50,000	\$50,000
QLD	Cook Shire Council	2	Community	Senior Units Driveway Upgrades	To repair driveway access to Senior living units to improve emergency services access.	Jul-21	Dec-21	\$50,000	\$50,000
QLD	Cook Shire Council	2	Community	Charlotte St Water mains upgrade	To renew essential water assets in Cooktown.	May-21	Jul-21	\$60,000	\$60,000
QLD	Cook Shire Council	2	Community	Cooktown Creative Arts Association building upgrades- stage 2	Building refurbishment to this community facility including safety related and structural works.	Apr-21	Jul-21	\$90,000	\$90,000
QLD	Cook Shire Council	2	Community	Establishment of a Public Sewerage Dump Point	Establishment of a Public Sewerage Dump Point on Hope St in Cooktown.	Jul-21	Dec-21	\$35,000	\$35,000
QLD	Cook Shire Council	2	Community	Administration Building repairs	Painting and repairs to Council administration building which is the Shire's communications centre during disaster events.	Apr-21	Jun-21	\$160,000	\$160,000
QLD	Cook Shire Council	2	Community	Cook Shire Land Release Project	This project supports the construction of a road where no road existed on that alignment before. The road will provide access to a new housing development designed to stimulate the economy and alleviate the current housing shortage.	Aug-21	Dec-21	\$292,190	\$292,190
QLD	Cook Shire Council	2	Community	Cooktown Shire Hall Refurbishment – Stage four	This project is the continuation of improvement works from stage three as part of round one funding. Stage four includes electrical upgrades to support structural repairs and upgrades undertaken in previous stages. The electrical works include a full rewiring of the building, stage lighting and ventilation fans to support the communities use of the building.	Sep-21	Dec-21	\$190,000	\$190,000
QLD	Croydon Shire Council	1	Community	Installation of rubber softfall surfacing around the Croydon Pump Track	A pump track is a circuit of rollers, banked turns and features designed to be ridden by cyclists of all ages and skill levels. The Croydon pump track is made of asphalt with hard gravel batters. Installation of rubber softfall surfacing (OneSafe wet pour) around the track will create a deceleration zone and absorb impact thus reducing damage to push bikes and injury to riders using the track.	Nov-20	Jun-21	\$234,921	\$209,921

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Croydon Shire Council	1	Community	Croydon Heritage Precinct - upgraded fencing	Croydon's renowned Heritage Precinct is a hot spot tourist attraction comprising of an original Court House, Town Hall, Police Residence and Police Station with Goal House. The buildings are maintained to preserve their historical accuracy and are complimented, at the eastern end, by a traditional white picket fence with working replica lamp posts and original sandstone kerbing. The rear area of the buildings, at the eastern end, are secured with high colourbond fencing which provides privacy for neighbouring residential buildings. Whilst the working replica lamp posts and original sandstone kerbing continues to the western end of the precinct the fence does not. The current western end fencing is dilapidated and does not compliment the existing eastern end fencing which supports the heritage look and feel of these beautiful old buildings, whilst ensuring privacy to the adjoining residences. The western end fence upgrade will promote tourism to the entire precinct whilst completing and preserving the history and heritage of the town of Croydon.	Oct-20	Jun-21	\$145,000	\$145,000
QLD	Croydon Shire Council	1	Road	Intersection of the Croydon to Richmond Road and Gulf Developmental Road 92B road works	Significance and is 390kms in length, of this, 216 kilometres is located in Croydon Shire. The road is part of the inland road network linking cattle properties to major freight routes on the Landsborough and Flinders Highway and the Gulf Developmental Road, essentially connecting the Gulf of Carpentaria to the Southern Downs Region. Council is committed to the upgrade and maintenance of the Richmond Road and has been proactive in upgrading the road to a seal standard. The intersection of the Richmond Road and the Gulf Developmental Road 92B comprises of a single width (single lane) grid and poses a serious safety hazard to all road users. The upgrade of the grid to a double width (two lanes) at the intersection will improve traffic flow and significantly alleviate road safety issues associated with the current single lane grid.	Sep-20	Dec-20	\$110,000	\$110,000
QLD	Croydon Shire Council	2	Community	Water Treatment Plant	Install new water filtration system, commission, clean reservoir, connect all communications and electrical works	Feb-21	Mar-21	\$135,000	\$135,000
QLD	Croydon Shire Council	2	Community	Multi-Purpose sports facility	Replace the existing damaged multi-purpose sports facility mat, upgrade fencing to prevent wallaby damage and vandalism issues	Apr-21	Sep-21	\$182,413	\$182,413

QLD	Doomadgee Aboriginal Shire Council	1	Road	Installation of road signs - Doomadgee, Multiple locations	Damaged road signs are causing viability and safety issues. New signs required to improve safety	Apr-21	Jun-21	\$59,500	\$59,500

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Doomadgee Aboriginal Shire Council	2	Community	Doomadgee Workers Accommodation Upgrades	This project will upgrade worker accommodation to improve staff retention and liability in the community. Staff retention and continuity are critical to the success of all council and community initiatives. Works being undertake are: 1. Enclosing the underneath side of the house with security mesh. 2. Fitting Crimsafe Mesh to external windows. 3. Replacing damaged sliding window caused by a "break in" 4. Replacing all damaged Kitchen Cupboards and retiling splash back. 5. Installing a new built in wardrobe in the main bedroom. 6. Completely rebuilding the upstairs bathroom which has a collapsing floor. 7. Replacing the Termite weakened bearers and joists to the front verandah. 8. Replacing the Asbestos Cement flooring on the front verandah with Fibre Cement Sheeting. 9. Repainting the complete internal walls and ceiling of the house.	Aug-21	Dec-21	\$79,780	\$79,780
QLD	Douglas Shire Council	1	Road	Unsealed sections of Forest Creek road, north of the Daintree River will be upgraded. Concrete floodway will be installed (240m x 6m).	The project will address the problem of unsealed sections washing away after the annual monsoon season or severe wet weather events, into nearby creeks, Daintree River and Great Barrier Reef and improve access for residents, primary producers/business owners and students accessing goods, services, education, employment and commercial networks; as well as reducing run off into waterways.	Oct-20	Jun-21	\$426,460	\$150,000
QLD	Douglas Shire Council	1	Road	Install Speed cushions along Marlin Drive Wonga Beach. Three 9.0m wide sections of speed cushions.	The project will respond to a petition, signed by 20 petitioners and community consultation urging Council to install a "speed bump" on Marlin Drive; a long, wide and straight road with vehicles constantly exceeding the 50kph speed limit, endangering children and residents.	Jan-21	Mar-21	\$90,000	\$40,000
QLD	Douglas Shire Council	1	Community	Erect one information shelter Install one electric boomgate	The project will address the problem of having information available to tourists at times when the Kiosk is closed. The boom gates will deter access to the van park after hours by those who have not paid for a site.	Sep-20	Jun-21	\$36,000	\$36,000
QLD	Douglas Shire Council	1	Community	Install Wi Fi at Wonga Beach Van Park	Wi-Fi is now a common service at these facilities. Not having the service at this site has generated customer complaints. Adding this service will attract more patrons to the site.	Oct-20	Nov-20	\$8,662	\$8,337
QLD	Douglas Shire Council	1	Road	Tulip Oak Intersection and Daintree Ferry - Automated Warning Signs	Will compliment rain gauge providing much needed rainfall intelligence	Apr-21	Jun-21	\$53,779	\$10,000

QLD	Fraser Coast Regional Council	1	Community	Urangan Community Centre Expansion	Expansion of the Urangan Community Centre, Hervey Bay to better meet the needs of our residents, allowing for the provision of a cancer recovery 'Wellness Centre'. The Fraser Coast has an aging population with a higher than average incidence of cancer. The opportunities for treatment and support of people in the community is limited. Complementary or integrative care has proven to greatly enhance the quality of life for those experiencing cancer and provide support for their families. The extension of the Urangan Centre will allow for specialist counselling, meditation and mindfulness training, cancer specialist massage, remedial therapies and other types of integrative therapies to be offered to people locally. The extensions of the Urangan Centre will also create another "safe place" in the community for socially isolated, financial disadvantaged and vulnerable members in the community. The mission of the Urangan Centre is to expand to provide a sustainable quality community hub with a focus on wellness and wellbeing. The Urangan Centre will integrate services on the Fraser Coast which compliment existing programs.	Apr-21	Nov-21	\$1,500,000	\$1,500,000

QLD	Goondiwindi Regional Council	1	Community	Repaint painted surfaces including ceilings at Goondiwindi Boat Ramp, Redmond Park, Town Park, and Botanical Gardens toilet blocks. Replace damaged cubicle dividers at Redmond park toilet block	Community Amenity	Oct-20	Jun-21	\$50,000	\$50,000
QLD	Goondiwindi Regional Council	1	Community	Enclose parking space and internally line to create storage space for sporting equipment. Includes roller doors for internal and external access.	Community Amenity	Dec-20	Feb-21	\$45,000	\$40,000
QLD	Goondiwindi Regional Council	1	Community	Construct approximately 600 metres of concrete cycleway to connect existing paths to create loop of township.	Improved accessibility	Oct-20	Feb-21	\$150,000	\$145,000
QLD	Goondiwindi Regional Council	1	Community	Goondiwindi Town Park - Soft Fall Installation	The existing bark chip is messy and a hazard in terms of disguising sharp objects that may injure children when playing in the area. It is also not as effective as softfall in preventing injury.	Mar-21	Jun-21	\$96,000	\$30,500
QLD	Goondiwindi Regional Council	2	Community	Goondiwindi Swimming Pool Refurbishment	Sporting/Recreation Facilities - Relining of community swimming pool, replacement of filtration system and associates services at the Goondiwindi Memorial Pool.	Mar-21	Oct-21	\$3,161,787	\$1,043,240

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Gympie Regional Council	1	Road	Amamoor Creek Road	The section of road experiences a high volume of traffic that travels between the townships of Amamoor and Dagon (471 vpd in 2019). The road is a narrow bitumen sealed road that experiences continual shoulder wear. The existing road seal width is insufficient for two cars to pass forcing vehicles to use the unsealed portion of the carriageway. These factors are amplified when road conditions are adverse erg. rain or heavy fog. Additionally, once a year the road experiences high tourist traffic attending the Gympie Country Music Muster at Amamoor State Forest (2,000-5,000 vpd).	Feb-21	Apr-21	\$153,162	\$153,162
QLD	Gympie Regional Council	1	Road	Brooloo Township road works	The township has experienced recent growth. Sections of the road network are currently unsealed and adjacent houses are experiencing increased dust issues due to the additional traffic. A steep section of Henry Street (unsealed) also experiences table drain scouring due to the road grade and limited controls.	Jan-21	Feb-21	\$335,000	\$335,000
QLD	Gympie Regional Council	1	Road	Eel Creek Road	A combination of high speeds, high volume, heavy vehicles, narrow road seal width with unsealed shoulders contribute to the factors that cause issues along this section of Eel Creek Road. The existing road seal width is insufficient for two heavy vehicles to pass forcing vehicles to use the unsealed portion of the carriageway. These factors are amplified when road conditions are adverse e.g.. rain or heavy fog.	Apr-21	May-21	\$350,000	\$350,000
QLD	Gympie Regional Council	1	Community	Excelsior Road Footpath	The section of grassed verge experiences a high volume of foot traffic that goes between bus stop and local shopping centre, to the local Community Centre. A number of users are within motorized wheel chairs and experience issues with the current grassed verge (wet slippery grass, uneven ground). The path will complete a missing link and provide accessible connection along the eastern side of Excelsior Road. The route provides access to the Gympie Community Hub via Dent Lane. A local access advisory committee has previously raised the issue with Council.	Nov-20	Apr-21	\$17,491	\$17,491
QLD	Gympie Regional Council	1	Community	Mellor Street Footpath	The section of footpath experiences a high volume of foot traffic that goes between the adjacent attractors such as the Town Library, Town Hall, A Childcare Centre and the Gympie Civic Centre. The footpath has significantly deteriorated and is beyond maintenance, requiring a full replacement in concrete.	Dec-20	Aug-21	\$51,143	\$51,143
QLD	Gympie Regional Council	1	Road	Rocks Road (Pie Creek)	A combination of high speeds, substandard horizontal and vertical curves, inadequate sight distance, narrow road seal width with unsealed shoulders contribute to the factors that cause run off road crashes along this section of Rocks Road. The existing road seal width is insufficient for two cars to pass forcing vehicles to use the unsealed portion of the carriageway. These factors are amplified when road conditions are adverse e.g. rain or heavy fog. Additionally, there are sections where heavily vegetated areas are within the clear zone and also reduce visibility.	Mar-21	Jun-21	\$455,000	\$455,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Gympie Regional Council	2	Combination	Albert Park Touch Carpark Upgrade	Off Road Carpark. Albert Park is home to the Gympie Touch Association among other community sports groups, and provides direct access to the River to Rail Trail. The existing car park allows for informal car parking, which leads to inefficient use of the available area. This project aims to upgrade the sealed carpark to formalise car parking and provide a more efficient use of the available area.	Dec-21	Mar-22	\$120,000	\$120,000
QLD	Gympie Regional Council	2	Road	Excelsior Road - sealing	Excelsior Road beyond Hyne Street is a sealed urban local street servicing several local businesses and provides access to the River to Rail Trail. Insufficient stormwater drainage provisions and poor road construction has resulted in this section of road becoming hazardous to road users, pedestrians, and users of the River to Rail Trail. This project aims to construct a new sealed cul-de-sac to eliminate the aforementioned issues.	Jan-22	Mar-22	\$148,000	\$148,000
QLD	Gympie Regional Council	2	Road	Laminex Road - rehabilitation	Laminex Road is a sealed rural local road primarily servicing the Toolara State Forest and Laminex Manufacturing Plant. Sections of the road pavement and surfacing is failing under the heavy vehicle loads experienced by this road, resulting in higher ongoing maintenance costs for Council. This project aims to improve heavy vehicle movements through curve widening, rehabilitation of the failing pavement and surfacing, and reduce ongoing maintenance costs on Laminex Road.	Nov-21	Dec-21	\$98,000	\$98,000
QLD	Gympie Regional Council	2	Community	Mellor Street Pathway – rehabilitation	Mellor Street is a key pedestrian link within the Gympie CBD, linking Mary Street with the Gympie Library and Civic Centre and other significant attractions. This project aims to rehabilitate the existing asphalt footpath that has reached the end of its useful life.	May-21	Jun-21	\$221,000	\$221,000
QLD	Gympie Regional Council	2	Combination	Pronger Parade / Smith Street Pavement - rehabilitation	Pronger Parade and Smith Street are sealed industrial roads in the Glanmire industrial area. Sections of the kerb and channeling, road pavement, and surfacing are failing, resulting in higher ongoing maintenance costs for Council. This project aims to rehabilitate Pronger Parade and Smith Street to a standard suitable for one of the regions primary industrial areas.	Mar-22	Apr-22	\$441,000	\$441,000
QLD	Gympie Regional Council	2	Road	Thornside Road Floodways - Renewals	Reconstruction. Thornside Road is sealed rural local road servicing properties in the Widgee locality. It is one of a large number of roads in the Gympie Region with ageing floodways requiring renewal in the short to medium term. This project aims to renew two concrete floodways on Thornside Road that have reached the end of their useful lives.	Feb-22	Jun-22	\$758,507	\$758,507
QLD	Gympie Regional Council	2	Community	Region Wide Closed Circuit TV (CCTV) Upgrade	Upgrade and expansion of existing CCTV network within the Gympie Region. CCTV network covers a number of Council assets within Parks, Roads, Treatment Plants and Waste Transfer Facilities	Dec-21	Jun-22	\$500,000	\$500,000
QLD	Hinchinbrook Shire Council	1	Community	Herbert St Enhancement of existing playground at Rotary Park	Existing playground no longer complies with safety standards	May-21	Jun-21	\$378,323	\$378,232

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Hinchinbrook Shire Council	2	Community	Rotary Park Playground Upgrade – Phase Two	Existing playground and park does not include any all wheel accessible equipment. Additional softfall and playground equipment to have inclusive play equipment and access. Street furniture to be replaced with wheel chair accessible equipment with concrete connection to existing pathways. Renew fence panel, softfall (entire space) and renewed shade sails. Landscaping including gardens and entrance feature retaining wall. Shelter over existing bbq facilities and lighting for playground. Wayfinding and educational signage to entice visitors to stay a little longer in the region.	May-21	Dec-21	\$533,143	\$533,143
QLD	Hinchinbrook Shire Council	3	Road	McGordon Creek Bridge Remedial Works	Remedial bridges works including spalled concrete repair, resurfacing and blasting and re coating of steel grinder ends.	May-22	Jun-22	\$115,000	\$115,000
QLD	Hinchinbrook Shire Council	3	Road	Humpty Back Bridge Remedial Works	Remedial bridges works including resurfacing and blasting and re coating of steel grinder ends.	May-22	Jun-22	\$145,000	\$145,000
QLD	Hinchinbrook Shire Council	3	Road	Miles Street Stormwater Drainage Renewal	Reconstruction of underground stormwater culverts on Miles Street-Cooper Street to Griffith Street.	Mar-22	Apr-22	\$226,500	\$226,500
QLD	Hinchinbrook Shire Council	3	Road	Bitumen Reseal Program	Bitumen seal to the Dungeness Carpark at Lucinda in addition to reseal on local roads.	Jan-22	Jan-22	\$270,146	\$270,146
QLD	Hope Vale Aboriginal Council	1	Road	Bulls Crossing The timber bridge is of a poor condition and requiring urgent repairs. A bridge assessment will need to be completed by appropriately qualified engineers, specifying an appropriate repair to the structure. This will include new decking and bearer members.	Damaged or faulty bridge components will be replaced extending the life expectancy for the bridge.	Oct-20	May-21	\$65,000	\$63,728
QLD	Hope Vale Aboriginal Council	2	Community	Outdoor Playground Shades	Improvements to existing community facilities inside the Hope Vale Sporting Precinct including: Shade Sails designed and constructed over the existing outdoor gymnasium playground, seating space and shaded area adjoining existing playground, sand topping to the outdoor gymnasium playground, and upgrading of existing BMX track including resurfacing, weed control and landscaping	Sep-21	Nov-21	\$75,000	\$71,848
QLD	Ipswich City Council	1	Community	Queens Park, Goleby Avenue Ipswich - new shared pathway	Providing an active transport connection from existing shared pathways to existing networks within strategic open space areas.	Apr-21	May-21	\$249,480	\$226,800
QLD	Ipswich City Council	1	Community	Redbank Plains Recreation Reserve - small dog breed off-leash area	Small dog breeds are currently sharing the existing dog of leash area with larger breeds.	Oct-20	Nov-20	\$158,488	\$158,488

QLD	McKinlay Shire Council	1	Community	Supply and installation of new shade structure	During peak tourist season, 'At the Creek' can have up to 100 visitors per day through its doors. The installation of the new shade sail will provide a more pleasurable experience for visitors as a new area to mingle/rest will be available. This will be especially useful for guests waiting to attend the famous Dunnart Feedings in the 'Beneath the Creek' enclosure.	Dec-20	Dec-20	\$7,800	\$7,800
QLD	McKinlay Shire Council	1	Road	Road Works, reconstruction and re sheeting of 4 kilometre section of road to improve safety and heavy vehicle access.	This section of road is in sandy terrain and road materials have eroded which has resulted in unsafe driving conditions	Mar-21	May-21	\$178,144	\$178,144
QLD	McKinlay Shire Council	1	Community	Beautification work of the Cemetery in Julia Creek. Including irrigation system and planting of trees and shrubs.	Enhancement to the landscaping of amenity to improve the aspect of facility for the community.	Oct-20	Feb-21	\$95,603	\$95,603
QLD	McKinlay Shire Council	1	Community	Repairs and repainting of ceilings and walls	building movement and water damage, improve safety and visual aspect	Feb-21	Mar-21	\$29,154	\$29,154
QLD	McKinlay Shire Council	1	Community	Replacing damaged softfall	safety concerns	Nov-20	Nov-20	\$12,272	\$12,272
QLD	McKinlay Shire Council	1	Community	Replace worn and damaged shade sails with permanent fixture	Replace worn and damaged shade sails with permanent fixture	Jan-21	Mar-21	\$27,621	\$27,621
QLD	McKinlay Shire Council	1	Road	Upgrade and improve road network throughout Julia Creek Refuse Tip by building up roads to improve year round access for community.	At times during and following the wet season, the refuse tip roads and different cells (separation of rubbish areas i.e household, construction, greenwaste) become inaccessible for public use.	Jan-21	Feb-21	\$16,590	\$16,590
QLD	McKinlay Shire Council	1	Road	Re sheeting of gravel road to improve access from Sewerage Treatment Plant to Animal Pound.	Road Failure	Jan-21	Jan-21	\$6,060	\$6,060
QLD	McKinlay Shire Council	1	Community	Julia Creek Community Events Precinct - Upgrade	Improving the usability of the entire space for the community and associated groups who utilise the venue for their annual events.	Feb-22	Apr-22	\$45,032	\$45,032
QLD	McKinlay Shire Council	1	Community	PWD Ramp installation - Julia Creek Visitor Information Centre	The installation of a PWD Ramp will improve access for those with disabilities as well families with prams. Additionally, the ramp will also provide easier access for the elderly as opposed to having to utilise the stairs which at times can prove difficult for some individuals.	Feb-22	Apr-22	\$28,150	\$28,150
QLD	McKinlay Shire Council	2	Road	Byrimine Road Sealing	Gravel Sheetting and Sealing. Construct approximately 4kms of existing unsealed road to a new sealed standard	Jul-21	Dec-21	\$489,246	\$244,246

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	McKinlay Shire Council	2	Road	Burke Street Enhancement	Pavement Reconstruction. Reconstruction of pavement on Burke Street (between Mathews and Quarrel Streets). Addressing the pavement failure, by rebuilding the section.	Jul-21	Dec-21	\$489,246	\$244,246
QLD	Moreton Bay Regional Council	1	Community	Queens Street, Roma - Reseal	This project has originated as a result of the MBRC Scouts Network Services Plan. The Kallangur Scout Group is currently located in the remaining section of a house located at 4 Ogg Road, John Oxley Reserve after they were moved from their previous building at Haithi Park, Kallangur which was demolished in 2014. The expected outcome of the project is to provide a District Level Scout facility which will cater for the suburbs of Kallangur, Murrumba Downs, Griffin and North Lakes.	Mar-21	Jul-21	\$500,000	\$234,083
QLD	Moreton Bay Regional Council	1	Community	This project will deliver a new fit for purpose building on the existing site and will include new features such as disability compliant access and car parking, as well as outdoor lighting.	The project objective is to increase and enhance the CCTV surveillance in the children's playground thereby increasing security and public safety.	Dec-20	Feb-21	\$50,000	\$50,000
QLD	Moreton Bay Regional Council	1	Community	Installation of new traffic signals at the intersection of Bonnet Parade and Mango Hill Boulevard including adding a left turn lane on the eastern leg of Mango Hill Boulevard and increasing the length of the right turn lane on the western leg of Mango Hill Boulevard.	This project has originated as a result of regular park inspections, maintenance works and monitoring by MBRC staff. The existing deficiencies include structural deterioration of the timber posts and fasteners, deterioration of paintwork and the constraints of the current asset do not meet DDA compliance. The expected outcome of the project is to renew the shelters with one larger shelter to provide cover to the existing BBQ, associated concrete slabs and park furniture to provide a useful asset for park users and to reduce maintenance costs.	Oct-20	Nov-20	\$40,000	\$35,500
QLD	Moreton Bay Regional Council	1	Community	Stage 1a of the project for which the LRCI application applies includes construction of two new Car Parking bays (includes 1 x PWD bay).	This project has originated as a result of direct representations from the Queensland Police Service. The expected outcome of the project is to reduce the risk of crimes and anti-social behaviour and support the detection of crime. The positioning of the pole will allow MBRC to monitor access to the South Pine Sports Precinct thereby supporting improved site security. The location will also afford tactical CCTV coverage of South Pine Rd and Eatons Hill Crossing Rd via licence plate recognition cameras which allow the tracing of stolen vehicles, or vehicles of interest.	Oct-21	Feb-21	\$50,000	\$46,000
QLD	Moreton Bay Regional Council	1	Community	Jim Hassall Park: Renewal and Consolidation of All Playground Equipment	This project has originated as a result of an external audit and regular park inspector findings. The existing deficiencies include deteriorated paintwork on all equipment and the large climbing element has structural issues from UV affects and does not offer much play value. The expected outcome of the project is to renew playground equipment within a consolidated area and install underground drainage and concrete edging to retain bark softfall.	May-21	Jun-21	\$100,000	\$94,000
QLD	Moreton Bay Regional Council	1	Community	Roderick Cruise Park: Netball Court Construction	Stage 1 of the project was completed in 2018/19 with the aim of provided appropriate facilities for a netball club to establish at Roderick Cruise Park. Stage 2 (the current proposal) is proposed to service the demand and growth of netball in Dayboro.	May-21	Jun-21	\$510,000	\$244,083

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	1	Community	Albany Creek, Lemke Park: Access Renewal	This project has originated as a result of the current footbridge nearing its end of life. The existing deficiencies include splitting and rotting piles, rails, decking and joists. The expected outcome of the project is to provide replacement access that is safe, low maintenance and low whole of life cost.	Apr-21	May-21	\$51,000	\$51,000
QLD	Moreton Bay Regional Council	1	Road	Bray Park - Kensington Way Sparkes Road: Intersection Upgrade	Existing high speed slip lane is hazardous and improvements can be made. The objective of the project is to improve safety for all users	Jan-21	Mar-21	\$180,000	\$110,260
QLD	Moreton Bay Regional Council	1	Community	Strathpine - Pine Rivers Park: Park Development	This project has originated as a result of the revised master plan for the park, as a result of population growth data and increased exposure of facilities resulting from events continues to attract users to the park. The existing deficiencies include a limited number of larger picnic shelters and supporting infrastructure. The uneven surfaces of the open grassed area limit use of the activity space. The expected outcome of the project is to provide additional picnic facilities and evenly graded activity lawn for large user groups to support small scale events/functions. The link path will connect to the egress road and existing play facilities, forming part of a wider circulation network in the park.	Jun-21	Sep-21	\$675,000	\$641,760
QLD	Moreton Bay Regional Council	1	Community	Warner - Delaware Road Park: Playground Renewal	This project has originated as a result of an external audit and regular playground inspections. The existing deficiencies include non compliance of elements in relation to current standards, timber components will split with age, steel posts showing signs of rust at ground level. The expected outcome of the project is to replace all play equipment, install underground drainage, rubber wear pads at high wear area's and bark softfall.	Apr-21	May-21	\$110,000	\$99,000
QLD	Moreton Bay Regional Council	1	Community	Woorim First Avenue Fauna Crossing	The objective of the project is to reduce the risk of wildlife entering the road corridor, increase driver awareness and decrease wildlife-vehicle collisions.	Apr-21	Jun-21	\$395,000	\$300,000
QLD	Moreton Bay Regional Council	1	Community	Elimbah Bigmore Drive Pathway	Lack of pedestrian connectivity to local commercial facilities and recreation areas	Feb-21	Apr-21	\$700,000	\$500,000
QLD	Moreton Bay Regional Council	1	Community	Bob Brock Park Soccer Lighting Upgrade	Currently the sports ground only has lighting for one field. This has the effect of limiting game/training opportunities and puts additional strain on the field contributing to overuse issues. This has a constraining effect on the club that utilises this facility. This project will ensure lighting is appropriate for the intended use of the facility and compliant with State Sporting Organisation guidelines.	Apr-21	May-21	\$682,000	\$235,000
QLD	Moreton Bay Regional Council	1	Community	North Lakes Netball Club: construction of Four netball courts	Currently, the carpark and amenities are not suitable for disability access. This causes accessibility issues for some in the community.	Aug-20	Mar-21	\$1,900,000	\$338,500
QLD	Moreton Bay Regional Council	1	Community	Summerfield Drive Park Upgrade	The objective of the project is to rectify unsafe and non-compliant findings in a playground audit and reduce maintenance costs.	Dec-20	Mar-21	\$500,000	\$367,687
QLD	Moreton Bay Regional Council	1	Community	Clontarf Beach Scouts Building Renewal	The objective of the project is to demolish the existing building and construct the Clontarf Beach Scouts a new facility on the same location. The new facility will be DDA compliant one-storey facility which will be fit for purpose.	Mar-21	Nov-21	\$760,000	\$732,688

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	1	Road	Intersection Bonnet Parade & Mango Hill Boulevard	The objective of the project is to improve traffic operations at the intersection and facilitate safe access to and from Bonnet Parade, including pedestrian movements. The project will reduce delays on the Bonnet Parade leg of the intersection and significantly improve safety for all road users.	Jan-21	Mar-21	\$900,000	\$653,500
QLD	Moreton Bay Regional Council	1	Road	Deception Bay Lipscombe Rd Fauna Crossing	The objective of the project is to reduce the risk of wildlife on road and reduce driver distraction and wildlife-vehicle collisions. Concept design is complete.	May-21	Jun-21	\$390,000	\$270,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths Ningi - Bribie Island Road (Bestmann Road to Aylward Road) - Missing Link Pathway (1600mL x 2mW)	Ningi - Bribie Island Road (Bestmann Road to approximately 450m east of Aylward Road) - Missing Link Pathway (950m 1600mL x 2mW) The project will complete a 950m missing pathway link along Bribie Island Rd between Bestmann Rd and an existing pathway located approximately 450m east of Aylward Rd. This project has originated from a review of missing pathway links to identify locations for new infrastructure that will improve safety and connectivity for pedestrians. The scope includes the delivery of a 2m concrete pathway that will improve connections to a bus stop and local shops.	Sep-21	Dec-21	\$900,000	\$500,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths Bellara - Elkhorn Avenue (Eucalyptus - Verdoni) - Missing Link Path 650mLx2mW	The project will complete a 650m missing pathway link along Elkhorn Ave between Eucalypt St and Verdoni St. This project has originated from a review of missing pathway links to identify locations for new infrastructure that will improve safety and connectivity for pedestrians. The scope includes the delivery of a 2m concrete pathway that will provide a safe alternative for pedestrians than walking on a high volume / speed road corridor.	Sep-21	Sep-21	\$450,000	\$300,000
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Sandstone Point - Aird Street - Play Equipment	The project is located within Aird Street Park, Aird Street, Sandstone Point. The project scope includes the installation of 1 piece of play equipment (slide deck combo) suited to older children and soft fall installation. The objective of the project is to provide additional play equipment to an under-serviced playground.	Sep-21	Dec-21	\$200,000	\$200,000
QLD	Moreton Bay Regional Council	2	Road	Landscaping Improvements / Traffic improvement Beachmere - Biggs Avenue - Streetscape Upgrade	This project has originated as a result of multiple requests from members of the public requesting increased and higher priority pedestrian access across the road. The existing deficiencies include a lack of pedestrian refuge points across Biggs Ave, 50km/h speed limit. The expected outcome of the project is to create a safe road environment for all users, provide increased pedestrian connectivity, upgrade existing stormwater and active transport links.	Sep-21	Dec-21	\$500,000	\$250,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	2	Road	Bicycle and Walking Paths Burpengary - Station Road - Active Transport Improvements	This project will improve pedestrian and cyclists connectivity and road user safety which was identified as a high priority in the Active Transport Strategy and local government infrastructure plan.	Oct-21	Dec-21	\$700,000	\$400,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Burpengary - Burpengary Sports Complex - Netball Court Renewal	This project has originated as a result of old and potentially hazardous playing surfaces and related infrastructure causing a public safety concern. The existing deficiencies include surface cracking and the separation of the slabs. The expected outcome of the project is to renew the court surface allowing conditions to improve public safety while meeting user expectations of public facilities and providing healthy lifestyle options to residents.	Sep-21	Dec-21	\$650,000	\$350,000
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Morayfield - Sheep Station Creek Park - Skate Park Renewal	This project has originated as a result of Council's Skate Park and BMX facility audit (audit) carried out in June 2019. The existing deficiencies include significant surface cracking, degraded elements and unstable coping. The expected outcome of the project is to define the benefit of retaining current elements or commence a full rebuild. The audit recommends that this facility be upgraded from a district to a major skate facility.	May-22	Feb-22	\$1,500,000	\$1,000,000
QLD	Moreton Bay Regional Council	2	Road	Pedestrian Crossing - Traffic improvement Dakabin - Alma Road - Conquest and Sheperdson Street	This project has originated from a review of pedestrian crossing facilities to identify locations for new infrastructure that will improve safety and connectivity for pedestrians. The scope includes the delivery of a pedestrian refuge island and kerb ramps that will improve connections to North Pine Christian College and a bus stop.	Jul-21	Dec-21	\$125,000	\$100,000
QLD	Moreton Bay Regional Council	2	Community	Picnic Shelters or Barbeque Facilities at Community Parks LCI - Dakabin - Carramar Reserve - Park Upgrade	The project is located in Carramar Reserve on Alma Road Dakabin. The project scope includes the construction of a park upgrade which includes playgrounds, bbq and seating areas, pathways and landscaping. The objective of the project is to upgrade the existing park facilities to provide amenity and new park equipment in an area currently under serviced	Sep-21	Nov-21	\$300,000	\$200,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Morayfield - Peterson Road - Sporting Complex Upgrade	<p>The project is located at Petersen Road Sportsgrounds, Morayfield. The project scope includes the demolition of the existing clubhouse (excluding the existing touch storage shed) and construction of stage 1 one of a shared clubhouse comprising of 4 multi-purpose change rooms, public amenities, offices, kitchen and multipurpose clubroom with elevated viewing decks and tiered seating looking over existing Northern and Southern fields.</p> <p>The existing buildings at Petersen Road Sportsgrounds are at the end of their functional lifespan. The project objective is to demolish the existing buildings and deliver a new clubhouse that combines both shared use facilities and specific individual club requirements that will meet the current and future needs of the clubs.</p>	Aug-21	Jun-22	\$4,000,000	\$1,500,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths D'Aguilar Highway - Missing Link Pathway (Scotts Lane - Mt Mee Road)	<p>The project will complete a 15000m missing pathway link along D'Aguilar Hwy between Scotts Lane and Mt Mee Rd.</p> <p>This project has originated from a review of missing pathway links to identify locations for new infrastructure that will improve safety and connectivity for pedestrians.</p> <p>The scope includes the delivery of a 2m concrete pathway that will improve active transport connections to Woodford centre and Woodford P10 State School.</p>	Sep-21	Dec-21	\$523,877	\$376,123
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) D'Aguilar - Cash Street Park - Half Court Basketball and Playground -	<p>The project is located at Cash Street Park, D'Aguilar. The project scope includes the installation of a new basketball half-court and upgrades to the existing playground.</p> <p>The objective of the project is to improve the provision of youth sports and play equipment and expand the facilities at Cash Street Park to include the provision of play activities targeted at youth.</p>	Aug-21	Dec-21	\$200,000	\$100,000
QLD	Moreton Bay Regional Council	2	Road	Traffic improvement North Lakes - Flinders Parade / Cook Court / Torres Crescent / Diamond Jubilee Way - Capacity Upgrade -	<p>This project has originated as a result of numerous customer service requests about the performance of the intersection and concerns raised by both the local Councillor and Chamber of Commerce.</p> <p>The existing deficiencies have increased since the 2017 connection of Flinders Parade and the provision of an uncontrolled intersection servicing two major traffic attractions of Costco and Bunnings. Taco Bell, the third major attractor, commenced on 15 December 2018. The expected outcome of the project is to determine the future upgrade requirements for this intersection for the short and long term.</p>	Sep-21	May-22	\$2,575,000	\$1,250,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Griffin - Osprey House - Park Upgrade	The project has originated as a result of a region-wide district play investigation undertaken by Park and Recreation Planning in 2019. Existing deficiencies include a lack of appropriate play opportunities in this location and a network deficiency in the Griffin area. The expected outcome of the project is to upgrade the playground at Osprey House to meet the future needs and increasing expectations of the surrounding community and supporting the existing environmental and community facilities at Osprey House.	Oct-21	Dec-21	\$200,000	\$200,000
QLD	Moreton Bay Regional Council	2	Community	Improvements to community facilities Deception Bay - Deception Bay Community Hall - Building Upgrade -	The project has originated as a result of local community organisations raising the need for community meeting spaces in the Deception Bay area which instigated a feasibility study for the expansion of the current community hall. Extensive consultation was undertaken and the study identified the need for additional meeting rooms while retaining a hall space with a stage for larger functions and community events as well as improvements to building functionality, cooling and access. The expected outcome of the project to provide an accessible, more functional, safe district-level community hall with increased hire capacity for the benefit of the local Deception Bay community, surrounds and the Moreton Bay Region.	May-21	Dec-21	\$4,500,000	\$2,500,000
QLD	Moreton Bay Regional Council	2	Community	Improvements to community facilities Kippa-Ring - Redcliffe PCYC - Building Upgrade Stage 1	This project has originated as a result of the PCYC Network Services Plan. The existing deficiencies include building Compliance issues and lack of space for service growth. The expected outcome of the project is to redevelop the Redcliffe PCYC to operate more effectively and to cater for projected growth.	May-21	Dec-21	\$1,250,000	\$1,250,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths LCI Kallangur - The Crescent and Selby Street - Pathway Construction	The scope of works includes the construction of a 1.5m wide concrete footpath. The projects objective is to improve concrete footpath connectivity for residents walking towards the Kallangur business centre in Anzac Avenue	Sep-21	Dec-21	\$75,000	\$75,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths LCI Murrumba Downs - Masjakin Court - Pathway construction -	This project is located in Masjakin Court, Murrumba Downs. The scope of works includes the construction of a 1.5m wide reinforced concrete footpath on the western side of the street. The project's objective is to provide a safer pedestrian concrete pathway linkage to the Murrumba Downs train station.	Sep-21	Dec-21	\$80,000	\$80,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Kallangur - Kingfisher Park - Playground Renewal -	This project has originated as a result of regular park Inspector findings and maintenance issues. The playground has a mixed age of equipment and the existing deficiencies include the combination unit and swing as they are showing signs of wear and the paintwork is deteriorating. The expected outcome of the project is to renew the combination unit and swing within a consolidated footprint that will reduce ongoing maintenance costs with underground drainage and concrete edging to retain bark soft fall.	Sep-21	Dec-21	\$105,000	\$105,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths Kallangur - Golden Ave - Missing Link Pathway	This project will deliver a 320m pathway link between Anzac Ave and Cecily Street along Golden Ave, Kallangur. The scope includes the construction of a concrete pathway with kerb ramps where required. The pathway width will be 2m wide with 1.5m minimum where 2m is unachievable.	Aug-21	Dec-21	\$85,000	\$85,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths Kallangur - Cecily Street - Missing Link Pathway	This project will deliver a 165m pathway link between Golden Ave and Cecily Street along Cecily Street, Kallangur. The scope includes the construction of a concrete pathway with kerb ramps where required.	Jul-21	Dec-21	\$65,000	\$65,000
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Kallangur - Joe Kruger Park - Playground Renewal	This project has originated as a result of regular Park Inspector findings. The existing deficiencies include overland water flow issues, the swing, climbing unit and rocker unit that have deteriorated paintwork and the playground footprint requiring consolidation. The expected outcome of the project is to renew the older playground equipment and consolidate the playground into a smaller footprint to reduce ongoing maintenance, install underground drainage and concrete edging to retain bark softfall.	Jul-21	Dec-21	\$120,000	\$120,000
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Murrumba Downs - Echidna Park - Park Fencing Renewal	This project has originated as a result of regular inspections, maintenance works and monitoring by MBRC staff. The existing deficiencies include structural deterioration of the posts and fasteners, pest infestation and weathering of the timbers. The expected outcome of the project is to renew the fence to the new MBRC style of bollards that will provide a useful asset to protect open space and park infrastructure from vehicle incursions and to reduce maintenance costs.	Jul-21	Sep-21	\$20,000	\$20,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	2	Community	Improvements to community facilities Bray Park - Pine Rivers PCYC - Building Upgrade Stage 1	The project is located at 119, Francis Rd, Les Hughes Sporting Complex, Bray Park. The project scope includes the upgrade of Pine Rivers PCYC. Specifically, works will include facility improvements delivered as the first of four stages, including the rectification of building defects and compliance issues. The objective of the project is to increase capacity, improve functionality and resolve current facility issues. This project has originated as a result of PCYC Network Service Planning. The existing deficiencies include building compliance and defect issues. The expected outcome of the project is to improve service delivery and cater for expected service growth.	May-21	Aug-21	\$1,250,000	\$890,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Brendale - South Pine Sporting Complex - Sports Complex Upgrade - Stage 1: Services relocation	The project is located at the South Pine Sports Complex, South Pine Road, Brendale. The scope of works includes the construction of four (4) multipurpose fields, including field lighting, multi-use clubhouse, car parking, stormwater drainage, connection to services and relocation of electrical overhead wires. This funding will be used to support Stage 1 of this project which includes services relocation to enable construction to commence on the local club facilities.	Nov-21	Nov-21	\$17,600,000	\$500,000
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Warner - Frank Nichols Park - Playground Renewal	This project has originated as a result of regular Park Inspector findings. The existing deficiencies include the older equipment showing signs of wear and paint fading and the steel post rusting on climbing net. The expected outcome of the project is to renew the older play equipment and consolidate the playground footprint to reduce ongoing maintenance costs, install underground drainage and concrete edging to retain bark softfall.	Jul-21	Dec-21	\$420,000	\$250,000
QLD	Moreton Bay Regional Council	2	Community	Other Cashmere - Winn/Samsonvale Roads - Fauna Crossing Infrastructure Installations	This project has originated as a result of the prioritised Green Infrastructure Network Delivery Program. The expected outcome of the project is to improve public safety by reducing the risk of collisions between wildlife and motorists.	Oct-21	Dec-21	\$460,000	\$200,000

QLD	Moreton Bay Regional Council	2	Road	Road Rehabilitation Brendale - Old North Road	The project is located on Old North Road, Brendale and extends from South Pine Road to Kremzow Road. The project scope includes the rehabilitation of the subject section of road over a length of 613 metres and full pavement width. The existing pavement is currently showing significant signs of stripping, pavement fails and cracking. The project objective is to renew the pavement and achieve the required level of service.	Jul-21	Sep-21	\$1,020,000	\$290,000
QLD	Moreton Bay Regional Council	2	Road	Sealing Clear Mountain - Branch Creek Road - Gravel Road Sealing	Sealing Clear Mountain - Branch Creek Road - Gravel Road Sealing	Jun-21	Jun-21	\$60,000	\$60,000
QLD	Moreton Bay Regional Council	2	Community	Playgrounds and Skate parks (including all ability playgrounds) Albany Creek - Old Northern Road - Skate Park Renewal	This project has originated as a result of Council's Skate Park and BMX facility audit. The existing deficiencies include the degraded condition with cracking, unstable coping and poor surfaces. The expected outcome of the project is to partially rebuild the park while retaining the bowls and integrating them with a new, expanded street plaza.	Dec-21	Jun-22	\$1,200,000	\$550,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Bunya - James Drysdale Reserve - Soccer Field Renewal & Extension	The project is located within James Drysdale Reserve, 2 Pine Hills Drive, Bunya. The project scope includes the renewal and extension of Soccer Field 3 to create a regulation senior field measuring 100m x 75m. Specifically, the works include resurfacing, improvements to surface and sub-surface drainage, irrigation, installation of perimeter fencing and goal post installation.	Oct-21	Dec-21	\$950,000	\$300,000
QLD	Moreton Bay Regional Council	2	Community	Bicycle and Walking Paths Ferry Hills - Caesar Road - Missing Link Pathway (300mL x 1.5m W)	The project will complete a 300m missing pathway link along Caesar Rd between Plucks Rd and Wiripana Ave. This project has originated from a review of missing pathway links to identify locations for new infrastructure that will improve safety and connectivity for pedestrians. The scope includes the delivery of a 2m concrete pathway that will improve active transport connections to Ferry Fair shopping plaza.	Sep-21	Oct-21	\$135,000	\$75,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Bunya - James Drysdale Reserve (Pine Hills Football Club) - Lighting (Soccer field 2)	The project is located at James Drysdale Reserve, Bunya. The project scope includes the replacement of an existing pole with 1 x steel tapered pole and installation of LED lighting to field 2. The objective of the project is fully compliant and fit for purpose sports field lighting for football.	Sep-21	Dec-21	\$125,000	\$125,000

QLD	Moreton Bay Regional Council	2	Community	Picnic Shelters or Barbeque Facilities at Community Parks Samford Village - John Scott Park - Park Development 2	Picnic Shelters or Barbeque Facilities at Community Parks Samford Village - John Scott Park - Park Development 2	Aug-21	Dec-21	\$490,000	\$400,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Samford Valley - Samford Parklands - Tennis Court Development	The project is located at Samford Parklands, Samford Valley. The project scope includes the design and construction of two (2) new tennis courts including fencing, lighting, connecting pathways and landscaping to the south of the existing six (6) courts. The Objective of the project is to provide additional courts to service an existing tennis community, replacing two courts which will be removed from Alan Cash Park to facilitate better utilisation of this space.	Oct-21	Dec-21	\$600,000	\$350,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Samford Village - Alan Cash Park - Rugby League Field Renovation and Upgrade	The project is located at Alan Cash Park, Samford Village. The project scope includes the reconfiguration of the existing rugby league field to accommodate a training area at the eastern end. Specifically, the project includes relocation of field goal posts 6m to the west and both in goals to be reduced from 10m to 8m; cultivation and turfing to new areas; installation of a new lateral irrigation line; and relocation of existing valve boxes on the southern side of the field approximately 3m south off the sideline with installation of a concrete sleeper retaining wall to appropriately position the valve boxes. New footings, hinge plates and 12m aluminium goal posts, additional LED lighting (4 extra LED fittings on existing poles) and new back net to be installed. The objective of the project is to upgrade the existing field to align with Council's standard asset maintenance requirements whilst accommodating predicted modest growth of the club.	Dec-21	Dec-21	\$300,000	\$300,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Kallangur Memorial Bowls Club Deck	The project is located the Kallangur Memorial Bowls Club, at 1351 Anzac Ave, Kallangur. The project scope includes the design and construction of a new deck facility attached to the southern side of the bowls club. One of the existing decks will be demolished and a new deck will be tied into the other existing eastern deck. The deck will be 15m long, 2.1m wide and 740mm high. There will also be a new DDA access created from the clubhouse onto the deck and to the green areas. The objective of the project is to increase the functionality and useability of the deck area and reduce maintenance costs.	Aug-21	Dec-21	\$100,000	\$100,000

QLD	Moreton Bay Regional Council	2	Community	Picnic Shelters or Barbeque Facilities at Community Parks Kallangur - Haiti Park - Playground	The project is located within Wagner Park, Corner of Winter and Duffield Road, Kallangur. The project scope includes the renewal of play equipment that was removed approximately 3 years ago. The objective of the project is to reinstall a playground that meets current compliance standards, raise the level to help reduce overland water risks and reduce maintenance.	Jul-21	Sep-21	\$100,000	\$100,000
QLD	Moreton Bay Regional Council	2	Community	Sporting and recreation facilities Bray Park - Peter Campbell Park - Fitness Equipment Renewal	The project is located at Peter Campbell Park, Calala Drive, Bray Park. The project scope includes the renewal of five individual element exercise stations into one larger exercise station that will offer passive surveillance for users. All exercise equipment has deteriorated and faded paintwork and rust starting to form.	Jul-21	Dec-21	\$160,000	\$160,000
QLD	Moreton Bay Regional Council	3	Combination	Off-Road Car Parks Bongaree - Bribie Island Sports Complex - Carpark Construction	The project is located at Bribie Island Sports Complex, First Avenue, Bongaree. The project scope includes the design and construction of 72 space carpark, located to the south of the existing soccer fields. Works will also include landscaping, lighting, fencing between parking and sports fields and pathways. The objective of the project is to increase car parking capacity in accordance with the site master plan (Drawing S10087/02-SK004.)	Oct-22	May-23	\$1,000,000	\$50,000
QLD	Moreton Bay Regional Council	3	Community	Sporting and Recreation Facilities Banksia Beach - Cosmos Park- Park Upgrade	The project is located at Cosmos Park, 70A, Sunderland Drive, Banksia Beach. The project scope includes the installation of a playground, soft landscaping, exercise equipment, half basketball court, 2x pickle ball courts, seats drinking fountains and a 2.5m wide connecting pathway, which will also provide circuit training opportunities. The objective is to improve park amenity to a district park standard.	Oct-22	May-23	\$1,450,000	\$798,374
QLD	Moreton Bay Regional Council	3	Road	Road Rehabilitation Burdary - Dunbeath Drive - Road Rehabilitation	The project is located on Dunbeath Drive, from the cul-de-sac section to 72 Dunbeath Drive, Burdary. The project scope includes the rehabilitation of the subject section of road over a length of 52m. The works also include the installation of new kerb and channel to prevent water ponding to the cul-de-sac section of the road. The existing pavement is currently showing significant signs of cracking and pavement failure as evidenced by the high percentage of pavement repairs currently evident (currently no kerb and channel at the cul de sac). The project objective is to renew the pavement and achieve the required level of service.	May-22	Jun-22	\$250,000	\$125,000
QLD	Moreton Bay Regional Council	3	Community	Painting/Improvements to Community Facilities Narangba - Narangba Community Centre - Air Conditioning and Solar Installation	The project is located at the Narangba Community Centre, 227-229 Mackie Road, Narangba. The project scope includes the design and construction of an air conditioning system and solar cell system and electrical upgrade to complete the works. The objective of the project is to provide a new efficient air-conditioning system, decreasing electricity usage costs through the new solar system, and ensuring a safe and comfortable internal environment for hall users.	Aug-22	May-23	\$850,000	\$297,500

QLD	Moreton Bay Regional Council	3	Community	Sporting and Recreation Facilities Caboolture - Dances Road Sportsground - Softball Fields (2+3) Outfield Renewal	The project is located Dances Road Softball Field Sporting Complex, Dances Road, Caboolture. The project scope includes the resurfacing/levelling of the softball fields playing surfaces (2&3). Approximate size of 9400m2. The objective of the project is to renew the asset to an acceptable condition and reduce maintenance. Timing of the works will be as per agreement with the club.	Jul-22	Sep-22	\$450,000	\$256,500
QLD	Moreton Bay Regional Council	3	Road	Road Rehabilitation Caboolture - Riverview Street - Road Rehabilitation	The project is located on Riverview Street, from King Street to The Esplanade, Caboolture. The project scope includes the rehabilitation of the subject section of road over a length of 312 metres and the full pavement width. The existing pavement is currently showing significant signs of cracking, rutting and pavement fails. The project objective is to renew the pavement and achieve the required level of service.	Jul-22	Aug-22	\$715,000	\$143,000
QLD	Moreton Bay Regional Council	3	Road	Traffic Improvement Dakabin - Alma/Marsden Roads - Intersection Upgrade	The project is located at the intersection of Alma Road and Marsden Road, Dakabin. The project scope includes the upgrade of this intersection to a signalised intersection to meet significant ongoing and forecast traffic demand. Works will also include the provision of pedestrian crossing facilities, pathway widening, bicycle lanes, raised and landscaped medians and roadside landscaping. The primary objective of the project is to improve capacity of this intersection and safety for all users, including pedestrian and cycle users.	Aug-22	May-23	\$3,050,000	\$915,000
QLD	Moreton Bay Regional Council	3	Community	Improved Accessibility of Community Facilities and Areas Burrpengary - Caboolture Regional Environmental Education Centre - Park Upgrade	The project is located at the Caboolture Regional Environmental Education Centre (CREEC), 150 Rowley Road, Burrpengary. The project scope includes the installation of play equipment, large and small shelters, BBQ's, park furniture, signage, amenities, car parking and associated landscaping and service connection. This project builds on the all abilities playground construction scheduled to be constructed by 2020/21 (PID 8930 in Minor Works), with a focus on the remainder of the open areas of the site. The objective of the project is to upgrade the existing facility to a regional scale to make the CREEC more attractive for residents and to make them aware of the facilities available. The need for this project was identified in the Urban Recreation Park Plan 2012-2031 (recommendation 688). The outcome of the project is to provide regional level recreation facilities for residents and increase visitation to the CREEC Environmental Centre.	Sep-22	Mar-23	\$1,500,000	\$750,000

QLD	Moreton Bay Regional Council	3	Community	Improved Accessibility of Community Facilities and Areas North Lakes - Lake Eden Park - Park Upgrade	The project is located at 45 Memorial Drive, Lake Eden, North Lakes. The project scope comprises design and construction to upgrade ageing infrastructure and develop a new lake front civic space with new picnic, play facilities and amenities. The objective of the project is to provide an upgrade to the civic facilities around Lake Eden including play, picnic, open space, and civic amenities to improve the appearance, functionality, amenity, and park equipment within this heavily used precinct.	Oct-22	Apr-23	\$1,250,000	\$462,500
QLD	Moreton Bay Regional Council	3	Road	Traffic Improvement North Lakes - Diamond Jubilee Way/Memorial Drive/Kinsellas Road West - Intersection Upgrade	The project is located at the intersection of Diamond Jubilee Way, Memorial Drive and Kinsellas Road West, North Lakes. The project scope involves making changes to right-turn provisions on two legs of the intersection. The western leg, being on Diamond Jubilee Way, is to be extended by 90m. The northern leg of Kinsellas Road West, involves an additional right-turn lane (55m in length), plus extension of the existing right-turn lane (by 45m) including taper. The objective is to improve capacity and road safety for all users and reduce traffic congestion and delays, especially during the AM school peak.	Aug-22	May-23	\$850,000	\$289,000
QLD	Moreton Bay Regional Council	3	Community	Sporting and Recreation Facilities Deception Bay - Government Street Sportsgrounds - Sports Field Lighting Upgrade	The project is located at Government Street Sports Complex, Deception Bay. The project scope includes the renewal of existing sports field lighting infrastructure. Works include the replacement of wooden light poles with steel taper poles (3), the reuse of (6) existing steel taper poles, the installation of LED luminaries across both fields, upgrade of the switchboard and integration with existing smart switching technology. The objective of the project is to provide compliant lighting for existing field users and increasing capacity in the wider sports field network.	Sep-22	Feb-23	\$600,000	\$570,000
QLD	Moreton Bay Regional Council	3	Community	Sporting and Recreation Facilities Kippa-Ring - Padres Baseball Club - Field (2) Lighting	The project is located at Talobilla Park, Kippa-Ring. The project scope includes the upgrade of the electrical supply to the site plus upgrading of Baseball Field 2 lighting (LED) including the installation of remote control systems to meet Australian Standards for Club competition. The objective of the project is to ensure lighting is appropriate for the intended use of the facility and compliant with State Sporting Organisation guidelines.	Sep-22	Feb-23	\$1,200,000	\$1,200,000
QLD	Moreton Bay Regional Council	3	Community	Sporting and Recreation Facilities Deception Bay - Deception Bay Sports Centre Skate Park Upgrade	The project is located at Deception Bay Sports Centre, 100 Maine Terrace, Deception Bay. The project scope includes the design and construction of a skate park renewal/upgrade. The objective of the project is to provide quality and safe skating facilities to encourage the community to engage in physical activity, and to meet the future infrastructure demand for skating. Concept planning was completed in the 20-21 financial year.	Sep-22	Jun-23	\$1,300,000	\$156,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Moreton Bay Regional Council	3	Community	Sport and Recreation Facilities Clontarf - Ray Frawley Fields - Sports Field Lighting Renewal	The project is located at the Ray Frawley Fields, Elizabeth Avenue, Clontarf. The project scope includes the installation of LED sports lighting to rugby union field 1. Specifically, the project includes the replacement of existing metal halide luminaries with LED fixtures on the steel taper poles, as well as, replacement of the existing electrical meter box enabling the fields to achieve compliant lighting standard. The objective of the project is to provide a compliant lighting standard across the two existing fields to maximise capacity of the facility and the surrounding sporting field network.	Sep-22	Feb-23	\$600,000	\$600,000
QLD	Moreton Bay Regional Council	3	Community	Sport and Recreation Facilities Redcliffe - Bradley Park - Sports Field Lighting Upgrade	The project is located Bradley Park, Victoria Ave, Redcliffe. The project scope includes the renewal of light poles and associated electrical Infrastructure with an asset rating of 3-5. The work also includes the upgrade to LED luminaries (50/100 lux), installation of counterbalanced pivot poles and smart switching technology. The objective of the project is to upgrade the facility lighting to meet the capacity needs of site users.	Sep-22	Feb-23	\$800,000	\$57,874
QLD	Moreton Bay Regional Council	3	Road	Traffic Improvement Lawnton - Sparkes Road/Ellis Street - Intersection Upgrade	The project is located at the intersection of Francis Road, Sparkes Road and Ellis Street, Lawnton. The project scope includes the reconfiguration of the existing roundabout controlled intersection to traffic signals, including signalised pedestrian crossing facilities, pathway renewal and widening, on-road bicycle lanes and additional traffic (turn) lanes, raised medians and landscaping. The project includes widening of Francis Road between Sparkes Road and West Dianne Street. The project also includes property acquisition and relocation of trunk APA gas infrastructure and other significant public utility service relocations. The objective of the project is to improve capacity of this intersection and safety for all users. The project will ensure that the intersection of Francis Road, Sparkes Road and Ellis Street functions appropriately for expected future traffic volumes.	Sep-22	Jun-23	\$9,315,000	\$1,117,800
QLD	Moreton Bay Regional Council	3	Community	Sporting and Recreation Facilities Brendale - South Pine Sporting Complex - AFL Tiered Seating Area	The project is located at the South Pine Sporting Complex, AFL precinct, Brendale. The project scope includes the design and construction of a tiered seating system, encompassing shade opportunities, viewing deck and adjoining accessible ramp. The objective to add further spectator facilities to this much used AFL facility.	Oct-22	Mar-23	\$800,000	\$400,000

QLD	Redland City Council	1	Community	Capalaba Regional Park - Solar Lighting	Capalaba Regional Park is one of Council's key destination recreation parks (1 of 8 across the City). To facilitate improved and extended use, approximately 50 solar lights are required to improve access and safety, and to realise sustainability benefits.	Apr-21	Jul-21	\$374,140	\$374,140
QLD	Redland City Council	1	Community	Indigiscapes Centre - Connectivity	Currently the Indigiscapes Centre is a mobile black spot and due to this, functionality of the Discovery Centre is limited (due to poor data and internet connectivity) and there is no public wifi available.	Feb-21	Feb-21	\$204,510	\$204,510
QLD	Redland City Council	1	Community	Capalaba Regional Park - Playground	Play equipment is damaged and replacement will stop the decommissioning of this equipment in this high used, high frequency regional park. Excessive use has deteriorated the equipment faster than expected.	Mar-21	May-21	\$86,136	\$86,136
QLD	Redland City Council	1	Road	Ziegenfusz Road - Drainage	This project provides improvement to the section of Ziegenfusz Road opposite Bayview State School which currently has no curb and channelling and water drains via a table drain at the road side.	Dec-20	Jul-21	\$220,015	\$220,015
QLD	Redland City Council	1	Road	Birkdale - Drainage	Currently the waterway corridor between the access road to Judy Holt sports fields and Old Cleveland Road East downstream is experiencing ongoing erosion exacerbated by large rainfall events. This has led to unstable banks, loss of soil and undermining and loss of several trees in the waterway corridor.	Mar-21	Jun-21	\$304,750	\$131,096
QLD	Redland City Council	1	Road	Charlie Bucker Memorial Sportsfield - Safety Upgrades	Currently there is no defined pedestrian access near the road access and parking at the Charlie Buckler Sportsfields creating conflicts and road and pedestrian safety issues when the facility is in use by multiple sporting clubs and patrons.	Mar-21	Jul-21	\$128,737	\$128,737
QLD	Redland City Council	1	Road	Raby Bay - Litter Baskets	The current catch pits in Raby Bay are limited in design capability, which allows a certain amount of pollutants into the Raby Bay Canals. The installation of the RSF100 Litter Baskets have the possibility to reduce the cost to the community for additional canal clean up costs and reduce the amount of pollutants entering the canal and the Bay.	Nov-20	May-21	\$373,452	\$172,125
QLD	Redland City Council	1	Community	Coochiemudlo Foreshore - Equipment	The replacement of equipment within the foreshore area will eliminate the risk of safety and poor condition posing a risk to users.	Apr-21	Jun-21	\$257,070	\$184,295

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Redland City Council	1	Road	Starkey Street, Wellington Point - Widening	The proposed project is complete the missing bicycle link. This will help to provide direct and convenient active transport routes that the community may utilise to get to the workplace, public transport nodes, and tertiary education campuses. This location has been determined as a priority by the commuting and recreational cyclists.	Apr-21	May-21	\$327,037	\$194,152
QLD	Redland City Council	2	Road	MACLEAY AND RUSSELL ISLAND ROAD GREEN SEALING	Sealing The purpose of this program is to suppress and manage dust and prevent the environmental impact of gravel loss from the unsealed roads on the Southern Moreton Bay Islands. These works will be improving the stormwater management by reshaping of roadside table drains and provision of scour proofing. The primary outcome is to significant improve the quality of amenity and an increase in customer levels of service.	Jul-21	Dec-21	\$621,502	\$621,502
QLD	Redland City Council	2	Community	LES MOORE PARK UPGRADE (STAGE 1 AND 2), VICTORIA POINT	Playgrounds and Skate parks (including all ability playgrounds) Les Moore Park is classified as a T2 Community Park (H) and is a key foreshore park. The upgrade of this park will address the renewal of aged and end of life assets, install missing links and increase car parking space, all of which will improve opportunities for residents and visitors to Victoria Point.	May-21	Nov-21	\$2,141,494	\$921,934
QLD	Redland City Council	2	Community	VALANTINE ROAD PARK LIGHTING UPGRADE, ALEXANDRA HILLS	Street lighting equipment Valantine Park is a greenspace area that provides connectivity through the Alexandra Hills area from Finucane Rd to Valantine Rd. The existing solar lighting panels and luminaries along the pathway within Valantine Park are an ongoing source of maintenance and expense to rectify failing lighting. Currently less than half of the lighting network was found to be operational in a lighting audit. Claims have been made against Council due to trips and falls on the pathway at night. Additionally, the site has been an ongoing source of concern and enquiries from Councillor and local residents.	Jun-21	Nov-21	\$357,100	\$357,100
QLD	Redland City Council	2	Community	EGW WOODS PARK AND BMX TRACK UPGRADE, WELLINGTON POINT	Playgrounds and Skate parks (including all ability playgrounds) The EGW Woods BMX pump track is currently incomplete and doesn't meet required Levels of Service or community expectation. The facility is quite exposed to the sun/elements and experiences drainage issues. The projects looks to deliver an improvement to the existing pump track with BMX asphalt track as well as installation of shelter, table, seating, water bubbler and formalising footpath to align with Council's Open Space strategic objectives.	May-21	Nov-21	\$471,000	\$471,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Redland City Council	2	Community	JUDY HOLT SPORTSFIELD LIGHTING AND CARPARK UPGRADES	Off-road Car Parks Street lighting equipment This project is to provide lighting of the multi-sport carpark, expand the car parking area by creating additional car parking and renewing the aging pavement in the existing carparks which will provide a safer more formalised parking to the area.	Jul-21	Dec-21	\$1,480,550	\$1,300,000
QLD	Redland City Council	2	Community	INDIGISCAPES FACILITY UPGRADES, CAPALABA	Painting/Improvements to community facilities Minor works required at IndigiScapes will enhance customer experience and work efficiency of staff within Environmental Education Centre. Improvements include: <ul style="list-style-type: none"> • Shade structure at Nursery to enhance customer experience and provide sun/head relief to customers • Kitchen additions will ensure safe food requirements are being adhered to. • Theatrette works will enhance functionality of the current features. • Existing Credenza rack cooling has poor ventilation and installing a new ACT Infinity Airplate will allow vent into the neighbouring cupboard. • Installation conferencing cameras and in ceiling microphones so that video conferencing can be used • Picnic tables to be installed to enhance customer visitor experience • Hand dryers for more hygienic customer visitor experience and keeping with consistent environmental messaging. 	Mar-21	Jul-21	\$100,000	\$100,000
QLD	Redland City Council	2	Community	REDLANDS PERFORMING ARTS CENTRE AMENITIES AUTOMATIC DOOR UPGRADES	Installation new automatic doors within Redlands Performing Arts Centre The Redland Performing Arts Centre is a multipurpose function facility providing a broad spectrum of entertainment for the local community. The Disability (Access to Premises-Buildings) Standards 2010 ('Premises Standards' or 'Standards') came into effect on 1 May 2011. The Standards aim to provide people with disability with dignified access to buildings and provide certainty to industry it is are complying with the Disability Discrimination Act 1992. At time of initial construction, the respective buildings (RCCC & RPAC) were compliant with accessibility standards of the day. The proposed automation of the PWD (Persons with Disability) entry doors provides closer alignment to today's Standards and improves ease of entry/exit and for the less mobile patrons of the respective facilities. It's an outcome aligned to Council's Strategic Themes of City Leadership and Strong Communities.	Jun-21	Aug-21	\$17,288	\$17,288

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Redland City Council	2	Community	FELLMONGER PARK PEDESTRIAN BRIDGE REPLACEMENT, ORMISTON	Improved Accessibility of Community Facilities and Areas Fellmonger Park Ormiston has an existing pedestrian bridge structure which crosses Hilliards Creek and connect Hilliards Park Drive on the northern side of the creek to the southern side of Fellmonger Park and Sturgeon St. A 150mm high pressure water pipeline is suspended from the substructure of the bridge. The bridge is currently in pool condition and is requiring replacement due to Pile and Pier One which has subsided 150mm on the LHS. The bank supporting the Pier has eroded and the concrete footing is not supported. The Pier is mainly supported by Pile Two and connection bolts in the Headstock. There is potential for Pier One to drop further which may damage the water main connected to the underside of the deck.	Aug-21	Dec-21	\$500,000	\$500,000
QLD	Redland City Council	2	Community	ANITA STREET PEDESTRIAN BRIDGE REPLACEMENT, REDLAND BAY	Improved Accessibility of Community Facilities and Areas The eastern end of Anita Street connects to North Street Redland Bay via a 41.5m long pedestrian bridge structure which crosses Moogurrapum Creek. The bridge provides the only access across Moogurrapum Creek north of Boundary Street and as such provides an important link connecting the areas on the western and eastern sides of Moogurrapum Creek for pedestrians and cyclists. In January 2021, this bridge had a failure in a supporting beam. However, based on preliminary assessment, full replacement of this bridge at this point will be the most cost effective option for this bridge long term due to the extent of deterioration of bearers which will likely require extensive repair and replacement.	Aug-21	Dec-21	\$800,000	\$800,000
QLD	Redland City Council	2	Community	JACKSON OVAL PARK RENEWAL, RUSSELL ISLAND	Playgrounds and Skate parks (including all ability playgrounds) Park renewal of Jackson Oval, Russell is required due to the age and end of life of the existing play equipment which will improve recreation opportunities for residents and visitors to Russel Island. Jackson Oval is classified as a Sports Park (M) and is required to be embellished to a moderate level, servicing the sports users, local residents and visitors alike.	Jul-21	Nov-21	\$214,000	\$214,000
QLD	Richmond Shire Council	1	Road	Trimming and sealing of the Richmond Industrial Estate.	Currently the industrial estate is unsealed stabilised gravel road. This will be trimmed up and sealed to provide all weather access.	Aug-20	Oct-20	\$557,208	\$557,208
QLD	Richmond Shire Council	2	Community	Richmond Swimming Pool (102 Goldring Street, Richmond Q 4822)	Richmond Swimming Pool Upgrade.	Jul-21	Oct-21	\$450,000	\$392,764

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Rockhampton Regional Council	1	Road	The Bobs Creek Road Reconstruction and Seal project involves 1.6 kilometres of pavement excavation and application of a new bitumen seal.	Bobs Creek Road is a gravel rural access road that intersects with the State Controlled Bruce Highway. Bobs Creek Road has exceeded its design life and is experiencing pavement rutting and loss of fines creating a sharp running surface. This project provides the opportunity for Council to reconstruct the pavement and seal a key link in the road for the local residential access.	Feb-21	Apr-21	\$420,000	\$308,455
QLD	Rockhampton Regional Council	1	Road	The Hunt Road Reconstruction and Seal project involves 1.05 kilometres of pavement reconstruction and application of a new bitumen seal.	Hunt Road is a sealed and unsealed rural residential access road. This project continues and extends the seal to service the Alton Downs community.	Feb-21	Jun-21	\$350,000	\$350,000

QLD	South Burnett Regional Council	1	Road	Taromeo Pedestrian Bridge - Refurbishment	Existing timber bridge is currently closed due to dilapidation. It is proposed that a new aluminium bridge be installed in its place to facilitate pedestrian movements into Blackbutt.	Mar-21	Jun-21	\$180,000	\$180,000
QLD	South Burnett Regional Council	1	Road	Alford Street - Drainage	Subgrade repair and replacement of dilapidated kerbing.	Mar-21	May-21	\$275,000	\$275,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	South Burnett Regional Council	2	Combination	Blackbutt CBD - The proposed works are located along Coulson Street, Blackbutt between chainages 0.33km and 0.66km from the intersection with Hart Street and on Hart Street between chainages 0.78km and 0.81km from the intersection with Blackbutt, Crows Nest Road.	The project comprises a mix of civil works improvements. <ul style="list-style-type: none"> •Kerb and Channel, pavement and asphalt works in Hart St (Northern side of Coulson St). •Playground, Park improvements, Facility improvements and Footpath works within Muller Park and park frontage. •New concrete footpath and surface treatment works to (Northern side of Coulson St). •Kerb and Channel, pavement and asphalt works on Northern side of Coulson St. •Kerb and Channel and pavement works to the Southern side of Coulson St and to Hart St (South of Coulson St). •Footpath areas refurbishment and surface treatments to Southern side of Coulson Street. •Removal of existing islands and landscaping. •Concrete and Installation of new islands. 	Jul-21	Jun-22	\$750,000	\$750,000
QLD	South Burnett Regional Council	2	Road	Wondai Industrial Estate Entry and Pavement Overlay, Wondai	Intersection upgrades at Bunya Avenue/Old Dip Road, Bunya Avenue/Burrows Street, North Street/Old Dip Road, Burrows Street/North Street, Burrows Street/Cranitch Street and Cranitch Street/Kemp Street. Asphalt pavement and cross drainage structures on Bunya Avenue, Old Dip Road, Burrows Street.	Jul-21	Dec-21	\$901,184	\$901,184
QLD	South Burnett Regional Council	2	Road	Harris Road, Kingaroy - The proposed works are located along Harris Road, Kingaroy between chainages 2.45km and 2.715km from the intersection with Redmans Road.	Pavement rehabilitation with stabilisation as required. Full width reseal at 8m with line marking.	Jul-21	Dec-21	\$300,000	\$300,000
QLD	Southern Downs Regional Council	1	Road	Intersection of Mapes Road and Wiyarra-Cedar Crossing Reconstruction of Mapes Road/Wiyarra-Cedar Crossing Road intersection including widening	Safety: The sharp corner has limited sight visibility and this project will improve sight lines.	Feb-21	May-21	\$270,000	\$192,324
QLD	Southern Downs Regional Council	1	Road	Warwick Aerodrome Access Roads: Reconstruct Warwick Aerodrome hangar subdivision access roads including drainage infrastructure.	Accessibility and visual amenity: The Warwick Aerodrome hangar subdivision roadway infrastructure is insufficient and requires reconstruction.	Apr-21	Jun-21	\$725,000	\$522,138
QLD	Southern Downs Regional Council	1	Road	Railway Street, Stanthorpe, Construction of indented car parking and footpath reconstruction.	Safety: This section of road is part of Stanthorpe's central business district. The road is narrow and highly trafficked. The indented parking will provide additional usable road width for vehicles, and minimise the risk of collision with parked vehicles and drivers getting in and out of vehicles.	Apr-21	Jun-21	\$120,000	\$120,000
QLD	Southern Downs Regional Council	1	Road	The road currently referred to as "Link Road" but not yet officially named. The road links Wallangarra Road to Brunckhorst Avenue, Stanthorpe - Seal the road that links Wallangarra Road to Brunckhorst Avenue, Stanthorpe Queensland. -Upgrade the intersection of Wallangarra Road and the "Link Road" by constructing an auxiliary lane to prevent queuing traffic blocking the through lane in Wallangarra Road.	Safety: The intersection of Wallangarra Road and the "Link Road" requires construction of an auxiliary lane to avoid traffic queuing issues associated with the close proximity of the rail crossing. -Amenity: The "Link Road" is currently gravel and produces dust issues for adjacent properties.	Apr-21	Sep-21	\$650,000	\$200,000
QLD	Southern Downs Regional Council	1	Road	Killarney Footpath - Footpath Replacement	Existing concrete footpath is severely cracked in areas and may pose a safety risk to users.	Apr-21	Apr-21	\$30,000	\$28,219

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Southern Downs Regional Council	1	Road	Lock Street - New Construction and Repairs to Footpath	There is no concrete footpath along Lock Street between the Quart Pot Creek Parklands and Archibald Street. The existing concrete footpath along Lock Street from Archibald Street to Talc Street has cracks and holes as well as non-standard pram ramps.	May-21	Jun-21	\$131,403	\$121,788
QLD	Southern Downs Regional Council	1	Road	Southern Downs Multiple Sites - Security Fencing and Signage	Public safety around and within Council owned facilities	Apr-21	Sep-21	\$123,000	\$123,000
QLD	Southern Downs Regional Council	1	Road	Wallace Street - Resurfacing and Lighting	The velodrome surface is badly cracked and is in need of resurfacing in order to keep it functional and safe for users. The provision of lighting will allow for safe use at night.	Feb-21	May-21	\$205,000	\$198,862
QLD	Southern Downs Regional Council	1	Road	Rockwell to Woodlawn Street - Footpath Construction	The two coat seal footpath from Woodlawn St to the bridge has deteriorated. The grass footpath from the bridge to Rockwell Street becomes slippery during frosts and makes it difficult for pedestrians/cyclists to traverse.	Dec-20	Mar-21	\$35,800	\$35,716
QLD	Southern Downs Regional Council	2	Community	Australiana Park Disabled Car Park, Footpath, Solar Lighting, Replacement, Retaining Wall Modifications Location: Wallace Street, Warwick Category: Improved Accessibility of Community Facilities and Areas	Description: Construct a disabled compliant car parking space within Australiana Park, with accessible footpath connecting the toilets and velodrome, install solar lighting, and modify retaining wall at velodrome entrance Problem being addressed: There is currently no disabled parking space within Australiana Park and also no disabled compliant connection from the car park to the toilets or the velodrome. The velodrome fencing requires replacement and the velodrome retaining wall at the entrance requires modifications	Jul-21	Apr-22	\$200,000	\$200,000
QLD	Southern Downs Regional Council	2	Community	Pipework's at Allora Swimming Pool Location: Cr Raff & Warwick Streets Allora QLD 4362 Category: Sporting and recreation facilities	Description: Renewal of the water main which is currently producing rusty water. A new balance tank for water treatment is required as well as a sand filter media change. Solar heating element is required and renovation of change room to bring the building up to a modern facility. Problem being addressed: Current water main can fail at any time and is over 50+ years old. This is a high safety concern for the Pool and community. The pool requires further upgrades to modernise the facility for community safety and benefit.	Jul-21	May-22	\$480,000	\$480,000
QLD	Southern Downs Regional Council	2	Community	Solar Panels and switchboard replacement at Killarney Pool Location: Willow Street Killarney QLD 4373 Category: Sporting and recreation facilities	Description: Upgrade change rooms, upgrade salt cell on wading pool, upgrade solar pool water heating, upgrade electrical switchboard, install BBQ's and TV enclosure Problem being addressed: The heating panels do not work as they are very old. The current switchboard does not meet the current standards.	Jul-21	May-22	\$315,000	\$315,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Southern Downs Regional Council	2	Community	WIRAC – Maintenance/Improvements Location: 29 Palmerin St, Warwick 4370 Category: Painting/Improvements to community facilities	Description: Major maintenance and Improvement for WIRAC communication upgrades to improve the safety and community experience including upgrades to front reception/PA system/Electrical Upgrade/Air Conditioning and automatic front doors. Problem being addressed: Due to the aging infrastructure, major rain events have caused Deterioration in walls and ceilings which results in water damage and serve corrosion of electrical and communication wiring.	Jul-21	Nov-21	\$459,000	\$257,482
QLD	Southern Downs Regional Council	2	Combination	College Road Footpath Location: College Road, Stanthorpe (from Britannia Street to Day Street) Category: Bicycle and Walking Paths	Description: Construct an approximately 2.5m wide concrete footpath along College Road, Stanthorpe to connect Britannia Street to Day Street. Problem being addressed: There is currently no concrete footpath along this section of College Road, which may result in pedestrians using the sealed road surface for walking convenience, which puts them in danger of conflict with vehicles.	Sep-21	Dec-21	\$300,000	\$300,000
QLD	Southern Downs Regional Council	2	Community	Sand filter maintenance at Stanthorpe Pool Location: Talc Street Stanthorpe QLD 4380 Category: Sporting and recreation facilities	Description: Replace the wading pool salt cell with a commercial grade unit. Add a commercial grade controller and replace the cartridge filter with a sand filter. Problem being addressed: At present the water does not meet the current standards for a commercial pool.	Jul-21	Oct-21	\$31,000	\$31,000
QLD	Southern Downs Regional Council	2	Road	Park Road Rehabilitation Location: Park Road, Warwick between chainage 0.0 to 0.3 Category: Road Rehabilitation	Description: Design and Construction of pavement Rehabilitation, stormwater drainage and surfacing of Park Road, Warwick. Problem being addressed: Road has deteriorated and requires rehabilitation and resurfacing as it is within a flood-prone area.	Nov-21	Apr-22	\$400,000	\$400,000
QLD	Southern Downs Regional Council	3	Combination	Stanthorpe Streetscape Location: Maryland Street and High Street, Stanthorpe Category: Landscaping improvements	Description: Progress the Stanthorpe main street beautification project in accordance with The Stanthorpe Streetscape Plan 2015. Problem Being Addressed: A large percentage of the planned works outlined in The Stanthorpe Streetscape Plan have been achieved, but progress has stalled over recent years. Some areas of the central business district would benefit by becoming more aesthetically pleasing; particularly in a town that has a high reliance upon tourism.	Jan-22	Jun-23	\$399,682	\$399,682

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Southern Downs Regional Council	3	Combination	Regional Urban Design Framework Projects - Dalveen Location: Jim Mitchell Park, McCosker Drive, Dalveen Category: Toilet Blocks	Description: Upgrade/replace the single unisex accessible toilet in Jim Mitchell Park with an accessible unisex multiple public toilet facility. Problem Being Addressed: Jim Mitchell Park is a free overnight camping area and a popular rest stop for travellers along the New England Highway. The single public toilet unit is inadequate to cater to the demand of the numerous travellers/overnight campers.	Jan-22	Jun-23	\$120,000	\$120,000
QLD	Southern Downs Regional Council	3	Community	McGregor Park Ablution Refurbishment Location: Railway Street Stanthorpe Category: Toilet Blocks, Improved Accessibility of Community Facilities and Areas	Description: Upgrades to existing toilet block to improve facility for use by local Netball and Tennis Associations. Problem Being Addressed: Due to ageing infrastructure there is major deterioration in the ceilings and walls caused by water damage. The toilets also need wheelchair access. This is the sole toilet block in this park and is shared by members of both Netball and Tennis associations.	Apr-22	Apr-23	\$250,000	\$250,000
QLD	Southern Downs Regional Council	3	Community	Brock Park Stanthorpe redevelopment of Toilets, Shelter and playground equipment Location: Brock Avenue Stanthorpe Category: Toilet Blocks, Improved Accessibility of Community Facilities and Areas, Picnic Shelters or Barbeque Facilities at Community Parks	Description: Construction of a new toilet block with wheelchair access to meet public and community needs. Existing picnic shelters need replacing with a new shelter with tables to be wheelchair compliant. Existing car park to have new drainage and asphalt surface. Problem Being Addressed: Existing toilet block has asbestos no wheelchair access and doesn't conform to Australian standards. The brick picnic shelters were constructed in the 1970's and is showing major deterioration especially in the brick work with major cracks appearing this is a safety issue. The existing car park surface has ruts and pot holes due to poor drainage and needs resealing it is a destination stop over for many tourists visiting Stanthorpe.	Feb-22	Apr-23	\$425,000	\$425,000
QLD	Southern Downs Regional Council	3	Community	WIRAC Switchboard & Emergency Lighting Location: 29 Palmerin Street Warwick Category: Sporting and recreation facilities	Description Replacement of obsolete switchboard which controls emergency lighting at the aquatic centre and all exit displays for evacuation purposes. Problem Being Addressed: Upgrade required due to issues being identified following audit by Qld Office of Industrial Relations with safety improvement notices issued and to be complied with by June 2022. This will ensure safety for the public during emergency blackouts and provide safe exit from the facility.	Feb-22	Aug-22	\$210,000	\$210,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
QLD	Southern Downs Regional Council	3	Community	WIRAC change rooms upgrades Location: 29 Palmerin Street Warwick Category: Sporting and recreation facilities	Description: Upgrade of change room facilities at the aquatic centre including bathroom facilities. Problem Being Addressed: Change Rooms are constantly requiring treatment for mould due to poor ventilation. The project will also address the replacement of tiles which have deteriorated badly due to moisture problems.	May-22	Dec-22	\$225,000	\$225,000
QLD	Southern Downs Regional Council	3	Community	Lighting and shade sails at Allora pool Location: 35 Raff Street Allora Category: Sporting and recreation facilities	Description: Installation of shade sails at the Allora outdoor regional pool. Problem Being Addressed: This project will address the lack of sun protection at this facility.	Apr-22	Sep-22	\$20,000	\$20,000
QLD	Southern Downs Regional Council	3	Road	Footpath Replacement Location: • 71 Albion Street Warwick • 50 Albion Street to Fitzroy Street Warwick • King Street side of 65 Albion Street Warwick • 45A Wood Street Warwick • Sawmill Street (50m) Warwick • 6 Wallangarra Road Stanthorpe • Quart Pot Creek Walkway Stanthorpe (Britannia Street end) Category: Bicycle and Walking Paths	Description: Replacement of sections of existing footpaths Problem Being Addressed: The sections of existing footpaths have serious defects and are causing a safety risk for	Jan-22	Jun-23	\$200,000	\$200,000

QLD	Tablelands Regional Council	1	Road	Deep Creek Rd - Bitumen sealing	Sealing of existing unsealed road to improve access for residents.	Mar-21	May-21	\$320,000	\$127,648
QLD	Tablelands Regional Council	1	Road	Coral Street - Bitumen sealing	Sealing of existing unsealed road to improve access for residents.	May-21	Jun-21	\$153,749	\$153,749
QLD	Tablelands Regional Council	1	Road	Bridge Works	Investigation of the bridge in August 2021, recommended a 13.5T load limit and a 5km/h speed limit be imposed (previously 40T load limit), owing to rotten/split timber girders, and termite activity where the girders fix to the abutments. This means empty trucks can still access the quarry at very low speed, but the loaded trucks are not able to legally cross the bridge to exit the site. The 13.5T load limit effectively prohibits quarry cartage operations.	Nov-21	Dec-21	\$120,000	\$59,736
QLD	Tablelands Regional Council	2	Community	Jack May Park Nature Playground. Mary Street, Malanda Playgrounds and Skate parks (including all ability playgrounds)	Development of an all-ability nature-based playground and delivery of seating	Sep-21	May-22	\$564,500	\$500,000

SA	City of Charles Sturt	1	Community	Renewal of footpaths along NE side of Nicholls Tce (between Alma Terrace, Nicholls Terrace and Emily Street, Woodville, Renewal of footpaths along NE side of Nicholls Tce (between Alma Tce and Elizabeth St), SE side of Alma Tce (between Nicholls Tce and No. 100-104 Alma Tce) and SW side of Emily St (between Elizabeth St and Alma Tce). Extension of existing Shared Use Path along Alma Tce from Nicholls Tce corner to the pedestrian access to Albert Park train station. New landscaping and tree planting along Nicholls Tce and Alma Tce verges.	The suburb of Woodville West is undergoing significant urban renewal as a result of a State Government initiated project to renew an area with a high concentration of social housing into an area with a broad mix of housing types and new public spaces. While the new development is progressing well, Council has received a number of complaints from residents in the interface area with the new development about the quality and appearance of existing assets and the public realm and a desire for Council to invest in the upgrade of these assets to be more consistent and sympathetic to the evolving urban renewal area. This funding presents an opportunity for Council to bring forward some works already identified in our Asset Management Plans and Strategic Plans for delivery within the next 4yrs and action some of the concerns raised by the local community.	Oct-20	Jun-21	\$180,097	\$168,998
SA	City of Charles Sturt	1	Community	Robert Haigh Reserve Clubroom, Park Avenue Woodville North, A new clubroom has been designed to replace the existing which no longer complies with Australian Standards and contains no unisex facilities and is in poor condition. The grounds are identified as a District Sportsground, are well maintained and well utilised by the Woodville Hockey Club and local soccer clubs.	The Club is actively seeking to increase participation and inclusivity, however currently cannot accommodate the diverse range of participants within their existing facilities. Also the new building will meet the National construction code and accommodate unisex participation with multiple unisex changeroom areas. The project will also significantly improve access to this community facility for all members of the community.	Apr-21	Oct-21	\$1,420,180	\$1,117,180

SA	City of Mount Gambier	1	Community	Review of existing lighting levels across the City of Mount Gambier compared to Australian Standards, including modelling the improvement in lighting that will be achieved through the installation of LED lights.	Improving lighting levels and safety in the streets of the City of Mount Gambier. <ul style="list-style-type: none"> Improved safety due to higher lighting levels provided by LEDs. Council's energy consumption and carbon footprint would therefore be considerably reduced; the incidence of reported Street Lights Out should reduce. This will reduce operating costs; LEDs have a lower lumen depreciation than HID lamps. This means that approaching the end of life a LED output is higher than that of a HID lamp; Disposal and/or recycling or refurbishment of LED luminaires will be more efficient than disposal of lamps containing higher levels of mercury; LED luminaires are smart ready. That is, they can facilitate control systems such as remote reporting (of parameters such as temperature, noise and air quality), control and dimming, should it be required; A variety of existing luminaire and lamp combinations can be replaced with one LED type, with white light, which is the preferred option for P category (minor road) installations; and Some HID light sources (e.g. Low-Pressure Sodium lamps and Mercury Vapour lamps) are no longer available. This requires the replacement of whole luminaires with an alternative replacement. LEDs meet this need 	Jan-22	Apr-22	\$940,400	\$486,995
SA	City of Mount Gambier	2	Community	New Valley Lakes Public Amenities	Design and construction of new public amenities facility that will be located adjacent to the community playground and bbq area. The scope of this project also includes demolition of two existing old non-compliant toilet blocks. This will improve safety for children as they currently have to cross internal access roads and public car parking areas to access amenities. The new toilets will be designed to increase accessibility for people with disabilities or impairment.	Mar-22	Jun-22	\$490,000	\$490,000
SA	City of Mount Gambier	2	Community	Refurbishment of existing Public Amenities adjoining State Heritage Railway Station building	Refurbishment of existing public amenities to improve compliance and accessibility for people with disabilities or impairment. These toilets are currently closed due to non-compliance and this upgrade will make the amenities available for public use and future events at the Mount Gambier Railway Lands recreational reserve. As part of this upgrade works mechanical services (i.e. HVAC etc) and grease arrester chamber has been included in the scope of the project.	Mar-22	Jun-22	\$460,000	\$460,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	City of Mount Gambier	2	Community	Landscaping improvements at Cave Garden and Umpherston Sinkhole Community Recreational Reserves	Cave Garden - Install a safer access means (harness points, cage ladder etc) to maintain and clean up overgrown ivy / litter from the inside of the Cave. Umpherston Sinkhole - Clean up overgrown ivy from the lower garden (approx. 30m below ground level) and overhanging areas, which will in future help Council replace the security fence around the upper level perimeter of the Sinkhole. Both projects will improve the safety and visual experience for tourists as these locations are prime tourist attractions for Mount Gambier.	Jan-22	Mar-22	\$51,637	\$51,637
SA	City of Mount Gambier	2	Community	Umpherston Sinkhole Path Lighting	Upgrade existing path lighting from the public carpark to the entrance of the Umpherston Sinkhole (upper level). SA	City of Port Adelaide Enfield	3	Community	Barker Inlet Tidal Gates Upgrade	Drainage/Other/Improved accessibility to community facilities: The Barker Inlet Wetland receives stormwater from the approximately 50% of the City of Port Adelaide Enfield Council area as well as water from City of Charles Sturt, City of Prospect and City of Salisbury Councils. The wetlands are a crucial piece of infrastructure which provides habitat for flora and fauna, walking paths, bike paths and also provides stormwater flood storage. The tidal gates form an integral part of the sea wall between the Barker Inlet Wetlands and North Arm Creek and allow stormwater out and limit the ingress of seawater. Currently the tidal gates are in extremely poor working condition and require significant upgrade works. Due to the inability to operate the tidal gates the wetlands are currently holding an additional 300mm of water. This has meant that the Northern Connector shared use path and the internal walking paths are often under water and unable to be used. With sea levels rising there is also significant concerns that rising water levels will also increase flooding in the commercial/industrial areas of Wingfield and Dry Creek. This project requires the replacement of the dilapidated tidal gates including automation and upgrade of the accessways to ensure the gates can be maintained and operated within work health and safety guidelines. This will ensure better stormwater management and protection of councils infrastructure including bike, pedestrian paths and significant vegetation.	Oct-22	Jun-23	\$2,116,000	\$2,100,000
SA	City of Port Adelaide Enfield	3	Combination	Thomas Turner Reserve – new internal road from Nelson Road	Construction of a new road: New internal Access Road linking Nelson Road to the existing carpark and recreation facilities; the first stage of a multi-pronged Master Plan for the Thomas Turner Reserve which currently accommodates for cricket, golf and soccer facilities as well as significant passive use of the reserve by people who are walking and exercising dogs and using the playground and other facilities. SA	City of Salisbury	1	Road	Renewal and upgrade to sections of verges within the City to improve road side amenity	Increase amenity of the City with landscape development of Council owned verges on key traffic corridors within the City. It is proposed to change verge treatments to be more sustainable and provide a higher level of visual amenity for the community.	May-20	Aug-21	\$1,000,000	\$477,616
SA	City of Salisbury	1	Road	Ingle Farm Primary School: Provision of road safety devices and community assets	The objective of the School Transport Framework is to facilitate safe and effective transport on local roads around primary and secondary schools, especially during peak drop-off and pick-up times.	Apr-21	Aug-21	\$500,000	\$590,841
SA	City of Salisbury	2	Road	Technology Drive, Mawson Lakes, Local Road Widening & Upgrade	Reconstruction / Widening: Within Mawson Lakes Technology Park, this project will improve traffic into and out of this business precinct. An existing local road will be widened and extended to provide a new exit onto Main North Road. Parking improvements will also form part of this project.	Nov-21	Jun-22	\$1,896,000	\$1,896,000
SA	City of Salisbury	2	Road	Redhill Road, Ingle Farm, Local Area Traffic Management	Traffic Improvement: This project was developed to improve pedestrian safety with the installation of new crossings and traffic calming devices to improve road safety.	Dec-21	Jun-22	\$250,302	\$250,302
SA	City of Salisbury	2	Community	Fairbanks Drive Reserve, Paralowie, New Public Toilets & Community Sporting Element	Toilet Blocks, Sporting & Recreation Facilities: Install of a new public toilet block adjacent existing playground which is scheduled for renewal in 2021/22. Plus install a new publically accessible community sporting facility similar to a 'rage cage' in this location. For well-being, these initiatives support the community to enjoy the open space and participate in free sport and play elements.	Mar-22	Jun-22	\$650,000	\$650,000
SA	City of Salisbury	2	Community	Salisbury Oval, Brown Terrace, Salisbury, New Indoor Community Cricket & Recreation Facility	Sporting & Recreation Facilities: To complement the new accessible playground being installed at Salisbury Oval in 2021, install a new publically accessible recreation facility which provides community cricket and recreation training facilities. In alignment with the well-being agenda, this enables the community to participate in community sports and training.	Mar-22	Jun-22	\$650,000	\$650,000
SA	City of Salisbury	2	Community	Burton Community Hub, Waterloo Corner Road, Burton, The Shed and Community Garden	Improved Accessibility of Community Facilities & Areas, Painting / Improvements to Community Facilities: Adjacent to the new Burton Community Hub (Community Centre), create a new facility for 'The Shed'. This will be an accessible space where programs for adults 18+ with a disability can participate. Outside the Burton Community Hub install a new landscaped community garden which is accessibly for all. This will include accessible path networks and garden beds. This initiative supports the community by way of providing a space to participate but also gain access to free produce.	Nov-21	Jun-22	\$500,000	\$500,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	City of Salisbury	2	Community	Strowan Park, Martins Road Salisbury, Picnic and Open Space Landscaping	Landscaping Improvements, Picnic Shelters or Barbeque Facilities at Community Parks: Provide the community with new improvements to an existing open space reserve so they can stay and enjoy the space. It is proposed to undertake landscape improvements, provide path networks and install picnic shelters and bin facilities. Open spaces provide the community the opportunity to socialise and participate in sports and play.	Sep-21	Dec-21	\$350,000	\$350,000
SA	City of Salisbury	2	Community	Twelve25, Wiltshire Street, Salisbury, Entry Upgrade and Rear Space Landscaping	Improved Accessibility of Community Facilities and Areas, Painting / Improvements to Community Facilities, Landscaping Improvements: Twelve25 provides a wide range of programs which support youth based health and well-being. The entry to the facility will be upgraded to support accessibility and appear welcoming and inviting. The space at the rear of the facility will be landscaped to provide the youth attending a safe space to socialise and relax. In addition to landscaping seating and shelters will be installed which will provide them a space to eat a meal.	Oct-21	Mar-22	\$300,000	\$300,000
SA	City of Salisbury	2	Community	Morella Community Centre, Kings Road, Parafield Gardens, New Community Outdoor Kitchen and Facilities	Improved Accessibility of Community Facilities and Areas, Painting / Improvements to Community Facilities, Landscaping Improvements: Morella Community Centre provides a variety of programs for a diverse community. It is proposed to install a new outdoor kitchen, shelter and seating. The primary outcome of this project is to deliver a cultural kitchen that will enrich the community by building their capacity to facilitate cultural expression through cultural celebrations and events.	May-22	Jun-22	\$300,000	\$300,000
SA	City of Salisbury	3	Community	Amenity Upgrade & Improvements to Church and John Street Salisbury (between Ann Street and Commercial Road & Wiltshire Street and Park Terrace)	Landscaping Improvements & Improved Accessibility of Community Facilities and Areas: Improved parking, increasing trees and shade within these streets, landscaping to improve the surroundings of the city centre and make the space more inviting to attract people and improving accessibility through the main thoroughfare	Apr-22	Dec-22	\$1,500,000	\$1,500,000
SA	City of Salisbury	3	Community	Salisbury Recreation Precinct Entry Carpark Upgrade, Happy Home Drive, Salisbury	Off-Road Car Park: The Salisbury Recreation Precinct entry and car park upgrade will include, a complete layout reconfiguration to increase the car parks capacity from 97 to 152, including 5 disabled access car parks. The reconfiguration will include the complete replacement of the existing asphalt wearing course and concrete kerbing. In addition to increasing capacity, the main drivers behind the upgrade is to improve safety for motorists and pedestrians, and stormwater management infrastructure to prevent flooding. This will be achieved through the construction of a dedicated kiss and drop lane and area for buses, improved pedestrian kerb ramps and footpaths, line marking, signage, lighting and drainage pits and pipe.	Jan-23	Jun-23	\$1,867,692	\$1,867,692

SA	City of Tea Tree Gully	1	Road	Australia Avenue – Parking & Road Realignment	Parking congestion along Australia Avenue and surrounding roads and congestion at the intersection or Australia Avenue and Smart Road.	Jan-21	Jun-21	\$358,751	\$358,751
SA	City of Tea Tree Gully	1	Community	Lyons Reserve on Lyons Road – Irrigation The project will include the design, supply and installation of an fully automated overhead rotor sprinkler irrigation system.	The existing manual irrigation system has reached the end of its serviceable life. The reserve is unusable for its intended purpose in its current condition following the introduction of water restrictions in 2007. Watering of the reserve did not resume following the lifting of these restrictions primarily due to the condition of the watering system. The replacement of the irrigation system will increase the accessibility of the reserve to all users.	Apr-21	Jun-21	\$100,000	\$85,000
SA	City of Tea Tree Gully	1	Community	Upgrade/Enhance Sports Field Lighting – Tilley Reserve	Uniformity and Lux levels across the site do meet the minimum standards required by those sporting clubs outlining the site. Enhance the utilisation of the site through the additional lighting. This will increase the amount of playing surface available at night and contribute to turf preservation through increased pitch rotation. While it is expected that some elements of this project could begin in November 2020, this is dependent on equipment availability.	Feb-21	Jun-21	\$325,000	\$300,000
SA	City of Tea Tree Gully	1	Community	Road & Cycle Safety Centre Upgrade	currently inaccessible to the public when not in use, the mini road network track is in need of upgrade, no on-site car parking available creating potential safety issues along Hazel Grove and no bus parking available either for school/user groups.	May-21	Nov-21	\$295,000	\$220,000
SA	City of Tea Tree Gully	1	Community	Waterworld - replace the existing boilers with two larger high efficiency boilers	The existing boilers which have reached the end of their serviceable life. The new system will provide for increased reliability as the condensing boilers will be far more reliable than the existing style of system. This is because the boiler heats non-pool water and the heat is then transferred to the pool water via a separate titanium plate heat exchanger. This removes a large portion of the corrosion from the boiler itself.	Apr-21	Jun-21	\$275,000	\$250,000

SA	City of Victor Harbor	1	Community	Railway Goods Shed Address building access and maintenance issues connected to this publicly available building. Works to include installing a lift, upgrade of toilets, upgrade building insulation and building comfort, adjusting foyer area to support the consolidation of the Visitor Information Centre and SA Whale Centre that improves the visitor experience.	The building has a number of access related issues. Council resolved in mid-July 2020 to consolidate the Visitor Information Centre and SA Whale Centre into one facility to improve operational efficiencies and direct resources into digital and online visitor servicing measures. This decision was not planned for in the 2020/21 budget. This requires a significant upgrade to the building to support the integration. Improvements to building and merger of services will allow Council to invest savings into online destination marketing efforts.	Dec-20	Mar-22	\$356,000	\$355,740
SA	City of Victor Harbor	2	Community	Victor Harbor Library Redevelopment	Improved Accessibility of Community Facilities and Areas, in particular: • Disability Access • Aged access • Improved Childcare area • Noise reduction	Oct-21	Dec-21	\$1,500,000	\$643,686
SA	City of West Torrens	1	Community	Accessible Toilet Block	Current toilet not meeting needs of community/reserve	Mar-21	Nov-21	\$225,000	\$225,000
SA	City of West Torrens	1	Community	Upgrade existing football oval lights to LED from metal halide.	Improved lighting required to cope with night games and use by football, cricket and athletic clubs. Improve the energy efficiency.	Oct-20	Oct-21	\$100,000	\$49,514
SA	City of West Torrens	1	Community	Installation of new 200lux LED lighting to football/baseball oval and new 50lux LED lighting to soccer/cricket pitch and all associated infrastructure.	The lights will allow for night games and football/baseball and night training across the entire pitch for soccer/cricket, especially for the junior athletes.	Apr-21	Nov-21	\$425,000	\$425,000
SA	City of West Torrens	2	Community	Sports Training Infrastructure (1. Weigall Oval, Urrbrae Terrace, Plympton; 2. Lockleys Oval, Rutland Ave, Lockleys; 3. Camden Oval, Anzac Highway, Camden Park)	Sporting and Recreation Facilities upgrade to include training infrastructure for baseball and cricket. To allow for increased participation, additional sports at the sites, and to ensure the long term viability of these sports hubs, multi-use training and recreational infrastructure will be installed at each site. The training infrastructure will also be available for community recreational use.	Feb-21	Jun-22	\$295,686	\$265,686
SA	City of West Torrens	2	Community	Richmond Oval Improvement for community use (37 Milner Road, Richmond)	Sporting and Recreation Facilities / Other. The first stage of work is proposed to focus on elements that will deliver additional recreational opportunities eg removal of mounding on the eastern side of the Oval; installation of Cricket Training infrastructure; construction of storage and change-room facility; construction of running track/children's bike track around perimeter of oval; installation of outdoor adult fitness equipment; and installation of new picket fencing around oval.	Mar-21	Jun-22	\$1,800,000	\$1,800,000
SA	City of West Torrens	3	Community	Peake Gardens Riverside Tennis Club; 6/24 Bice Street, Marleston SA 5033: Improvements to community facilities	Improvements to Clubhouse including the demolition of existing and construction of new facility. New facility to include canteen, kitchen, bar, club space, storage, change rooms and amenities, medical room, office and large viewing deck. Due to competing priorities, Council has not been able to commit funds to this project over the past five years. The LRCI funds will enable this priority project to take place. Council has received funding through the State Open Space Grant program in the amount of \$959,750 for a total project cost of \$2M and is seeking to use matching funds from LRCI program.	Feb-22	Feb-23	\$2,000,000	\$959,750

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	City of West Torrens	3	Community	Upgrade to Mellor Park Facilities and Memorial construction; 362 Henley Beach Road, Lockleys SA 5032: Improvements to community facilities and improved accessibility of Community Facilities and Areas.	Improvements to community facilities located at Mellor Park including Lockleys Community building and former Child and Family Health Service Building and improved accessibility of the facilities. Improvements will include painting, modernisation of facilities, construction of accessible entrances and toilet facilities. These improvements will allow for community use of the facilities. Additionally, a memorial will be constructed to honour the former Lockleys RSL Sub-branch and local servicemen and women who served in wars.	Feb-22	Jul-22	\$439,278	\$439,278
SA	Clare and Gilbert Valleys Council	1	Community	Main North Road, Clare - Walking Path	Deteriorating deck surface and potential public safety issues	Nov-20	Dec-20	\$37,830	\$37,830
SA	Clare and Gilbert Valleys Council	1	Road	Horner Street, Riverton - Drainage Improvement	Water inundation of the footpath, road and private property due to inadequate stormwater drainage	Dec-20	Mar-21	\$16,217	\$16,217
SA	Clare and Gilbert Valleys Council	1	Community	Swinden Street, Riverton - Footpath	Renewal of footpath, kerbing, associated spoon drains and crossovers to improve equity of access and public safety.	Nov-20	Jun-21	\$50,686	\$50,686
SA	Clare and Gilbert Valleys Council	1	Community	Tarlee Oval Grounds - BMX track	A BMX track was started but inadequate for requirements. Relocated to safe, accessible, visible site on the same property and extended to be compliant.	Jan-21	Jun-21	\$41,165	\$41,165
SA	Clare and Gilbert Valleys Council	1	Road	James Street, Rhynie - Sealing	When exiting the roads onto the Horrocks Highway, vehicle wheels loose traction and spin, making a dangerous situation particularly if there is oncoming traffic. Current unsealed and steep aprons make it difficult for residents to safely join the highway.	Nov-20	Jun-21	\$48,418	\$48,418
SA	Clare and Gilbert Valleys Council	1	Community	Mintaro Oval Playground	Update of playspace found to be deficient following audit process	Jan-21	Jul-21	\$19,880	\$9,166
SA	Clare and Gilbert Valleys Council	1	Community	Rhynie Rest Stop - Adult Exercise Equipment	Upgrade playground to suit broader age range for locals and visitors Upgrade barriers from current aged permapipe structures Landscaping of overgrown and unsightly vegetation along roadside of Rest Area	Jan-21	Jul-21	\$50,397	\$49,797
SA	Clare and Gilbert Valleys Council	1	Community	Melrose Park - Multiple Improvements	Melrose Park, Clare is the key park within Clare which includes a large model train station and track, lake, playground, BMX/bike park, walking trails and lake. The park continues to increase in popularity with the expansion of the train track, playground and bike park currently occurring. The existing toilets are small, old and do not meet the current needs of the park, let alone the improved park. The new toilets will also cater for disabled persons which there are currently no facilities.	Jul-21	Mar-22	\$212,682	\$0
SA	Clare and Gilbert Valleys Council	2	Community	Footpath renewal and upgrade – District-wide focusing on Riverton, Auburn and Clare	Key action in the Disability Access and Inclusion Plan and consistent with public feedback about the poor condition and lack of footpaths in urban areas throughout the district.	Oct-21	Jun-21	\$240,000	\$240,000
SA	Clare and Gilbert Valleys Council	2	Community	Develop an enhanced BMX track, playground, petanque pitch and new irrigation at Melrose Park, Clare	Key project within the Open Space and Recreation Strategy and identified project being pursued by the Youth Action Committee. Significant opportunity to make a park of regional significance and further enhance this tourist attraction in conjunction with the model engineers and Gleeson Wetlands. SA	Coorong District Council	3	Road	Carcuma Road	Road – Reconstruction & Widening. Carcuma Road runs 15km north from the township of Tintinara to the Thomas Foods International (TFI) Beef Feedlot Facility. Heavy Freight access to the feedlot has already, and will continue to, significantly increase as operations ramp up to support the TFI Meat Processing Facility north of Murray Bridge. Carcuma Road has been identified with the Murrylands and Riverland 2030 Regional Transport Plan and a regionally significant freight route and as a result has attracted funding through the Special Local Road Program. The first 12 km of Carcuma Road is sealed however to accommodate Heavy Freight including Road Train access the pavement and seal with need to be widened. The final 3km of Carcuma Road, from the Heinrich Road junction to the feedlot entrance is unsealed and will be constructed to a sealed road standard that can accommodate the freight requirements of the TFI operation. The improvement in freight access will support economic growth and efficient movement of freight in and out of the TFI facility.	May-22	Dec-22	\$2,300,000	\$384,000
SA	Coorong District Council	3	Road	Seven Mile Road Sealing	Road – Sealing. Seven Mile provides direct access to the settlement of Noonamena which is situated on the edge of the Coorong national park. Seven Mile Road has been identified as a regionally significant route in terms of Community access and tourism within the Murraylands and Riverland 2030 Regional Transport Plan Council has committed funds to reconstruct the unsealed pavement of Seven Mile Road to improve road condition and in order to deliver on the communities' expectation. Sealing the 4.0km stretch of unsealed road between the Princess Highway and the Noonamena Settlement is the next step.	Mar-22	Dec-22	\$300,000	\$300,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Coorong District Council	3	Road	Poltalloch Road	Road – Reconstruction of Sealed Road. Poltalloch Road is classified as a class 3 route in accordance with Councils Road Management Hierarchy and has been identified as a route of regional significant within the Murraylands and Riverland LGA Roads Data Base because of the community access it provides. A 12km section of Poltalloch Road that runs between Princes Highway and the Poltalloch Station Homestead was not previously reconstructed by Council and over the past winter has deteriorated dramatically and is in a state that is not considered serviceable requiring intervention. This failing section closely follows the southern bank of Lake Alexandrina and crosses several low-lying swampy flats. This 12km section is exhibiting several modes of failure and will require a targeted approach by way of pavement treatment. Council has commenced geotechnical investigation that will inform the construction methodology that will include treatments such as, full pavement reconstruction, in situ lime/cement/foam bitumen stabilisation.	Feb-22	Dec-22	\$1,082,000	\$250,000
SA	Coorong District Council	3	Community	Tailem Bend Train Park Upgrade	Park Upgrade including – Repairs/Replacement of fencing. Works include the renewal of an existing fence and concrete plinth that border the park. The park is located on Railway Tce, the main Street of Tailem Bend and the fence is designed to contain children and prevent access to the busy road. Future works proposed for the upgrade of the park include a shelter/weather protection for the Train located in the park, provision of public amenities and an upgrade to the play equipment that may include nature play.	Jun-22	Jun-23	\$100,000	\$100,000
SA	Copper Coast Council	1	Road	Bay Road Moonta Bay - upgrade	The road is deteriorated and not a good entrance statement for a major tourist destination within the Copper Coast.	Feb-21	Jun-21	\$1,450,000	\$172,199
SA	Copper Coast Council	1	Combination	Moonta - George Street pedestrian crossing, Ellen Street carpark reconstruction and Foodland access traffic signage	Pedestrian safety, traffic safety and easier use of facilities.	Apr-21	Jun-21	\$68,500	\$20,000
SA	Copper Coast Council	1	Community	Moonta Town Hall - roof repairs	Serious failure to sections of timber components making up the structural integrity of the roof.	Aug-20	Nov-20	\$877,500	\$200,000
SA	Copper Coast Council	1	Combination	Copper Coast - various locations - signage replacement	The replacement of signage will ensure better traffic safety and traffic management.	Oct-20	Dec-20	\$32,500	\$20,000
SA	Copper Coast Council	2	Road	Bay Road, Moonta	Reconstruction of Bay Road – Rebuilding of existing Bay Road	Apr-21	Dec-21	\$5,922,380	\$475,000
SA	Copper Coast Council	2	Community	Kadina and Moonta Cemetery Management	The continuation of masonry fence repairs and Conservation Management Plans of two of Councils Cemeteries – Kadina and Moonta	Jan-21	Dec-21	\$160,000	\$80,000
SA	Copper Coast Council	2	Community	Wallaroo and Moonta Dog Parks	Sporting and Recreations Facility – Construction of two dog parks	Jan-21	Dec-21	\$120,000	\$80,000
SA	Copper Coast Council	2	Community	McCauley Park	Undertaking planning and consultation for the upgrading of an existing open space	Jan-21	Apr-21	\$34,365	\$34,365
SA	Copper Coast Council	3	Community	Wallaroo to Moonta Cycling and Walking Trail	Works involve the creation of a cycling and pedestrian shared trail between Wallaroo & Moonta along an old railway line. Vegetation will be cleared and the path created so that a bitumen seal can be applied. Rest stops will also be installed along the path.	Jan-22	Dec-22	\$1,500,000	\$169,398

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Copper Coast Council	3	Community	Kadina CWMS Effluent Lagoons	Upgrade to existing faculty lagoon in Kadina to improve environmental issues as the current old clay liner is leaking and will be replaced with a new liner to overcome environmental damage. This will involve removing old material and reshaping the lagoon for the liner to be installed.	Jan-22	Apr-22	\$450,000	\$240,000
SA	Copper Coast Council	3	Community	Provision of lighting for the Art Gallery at the Ascot Theatre	Upgrading of the old outdated existing lighting in a community art gallery owned by Council. The existing globes are old technology and are no longer available to purchase for replacement. The old lights also damage the artwork. A new LED lighting system is to be purchased and installed	Feb-22	Jun-22	\$20,000	\$15,000
SA	Copper Coast Council	3	Road	Rural Roads resheeting/maintenance	Work to return various roads to its original standard by re-sheeting and reforming the roads to improve stormwater, add & replace road material and vegetation maintenance.	Apr-22	Jun-23	\$2,090,000	\$400,000
SA	Corporation of The City of Unley	1	Community	The project aims to re-activate three existing Council owned Cottages which interface with the Village Green, within the Civic Precinct. The Cottages are to be re-purposed to provide a greater range of business and innovation services to support the local community, and to better activate the central Village Green open space as well as re-establishing 'front gardens' to each of the cottages along Edmund Avenue. The scope of work involves the demolition of blank, aged lean-to's at the rear of each Cottage, with new contemporary extensions which re-orientate to look out onto the Village Green with new DDA access provide into the Cottages. The interface with the Village Green will be enhanced with a new public realm of paving, tree planting, garden beds and furniture to improve pedestrian accessibility, amenity and increased visibility / safety. The cottage improvements will include repainting and the refurbishment and upgrade of existing public toilets.	The Unley Civic Precinct is considered the heart of the City of Unley, providing a range of community, cultural and civic facilities that support the needs of our residents. However, the Precinct lacks a cohesive identity, legibility and a range of services that suit the contemporary needs of our residents. The existing historic cottages are tired, provide limited value to the local community and turn their back onto the surrounding Village Green. The Village Green is an open grassed area, which is underutilised and perceived to be inaccessible to most. Council in collaboration with community representatives, has developed a long term vision for the wider Civic Precinct which seeks to bring new life to the Cottages, to create new 'front door's onto the Village Green, and improve the accessibility, amenity and appeal of the Village Green for the local community.	Jul-21	Jun-22	\$2,280,672	\$200,672

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Corporation of The City of Unley	1			<p>The Mike Turtur is the most popular off-road cycle route for daily commuters into the CBD. Over time, the popularity has placed increased pressure on the path width and its capacity to accommodate increased cyclists and pedestrians. The State Government has chosen to increase the path width to improve the safety and efficiency of the route, between Musgrave Street, Goodwood and King William Road, Wayville. The Bikeway runs parallel to the existing tram corridor and adjoining side and rear fences of residential homes. To enable the construction of a wider path, extensive vegetation clearance is required. Much of the existing planting is old, self-seeded and overgrown, and inappropriate along the bikeway due to sightlines, CPTED, form or seed drop.</p> <p>The LRCI Program allows Council to invest in a new corridor landscaping to improve the safety, amenity and biodiversity for all users, and adjacent residents. A sustainable palette of predominantly native plants will be carefully chosen to ensure long term sightlines are maintained along the corridor, support the Council's long term tree canopy growth targets, and increase local biodiversity.</p> <p>Once established, the Council will take the longer term maintenance responsibility of the bikeway and corridor greening.</p>				
			Community	Landscaping of an important walking and cycle corridor, following path widening to be undertaken by the State Government. The works involve vegetation clearance, soil improvements, irrigation and extensive planting of shrub, grasses and ground covers, as well as advanced trees. In addition to the corridor greening, improved way finding signage and upgrade LED path lighting will be installed.		Jan-21	Dec-21	\$262,000	\$262,000
SA	Corporation of The City of Unley	2	Community	1 Trimmer Tce Unley	<p>Providing a community activity hub for residents, community and sporting groups The site currently contains a grandstand facility to view sporting and other activities on the oval. Residents also use it as part of their keep fit regime.</p> <p>The creation of the Community Hub will provide gym, training and change facilities for community sporting clubs utilising the oval, as well as administrative space across the mezzanine floor area.</p> <p>Further works will see the construction of an additional level, overlooking the oval proper that will allow for community groups and sporting bodies to undertake, group meetings, training and presentations etc.</p> <p>The LRCI funding (phase 2) is directed towards the ground and mezzanine levels of the project.</p>

SA	District Council of Robe	2	Community	Fish Cleaning Facility at Lake Butler Marina, Robe	Other A piece of infrastructure for recreational fisherman to clean fish.	Sep-21	Nov-21	\$30,000	\$30,000
SA	District Council of Robe	2	Community	Lake Butler Marina Toilet Block, Robe	New Toilet Blocks.	Oct-21	Dec-21	\$40,000	\$40,000
SA	District Council of Robe	2	Road	Robe Marina Signage Renewal	Traffic Improvement. Boat ramp directory signage.	Jul-21	Oct-21	\$5,000	\$5,000
SA	District Council of Robe	3	Combination	Esplanade, Robe	Reconstruction/Off Road carparks/Traffic Improvement/Improved Accessibility of Community Facilities and Areas: Existing carparks along the Esplanade are short, which means users are standing on the road when unloading and loading vehicles from the rear. This was identified as a risk in the 2020 traffic study. 50 Carparks are being deepened by encroaching 3m into the grass on the Long Beach park. A section of parallel parking is also being realigned to 10 90 degree parks to match the rest. Significant usability, safety improvements will be the result. Carparks can now also accommodate the length of a motorhome.	Jan-22	Mar-22	\$20,000	\$20,000
SA	District Council of Robe	3	Community	Cooper Street, Robe	Improved Accessibility of Community Facilities and Areas /Bicycle and Walking Paths/ Traffic improvement: Pedestrian access to the Robe Medical Center is not possible from the center of town along footpaths, or from most of the street parking that isn't immediately fronting the facility. A 55m section of block paved footpath along with pram ramps will be installed to provide safe access. Currently people, gophers and other assistance devices walk on the road. These works align with our Disability Access and Inclusion Plan 2020	May-22	Jun-22	\$10,000	\$10,000
SA	District Council of Robe	3	Community	Robe Street, Robe	Street Lighting/ Off car Parks: Installation of 2 solar powered LED lights in the main off street carpark on the corner of Robe and Victoria streets. After sunset this carpark is dark and difficult to negotiate due to the distance from mains street lighting, Equipment Lighting Robe. Street carpark. These works align with our Disability Access and Inclusion Plan 2020	Jun-22	Aug-22	\$8,000	\$8,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	District Council of Robe	3	Community	Town Beach - Lake Butler Marina, Robe	Bicycle and Walking Paths/ Improved Accessibility of Community Facilities and Areas/ Resealing: The Foreshore walks in Robe are very popular. At the town beach the existing old and dilapidated path does not reach the main street and public toilets, meaning people who need wheels, or a smooth walking surface can access these areas. A new section of path will be built where it is required (65m) and the old path will be resealed from the new section all the way from the foreshore to Marina entrance (412m) & Marina entrance to Arthur Fennell Way boardwalk (300m) and a (32m) new path from Arthur Fennell Way to boat ramp carpark. These works align with our Disability Access and Inclusion Plan 2020	Jun-22	Sep-22	\$73,000	\$73,000
SA	District Council of Robe	3	Community	Seafarers Crescent, Robe	Sealing/Bicycle and Walking Paths/ Improved Accessibility of Community Facilities and Areas/ Street lighting equipment: Sealing of the Drain L to Seafarers Crescent walking trail 1,114m long and installation new solar lighting for safety. This popular walking trail has historically been limestone road base and dirt and is responsible for an increasing number of injuries and issues, along with silt and soil erosions in the waterway. Providing a sealed connection from the large, long beach residential area, beaches and parks is a key action in the Disability Access and Inclusion Plan 2020. Currently people who are not fit and able bodied need to walk in the bicycle lanes of the Department of Transports main road to access town. The lack of seal on the path means children, families pushing prams, children on small bikes and people who use disability aids can't enjoy a safe and scenic walk.	Jun-22	Sep-22	\$230,000	\$230,000
SA	District Council of Robe	3	Combination	Victoria Street, Robe	Traffic Improvement/ Improved Accessibility of Community Facilities and Areas: Council will establish additional parking off the main street in side streets of Robe through the realignment and line marking of existing parking and the use of one way sections. In the main street we will replace carparks with 2 loading zones (there aren't any currently) and an additional disabled carpark. Currently main street parking is at capacity and delivery vehicles double park and block the street. The use of the existing disabled parks indicates and additional one is required. This work will create 20 additional parks. These works align with our Disability Access and Inclusion Plan 2020	Feb-22	Mar-22	\$41,534	\$41,534
SA	District Council of Streaky Bay	1	Combination	Streaky Bay Signage upgrades	Current signage is inadequate, not to standard or non-existent in key locations. Council has received many requests for improved signage particularly around wayfinding and directional signage, including in off road car parks (information boards)	Aug-20	Dec-21	\$58,708	\$58,708

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	District Council of Streaky Bay	1	Community	Redevelopment of the public Streaky Bay Boat Launch and Retrieval facility (Moore's Boat Ramp).	The current facility poses safety and access risks due to its age and is no longer considered fit for purpose. The ramps are dilapidated with holes making it difficult for some vessels and the current pontoons are not suitable for larger style vessels. The walkways are also considered unsafe and makes access difficult for elderly users. The Boat Ramp is a critical asset to our community for both our residents and our visitor, it provides a valuable asset to add to our liveability and economic return through both use by visitors and commercial fishing operations.	Aug-20	Dec-20	\$493,000	\$493,000

SA	District Council of Yankalilla	1	Community	Yankalilla Lions Youth Park - Design and construction of an asphalt surface pump track	The pump track will provide a variety of conditions for all wheeled sports (bikes, skateboards, in-line skates and scooters) for all skill levels and ages. Located at Lion's Youth Park, it will complement and expand on the current youth infrastructure and broaden activities for different age groups and abilities who are not catered for by the existing facilities.	Apr-21	Sep-21	\$100,000	\$70,000
SA	District Council of Yankalilla	1	Community	Ingalalla Falls, Hay Flat - Construction of off-road car park, multi-use trails and construction of public toilets	Second Valley Forest attracts over 30,000 visitors annually with formal amenities limited to picnic benches. This project will create a visitor hub from which further trail development can occur. This first stage will signpost over 14km of multi-use trails, install a public toilet and develop a formal off-road carpark to better manage existing visitation and service new visitors.	Apr-21	Dec-21	\$300,000	\$130,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	District Council of Yankalilla	1	Community	Carrickalinga foreshore - Construction of multi-use, accessible path	Improved accessibility. There is no formed path along this section of the foreshore (Gold Coast Drive), posing a danger for pedestrians and a hazard for vehicle traffic. The new path will adjoin the portion of the sealed path already completed between north bay and Haycock Point. Finalisation of the extended path linking North Bay and Normanville is a priority but unfunded project for Council. Further sections will be undertaken as funds become available.	May-21	Aug-21	\$53,000	\$45,369
SA	District Council of Yankalilla	2	Road	Grundy Street, Second Valley	Reconstruction and sealing of an unsealed township road, including associated drainage infrastructure.	Sep-21	Dec-21	\$420,000	\$310,050
SA	District Council of Yankalilla	3	Road	Thomas Drive Yankalilla: Sealing and Carpark	Reconstruction and sealing of an unsealed township road, including construction of carpark for adjacent community library and associated drainage infrastructure. Works include but not limited to; <ul style="list-style-type: none"> • Sealing of total length of Thomas Street Yankalilla (100m) • Providing 40 Carparking Spaces including parking for people with a disability. • Construction of footpath for pedestrian access to adjacent facility • Lighting to minimum pedestrian standard • Stormwater treatment within carpark and adjacent reserve utilising, landscaped raingardens and WSUD features. • Landscaping/ Streetscaping, 	Feb-22	Jun-22	\$490,738	\$490,738
SA	Gerard Reserve Council Inc	1	Community	To engage local contractors to lift, clear and transport large piles of rubbish and to then transport to waste disposal site. Contractors will be required to operate large machinery in order to extricate and remove rubbish from large piles and from amongst native vegetation area for loading onto tipper trucks for removal and transport to waste transfer station. Project costs include cost of disposal at local Waste Transfer Station.	Large tracts and piles of illegally dumped rubbish has been left over areas throughout the Gerard Community Council. There are some very large piles of waste and other areas that are scattered densely throughout and along road verges. The remote indigenous Community do not have the funds nor means to clear the rubbish and have identified that this is a project most in need by the community at this time and have requested Berri Barmera Council to assist if approved under this program. Additionally, Dept Environment Water (DEW) are planning a prescribed hazard reduction burn off, the removal of rubbish will be beneficial to prevent hazardous and toxic smoke.	Feb-21	Jun-21	\$93,084	\$93,084
SA	Gerard Reserve Council Inc	2	Community	Gerard Council.	Supply and install fencing to ensure restricted access to Gerard Council to mitigate illegal rubbish dumping.	Jun-21	Dec-21	\$74,176	\$74,176

			Community		The accelerated capital works programme will create linkages that improve connectivity and access in and between strategic destinations such as town centres and key service areas. This will encourage pedestrian movement in these retail, commercial and industrial precincts to support economic, social and recreational activity	Feb-22	Apr-22	\$1,015,108	\$565,108	
SA	The Barossa Council	2	Community	Barossa United Football Club (BUFC), Nuriootpa Centennial Park, Penrice Road Nuriootpa - regional soccer facility construction	Funding will be applied to the upgrade of playing surface facilities through construction of an additional soccer pitch (artificial) and lighting to required code guidelines	Jul-21	Jun-22	\$4,110,303	\$1,034,462	

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	The Berri Barmera Council	1	Community	<p>The revitalisation of Berri's Colin Jennings Apex Park (Apex Park) will incorporate improvements including an upgrade of the previous BMX track to a versatile pump track which can be used by bike riders, skateboarders and scooter riders of all abilities.</p> <p>Complementing this will be an off-grid solar BBQ shelter and associated amenities so park users can spend extended time enjoying this space and the additional play equipment that will accompany it. Concrete connecting footpaths, that double as a junior scooter track meander through the native vegetation to connect the different zones of the park. Finalising the upgrades is new fencing for the current dog park, bringing the whole area together to deliver a unique and enjoyable public open space that provides positive health and wellbeing opportunities for the Berri and wider Riverland community.</p>	<p>The Berri township does not currently have a suitable community open space that provides adequate facilities for people to connect and enjoy together, while meeting the needs for families that are transport disadvantaged and unable to access other facilities within the district. Additionally, Berri has no free active public facilities for older age groups (pre-teens and teens) such as a skate park.</p> <p>This project will provide a pump track (amongst other infrastructure) which caters for a variety of ages and wheeled users. This is a community facility that is not currently provided by any of the other Riverland Councils and will be a distinctive point of difference for the park.</p> <p>The space currently has ad-hoc infrastructure including; a dog park, two small pieces of playground equipment, asphalt multi-use court and shaded gazebo. The existing layout lacks connectivity between the current facilities which reduces the appeal of the area. By teaming the pump track up with dedicated concrete connecting footpaths, that double as a junior scooter track, provides the safe connectivity required for the individual areas and is the perfect combination for families with children of varying ages.</p> <p>To ensure that the new features of the park are fully maximised, complimentary facilities such as; a fully solar BBQ, solar lighting, seating and drinking fountain will be installed to enable visitors to extend their time and utilise all that the park has to offer leading to enhanced positive health and wellbeing for our residents and other users..</p> <p>Given that much of the groundwork is already in place within the site, the additional enhancements will enable</p>				
SA	The Berri Barmera Council	2	Community	Barmera Unisex Changeroom and Oval Lighting Upgrades	To construct a new modular unisex change facility, upgrade the umpire and public toilet facilities and install new oval lighting at the Barmera Sporting Precinct. This will upgrade the main oval lights to meet current standards for local football night games, as they currently do not even meet standards for night training. By replacing and expanding the functionality and community use of changeroom facilities and toilets, 3 sports, Netball, Lawn Bowls and Football players and officials will be better supported. The aged and outdated design of the current facilities no longer provides suitable function for the strong participation levels of female players and umpires in football nor address the shared use opportunities at this multi-sport precinct	Feb-22	Mar-22	\$299,755	\$299,755

SA	The City of Burnside	1	Combination	Laurel Avenue - Community Garden	The community garden will improve community connections, health and wellbeing. It will also be used to run intergenerational community programs by Council and create community open space. There is a demand for community gardens within the Council area. The closure of the made road will improve safety for pedestrians accessing the community garden, and those travelling between Tregenza Oval and the community garden. It will also return valuable open space to the community to use.	Apr-21	Sep-21	\$200,000	\$200,000
SA	The City of Burnside	1	Community	Regal Theatre - Preservation and Enhancement	Preservation and enhancement to meet current legislative requirements	Feb-21	Jun-21	\$237,000	\$230,000

SA	The City of Burnside	2	Community	Tusmore Park wading pool Tusmore Park, 25C Stirling St, Tusmore	At over 50 years old, the Tusmore Park wading pool has reached the end of its useful life. As a popular and highly valued community facility, extensive community consultation has occurred in 2020 in order to develop concept designs for a new wading pool. A detailed design is currently underway.	Aug-21	Dec-21	\$1,700,000	\$500,000
SA	The City of Burnside	2	Road	Mount Osmond Landslide Prevention Works	Implementation of drainage solutions to improve public safety and help avoid future serious landslide risk and damage.	Apr-21	Apr-21	\$50,000	\$50,000
SA	The City of Burnside	2	Community	Old Collegians Rugby Club - Clubroom Upgrade	Clubroom refurbishments and an extension for dedicated female changeroom facilities	Mar-21	Sep-21	\$1,400,000	\$350,000
SA	The City of Burnside	2	Community	Kensington Gardens ETKG Tennis Clubrooms incl public toilets	Extension of clubroom building including the construction of public toilets (incl access toilet)	Nov-21	Dec-21	\$400,000	\$300,000
SA	The City of Burnside	2	Road	Dulwich Avenue traffic Calming	Traffic calming measures to ensure greater road safety in Dulwich Avenue overall and to make the existing Wombat Crossing more visible to motorists	Nov-21	Feb-22	\$240,000	\$240,000
SA	The City of Burnside	2	Combination	Bike paths/Cycling infrastructure	The project identified is about joining up the bottom of the South Eastern Freeway cycle track with the top end of our Glen Osmond local cycle route which currently finishes at Boucaut Street adjacent to the former Colonial Inn. There is some footpath connection to the bottom of the Freeway cycle routes but does not operate as a proper shared use path. The proposal is to excavate some land and establish retaining walls in order to create a wide enough space to construct a safe shared use path between Boucaut Street and the bottom of the Freeway route, obviating the need for cyclists to Cross the Freeway at the current crossing point	Nov-21	Apr-22	\$250,000	\$142,504
SA	The City of Burnside	3	Combination	Mount Barker Road Shared Cycling and Pedestrian Path	The Mount Barker Shared Use Path will provide a safe and viable link for Cyclists to ride between an established bicycle route currently terminating at Boucaut St Glen Osmond. The off street path will link from Boucaut St to Gill Tce. A separate but related project will link this path to the Crafers Bikeway. The first part of this project was funded through the LRCI Stage 2, therefore this funding allows the completion of this project in its entirety. LRCI 2 funding was used to fund a third of the overarching project. LRCI 3 funding will be used to complete the remainder of the project as a separate stage.	Feb-22	Jun-22	\$337,000	\$195,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	The City of Burnside	3	Community	Laurel Avenue Community Garden Part 2	A new community garden was designed in conjunction with the community in 2020/21, and constructed in 2021 using previous stages of LRCI funding. Since opening it has been very well received by residents. In the first stage of construction, some works were not able to be undertaken, including additional irrigated garden beds to meet community demand, columns to support shade cloth, storage bays for mulch and soil, bike racks and a pergola. These additional items will ensure the garden is able to be enjoyed by all members of the community.	Apr-22	Oct-22	\$30,000	\$30,000
SA	The City of Burnside	3	Community	Penfold Park Playground (increased scope)	The Penfold Park Playground Upgrade will revitalise the play space by providing a variety of play opportunities including inclusive play, sensory play, cooperative play, independent play, imaginative play, musical play and tactile play. Council plans to include a mix of off the shelf play items with a ninja obstacle course, musical instruments and garden areas with accessible pathways, seating and a shade sail covering a large part of the play area. We will also be providing elements such as a non-verbal communication sign and plenty of play opportunities for children and adults with a variety of skill levels and abilities to ensure the playground is inviting and fun for the whole community. The additional funding allows Council to increase its original scope and design providing a much improved play space for the community.	Apr-22	Aug-22	\$645,227	\$200,000
SA	The City of Burnside	3	Community	Dulwich Community Centre	The purpose of this project is to renovate and revitalise the much loved but ageing Dulwich Community Centre to ensure it is accessible, functional and usable for the broader community for many years to come. Works will include demolishing and rebuilding the front of the centre, ensuring provision of facilities to make the centre suitable for a wide range of community uses. The works will also include making the building DDA compliant, providing accessible access, parking and toilet facilities, as well as improving the environmental performance of the site by installing solar panels and incorporating water sensitive urban design principles in the surrounding yard. SA	The Flinders Ranges Council	3	Road	Quorn and Hawker: Sheetting / Re-sheetting	Re-sheetting 15kms of local roads including: Donnelly Road; Willow Waters Road; Boolcunda Road; Yarra Vale Gorge Road; Warcowie Road / Devil's Peak Road, Arden Vale Road, Yednalue Road and Cemetery Road	Jan-22	Jun-23	\$434,760	\$434,760
SA	The Rural City of Murray Bridge	1	Community	The upgrade and revitalisation of the Riverfront has been identified as the most significant and under utilised asset in Murray Bridge with the greatest potential for economic and social benefit. Sturt Reserve is the major Riverfront destination within the Council area and the Reserve's potential is particularly enhanced by its proximity to the Murray River and CBD as well as the beauty of the environment.	The problems being addressed by the project are twofold: to create an immediate economic stimulus for local businesses and to improve community accessibility, safety, and visual amenity of the Murray Bridge's most iconic public reserve.	Apr-21	Nov-21	\$2,281,938	\$571,938
SA	The Rural City of Murray Bridge	2	Road	Maurice Road, Rocky Gully (Murray Bridge)	Sealing an existing unsealed road that has been identified as an intra-regional freight route that attracts a disproportionate level of maintenance.	Sep-21	Dec-21	\$1,200,000	\$972,614
SA	Town of Gawler	1	Community	Seven roads within four pockets where there are no walking paths and propose for the construction of new walking paths to link them to surrounding walking path networks.	There are pockets without walking paths within Council area where local community does not have safe walking access to surrounding footpath networks for their daily living activities such as shopping and exercising. Constructing missing links to connect existing walking path networks can reduce crash risk by separating vehicles and pedestrians.	Feb-21	Apr-21	\$259,875	\$250,000
SA	Town of Gawler	1	Community	Install shade sails over four playgrounds: Fifth Street, Hemafor Grove, Willaston Nature and Apex Park	At present, there is no protection from sun, UV and wet weather conditions at playgrounds. Children get burns from hot play equipment and from playing in the sun on hot days. The lifespan of play equipment will be reduced with fading and cracking that can happen from sun exposure over time. These issues will be addressed by installing shade sails over playgrounds and it is widely recognised shade provides beneficial outcomes for the community to encourage active play at times when they may not have played due to hot weather conditions. Council has three existing other playgrounds with shade sails over them, and due to these beneficial outcomes, is seeking to expand these over more playgrounds as part of this community infrastructure program.	Apr-21	Nov-21	\$250,000	\$155,562
SA	Town of Gawler	2	Community	Changing Places Toilet Facility	Construction of Toilet Block – including a Changing Places Facility. Improving accessibility of the town through provision (in the central shopping district) of the first Changing Places facility in the region.	Jun-21	Aug-21	\$275,000	\$100,000
SA	Town of Gawler	2	Community	Lift Installation - Visitor Information Centre & Community Gallery	Retro fitting the Gawler Visitor Information Centre with a DDA compliant Lift to improve accessibility of Community facilities and areas, particularly to the upper level and allow the development of a Community Gallery space on the upper level of the building.	Sep-21	Dec-21	\$569,970	\$569,970

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Town of Gawler	2	Community	Hemaford Grove Reserve Play Park Upgrade	Improved Recreational opportunities and accessibility through the expansion and upgrading of existing play space with new accessible items of play equipment, turf kick about space, nature play elements, furniture, trees/landscaping, irrigation and a new scooter track.	Aug-21	Nov-21	\$245,000	\$95,000
SA	Town of Gawler	2	Community	Gawler West Reserve	Improve recreational opportunities by constructing a half-court basketball court and improved access pathway to address a lack of teenage facilities in this neighbourhood area.	Oct-21	Dec-21	\$25,000	\$25,000
SA	Town of Gawler	2	Road	Road Resealing	Resealing the surface of 6 roads (being 4,900 sqm of road area) in Evanston Park area to improve road safety and ride-ability, bringing forward future works. The roads to be resealed are: 1. Ames Drive - MNR to Coleman Pde 2. Baldock Street - Ames Dr to Rowe St 3. Rogash Court - Baldock Street to End 4. Rowe Street - Parham Court to East end 5. Mold Court - Rowe St to End 6. Parham Court - Rowe St to End	Mar-21	Apr-21	\$130,000	\$122,224

SA	Wattle Range Council	1	Community	Beachport Bowling Club - building renewal works	Rectify defects identified in a building condition report; refurbish kitchen and bar; replace storage shed.	Apr-21	Sep-21	\$337,797	\$165,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Wattle Range Council	1	Community	Susan Wilson Playground Beachport - redevelopment	Current playground equipment is at end of life with several items having been removed. The project will result in a contemporary playground which will be a significant tourist attraction.	Feb-21	Apr-21	\$350,655	\$250,000
SA	Wattle Range Council	1	Road	Lossie Lane Millicent, Williams Road to Walker Street - sealing	The road is an unsealed road on the edge of town, the Council annually receives a number of complaints about the road in particular regarding dust over summer months.	Apr-21	Apr-21	\$88,848	\$30,000
SA	Wattle Range Council	1	Road	Thomas Drive Mt Burr - construction of service road	A number of properties that abut Thomas Drive which is the main road through Mt Burr access via unsealed service roads. This results in adhoc access to the main road and also poor amenity with dust and potholes.	Feb-21	Jun-21	\$179,418	\$119,298
SA	Wattle Range Council	1	Community	Penola township entrance signage and landscaping	Following completion of the Penola Bypass Council is proposing to install major entrance statement signage and landscaping to encourage visitation into the town.	Mar-21	Dec-21	\$70,731	\$65,000
SA	Wattle Range Council	2	Combination	Penola to Coonawarra Walking / Cycling Track	The concept of a walking and cycling trail from Penola to the Coonawarra was developed following investigations into a regional trails network that was completed in 2015. With the increasing awareness of the value of outdoor recreation in relation to health and wellbeing, and the Coonawarra Wine Region being acknowledged as an excellent tourism attraction, the development of a multi-use walking and riding trail would add strongly to the region. A well planned and constructed trail network in this area would cater to a range of users including recreational walkers and runners, cyclists, and tourists wanting to visit wineries and other destinations. The section of trail proposed for development runs for approximately 16km (excluding links to wineries and tourist attractions) from the town of Penola through several vineyards and wineries to Coonawarra. Additionally, Naracoorte Lucindale Council is currently developing a 16km connecting the Naracoorte township and the world-heritage listed Naracoorte Caves to strengthen the high-quality visitor experiences offered in the region. This Stage 2 of the project, to link the caves to cabernet via a shared-use rail trail, will be managed directly by the Naracoorte Lucindale Council.	Oct-21	Dec-21	\$800,000	\$736,052
SA	Wattle Range Council	3	Combination	Coonawarra Rail Trail (Extension)	The rail trail network between Coonawarra and Penola would cater to a range of users including recreational walkers and runners, cyclists, and tourists wanting to visit wineries and other destinations. The rail trail proposed for development runs approximately 30 kms (including links to wineries and tourist attractions) from the town of Penola through several vineyards and wineries in Coonawarra. Council received funding for the development of 16 kms of rail trail under LRCI Phase 2. Council is seeking funding for the development of the remaining 14 kms of the rail trail under LRCI Phase 3.	Jan-22	Jun-22	\$2,064,648	\$928,596

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Wattle Range Council	3	Road	Mount Burr Service Roads (Stage 2)	As a part LRCIP phase 1, Council resolved to fund the upgrade to Mount Burr Service Roads 1 and 3 in 2021 and referred Service roads 2 and 4 into 2022 as Stage 2 of the project. These roads currently rank high within the township road upgrade priority listings due to them being characterised by poor road drainage, poor surface quality and multiple entry/exit points onto Thomas Drive. The proposal is to upgrade these roads to two-way bituminous sealed standard with adequate road drainage.	Jan-22	Dec-22	\$330,000	\$330,000
SA	Wudinna District Council	1	Combination	Wudinna Lions Visitor Information Bay	Aging infrastructure, weathered signs, poor signage, general appearance and presentation, safety (trip hazards) .	Nov-20	Dec-21	\$90,000	\$90,000
SA	Wudinna District Council	1	Road	Mt Wudinna Tourist Drive Loop Signs Project	Old signage Inconsistent directions Outdated route references Lack of 'reassurance' signage Feedback from tourists getting lost	Mar-21	Jun-21	\$11,000	\$11,000

SA	Yorke Peninsula Council	2	Community	Warooka Standpipe Upgrade. Section 54 White Hut Road. Category: Painting /Improvements to community facilities	Modernisation of standpipe infrastructure to allow for an electronic payment system for water supply. The filling station (standpipe) provides a water supply to those that do not have access to water. The upgraded station will remove the current usage booking system and occurrence of water theft. It is expected usage will increase due to improved ease of access, along with an increase in supply to travellers (who currently are not accessing due to the booking system).	Aug-21	Nov-21	\$55,000	\$55,000
SA	Yorke Peninsula Council	2	Road	Patch Sheeting. Bussenschutt Road and Moorowie Station Road. Category: Sheeting/re-sheeting.	The patch sheeting methodology is utilised to remedy small sections of lower use roads. 5 segments (14,400sqkm) of Bussenschutt Road and 3 segments (14,000 sqkm) of Moorowie Station Road will be remedied. The works will improve ridability and minimise hazards for road users. The patch sheeting model also increases the useful life of the road.	Oct-21	Dec-21	\$225,000	\$225,000
SA	Yorke Peninsula Council	2	Community	Marion Bay Desalination Plant Improvements. 1 Willyama Drive (Plant) & 73 Slow Street (beach well erosion area), Marion Bay. Category: Painting /Improvements to community facilities.	Marion Bay does not have mains water supply and hence a Desalination Plant was built to support residential properties and the caravan park. This project will see desalination plant water quality improvements and measures to address beach well site erosion problems undertaken. The beach well supplies water to the plant and due to seawater level rising and winter storms, beach well infrastructure is now under threat from the ocean; if not addressed flooding of the beach well infrastructure and electrical controls will stop water production. In addition, water quality is shortening hot water infrastructure life to the caravan park and supply network.	Feb-21	Nov-21	\$65,000	\$65,000
SA	Yorke Peninsula Council	2	Combination	Coastal Management Strategy Projects. Edithburgh (x2), HD Melville, HD Warrenben, Marion Bay, HD Moorowie, HD Wauraltee, Port Victoria, Balgowan (x2), HD Tiparra, Wool Bay (x3), Stansbury (x2), Port Vincent, Ardrossan, Category: Improved Accessibility of Community Facilities and Areas	Implementation of works identified in the Coastal Management Strategy to manage community access to key coastal locations, including fencing, bush camping toilet amenities, installation of traffic and pedestrian signage, and vehicle and pedestrian access works (such as car park formalisation, and walkway/access upgrades).	Sep-21	Dec-21	\$175,281	\$175,281
SA	Yorke Peninsula Council	2	Community	Walk the Yorke Upgrades – Various. Category: Bicycle and Walking Paths	Upgrade to trail surface and infrastructure where needed across 120km of the 500km trail.	Sep-21	Dec-21	\$50,000	\$50,000
SA	Yorke Peninsula Council	2	Road	Spoon Drain Replacement Program. Maitland, Yorketown, Stansbury, Warooka, Edithburgh, Port Vincent, Curramulka, & Coobowie. Category: Drainage.	Replacement of spoon drains. Works involve civil works to remove existing spoon drains and replace with new concrete spoon drains and kerbing. The problem being addressed is the spoon drains have reached their functional capacity and require upgrade to ensure appropriate drainage.	Mar-21	Nov-21	\$225,000	\$225,000
SA	Yorke Peninsula Council	2	Community	Black Point Water Supply Storage Tanks. Lot 3014 Black Point Drive, Black Point. Category: Painting /Improvements to community facilities	Removal of old leaking concrete water storage tank and installation of new poly tank and required plumbing. This will address water loss and supply restrictions to the nearby Black Point community.	Aug-21	Nov-21	\$30,000	\$30,000
SA	Yorke Peninsula Council	2	Community	Minlaton Town Hall Maintenance. 57 Main Street Minlaton. Category: Painting /Improvements to community facilities	Replacement of gutters and windows at the Town Hall to ensure adequate drainage and management of draughts and light. This will see continuation of community use of the Town Hall.	Aug-21	Nov-21	\$55,000	\$55,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
SA	Yorke Peninsula Council	2	Community	Stansbury Institute Maintenance. 6 Weaver Street, Stansbury. TAS	Central Coast Council	2	Community	Riana Community Centre, 1201 Pine Road, Riana, Tas. 7316: Improvements to community facilities	Changerooms, amenities, and access upgrades. Redevelopment of 75yo facility to ensure safe and equitable access, public amenities, and changerooms.	Feb-22	Jun-22	\$558,000	\$343,000
TAS	Central Coast Council	2	Community	Ulverstone Sports & Leisure Centre (USLC), 2 Flora Street, West Ulverstone, Tas. 7315: Improvements to community facilities	Upgrades to community rooms. Development of currently unfinished first floor space of the USLC to provide community meeting spaces.	Feb-22	Jun-22	\$457,000	\$457,000
TAS	Central Coast Council	2	Community	Beach Road, west of Ocean Drive, Ulverstone, Tas. 7315: Bicycle and Walking Paths	Completion of the Central Coast Shared Pathway Network are local and regional priorities. The project creates an additional 500m of shared bicycle and walking pathway.	Nov-21	Dec-21	\$291,071	\$291,071
TAS	Central Coast Council (TAS)	1	Community	Ulverstone Skate Park Redevelopment Major redevelopment of c.1970s existing skate park to provide modern activity hub with the adjacent, new MTB pump'n'jump courses. Includes new 'street' style skate elements, with proper zoned design to allow all-ages and wheelchair access, separate parkour obstacle area, new outdoor ball arena (half-court basketball and football), and refurbishment of existing picnic shelter area, including new bicycle parking.	Existing skate park facility is aged (c.1970s) and near end of serviceable life. Current layout and design reflects age, with style and zoning of elements not suitable for all-ages/all-skills use. Current surface and layout is not suitable for wheelchair access and use. Shape and design of some current ramps is not as safe as modern design. Existing ball court is too small (less than 3-point arc) for even casual use. The location is a popular active recreation area, particularly for youth and teen activities. It is adjacent a new mountain bike pump and jump track, at the end of a popular regional coastal parkland with various playgrounds, and only 100m from local surf club and amenities. The redevelopment project will help consolidate the zone as a regional destination for active recreation, particularly among youth and teenagers.	Aug-21	Dec-21	\$570,000	\$320,000
TAS	Central Coast Council (TAS)	1	Community	West Ulverstone - Shared Pathway	Creating the Westshore Road and Tobruk Park, West Ulverstone sections of path is important in advancing the connectivity of the Shared Pathway Network in Central Coast.	Feb-21	Jun-22	\$441,100	\$441,100

TAS	Clarence City Council	1	Community	Clarence Foreshore Trail - Upgrade to Walking Path	Upgrades to pathway required.	Feb-21	Jun-21	\$650,000	\$649,937
TAS	Clarence City Council	2	Combination	Clarence Foreshore Trail – Montagu Bay to Rosny College Pathway Upgrade – Stage 2	Work Category: Bicycle and Walking Paths. Continuation of Phase 1 project. Second stage of pathway upgrade between Montagu Bay and Rosny College.	Aug-21	Dec-21	\$602,854	\$602,854
TAS	Clarence City Council	2	Combination	South Arm Road, Rokeby – Footpath from Horsham Road to Oakdowns Parade	Work Category: Bicycle and Walking Paths. Construction of new footpath from Horsham Road, Rokeby to Oakdowns Parade, Oakdowns.	Nov-21	Feb-22	\$400,000	\$400,000
TAS	Clarence City Council	2	Community	Richmond Riverbank Park – Pathway and timber viewing platform upgrade	Work Category: Improved Accessibility of Community Facilities and Areas. Construct an accessible footpath from Bathurst Street car park along Richmond Riverbank to Bridge Street. Upgrade existing timber viewing deck.	Jan-22	Apr-22	\$590,000	\$300,000
TAS	Clarence City Council	2	Community	South Arm Oval – Play space, earth berm and paling fence	Work Category: Playgrounds and Skateparks, and Noise and Vibration Mitigation Measures.	Nov-21	May-22	\$690,000	\$650,000
TAS	Derwent Valley Council	1	Combination	High Street New Norfolk Master Plan stage one (1) revitalisation: Improvements to pedestrian amenity, parking, and pathway network facilitating revitalisation of the shopping precinct and accessible access, and associated elements to improve community usage and amenity.	Revitalisation of aged Infrastructure in the main retail area of New Norfolk to assist in revitalising shopping precinct and move towards Disability Discrimination Act (DDA) A51428 compliant community spaces.	Oct-21	Mar-22	\$378,807	\$378,807
TAS	Derwent Valley Council	2	Community	Tynwald park Seating	Construction of new play space and an earth berm and paling fence to attenuate noise from an adjacent skatepark.	Mar-21	Dec-21	\$55,000	\$55,000
TAS	Derwent Valley Council	2	Community	Esplanade Stage Installation	Installation of Stage as part of the revitalisation of the New Norfolk Esplanade	Mar-21	Dec-21	\$300,000	\$300,000
TAS	Derwent Valley Council	2	Combination	High Street New Norfolk Master Plan stage two revitalisation	Continuation of the revisitiation and implementation of the Urban Design Plans Town Centre and Precinct	Oct-21	Mar-22	\$171,552	\$171,552
TAS	Derwent Valley Council	3	Road	Saddle Road Reconstruction	Road Reconstruction - Address stormwater management, Rehabilitation of pavement through insitu stabilisation (6m x 1800m), Reseal pavement with 2 coat seal 14/10 (5m x 1800m), new kerb and channel and footpaths, linemarking, RPMs and guideposts, and Replacement signage.	Jan-22	May-23	\$757,614	\$757,614
TAS	Devonport City Council	1	Community	Spreyton Memorial Hall – heater replacement and upgrade	Facility can be uncomfortably cold or take too long to warm up. Existing heating inefficient.	Apr-21	Jun-21	\$10,000	\$10,000
TAS	Devonport City Council	1	Community	Rooke Street Mall Devonport - Christmas Tree	Existing tree the feature of public Christmas decorations, but is old and lacks vibrancy. A new tree will rejuvenate the area and attract families during the Christmas shopping period, boosting local retailers.	Aug-20	Jan-21	\$53,000	\$53,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Devonport City Council	1	Community	Don Reserve Devonport - path renewal (Parker Street to Nicholls Street)	Existing path in poor condition, with cracked asphalt and tree roots. This is making path unusable for less mobile people and people riding small wheeled devices like skateboards, scooters and children's bikes.	Sep-21	Mar-21	\$130,000	\$130,000
TAS	Devonport City Council	1	Community	Mary Binks Wetlands East Devonport – path upgrade	The Wetlands is an important recreational space for adjacent aged care residents, but parts of the path network are gravel limiting accessibility. Path also used by families accessing the nearby recreation centre. Upgrading path and adding park furniture will allow a wider range of users to benefit.	Feb-21	May-21	\$55,000	\$55,000
TAS	Devonport City Council	1	Community	Ronald Street Devonport - new footpath (Oldaker Street to Parker Street)	Footpath that only partially complete, with three missing sections. The proximity to schools and shops means this street has high 'walkability' and there is a demand for a continuous footpath.	Jan-21	Feb-21	\$44,000	\$44,000
TAS	Devonport City Council	1	Road	Greenway Avenue Devonport - traffic calming	Traffic data indicates a significant portion of vehicles traveling above the 50km/h speed limit. Volume of traffic is higher than other local streets. Residents have approached Council about reducing speeds in the street.	Mar-21	Jun-21	\$82,733	\$71,933
TAS	Devonport City Council	1	Community	Devonport urban road tree planting program	Devonport's urban road network is lacking in trees, which can provide a wide range of benefits for road users and adjacent residents and businesses. Tree planting on major roads can improve the user experience for locals and tourists alike.	Jun-21	Jun-21	\$10,000	\$10,000
TAS	Devonport City Council	1	Community	Pioneer Park Devonport - footpath between Pioneer Park and Wright Street and accessible parking bay	No accessible path between East Devonport retail area and nearby Pioneer Park, discouraging pedestrian travel. No accessible parking bays, which may be limiting access for some potential park users.	Mar-21	Jun-21	\$50,000	\$50,000
TAS	Devonport City Council	1	Community	Valley Road - Street Seats	Street furniture at local shopping area is outdated, uncomfortable and is become hazardous with rusted areas and some sharp edges.	May-21	Jun-21	\$8,000	\$8,000
TAS	Devonport City Council	1	Community	Paranaple Arts Centre - Upgrade	The current theatre auditorium entry doors are not designed to cater for capacity crowds. They contribute to unnecessary queues and delays, are difficult to navigate for people with limited mobility.			\$14,000	\$14,000
TAS	Devonport City Council	1	Community	Foreshore Path Link	Lack of accessibility between urban footpath network and foreshore path	Mar-21	Jun-21	\$25,000	\$25,000
TAS	Devonport City Council	1	Community	Home Hill - Landscaping	Home Hill is the former home of Prime Minister Joseph Lyons and Dame Enid Lyons. Many of the original features of the garden require maintenance and renovation to retain the heritage value and ensure suitability as a publicly accessible garden.	Mar-21	Jun-21	\$25,000	\$25,000
TAS	Devonport City Council	1	Community	Maidstone Park - renewal of spectator benches	Existing benches have severely warped and one recently broke during a match. 50% have been removed for safety concerns and a solution is required.	May-21	Jun-21	\$24,800	\$24,800
TAS	Devonport City Council	2	Road	Coastal Pathway – River Road, Oakwood to Ambleside	Bicycle and walking paths: construction of 820m of new path, replacing substandard pedestrian and cycling facilities on the coastal pathway route	Jun-21	Dec-21	\$880,000	\$880,000
TAS	Devonport City Council	2	Community	Highfield Park Nature Play	Playgrounds and Skate parks: construction of a new playground	Aug-21	Dec-21	\$75,000	\$75,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Devonport City Council	2	Community	Bass Strait Maritime Centre – Sliding door	Painting/Improvements to community facilities: installation of a sliding door separating the museum and café areas, improving user experience in both and protecting the exhibits	Aug-21	Sep-21	\$10,000	\$10,000
TAS	Devonport City Council	2	Community	Street and Park trees	Landscaping improvements: planting of 20 advanced trees in streets and parks	Jun-21	May-22	\$16,632	\$16,632
TAS	Devonport City Council	2	Community	Horsehead Creek toilet	Construction of new public toilet near boat ramp, camping facility and recreational path	Jan-22	Apr-22	\$175,000	\$30,000
TAS	Devonport City Council	3	Community	Figure of Eight Creek pedestrian bridge, Maidstone park (Bicycle and Walking Paths)	A new pedestrian bridge and linking paths on each end provides a link for pedestrians and cyclist between the Woodrising area (approx. 320 houses) and Maidstone Park, enhancing the communities access to recreational facilities	Feb-22	Aug-22	\$500,000	\$250,000
TAS	Devonport City Council	3	Community	Devonport Little Athletics shed, Girdlestone Park (Painting/Improvements to community facilities)	The Devonport Little Athletics Club has inadequate storage for track and field equipment and other equipment required to operate the club (fridges, filing etc). This project increases the space available to the club.	Jun-22	Oct-22	\$70,000	\$70,000
TAS	Dorset Council	1	Road	Carisbrook Lane Legerwood between the Junction of Tasman Highway and McDougalls Road upgrades to cater for heavy vehicles	The current carriageway is narrow and uneven with areas of pavement failure which creates increasing safety and operator cost issues. The road is classified as 'Heavy Rural' and while it is a gazetted HML/HPV route it does not currently meet the required geometric standards. Carisbrook Lane is used extensively by B-Double and Hi Production Combinations as well as 9 axle Articulated Vehicles transporting close to 200,000T of products into and out of the region. It is also the local school bus route. The prohibitive costs of an upgrade and conflicting demands on resources has meant that short term annual maintenance fixes have been required to be utilized to ensure ongoing safety compliance. This project will enable investment into the much needed longer term solution of a reconstruction and ensure an increased standard of safety for both heavy vehicle operators and the local community.	Jul-20	Jun-21	\$1,181,006	\$751,168
TAS	Dorset Council	2	Community	Bridport Skate Park Adjacent to Village Green, Main Street BRIDPORT	Replacement and relocation of obsolete steel Skate Park. Existing skate park is an outdated steel structure which has reached end of life. The replacement skate park is a contemporary design predominately constructed from concrete and will be located in accordance with Council's Foreshore Master Plan.	Jan-22	Jun-22	\$350,000	\$350,000
TAS	Dorset Council	2	Combination	Derby Trailhead Carpark and Amenities Block 99 Main Street DERBY	Construction of a carpark and amenities block at the trailhead of the Blue Derby Mountain Bike Trail Network. Due to the outstanding success of the Derby Mountain Bike Trails, there is insufficient off street car parking to accommodate the visitation. In addition, there are no toilets/showers at the trailhead to cater for campers in the designated camping area at the trailhead.	Jan-22	Jun-22	\$625,000	\$325,166

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Flinders Council	1	Community	Flinders Island Airport: Repaint, repair and where necessary landscape existing council owned building and facilities	The project aims to address both safety issues, building deterioration and visual aesthetic. Removes the complexity of maintaining numerous buildings with several varying colour combining and unifies Council buildings for future ease of maintenance. Addresses the unsightly and deteriorated assets and restores them to a more appealing visual aesthetic for community and tourists.	Dec-20	Dec-21	\$114,908	\$106,508
TAS	Flinders Council	1	Community	Replacing existing fencing throughout Flinders Island	Unsafe fencing, unsightly, unclear entrance ways, and gates no longer functional due to disrepair. New fencing to protect underground plumbing works and prevent access by the public.	Feb-21	Jun-21	\$19,700	\$17,700
TAS	Flinders Council	1	Road	Whitemark Landfill improvements	Extension of the life of the existing landfill site by segregating waste, baling, and using the site more economically increasing the current cell life. Improving EPA compliance by introducing sorting and baling waste. Clear signage for community to deposit their waste efficiently. Reduction in safety hazards, due to restricted access to work areas. Improved road safety due new road infrastructure and new signage. Ability to monitor waste disposal improved. Reduction in fire hazard of green waste. Safety of community patrons visiting the giving shed is improved through car parking. Allows sorting at transfer stations.	Feb-21	Dec-21	\$219,424	\$139,529
TAS	Flinders Council	1	Community	Whitemark: Repair drainage washout for public access and review storm water requirements	Storm water drainage. Culverts have been damaged and eroded due to rusting of the valve at the bulkhead, storm surges the water flooded up the drain and broke many of the culverts. Broken culverts have eroded Bluff Track, a steep drop off the edge of the track and narrowing of the path.	Mar-21	Jun-21	\$47,168	\$35,168
TAS	Flinders Council	2	Community	Flinders Airport: Painting or improvements to community facilities	Painting/Improvements – painting and repairs at Airport and other community buildings including Art Gallery, Museum and Lady Barron Hall.	Nov-21	Jun-22	\$93,296	\$93,296
TAS	Flinders Council	2	Community	Holloway Park: Toilet Blocks	Toilet Blocks - maintenance of public toilet block amenities and provision for lighting.	Sep-21	Jun-22	\$74,013	\$74,013
TAS	Flinders Council	2	Community	Whitemark Foreshore: Picnic shelters or BBQ facilities at community parks	Upgrade Barbeque facilities at Community Parks.	Nov-21	Jun-22	\$58,511	\$58,511
TAS	George Town Council	1	Community	All abilities recreation area and beach access. Works involve installation of access ramps providing DDA access from street to new picnic and bbq area on elevated site and providing DDA access from elevated site to beach and also connecting to existing toilets and carpark. Carpark will be upgraded from crush rock to asphalt with dedicated DDA car park spaces. The elevated sit will include new bbqs including a wheel chair accessible commercial bbq and associated park furniture and shelters.	Reactivation of dormant site, provision of beach access and beach appreciation platform and picnic area that provides wheelchair access and amenities. There currently exists no wheelchair beach access within the municipality or northern Tasmania to our knowledge. This project will provide a recreation area for locals and visitors in aging demographic and restore public use of a site that has been dormant since the decommissioning of surf life saving club many years ago.	Jun-21	Sep-21	\$350,000	\$333,105
TAS	George Town Council	2	Community	George Town Linking Trail	Bicycle and Walking Paths - Works involving cycling and pedestrian infrastructure	Mar-21	Sep-21	\$405,237	\$405,237
TAS	Glamorgan Spring Bay Council	1	Community	Bicheno Medical Centre - Refurb	Enable increase in capacity from 1 bed to 2 beds in the nurses treatment room.	Jun-21	Dec-21	\$25,000	\$25,000
TAS	Glamorgan Spring Bay Council	1	Community	Bicheno Walk Bridge - Culvet	Footbridges require replacing due to age/deterioration	Oct-20	Apr-21	\$30,000	\$20,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Glenorchy City Council	3	Community	Audio Visual System replacement at King George the Fifth (KGV) oval Stadium Function room	This project is to upgrade the Audio-Visual system that was installed at KGV when it was first redeveloped. This function room is being utilised as a community function room, where Council is holding functions there more frequently such as citizenship ceremonies, community engagement sessions, community budget briefings, etc. This would also create a saving for Council eliminating the need for council's PA system to be taken to the function room for each event/function. It will also help fulfil the Council's vision of making this venue more of a Community Hub so various community groups can use this facility with adequate audio-visual equipment	Feb-22	Apr-22	\$130,000	\$130,000
TAS	Glenorchy City Council	3	Community	Construction of Montrose Skate Park	This Project has 2 phases, one for design and the second for the construction phase. These additional funds are for the construction phase for a project. The majority of the project is already grant funded, but a shortfall has been created by Covid-19 cost escalations and a poor sub-base. The construction work being carried out in connection with the development of the new skate park located within Montrose Foreshore Community will include: -Initial set out of the area including the confirmation of services. - Excavation and shaping of an area, which will cover approximately 700sqm – this is completely within Council owned land. - Installation of drainage lines which will be connected to various locations / features within the final skate park e.g. the 'bowl' - Importation of structural sub-base material to form a stable base – the present ground has through geotechnical assessment been assessed as unstable. - Following the importation of stabilizing material, a base layer of concrete will be laid, this will form the initial foundation on which the skate park will be constructed. - Form work forming the features as showing in the design along with final connection to drainage system. - Concrete pours and installation of exposed steel elements - Apply the finishing concrete across the site (this is fine grained coating which is designed to withstand the impact of skaters)- The whole of the skate park is then treated with an anti-graffiti coating. - Re-instatement of the surrounding ground / landscaping works. -Addition funds are required to stabilize the area prior to construction – the unstable nature of the site was identified during the geotechnical investigation as part of the design process.	Mar-22	Aug-22	\$620,000	\$120,000
TAS	Glenorchy City Council	3	Community	Shoobridge Park sports ground lighting	The installation of lighting would increase ground usage and satisfy part of the increasing demand for outdoor playing fields, improve night game safety and satisfy the need for an alternative ground during the KGV soccer ground redevelopment when the main regional pitch will not be available.	Apr-22	Sep-22	\$282,806	\$282,806

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Glenorchy City Council	3	Community	Tolosa Park dam reintegration works	This project is a joint venture between Taswater and GCC. A large portion of the dam redevelopment works is to be funded by Taswater, however the final cost is not yet finalised. This project is regarded as regionally significant and this part of the cost is for Council facilities such as power supply, irrigation and safety fencing that will need to be undertaken as part of the dam reintegration works and funded by Council.	Feb-22	Nov-22	\$625,000	\$625,999
TAS	Hobart City Council	1	Combination	Queens Domain The project consists of the complete development of a whole new cycleway along with car park and associated infrastructure. The cycleway will be constructed on a steep gradient of land by the side of the old Tas rail line which is currently unused. The project rectifies many ongoing issues/complaints about the surface of the car park and road ways in this area.	The project brings together the "missing link" the missing connection of cycleway between the Regatta grounds car park and the Macquarie point development. Currently the cycleway ends requiring riders and other users to travel through an active car park and thoroughfare to the water. The potential conflict for users currently poses significant risk to public safety. The lack of connectivity to the new cycleway at Macquarie point often causes confusion throughout the cycling community and this is often addressed through our network / stakeholders meetings with cycling groups as a major area for improvement. The project will allow you to enter the cycleway throughout Glenorchy providing a continuous, safe path away from traffic directly into the heart of the Hobart central district.	May-21	Dec-21	\$1,922,000	\$685,131
TAS	Hobart City Council	2	Community	Long Beach Toilet Redevelopment	Replacement of toilet block in a premier foreshore park with a new accessible unisex facility	May-21	Nov-21	\$685,000	\$685,000
TAS	Hobart City Council	2	Community	Tolmans Hill Toilet and Barbecue Facilities	Construction of new toilet and barbecue facilities at Tolmans Hill Park	Dec-21	Mar-22	\$657,000	\$657,000
TAS	Hobart City Council	2	Community	Redevelopment of Swan St Park, North Hobart	Redevelopment of park in highly utilised North Hobart Retail Precinct	Nov-21	Mar-22	\$551,303	\$551,303
TAS	Huon Valley Council	1	Community	40 Wilmot Road Huonville, sealing of Huonville Recreation Ground Car Park	Upgrade drainage and sealing of the car park in front of the Huonville clubrooms	Oct-20	Jun-21	\$10,000	\$10,000
TAS	Huon Valley Council	1	Community	40 Wilmot Rd Huonville, Removal of hedge and replacing with a walking path, landscaping and a new fence	High risk area for vandalism and anti-social behaviour.	Nov-20	Mar-21	\$125,000	\$75,000
TAS	Huon Valley Council	1	Community	39 Mary Street, Cygnet, Redevelopment of the Cygnet Cenotaph	Addressing safety issues associated with the Cenotaph in order to provide safe and appropriate access during services.	Oct-20	Oct-20	\$25,000	\$25,000
TAS	Huon Valley Council	1	Community	4 Slab Road, Cygnet, sealing of Cygnet Recreation Grouynd Car Park	Sealing in front of the upgraded change rooms and car park to stop gravel from being trampled into the new change rooms	Jan-21	Mar-21	\$10,000	\$10,000
TAS	Huon Valley Council	1	Community	Ranelagh Memorial Soldiers Hall Kitchen replacement. Ranelagh Soldiers Memorial Hall has had an active committee for over 20 years, they have worked on many improvements to the hall including replacing the roof, carpark and resolving stormwater issue, this project will complement the work they have been doing.	The kitchen has become too run down and the committee are unable to prepare meals for function utilizing the current arrangement.	Jan-21	Feb-21	\$20,000	\$20,000
TAS	Huon Valley Council	1	Combination	Junction of Kermandie River Road and the Huon Highway - Geeveston, Installation of pedestrian footbridge over Kermandie River -	Vulnerable road users will have access to a pedestrian bridge, currently the only access is on the bridge over the highway which is narrow, without and shoulder area to use for foot traffic- it is used daily by school children and general public.	Mar-21	Apr-21	\$150,000	\$150,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Huon Valley Council	1	Community	Mountain River Hall, Upgrade of kitchen facilities	The current kitchen is in a state of disrepair, which means they are unable to obtain a food license in order to serve food. The committee has put in a lot of effort on other improvements to the hall so this is enable them to improve utilisation of the hall by holding functions and events.	Apr-21	May-21	\$20,000	\$20,000
TAS	Huon Valley Council	1	Community	Geeveston Town Hall, Installation of a lift	The hall was build in 1914 with the upper floor accessed by stair, which makes the supper room, museum and exhibition space not accessible to many members of the public. The installation of the lift will make the upper floors accessible and enable the very successful "Twilight Feast" which is at capacity to expand into the upstairs area.	Jan-21	Jun-21	\$250,000	\$250,000
TAS	Huon Valley Council	1	Community	841 Glen Huon Road, New fencing for Glen Huon Park	Many young families utilise the park and there are concerns that children can easily wander onto Glen Huon Road.	Apr-21	Jun-21	\$10,000	\$10,000
TAS	Huon Valley Council	1	Community	New fence erected near play equipment at Calvert Park Playground, Judbury	Many young families utilise the park and there are concerns that children can easily wander to the riverside. A fence is needed to restrict access.	Mar-21	May-21	\$10,000	\$10,000
TAS	Huon Valley Council	1	Community	Installation of CCTV cameras at the Huonville Recreation Ground and at the roundabout in Huonville	High risk area for vandalism and anti-social behaviour.	Nov-20	Apr-21	\$25,000	\$25,000
TAS	Huon Valley Council	1	Road	Dances Road, Cygnet , Installation of pedestrian footbridge over - Golden Valley Creek	Vulnerable road users will have access to a pedestrian bridge, there is significant residential development in the area and this footbridge will create a pedestrian linkage with the development and the primary school	Sep-20	Oct-20	\$80,000	\$80,000
TAS	Huon Valley Council	2	Combination	Huonville Recreation Ground Masterplan	Walking Path	Feb-22	Mar-22	\$300,000	\$300,000

TAS	Kentish Council	2	Road	Tarleton Road Segment Stabilisation	Stabilisation of 250m of Tarleton Road, from Jowetts Lane to the Kentish Council & Latrobe Council boundary.	Sep-21	Dec-21	\$95,073	\$57,125

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	King Island Council	1	Community	Lighthouse Park Currie - walking and cycle path	The roadside safety barrier will prevent the risk of vehicles crashing into the Park. The path will enable people to safely walk or cycle to the Park without needing to use the roadway or road verge. The cycle path in the Park will enable small children to practice safe cycling and learn about traffic signage. The play equipment and soft fall areas will improve safe use and enjoyment of the Park.	Jan-21	Jun-21	\$150,531	\$150,531
TAS	King Island Council	1	Community	Memorial Park, Currie - Bicycle and Walking Path	The roadside safety barrier will prevent the risk of vehicles crashing into the Park.	Oct-20	Feb-21	\$100,000	\$100,000
TAS	King Island Council	1	Community	The Esplanade, Naracoopa - Upgrades	The path will enable people to safely walk or cycle to BBQ/playground, toilets and foreshore without needing to use the roadway or road verge.	Nov-20	Feb-21	\$130,000	\$130,000
TAS	King Island Council	1	Community	Grassy Oval, Grassy, King Island - Change Room Renovation	Improvements to Community Facilities	Sep-20	Mar-21	\$34,000	\$34,000
TAS	King Island Council	2	Community	Painting Currie Lighthouse	Painting/Improvement to community facility The Currie Lighthouse is de-commissioned and is owned and maintained by council as part of an historic precinct. It is constructed of steel and is in urgent need of re-painting.	Jan-22	Feb-22	\$481,000	\$230,000
TAS	King Island Council	2	Road	Second Seal	Reconstruction The works involve the upgrading and sealing of South Road from the end of the existing seal to approximately one kilometre south of the Ettrick River bridge. Currently the road is subject to frequent wash-outs, has poor alignment and dangerous corners and resulting major ongoing maintenance costs.	Oct-21	Dec-21	\$300,000	\$88,676
TAS	King Island Council	3	Road	Second Seal Programme	Sealing. The project involves placing the second seal on approximately 17.5 kilometres of road. These roads were previously gravel roads and had a first seal applied circa 2017. In accordance with good road construction practice a second seal should be applied to complete the works. This usually takes place some after the initial seal and this work is now overdue to be completed. The roads involved are Old Grassy Road, Cape Wickham Road, Pegarah Road and South Road. A significant difference with this project and other projects undertaken by Council is that it will be utilising external contractors who will bring machinery and workforce to the island. This approach is due to the scale of the works involved and the resulting efficiency that they can achieve with their equipment resources. Also, to attract contractors to the island there has to be a substantial body of works to make it attractive to them at a reasonable price. Smaller projects are able to be undertaken by the Council utilising its internal resources	Mar-22	Mar-22	\$1,400,000	\$530,000
TAS	Kingborough Council	1	Community	Kingborough community facility maintenance	Access to facilities is either in poor condition, non compliant or past its useful life. Aging infrastructure not fit for purpose, or suffering from increased demands. Detreating components that require maintenance and restoration works. Structural recovery to maintain the life of the asset	Sep-20	Oct-21	\$171,102	\$171,102

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Kingborough Council	1	Road	Gromley Drive gravel resheet	Worn gravel road that requires resheet/rehabilitation to improve community access and road safety.	Aug-20	Oct-20	\$56,677	\$55,000
TAS	Kingborough Council	1	Community	Jenkins Street: Construction of a pedestrian refuge at intersection	Jenkins St junction at Channel Hwy is a wide 20m crossing for pedestrians. A pedestrian refuge will shorten the pedestrian crossing to 2 stages. It will also help calm traffic entering Jenkins St.	Jul-21	Aug-21	\$64,791	\$50,017
TAS	Kingborough Council	1	Road	Nebraska Road: Coastal retaining wall repairs	Failing coastal retaining wall and subsequent direct impacts on Nebraska Road	Aug-20	Oct-20	\$35,439	\$35,000
TAS	Kingborough Council	1	Road	Tower Court: Reconstruction of kerb, installation of subsoil drain and other stabilization installations	Embankment instability and ground water issues causing road movement.	Apr-21	Jun-21	\$220,000	\$220,000
TAS	Kingborough Council	1	Community	Channel Highway: Replacement of roof and front porch of Woodbridge Community Hall	Existing porch has deteriorated and presents poorly and is a safety hazard. Existing roof has deteriorated with damaged and lifting iron causing internal water damage.	May-21	Jun-21	\$82,198	\$75,000
TAS	Kingborough Council	2	Community	Kingston Park Public Open Space [Kingston Park: Community infrastructure]	A large playground at Kingston Park in Central Kingston is nearing completion, this next stage of works will complement the new playground and provide valuable public open space and pathway connections for the community. Second stage of the Kingston Park public open space development including, bicycle and walking paths, toilet block, maintenance shed, picnic lawns, landscaping improvements, public amphitheatre, BBQ facilities and shelters.	Aug-21	Jun-22	\$2,600,000	\$1,404,450
TAS	Latrobe Council	1	Road	Tarleton Rd - 1.2km of road reconstruction works	The eastern end of Tarleton Road requires pavement repairs and strengthening. The road has also been identified as a strategic link for widening to increase the separation between users and the roadside drains.	Mar-21	Jun-21	\$1,050,000	\$311,061
TAS	Latrobe Council	2	Road	Tarleton Road, Tarleton	Reconstruct Tarleton Road from Mersey Main Road towards Coal Mines Road incorporating a wider seal, enclosed drains (or relocate open drains further from travel path) and making provision for the future installation of a shared path.	Jul-21	Dec-21	\$1,250,000	\$513,300
TAS	Launceston City Council	1	Community	Resealing and rehabilitation of different footpaths around Launceston Municipality.	Resealing of various footpath around Launceston which will involve excavation of the existing surface and resealing with 35mm asphalt. In certain cases the footpath base would have to be replaced.	Jul-20	Jun-21	\$800,000	\$436,930
TAS	Launceston City Council	1	Community	Sealing of Churchill park levee footpath for a total extent of 625m at an approximate width of 3m. this also includes base preparation for the footpath.	The current level of service does not meet the expectation of a levee footpath that is frequently used and is very close to the CBD.	May-21	Dec-21	\$200,000	\$200,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Launceston City Council	1	Community	Sealing of River Bend park levee footpath for a total extent of 535m at an approximate width of 3m. this also includes base preparation for the footpath.	The current level of service does not meet the expectation of a footpath levee that is frequently used and is very close to the CBD.	Mar-21	May-21	\$70,000	\$70,000
TAS	Launceston City Council	1	Combination	Transportation and Safety Centre. Structural modifications and refit of Transportation & Safety Centre and construction of new car park, access road and DDA compliant entrance path.	Structural modifications and refit of Transportation & Safety Centre following impaired structural integrity of the old reservoir concrete retaining wall which is located within a landslip area. Works include reducing embankment weight, modifications to reservoir retaining wall, raising of old reservoir floor, improving localised stormwater management and tree removal to reduce landslip risk and improve structural safety of the road and public educational Transportation & Safety Centre.	Nov-20	Jun-22	\$1,700,000	\$500,000
TAS	Launceston City Council	2	Road	Hillside Crescent Pavement Rehabilitation	Road reconstruction and traffic improvement. This project is aimed to address several deficiencies in the current streetscape and road asset. The problems addressed include, improved road geometry to improve pedestrian amenity and improve crossing safety and reshape road surface to address superelevation deficiencies, lay a new skid-resistant surface to address a crash history associated with wet weather and vehicles leaving the carriage way, repair the underlying pavement failures.	Jan-22	Mar-22	\$900,000	\$900,000
TAS	Launceston City Council	2	Combination	West Tamar Trail and Car Park Renewal	Bicycle and Walking Paths and traffic improvement. The current surface of the Wets Tamar Trail has failed, with severe cracking and surface separation, the surface needs renewing. The current surface is a large stone/spray seal which is not suitable for small wheeled vehicles (such as scooters and prams), this project will address this by laying an asphalt seal which is much smoother. The trail passes through the car park, the car park surface and underlying pavement has failed. The intent of this project is to renew the car park, but ensure separation between the shared trail and vehicular is improved.		Jun-22	\$600,000	\$600,000
TAS	Launceston City Council	2	Combination	North Esk Trail Improvements	Bicycle and Walking Paths. The North Esk trail between Henry St and Hoblers Bridge Road is an important commuter/recreational shared trail. In its current form, the trail inundated by tidal waters frequently (almost daily), damaging the trail but also severing this important link. The project will also form part of a broader program to provide a shared trail through to a new/significant growth area to encourage active transport modes to connect to the city.	Jul-21	Dec-21	\$792,309	\$792,309

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Launceston City Council	2	Community	Solar panel and energy management systems installation. A shortlist of 8 public facilities have been nominated and include: City of Launceston Civic Centre - the Town Hall, St Catherine's Hall, Princess Theatre, Queen Victoria Museum and Art Gallery - Royal Park, Youngtown Memorial Park, Karoola Hall, Rocherlea Memorial Hall, and Rocherlea Recreation Ground. All project locations are within the municipal area and support a range of community and cultural activities.	Other - To transition community, public and civic facilities to sustainable energy. The project will reduce running costs for community stakeholders and contribute to Council's commitment to reducing our reliance on fossil fuel generated power and the impacts of climate change. The confirmation of the selected sites are dependent on a suitability report provided by an energy consultant in consultation with structural engineers.	Oct-21	Dec-21	\$300,000	\$300,000
TAS	Launceston City Council	2	Road	Lawrence Vale Road	Road reconstruction and traffic improvement. This project is aimed to address several deficiencies in the current streetscape and road asset. The problems addressed include: repair failed pavement, reseal the road surface and improve drainage on Lawrence Vale Road between High Street to Powena Street. The works will improve road user safety, improve road cross falls and improve road drainage. It will also improve Pedestrian access, amenity and safety by upgrading footpath, and installing access ramps and stairs. The works will improve community access to the newly redeveloped Road Safety Centre.	Jan-22	Jun-22	\$800,000	\$800,000
TAS	Launceston City Council	2	Community	Newnham Bikeway Reserve	Landscaping Improvements - Newnham Reserve contains significant drainage infrastructure and is subject to flooding, erosion and boggy conditions. Headcuts in the waterway and local road flooding present a hazard to community. It is an important pedestrian link for the local high school and the community more broadly. It contains a playground for small children, is a site of industry// school revegetation projects and is next to an aged care residence providing pleasant views across the kanamaluka/Tamar estuary. Vegetation is difficult to manage due to boggy conditions, with pathways and bridges now impassable to due water and vegetation. There is very limited seating for rest & reflection. The project will decrease downstream flooding, repair erosion, improve habitat and water quality for wetland species, reinstate accessible pathways and bridges, and provide seating for rest opportunities.	Jun-22	Jun-22	\$100,000	\$100,000
TAS	Meander Valley Council	1	Road	Coiler Creek Bridge	Existing structure requires replacement due to decay in outside beams and bedlog abutments.	Feb-21	Feb-21	\$383,144	\$275,000

TAS	Sorell Council	1	Road	To install street (access road) and car park lighting to comply with AS/NZS1158.3.1:2020 standards for a new stadium facility at Pembroke Park Sporting Precinct.	Installation of required lighting for the access road and car park at a new stadium facility. The lighting will meet Australian standards, improve amenity and provide safe access to the stadium for members of the community.	Dec-21	Apr-22	\$57,296	\$57,296
TAS	Sorell Council	1	Community	Upgrade of the Sorell Skate Park A concept plan for the upgrade of the Skate Park has been developed with local youth. Elements of the upgrade and extension include pouring a new concrete skate surface and constructing/installing new equipment such as a ramp, a bowl, flatrails, ledges, wallride, bank, downrails, quarter hip, spine, mogul, bathtub etc. Signage will also be installed.	Current skatepark is in poor condition and is underutilised	Jul-21	Dec-21	\$200,000	\$200,000
TAS	Sorell Council	1	Community	Commence stage two works of Snake Hollow Park. Works in stage two include further expansion of play areas including installation of play equipment, such as swing sets and nature based exercise facilities.	Council funds have only been able to complete Stage 1 of this project that enjoys strong community support	Jan-21	Dec-21	\$20,000	\$20,000
TAS	Sorell Council	1	Community	Construction of car parking and landscaping for the newly constructed unisex change rooms at Pembroke Park Sporting Precinct.	Current facilities are not able to meet demand	Dec-20	Jun-21	\$110,000	\$110,000
TAS	Sorell Council	2	Community	Project Name: Sorell Railway Carriage Shed Restoration Location: 47 Cole Street Sorell TAS 7172 Work Category: Painting/Improvements to community facilities	The Railway Carriage Shed is permanently registered as a place of heritage significance to the State of Tasmania and is listed on the Tasmanian Heritage Register #5363. The shed is located in the heart of the Sorell township and it is anticipated that the location will be a focus of cultural activities for the community and visitors to the area. The Carriage Shed is in great need of repair and general maintenance to maintain its structural integrity. All works are subject to statutory approvals with Heritage Tasmania. Restoration of the Carriage Shed will also act as a catalyst for further development and investment of a Cultural Precinct. Further, works will coincide with the 200 year celebration of Sorell.	Jul-21	Jun-22	\$449,591	\$419,591

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Sorell Council	2	Community	Project Name: Dodges Ferry to Carlton Beach Loop Shared Pathway. Location: Dodges Ferry to Carlton Beach. Work Category: Bicycle and Walking Path.	Serving two rapidly growing residential communities, the Shared Pathway represents much needed infrastructure to connect communities, recreation assets, coastal reserves, Dodges Ferry School and community services, improve recreation opportunities and facilitate social interaction.	Jul-21	Mar-22	\$248,760	\$248,760
TAS	Southern Midlands Council	1	Road	Cornish's Road: Dust Suppressant Seal	Current unsealed road surface creates a dust drift issue for residence close to road, including contamination of tank water due to road dust on the catchment surface.	Apr-21	Jun-21	\$25,000	\$25,000
TAS	Southern Midlands Council	1	Road	Eldon Road: Sealing 1500 metres of previously unsealed road, widening as required, with two coat seal to 5.5m width	Reducing risk of accidents due to gravel surface. Extending seal for benefit of community and residents.	Apr-21	Jun-21	\$288,750	\$288,750
TAS	Southern Midlands Council	1	Road	Rhyndaston Road: Sealing 800 metres of previously unsealed road, widening as required, with two coat seal to 5.5m width	Enable easier maintenance of a smooth and safe surface through township. Reducing dust drift from road to nearby houses.	Apr-21	Jun-21	\$154,000	\$154,000
TAS	Southern Midlands Council	1	Community	Louisa Street: Construction of 210m (1.5m wide) concrete footpath on Louisa Street	Currently no formed footpath for children accessing local primary school. Encourage children off town's main street to walk to school.	Sep-20	Jun-21	\$38,000	\$38,000
TAS	Southern Midlands Council	1	Road	High Street: Reconstruction of two sections of High street footpath, curb and guttering- change of scope of the length being worked on	Current footpath surface is uneven, creating a trip hazard. New curb and gutters required for better drainage, resulting in safer and easier access to the footpath for pedestrian traffic.	Aug-21	Sep-21	\$61,281	\$61,281
TAS	Southern Midlands Council	1	Road	York Plains Road: Dust Suppressant Seal	Current unsealed road surface creates a dust drift issue for residence close to road, including contamination of tank water due to road dust on the catchment surface.	Apr-21	Jun-21	\$25,000	\$25,000
TAS	Southern Midlands Council	1	Road	Huntingdon Tier Road: Sealing 350 metres of previously unsealed road, widening as required, with two coat seal to 5.5m width	Reducing risk of accidents due to gravel surface. Reducing dust drift from road to nearby houses. Extending seal for benefit of community and residents.	Feb-21	Jun-21	\$73,500	\$73,500

TAS	Tasman Council	2	Community	Judd Park Recreation Area - Cnr Main Road & Ivan Court, Nubeena. GDA94 MGA55: 560374E, 5227952N	Demolish existing outdated public toilet building and reconstruct new toilet amenity building that includes passive surveillance to curb antisocial behaviour and vandalism. The project will include a formal walking path through the park and past the Soldiers Walk War Memorial. Upgrading of outdated facilities to address antisocial behaviour, constant vandalism and DDA access compliance.	Mar-22	Jun-22	\$382,312	\$202,312
TAS	Waratah-Wynyard Council	1	Community	Upgrade to car-parking and footpaths to support the ANZAC Park All-ability Playground currently being developed. Current car-parking is non-compliant and requires DDA upgrades.	Safety and compliance with construction and DDA requirements. Additional parking for All-ability playground to be constructed in this financial year.	Mar-21	Apr-21	\$101,185	\$101,185
TAS	Waratah-Wynyard Council	1	Combination	Design and construction pedestrian refuge across Murchison Highway to give residents safe access to very popular Cam River Recreation Reserve.	Safety of residents/pedestrians (particularly children and the elderly) as they cross the highway to access very popular Cam river recreation area.	Nov-20	Dec-20	\$34,055	\$34,055
TAS	Waratah-Wynyard Council	1	Combination	Installation of new virtual fencing to stop Tasmanian Devils (among other animals) crossing the road in the Rocky Cape National Park environmentally sensitive area. Virtual Fencing is an active electronic protection system that alerts animals before crossing the road when a vehicle is approaching between dusk to dawn. It is proven to be extremely effective in preventing wildlife-vehicle collisions in Australia and around the world. The device is triggered by vehicle headlights and emits a buzzing sound and flashing light to warn nearby wildlife of approaching vehicles. The devices are not visually intrusive and are currently used in Tasmanian National Parks such as Cradle Mountain.	Reducing the amount of wildlife killed on council roads is an action in council's recently adopted Integrated Community Environmental Plan and supports the Tas. Govt. Save the Devil Program. Local residents and council have identified an area (approx. 3kms) between Banksia Park and Lake Llewellyn as a hot spot for Devil Road kill.	Nov-20	Dec-20	\$29,000	\$29,000
TAS	Waratah-Wynyard Council	1	Community	Provision of updated change rooms at Wynyard Sports Centre to provide amenities for male and female sports, increase number of showers and toilets and provide updated DDA compliant facilities.	Council working with Wynyard Basketball Association and Basketball Tas. to provide female friendly amenities, to alleviate rostering issues, to increase number of showers and toilets and provide updated DDA compliant facilities.	Mar-21	Jun-21	\$508,300	\$400,000
TAS	Waratah-Wynyard Council	2	Community	Yolla -41.124091 / 145.720167 (Toilet Blocks)	Provide a public toilet facility in Yolla	Aug-21	Dec-21	\$100,029	\$100,029
TAS	Waratah-Wynyard Council	2	Community	1565 Murchison Highway Yolla -41.125960 / 145.718890 (Improved Accessibility of Community Facilities)	Install footpath on Murchison Highway Yolla for elderly and young resident safe access to chemist and shops	Sep-21	Dec-21	\$32,824	\$32,824
TAS	Waratah-Wynyard Council	2	Community	Cardigan Street, Somerset -41.044711 / 145.833227 (Sporting and Recreation facilities)	Cardigan Street (Somerset) Recreation Ground– Installation of Lighting for Soccer facilities.	Nov-21	Jun-22	\$442,148	\$442,148

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
TAS	Waratah-Wynyard Council	2	Community	16 Public toilet blocks located in multiple locations across the Waratah-Wynyard Municipal Area (Toilet Blocks)	Public Toilet Upgrades and refurbishment to meet community expectations and to address improved hygiene standards in line with COVID Safe Plans	Aug-21	Dec-21	\$261,324	\$217,854
TAS	Waratah-Wynyard Council	2	Community	School Lane, Yolla -41.124414 / 145.719308 (Playgrounds and skate parks)	Yolla Playground upgrade (School)	Sep-21	Dec-21	\$30,000	\$30,000
TAS	Waratah-Wynyard Council	2	Community	1600 – 1659 Mt Hicks Road Yolla -41.124900 / 145.717460 (Traffic Improvement)	Mt Hicks Road – Footpath sealing for Yolla School students to safely access shops.	Oct-21	Dec-21	\$47,124	\$47,124
TAS	West Coast Council	1	Road	Main St, Zeehan - Road shoulder works	Improve current surface for road safety. Reduce road maintenance costs	Jan-21	Mar-21	\$80,000	\$80,000
TAS	West Coast Council	1	Road	Lynchford Rd, Queenstown - Resealing	Improve current surface for road safety, reduce maintenance costs	Jan-21	Mar-21	\$80,000	\$74,282
TAS	West Coast Council	1	Road	Esplanade, Strahan - Patch and repair road defects	Improve current surface for road safety and carparking. Reduce road maintenance costs	Feb-21	Apr-21	\$150,000	\$150,000
TAS	West Coast Council	2	Road	Hunter St Queenstown - Drainage & Reconstruction	Failing infrastructure - The existing road and drainage infrastructure in the identified area is a mixture of recently renewed and aging components. Sections of road and footpath have suffered significant subsidence and are requiring more frequent and costly maintenance. Road and footpath user safety is paramount and it is necessary to mitigate the potential for serious injury due to infrastructure failure. It is Council's desire to have the underlying causes identified and addressed with cost effective and sustainable solutions.	Aug-21	Dec-21	\$350,000	\$312,602
TAS	West Tamar Council	1	Combination	Lanena Road widening and footpath construction	The existing road is narrow and pedestrian safety is currently compromised.	Feb-21	Jul-21	\$330,000	\$290,000
TAS	West Tamar Council	1	Road	Pitt Avenue reconstruction	Pavement is showing signs of failure and given the strategic importance of the road to local and commuter traffic a full reconstitution is required to bring the road up to a standard that will cater for projected traffic volumes and loads.	Jun-21	Sep-21	\$175,000	\$150,000
TAS	West Tamar Council	1	Combination	Nairana Road - new kerb and channel, new stormwater pits and manholes, landscaping improvements	Nairana St is a residential shared street, the safety of road users, including foot traffic, is compromised due to significant potholes on the surface of the road caused by the stagnated water. This street partially links a residential area to the foreshore walk/trail. This project aims to address above issues by formalising the roadside drainage system by removing open drains, road widening and improved landscaping.	Jan-21	Mar-21	\$105,000	\$79,602
TAS	West Tamar Council	2	Road	West Tamar Council Road Accelerated Road Resealing Program	Resealing	Mar-21	Jun-21	\$369,125	\$369,125

VIC	Baw Baw Shire Council	1	Road	Improving access to the new Early Learning Centre co-located at Warragul Primary School by upgrading and sealing the road pavement, improving drainage with new kerb and channel, improved footpaths and carparking in the existing road reserve.	To meet the needs of our rapidly growing community an Early Learning Centred was co-located at Warragul Primary School and the increased traffic has resulted in access and safety issues for parents and children, increased damage to existing unsealed road surface, access and amenity for local residents, and parking challenges. This project is supported by the Council Plan under the following initiatives: - Quality community focused services, facilities and infrastructure to support a growing community - Develop a coordinated approach to the planning and delivery of early years services to support Baw Baw's growing population - Parking provisions are also key to providing a safe and sustainable environment for our communities and residents	Apr-21	Jun-21	\$259,190	\$259,190

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Baw Baw Shire Council	1	Road	changeover existing inefficient old street lighting in Baw Baw Shire with the most energy efficiency LED Streetlighting available currently. The shovel ready program covers the replacement of 1,230 old and inefficient street lights which includes high-pressure sodium vapour and high wattage mercury vapour to the most energy-efficient LED lighting.	The changeover program will generate local employment, improve community safety, reduce impact on our environment and save money for our local community. Energy Efficient street LED lighting are up to 60 percent more energy efficient than traditional high pressure sodium bulbs or mercury vapour and can last 15 to 20 years. LED lights are free of all harsh chemicals and therefore minimise impact on our environment. LED lights are also 100% recyclable and can significantly reduce your carbon footprint. LED street lighting potentially make public transportation easier, as well as improving visibility on roads.	Jan-21	Jun-21	\$645,351	\$575,027
VIC	Baw Baw Shire Council	1	Community	The project will develop an intertown connection for use for pedestrians and cyclists between Erica and Rawson that aligns with Baw Baw Shire's Paths and Trails Strategy. The project will include a granitic sand path approximately 4.7km in length from Henty Street, Erica to Pinnacle Drive, Rawson. The proposed route of this path begins at the intersection of Henty Street and School Road. From here the proposed path follows the East side of School Road/ Moe-Rawson Road, crossing Collins Road and Thomson Valley Road. The proposed route turns East at the intersection with Knotts Siding Road, and runs along the South side of Knotts Siding Road into Rawson via Tyers-Walhalla Road (West side).	The project will achieve the following solutions as identified in Council's Paths and Trails Strategy: - Meet demands for connectivity for pedestrians and cyclists to key public points of interest in the Shire. - Growing demands for new paths and trails to connect our smaller communities. - Providing additional leisure and recreation opportunities to our communities aimed to encourage the community to stay healthy and increase community connectedness and participation. - Offer an additional tourism experience for visitors to the region to benefit businesses in communities where tourism is a major contributor to economic output and job creation.	Jan-20	Dec-21	\$900,810	\$900,810
VIC	Baw Baw Shire Council	1	Road	Tanjil River Road Bridge - Bridge Works	Southern abutment of bridge has dropped approximately 70mm across the entirety of the bridge width due to the failure of one of the four timber piles. After a structural engineers assessment of 8 of the piles, approximately half of these are displaying signs of localised decay including splitting and segmenting as well as loss of pile diameter, which is a major concern for Council. These works will provide a quicker outcome and provide bridge access to property owners which is a priority. This will provide T44 loading conditions for a further 10-15 year life span.	Jan-21	Mar-21	\$60,000	\$60,000
VIC	Baw Baw Shire Council	2	Road	Sutton Street, Warragul: Reconstruction	Reconstruction and widening between Normanby Street and Davine Street including indented carparking, retaining wall, kerb and channel and subsoil drainage and a footpath between Edmund Street and Davine Street on northern side with pedestrian refuges as well as the upgrade of the unsealed footpath on the southern side between Normanby Street and Davine Street. VIC	Baw Baw Shire Council	2	Community	Noojee Public Toilets, Noojee: Toilet Blocks	Construction of new public toilets for Noojee located near to the Heritage Park	Dec-21	Jun-22	\$270,000	\$270,000
VIC	Baw Baw Shire Council	2	Community	West Gippsland Art Centre Loading Dock, Warragul: Painting/Improvements to community facilities	Fixes to improve safety and use of loading dock for the West Gippsland Art Centre in Warragul	Dec-21	Jun-22	\$65,000	\$65,000
VIC	Baw Baw Shire Council	2	Community	Boardwalk Upgrades, Shire Wide: Bicycle and Walking Paths	Boardwalk and Pedestrian Bridge Upgrades – various locations to improved safety and replacement of high priority board walks and pedestrian bridge projects include: Crater Lake, Rawson Seven Mile Road, Trafalgar Bloomfields Road, Nilma McNeilly Park, Drouin [Increase in scope of works] Burke Street, Warragul	Dec-21	Jun-22	\$180,000	\$180,000
VIC	Baw Baw Shire Council	2	Community	LED Lighting Upgrade Program Stage 3	LED lighting upgrades on Regional Roads Victoria roads. There will be approximately 805 lights to be changed over to LED.	Feb-22	Jun-22	\$520,000	\$520,000
VIC	Bayside City Council	1	Road	Replacing all Category P Mercury Vapour street lights	As the effects of climate change continue to impact our community, Council has become carbon neutral and declared a Climate Emergency. There is a continued need to reduce energy use and greenhouse gas emissions, to deal with the impacts of climate change, and to support a secure electricity grid into the future. As street lighting represents significant energy use for Council, addressing this issue is paramount.	Apr-21	Aug-21	\$250,000	\$250,000
VIC	Bayside City Council	1	Road	Marriage Rd - Re-sheeting	Marriage Road is a sub-arterial road carrying significant traffic volumes and axle loads. Last re-sheet was in 1988 and has a Surface Condition Index of 3.3 (out of 5) which is fair to poor and has triggered our intervention level for a sub-arterial road (before it deteriorates badly). Length is 1.37km, width is 12.0m giving a surface area of 16,440m ² and a total estimated resheet cost of \$325,000.	Apr-21	Apr-21	\$325,000	\$120,932
VIC	Bayside City Council	2	Community	Elsterwick Park Nature Reserve: Stage 2	The Grassy Woodland and Active Edge to develop the Eastern edge of the reserve. Planting of trees and horticulture features, new infrastructure including seats, shelters, paths, barbecues and a bird hide. More info is at: https://www.bayside.vic.gov.au/news/plan-elsterwick-park-nature-reserve [Landscaping Improvements]	Oct-21	Feb-22	\$1,000,000	\$1,000,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Bayside City Council	2	Road	Street lighting efficiency upgrade (extension to Phase 1 LRCI)	All remaining full cost lights (approx. 700 lights) on all major, roads (not minor-residential) are proposed for upgrade. 60% of the lights are on the following roads totalling 13.2km: Thomas St – Brighton East (35 Lights, 2km) Bay Street – Brighton (55 lights, 2km) New Street – Brighton, Nth Brighton (130+ lights, 5.5km) Dendy St – Brighton (90 Lights, 3.2km) Church St – Brighton (60 Lights, 0.5km). Hampton and Sandringham Activity/Commercial centers. (40 Lights) The balance are more disbursed across the network. A pdf map showing every light is available. [Street lighting equipment]	Nov-21	Feb-22	\$656,352	\$656,352
VIC	Bayside City Council	2		Asbestos removal from (13 in number) Community-occupied, Council-owned buildings.	[Change in Scope of Works] Detailed assessment, removal of asbestos and reinstatement as required (i.e reinstating kitchens, bathrooms, walls, structures, eves, roofs, carpets, tiles, water heaters etc). Often the true extent of the asbestos isn't known until demolition/removal starts, so prioritisation and targeting of buildings may change. [Improvements to Community Facilities]	Sep-21	Apr-22	\$1,100,000	\$1,006,352
VIC	Bayside City Council	2	Community	Black Rock Yacht Club roof renewal.	550m2 roof in advanced stage of disrepair, at end of life and showing multiple failure modes. Problems are extensive, including a public safety concern given building's location on a busy foreshore area. Risks include uplift of roof in storm conditions, water ingress and internal damage to walls, carpets and superstructure. Health issues due to mould in walls, carpets. Other building components impacted by roof replacement include electrical, asbestos removal, internal ceiling, lights or walls affected by leaking roof and ducting works that may require repositioning. [Improvements to Community Facilities]	Oct-21	Dec-21	\$400,000	\$400,000
VIC	Benalla Rural City Council	1	Community	Senior Citizens Community Centre. Installation of new reverse cycle air conditioning and alterations to building to include additional meeting room.	Replace old and inefficient HVac System and provide for additional usage at the Centre. Usage increasing with U3A popularity growing.	Nov-20	Mar-21	\$100,000	\$85,000
VIC	Benalla Rural City Council	1	Community	Drill Hall Community Activity Centre. Remove corrugated iron roof. Install vapour barrier Replace iron roof Install evaporative air-conditioning.	Condensation forming and dripping on floor. Also to address high temperatures in summer. Facility is used extensively by Gymnastic Club.	Oct-20	Nov-20	\$75,000	\$75,000
VIC	Benalla Rural City Council	1	Community	Samaria Road, Baddaginnie Road. Construction of shared pathways.	Lack of formal pathways and addresses request from residents.	Nov-20	Dec-20	\$40,000	\$40,000
VIC	Benalla Rural City Council	1	Road	Brown Street. Current open drain along Brown Street to be replaced with pipes and open drain to be filled in.	Open drain is an ongoing issue with it not draining properly. Residents have raised concerns.	Feb-21	Mar-21	\$125,055	\$125,055
VIC	Benalla Rural City Council	1	Road	Waller Street. Repair road drainage length of Waller Street and construct new cross-over and entry to Churchill Reserve.	Poor drainage and sub-standard entry to athletics reserve.	Oct-20	Nov-20	\$60,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Benalla Rural City Council	1	Road	Samaria Road. Road stabilisation circa 500mtrs.	Unstable and rough surface also to address pavement failure.	Mar-21	May-21	\$220,000	\$220,000
VIC	Benalla Rural City Council	1	Road	Ackerly Avenue. Reseal of Ackerly Avenue, Benalla	Waterproofing of surface and to prolong the life of a major thoroughfare.	Nov-20	Dec-20	\$55,000	\$55,000
VIC	Benalla Rural City Council	1	Road	Benalla Landfill Seal internal roads for transfer station	Improve safety, accessibility and all weather access to transfer station	Jan-21	Feb-21	\$35,000	\$35,000
VIC	Benalla Rural City Council	1	Community	Arundel Street Construction of new car parking and associated landscaping around multi-purpose building	To formalise parking and to increase the visual appeal of the precinct	Jan-21	Feb-21	\$65,000	\$65,000
VIC	Benalla Rural City Council	1	Community	Benalla Landfill Install off-grid solar power array and battery storage to transfer station to support Council's sustainability practices.	Become less reliant on fossil fuel generated power	Feb-21	Mar-21	\$25,000	\$25,000
VIC	Benalla Rural City Council	1	Road	Old Farnley Road Prepare base and seal public road	Improve safety, accessibility and all weather access for public to transfer station.	Jan-21	Feb-21	\$90,000	\$90,000
VIC	Benalla Rural City Council	1	Community	Waller Street This site contains the Men's Shed, Lions and Rotary buildings. Currently they are not connected to the main sewer system and being a residential area this project will be beneficial for health and safety and the neighbouring community.	This will negate the need for onsite sewer treatment as all sewerage would go directly to the towns sewer system.	Jan-21	Feb-21	\$35,000	\$35,000
VIC	Benalla Rural City Council	2	Community	Cowan Street Basin Upgrade	Drainage - Improve/Increase Capacity of Stormwater Drainage Retention Basin	Jul-21	Dec-21	\$300,000	\$300,000
VIC	Benalla Rural City Council	2	Community	Benalla East Drainage Improvement	Drainage - Improve Drainage Movement and Capacity with East Benalla Catchment	Jul-21	Dec-21	\$254,000	\$254,000
VIC	Benalla Rural City Council	2	Combination	Kerb & Channel Renewal Strategy	Drainage - Renewal of strategic sections of Kerb & Channel within Benalla Urban Area	Jul-21	Dec-21	\$200,000	\$200,000
VIC	Benalla Rural City Council	2	Community	Playground Renewal Program	Playgrounds - Renewal of strategic Playgrounds within the Benalla Municipality	Jul-21	Dec-21	\$170,000	\$170,000
VIC	Benalla Rural City Council	2	Community	Equestrian Precinct Fence *	Sporting & Recreational Facilities - Construction of New Perimeter Fence surrounding Equestrian Precinct	Jul-21	Nov-21	\$60,000	\$30,025
VIC	Benalla Rural City Council	2	Community	Bicycle & Walking Paths - Midland Highway Shared Path Connection to Equestrian Precinct	Construct new 1.4 km Shared Path connecting Benalla Racecourse to Benalla Railway Station and CBD Area	Jul-21	Dec-21	\$65,000	\$65,000
VIC	Borough of Queenscliffe	1	Combination	Vegetation removal, construction of fencing and a surfers change pad	Area nearby access path to beach sees large numbers of people unloading cars and changing before walking to the beach. This is presenting safety risks and damaging nearby natural spaces	Mar-21	Mar-21	\$38,179	\$38,179
VIC	Borough of Queenscliffe	2	Road	Gellibrand street pedestrian crossing, Queenscliff. Traffic improvement	To install a new pedestrian crossing to improve pedestrian connectivity from the foreshore area to the main street. In addition, the crossing will incorporate a raised hump that will help to control vehicle speeds on this road, which is a problem.	Apr-21	Jun-21	\$65,000	\$40,000
VIC	Borough of Queenscliffe	2	Road	Kirk Road trial roundabout, Point Lonsdale. Traffic improvement	To install a trial roundabout to control vehicle speeds on this local collector road.	Oct-21	Dec-21	\$22,736	\$22,736
VIC	Borough of Queenscliffe	2	Road	Intersection improvements to Stokes St & Bethune St, Queenscliff.	To replace temporary kerbing at this intersection and formalise with new kerb. Will ensure traffic priorities at this intersection are clear	Oct-21	Dec-21	\$40,000	\$40,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Brimbank City Council	1	Combination	Kororoit Creek Trail Extension - This project will extend the Kororoit Creek Shared User Path from Isabella Williams Memorial Reserve in Deer Park to the boundary with Melton City Council, near Shepherds Grove in Kings Park. This extension will create a link to Caroline Springs and beyond and is the last section of the creek in Brimbank that does not have a shared user path. The extension is about 2.0km in length. This path is included within the Brimbank Cycling and Walking Strategy.	There is missing connection along Kororoit Creek that connects Brimbank City Council to neighboring Melton City. This connection will benefit pedestrians and cyclist for both recreational and commuter purposes.	May-21	Sep-21	\$800,000	\$800,000
VIC	Brimbank City Council	1	Road	Deer Park Local Area Traffic Management (LATM) proposal which includes the installation of traffic calming devices that includes road humps in the following streets: Railway Parade, Wood Street, Lloyd Street, Neimur Avenue, Vincent Street, Poole Street, Tulloch Street, Hamilton Street, Christie Street, Canterbury Street Burnside Street and Miles Street. Forty new Watts Profile Road Humps and one new Flat Top Road Hump.	To address road safety concerns which have been raised by the community due to speeding and 'rat running through traffic' issues with motorists avoiding the arterial road network in the area bounded by Station Road, Ballarat Road, Hamilton Street and Railway Parade, Deer Park.	Jan-21	Mar-21	\$332,617	\$332,617
VIC	Brimbank City Council	2	Community	Replace existing shared trails segments	Replacement of dilapidated Green Gully Reserve, KEILOR DOWNS asphalt shared user path with new 3m wide concrete shared user path (approximately 1000m).	Nov-21	Mar-22	\$350,000	\$350,000
VIC	Brimbank City Council	2	Community	Suburban Park Upgrade Program	Keilor Park Recreation Reserve, KEILOR PARK. Works include path upgrade, new playground, new BBQ and park furniture and extensive tree planting.	Feb-22	Apr-22	\$1,485,000	\$735,000
VIC	Brimbank City Council	2	Community	Skate facilities Upgrade Program	Packard Street Reserve Skate Space, KEILOR DOWNS. New skate facilities as per Creating Better Parks.	Jan-22	Apr-22	\$782,294	\$482,294
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Wasley Street (Ballarat Road to End), ALBION	The project includes the following major aspects - Rehabilitation of 304 metres of existing road pavement and resurfacing with asphalt, reconstruction of 600 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 111 metres of underground drainage works.	Jun-21	Sep-21	\$500,000	\$500,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation- Maynard Place (Chetwyn Drive to Cul De Sec), KINGS PARK	The project includes the following major aspects - Rehabilitation of 154 metres of existing road pavement and resurfacing with asphalt, reconstruction of 317 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 135 metres of underground drainage works.	Sep-21	Dec-21	\$260,000	\$260,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Ferris Avenue (Jarrah Pass to Newbury Street), DEER PARK	The project includes the following major aspects - Rehabilitation of 348 metres of existing road pavement and resurfacing with asphalt, reconstruction of 710 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 119 metres of underground drainage works.	Aug-21	Sep-21	\$437,000	\$437,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Russelton Street (Erebus Street to Latrose Street), KEILOR PARK	Rehabilitation of 245 metres of existing road pavement and resurfacing with asphalt, reconstruction of 505 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 376 metres of underground drainage works.	Jun-21	Aug-21	\$480,000	\$480,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Essex Street (Duke street to end), SUNSHINE NORTH	Rehabilitation of 420 metres of existing road pavement and resurfacing with asphalt, reconstruction of 864 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 775 metres of underground drainage works.	May-21	Aug-21	\$830,000	\$830,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Myers Street (Mailey Street to Gum Street), SUNSHINE WEST	Rehabilitation of 210 metres of existing road pavement and resurfacing with asphalt, reconstruction of 443metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 208 metres of underground drainage works.	May-21	Jun-21	\$343,480	\$343,480
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Oldfield Street (Lachlan Road to Glengala Road) SUNSHINE WEST	Rehabilitation of 280 metres of existing road pavement and resurfacing with asphalt, reconstruction of 598 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 110 metres of underground drainage works.	Aug-21	Sep-21	\$740,000	\$740,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Smart Street (Bell Street to Ridgeway Pde) SUNSHINE WEST	Rehabilitation of 166 metres of existing road pavement and resurfacing with asphalt, reconstruction of 356 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 123 metres of underground drainage works.	Apr-21	Jun-21	\$320,000	\$320,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Phoenix Street (Duke Street to Nottingham Street) SUNSHINE NORTH	Rehabilitation of 190 metres of existing road pavement and resurfacing with asphalt, reconstruction of 400 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 340 metres of underground drainage works.	Apr-21	Sep-21	\$440,000	\$440,000
VIC	Brimbank City Council	2	Road	Road Rehabilitation-Ensign Grove (Admirals Crescent to Lionheart Avenue) TAYLORS LAKES	The project includes the following major aspects - Rehabilitation of 211 metres of existing road pavement and resurfacing with asphalt, reconstruction of 443 metres of existing kerb and channel, reconstruction of existing vehicle crossings where required, reconstruction of all damaged footpath, construction of 92 metres of underground drainage works.	Jun-21	Sep-21	\$345,000	\$345,000
VIC	Buloke Shire Council	1	Road	Kaye St, Charlton Coordinates -36.272131, 143.352661	Installation of storm water pipe and pits. Adjustment of utilities in path of storm water pipe line.	Mar-21	Oct-21	\$990,000	\$990,000
VIC	Buloke Shire Council	1	Road	Upgrade street lights to energy efficient LED	Reducing energy costs/waste	May-21	Oct-21	\$240,000	\$240,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Buloke Shire Council	1	Road	Both Industry Dr and Tower Rd are gravel roads. Proposed works is to seal approx 150m of Tower Rd and 320m of Industry Dr.	Improved access for heavy vehicles. reducing dust pollution created heavy vehicles on gravel roads.	Mar-21	Jun-21	\$240,000	\$240,000
VIC	Buloke Shire Council	1	Community	Nandaly - Installation of BBQ and street furniture. Watchem - installation of street furniture. Culgoa - installation of street furniture. Berriwillock - installation of street furniture.	Lack of street furniture in the smaller towns	Oct-20	Jun-21	\$130,000	\$129,763
VIC	Buloke Shire Council	2	Road	Nullawil-Birchip Road Reconstruction	Rebuilding of a Nullawil-Birchip Road	Jun-21	Dec-21	\$1,600,000	\$1,227,489
VIC	Campaspe Shire Council	1	Road	Shared Path Network - Lighting	Usability and safety of unit sections of the shared path network	Mar-21	Jun-21	\$100,000	\$100,000
VIC	Campaspe Shire Council	1	Road	Collins Street Colbinabbin - Widening	Poor traffic behaviour at the Silos art site including parking and traffic management	Apr-21	Jun-21	\$250,000	\$250,000
VIC	Campaspe Shire Council	1	Community	Shire - Landscaping	Poor or inconsistent tree coverage	Apr-21	Jun-21	\$80,000	\$80,000
VIC	Campaspe Shire Council	1	Road	Shire Wide - Resheeting	Road deterioration, potholes, gravel loss and wet weather accessibility	Jun-21	Sep-21	\$1,532,795	\$1,532,795
VIC	Campaspe Shire Council	1	Road	Multiple Locations - Culverts	Drainage issues in flood prone areas	Apr-21	Jun-21	\$210,000	\$210,000
VIC	Campaspe Shire Council	1	Community	Campaspe - Multiple Sites - Footpath	The project aims to identify the missing links along the existing network of footpath and create a continuous path of travel to preferred destination	Mar-21	Jun-21	\$300,000	\$300,000

VIC	City of Greater Shepparton	1	Community	Redevelopment of Vibert Reserve Pavilion for community facilities	The South Shepparton Community Centre is currently located in a three bedroom residential property as the office base, and additional portable buildings for classes and meetings.	Jul-21	Dec-21	\$4,983,961	\$2,033,496

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	City of Greater Shepparton	2	Community	Vibert Reserve Pavilion Stage 3 Redevelopment, 290-300 Archer Street, Shepparton Victoria 3630	<p>The redevelopment of the Vibert Reserve Pavilion will see a large extension to accommodate the South Shepparton Community Centre who will relocate from their current facility. This part of the project has already been approved to be funded under the LRCI Phase 1 allocation.</p> <p>The balance of the project, will see the sports clubhouse extended and upgraded to facilitate appropriate sports club social use for the 3 main sports clubs and other casual use clubs that currently utilise this pavilion. The new social club space will also provide for further opportunities within this South Shepparton community to utilise this space for community gatherings and meetings. The extension works will now be part of the overall Vibert Reserve Pavilion Stage 3 redevelopment including new car parking, with security lighting, relocated and upgraded playground, landscaping and improved accessibility for neighbourhood house users and the sports club users. Plans are available and can be provided if further clarification is required on the extent of this project, and the 2 stages of works that can be completed with both Phases of funding. There is significant benefit in completing this project as a single contract and approval to include this under Phase 2 will see the project more efficiently delivered under one contract as opposed to a staged approach.</p>	Jul-21	Dec-21	\$4,834,556	\$1,901,060
VIC	City of Greater Shepparton	2	Community	Victoria Park Lake Lighting Upgrade [NEW PROJECT]	It is proposed to install new lighting on pedestrian paths to provide improved lighting and pedestrian safety in the Victoria Park Lake precinct, Wyndham Street, Shepparton. This will further enhance and support the amenity of the precinct, the future SAM facilities and play space developments of the VPL precinct for visitors and community.	Aug-21	Dec-21	\$863,806	\$863,806
VIC	City of Greater Shepparton	2	Community	Victoria Park lake Power Upgrade [NEW PROJECT]	It is proposed to install permanent power supply boxes to the open space area at Victoria Park Lake, Wyndham Street, Shepparton. Costs to Council's Events Team for electrical/generator/electrician services and hire were \$90,094.86 over the past 5 years. This does not include community and private event company costings and having in excess of 18 annually events where they all have to source power, there is a need to address and implement improved infrastructure for availability, consistency, and safety of all users. Having this upgrade in place will also improve the capacity for the location to be marketed appropriately to a broader range of events organisers and companies as this area will have the capacity to deliver event needs without the requirement of temporary infrastructure inclusions, which all come at a cost to either Council or event organisers, thus giving the site improved capabilities and attractiveness for events and reducing the outlay for temporary infrastructure.	Aug-21	Dec-21	\$338,820	\$338,820

VIC	City of Monash	1	Road	Lawrence Road - Flat- top' road hump install	There is a length (250m) of road along Lawrence Road between the road hump outside 261 Lawrence Road and the raised T-intersection at Taroona Avenue, which does not have any physical treatment to slow down the traffic speed.	Jun-21	Jun-21	\$53,534	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	City of Monash	1	Community	F20/1047-83	The current narrow path width (2.0-2.5m) is creating conflicts between pedestrians and cyclists, with complaints of crashes and near misses becoming more frequent. This affects the community's perceptions of safety when using on the path.	Feb-21	Jun-21	\$550,000	\$550,000
VIC	City of Monash	1	Road	Improve pedestrian and cyclist safety along Park Road	There is a high pedestrian and cyclist volume along Park Road generated by the Scotchmans Creek Trail and Oakleigh Recreation Centre and it is proposed to highlight and enforce priority for pedestrians and cyclists at suitable locations. These will also improve accessibility in and around these community facilities.	May-21	Jun-21	\$100,000	\$100,000
VIC	City of Monash	1	Road	Palmerston Grove - Flat- top road humpinstall	The proposed flat topped road hump will encourage motorists to drive slowly when entering the residential area and will also deter motorists from entering the residential area searching for a parking space.	Jun-21	Jun-21	\$44,171	\$40,518
VIC	City of Monash	1	Road	Mackie Road - road cushions	Mackie Road has an average daily volume of about 4,600 vehicles and an 85th percentile speed of 56km/h. The complaints about speeding issues are becoming more frequent. The proposed road cushions will encourage motorists to drive slowly.	Jun-21	Jun-21	\$66,000	\$66,000
VIC	City of Monash	2	Community	Wellington Reserve Mulgrave Recreational Path	Construct an all weather 3metre wide path around the reserve. Whereby, locals are connected throughout the reserve via the 500metre path. Install an additional fitness pod near the oval.	Nov-21	Dec-21	\$284,000	\$284,000
VIC	City of Monash	2	Community	Footpath Renewal Program	Annual renewal program for footpaths and shared paths within the municipality in accordance with the Pathway Asset Management Plan. Covid 19 lockdown in Victoria has placed this program behind schedule which impacts on the safety of path users/community.	Oct-21	Dec-21	\$4,875,884	\$575,884
VIC	City of Monash	2	Combination	Environmental Upgrade Street Lighting Program and New Street Lights	Replace over 3,000 major category street lights with energy efficient LED lighting throughout municipal roads and car parks. Provide additional lighting for pedestrian and cyclist safety in about 100 identified areas.	Jun-21	Dec-21	\$3,200,000	\$2,200,000
VIC	City of Monash	2	Community	Hughesdale Kindergarten Refurbishment	Kindergarten minor refurbishment, including new entrance, meeting space and enclosed veranda works.			\$150,000	\$150,000
VIC	City of Monash	2	Community	Lever Street Car Park and Brickmakers Park Improvements	Construction of a permanent asphalt car park in Brickmakers Park off Lever Street, Oakleigh, including pathway from car park to the Oakleigh Recreational Centre (ORC). Additional works within Brickmakers Park include: minor upgrade of landscaping due to works mentioned above, and the reconstruction of a remaining pathway section through the Park. Works being undertaken to improve community safety and access to ORC.	Oct-21	Dec-21	\$300,000	\$300,000
VIC	City of Monash	2	Community	Davies Reserve Athletics & Soccer Redevelopment Project	Redevelopment of the Davies Reserve Athletics Track, scope of works includes: 1. Returning the old bitumen track and inner sports field to a natural grass surface; 2. Installing new polyurethane surface to the jump runways; 3. Upgrading the track in-field to deliver a senior turf soccer pitch with drainage, irrigation and LED lighting (100 & 150 lux switching options)	Aug-21	Dec-21	\$1,900,000	\$1,060,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	City of Monash	2	Community	Scotchmans Creek Trail - Waverley Road to Betty Court (Rear)	Scotchmans Creek Trail is a popular trail within the City of Monash and it is well used by local residents. To meet the growing demand of people using the active transport modes, a 3m wide shared path is to be constructed with associated line marking, retaining walls, fencing and signage. A 300mm diameter stormwater drain will also be constructed along the new easement behind the rear of 1-7 Anthony Drive, Mount Waverley.	Oct-21	Dec-21	\$400,000	\$400,000
VIC	City of Monash	2	Community	New Street Furniture Works	Install and upgrade street furniture at various reserves and activity centres. Types of furniture include Signage, Drinking Fountain, Seat/Bench, BBQ, Bicycle Rack and Dog Park Facilities. These infrastructure will improve community amenity and safety, and provide people of all ages and abilities with better accessibility to community facilities.	Nov-21	Dec-21	\$300,000	\$300,000
VIC	City of Monash	2	Community	Glen Waverley Forecourt	The Glen Waverley forecourt area is the primary pedestrian route for the Glen Waverley library, Monash Civic Centre, Civic Centre carpark and the vibrant dining and retail precinct of Kingsway. This project will improve safety and linkages for pedestrians by delivering a shared zone where a right of way crosses the area. Activity and meeting spaces will also be enhanced by the installation of additional shaded seating, tree planting, lawns and garden beds.	Oct-21	Nov-21	\$200,000	\$200,000
VIC	City of Monash	2	Community	Gardiners Creek Trail shared path upgrade – Stage 2	This project is to complete the renewal and upgrade works of the Gardiners Creek Trail shared path between Highbury Road and High Street Road in Ashwood. The existing path is to be widened to 3m wide shared user path. The detailed design and stage 1 construction works are funded by LRCI Phase 1 program.	May-21	Sep-21	\$550,000	\$550,000
VIC	City of Port Phillip	1	Combination	Rotary Park, St Kilda Foreshore	The playground at Rotary Park was removed during the construction of The Stokehouse restaurant – which used this space as a building site. The playground is in a high tourism visitation area on St Kilda Foreshore, an area that attracts over 2m people each year. The playground is a high priority for reconstruction given there are no other playgrounds in the area. The project has strong support from the community and Rotary Club of St Kilda, who originally created the park and have been advocating for improvements. Upgrading the full park enhances the gateway to the foreshore and creates more usable public space, through improvements to pathways, access points, infrastructure and through safety improvements such as upgrades to lighting. The park has been identified for critical security upgrades to minimise the danger of unauthorised vehicle access to the foreshore.	Nov-21	Dec-21	\$862,000	\$277,686
VIC	City of Port Phillip	2	Road	Road safety improvements at intersection of Cecil Street and Napier Street, South Melbourne	Traffic improvement, Landscaping improvement	Oct-21	Dec-21	\$165,000	\$165,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

VIC	City of Warrnambool	1	Community	Pertobe Road The project involves the reconstruction and formalisation of an existing car park off Pertobe Road. The works will include reconstruction and strengthening of the car park pavement, formalisation of the parking areas and creation of safe pedestrian pathways and walkways to the Lake Pertobe public open space adjoining the car park.	Failing car park surface and informal parking areas creating a safety risk to users and pedestrians.	Feb-21	Oct-21	\$500,000	\$425,024
VIC	City of Warrnambool	2	Road	Rooneys Road Reconstruction	Reconstruction of a failed road pavement in the West Warrnambool Industrial precinct.	Sep-21	Dec-21	\$1,300,000	\$1,208,146
VIC	City of Wodonga	1	Community	refurbishment of the old Wodonga Council's Visitor Information Center (VIC) to enable its re-purposing as a top-end venue to attract visitors to the Gateway Island precinct - the subject of an extensive masterplanning project approximately 12 months ago. The works will include insulation to the building, specialist installation of heating and cooling, upgraded and DDA toilets and consideration of an elevator to the second-floor facilities.	This Council-owned building has had a multitude of tenants over the past years - but is in need of significant refurbishment if it is to become the centre-piece of visitor attraction. Its current condition can be described as a somewhat deteriorated asset, in need of major works.	Nov-20	Oct-21	\$541,081	\$541,081
VIC	City of Wodonga	2	Community	Kelly Park Pavilion Redevelopment (Stage 2) Lawrence Street, Wodonga. Sporting and recreation facilities	These works are to provide a new female-friendly pavilion to service existing soccer and cricket grounds, including umpire facilities, new first aid room and kitchen.	Mar-21	Nov-21	\$802,000	\$460,000
VIC	City of Wodonga	2	Combination	Birallee Park Outdoor Cricket Nets, Access Road and Landscaping (Stage 2) Marshall Street, Wodonga. Sporting and recreation facilities	These works are to complete the cricket precinct by providing new facilities in Stage 2 which include outdoor cricket nets, access roadway and landscape to compliment the recently opened Indoor Cricket Facility.	Mar-21	Feb-22	\$600,500	\$375,000
VIC	City of Wodonga	2	Community	Wodonga Racecourse Toilet Block Reconstruction Wilson Street, Wodonga. Toilet Blocks	This project is for the demolition of the existing deteriorated toilet block and the construction to full accessibility requirements of a new enhanced public toilet block.	Jan-21	Mar-21	\$325,000	\$175,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	City of Wodonga	2	Community	Birallee Park Pump Track (Stage 2) Marshall Street, Wodonga. Sporting and recreation facilities	These works are to upgrade and enhance the Birallee Pump Track project by completing Stage 2, an additional pump track and providing a new water supply to the precinct.	Jul-21	Oct-21	\$150,000	\$150,000
VIC	City of Wodonga	2	Community	Belvoir Park Playground (Stage 2) Huron Street, Wodonga. Playgrounds and Skate parks	Stage 2 of this projects will enhance and add to the Stage 1 works currently being designed and prepared for tender and will complete the works at this location.	Oct-21	Dec-21	\$775,000	\$306,950
VIC	City of Wodonga	2	Community	Baranduda Fields – Stage 1 Civil Works	Stage 1 of Baranduda Fields Civil Works Construction including roadworks, drainage, water/sewer, power, communications, car parking, landscaping and tree removal.	Aug-21	May-22	\$3,195,000	\$306,950
VIC	City of Wodonga	3	Road	Roche Drive, LOGIC Industrial Estate, Wodonga	Construction of new road – The project is to extend Roche Drive by approximately 275m to facilitate access to a significant new development site within the estate. Roche Drive, Wodonga X 16331854 Y -4311927 WGS 84 Pseudo Mercator	Feb-22	Sep-22	\$1,550,000	\$1,082,062
VIC	Colac Otway Shire Council	1	Road	Road repairs at main entry and emergency entry and nearby roundabout at Colac Hospital	The roundabout and section of Connor Street are heavily used for everyday access to Colac Hospital, Bulla Factory, and various medical centres. Repair of this road will improve the safety of the road surface for users, especially ambulances and other medical vehicles entering the hospital and people visiting the various medical services in this area. The asphalt works will also assist in reducing traffic noise for aged care residents and patients who are situated in hospital wards and wings adjacent to this roadway. Undertaking rehabilitation works now will avoid the need for full road reconstruction when the road fails. If a full reconstruction were required it would cause substantial disruption in the area and interrupt hospital access.	Mar-21	Apr-21	\$193,334	\$193,334
VIC	Colac Otway Shire Council	1	Community	Resurfacing two tennis courts and one netball court	The condition of the existing asphalt surface of these courts has reached a point where it is no longer safe to play. There are cracks with weeds and during rainfall, water pools on the surface causing slipperiness and poses a risk to the users. The courts are used by the Apollo Bay Netball club, casual and social tennis players from the townships of Apollo Bay, Skenes Creek and Marengo and visitors to the adjacent camping ground.	Nov-21	Dec-21	\$39,416	\$39,416
VIC	Colac Otway Shire Council	1	Community	Construct footpath in Birregurra (and associated crossing treatments)	There are currently no all weather connections or dedicated pedestrian crossing points to the train station. This station provides a connection to the major centres of Geelong (45 mins journey) and Colac (30mins journey), and is used as a sustainable transport connection to jobs and services.	May-21		\$255,000	\$160,895

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Colac Otway Shire Council	1	Community	Construction of concrete footpaths in multiple locations	Many key connections that link schools, shopping precincts, tourist destinations, community facilities, open space and off road shared paths do not have existing hard surface, accessible paths on either side of the road. This limits access to recreational and community destinations for many residents and visitors, particularly for the elderly and mobility impaired and in high rainfall areas such as Gellibrand, Lavers Hill and Apollo Bay.	Sep-20		\$413,500	\$403,700
VIC	Colac Otway Shire Council	1	Road	Sealing of 700m of road	The main benefit this project will deliver is improved safety by providing all weather access constructed to a higher standard, for adjoining property owners and other road users in general. It will provide an attractive alternative access route for residents in the Swan Marsh community. It will provide a viable option for heavy vehicle access (milk tankers, stock trucks, quarry vehicles) into and out of the Swan Marsh district. It will provide an attractive alternative access point for emergency responders (Fire Safety Victoria, etc.), both into and away from the Swan Marsh district. Safety at night or in foggy circumstances will be greatly improved through road side delineation, the advantage of a sealed surface, and through the addition of solid edge lines. Routine maintenance of the unsealed surface (maintenance grading) will be substantially reduced – shoulders will still require periodic maintenance.	Mar-21		\$325,000	\$325,000
VIC	Colac Otway Shire Council	1	Community	Construction of new play space	Residents of the Petjuli Street park catchment do not currently have access to a playground within walking (500m) distance, with the nearest playground being more than a kilometre away. The park is currently undeveloped with some trees and park benches. This development will create a social destination for the many children, families and carers in the area, activities for a range of age groups and access to these facilities with the creation of a hard surface path connecting to the existing footpaths.	May-21		\$110,000	\$110,000
VIC	Colac Otway Shire Council	1	Community	Construction of pedestrian and cycling bridge and paths	In 2016 a pedestrian bridge that forms part of the Barongarook Creek Shared Trail was washed away by flood waters. The bridge connection forms a critical off-road link for users of the Barongarook Creek shared trail and, once completed, will provide a continuous, 1.3 kilometre off-road walking and cycling connection from the Coles on Bromfield Street and the Visitor Information Centre on the corner of Murray and Queen Streets, via picnic/toilet facilities and a recently constructed Traditional Owner memorial space to Lake Colac. If the bridge is not replaced, pedestrians, wheelchair users and cyclists are diverted 360 metres via a car park, up to busy Murray Street (Princes Highway) and must cross at traffic lights and journey along Murray Street to arrive at the continuation of the shared path.	Apr-21		\$390,000	\$390,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Colac Otway Shire Council	1	Road	Installation of speed humps outside school	Speeding vehicles currently pose a safety risk to children accessing the Specialist School in Wilson Street, Colac. Students aged 5-18 with special needs and their carers currently use the crossing daily during school term. Cars and heavy vehicles use this local road as a short-cut between the C155 (Colac-Lavers Hill Road) and Queen Street (north south collector road). The installation of speed humps either side of the crossing aims to slow vehicles and deter heavy vehicles, generally improving pedestrian safety in this area.	Nov-20	Dec-20	\$17,536	\$17,536
VIC	Colac Otway Shire Council	1	Road	Construction of new kerb and channel, and associated drainage	In 2019 Colac Otway Shire adopted a masterplan for Forrest Common Reserve, the main community park servicing the Forrest township. The plan identified that road run-off from Station Street was causing damage to the reserve, particularly the playground and car park. High volumes of stormwater sheet across the reserve carrying debris and spreading playground softfall into the car park, creating slippery surface	May-21	Jun-21	\$63,319	\$63,319
VIC	Colac Otway Shire Council	2	Road	Bass Crescent, Great Ocean Road, Skenes Creek: Drainage	Stormwater outlet upgrade – existing outlet requires improvement to manage landslips and road erosion	Aug-21	Dec-21	\$500,000	\$499,316
VIC	Colac Otway Shire Council	2	Community	Great Ocean Road, Apollo Bay: bicycle and walking paths	Construct new footpath - stage 1	Sep-21	Dec-21	\$300,000	\$300,000
VIC	Colac Otway Shire Council	2	Community	Great Ocean Road, Apollo Bay: Bicycle and walking paths	Construct new footpath - stage 2	Sep-21	Dec-21	\$150,000	\$150,000
VIC	Colac Otway Shire Council	2	Road	Birregurra: Other	Other – rail interface upgrade	Sep-21	Dec-21	\$175,000	\$175,000
VIC	Colac Otway Shire Council	2	Community	Barongarook Creek, Colac: bicycle and walking paths	Upgrade shared pathway to improve connectivity	Aug-21	Dec-21	\$390,000	\$390,000
VIC	Colac Otway Shire Council	2	Community	Gellibrand, Beech Forest: bicycle and walking paths	Upgrade Old Beechy Rail Trail to improve safety and accessibility	Apr-21	Dec-21	\$58,000	\$58,000
VIC	Colac Otway Shire Council	2	Community	Warrion: painting/improvements to community facilities	Upgrade Warrion Public Hall kitchen to commercial grade for increased use and income	Mar-21	Dec-21	\$70,000	\$70,000
VIC	Colac Otway Shire Council	2	Community	Clark Street, Colac: bicycle and walking paths	Construct new footpath to increase connectivity	Aug-21	Dec-21	\$60,000	\$60,000
VIC	Colac Otway Shire Council	3	Community	Irrewillipe Wetlands Development	Upgrade of retarding basin, addition of sediment basins, storage pond, drainage pits and pipes to increase capacity in anticipation of residential development in Colac West, protect downstream properties from flood and treat stormwater.	Jan-23	Jun-23	\$2,424,000	\$2,424,000
VIC	Colac Otway Shire Council	3	Community	Cororoake Masterplan Implementation- New Picnic Area	Construction of next stage of improvements for Cororoake Open Space, following the development of a new playspace and park network. Works include: picnic area hardstand, BBQ, seating, picnic tables, drinking fountain, bike racks and shelter including electrical and water connections and commissioning. The new development will create a social gathering space for the local community in an identified strategic gap in open space provision.	Apr-22	Oct-22	\$120,000	\$120,000
VIC	Colac Otway Shire Council	3	Community	Beeac Playspace Renewal	Renewal of play equipment and picnic area.	Jan-23	May-23	\$220,000	\$220,000
VIC	Colac Otway Shire Council	3	Community	Western Oval Drainage -Oval improvements	Oval drainage upgrade to improve surface condition and management during winter and increase participation in AFL, including women's teams.	Mar-22	Apr-22	\$350,000	\$350,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Colac Otway Shire Council	3	Road	Forest Street Road Reconstruction	Reconstruction of pavement and asphalt surfacing, kerb and channel replacement and drainage improvements. Road is currently in very poor condition and is a high use route for heavy vehicles, servicing Colac's industrial precinct.	Oct-22	Dec-22	\$1,200,000	\$292,400
VIC	Corangamite Shire Council	1	Road	This project will seal the truck and long vehicle parking area located opposite the Skipton Roadhouse service station on the Glenelg Highway.	Upgrading an unsealed truck parking area to a sealed parking area will improve the conditions for heavy vehicle drivers exiting the parking area and safety for users of the adjoining highway as well as reduce dust for nearby business and residents.	Apr-21	Apr-21	\$30,000	\$30,000
VIC	Corangamite Shire Council	1	Community	To replace the existing Estcourt Street public toilet block.	The Estcourt Street public toilet block is in poor condition. It services the main central business area of Terang and has been identified by Council through its asset management plan for removal and replacement. Providing improved public toilets will ensure appropriate amenity for users and equity of access for users.	Feb-21	Jun-21	\$174,296	\$174,296
VIC	Corangamite Shire Council	1	Road	This project will seal Windham Street which provides access from and to the Skipton Roadhouse service station and is used by heavy vehicles to access the key routes north of Skipton.	Upgrading an unsealed road to a sealed road to improve access to heavy and other vehicles. Windham Street is partly sealed (50m). This will extend the seal along the entire road.	Mar-21	Apr-21	\$104,575	\$103,464
VIC	Corangamite Shire Council	1	Community	To replace the existing Derrinalum public toilet block.	The Derrinalum public toilet block is in fair condition and has been identified by the community through its community plan as requiring either replacement or an upgrade to provide contemporary facilities for visitors and users. Derrinalum is located on the Hamilton Highway and these toilet blocks are heavily used by travellers. Providing improved public toilets will ensure an inviting amenity and encourage people to stop in the town.	Dec-20	Aug-21	\$234,819	\$169,649
VIC	Corangamite Shire Council	1	Community	This project will provide fixed fitness equipment at the existing playground.	This project has been identified as a priority by the Derrinalum Progress Group to provide access to fitness and exercise equipment and encourage a healthy lifestyle as well as boost local economy by incentivising visitors and users to the area.	Dec-20	Feb-21	\$20,069	\$20,000
VIC	Corangamite Shire Council	1	Community	This project will see an upgrade to the existing oval to provide improved safety and ground condition for players.	The current cricket ground has issues with drainage and surface cover. This project will see the drainage improved and better surface cover provided.	Mar-21	Apr-21	\$10,029	\$10,000
VIC	Corangamite Shire Council	1	Community	This project will see an upgrade to the existing clubrooms to provide an inclusive design and provide improved functionality for users.	The current facilities are ageing and require ongoing and increasing maintenance. The layout is not functional and there are issues with accessibility for both participants that are ageing and those with a disability.	Mar-21	Nov-21	\$400,000	\$300,000
VIC	Corangamite Shire Council	1	Community	This project will renew the boardwalk infrastructure on the pedestrian link from Hennessy Street to Morris Street behind the Port Campbell Public Purpose Reserve.	The existing boardwalk is at the end of its useful life and at the stage of requiring ongoing maintenance.	Jun-21	Sep-21	\$95,000	\$95,000
VIC	Corangamite Shire Council	1	Community	This project will provide all abilities access to the Camperdown Court House which the local visitor information centre operates within.	The Camperdown Courthouse is leased by a volunteer community group who provides visitor information services, local art displays and various events and functions. The Court House does not currently provide permanent all abilities access. For those people requiring access a portable ramp is provided on request at a door to the rear of the building to provide access.	Mar-21	Sep-21	\$38,500	\$38,500

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Corangamite Shire Council	1	Community	This project will see an upgrade to the existing netball infrastructure, including court lighting, shelters and inclusive design changerooms for players, officials and spectators.	The upgrades have been identified as a priority to improve the safety for participants, increase the chances of clubs attracting and retaining participants and to increase access and usage. These works are identified as a priority in the Great South Coast AFL, Netball and Cricket Strategy and are supported by the Recreation Reserve Committee of Management, Cobden Football Netball Club and Cobden Tennis Club. In addition, there is a demand for female facilities at the Cobden Recreation Reserve with the establishment of an under 18's female football team. If funding can be secured through this program, it is expected that there will be an increase in the number of females participating at the reserve. Currently, there are three under 18 female football teams across the Corangamite Shire. The upgrade allows Cobden Recreation Reserve to become a venue for further female teams including the development of female senior sides.	Feb-21	Jun-22	\$600,000	\$300,000
VIC	Corangamite Shire Council	1	Community	This project will involve the construction of a skatepark in Skipton.	The Skipton community have identified a Skatepark as a key priority in its community plan and as a key project highlighted by a petition signed by more than a hundred young people from around Skipton and district. The skate park will provide an important year-round recreational opportunity for young people.	Feb-21	Apr-21	\$160,000	\$120,000
VIC	Corangamite Shire Council	1	Community	This project will include the replacement of the roof over the two court basketball stadium and minor facility upgrades.	The existing roof is over 20 years old and at the end of its useful life. It is leaking during certain rain and wind events and presents safety risk to participants using the courts, so much so that competition was postponed last season. This project will ensure the safety for players, officials and spectators and have been identified several years ago as a priority by the Committee of Management.	Dec-20	Mar-21	\$120,000	\$120,000
VIC	Corangamite Shire Council	1	Community	This project will provide upgrades to infrastructure in Cobden's main streets which have been identified as a priority by the Cobden community.	Cobden's streetscape requires a refresh. The various works will help to improve the aesthetic of the main street in Cobden whilst addressing safety and access issues identified by the community.	Feb-21	Jun-21	\$300,000	\$300,000
VIC	Corangamite Shire Council	1	Community	This project will provide all abilities access to the War Memorial in Camperdown and streetscape infrastructure upgrades in Finlay Avenue between Pike Street and the War Memorial.	Camperdown's War Memorial does not currently enable all abilities access. For ANZAC Day celebrations, Council's building team erect a temporary ramp to provide access for those unable to use the existing steps. Renewal of existing infrastructure will also be undertaken.	Apr-21	Nov-21	\$125,425	\$125,425
VIC	Corangamite Shire Council	1	Community	Project Management resources to deliver on funded projects will include 1 temporary full time staff member and a part time or contracted resources as available and where required.	Project management resources delivers on the LRCI program's key outcome to 'protect and create short term employment opportunities through funded projects'. With the extent of stimulus funding initiated from local, state and federal government AND the eligible projects being additional to Council's 20-21 work plan, additional resources are required to assist with project management and delivery.	Jul-20	Jun-21	\$165,555	\$165,555
VIC	Corangamite Shire Council	1	Community	This project will replace bridge structures on the Camperdown Timboon Rail Trail which have been identified as requiring replacement in the recent Management Plan.	The upgrades will improve the safety of all users of the trail.	Jun-21	Jun-22	\$100,000	\$41,389

VIC	Frankston City Council	1	Combination	McCormicks Road, Carrum Downs - Installation of Pedestrian Operated Signals with a road safety platform	Safety of pedestrian crossing with access by vulnerable road users from nearby retirement village, school and shopping centre. The existing crossing does not provide priority to pedestrians crossing the road at this point and does not cater for some vulnerable users. Vehicle speeds at this location also need to be reduced to enhance safety.	Feb-21	Jun-21	\$545,911	\$531,411
VIC	Frankston City Council	1	Road	Ballarto Service Rd, Tamarisk Dr and Honeysuckle St - Road resurfacing	The road surface is old and beginning to shows signs of increased deterioration. There are various road surface defects evident including cracking and asphalt ravelling which is resulting in a rough surface and reduced safety for road users.	Jun-21	Jun-21	\$275,589	\$212,500
VIC	Frankston City Council	2	Road	Hall Road Rehabilitation between Frankston Dandenong Road and Rowellyn Avenue in Carrum Downs	Pavement rehabilitation works to restore the road to its original condition and to ensure it can cater for the increased traffic demands based on detailed pavement investigations. A total of approximately 2.9km of road will be rehabilitated / resurfaced (1.45km on eastbound and westbound carriageways).	Oct-21	Mar-22	\$4,245,574	\$4,245,574
VIC	Gannawarra Shire Council	1	Community	Street scape works extending components of the award winning Victoria Square to key locations along Scoresby Street from the Kerang train station to Fitzroy Street and the intersection of Wellington Street and Victoria Street	There are currently poor pedestrian connections from the Kerang Train Station through to the Kerang CBD. There are also access and outdoor dining issues along Scoresby Street through to Fitzroy Street.	Nov-20	Jun-21	\$1,317,955	\$1,317,955
VIC	Gannawarra Shire Council	2	Combination	Murrabit Township Drainage	Installation of a detention basin, pump station and underground drainage network, consisting of collection pits and pipes, to replace the open drains currently serving the township.	Nov-20	Dec-21	\$1,314,912	\$1,153,912
VIC	Glen Eira City Council	1	Road	Jassa street road works	The kerb & channel is in dilapidated condition, the road has deteriorated over the years and it is very flat, causing drainage problems and showing signs of surface failures. Further vehicle crossover damages, vehicles scraping of road pavement when the vehicles enter/leave some properties and not having underground drainage in the street contribute to the problem.	Feb-21	Apr-21	\$470,000	\$423,694
VIC	Glen Eira City Council	2	Community	Great Walking Street – Municipal Wide Footpath Renewal	Footpath works to remove footpath hazards along roads identified in the Walkability and Access plan as being the Great walking Streets of Glen Eira	May-21	Nov-21	\$500,000	\$500,000
VIC	Glen Eira City Council	2	Community	Kooyong Rd Pedestrian Refuge, just south of Eyre Road. Caulfield North.	To provide a pedestrian refuge island midblock along Kooyong Road. There are currently no dedicated midblock crossing facilities along the entire stretch of Kooyong Road between Glen Eira Rd and Balaclava Road. The refuge island would allow a safer two stage crossing point for pedestrians to cross rather than having to simultaneously judge gaps in both streams of traffic.	Jul-21	Dec-21	\$150,000	\$150,000
VIC	Glen Eira City Council	2	Community	Boyd Park, Murrumbeena (section of Outer Circle Railway)	Supply and installation of P4 solar lighting along the shared pathway.	Jun-21	Dec-21	\$470,000	\$470,000
VIC	Glen Eira City Council	2	Community	Marara Road Reserve, Caulfield South (section of the Rosstown Rail Trail)	Supply and installation of P4 solar lighting along the shared pathway.	May-21	Dec-21	\$185,000	\$185,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Glen Eira City Council	2	Community	Wattle Tennis Club, Bentleigh, Glen Eira Tennis Club, Caulfield South	Supply and installation of new chain mesh fencing and lighting for two Tennis Clubs under Council Lease.	Jul-21	Dec-21	\$200,000	\$200,000
VIC	Glen Eira City Council	2	Community	Riley Reserve, Murrumbeena	Carry out new pathway and landscape works as outlined in the Outer Circle Railway Landscape Management Plan	Aug-21	Nov-21	\$100,000	\$100,000
VIC	Glen Eira City Council	2	Community	Springthorpe Gardens, Murrumbeena	Carry out new pathway and landscape works as outlined in the Outer Circle Railway Landscape Management Plan, including new arbour	Aug-21	Nov-21	\$90,000	\$90,000
VIC	Glen Eira City Council	2	Community	Caulfield Park, Caulfield North	Construction of new shelter, living garden & associated landscape works at Heritage End of Caulfield Park	Oct-21	Dec-21	\$300,000	\$300,000
VIC	Glen Eira City Council	2	Community	Caulfield Park, Caulfield North	Construct viewing platform deck on lake edge as per Masterplan	Oct-21	Nov-21	\$200,000	\$200,000
VIC	Glen Eira City Council	2	Community	Hopetoun Gardens, Elsternwick	Removal of bandstand and construction of community shelter as per Masterplan	Oct-21	Dec-21	\$180,000	\$180,000
VIC	Glen Eira City Council	2	Community	Caulfield Park, Caulfield	Installation of irrigation to assist watering of trees and grass in the Heritage Area of Caulfield Park	Sep-21	Dec-21	\$250,000	\$250,000
VIC	Glen Eira City Council	2	Community	Rosanna Street Reserve, Carnegie	Playground and picnic area upgrade.	Aug-21	Nov-21	\$410,000	\$410,000
VIC	Glen Eira City Council	2	Community	Harleston Park, Elsternwick	Landscaping and irrigation works to enhance gardens	Sep-21	Dec-21	\$250,000	\$100,000
VIC	Glen Eira City Council	2	Community	Caulfield Park, Caulfield North	Construction of new cricket net/all year multi-purpose sports facility as per the Masterplan	Oct-21	Dec-21	\$710,000	\$530,000
VIC	Glen Eira City Council	2	Community	Koorngang Park, Carnegie	Construction of new cricket net/all year multi-purpose sports facility as per the Masterplan	Oct-21	Dec-21	\$660,000	\$311,641
VIC	Glen Eira City Council	2	Community	Duncan Mackinnon Reserve, Murrumbeena	Supply and installation of all weather shelters to be located between netball courts to be utilised by players and spectators.	Sep-21	Oct-21	\$170,000	\$170,000
VIC	Glen Eira City Council	2	Community	Duncan Mackinnon Reserve, Murrumbeena	Conversion of existing underutilised grandstand to a purpose built office space for the Netball Association.	Oct-21	Dec-21	\$250,000	\$250,000
VIC	Glenelg Shire Council	1	Community	Merino Stock Route upgrade out the other end	Upgrade of the Merino stock route walking track will increase recreational activity to the rural Merino community.	Apr-21	Jul-21	\$53,750	\$53,750
VIC	Glenelg Shire Council	1	Community	Casterton Caravan Park - Install Camp Kitchen	No place for visitors to prepare meals	Jun-21	Sep-21	\$43,000	\$43,000
VIC	Glenelg Shire Council	1	Community	Install rubber soft fall around exercise equipment at Merino	Users find the existing sand fall makes the equipment slippery raising safety concerns. It is also messy and sticks to clothes, shoes ect and ends up on equipment.	Mar-21	Apr-21	\$53,750	\$53,750
VIC	Glenelg Shire Council	1	Community	Construct half court Basketball Court at Island Park Casterton	Improved recreation facilities in rural townships and to further enhance sporting and recreation activity.	Apr-21	Aug-21	\$66,736	\$66,736
VIC	Glenelg Shire Council	1	Community	Pathway connection Casterton (edgarly retirement to main shopping precinct)	The pathway will improve walking access to the main civic shopping precinct. Will benefit and enhance connectivity for elderly residents of the aged care facility to access town.	Sep-21	Dec-21	\$118,250	\$118,250
VIC	Glenelg Shire Council	1	Community	Build Heywood Wagon Shed	Tourism numbers increased therefore needing larger museum	Jan-21	Feb-21	\$86,000	\$86,000
VIC	Glenelg Shire Council	1	Community	Provide Kelpie Trail outdoor gym equipment, Casterton	Limited outdoor activities	Dec-20	Jun-21	\$75,250	\$75,250
VIC	Glenelg Shire Council	1	Community	Upgrade to current unsealed pathway to concrete accessible path linking public recreation facilities, Fitzroy River.	Increased accessibility to recreation and public amenities along the Fitzroy River, Heywood for both the local community and visiting tourists.	Sep-21	Dec-21	\$129,000	\$129,000
VIC	Glenelg Shire Council	1	Community	Unsealed pathway construction along the existing railway line creating a railtrail.	Increasing recreational activity in the rural township of Dartmoor for local community and visitors while showing historical railway connection.	Mar-21	Jun-21	\$134,375	\$134,375
VIC	Glenelg Shire Council	1	Community	Construction of new football scoreboard at Hanlon Park recreation reserve.	Replacement of aging scoreboard for use by local and visiting football clubs. Current scoreboard is depleted and non user friendly presenting safety concerns.	Mar-21	Jun-21	\$107,500	\$107,500

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Glenelg Shire Council	1	Community	Resurfacing of Hanlon Park netball courts and construction of seating.	Poor condition of netball facilities to be replaced to eliminate safety concerns with installation of seating for community viewing and resurfacing of courts.	Apr-21	Jun-21	\$384,750	\$384,750
VIC	Glenelg Shire Council	1	Community	Island Park Little Athletics / Cricket Club Room Renewal, Casterton	Renovation to old and outdated cricket/little athletics clubrooms to accommodate the current needs for both clubs	Dec-21	Feb-21	\$215,000	\$215,000
VIC	Glenelg Shire Council	1	Community	Upgrade heating, ventilation & air conditioning at Fawthrop Community Centre to a Building Management System (BMS)	30 year old controls mean the current system does not respond well to temperature changes, has difficulty maintaining a constant temperature, faults often and runs off a timer which is difficult to adjust for out of hours use.	Jan-21	Apr-21	\$161,250	\$161,250
VIC	Glenelg Shire Council	1	Community	Construct & erect pool shade sail Merino pool, Merino	Sun smart procedure for Council pools	Mar-21	Jun-21	\$21,500	\$21,500
VIC	Glenelg Shire Council	1	Community	Wattle Crescent & Dutton Bluff playground renewal, Portland	Dutton Bluff playgrounds recently removed due to safety concerns. Wattle Crescent playground in poor condition and requires significant maintenance to maintain safety.	Aug-21	Sep-21	\$236,500	\$236,500
VIC	Glenelg Shire Council	1	Community	Establish pump tracks at Heywood, Casterton and Portland	Caters for all ages and abilities from small children to older adults who ride bikes, scooters or skateboards	Feb-21	Dec-21	\$387,000	\$387,000
VIC	Glenelg Shire Council	2	Community	Alexandra Park Lighting Upgrade	Design and installation of upgraded lighting to improve standards, lighting levels and efficiency. Poor lighting condition and efficiency will be improved while increasing levels of lighting to allow community and sporting groups larger access and opportunities to promote and participate in local sports and events.	Aug-21	Dec-21	\$350,000	\$350,000
VIC	Glenelg Shire Council	2	Community	Alexandra Park Scoreboard	Installation of a new multi use scoreboard at Alexandra Park. Condition of the existing scoreboard is poor and unsafe for operation. Currently only services minimal purpose to all recreational user groups.	Jul-21	Dec-21	\$70,000	\$70,000
VIC	Glenelg Shire Council	2	Community	Bridgewater Amenities Upgrade	Demolition of the existing toilet amenities block and design and construction of new multi use and accessible amenities and shower block. Poor conditioning of current toilet and amenities block that currently no longer meet the required standards in a growing tourist destination.	Jun-21	Dec-21	\$650,000	\$650,000
VIC	Glenelg Shire Council	2	Community	Casterton Saleyards Upgrade	Construction of new railings, safety latches, gates within cattle pens at the Saleyards. Resheeting of truck loading bays and parking facilities.	Feb-21	Dec-21	\$100,000	\$100,000
VIC	Glenelg Shire Council	2	Community	CR Gill Pavilion Refurbishment	Renovation of internal structures and fixtures within the pavilion to ensure the building is not only user friendly, but meets all safety and compliance components.	Apr-21	Dec-21	\$262,908	\$262,908
VIC	Glenelg Shire Council	2	Community	Island Park Lighting Upgrade	Design and installation of upgraded lighting to improve standards, lighting levels and efficiency of football oval lighting at Island Park, Casterton. Poor lighting condition and efficiency will be improved while increasing levels of lighting to allow community and sporting groups larger access and opportunities to promote and participate in local sports and events.	Aug-21	Dec-21	\$450,000	\$450,000
VIC	Glenelg Shire Council	2	Community	Dartmoor Dump Point	Installation of an RV Dump Point for the use of public campers to dispose of waste safely and in an environmentally friendly manner at the Dartmoor Recreation Reserve.	Apr-21	Dec-21	\$70,000	\$70,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Glenelg Shire Council	3	Community	Thermal Loop	The thermal loop supplies hot water for heating to six community buildings including the Portland Leisure and Aquatics Centre and is around 30 years old. This proposal is to start replacing the pipeline in stages to spread the cost out over several years. Stage 1 will see the installation of new pipes in the lower section (from the pump shed to the Portland Leisure and Aquatics Centre and Fawthrop Community Centre)	Mar-22	Jun-23	\$500,000	\$500,000
VIC	Glenelg Shire Council	3	Community	Merino Transfer Station Improvements	The proposed upgrades to the Merino Transfer Station will support the community by providing user-friendly facilities and an up-to-date site. The new storage sheds will provide cover to recyclable items like e-waste, mattresses, car batteries and the alike. The current e-waste storage infrastructure at Merino Transfer Station is non-compliant in relation to EPA Victoria's standards. A new secure office will also be built within one of the shed bays and will be solar powered with battery backup. The current power supply is a generator which is around 20 years old and thus has many associated OHS risks. Merino Transfer Station will have a fully installed and plumbed toilet. The current office is an old portable from the construction of Portland Aluminum. It needs replacement as it is significantly run-down	Feb-22	Jun-23	\$150,000	\$150,000
VIC	Glenelg Shire Council	3	Community	Heywood Transfer Station Improvements	The proposed upgrades to the Heywood Transfer Station will support the community by providing user-friendly facilities and up-to-date facilities and site. The site requires new storage sheds and office with solar power and battery storage to meet environmental compliance. The new storage sheds will provide cover to recyclable items like e-waste, mattresses, car batteries and the alike. The current e-waste storage infrastructure at Heywood Transfer Station is non-compliant in relation to EPA Victoria's standards. Other items that present OHS/environmental risks will be kept out of the weather which will mitigate some of the associated risks. A new secure office will also be built within one of the shed bays and will be solar powered with battery backup. The current power supply is a generator which is around 20 years old and has many OHS risks associated with it, such as exposed leads and manual handling.	Feb-22	Feb-23	\$150,000	\$150,000
VIC	Glenelg Shire Council	3	Community	Maretimo (CF from 20/21) - Maretimo/Cavendish Street to Learmonth Street pathway construction	The route proposed includes pathway improvements from the Cavendish Street entrance to the Portland North Cemetery through to Hanlon Parade/Learmonth/Hurd Street roundabout where the pathway links with the existing footpath. Trail infrastructure is required to provide a consistent link and shared trail between the foreshore area (Visitor Information Centre) and North Portland along the cliff top. Connections with residential areas via this trail is essential to establish safe, comfortable and popular vehicle free active transport corridors.	Feb-22	Jun-23	\$270,000	\$270,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Glenelg Shire Council	3	Community	Portland Foreshore - further work on implementation of Master Plan	Ancillary works on the Portland Foreshore to support a user-friendly space and provide improved accessibility for the community and tourists. Works included will include upgrades to lighting poles, street parking, recreation activity facilities and provide safety and access to the community.	Jun-22	Jun-23	\$800,000	\$800,000
VIC	Glenelg Shire Council	3	Community	Heywood Lighting and Scoreboard	Design and Installation of upgraded lighting to improve standards, lighting levels and efficiency. Poor lighting condition and efficiency will be improved while increasing levels of lighting to allow community and sporting groups greater access and opportunities to promote and participate in local sports and events. Installation of a new multi-use scoreboard at Heywood Oval. Condition of the existing scoreboard is poor and unsafe for operation. Currently only service's minimal purpose to all recreational user groups.	Nov-21	Dec-22	\$500,000	\$500,000
VIC	Glenelg Shire Council	3	Community	Henty Street Toilet Upgrade (construction)	Existing amenities facility requires demolition and reconstruction due to poor lighting, aged facilities, inadequate family changing spaces and an inability to meet current standards regarding DDA access. This facility is adjacent to the Vline bus stop where buses come into town 24 hours a day, this high traffic demand, and the safety of visitors is of high concern.	Mar-22	Jun-23	\$600,000	\$600,000
VIC	Glenelg Shire Council	3	Community	Alexandra Park Upgrade	Design and upgrades to Alexandra Park Sporting Ground. Following the completion of sports lighting, scoreboard upgrade and pavilion works. Works to include carpark upgrade works, connecting pathways and access to clubrooms and up grandstands.	Aug-22	Jun-23	\$1,550,000	\$1,550,000
VIC	Golden Plains Shire Council	1	Community	Inverleigh sporting complex change rooms refurbishment and construction	Scheduling clashes requiring use of the same change space - additional change rooms will improve scheduling and increase participation opportunities. Privacy issues with not having suitable female/unisex change rooms. Access for time-keepers box currently through home change rooms.	Oct-21	Dec-21	\$1,777,000	\$177,700
VIC	Golden Plains Shire Council	1	Community	Maude Recreation Reserve and Bunjil Lookout - water supply	Increasing sightseeing and camping means tank water is insufficient. Increasing reliance on water cartage to replenish tanks is inefficient and sometimes results in no water being available.	Mar-21	Jun-21	\$19,500	\$15,000
VIC	Golden Plains Shire Council	1	Community	Golden Plains Shire playgrounds renewal (various locations)	A number of playgrounds across the shire are old and do not provide the play value of modern play equipment. Council's Play Space Strategy has informed the nomination of the four playground renewals.	Mar-21	May-21	\$240,455	\$240,455
VIC	Golden Plains Shire Council	1	Road	Reserve Road Dereel - bridge replacement	Bridge is load limited which prevents heavy vehicle use, including fire trucks. Several rural properties rely on the bridge to access other communities.	Dec-20	Jun-21	\$431,453	\$431,453
VIC	Golden Plains Shire Council	1	Community	Bannockburn skate park upgrade	Crime reduction and increase in community perception of safety in community spaces. Current facility is tired there is an increase in graffiti and petty crime. There is also a sharp right-hand bend in the adjacent road that cause a perception of risk for users.	Apr-21	Sep-21	\$449,900	\$100,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Golden Plains Shire Council	1	Community	Bannockburn Youth Hub	This project is required to address a critical gap in local infrastructure in one of the fastest growing regional municipalities in Victoria to address youth needs in the community. The facility includes a suitable space for workshops, training and meetings.	Feb-21	Jun-21	\$561,752	\$100,000
VIC	Golden Plains Shire Council	1	Road	Upgrade (seal) of recreation reserve entrance and carpark improvement at Bannockburn	The three reserves nominated are highly used sporting precincts within the Shire. At present the entrances to the reserves are unsealed roadways. The proposal will seal the entrances to minimise future maintenance and improve vehicle accessibility. In addition, the car parking at the municipality's major sporting venue in Bannockburn is proposed to be sealed.	Sep-21	Dec-21	\$300,000	\$269,047
VIC	Golden Plains Shire Council	2	Road	Upgrade Bunninyong - Mt Mercer Road / Hardies Hill Road, Garibaldi intersection	Category: Reconstruction Upgrade intersection to improve safety.	Jul-21	Oct-21	\$250,000	\$250,000
VIC	Golden Plains Shire Council	2	Road	Upgrade Derwent Jacks Road / Snow Gum Road / Reef Road / Chromes Road, Berringa intersection	Category: Reconstruction Upgrade of multi road intersection to improve safety.	Jul-21	Oct-21	\$250,000	\$250,000
VIC	Golden Plains Shire Council	2	Community	Upgrade Enfield Playground	Category: Playgrounds and Skate parks (including all ability playgrounds) This project includes the upgrade of play space elements to improve play diversity and encourage community use across the age spectrum.	Sep-21	Dec-21	\$250,000	\$250,000
VIC	Golden Plains Shire Council	2	Community	Bannockburn Skate Park Upgrade	Category: Playgrounds and Skate parks (including all ability playgrounds) This project will rejuvenate the existing skate park elements and include the construction of new, diverse skate park elements to provide increased opportunities for use and for people of all abilities. It will also include the development of social infrastructure to improve public safety and security at the site and the broader precinct.	Apr-21	Sep-21	\$449,000	\$99,000
VIC	Golden Plains Shire Council	2	Community	Lethbridge Cricket Net Upgrade	Category: Sporting and recreation facilities This project involves the construction and relocation of a new 3 bay cricket training facility which meets Cricket Australia facility standards and addresses current safety issues.	Jul-21	Oct-21	\$170,000	\$145,000
VIC	Golden Plains Shire Council	2	Road	Replace bridge guardrails at various locations	Category: Bridge Works Council manages some 138 bridges across the shire. A number of guardrails on these bridges across the shire need replacement.	Jul-21	Oct-21	\$200,000	\$200,000
VIC	Golden Plains Shire Council	2	Road	Paddys Gulley Road Bridge Replacement, Rokewood	Category: Bridge Works Replace ageing single span timber bridge which is in poor condition and limited to 10 tonnes.	Jul-21	Dec-21	\$650,000	\$318,680
VIC	Golden Plains Shire Council	2	Road	Wallace Street, Meredith Drainage Upgrade	Category: Reconstruction. Improve drainage infrastructure in the Meredith township subject to regular localised flooding	Oct-21	Dec-21	\$50,000	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Golden Plains Shire Council	2	Community	Lethbridge Lakes Open Space Infrastructure Safety Upgrades (Stage 1)	Category: Sporting and recreation facilities. The boardwalk is well out of date in relation to standards for infrastructure over/adjacent to water bodies, its uneven, unstable and doesn't align with the banks. Renewal and upgrade of multiple open space infrastructure items to address safety concerns and public access issues. Works include but are not limited to surface treatments, furniture renewal and access management. The initial Stage 1 of \$100K to be used to address safety issues.	Oct-21	Dec-21	\$95,000	\$95,000
VIC	Hepburn Shire Council	1	Community	Fairview Estate, Clunes - Trail Loop	Lack of walking trail and pedestrian connections	Mar-21	May-21	\$300,000	\$300,000
VIC	Hepburn Shire Council	1	Community	Doug Lindsay Recreation Reserve, Creswick - Security Lighting & Shared Pathway	Doug Lindsay Reserve infrastructure commenced approximately 10 years ago. The large reserve is currently used for AFL, Netball, Cricket, Soccer and Bowling. However, there is a lack of passive recreation facilities which discourages frequent use. As a result, the reserve has been a target of anti-social behaviour, vandalism and burglaries, further impacting on community use.	Mar-21	Feb-22	\$280,000	\$280,000
VIC	Hepburn Shire Council	1	Community	Daylesford - Coomoora Trail Construction - Stage 2	Lack of Coomoora community pedestrian access to Daylesford	May-21	Oct-21	\$128,000	\$128,000
VIC	Hepburn Shire Council	1	Community	Clunes Railway Station to Township - Connecting Footpath Construction	Lack of formalised pedestrian access to public transport	Oct-20	Nov-20	\$100,000	\$100,000
VIC	Hepburn Shire Council	1	Community	Creswick Railway Station to Township - Connecting Footpath Construction	Lack of formalised pedestrian access	Dec-20	Jan-21	\$49,200	\$49,200
VIC	Hepburn Shire Council	1	Community	Clunes Creek Walk, Clunes & Wombat Trail, Trentham - Outdoor Fitness Equipment	Neither the Trentham or Clunes or communities' have existing access to locally based and free use outdoor adult fitness equipment. The Hepburn Shire currently has only one free use outdoor adult fitness space within the Shire located in Creswick. As such, the Trentham and Clunes communities' have to travel 51km (or 40min drive) and 18km (or 14min drive) respectively. Neither of the Trentham or Clunes communities' have local and/or free access to a diversity of outdoor fitness opportunities to further improve their physical and mental health and wellbeing.	Oct-21	Dec-21	\$91,630	\$41,630
VIC	Hepburn Shire Council	1	Road	Wills Street, Creswick - Drainage Upgrade Works	Currently the water flows overland through an open swale and discharges at the East side of the service road causing erosion and access issues along the service roads affecting the adjacent properties	Jun-21	Jun-21	\$40,000	\$40,000
VIC	Hepburn Shire Council	1	Community	Angus Street, Clunes - Footpath Renewal	Current asphalt footpath is at end of life and needs to be replaced. Given the reactive clay in Clunes the replacement path will be concrete	Jun-21	Jun-21	\$30,000	\$30,000
VIC	Hepburn Shire Council	2	Combination	Municipal Footpath Expansion and Renewal Program	Bicycle and Walking Paths. This project is Councils annual footpath expansion program and will deliver several new footpath connections in townships across the shire	Sep-21	Dec-21	\$504,053	\$504,053

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Hepburn Shire Council	2	Road	Drainage Renewal Program - Central Springs Rd, Daylesford	Drainage This project kerb and remove a drainage issues on Central Springs Road. Scope also involves relocating existing footpath in this area	Aug-21	Dec-21	\$70,000	\$70,000
VIC	Hepburn Shire Council	2	Road	Road Rehab Renewal Program Daylesford Clunes Rd, Smeaton	Reconstruction Project will reconstruct and widen a 1.6km section of Daylesford Clunes Road in Smeaton	Sep-21	Dec-21	\$500,000	\$250,000
VIC	Hepburn Shire Council	2	Road	Road Rehab Renewal Program Orford Street Daylesford	Reconstruction Project will reconstruct and upgrade two sections of Orford Street Daylesford including all drainage upgrades	Aug-21	Nov-21	\$160,000	\$160,000
VIC	Hepburn Shire Council	2	Community	Newlyn Cricket Net Construction	Sporting and recreation facilities Project will construct new cricket nets at Newlyn oval	Sep-21	Dec-21	\$140,000	\$81,766
VIC	Hindmarsh Shire Council	1	Community	Construction of a concrete footpath	Currently pedestrians walk along the nature strip which is dirt/grass or are forced to walk along the road.	Sep-20	Nov-20	\$90,248	\$51,210
VIC	Hindmarsh Shire Council	1	Road	Reconstruction and widening of Woorak-Ni-Ni-Lorquon road	Narrow seal on well used truck route can be dangerous when vehicles pass and are forced onto unsealed shoulders.	Jan-21	Oct-21	\$794,201	\$794,201
VIC	Hindmarsh Shire Council	1	Road	Reconstruction of Perenna Road and Netherby-Lorquon Road Intersection	Failed pavement and poor drainage.	Jan-21	Jun-21	\$95,433	\$95,433
VIC	Hindmarsh Shire Council	1	Road	Widening of road - Salisbury-Woorak Rd	Steep drop offs at the edge of the road.	Mar-21	Oct-21	\$139,954	\$139,954
VIC	Hindmarsh Shire Council	2	Community	Nhill Sporting Facilities	This project will upgrade the facilities at Davis Park Nhill, including new change rooms, club rooms and netball court	Mar-22	Jun-22	\$427,000	\$200,000
VIC	Hindmarsh Shire Council	2	Community	Jeparit Camp Kitchen	Picnic Shelters or Barbeque Facilities at Community Parks - This project will erect a Camp Kitchen opposite the Jeparit Caravan Park at the Jeparit Riverside precinct, including associated walking paths and landscaping. The proposed design incorporates two electric barbeques, a sink with running water, and stainless steel benches. The Camp Kitchen will be erected on a concrete base and be accessed by an all abilities path.	Feb-22	Apr-22	\$200,000	\$200,000
VIC	Hindmarsh Shire Council	2	Community	Nhill Tennis Club Sporting Facilities	This project will build a new club room for Nhill Tennis Club consisting of a building with open plan space, all abilities amenities and storage, and a large verandah on the front for viewing tennis games. Nhill Tennis Club rooms were demolished following a wind event which ripped part of the roof off. Currently the club have a non-satisfactory facility and are hiring toilets for game days	Feb-21	Dec-21	\$250,000	\$250,000
VIC	Hindmarsh Shire Council	2	Community	Rainbow Library Community Park	Picnic Shelters or Barbeque Facilities at Community Parks - The project will consist of an all abilities path, open space grassed areas, tree planting, shade structures and picnic areas, as well as an interpretive display of local history.	Mar-22	May-22	\$100,000	\$100,000
VIC	Hindmarsh Shire Council	2	Community	Rainbow Lake	This project will purchase and install picnic tables, electric BBQ's, toilets, at the Rainbow Lake on the Dimboola Rainbow Road, Rainbow. Rainbow Lake will be a recreational facility used by community members and tourists	Mar-21	Dec-21	\$90,000	\$90,000
VIC	Hindmarsh Shire Council	2	Community	Commercial Carpark - Nhill	This project will support tourism and local community members in Nhill with the installation of Electric charging stations for electric/hybrid cars. The carparking area will be repaved with a footpath installed	Feb-21	Dec-21	\$27,423	\$27,243

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Hindmarsh Shire Council	3	Community	Rainbow Changerooms	[Toilet Blocks] – This project will construct change rooms at Rainbow Caravan Park and Recreation Reserve, including all abilities access and parking.	Feb-22	Jul-22	\$579,667	\$253,027
VIC	Hindmarsh Shire Council	3	Community	Jeparit Swimming Hole Retaining Wall and Decking	[Improved Accessibility of Community Facilities and Areas] – This project will see the construction of new a retaining wall and decking at the Jeparit Swimming Hole	Feb-22	Dec-22	\$300,000	\$300,000
VIC	Hindmarsh Shire Council	3	Road	Dimboola Civic Precinct Carpark, laneway and rear lane road sealing	[Reconstruction] – This project will see the sealing or the carpark at the Dimboola Civic Precinct, sealing of the rear lane road between Wimmera Street and the carpark and sealing of the laneway between the Lochiel Street and the public amenities.	Sep-22	Dec-22	\$200,000	\$200,000
VIC	Hobsons Bay City Council	1	Road	Rennie Street Williamstown reconstruction	Non-compliant footpath; trees not suitable species and damaging road surface; ongoing drainage issues; complaints from residents about condition of the road.	Mar-21	Nov-21	\$477,000	\$477,000
VIC	Hobsons Bay City Council	2	Road	Aloha Street, South Kingsville, between New St & Stephenson St	Rebuilding a road that already exists so as to return it to its original condition	Jan-22	May-22	\$950,000	\$800,000
VIC	Hobsons Bay City Council	2	Road	Blenheim Road, Altona North, between Wood Street & Mason Street	Rebuilding a road that already exists so as to return it to its original condition	Jan-22	Jun-22	\$1,000,000	\$900,000
VIC	Hobsons Bay City Council	2	Road	Truman Street, South Kingsville, between Aloha Street & Brunel Street	Rebuilding a road that already exists so as to return it to its original condition	Jun-21	Oct-21	\$950,000	\$887,676
VIC	Hobsons Bay City Council	2	Road	Keen Street, Newport	Rebuilding a road that already exists so as to return it to its original condition	Oct-21	Jan-22	\$420,000	\$300,000
VIC	Horsham Rural City Council	1	Community	Various Footpath Repairs	Uneven, damaged and inaccessible footpaths	Nov-20	Jun-21	\$3,000,000	\$150,000
VIC	Horsham Rural City Council	1	Community	Horsham Town Hall - Sound Banners	In the original auditorium design banners were used to absorb sound for live amplified performances. Currently the sound reflects off the walls and causes a distortion for patrons and artists on stage who hear the sound coming back at them.	Mar-21	May-21	\$150,000	\$150,000
VIC	Horsham Rural City Council	1	Community	Horsham Town Hall - Lighting	The existing lighting system is not controllable as per industry standards, is overly complex to operate and does not dim correctly. Touring shows are not able to control lights as required. Drivers and the power distribution rack have partially failed.	Feb-21	Apr-21	\$50,000	\$50,000
VIC	Horsham Rural City Council	1	Community	Jung Peppercorn Park - Lighting	The park currently has no lighting, and is not illuminated by street lighting. Installation of lighting will improve the safety and amenity of the public space allowing it to be used in the evenings for recreational purposes	Feb-21	Apr-21	\$20,000	\$20,000
VIC	Horsham Rural City Council	1	Community	Mitre Hall - Kitchen	Existing kitchen facilities are over 40 years old, and in urgent need of replacement, to provide a hygienic and modern community asset.	Feb-21	May-21	\$40,000	\$40,000
VIC	Horsham Rural City Council	1	Road	Park Drive - Drainage	The current roadside is un-kerbed, resulting in people parking in inappropriate locations, and damaging the natural drainage in the area.	Apr-21	Jun-21	\$180,000	\$180,000
VIC	Horsham Rural City Council	1	Community	Quantong Recreation Reserve - Improvements	The galvanised iron roof has been damaged by Corellas, who pull out the roofing screws. The installation of solar power and LED lights will reduce costs to the local community who pay for services to the Centre.	Mar-21	May-21	\$20,000	\$20,000
VIC	Horsham Rural City Council	1	Road	Roberts Avenue - Drainage	The kerb and channel in this area is degraded, causing drainage failure and safety issues. This section of street contains a primary school and a childcare centre.	Apr-21	Jun-21	\$156,000	\$156,000
VIC	Horsham Rural City Council	1	Community	Taylors Lake Hall - Ceiling	The existing ceiling sheeting in the hall is dislodged and in danger of falling, and the lighting is via old fluorescent tubes. This project will improve energy efficiency.	Feb-21	May-21	\$12,000	\$12,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Horsham Rural City Council	1	Community	Walmer Crossing - Culvert	During periods of environmental releases or other small-medium flows in the Wimmera River, this crossing is inaccessible to pedestrians. A larger capacity culvert will enable the walking loop to be accessed throughout the year	May-21	Jun-21	\$80,000	\$80,000
VIC	Horsham Rural City Council	1	Community	Horsham Botanical Gardens - Sealing Major Pathways	The current pathways in botanical gardens are unsealed causing inconvenience to community and posing potential slip hazard during wet season.	May-21	Jun-21	\$100,000	\$50,000
VIC	Horsham Rural City Council	1	Community	The Station - Lanscaping Community Space	Currently there are multiple community spaces which are used by young people however as identified in Council's Youth Strategy there is a need for affordable places and activities for young people aged 15 and older, Aboriginal and Torres Strait Islander young people, and young people who are not involved in sport. The aim is to create a public space which is welcoming to young people, where they can spend time in positive but unstructured activities, and a place that can support after hours recreation activities.	May-21	Jun-21	\$189,396	\$189,396
VIC	Horsham Rural City Council	1	Community	Horsham Town Hall - Counterweight Fly-Lines	The Horsham Town Hall fly-tower has been designed to hold 40 counterweight fly-lines for full functionality. Only 26 Fly-lines were installed during construction due to budget constraints, together with the support structure for the remaining 14 fly-lines. Fly-lines are designed to allow scenery and lighting etc to be hung in exact locations to allow for the artistic design of the show. Because of the limited amount of fly-lines available at present, this becomes problematic during productions.	May-21	Jun-21	\$129,250	\$100,000
VIC	Horsham Rural City Council	1	Community	Horsham Town Hall - Visitor Services Digital Resources	The Visitor Information Center currently lacks electronic resources and relies heavily on printed brochures and guides. Installation of touch-activated screens, large displays and integrated tablets will allow visitors to get information in their preferred medium. It will allow better presentation and display of regional stories and experiences offering a real-life sample of what visitors can see and do.	May-21	Jun-21	\$50,000	\$50,000
VIC	Horsham Rural City Council	1	Road	Natimuk Road, Horsham - Tree Hazard	The old sugar-gum trees are dying and pose a safety hazard.	May-21	Jun-21	\$75,000	\$26,000
VIC	Horsham Rural City Council	1	Community	Wotonga Basin - Irrigation System Upgrade	The current irrigation system is unable to meet irrigation needs particularly in summer and needs to be upgraded. The irrigation demand is projected to increase further with the development of the riverfront precinct and addition of nature strips across CBD. Decommissioning and relocation of current irrigation tanks is also required to enable the development of riverfront precinct.	May-21	Jun-21	\$367,000	\$155,000
VIC	Horsham Rural City Council	2	Community	Hamilton Street Pedestrian Bridge	Construction of a new pedestrian bridge over the Wimmera River to provide linkages for communities in new estates to schools, recreation facilities and the Central Activity District	Aug-21	May-22	\$2,450,000	\$1,125,924
VIC	Horsham Rural City Council	2	Community	Horsham Nature and Water Play Park	Construction of a new nature and water play park along the Wimmera River in central Horsham. All ability focus.	Oct-21	Jun-22	\$2,453,000	\$350,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Hume City Council	1	Road	Reconstruction of the road between Johnstone Street and Kinniard Street	The road is in need of reconstruction to ensure long-term asset performance and for safe access in and out of residential properties. The project will also provide additional on street car parks to reduce impact on residents from Broadmeadows Hospital overflow parking	Nov-20	Mar-21	\$730,000	\$730,000
VIC	Hume City Council	1	Road	Reconstruction of the road and upgrade of the underground storm water drainage.	The road is in need of reconstruction to ensure long-term asset performance and for safe access in and out of residential properties	Nov-20	Mar-21	\$920,000	\$888,480

VIC	Hume City Council	2	Community	Sports Lighting Upgrades at recreation facilities in Sunbury	<ul style="list-style-type: none"> John McMahon Reserve Diamond 2 (Softball) Lighting Sunbury Aquatic And Leisure Centre Tennis Court 1-3 Lighting Langama Park Reserve Pitch 2&3 Lighting Langama Park Reserve Pitch 4&5 Lighting 	Sep-21	Dec-21	\$1,750,000	\$1,550,000
VIC	Hume City Council	2	Community	Greenvale Recreation Reserve Playspace, Section Road Greenvale	Construction of a new playground at the Greenvale Recreation Reserve.	Jul-21	Nov-21	\$850,000	\$350,000
VIC	Hume City Council	2	Community	Mt Holden Master Plan Implementation, 1/9 Wedmore Cres, Sunbury VIC 3429	Walking trails throughout Mt Holden.	Jul-21	Nov-21	\$1,843,000	\$1,047,869
VIC	Hume City Council	2	Community	Mt Holden Master Plan Implementation, 1/9 Wedmore Cres, Sunbury VIC 3429	Walking trails throughout Mt Holden			\$1,000,000	\$500,000
VIC	Indigo Shire Council	1	Community	Buttson Park - Water Bubblers	Insufficient access to wheelchair friendly drinking fountains in key areas across the Shire.	Jul-20	Jun-21	\$15,000	\$15,000
VIC	Indigo Shire Council	1	Community	Stanley Street - Footpath	There is only a small dirt walking track between the Indigo Creek Park and the Sports Park which gets very muddy over winter and has hazardous long grass (snake habitat). This new path will create a safe link from the school to the sports park.	Jul-20	Oct-20	\$25,000	\$25,000
VIC	Indigo Shire Council	1	Road	Blanch Street - Widening	Blanch Street is a vital link between the residential area of town and the Wahgunyah sporting precinct. There is no footpath at this crossing creating a dangerous situation with vehicles and pedestrians using the road to cross Sunday Creek.	Aug-20	May-21	\$120,000	\$120,000
VIC	Indigo Shire Council	1	Community	Barkley Street - Footpath	A large number of Wahgunyah residents either walk down the edge of the busy road because there is no footpath or on the road side in the long grass which is a hazard. In previous years Council have supplied solar lighting for the future footpath.	Dec-20	Dec-20	\$95,000	\$95,000
VIC	Indigo Shire Council	1	Community	Kiewa East Road - Footpath	The existing footpath is very old and narrow (700mm) and does not provide for wheelchairs or support the high volume of pedestrian traffic now accessing the school. The existing path is also very cracked with multiple significant tripping hazards	Jul-20	Nov-20	\$78,750	\$78,750
VIC	Indigo Shire Council	1	Road	Rutherglen Roundabout - Maintenance	As the main entrance to the town the roundabout planting is shabby. Road user line of sight is poor and directional signage unclear.	Feb-21	Jun-21	\$90,000	\$90,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Indigo Shire Council	1	Community	High Street, Beechworth - Footpath	The existing footpath is gravel which can get muddy over winter and dusty throughout summer. High Street has high volume of local and tourist pedestrian traffic and does not cater well for wheelchair users.	Aug-20	Feb-21	\$122,250	\$122,250
VIC	Indigo Shire Council	1	Community	Ford and Camp Street Roundabout - Renewal	The existing concrete path has cracked over the years largely due to the heritage elms trees. This cracking has significantly damaged the tactile indicators which are now no longer compliant.	Jul-20	Dec-20	\$15,000	\$15,000
VIC	Indigo Shire Council	1	Community	Main Street, Chiltern - Footpath	The existing footpath is narrow and has multiple significant hazardous trip hazards. One section of the path is still dirt.	Jul-20	Dec-20	\$90,000	\$77,000
VIC	Indigo Shire Council	1	Road	Skerry Street - Drainage	This is a low lying area with several residents that are often impacted by flooding. There is often significant water damage done to the road surface.	Aug-20	May-21	\$40,000	\$40,000
VIC	Indigo Shire Council	1	Community	Chiltern Senior Citizen - Footpath	There is no direct footpath link between the town center and the recreation reserve. Residents are walking down the roads. There is only one section of path remaining to complete the link. There senior citizens need more DDA parking and compliant access to the hall.	Jul-20	Jun-21	\$50,000	\$50,000
VIC	Indigo Shire Council	1	Community	Yackandandah Memorial Garden - Repairs	The existing wrought iron panels are rusting and need to be stripped back, galvanised and painted again. Also the concrete pillars supporting the panels have some elements of concrete cancer.	Jul-20	Dec-20	\$70,000	\$40,000
VIC	Indigo Shire Council	1	Community	Yackandandah Creek - Footpath	The naturally challenging terrain and dividing busy roads have created pockets around the town without direct accessible routes of access. The new path will connect these pockets and provide a safe underpass under the Myrleford-Yackandandah road connecting Wellsfor street and the primary school to families on the other side.	Sep-20	Nov-21	\$300,000	\$300,000
VIC	Indigo Shire Council	2	Road	Beechworth Footpath Extension	Extension of existing bicycle and footpath network	Aug-21	Sep-21	\$85,000	\$85,000
VIC	Indigo Shire Council	2	Road	Beechworth footpath Disability Risk Reduction	Addressing trip hazards and tactiles at town crossings in the existing bicycle and footpath network	May-21	Aug-21	\$40,000	\$40,000
VIC	Indigo Shire Council	2	Road	Rutherglen Service Station Footpath Improvements	Renewal of existing bicycle and footpath network to improve amenity and safety	Aug-21	Aug-21	\$40,000	\$40,000
VIC	Indigo Shire Council	2	Road	Yackandandah Church Street Footpath	Bicycle and footpath link to future bridge location to connect with rail trail and Rowdy Flat	Mar-21	Sep-21	\$45,000	\$45,000
VIC	Indigo Shire Council	2	Road	Chiltern Conness Street Footpath	Construction of bicycle and footpath from Oxford Street to Albert Road. Requires culvert widening.	Aug-21	Nov-21	\$87,000	\$87,000
VIC	Indigo Shire Council	2	Road	Rutherglen Murray Street Footpath	Footpath between Fortune and Murphy Streets. Gap in bicycle and footpath network for school traffic	Sep-21	Oct-21	\$55,000	\$55,000
VIC	Indigo Shire Council	2	Road	Alma Road Off Road Cycling Track	Off road bicycle and footpath track to link town to the Mountain Bike Park	Dec-21	Jan-22	\$102,250	\$102,250
VIC	Indigo Shire Council	2	Community	Stanley Recreation Reserve	Installation of water and septic tanks to recreation reserve building to improve community facilities	Aug-21	Sep-22	\$40,000	\$40,000
VIC	Indigo Shire Council	2	Community	Kiewa Memorial Park	Upgrade to building to improve community facilities – existing project already in place. Additional funds	Sep-21	Mar-22	\$880,000	\$250,000
VIC	Indigo Shire Council	2	Community	Tangambalanga Playground renewal works	Renewal of playground equipment at Banksia Park in Tangambalanga	Nov-21	Nov-21	\$30,132	\$30,132
VIC	Indigo Shire Council	2	Road	Battery Road Rutherglen road sealing	Sealing of road towards key tourism facility with increasing traffic	Apr-21	Jun-21	\$60,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Indigo Shire Council	2	Road	Urban and rural Road Sealing Alma Road Beechworth	Top priority for both Urban and Rural sealing lists. Scoped and ready for design and construction	Nov-21	Dec-21	\$260,000	\$260,000

VIC	Indigo Shire Council	3	Community	Kiewa River, Kiewa	Landscaping improvements. Provide community space and access to the Kiewa River	Jul-22	Nov-22	\$30,000	\$30,000
VIC	Indigo Shire Council	3	Road	High Street, Rutherglen	Drainage. New kerb and channel on High Street, Rutherglen	Sep-22	Dec-22	\$90,000	\$90,000
VIC	Indigo Shire Council	3	Road	Havelock Street, Barnawartha	Drainage. New kerb and channel on Havelock Street, Barnawartha.	Sep-22	Dec-22	\$80,000	\$80,000
VIC	Indigo Shire Council	3	Road	Various location in Beechworth	Drainage. Repair and reinstate failing heritage granite gutters.	Oct-22	Apr-23	\$100,000	\$100,000
VIC	Kingston City Council	1	Community	Rehabilitation of Long Beach Trail recreational path and linking paths - Reconstruction and drainage improvement to granitic sand pathways improving safety, amenity and all weather accessibility. The LCRI grant will fund approximately 1.8km of path rehabilitation.	The Long Beach Trail was established in the 1980's, it is a highly used community asset in need of major rehabilitation beyond normal maintenance practices. Poor shape and drainage has large sections subjected to rutting, washouts and standing water. Some sections are boggy and almost impassable after heavy rain.	Nov-20	Jun-21	\$1,400,000	\$817,982
VIC	Kingston City Council	2	Community	Ben Kavanagh Reserve, Mordialloc - Off Road Carpark Construction	Construction/ upgrade of off-road carpark with disabled parking and solar lighting. Funding enables bring forward of master plan development. Carpark services, new netball courts, bowls club and recreational facilities. Carpark design is ready for tender advertisement	May-21	Aug-21	\$500,000	\$500,000
VIC	Kingston City Council	2	Community	Playspace Upgrades	Bring forward 2022 playground upgrade works for three sites: Hendon Court, Clarinda; Sherbrooke Ave, Oakleigh Sth; Harbour Town, Patterson Lakes. All these projects have been through consultation and design, ready for documentation to tender.	Jun-21	Dec-21	\$600,000	\$600,000
VIC	Kingston City Council	2	Community	Dolamore Reserve Athletics Track, Mentone - Rehabilitation	Rehabilitation of Athletic Track. Council has committed \$1.5M to this project. Investigations have found tree root damage being more extensive than first expected which will require additional funding for track repair and root barriers to deliver a holistic project.	Mar-21	Aug-21	\$1,800,000	\$300,000
VIC	Kingston City Council	2	Combination	Mentone Foreshore Precinct Development – Beach Access Ramp	This project is the first stage of a \$14M redevelopment of the Mentone Foreshore Precinct (includes Life Saving Club). LRCI funding is sought for the construction of a beach access ramp and associated retaining walls. Approval has been obtained from DELWP. The ramp will be used for Emergency vehicles, Life Saving Club and maintenance access to the beach from the cliff top. This component has been identified for LRCI funding as will be completed by Dec 2021.	Jun-21	Dec-21	\$500,000	\$500,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Kingston City Council	2	Road	Governor Rd, Braeside – Burdekin Blvd to Springvale Road – Shared path Construction	Construction of road side shared path (Granitic sand) linking the suburb of Waterways to Braeside Park and connecting through to exiting paths in Springvale Road. Approx 0.7km. Presently an unbudgeted project with community interest/requests. Design has commenced, will need to include improvement to road side drainage.	Jul-21	Dec-21	\$700,000	\$700,000
VIC	Kingston City Council	2	Combination	Carrum Foreshore Carpark reconfiguration	Reconfiguration of unconstructed gravel off-road carpark to constructed indented parking via an access road. Improves traffic flow, less dust and creates a larger passive foreshore grassed area. DELWP have supported the concept as reduces footprint and creates more usable recreational space.	Aug-21	Dec-21	\$150,000	\$150,000
VIC	Kingston City Council	2	Combination	Longbeach Trail Rehabilitation Stage 2 – Thames Promenade to Mordialloc Creek	Continuation from LRCI Phase 1 Project (2.3km) Longbeach Trail is 7.5km long and is requiring rehabilitation of its full length. This \$500k nomination is a conservative estimate of works that may be deliverable by end Dec 2021. This may be increased to optimise community benefit of LRCI Overall project estimate is \$2.3M which Council will continue implementation over subsequent financial years.	Jul-21	Dec-21	\$500,000	\$500,000
VIC	Kingston City Council	2	Combination	Parkdale Yacht Club Disabled carpark and access	Parkdale Yacht Club, Parkdale is presently undergoing reconstruction. This project is to improve disability access to this community facility and the foreshore through the construction of hardstand disabled carparking, modifications to adjacent bus stop and the creation of linking paths. These disabled facilities are for public use and provide opportunity for disabled persons to access and enjoy the foreshore.	Apr-21	Jun-21	\$80,000	\$80,000
VIC	Kingston City Council	2	Community	CCTV Installations	Council is seeking to install CCTV coverage in four high activity locations: -Mordialloc Pier and Creek -Centreway Mordialloc & Station -The Strand, Chelsea -The Avenue, Chelsea LRCI funding will enable purchase and installation of cameras and recording equipment. These locations are supported by Victoria Police for CCTV coverage.	Jul-21	Dec-21	\$250,000	\$250,000
VIC	Kingston City Council	2	Combination	Baxter Drv, Jarrah Drv, Malcolm Road Footpath Construction	Construction of new footpaths, Baxter Drv / Jarrah Drv & Malcolm Road, Braeside. This is an industrial precinct with many small businesses. Construction of footpaths will improve pedestrian safety and stimulate economic activity. Baxter Drv and Jarrah Drv have no footpaths at all,. Malcolm Road has missing links. This funding will construct all weather concrete footpaths so pedestrians are not forced to walk on the road pavement. LRCI funding will enable these works to be brought forward.	Jul-21	Nov-21	\$400,000	\$400,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Kingston City Council	2	Community	Chelsea Library Internal Refurbishment	Internal refurbishment of Chelsea Public Library to create a more open plan entry and circulation space with casual reading areas, Internet browsing space and relocating the customer service desk. LRCI funding will enable these works to be brought forward.	Oct-21	Dec-21	\$750,000	\$500,000
VIC	Kingston City Council	2	Combination	Wells Road Shared Paths (Thames Promenade to Boundary Road)	Shared Path reconstructions and upgrades to comply with modern standards. This is first stage of a \$1m+ program of works upgrading over 5km of shared user paths along the Wells Road Corridor. This project is Kingston's balancer, which can be reduced or increased to optimise LRCI allocation expenditure.	Aug-21	Dec-21	\$158,000	\$158,000
VIC	Kingston City Council	2	Community	GR Bricker Reserve, Moorabbin. Construction of carpark	Construction of off street carpark servicing multisport reserve with Football, Cricket, Athletics and Dog Obedience training	Sep-21	Dec-21	\$250,000	\$250,000
VIC	Kingston City Council	2	Community	1230 Nepean Highway, Cheltenham – Exterior Painting and Maintenance	1230 Nepean Highway, Cheltenham is the municipal office for Kingston Council. The six level building constructed in the late 1980's is requiring repainting of the full exterior along with maintenance of exterior lighting and window frames.	Sep-21	Dec-21	\$200,000	\$200,000
VIC	Knox City Council	1	Community	Mountain Highway: Construction of 895 metres of 3.0 metre wide shared path	This path is adjacent to Mountain Highway, a major arterial road. It will remove a significant missing link in Council's shared path network from Bayswater Station, Shopping Centre and residential area to the Bayswater Business Precinct, a major employment precinct. The path will provide a much needed asset to encourage and maintain the increase in walking and cycling that is currently happening. It provides a safe off road path to cater for people to walk or cycle to places of employment, shopping and recreational facilities.	Feb-21	Apr-21	\$365,000	\$300,000
VIC	Knox City Council	1	Community	Marie Wallace Bayswater Park: Creation of a new modular facility, incorporating	nadequate facilities for female football and cricket players to get changed in prior to participating in sport. These poor facilities continue to prove a barrier to female sporting participation within the community.	May-21	Nov-21	\$1,030,594	\$232,902
VIC	Knox City Council	1	Community	Ferntree Gully Road: Construction of 625 metres of 3.0 metre wide shared path	This path is adjacent to Ferntree Gully Road, a major arterial road. The path will remove a section of missing link in Council's shared path network completing the link from Scoresby Village Shopping Centre and residential precinct to the Knoxfield Industrial Precinct, Shopping Centre and Regional Softball, Skateboard and BMX Parks. It will provide a much needed asset to encourage and maintain the increase in walking and cycling that is currently happening. It provides a safe off road path to cater for people to walk or cycle to places of employment, shopping and recreational facilities.	Feb-21	May-21	\$255,000	\$200,000
VIC	Knox City Council	2	Community	Footpath Construction: Glenfern Road, Ferntree Gully (Norman St to Trafalgar St)	Works involving pedestrian infrastructure. Providing local pedestrian access.	Jun-21	Aug-21	\$191,810	\$126,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Knox City Council	2	Community	Footpath Construction: Bergins Road, Rowville – Buckingham Dr to Liberty Avenue.	Works involving pedestrian infrastructure. Providing local pedestrian access.	Jul-21	Sep-21	\$129,998	\$129,998
VIC	Knox City Council	2	Community	Footpath Construction: Malvern Street, Bayswater – Scoresby Road to Edelmaier	Works involving pedestrian infrastructure. Providing local pedestrian access.	Jun-21	Dec-21	\$100,000	\$100,000
VIC	Knox City Council	2	Community	Shared path construction: High Street Road, Wantirna South – Knox Gardens Shops to Stud Road	Works involving cycling and pedestrian infrastructure. Providing missing link in cycle path system.	Jun-21	Aug-21	\$346,500	\$346,500
VIC	Knox City Council	2	Community	Shared path construction: Burwood Highway, Knoxfield – High Street Road to Scoresby Road	Works involving cycling and pedestrian infrastructure. Providing missing link in cycle path system.	Jul-21	Sep-21	\$400,000	\$400,000
VIC	Knox City Council	2	Community	Shared path construction: Napoleon Road, Lysterfield - Anthony Drive to Park Road, Lysterfield.	Works involving cycling and pedestrian infrastructure. Providing missing link in cycle path system.	Jun-21	Aug-21	\$155,925	\$155,925
VIC	Knox City Council	2	Road	Road Reconstruction: Manuka Drive, Ferntree Gully - Park Blvd to Western Road	Work to reconstruct a road.	Aug-21	Dec-21	\$365,000	\$365,000
VIC	Knox City Council	2	Road	Carrington Park Multipurpose Facility - Forecourt, Access Road and Car Park upgrade (Civil Works)	Off road car parks, Landscaping Improvements	Jun-21	Nov-21	\$1,490,000	\$400,000
VIC	Knox City Council	2	Community	Windermere Reserve, Ferntree Gully – Oval Upgrade	Sporting and recreation facilities. Works to upgrade, repair and maintain sporting oval.	Aug-21	Dec-21	\$1,350,000	\$1,350,000
VIC	Knox City Council	2	Community	Lewis Park - Floodlighting Upgrade	Sporting and recreation facilities. Works to upgrade, repair and maintain sporting floodlighting.	Aug-21	Dec-21	\$250,000	\$250,000
VIC	Knox City Council	2	Community	Templeton Reserve - Floodlighting Upgrade	Sporting and recreation facilities. Works to upgrade, repair and maintain sporting floodlighting.	Aug-21	Dec-21	\$250,000	\$250,000
VIC	Knox City Council	2	Community	Kings Park - Floodlighting Upgrade	Sporting and recreation facilities. Works to upgrade, repair and maintain sporting floodlighting.	Aug-21	Dec-21	\$280,362	\$280,362
VIC	Knox City Council	2	Community	Wilhelma Avenue, Bayswater - Drainage Upgrade	Works to improve drainage.	Jul-21	Dec-21	\$160,000	\$160,000
VIC	Knox City Council	2	Community	Valerie Street, Boronia – Drainage Upgrade	Works to improve drainage.	Jun-21	Aug-21	\$190,000	\$190,000
VIC	Knox City Council	2	Community	Lloyd Street, Knoxfield - Drainage Upgrade	Works to improve drainage.	Jun-21	Aug-21	\$150,000	\$150,000
VIC	Knox City Council	2	Community	David Street, Knoxfield	Works to improve drainage.	Jun-21	Aug-21	\$160,000	\$160,000
VIC	Latrobe City Council	1	Road	Construct mini-roundabout at the intersection	The oddly aligned intersection causes some confusion with unwary drivers and there is very poor sight distance on one approach	Mar-21	May-21	\$25,694	\$25,694
VIC	Latrobe City Council	1	Road	Installation of small traffic control measures	Persistent speeding issues on the streets in question.	Apr-21	Aug-21	\$49,147	\$49,147
VIC	Latrobe City Council	1	Community	Public lighting at Lake Narracan carpark and reserve	The caravan park and the Lake Narracan foreshore park share a carpark. The combination of the two uses results in frequent nighttime activities that are hoped to be reduced with some security lighting.	Mar-21	Aug-21	\$19,700	\$19,700
VIC	Latrobe City Council	1	Community	Repair and upgraded surfacing to tennis courts	Some of these courts are showing minor to moderate cracking and one is barely usable. The remaining courts are a cushion acrylic surface. To hold national events all 24 courts are required and should be the same surface.	Mar-21	Apr-21	\$56,000	\$56,000
VIC	Latrobe City Council	1	Community	Provision of mains water to community facility.	The development of the facilities at the Toners Lane Reserve, and in particular the Twin Cities Archery club, to meet current fire codes to allow the planned national meets to be held.	Jun-21	Aug-21	\$311,819	\$311,819

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Latrobe City Council	1	Community	To construct new footpath	To provide safe all weather paths for foot traffic	May-21	Jun-21	\$678,699	\$678,699
VIC	Latrobe City Council	1	Road	Repair failed and failing sections and to resurface the roads in hotmixed asphalt concrete	To bring forward resurfacing works on roads that are failing.	May-21	Jun-21	\$247,108	\$247,108
VIC	Latrobe City Council	1	Community	To repair or replace numerous town entry and other non-standard tourism signage throughout the City.	A lot of the signage related to town entries and some general tourism signage is in very poor repair and reflects poorly on the image of Latrobe City and is not inviting to passing motorists	Mar-21	Jun-21	\$35,928	\$35,928
VIC	Latrobe City Council	1	Road	To construct traffic calming measures such as central medians and/or raised pavements and/or kerb bulges.	To address motorist's high speed and poor lane discipline when traversing from Moore Street onto Evelyn and onto Austin.	May-21	May-21	\$34,658	\$34,658
VIC	Latrobe City Council	1	Community	Agnes Brereton Reserve - Drinking Fountain	The location is frequented by walkers and installing the drinking fountain will improve the likelihood that people will walk, thus supporting the wellbeing of the residents in the area.	May-21	May-21	\$18,908	\$18,908
VIC	Latrobe City Council	1	Community	Latrobe City - Multiple Sites - Playgrounds	The equipment is old, no longer compliant with the standards and requires replacement to meet the expected safety and service levels	Mar-21	Jun-21	\$212,424	\$212,424
VIC	Latrobe City Council	1	Community	Traralgon Court House - Painting	The building's internal walls and ceiling require painting.	May-21	Jun-21	\$10,000	\$10,000
VIC	Latrobe City Council	2	Road	Strzelecki Ranges Roads – Landslip repairs – Stage 1: Rehabilitation	Rehabilitation of roads damaged by up to 8 landslips, by stabilising the slip and/or constructing bypasses. This would allow removal of restrictions and return the road to normal use	Sep-21	Mar-22	\$960,000	\$960,000
VIC	Latrobe City Council	2	Combination	Sandbanks Reserve Traralgon – Reserve Sporting and recreation facilities	Install fencing, signs, bollards, and if funding allows, renew some of the internal road renewal at the historic Sandbanks Reserve, Traralgon. The reserve is in poor presentation and attracts abuse including drug deals and recreational dirt bike riding. This project would improve the appearance and allow better management of the site for more family oriented use.	Oct-21	Jun-22	\$90,000	\$90,000
VIC	Latrobe City Council	2	Community	Twin City Archery Building code compliance and new shed : Painting/Improvements to community facilities	Rehabilitate or reconstruct the existing archery hall and adjacent side buildings at the Toners Lane Archery club, and potentially erect an extension to the main archery hall. Some structural engineering is required. The buildings on Council land have been developed by the committee over decades with minimal supervision and thus, have not been 'to code'. This project would address both issues.	Aug-21	Dec-21	\$400,000	\$400,000
VIC	Latrobe City Council	2	Community	Gippsland Sports and Entertainment Precinct – Sewerage Upgrade : Sporting and recreation facilities	Upgrade the sewer connection and sump pump within the property. This site was purchased by Council with state funding but is in very poor condition. This project is to renew the sewer pumping station to ensure trouble free performance.	Aug-21	Oct-21	\$40,000	\$40,000
VIC	Latrobe City Council	2	Community	Mathison Park, Churchill – Hare House wall stabilisation: Other	Brace the remaining walls of a Heritage building (or erect new fencing around it). The walls have significant heritage value but have deteriorated to the state that they present a danger to the public. This project would address public safety.	Aug-21	Oct-21	\$50,000	\$50,000
VIC	Latrobe City Council	2	Community	Latrobe City – Gross Pollutant traps – Location TBD: Other	Installation of Gross Pollutant trap at a key location. This project would install a GPT in Council's pipe network to reduce pollutants reaching the creek and eventually the Latrobe River.	Oct-21	Jun-22	\$300,000	\$300,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Latrobe City Council	2	Community	Sporting Facility – Drainage and Irrigation upgrades : Sporting and recreation facilities	Upgrade sporting facility drainage and / or irrigation: - Churchill oval pitch 1; - Morwell East football; - Apex Park; - Andrew Park West, and - Traralgon South Rec Oval. The project would improve the appearance and function of the ovals while also reducing maintenance.	Oct-21	Mar-22	\$310,000	\$310,000
VIC	Latrobe City Council	2	Community	Haigh Street, Moe – New Footpath Construction: Bicycle and Walking Paths	Construct a new footpath on Haigh Street, Moe from end of path near Narracan Creek to link to the Botanic Park path	Nov-21	Jun-22	\$40,000	\$40,000
VIC	Latrobe City Council	2	Community	Moore Street, Moe – Footpath renewal: Bicycle and Walking Paths	Remove deteriorated pavers and renew in Hotmix. Some kerb renewal and line marking. Returns the path to safe function and improves the streetscape aesthetic.	Nov-21	Jun-22	\$55,000	\$55,000
VIC	Latrobe City Council	2	Community	Moe Botanic Park – Disability Discrimination Act path improvements: Bicycle and Walking Paths	Construct a new footpath approach to the footbridge over Narracan Creek to meet DDA principles, and potentially other minor DDA improvements to the paths elsewhere in the park as funding allows. This project would address a notable DDA non-compliance (access to the footbridge)	Sep-21	Jun-21	\$20,000	\$20,000
VIC	Latrobe City Council	2	Community	McNairn Road, Traralgon – New footpath south of Princes Highway: Bicycle and Walking Paths	Construct new footpath on McNairn Road near the railway at Princes Highway East. This project would assist residents living south of Princes Highway to access the commercial area and bus stops on Princes Highway.	Sep-21	Oct-21	\$45,000	\$45,000
VIC	Latrobe City Council	2	Community	Church Road – Hazelwood North Tennis Court entrance upgrade: Other	Construct a concrete or hotmixed asphalt driveway to the Hazelwood north Tennis Court parking area, with a and pedestrian access to Church Road. This project is to make the tennis court carpark more accessible the adjacent school to get parents to use it as a drop off and pick up area and thus enhance pedestrian safety on Church Road.	Dec-21	Jun-22	\$25,000	\$25,000
VIC	Latrobe City Council	2	Community	Narracan Caravan Park – DDA Access project: Bicycle and Walking Paths	Construct a path and kerb, and also a DDA compliant ramp into the kiosk at Council's caravan park. This project would provide a DDA compliant option to the non-compliant steps, provide a DDA access at the Kiosk.	Sep-21	Jun-22	\$100,000	\$100,000
VIC	Latrobe City Council	2	Community	Netball Court surfacing – general renewal: Sporting and recreation facilities	Rehabilitate hard surfaced courts and minor improvements at Yinnar Netball, Ted Summerton Netball, Ronald Reserve Tennis, and Agnes Brereton – as funding allows. The surface of these courts is deteriorated, and in need of renewal.	Sep-21	Jun-22	\$320,000	\$320,000
VIC	Latrobe City Council	2	Community	Glenview Racecourse – Building and kitchen code compliance: Painting/Improvements to community facilities	Replace a commercial stove and a bain marie in the kitchen, and address health code plumbing and cabinetry non-compliances. This site has had little true maintenance and as a result over 20 years or so the facility has fallen in to disrepair and the health code has changed. This project would address the substantial non-compliance issues and allow the kitchen to reopen and support their activities.	Aug-21	Oct-21	\$65,000	\$65,000
VIC	Latrobe City Council	2	Community	Streetscape Planter Box Renewal – Stage 1: Landscaping Improvements	Replace boxes and plantings in streetscapes of the main townships within Latrobe. This project would address the deteriorated planter boxes and instil community pride back to the streetscapes.	Sep-21	Jun-22	\$60,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Latrobe City Council	2	Community	Fencing renewal at Tennis and Netball Courts, fence renewal: Repairs/Replacement of fencing	Repair and replace fencing at - Eric Taylor Reserve Traralgon, - Ronald Reserve Morwell, - Newborough Running Track, and other reserves as funding allows	Jul-21	Dec-21	\$190,000	\$190,000
VIC	Latrobe City Council	2	Community	Fencing renewal Monash Way Churchill – renew fencing; Repairs/Replacement of fencing	Replace the fence along Monash Way south of Switchback Road that has deteriorated (broken and leaning posts, rusted wires etc.). The new fence would help direct patrons to the CBD to the safe crossing locations	Feb-22	Mar-22	\$20,000	\$20,000
VIC	Latrobe City Council	2	Road	Main Street, Yinnar Traffic safety improvements: Traffic improvement	Install line marking treatments along Main Street, Yinnar to manage traffic. The main street is quite wide and has uncontrolled traffic motions at one intersection. This project would apply significant line marking to improve motorist lane discipline and enhance public safety.	Feb-22	Mar-22	\$29,650	\$29,650
VIC	Loddon Shire Council	1	Road	Avenue of Honour Pyramid Hill - service road sealing	The road is currently unsealed. Sealing the road will improve the amenity of nearby residents and reduce dust complaints.	Nov-20	Mar-21	\$31,093	\$31,093
VIC	Loddon Shire Council	1	Road	Bramley Street Pyramid Hill - sealing	The road is currently unsealed. Sealing the road will improve the amenity of nearby residents and reduce dust complaints.	Nov-20	Mar-21	\$59,356	\$1,052
VIC	Loddon Shire Council	1	Road	McGillvray Street Pyramid Hill - sealing	The road is currently unsealed. Sealing the road will improve the amenity of nearby residents and reduce dust complaints.	Nov-20	Mar-21	\$18,500	\$18,500
VIC	Loddon Shire Council	1	Community	Armstrong Street Boort (Malone Street to Coutts Street) - footpath	There is no footpath on Armstrong Street, Boort in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of Armstrong Street.	Feb-21	Aug-21	\$54,603	\$54,603
VIC	Loddon Shire Council	1	Community	Armstrong Street Boort (Coutts Street to McMillans Road) - footpath	There is no footpath on Armstrong Street, Boort in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of Armstrong Street.	Feb-21	Aug-21	\$44,704	\$44,704
VIC	Loddon Shire Council	1	Community	Barber Street Pyramid Hill - footpath	There is no footpath on the eastern side of Barber St, Pyramid Hill. Constructing a footpath will improve pedestrian access to these properties.	Feb-21	Aug-21	\$135,749	\$23,397
VIC	Loddon Shire Council	1	Community	Belmont Street Inglewood (Houston Street to North Street) - footpath	There is no footpath on Belmont Street, Inglewood in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of Belmont Street.	Feb-21	Aug-21	\$68,743	\$68,743
VIC	Loddon Shire Council	1	Community	Belmont Street Inglewood (North Street to Deeble Street) - footpath	There is no footpath on Belmont Street, Inglewood in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of Belmont Street.	Feb-21	Aug-21	\$97,024	\$97,024
VIC	Loddon Shire Council	1	Community	McMillans Road Boort - footpath	There is no footpath on McMillans Rd, Boort in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of McMillans Rd.	Feb-21	Jun-21	\$51,775	\$51,775
VIC	Loddon Shire Council	1	Community	Nelson Street Newbridge - footpath	There is no footpath on Nelson St, Newbridge in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of Nelson St.	Feb-21	Aug-21	\$63,087	\$63,087
VIC	Loddon Shire Council	1	Community	Southey Street Inglewood - footpath	There is no footpath on Southey Street, Inglewood in the proposed location. Constructing a footpath will improve pedestrian access to properties along this section of Southey Street.	Feb-21	Aug-21	\$40,462	\$40,462

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Loddon Shire Council	1	Community	Sullivan Street Inglewood - footpath	There is no footpath on this section of Sullivan St, Inglewood. Constructing a footpath will improve pedestrian access to properties located on this road.	Feb-21	Aug-21	\$68,743	\$68,743
VIC	Loddon Shire Council	1	Road	Berrimal Nine Mile Road Berrimal - resheeting	There is a lack of gravel on this section of the road.	Oct-20	Aug-21	\$33,880	\$4,522
VIC	Loddon Shire Council	1	Road	Gowar Logan Road Logan (south of Gowar Fentons Road) - resheeting	There is a lack of gravel on this section of the road.	Oct-20	Feb-21	\$30,800	\$30,800
VIC	Loddon Shire Council	1	Road	Gowar Logan Road Logan (west of Western Highway) - resheeting	There is a lack of gravel on this section of road.	Oct-20	Feb-21	\$89,320	\$89,320
VIC	Loddon Shire Council	1	Road	Gowar Berrimal Road Berrimal - resheeting	There is a lack of gravel on this section of the road.	Oct-20	Feb-21	\$24,640	\$24,640
VIC	Loddon Shire Council	1	Road	Lagoona Road Bears Lagoon - resheeting	There is a lack of gravel on this section of the road.	Oct-20	Feb-21	\$42,560	\$21,280
VIC	Loddon Shire Council	1	Road	Nixons Road Shelbourne - resheeting	There is a lack of gravel on this section of the road.	Oct-20	Feb-21	\$30,800	\$30,800
VIC	Loddon Shire Council	1	Road	Northlands Road Shelbourne - resheeting	There is a lack of gravel on this section of the road.	Oct-20	Feb-21	\$55,440	\$55,440
VIC	Loddon Shire Council	1	Road	Wet Lane, Walker Lane and Wattle Drive Inglewood - resheeting and drainage culverts	There is a lack of gravel on this section of road. A lack of culverts lead to road damage from water washing across the road which will be rectified by installing the culverts.	Jan-21	Jun-21	\$169,907	\$169,907
VIC	Loddon Shire Council	1	Road	Bridgewater Raywood Road - Reconstruction	This section of road is currently a 3.9m wide sealed road. The leads to increased maintenance required to regularly rehabilitate the gravel shoulders. In addition, the safety of the road is reduced as heavy vehicles need to move to the road shoulder when passing each other.	Dec-20	Jun-21	\$660,000	\$330,000
VIC	Loddon Shire Council	1	Road	Echuca Serpentine Road - 1.9km Reconstruction and Widening	As Above	Dec-20	Jun-21	\$625,000	\$312,500
VIC	Loddon Shire Council	1	Road	Echuca Serpentine Road - 1.77km Reconstruction and Widening	As Above	Dec-20	Jun-21	\$580,000	\$290,000
VIC	Loddon Shire Council	1	Road	Chapel Street, Wedderburn - sealing	The road is currently unsealed. Sealing the road will improve the amenity of nearby residents and reduce dust complaints.	Apr-21	Jun-21	\$11,897	\$11,897
VIC	Loddon Shire Council	1	Road	Gordon Street, Boort - sealing	The road is currently unsealed. Sealing the road will improve the amenity of nearby residents and reduce dust complaints.	Apr-21	Jun-21	\$5,775	\$5,775
VIC	Loddon Shire Council	1	Road	Ryan St, Newbridge - sealing	The road is currently unsealed. Sealing the road will improve the amenity of nearby residents and reduce dust complaints.	Apr-21	Jun-21	\$66,495	\$66,495
VIC	Loddon Shire Council	1	Road	Godfrey Street Bridge - reconstruction	The existing bridge is in poor condition, has insufficient capacity for flow under the bridge, lacks a footpath, and can have road safety improved by widening the road	May-21	Aug-21	\$133,498	\$133,498
VIC	Loddon Shire Council	1	Road	Whites Pit Road - reconstruction	This section of Whites Pit Rd is currently unsealed. There are high maintenance costs associated with heavy vehicles using this road to access nearby industry. Sealing the road will also improve the safety and productivity of the road.	Mar-21	Jun-21	\$258,743	\$247,669
VIC	Loddon Shire Council	2	Road	Bridgewater Raywood Road Reconstruction	It is proposed to reconstruct and widen 3.93km of Bridgewater Raywood Rd to be a 7.0m wide sealed road.	Apr-21	Dec-21	\$1,617,588	\$1,617,588
VIC	Loddon Shire Council	2	Community	Female Friendly Change rooms Construction	Construction of female friendly change rooms at the Bridgewater Recreation Reserve	Apr-21	Dec-21	\$514,428	\$147,795
VIC	Loddon Shire Council	2	Community	Mitiamo Recreation Reserve Water Supply Tank	Installation of a water supply tank as part of the water supply connection upgrade at the site	Aug-21	Dec-21	\$23,691	\$23,691

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Macedon Ranges Shire Council	1	Community	Kyneton Town Hall - restoration (facade repairs, painting and lighting)	Kyneton Town Hall is a heritage listed asset of regional significance. It is of historic, social and architectural significance. It is the major cultural venue of the Shire with an iconic position on one of the main street corners in Kyneton. The facade works will restore damaged architectural elements, refresh and protect the building by painting the facade in heritage colours, and the new lighting will ensure that the building stands out as an important heritage building in Kyneton.	May-21	Nov-21	\$632,989	\$632,989
VIC	Macedon Ranges Shire Council	1	Community	Richardson, Southbourne and Racecourse Roads Riddells Creek - footpath	This is a major walking route and will address a potential safety risk. It has been identified in Council's Shire-Wide Footpath Plan.	Apr-21	May-21	\$87,309	\$87,309
VIC	Macedon Ranges Shire Council	1	Community	Brodie Street to Cameron Street Malmsbury - footpath	Increased safety for school children and families along a key school route. It is recognised as a high priority in Council's Shire-Wide Footpath Plan.	Apr-21	May-21	\$78,138	\$78,138
VIC	Macedon Ranges Shire Council	1	Combination	East Street and Romsey Road Woodend - footpath	This will facilitate the safe movement of pedestrians along a busy school route (Woodend Primary School).	Sep-21	Dec-21	\$104,771	\$104,771
VIC	Macedon Ranges Shire Council	1	Community	Willowbank Road Gisborne - footpath	It will facilitate safe movement of pedestrians along this busy, developing road (Willowbank Road) which is a direct link to Gisborne Secondary College.	Apr-21	Jun-21	\$120,490	\$120,490
VIC	Macedon Ranges Shire Council	1	Community	Maxwell Street and Langley Street Kyneton - footpath	This project has been identified in Council's Shire-Wide Footpath Plan as a high priority. It will provide an important pedestrian link to the Sacred Heart Secondary College for students and families, as well as providing important access to Kyneton's business district for pedestrians.	Apr-21	Apr-21	\$81,852	\$81,852
VIC	Macedon Ranges Shire Council	1	Community	Howey Street and Aitken Street Gisborne - pedestrian upgrade	This is one of Gisborne's busiest pedestrian routes and will provide safety improvements.	Oct-21	Dec-21	\$32,741	\$32,741
VIC	Macedon Ranges Shire Council	1	Community	47 Victoria Street Macedon - community facility stage 2 redevelopment	In response to local community needs, Council is redeveloping this building as a community facility. It is working closely with the Macedon Community House group to deliver this project.	Jan-21	Jun-21	\$98,222	\$98,222
VIC	Macedon Ranges Shire Council	1	Community	47 Victoria Street Macedon - community facility stage 3 redevelopment	In response to local community needs, Council is redeveloping this building as a community facility. It is working closely with the Macedon Community House group to deliver this project.	Jun-21	Jun-21	\$60,101	\$60,101
VIC	Macedon Ranges Shire Council	1	Community	Sankey Reserve, Gisbourne - Improvements to the Facility	These changes will bring the facility into line with female friendly change room standards, whilst improving current DDA access at the venue.	Oct-21	Dec-21	\$354,386	\$144,605
VIC	Macedon Ranges Shire Council	2	Road	Chintin Road Monegeetta : Road Reconstruction and Widening – Category: Widening	Reconstruction and Widening of Chintin Road from an existing single carriageway to two way- two lane pavement, to the intersection with Joyces Road. Chintin Road is a high freight use road and this will improve road safety.	Nov-21	Dec-21	\$594,000	\$594,000
VIC	Macedon Ranges Shire Council	2	Combination	Margaret Street Macedon – Footbridge Reconstruction – Category: Bicycle and Walking Path	Reconstruction of footbridge in Margaret Street Macedon (near school) due to high-risk and poor condition indicated in a recent bridge condition survey.	Apr-22	Jun-22	\$115,560	\$115,560
VIC	Macedon Ranges Shire Council	2	Combination	Gisborne – Jacksons Creek Footbridge Reconstruction 100 metres west of Station Road.	Reconstruction of footbridge in parkland 100 metres west from Station Road due to high-risk and poor condition indicated in a recent bridge condition survey.	Apr-22	Jun-22	\$135,000	\$135,000
VIC	Macedon Ranges Shire Council	2	Road	Gisborne – Jacksons Creek Footbridge Reconstruction 100 metres east of Station Road. Category: Bicycle and Walking Path	Reconstruction of footbridge in parkland 100 metres east from Station Road due to high-risk and poor condition indicated in a recent bridge condition survey	Apr-22	Jun-22	\$115,560	\$115,560

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Macedon Ranges Shire Council	2	Combination	Woodend – Five Mile Creek Footbridge Reconstruction 200m West of High Street Category: Bicycle and Walking Path	Reconstruction of footbridge 200m west of High Street, Woodend (across Five Mile Creek near tennis courts), due to high-risk and poor condition indicated in a recent bridge condition survey.	Feb-21	Apr-21	\$119,880	\$119,880
VIC	Macedon Ranges Shire Council	2	Community	LED Replacements on minor Roads Category: Replacement of Light Bulbs in Street Lights	Replacement of minor road street lighting with LED replacements – 241 replacements on minor roads	Nov-21	Dec-21	\$205,200	\$205,200
VIC	Macedon Ranges Shire Council	2	Combination	EV Charging Stations – Woodend, Hanging Rock and Kyneton Category: Other - Links to Economic Development, especially tourism	Installation of three EV Charging Stations at Woodend (25W), Hanging Rock (25W) and Kyneton (50W) Links to Economic Development, especially tourism – attracting metro or other EV drivers to the region with knowledge of the ability to charge their vehicle whilst touring the area.	Aug-21	Oct-21	\$115,560	\$115,560
VIC	Macedon Ranges Shire Council	2	Community	LED Lighting – Major Roads throughout Municipality – Category: Replacement of Light Bulbs in Street Lights	Replacement of lighting on Major Roads throughout the Municipality with LED replacements. 307 lights have been identified.	Nov-21	Dec-21	\$507,600	\$507,600
VIC	Macedon Ranges Shire Council	2	Combination	Baynton Street Kyneton – Active Transport Link Category: Improved Accessibility of Community Facilities and Area	Provision and upgrade of active transport infrastructure in Baynton Street Kyneton, from Mollison Street to Campaspe River Trail. Project include footpaths, pram crossing upgrades, DDA compliance, pedestrian crossings / connectivity along Baynton Street.	Nov-21	Dec-21	\$297,000	\$297,000
VIC	Macedon Ranges Shire Council	2	Combination	Main Street Romsey - Bus Bay and Shelter	Provision of a bus pull off bay, shelter, parking, and footpaths in Main Street Romsey. There are approximately 30 students currently standing in the open during school drop off and pick up times. This has been raised with Council by the school, concerned parents and local MP's.	Nov-21	Dec-21	\$108,000	\$75,865
VIC	Manningham City Council	1	Community	Ruffey Lake Park is a Council reserve, 66 hectares in area. The proposed works include the sealing of paths between the boardwalk at the main carpark, The Boulevard public toilets and picnic shelters. Marking of a new DDA parking bay in The Boulevard off road carpark. Installation of solar powered lights along this path to the toilets. Construction of footpath connections, in several cases to residential park interfaces including Victoria Street and King Street, including associated landscaping and works.	Council is in the process of completing improvements to The Boulevard public toilet block, to in part achieve DDA compliance. Council commissioned a Building DDA Inspection report for the public toilets and the recommendations included sealing of existing gravel paths to access the toilets, lighting improvements and the provision of an additional DDA compliant parking bay in closer proximity to the toilets. The previous Council project scope was limited to the public toilet improvements. This project also seeks to improve access to Ruffey Lake Park, by providing further pedestrian linkages to abutting streets.	May-21	May-21	\$141,402	\$141,402
VIC	Manningham City Council	1	Community	Sealing of existing granitic sand carpark with asphalt, construction of kerb and channel and a footpath along the northern boundary, construction of a footpath connection to George Street and linemarking of the carpark including the marking of pedestrian islands between George Street and the proposed northern footpath.	There is no safe, defined pedestrian access path through the carpark to the Athletics Track or for pedestrian visitors entering the site from George Street. The maintenance demand associated with the existing granitic sand carpark pavement is excessive. Under traffic the ride quality of the granitic sand is poor particularly after rain, when large numbers of potholes develop.	Apr-21	Jun-21	\$395,000	\$395,000
VIC	Manningham City Council	2	Community	Montgomery Reserve Urban Plaza / Playspace Renewal	Park Upgrade	Nov-21	Dec-21	\$210,000	\$150,000
VIC	Manningham City Council	2	Road	Footpaths - Roads	Springvale Road and other footpath construction projects	Oct-21	Dec-21	\$1,100,000	\$561,092

VIC	Mount Alexander Shire Council	1	Road	Barker Street, Castlemaine, Pedestrian crossing treatment to be determined by Regional Roads Victoria. More details can be provided by mid-August if required.	Barker Street (the Midland Hwy), is a 4 lane hwy that runs through the centre of Castlemaine. There is a 1.8km stretch that links from the town entrance to the CBD. There are no pedestrian crossing points along this section of highway. This section is used by students accessing the only high school in the region, Castlemaine North Primary School (the primary school with the highest enrolments in the Shire), Windarring - an organisation that provides a day care service for adults with a disability, along with connections to Castlemaine Botanical Gardens - the Shire's most used public space for informal recreation. The lack of pedestrian crossing creates a huge risk for residents and is a barrier to those with mobility issues.	May-21	Nov-21	\$500,000	\$500,000
VIC	Mount Alexander Shire Council	1	Community	Castlemaine Botanical Gardens Flora and Fauna Reserve, Repair to deteriorated path network sections within the Castlemaine Botanical Gardens Flora and Fauna Reserve - an important environmental area of the gardens which is of national significance due to the population of the endangered Eltham Copper Butterfly as well as numerous other local ecological features and examples of our Indigenous heritage.	The path rehabilitation works will improve accessibility to the Flora and Fauna Reserve. This network of paths is essential to providing visitors with opportunities to learn and engage with our Indigenous history as well as discouraging visitors from venturing into and disturbing the habitat of the Eltham Copper Butterfly. The path network is used regularly by residents and visitors undertaken informal recreation pursuits such as walking and running. The current state of the path network acts as barrier to access for all of the above listed activities.	Apr-21	May-21	\$60,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Mount Alexander Shire Council	1	Road	High Street, Harcourt Installation of electric vehicle charge point to be delivered in partnership with Central Victorian Greenhouse Alliance (CVGA) and Dept of Environment Land Water and Planning (DELWP) who are delivering a regional project rolling out EV charge points across the region.	<p>There is currently only one other electric vehicle charge point in the shire. The existing point is located in Newstead and is several years old, which means that it takes a long time for vehicles to charge.</p> <p>The charge point will be located on Crown land managed by Council.</p> <p>The new vehicle charge point will be located in Harcourt. A township that is identified as a small town with capacity for growth. It is located just off the Calder Hwy, making it an easy exit point for people travelling between Bendigo and Melbourne.</p> <p>With the prevalence of electric vehicles increasing, it is important for the shire to provide the infrastructure necessary to promote this sustainable choice of travel. There is currently only one other electric vehicle charge point in the shire. The existing point is located in Newstead and is several years old, which means that it takes a long time for vehicles to charge.</p> <p>The charge point will be located on Crown land managed by Council.</p> <p>The new vehicle charge point will be located in Harcourt. A township that is identified as a small town with capacity for growth. It is located just off the Calder Hwy, making it an easy exit point for people travelling between Bendigo and Melbourne.</p> <p>With the prevalence of electric vehicles increasing, it is important for the shire to provide the infrastructure necessary to promote this sustainable choice of travel.</p>	Apr-21	May-21	\$40,000	\$40,000
VIC	Mount Alexander Shire Council	1	Community	Upgrades to Chewton Community Centre (Senior Citizen), Maldon Neighbourhood Centre, Guilford Hall	Improved access and facilities: disabled toilet, downpipes, kitchen upgrade	Jan-21	Aug-21	\$175,835	\$175,835
VIC	Mount Alexander Shire Council	1	Community	Repair or replace fencing in 6 locations within the Council	Repair, create better access, risk of injury reduction	Dec-20	Jun-21	\$113,856	\$113,856

VIC	Mount Alexander Shire Council	1	Road	Level crossing on Rowe Street, Castlemaine, 1. Close the level crossing to road and rail traffic for 36 hours, dismantle the rail track and dig out the railway roadbed approximately 750mm below road level and 4m wide for at least 8m either side of the roadway; 2. Install a base layer of 150mm of compacted road base material, then install drainage, lay 300mm of railway ballast, compact and grade to 315mm below road level; 3. Lay new railway track using concrete sleepers and heavy rail to line and level; and 4. Lay 150mm depth of hot mix asphalt between the rails and 3m outside them.	The current level crossing was constructed with timber sleepers which require regular replacement. The proposed works will replace the rotting timber sleepers with concrete sleepers which will provide a lifespan of 20-25 years. The works will maintain safety for both road and rail traffic.	Apr-21	Apr-21	\$19,198	\$19,198

VIC	Mount Alexander Shire Council	2	Community	Stanley Park rehabilitation works High Street Harcourt 3453 Work category: Picnic Shelters or Barbeque Facilities at Community Parks	This former play-space requires furniture to reinstate to a community space. Project will include replacement of litter bins with litter and recycling bins and the installation of picnic furniture.	Nov-21	Dec-21	\$12,100	\$12,100
VIC	Mount Alexander Shire Council	2	Community	Taradale Tennis Pavilion exterior cladding replacement Potts Road Taradale VIC 3447 Work category: Sporting and Recreation Facilities	The cladding on this community facility is rated at an OCI 6 (broken). For the building to remain water tight the cladding needs to be replaced.	Aug-21	Dec-21	\$36,300	\$36,300
VIC	Mount Alexander Shire Council	2	Community	Castlemaine Library community meeting space 216 Barker Street Castlemaine 3450 Work category: Painting/improvements to Community Facilities	The Castlemaine Library is the most used community facility in the shire, with 3,000 visitors weekly using the space for not only collection borrowing, but also as study space, community meeting space and event space. It is also the only location in the shire with publicly available Wi-Fi. The project will deliver a separate community meeting room/study space within the existing footprint of the library. The space will provide a quiet area away from busier areas used for activities and events.	Feb-21	Jun-21	\$74,401	\$30,250

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Mount Alexander Shire Council	2	Community	Castlemaine Botanical Gardens entrance gates and fountain restoration works 2 Walker Street Castlemaine 3450 Work category: other	The Castlemaine Botanical Gardens is a heritage listed site. The gardens are also the most visited recreation space in the shire and are popular with tourists, listed as evidenced by the Trip Advisor award of excellence as the number one attraction in Castlemaine. In Conservation Management Plan 2019 recommends the restoration of the entrance gates and the fountain as high priority works. These are two key Regency style architectural features dating 1877 and 1878 respectfully. The project will enhance the overall aesthetic and appeal of the gardens whilst preserving two key features of the gardens. This project will be delivered in consultation with Heritage Vic and by a suitably qualified specialist conservator.	Sep-21	Dec-21	\$101,640	\$101,640
VIC	Mount Alexander Shire Council	2	Community	Newstead Bowling Club asbestos removal and re-sheeting 8 Hilliers St Newstead 3462 Work category: Sporting and Recreation Facilities	This community building is in need of renewal works, asbestos removal is a priority. The sheets have aged and improvements to kitchen and main meeting room cannot be actioned without the asbestos works taking place first.	Sep-21	Dec-21	\$48,400	\$48,400
VIC	Mount Alexander Shire Council	2	Community	Fryerstown Park Furniture Upgrade	The Fryerstown community park is in need of a furniture upgrade to support community and visitor use. The project will deliver fencing renewal and park bench upgrade.	Nov-21	Dec-21	\$12,100	\$12,100
VIC	Mount Alexander Shire Council	2	Community	Bill Woodfull Reserve perimeter fencing upgrade and carpark upgrade Bill Woodfull Recreation Reserve, Fountain Street Newstead Work category: Sporting and Recreation Facilities	The existing perimeter fence to this popular recreation facility is in need of renewal. The project will deliver a new perimeter fence as well as regrading and spot re-sheeting the car park which is currently causing a safety issue for drivers accessing the reserve.	Oct-21	Dec-21	\$20,570	\$20,570
VIC	Mount Alexander Shire Council	2	Community	Chewton Soldiers Memorial Park- carpark regrade and bell mouth entry construction Fryers Rd, Chewton 3451 Work category: Sporting and Recreation Facilities	The Chewton Soldiers Memorial Park is home to the Castlemaine Goldfields Football Club – the only soccer club in the shire. This club has the highest membership of any club in the shire and therefore the home location has heavy use from both home and away teams. The car park is in need of grading, spot re-sheeting and bell mouth entry construction and spoon drain formation to ensure the safety of those accessing the facility via car. The park is also a designated emergency landing location for air ambulance and therefore smooth vehicle access is essential for ambulances.	Dec-21	Feb-22	\$25,000	\$25,000

VIC	Mount Alexander Shire Council	3	Community	Harcourt Leisure Centre: 63 Bingham Road Harcourt VIC 3453 Work category: Sporting and recreation facilities	The Harcourt Leisure Centre is a spacious indoor facility set within the grounds of the Harcourt Recreation Reserve. The centre services the resident Harcourt Football Netball Club. Council recently received funding to construct female friendly facilities at the reserve. These facilities are due to complete and open in early 2022. The old change rooms located in the existing building service the male football players. These change rooms are ageing and non-compliant with State Sporting Association guidelines. The project consists of works to upgrade football shower area to universal change room with individual cubicles instead of a communal shower area. Also the shower area is considered sub-standard and requires intervention to remain in a safe and serviceable condition.	Jan-22	Dec-22	\$149,500	\$149,500
VIC	Mount Alexander Shire Council	3	Community	Harcourt Recreation Reserve: Playground and landscaping at Harcourt Pavilion and new change rooms 63 Bingham Road Harcourt VIC 3453 Work category: Playgrounds & Landscaping Improvements	Harcourt Recreation Reserve has very active resident sports clubs with seasonal agreements to use the reserve: football / netball, cricket and tennis. This project will provide accessible linkages from the existing change rooms located in the Harcourt Leisure Centre, the new umpire change rooms and female friendly change facilities down to the sports oval at Harcourt Recreation Reserve. The project will enable improved accessibility to the oval through landscaping improvements, accessible ramp to the oval and replaces the much used playground that had to be removed due to recent building works on the new female friendly change facility. VIC	Nillumbik Shire Council	2	Community	Toilet Works Main Road, Research 3095	Toilet Blocks, Works relating to construction of new public toilet block amenities	Sep-21	Dec-21	\$215,000	\$215,000
VIC	Northern Grampians Shire Council	1	Community	Central Park Stawell - fence replacement	The existing perimeter fencing at Central Park is inconsistent, aged, and of poor amenity. It detracts from the heritage value of the park and historical features within. This reduces the levels of visitation by tourists and locals.	Jun-21	Dec-21	\$130,000	\$130,000
VIC	Northern Grampians Shire Council	1	Community	Central Park Stawell - hard surfaces works	The condition of the concourse, concrete paths and surrounds is poor, with trip hazards that require ongoing monitoring and maintenance. This negatively impacts on safety and the visitor experience to Central Park.	Mar-21	Jun-21	\$112,284	\$112,284
VIC	Northern Grampians Shire Council	1	Community	Heath Street Halls Gap - upgrade works (car parking, footpaths, landscaping)	There is currently insufficient car parking in Halls Gap for the peak tourism periods, undefined spaces for pedestrians and vehicles, increasing the risk of collisions, and the commercial land along Heath Street is underutilised.	Feb-21	Jun-21	\$330,000	\$330,000
VIC	Northern Grampians Shire Council	1	Community	Lord Nelson Park St Arnaud - traffic diversion	Currently, vehicle access to the Lord Nelson Park netball courts is between the courts and the new Multipurpose Clubrooms site, which will result in conflict between pedestrians and vehicles.	Oct-02	Dec-20	\$100,000	\$100,000
VIC	Northern Grampians Shire Council	1	Community	St Arnaud Civic Precinct - Market Square - play area	The existing play space at Market Square does not cater to all abilities, making it inaccessible to some children. This project will also result in more natural spaces for social and sensory play for younger children.	May-21	Jun-21	\$180,000	\$179,173
VIC	Northern Grampians Shire Council	1	Community	Napier Street St Arnaud - streetscape	The existing concrete pathways present accessibility barriers to shops and have started to heave, causing potential trip hazards. This section of the main street also has less foot traffic and therefore less activity for local businesses.	Jan-21	Jun-21	\$435,000	\$335,900

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Northern Grampians Shire Council	1	Road	Napier Street St Arnaud - town centre road rehabilitation	The road pavement in sections of the main street of St Arnaud are currently in a poor condition and have a very steep crossfall. This road has a high pedestrian use. Crossfall will become the standard 3% crossfall, improving accessibility.	Feb-21	Dec-21	\$270,000	\$270,000
VIC	Northern Grampians Shire Council	1	Community	Napier St, St Arnaud - Construction of pavement, grapevines, kerbing	The existing concrete pathways present accessibility barriers to shops and have started to heave, causing potential trip hazards. This section of the main street also has less foot traffic and therefore less activity for local businesses.	Apr-21	Jun-21	\$300,700	\$231,686
VIC	Northern Grampians Shire Council	2	Community	St Arnaud Tennis Club Building Renewal:painting/Improvements to community facilities	Upgrade of clubrooms to include social space and compliant amenities. Audit of facilities revealed extensive pest damage and structure failure. Building requires complete upgrade.	Dec-21	Jun-22	\$220,000	\$220,000
VIC	Northern Grampians Shire Council	2	Road	Landsborough Road Bridge Renewal - Kindred Road: Bridge works	The bridge barrier is non-conforming and the structure is not competent for supporting the current higher mass limit vehicle loads. Bridge will be strengthened to cater for heavy vehicle loads and new guardrails installed.	Jul-21	Dec-21	\$160,000	\$85,000
VIC	Northern Grampians Shire Council	2	Road	Willaring Road Culvert Upgrade: Bridge works	Currently a 600 diameter reinforced concrete pipe culvert in a floodway/ford, subject to regular flooding of up to 3 metres depth. Unsafe large 'dip' in the road that is close to a bend where speeds are up to 100km/hour. New multi-cell box culvert and guardrail above nominal flood level will be constructed.	Oct-21	Dec-21	\$250,000	\$135,000
VIC	Northern Grampians Shire Council	2	Road	Sloane Street Roundabout Rehabilitation:Traffic improvement	Works to return a roundabout on a main vehicular thoroughfare in Stawell to its original standard	Oct-21	Dec-21	\$118,379	\$118,379
VIC	Northern Grampians Shire Council	2	Community	Newton Street, Stawell Kerb & Channel/Footpath Installation:Bicycle and Walking Paths	Currently a residential area without an off road path for pedestrians. Install 230m of Kerb & Channel/Footpath on Newton Street from Napier Street.	Jul-21	Dec-21	\$156,000	\$156,000
VIC	Northern Grampians Shire Council	2	Community	Bowen Street, St Arnaud Kerb & Channel/Footpath Installation: Bicycle and Walking Paths	Currently a residential area without an off road path for pedestrians. Install kerb and footpath on Bowen Street from intersection of Alma St to Inkerman St, and footpath only from Inkerman St to Millett St.	Jul-21	Dec-21	\$179,000	\$179,000
VIC	Northern Grampians Shire Council	2	Community	Grampians Road, Halls Gap Pedestrian Crossing: Bicycle and Walking Paths	Install a pedestrian crossing outside the Visitor Information Centre in Halls Gap to enable safe access to the bus stop, playground and swimming pool.	Sep-21	Dec-21	\$112,000	\$112,000
VIC	Northern Grampians Shire Council	2	Road	Patrick Street, Stawell: Drainage	Drainage improvement works between houses on Patrick St and Harness Racing Club.	May-21	Dec-21	\$89,000	\$89,000
VIC	Northern Grampians Shire Council	2	Road	McLaughlin Street, Stawell Kerb & Channel/Footpath/Drainage Installation: Drainage	Drainage improvements works to prevent water from flooding multiple sheds and causing property damage. 105m of kerb and footpath will also be installed along McLaughlin St.	Sep-21	Dec-21	\$207,000	\$207,000
VIC	Northern Grampians Shire Council	2	Road	Banyena Road, Banyena Final Seal: Resealing	Second sealing of a recently rehabilitated section of road	May-21	May-21	\$45,000	\$45,000
VIC	Northern Grampians Shire Council	2	Road	Trajul Road, Halls Gap Final Seal: Resealing	Second sealing of road after the initial primerseal, to finish the conversion from unsealed to sealed road.	Sep-21	Dec-21	\$30,000	\$30,000

VIC	South Gippsland Shire Council	1	Road	Road works - Clancy's Road, Korumburra	Improved quality of road surface by eliminating corrugations and potholes. Improved safety for traffic via increased useable road width. Reduction in dust from road impacting nearby residents. Reduced maintenance costs for a sealed road compared to a gravel road.	Nov-20	Aug-21	\$2,077,112	\$585,803
VIC	South Gippsland Shire Council	1	Road	Road works - Atherton Drive, Venus Bay	To improve access to No 5 beach and address current traffic hazard and dust issues, particularly in the busy summer period.	Sep-20	Dec-20	\$177,000	\$177,000
VIC	South Gippsland Shire Council	1	Road	Road works - Loch Poowong Road	This road carries 947 vehicles per day with 23.3% commercial vehicles. Pavement of this section of the road has deteriorated severely due to low subgrade strength & higher commercial vehicle usage.	Oct-20	Dec-21	\$625,000	\$625,000
VIC	South Gippsland Shire Council	1	Community	Redevelopment of Poowong Recreation Reserve	Current courts are in poor condition and non-compliant for netball in terms of run-off requirements and lighting.	Sep-20	Mar-21	\$416,000	\$221,728

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	South Gippsland Shire Council	1	Road	Road rehabilitation bundle	Bena Kongwak Road, Bena - width varies from 5.8 to 6.0 metres. This section of road has no road shoulders, with drop offs into deep table drains that pose as a safety hazard for motorists. Ferrier Street, Korumburra - assets including footpaths, kerb & channel and road pavement have reached the end of their usable lives based on condition surveys and need to be upgraded. Old Waratah Road, Fish Creek - the kerb and channel and road surface are in poor condition and this section of road has complaints of excessive speed along the road from local residents, hence the decision to include slow points to reduce traffic speeds.	Dec-20	Dec-21	\$550,000	\$550,000
VIC	South Gippsland Shire Council	1	Community	Port Welshpool Marine Search and Rescue Hub Redevelopment Project	The existing buildings are in a state is disappear and it is not considered feasible to undertaken any repair works. Therefore it is proposed to construct facilities that will meet the requirements expected by the community.	Jan-21	Jun-21	\$450,000	\$150,000
VIC	South Gippsland Shire Council	1	Road	Nicholls Road - Culvert Replacement	The culvert is damaged and will continue to fail if not replaced	Apr-21	Oct-21	\$150,000	\$150,000
VIC	South Gippsland Shire Council	1	Road	Mount Eccles Road - road rehabilitation	This road carries 103 vehicles per day with 5.8% commercial vehicles. Pavement of this section of the road has deteriorated severely due to low subgrade strength & higher commercial vehicle usage.	Oct-21	Dec-21	\$726,000	\$375,000
VIC	South Gippsland Shire Council	2	Community	Municipal Lighting Project – Category V and P lights across the Shire	Street lighting project – upgrading inefficient streetlights across the Shire to more efficient LED alternatives.	Oct-21	Dec-21	\$900,000	\$867,032
VIC	South Gippsland Shire Council	2	Combination	Port Welshpool Boat Ramp Car Park Enhancement Project	Off road carparks - upgrade the existing unsealed car park to a sealed surface with formalised parking and directional movement along with associated kerb and channelling.	Jan-22	Jun-22	\$1,500,000	\$1,500,000
VIC	South Gippsland Shire Council	3	Road	Upper Commercial Street, Korumburra – Reconstruction	Construction of a road where no road existed on that alignment before.	Sep-22	Jun-23	\$750,000	\$750,000
VIC	South Gippsland Shire Council	3	Combination	Municipal Lighting Upgrade Project – Phase 2 - Replacement of Light Bulbs in Street Lights	Self-explanatory	Feb-22	May-22	\$200,000	\$200,000
VIC	South Gippsland Shire Council	3	Community	Recreation Stadiums Allocations (Welshpool, Leongatha, Korumburra, Poowong, Meeniyan, Foster) - Painting/Improvements to community facilities	Community facilities include community centres, community halls, childcare centres, educational establishment, club houses, and entertainment facilities	Jun-22	Jun-23	\$300,000	\$300,000
VIC	South Gippsland Shire Council	3	Combination	Electric Vehicles (EV) Charging Stations (6 locations) – other	Self – explanatory	Aug-22	Mar-23	\$670,000	\$550,000
VIC	South Gippsland Shire Council	3	Community	Mirboo North Pool Car Park - Off-road Car Parks	Such as off-road car parks at sporting grounds or parks	May-22	Dec-22	\$400,000	\$400,000
VIC	South Gippsland Shire Council	3	Community	Leongatha Early Learning Centre (LELC) Carpark – Off-road Car Parks	Such as off-road car parks at sporting grounds or parks	Sep-22	Mar-23	\$250,000	\$200,000
VIC	South Gippsland Shire Council	3	Road	Wonga Square Top Slip, Foster North - Rehabilitation	Work to return a road to its original standard	Oct-22	May-23	\$600,000	\$500,000
VIC	South Gippsland Shire Council	3	Road	Simons Lane, Leongatha – Reconstruction	Rebuilding a road that already exists (can include upgrading)	Sep-22	May-23	\$2,500,000	\$1,019,062
VIC	South Gippsland Shire Council	3	Community	Recreation Reserves Oval Lighting Upgrades (Fish Creek and Meeniyan) - Sporting and recreation facilities	Works to upgrade, repair or maintain sporting ovals, courts, swimming pools etc	Jun-22	Jun-23	\$600,000	\$250,000
VIC	South Gippsland Shire Council	3	Community	Korumburra Showground Change Room Facilities Upgrade - Sporting and recreation facilities	Works to upgrade, repair or maintain sporting ovals, courts, swimming pools etc	Oct-22	Jun-23	\$1,500,000	\$600,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Southern Grampians Shire Council	1	Road	Additional rural Culvert and Drainage Works	failing assets and avoid potential risk	Jul-20	Jun-21	\$278,925	\$278,925
VIC	Southern Grampians Shire Council	1	Community	Improved Accessibility of Community Facilities and Areas, Lake Hamilton Aquatic Facilities	Refurbishment of amenity facilities that are old and non compliant with Universal Design Principles and requirements.	Jul-20	Jun-21	\$140,338	\$140,338
VIC	Southern Grampians Shire Council	1	Community	Additional Township Footpath Repairs, Multiple Local Roads within Southern Grampians Shire	Improve safety	Jul-20	Dec-21	\$160,239	\$160,239
VIC	Southern Grampians Shire Council	1	Community	Upgrade street lights to LED (working with Department of Transport (previously VicRoads), Grampians Shire	Reduce costs and greenhouse gas emissions from street lighting	Mar-21	Dec-21	\$320,000	\$320,000
VIC	Southern Grampians Shire Council	1	Community	Landscaping, Hamilton Gateways - Coleraine Road - Market Place to Glenelg Hwy	Coleraine Road has been identified in the Hamilton Structure Plan as a priority for landscaping due to the substantial regional traffic on this town entrance. The project has been supported through Council Briefings and is consistent with strategic objectives to enhance Hamilton's gateway entrances which improve the "sense of arrival" to the town and deliver intergenerational outcomes for a relative low cost.	Aug-20	Jun-21	\$227,462	\$227,462
VIC	Southern Grampians Shire Council	1	Community	Dunkeld Visitor Hub - Car parking and drainage, landscaping for the Grampians Peaks Trail head.	Improve visitor economy. Improved road surfacing and drainage. Improved community infrastructure.	Jul-20	Jun-21	\$392,370	\$392,370
VIC	Southern Grampians Shire Council	1	Community	Fabricate and Install lift, Hamilton Gallery	Improve accessibility of community facilities. Currently only access via stairs.	Sep-20	Sep-21	\$200,000	\$200,000

VIC	Strathbogrie Shire Council	2	Road	Kirwans Bridge	Seal 2.6 km of Weir and Reidy Lake Roads to allow improved access due to reduced load limit on Kirwans Bridge	Jul-21	Dec-21	\$502,200	\$502,200
VIC	Strathbogrie Shire Council	2	Community	Avenel, Euroa, Violet Town, Nagambie	Upgrade to outdoor aquatic facilities – shade , pool liner ,other equipment	Jul-21	Dec-21	\$180,910	\$180,910
VIC	Surf Coast Shire	1	Road	The works include rehabilitation, widening and sealing of a road in Winchelsea, Mousley Road between Princess Highway and Alsop Drive in Winchelsea	To provide improved access for commercial vehicles to small businesses	Jun-21	Nov-21	\$450,000	\$350,000
VIC	Surf Coast Shire	1	Community	Provides a redeveloped outdoor social facility for Winchelsea residents, Barwon River Reserve, 4 Barwon Terrace, Winchelsea	The current Mud Brick Hut is in need of renewing and the gathering spaces are disconnected from the adjacent play space and only accessed from the road via stairs. There is limited space for large gatherings and visibility from the shelter to the play space is impeded. Shade and protection from the elements is also needed. The design aims to create a flexible space for multiple uses and events, to build a greater visual connection to the play space and river below and to provide DDA compliant access and inclusion.	Aug-21	Mar-22	\$80,000	\$50,000
VIC	Surf Coast Shire	1	Community	Upgrade of existing Playground, Coogoorah Park, Anglesea	Playground is approaching the end of it's useful life. Ongoing minor repairs due to parts of the timber construction failing.	Oct-21	Mar-22	\$295,060	\$135,060
VIC	Surf Coast Shire	1	Community	Extension of the 1st Torquay Scouts Building at Spring Creek Reserve Torquay	The extension will provide much needed activity space and storage accessible directly from car park. Works will address OHS and DDA issues with the current building, including toilet facilities. Further, the works will provide a necessary meeting space, improve drainage and increase general storage capacity.	Aug-21	Mar-22	\$367,000	\$347,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Surf Coast Shire	1	Community	Works to include the provision of a multi fitness combination unit, Deans Marsh Reserve - Pennyroyal Valley Rd, Deans Marsh	Deans Marsh Reserve is the hub of community activity with an oval, playground, skate park, tennis courts and buildings providing a range of programs and services. There are several basic pieces of fitness equipment however they don't meet all the needs of the community. This project will provide a key multi fitness combination unit identified by the community as perfect to help them to be more active, more often.	May-21	Jun-21	\$18,000	\$18,000
VIC	Surf Coast Shire	1	Community	Construct a concrete pathway and seating area that runs between the north and south courts, 1A Geelong Rd, Torquay - Spring Creek Reserve	This project will address issues with the area becoming boggy to walk on and will prevent gravel and mud being transferred onto the playing surface. The project will improve accessibility and safety, and increase the longevity of the court surfaces.	May-21	Jun-21	\$31,000	\$21,000
VIC	Surf Coast Shire	1	Community	The project includes the development of a drainage and irrigation system	Council officers are attending to unauthorised bike trail building in the bushland adjacent to the Ocean Acres Reserve and at other locations in Torquay. This proposal presents an opportunity to engage interested members of the community in the planning, design and ongoing maintenance of a bike park facility in an appropriate open space area. The large area of open space that is the 'drainage basin' holds water in some areas rather than the water draining to where it was intended (into the drainage outlet within the basin) and as a result the space is wet and boggy for close to 6 months of the year.	Jul-21	Jan-22	\$50,000	\$50,000
VIC	Surf Coast Shire	1	Community	Stage 2 works to include external accessible unisex toilet, fitness elements, safety fencing, wind screening, storage container and feature planting, Wurdale	Accessibility to toilet facilities, community safety, wellbeing opportunities and landscape amenity improvement. The site is rural and has not been upgraded for many years	Jun-21	Feb-22	\$50,000	\$50,000
VIC	Surf Coast Shire	1	Community	Upgrade to Bike park and BMX track -Bob Pettitt Reserve	Outdated existing bike park, requiring upgrades.	Nov-21	Mar-22	\$50,000	\$30,000

VIC	The Greater Geelong City Council	1	Combination	Limeburners Point Car Park - Boat Ramp	Treatments to help reduce anti-social hoon related activities in a well known hot spot at a popular boat ramp. Narrowing car park by placing concrete islands will reduce the broad open area and help reduce illegal activity.	Nov-20	Apr-21	\$88,504	\$88,504
VIC	The Greater Geelong City Council	1	Community	Fellmongers Road - Footpath	The existing pathway along the specified section of Fellmongers Road is a granitic sand of poor quality which does not provide for mobility impaired pedestrians to navigate the area creating isolation and disadvantage.	May-21	Jun-21	\$180,000	\$180,000
VIC	The Greater Geelong City Council	1	Road	Reserve Road - Pavement and Widening	This segment of Reserve Road is an old rural road with a narrow pavement and gravel shoulders. Increased traffic from new growth area development has caused significant deterioration of the road which now poses a safety risk to users.	Feb-21	May-21	\$500,000	\$500,000
VIC	The Greater Geelong City Council	1	Community	Scenic Road - Bicycle Path	This section of road is identified as part of the G21 Priority Bicycle Network network. Pedestrian access to services and facilities is currently restricted due to limited connectivity of the footpath network. Road user safety is improved by the provision of off-road paths.	May-21	Jun-21	\$500,000	\$500,000
VIC	The Greater Geelong City Council	1	Community	Landy Field - Refurbishment	Non-compliant, non-gender neutral facilities amenities and aging infrastructure.	Mar-21	Jun-21	\$200,000	\$200,000
VIC	The Greater Geelong City Council	1	Road	Robbs Road - Rehabilitation	Robbs Road is a narrow centre rural road seal with gravel shoulders. The shoulders are subject to significant deterioration due to frequent vehicle use and a lack of roadside drainage. The deterioration poses a safety risk to motorists.	May-21	Jun-21	\$200,000	\$200,000
VIC	The Greater Geelong City Council	1	Road	Christies Road - Rehabilitation	Deteriorating wearing course, ruts in the traffic lanes. Improved road safety, demonstrated community need, amenity of nearby residents, asset renewal.	Feb-21	Feb-21	\$350,000	\$350,000
VIC	The Greater Geelong City Council	1	Road	Walkers Road - Rehabilitation	Deteriorating wearing course, ruts in the traffic lanes. Improved road safety, demonstrated community need, amenity of nearby residents, asset renewal.	Feb-21	May-21	\$150,000	\$150,000
VIC	The Greater Geelong City Council	2	Community	Northern Aquatic and Community Hub, 1 Cox Road, Norlane VIC	Sporting and recreation facilities; \$61.6 million community infrastructure project that demolishes and replaces/upgrades an end-of-life aquatic and fitness facility, incorporating other community facilities such as performance and meeting space. Addresses entrenched disadvantage and health issues in the community and plans for future growth.	Jan-22	Jul-23	\$61,600,000	\$8,262,225

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Towong Shire Council	1	Community	The construction of concrete and granitic sand walking/cycle paths, Corryong township footpaths along Strezlecki Way	Corryong is a town of approximately 2000 residents. The existing footpath network does not provide the necessary connections to facilitate off road community recreation and exercise opportunities for the community.	Apr-21	May-22	\$225,000	\$225,000
VIC	Towong Shire Council	1	Community	The creation of a wayside stop including furniture and shelter, Murray River Road between Bellbridge and Granya.	Bushfires and Covid-19 have significantly reduced tourism visitation in Towong Shire. The construction of these features along the Murray River Road will see regular wayside stops at features of interest all the way along the 'Great River Road'. Using previous funding wayside stops were created at the Upper Murray end of the shire and this is now an opportunity to finish the remaining sites to tie in with a large promotional campaign for the route to attract tourists back into the area	Jan-21	Dec-21	\$160,000	\$160,000
VIC	Towong Shire Council	1	Road	Widening of Towong Street East, installation of kerb and stormwater pipes, Towong Street East, Tallangatta	Towong Street East is the primary entrance into Tallangatta from the East. The street is lined with houses and has a large open stormwater drain on the Southern side. The northern side of the road has kerb. This provides a poor first impression of the town and makes this side of the street inaccessible to pedestrians. There is also limited on street residential parking, and requires improvement.	Nov-21	Jun-22	\$481,232	\$481,232
VIC	Towong Shire Council	1	Road	Installation of a heavy vehicle compliant weighbridge to service the Corryong community	Corryong area generates a significant amount of heavy vehicle traffic that is loaded locally including a saw mill, concrete batching plant and stock trucks. These trucks have no way of knowing if they have exceeded their weight limits until they drive to the Logic Centre at Barnawartha which is over 100km away. There is a history of truck rollovers on the Murray Valley Highway between Corryong and Wodonga enroute to Barnawartha.	Jan-22	Dec-21	\$300,000	\$300,000
VIC	Towong Shire Council	2	Community	Bellbridge Walking Track Upgrade, Lake Road: Bicycle and Walking Paths	The Bellbridge Walking Track is planned to be sealed to improve community safety and outdoor exercise equipment installed along the track. The Bellbridge Walking Track has poor surface condition and does not facilitate safe off road community recreation and exercise opportunities for the community.	Nov-21	Dec-21	\$85,000	\$85,000
VIC	Towong Shire Council	2	Community	Cudgewa Toilet Block, Main Street: Toilet Blocks	Replacement of the Public Toilet Block at Cudgewa.	Feb-22	Jun-22	\$80,000	\$30,000
VIC	Towong Shire Council	2	Community	Eskdale Walking Track, Racecourse and Recreational Reserve : Bicycle and Walking Paths	The Eskdale Walking Path is to be sealed and fenced to improve Community safety. An approximately 1.2km of walking track to be sealed and fenced on both sides through a 200 m section that transects the Eskdale Recreation Reserve. The Eskdale Walking network does not facilitate safe off road community recreation and exercise opportunities for the community due to deterioration of the existing granite sand surface and cattle access to sections of the walking track.	Mar-21	Dec-21	\$60,000	\$60,000
VIC	Towong Shire Council	2	Community	Old Tallangatta Lookout, Murray Valley Highway : Painting/Improvements to community facilities	The project sees the installation of tourist information boards, promoting local history at the Old Tallangatta Lookout. Existing signs at the lookout are deteriorated and information requires an update to include indigenous history.	Mar-21	Dec-21	\$20,000	\$20,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Towong Shire Council	2	Community	Shade sail for fish sculpture on Bellbridge Foreshore, Lake Road: Playgrounds and Skate parks	The interactive fish sculpture, installed as part of the Our Bellbridge project, has been a popular play area for children. This project is aimed to construct and install two Shade Sails for the sculpture and the adjacent playground. During summer, the absence of a shade sail at the play area makes the stainless steel fish sculpture excessively hot.	Nov-21	Dec-21	\$30,000	\$30,000
VIC	Towong Shire Council	2	Community	Shade sail for Pelican Sculpture on Tallangatta Foreshore: Playgrounds and Skate parks	Installation of 2 Shade Sails at the Tallangatta Foreshore over the Pelican playground. During summer, the absence of a shade sail at the play area causes play equipment to get very hot.	Nov-21	Dec-21	\$30,000	\$30,000
VIC	Towong Shire Council	2	Community	Tallangatta Swimming Pool Upgrades, 2A Akuna Ave, Tallangatta VIC 3700: Works to upgrade, repair or maintain sporting ovals, courts, swimming pools etc	The Tallangatta Swimming Pool requires an upgrade to install new features and stabilise water retention. The refurbishment project would include an addition of a new filtration system for the smaller pools, a vinyl liner for all pools and new shade sails. The Tallangatta Swimming Pool requires an upgrade to install new features and stabilise water retention. The refurbishment project would include an addition of a new filtration system for the smaller pools, a vinyl liner for all pools and new shade sails.	Apr-22	Nov-21	\$325,000	\$200,000
VIC	Towong Shire Council	2	Community	The Triangles Park- Toilet Blocks Upgrade: Toilet Blocks	Refurbishment of the Toilet Blocks at The Triangles Park. This would include an expansion and necessary plumbing and finishing works. The existing toilet blocks at the triangles park are non-compliant for an increased capacity and needs a refurbishment for the same. This project is aimed to ultimately improve accessibility of these facilities.	Nov-21	Feb-22	\$125,000	\$60,000
VIC	Towong Shire Council	2	Combination	Towong Street East Stage 2, Akuna Avenue to Water Place, Tallangatta : Reconstruction	This project includes street upgrades, including of kerb and channel, as well as stormwater drainage. It will also include road pavement upgrades and sealing where required. Line marking and signage will also be completed. Towong Street East is the primary entrance into Tallangatta from the East. The kerb and seal is aged and degrading. This provides a poor first impression of the town.	Nov-21	Jun-22	\$482,300	\$391,261
VIC	Towong Shire Council	2	Community	Walwa Toilet Block, Main Street: Toilet Blocks	Refurbishment of the Toilet Blocks at the Walwa Recreational Reserve. This would include new plumbing, painting and finishing works. The existing toilet blocks at the triangles park are non-compliant and need refurbishment. This project is aimed to ultimately improve accessibility of Community Facilities and Areas.	Mar-22	Jun-22	\$60,000	\$30,000
VIC	Towong Shire Council	3	Community	3673 to 3759 Omeo Highway, Eskdale	Stage 2 - Upgrade to seal of the walking track from the DELWP building to the pedestrian bridge in Eskdale	Apr-22	May-23	\$250,000	\$250,000
VIC	Towong Shire Council	3	Community	Bellbridge foreshore to Lake Hume at Bellbridge	Stage 2 – Widening, drainage and upgrade to seal of the walking track along Lake Hume	Apr-22	May-23	\$400,000	\$400,000
VIC	Towong Shire Council	3	Community	Tallangatta Information Center- The Triangles Park, Tallangatta CBD, Towong Street	Upgrade of the visitor information centre to commemorate the 100-year anniversary of 'Sandy the warhorse'	Apr-22	May-23	\$225,000	\$100,000
VIC	Towong Shire Council	3	Community	Septic Tank for Cudgewa Public Toilet Block - 87 Cudgewa Tintaldra Road, in the road reserve in front of Cudgewa Tennis Courts,	A new septic tank is required to enable the construction of the public toilet block at Cudgewa	Apr-22	May-23	\$160,000	\$80,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Towong Shire Council	3	Road	Cnr Strzelecki Way and Donaldson Street, Corryong	Civil works to compliment the upgrade of the carparking and road access to the weighbridge and truck wash at Corryong.	Apr-22	May-23	\$200,000	\$200,000
VIC	Towong Shire Council	3	Community	Jitema Street, Recreation Reserve, Dartmouth	Construction of a Splash Park and Pump Track in Dartmouth	Apr-22	May-23	\$450,000	\$350,000
VIC	Towong Shire Council	3	Community	1225 Murray River Road, Talgarno	Completion of additional drainage, unsealed carparking and a shade structure at the Talgarno Recreation reserve	Apr-22	May-23	\$180,000	\$180,000
VIC	Towong Shire Council	3	Community	Wises Creek Road, Talgarno	Stage 2 – Wises Creek Road upgrade to seal	Apr-22	May-23	\$400,000	\$400,000
VIC	Towong Shire Council	3	Community	The Triangles Park, Tallangatta CBD, Towong Street	A plinth and bonze statue of Sandy the War Horse to be constructed in the Triangles Park	Apr-22	May-23	\$125,000	\$80,000
VIC	Towong Shire Council	3	Community	The Triangles Park, Tallangatta CBD, Towong Street	A new irrigation system for the Triangles Park to ensure year round green grass - will be watered with raw water from Lake Hume	Apr-22	May-23	\$120,000	\$120,000
VIC	Towong Shire Council	3	Community	1994 Murray Valley Highway, Colac Colac	Colac Colac Caravan Park is Council owned and highly valued by the community. It requires urgent upgrades to sewer and electrical infrastructure to ensure the park can continue operation at its current visitation capacity	Apr-22	May-23	\$172,464	\$172,464
VIC	Wellington Shire Council	1	Road	Heyfield Memorial Hall street / carparking upgrades	Vehicle and pedestrian safety	Feb-21	Jun-21	\$200,000	\$200,000
VIC	Wellington Shire Council	1	Community	Briagolong Quarry Reserve Nature Based Playground	Current equipment does not meet the Australian Standards (AS 4865)	Oct-20	Feb-21	\$60,000	\$60,000
VIC	Wellington Shire Council	1	Combination	Longford Recreation Reserve - Car Park Access Road	Improved traffic management that will also enable a future development of 2 new tennis courts	Mar-21	Jun-21	\$250,000	\$250,000
VIC	Wellington Shire Council	1	Community	Sale - Aqua Energy Water Heating Replacement and Upgrade	Industrial grade water heaters are required to ensure the consistent and reliable provision of heating for swimming pool water and air. Improved efficiency design will reduce operating and maintenance costs, improve pool heating efficiencies and is part of a planned, cyclic pool heater replacement program.	Nov-20	Jan-21	\$60,000	\$60,000
VIC	Wellington Shire Council	1	Community	Outdoor Pools Solar Heating Upgrade Program	This will deliver more efficient pool water heating and dramatically reduce maintenance replacement costs over the extended operating life of the higher efficiency heating system.	Mar-21	Jun-21	\$200,000	\$200,000
VIC	Wellington Shire Council	1	Community	Rosedale and Maffra Pool - Pool Blanket Installation	Installation of pool blankets will provide multiple benefits. Blankets reduce overnight heat loss and improve bather comfort and appeal. By maintaining water temperature, the pools become more enjoyable to a wider age and range of potential users. Improved stability of water temperature also assists programming – of swim lessons, exercise program and more. Blankets reduce evaporation and water loss when the pools are not in use. Blankets reduce solar degradation of swimming pool water treatment chemicals, thereby reducing the amount of chemical required as well as reducing the volume of chemical that must be transported and stored.	Nov-20	Jan-21	\$90,000	\$90,000
VIC	Wellington Shire Council	1	Community	Maffra - Youth Play Precinct	Current facility creates limited opportunity for young people to undertake physical activity. Through the development of the space it will provide improved access for all levels of experience and skill	Mar-21	Jun-21	\$320,000	\$320,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Wellington Shire Council	1	Community	Sale - Flooding Creek Masterplan Implementation	Flooding Creek Masterplan, completed in 2003, identified the opportunity to create an off road linear linking shared path, connecting new residential developments in the north west of Sale, through to the Port of Sale Cultural Hub, Sale Central Business District and Lake Guthridge-Guyatt Parklands. Stage 1 of the Masterplan saw the creation of Flooding Creek (Saleyards) Reserve. This revegetated area is a popular passive recreation space for the community. The expansion of the path network in Saleyard Reserve will provide for greater opportunity for informal recreation and relaxation, while also creating an off road connection to the new shared path along the disused Back Maffra Road. The Back Maffra Road section of the shared path will create a link along Flooding Creek to connect into Ross Street Reserve and the existing shared path network along Cunninghame Street.	Dec-20	Jun-21	\$270,000	\$200,000
VIC	Wellington Shire Council	1	Community	Loch Sport – Dolomite Wetlands Reserve Upgrade	The Dolomite Wetlands is a degraded site and is accessed by unauthorised vehicles. It is an important environmental site, with a range of fauna seeking refuge in the site. Revegetation works will look to provide further protection to this significant site. The looping path network will be accessible and provide viewing points at key locations along the trail. Adjoining the Loch Sport Community House, the upgrades to the site will provide an opportunity for volunteers to deliver their physical wellbeing programs	Mar-21	Jun-21	\$150,000	\$150,000
VIC	Wellington Shire Council	1	Community	Stratford – Market Reserve Upgrade	As identified in Wellington Shire's Public Open Space Plan 2014-2024, Market Reserve is the only sizable accessible open space that services the eastern side of Stratford. The current park contains the Stratford Skate Park	Nov-20	Jun-21	\$150,000	\$150,000
VIC	Wellington Shire Council	1	Community	Yarram - Youth Play Precinct	Current facility creates limited opportunity for young people to undertake physical activity. Through the development of the space it will provide improved access for all levels of experience and skill	Mar-21	Jun-21	\$300,000	\$300,000
VIC	Wellington Shire Council	1	Community	Sale – Ross Street Reserve Upgrade	Ross Street Reserve is integral in creating an off road linear linking shared path, connecting new residential developments in the north west of Sale, through to the Port of Sale Cultural Hub, Sale Central Business District and Lake Guthridge-Guyatt Parklands. The reserve will provide passive recreational opportunities for neighbouring residents, as well as creating an environmental corridor connecting Flooding Creek to the Sale Wetlands through the Lake Guthridge-Guyatt Parklands.	Dec-20	Jun-21	\$150,000	\$150,000
VIC	Wellington Shire Council	1	Community	Yarram - Regent Theatre - Solar Installation	Sustainability and operational savings	Dec-20	Dec-20	\$20,000	\$20,000
VIC	Wellington Shire Council	1	Road	Heyfield - Gordon Street Recreation Reserve - Entry Road Asphaltting	Maintenance	Apr-21	Jun-21	\$50,000	\$50,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Wellington Shire Council	1	Community	Yarram – Digital Infrastructure Art Trail Development	The town of Yarram now boasts a series of nationally significant public murals produced by acclaimed artist 'Heesco'. The murals were completed in April 2020. This project aims to promote the murals and other public art across Wellington Shire to locals and visitors to the region. Improved signage will allow visitors to understand what they are seeing, what else they can see in region, interact with a shire-wide arts trail, visit significant sites and ultimately spend more time and money in Wellington. This App based digital infrastructure solution will allow information to be continually updated and added to without the ongoing and additional cost of traditional signage infrastructure.	Mar-21	Jun-21	\$75,000	\$50,000
VIC	Wellington Shire Council	1	Community	LEARN Vegetation Management Program	Mitigating bushfire risk, public safety and safer roads	Nov-20	May-21	\$365,000	\$90,000
VIC	Wellington Shire Council	1	Community	Boisdale Recreation Reserve Regeneration Project, Stage 2 (power supply upgrade and additional lighting fixtures)	The lighting upgrade allows increased usage hours for the oval which will directly contribute to the provision of training and competition for women's football on the ground.	Aug-20	Dec-20	\$95,000	\$80,000
VIC	Wellington Shire Council	1	Community	Urban Paths Program	Missing sections in the footpath currently make the area difficult for pedestrians and mobility challenged people to navigate. These projects will fill existing gaps within the footpath network and assist to connect the town centre with other parts of the township. It is expected that this network will be expanded on in future years through Council's capital work program under Council's Urban Paths Plan.	Feb-21	Mar-21	\$400,000	\$376,576
VIC	Wellington Shire Council	1	Community	Sale Memorial Hall – roof replacement	The existing roof is made of corrugated asbestos sheeting, presenting safety risks to the community and needs to be replaced with a corrugated iron roofing.	Mar-21	Jun-21	\$360,000	\$360,000
VIC	Wellington Shire Council	2	Community	Maffra Tennis Club, Renewal of three grandstands, 22 Duke Street, Maffra	Fabrication and installation of 3 x aluminium grandstands including shade structure and concrete pad to replace the existing wooden grandstands which are reaching their end of useful life and currently requiring increased maintenance. New grandstands will reduce volunteer hours maintaining the stands and also increase spectator safety.	Sep-21	Dec-21	\$60,000	\$55,000
VIC	Wellington Shire Council	2	Community	Cameron Sporting Complex. Morrison St, Maffra	Renewal of existing three bay cricket nets & construction of one community bay which will require the removal of the two non-compliant community bays. Existing cricket bays were constructed in the 90's and no longer meet the Cricket Australia Facilities Guidelines. New compliant nets will improve the safety and access for the clubs and broader community.	Sep-21	Dec-21	\$160,000	\$150,000
VIC	Wellington Shire Council	2	Community	Yarram Recreational Reserve, Turf Wicket Installation, Railway Ave, Yarram.	Installation of turf wickets. Following the cessation of the Alberton Cricket Association competition, the three remaining clubs worked together to create a new club entering three teams in the Traralgon & District Cricket Association. The 1st grade is required to play on a turf wicket which requires the team to travel away each week. The addition of a turf wicket square to the existing hard wicket will enable the club to host home matches.	Sep-21	Dec-21	\$65,000	\$60,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Wellington Shire Council	2	Community	Cowwarr Recreation Reserve, Oval Lighting Upgrade, Pine Grove Ave, Cowwarr	Upgrade existing lighting infrastructure to LED 100 lux to meet AFL Guidelines, as current lighting does not meet AFL guidelines for fitness or match practice.	Apr-21	Aug-21	\$280,000	\$260,000
VIC	Wellington Shire Council	2	Community	Sale Memorial Hall Air Conditioning, Macalister Street, Sale	Installation of ten split system air conditioners at Sale Memorial Hall. Painting/improvements to community facilities			\$71,500	\$67,500
VIC	Wellington Shire Council	2	Community	Baldwin Recreation Reserve Fencing, Raglan St, Sale	The two main playing pitches adjoin other properties. Installation/renewal of 15m/25m soft mesh nets at various locations. Renewal/upgrade of 900mm boundary fence along each wing of main pitch to include chain mesh + renewal of player benches (2 x 3m clear).	Sep-21	Dec-21	\$70,000	\$65,000
VIC	Wellington Shire Council	2	Community	Sale Tennis Resurfacing Works	Resurfacing of 5 tennis courts at the Sale Tennis Club.	Mar-21	Jun-21	\$150,000	\$150,000
VIC	Wellington Shire Council	2	Community	Yarram Electric Vehicle Charging Station	Installing an electric vehicle charging station in Yarram to encourage electric vehicle usage in Gippsland by providing a public charging station in the south of the Wellington Shire.	Apr-21	Dec-21	\$50,000	\$50,000
VIC	Wellington Shire Council	2	Road	Public Streetlight LED Changeover (Phase 2)	Replacement of energy inefficient luminaires in the public street light network with energy efficient LED luminaires.	Jul-21	Jun-22	\$1,250,000	\$1,250,000
VIC	Wellington Shire Council	2	Community	Port Albert Boat Ramp Toilet Block Renewal	Replacement of public toilet facilities located at the Port Albert Boat Ramp.	Aug-21	Jun-22	\$250,000	\$250,000
VIC	Wellington Shire Council	2	Community	Yarram Court House Roof Repairs	Repair of original leaking slate roof. Building is used by the Yarram Art Gallery and Visitor Information Centre. Interim repairs have been conducted by a local contractor - repairs to slate roof need to be carried out by a Heritage Victoria approved contractor.			\$80,000	\$80,000
VIC	Wellington Shire Council	2	Community	Maffra Court House	Painting of interior and exterior walls, sanding and resealing floors, carpeting of office, wall repairs due to rising damp, guttering repairs and framework, roofing repairs and decking repairs.	Sep-21	Sep-21	\$60,000	\$60,000
VIC	Wellington Shire Council	2	Road	Dawson / Guthridge Parade Intersection Safety Treatments	Installation of raised pavement at intersection, along with installation of shared path on north side of Dawson Street to school crossing.	Dec-21	Jan-22	\$200,000	\$200,000
VIC	Wellington Shire Council	2	Community	Urban Paths Plan Projects: Hutchinson St, Sale; Powerscourt St, Maffra; Prince St/Wurruk Way, Wurruk	Construction of shared paths at Hutchinson St and Powerscourt St and the construction of a footpath in Prince St/Wurruk Way.	Oct-21	Dec-21	\$273,494	\$273,494

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Wellington Shire Council	2	Community	Yarram Warmer Pool	The community of Yarram have been advocating for many years to have their swimming pools heated with the local Rotary Club of Yarram having raised approximately \$61,000 to contribute towards the project. The first stage of the Warmer Pools project is the installation of a galvanised steel frame covered by a fabric membrane with café style blinds over the existing main and toddlers' pools. The initial estimates for this project were based on a smaller structure and additional funding is required for the expansion in scope. The shelter will now provide a clear zone of approximately 3.0 metres from the outside of the wet deck of the pool to the inside of the shelter to comply with the Royal Life Saving Guidelines for Safe Pool Operations. A separately funded contract will be let for the supply and installation of heat pumps that will raise the temperature of the pool water to approximately 29°C. Sporting and recreation facilities	Oct-21	Nov-21	\$961,000	\$300,000
VIC	West Wimmera Shire Council	1	Road	Alexanders Road: sealed road shoulder	The edge drop off is becoming a safety issue for road users and the increase in maintenance requirements due to edge breaking of the seal surface.	Oct-20	Jun-21	\$26,000	\$26,000
VIC	West Wimmera Shire Council	1	Road	Coads Road: Resheeting of unsealed road	Increasing maintenance issues becoming evident as existing road pavement depth has reached intervention level to maintain as an all-weather road for access to dwellings & properties.	Oct-20	Jun-21	\$34,000	\$34,000
VIC	West Wimmera Shire Council	1	Road	Dergholm Powers Creek: sealed road shoulder	The edge drop off is becoming a safety issue for road users and the increase in maintenance requirements due to edge breaking of the seal surface.	Mar-21	Jun-21	\$41,000	\$41,000
VIC	West Wimmera Shire Council	1	Road	Fergusons Road: Resheeting of unsealed road	Increasing maintenance issues becoming evident as existing road pavement depth has reached intervention level to maintain as an all-weather road for access to dwellings & properties.	Oct-20	Feb-21	\$16,000	\$16,000
VIC	West Wimmera Shire Council	1	Road	Grub Lane: Resealing	To prevent deterioration of pavement due to the current condition and age of existing seal.	Oct-20	Dec-20	\$35,000	\$35,000
VIC	West Wimmera Shire Council	1	Road	Harrow Casterton Road: Resealing	To prevent deterioration of pavement due to the current condition and age of existing seal.	Oct-20	Dec-20	\$57,000	\$57,000
VIC	West Wimmera Shire Council	1	Road	Hawkers and Goodwins Road: Resheeting of unsealed road	Increasing maintenance issues becoming evident as existing road pavement depth has reached intervention level to maintain as an all-weather road for access to dwellings & properties.	Apr-21	Jun-21	\$38,000	\$38,000
VIC	West Wimmera Shire Council	1	Road	Les Fosters Road: Resheeting of unsealed road	Increasing maintenance issues becoming evident as existing road pavement depth has reached intervention level to maintain as an all-weather road for access to dwellings & properties.	Apr-21	Jun-21	\$27,000	\$27,000
VIC	West Wimmera Shire Council	1	Community	War Memorial Park: Erection of new replacement BBQ and shelter	The existing BBQ is old with the brick surround cracked and failing and the hotplate burnt and buckled from high usage over many years. The shelter consisting of various construction (steel and treated pine), is rusted and leaking and the floor consists of uneven pavers.	Oct-20	Jun-21	\$40,000	\$40,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	West Wimmera Shire Council	1	Community	Kaniva Recreation Reserve: Connection of the existing toilet block to township sewer	The Kaniva Recreation reserve is the central sporting and Showground in Kaniva. The existing septic tank and drainage trench connected to the toilet block continually overflows. The system is under capacity and consistently has blockages and poor trench outflow drainage during events.	Apr-21	Jun-21	\$25,000	\$25,000
VIC	West Wimmera Shire Council	1	Community	Dergholm Hall: Replace leaking sections of roof	Sections of the old roof is rusted and leaking during rain.	Jan-21	Jun-21	\$30,000	\$30,000
VIC	West Wimmera Shire Council	1	Community	Kaniva Sporting Complex: Replace internal lights with LED lights	Poor internal lighting, inadequate building security, and poor viewing area for spectators.	Oct-20	Feb-21	\$25,000	\$25,000
VIC	West Wimmera Shire Council	1	Community	Rogerson Street: Construction of Reinforced concrete path	Connectivity to this area of Kaniva and the recently constructed playground to the CBD and schools.	Oct-20	Jun-21	\$35,000	\$35,000
VIC	West Wimmera Shire Council	1	Community	Anzac Avenue: Extension of Reinforced concrete path	Anzac Avenue is in the heart of Edenhope CBD and is popular vehicle parking for visitors, tourists and locals. The existing footpath only extends part way along the street needs to be extended to Langford Street.	Oct-20	Dec-20	\$30,000	\$30,000
VIC	West Wimmera Shire Council	1	Community	Lake Wallace Reserve: Construction of approximately 65 metres of reinforced concrete footpath	Lake Wallace is primary recreation destination within Edenhope however there is not a continuous pedestrian path link between it and the main street (Elizabeth Street). Construction of the path will complete the connection.	Oct-20	Jun-21	\$20,000	\$20,000
VIC	West Wimmera Shire Council	1	Community	Kaniva Recreation Reserve: Vegetation trimming of a number of Eucalyptus	Existing Eucalyptus Cladocalyx (Sugar Gum) trees were lopped approximately 30 years ago and now have significant epicormic growth of 15 - 20m. The trees were assessed by an arborist who advised that the trees show signs of poorly attached limbs. There is decay and rot within the main trunks. This, combined with the deadwood throughout the trees pose a high risk to persons and public.	Jan-21	Jun-21	\$50,000	\$50,000
VIC	West Wimmera Shire Council	1	Road	Minimay Frances Road: Resealing	To prevent deterioration of pavement due to the current condition and age of existing seal.	Oct-20	Dec-20	\$33,000	\$33,000
VIC	West Wimmera Shire Council	1	Road	Miram Sth (N) Road: resheeting	The edge drop off is becoming a safety issue for road users and the increase in maintenance requirements due to edge breaking of the seal surface.	Apr-21	Jun-21	\$10,000	\$10,000
VIC	West Wimmera Shire Council	1	Road	Goodwins Road: resheeting	Increasing maintenance issues becoming evident as existing road pavement depth has reached intervention level to maintain as an all-weather road for access to dwellings & properties.	Apr-21	Jun-21	\$34,000	\$34,000
VIC	West Wimmera Shire Council	1	Road	Newlands Settlement Road: resheeting	The edge drop off is becoming a safety issue for road users and the increase in maintenance requirements due to edge breaking of the seal surface.	Mar-21	Jun-21	\$12,000	\$12,000
VIC	West Wimmera Shire Council	1	Road	Pat Murrays Road: resheeting	Increasing maintenance issues becoming evident as existing road pavement depth has reached intervention level to maintain as an all-weather road for access to dwellings & properties.	Oct-20	Dec-20	\$15,000	\$15,000
VIC	West Wimmera Shire Council	1	Road	Patyah Road: Reconstruct and widen	Existing road pavement is narrow and is failing. The pavement is rough and has extensive cracking. The sections of seal adjoining these sections have previously been reconstructed and widened. These new works will match the width and construction of the adjoining sections.	Dec-20	Jun-21	\$250,000	\$250,000
VIC	West Wimmera Shire Council	1	Road	Patyah Road: Resealing	To prevent deterioration of pavement due to the current condition and age of existing seal.	Oct-20	Dec-20	\$75,000	\$75,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

VIC	Whittlesea City Council	1	Community	Construction of footpaths and other facilities, Mill Park Leisure Centre	To improve the connectivity of the footpath network from the building to the sports reserve, to promote the community access to both these facilities. Providing a new secure bike cage to promote staff riding to work, to help reduce their carbon footprint and improve their overall health.	Mar-21	Apr-21	\$100,000	\$100,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Whittlesea City Council	1	Community	Construction of three 50,000L water tanks at Mill Park Library	community in a facility that regularly has over 1,000 daily visitors. The proposed works will not only significantly reduce the community buildings water usage - reducing operating costs and increasing environmental sustainability - but will provide opportunities for community sustainable learning, managed by Mill Park Library.	Mar-21	Jun-21	\$203,241	\$203,241
VIC	Whittlesea City Council	1	Community	Missing links program, various throughout the City of Whittlesea	Construction of missing footpath links would provide better and safer pedestrian access to Open Space, schools, activity centres, essential services such as shops, hospitals, clinics, community centres, access to public transport and promote the well being of the community by walking and cycling.	Mar-21	Jun-21	\$261,000	\$111,000
VIC	Whittlesea City Council	1	Community	Raingarden upgrades	These highly visible assets are in poor condition, resulting in: - Compromised visual amenity for commuters and pedestrians in main connector roads in three locations - Reduced functionality in stormwater filtration and localised flooding mitigation performance	Nov-20	Jul-21	\$53,167	\$53,167
VIC	Whittlesea City Council	1	Road	Thomastown Streetscape improvement, three sites Cooper Street, Lyndarum Dr and McKimmies Rd	1. New signalled lights will improved pedestrian accessibility at the northern end of the shopping strip. Currently pedestrians have to walk considerable distance to the nearest crossing located at the train station. This new pedestrian crossing will result in a safer more accessible shopping centre for customers and pedestrians to use. 2. New Raised Platforms **Vehicles are prioritised in the Thomastown shopping strip resulting in an unsafe travel for pedestrians walking across all three streets in the shopping strip. * Accessibility for pedestrians to be improved through implementing more dda access through construction of "at-grade" crossings to provide improved access for all pedestrians whilst slowing vehicular traffic.	Feb-21	Jun-21	\$985,000	\$500,000
VIC	Whittlesea City Council	1	Road	Traffic management, three locations	This project aims to address road safety, parking and traffic management issues around schools.	Mar-21	Jun-21	\$440,000	\$250,000
VIC	Whittlesea City Council	1	Community	Findon and Woodvale Park, Mill Park - New Playground and Other Facilities	Aged and dilapidated playground and park infrastructure (public furniture, timber bridge, garden beds, fencing) no longer meeting the needs of the surrounding community.	Apr-21	Jun-21	\$200,000	\$200,000
VIC	Whittlesea City Council	2	Road	Local Roads Resurfacing Works	General Road Maintenance. Resurfacing of high priority roads as identified in the Asset Management Strategy to ensure the long-term financial sustainability and level of service is maintained.	Sep-21	Dec-21	\$6,500,000	\$1,532,167
VIC	Whittlesea City Council	2	Combination	Bicycle Facilities (on & off road)	Bicycle and Walking Paths. Installation of various on-road and offroad bicycle pathway networks to help promote active travel.	Jul-21	Dec-21	\$115,000	\$115,000
VIC	Whittlesea City Council	2	Road	Intersection Signalisation – Sackville Street & Bridge Inn Road, Mernda	Traffic Improvement. High priority traffic Improvement to reduce traffic flow and increase pedestrian and cyclist's safety in the Mernda West area.	Jul-21	Dec-21	\$1,000,000	\$1,000,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Whittlesea City Council	2	Community	Missing Links Footpath Program	Bicycle and Walking Paths. Deliver high priority missing pathway links within the municipality as identified in the Bicycle Strategy. Minor civil works (i.e. missing kerb & channel and minor drainage works) to be included (where required) in order to provide the missing footpath links.	Jul-21	Dec-21	\$500,000	\$250,000
VIC	Whittlesea City Council	2	Community	Mill Park Library – Stage 3, Outdoor Area Improvement	Improvements to Community Facilities. Convert an underutilised outdoor library space into an interactive, functional, fully accessible and protected external space for library programs and general community use.	Jul-21	Dec-21	\$900,000	\$200,000
VIC	Whittlesea City Council	2	Community	Epping Memorial Hall Repairs	Improvements to Community Facilities. Structural rectification of the function room to meet building code requirements and to reopen for community use. Increased Scope: Supply and installation to improve AV Technology Accessible Toilet Upgrade	Jul-21	Dec-21	\$500,000	\$500,000
VIC	Whittlesea City Council	2	Road	Reconstruction of Arthurs Creek Road	Reconstruction Improve drainage and pavement on Arthurs Creek Road between Plenty Road and Recreation Road, Yan Yean.	Jul-21	Dec-21	\$2,200,000	\$2,000,000
VIC	Whittlesea City Council	2	Road	Intersection Signalisation - Rockfield Street and Edgars Road, Epping	Traffic Improvement. To control traffic flow at the intersection and improve the safety for all road users.	Jul-21	Dec-21	\$675,000	\$675,000
VIC	Whittlesea City Council	2	Community	Mill Park Library – Stage 4, Car park Upgrade	Off Road Car Parks. Redevelopment of existing car park and expansion from 62 carparks to 100 to cater for greater level of use and reduce illegal overflow parking into the surrounding road network.	Jul-21	Feb-22	\$725,000	\$725,000

Nov-20	Jun-21	\$961,870	\$961,870
WA	City of Busselton	2	Community	Dunsborough Lakes Sports Precinct	As identified in the 2020-30 City of Busselton Sport & Recreation Facilities Strategy the Dunsborough sub district is only serviced by one sport park and over the past 10-years the participation for grass and court based sports has increased by 200% while population of the sub-district has grown by 30%. The first priority project detailed in the City's Strategy is the construction of a new sports precinct in Dunsborough Lakes to meet this growing need. The LRCIP enables the construction of a sporting pavilion, public toilets, walking paths, landscaping, off-road carpark that will complement the playing fields and multi-use courts at Dunsborough Lakes Sports Precinct.	Jun-21	Dec-21	\$5,100,000	\$1,682,810
WA	City of Busselton	3	Community	Construction of the Busselton Performing Arts & Convention Centre	The City now has a population of 40,000. The pace of growth, particularly in young families now sees under 25 year olds equalling seniors. The LRCIP enables the construction of a performing arts centre which will provide a sustainable future for creative economies, create a hub for the City's arts community to collaborate and complement the existing Cultural Precinct. Assistance from LRCIP will allow for the construction of the Busselton Performing Arts & Convention Centre which will include a traditional performing arts auditorium with a minimum of 600+ fixed seats, a stage with capacity to accommodate a symphonic orchestra, and a multipurpose foyer/function space capable of hosting conferences, banquets, trade shows. The Phase 3 funds will be used for the construction of the auditorium.	Jan-22	Jun-23	\$44,500,000	\$1,923,740

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	City of Karratha	1	Combination	Bayly Avenue road and community infrastructure works	Bayly Avenue is essential to providing passenger and freight services to the airport and is the only entrance route to the Airport. If left in its current condition and alignment the road will: 1. Fail in meeting the current and anticipated demand for airport services, including the trafficability of large fuel tankers that service the airport on a daily basis. 2. Maintenance costs will increase due to failing sealed road surfaces, 3. Public safety will be put a risk as the road's functionality and condition deteriorates and 4. Visitor/resident experience will be negatively impacted	Aug-20	Jul-21	\$6,539,000	\$604,179
WA	City of Karratha	2	Community	Kevin Richards Memorial Oval Redevelopment	Sporting and recreational facilities	Jun-21	Oct-21	\$8,568,538	\$999,918
WA	City of Karratha	3	Community	Kevin Richards Memorial Oval Club and Change rooms	The Kevin Richards Memorial Oval Master Plan outlines a five stage strategy to deliver improved facilities to accommodate a range of community and recreational needs. This funding request is for the new formalised spectator seating, change rooms and the new club rooms providing increased community amenity and increased community use function space. The scope of works includes: The demolition of the Karratha Volunteer Fire and Rescue running track and all associated infrastructure. This is required to facilitate the change and club room construction. Phase 2 funding was used for the Change Room. Phase 3 funding will be used for the first floor club room, facility room and spectator seating – The club and facility room contains commercial kitchen and servery 1 and 2, bar and servery 3 and 4, function space, office, cleaners, toilet amenities and associated services infrastructure. The terraced seating involves the construction of the two storey masonry and steel structure and terraced stadium seating.	Jan-22	Oct-22	\$8,568,538	\$1,208,358
WA	City of Kwinana	1	Community	William Bertram Community Centre - Painting of Child playground	Paint in childrens playground area is worn and peeling in places, repainting will improve the aesthetics and safety for the children and prevent further damage to the fabric of the building	Oct-20	Mar-21	\$7,000	\$7,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	City of Rockingham	2	Community	St Raphael Footpath Construction	Works involving cycling and pedestrian infrastructure. construct a new footpath to connect existing path networks and residences to schools. Currently cyclists and young children with their parents walk on the road to reach Port Kennedy Primary School. In addition to safety and amenity, the project will also improve accessibility.	Jan-22	Jun-22	\$110,000	\$110,000
WA	City of Rockingham	2	Road	Chalgrove Avenue (Northbound) – Road resurfacing (Civic Boulevard to Goddard Street)	Rehabilitation - Work to return a road to its original standard	Jan-22	Jun-22	\$121,450	\$121,450
WA	City of Rockingham	2	Road	Rae Road – Road resurfacing (Safety Bay Road to Hawker Street)	Rehabilitation - Work to return a road to its original standard	Jan-22	Jun-22	\$131,130	\$131,130
WA	City of Rockingham	2	Road	Royal Palm Drive – Road resurfacing (Coronata Drive to Halliburton Avenue)	Rehabilitation - Work to return a road to its original standard	Jan-22	Jun-22	\$68,085	\$68,085
WA	City of South Perth	1	Community	Reserve north of Kwel Court, Karawara - Installation of CCTV to provide 8250m2 of coverage	Karawara has the 16th highest crime rate in the state. A combination of a high density of public housing and extensive greenways with no passive surveillance contribute to the statistics. CCTV will provide surveillance of the greenways which will deter crime and enable the police to prosecute criminals to make Karawara a safer place	Apr-21	Apr-21	\$140,000	\$140,000
WA	City of South Perth	1	Combination	Thelma Street, Como - Installation of a new red asphalt bicycle path	Cyclists currently have no protection when traveling from the lanes to the path.	Aug-21	Dec-21	\$70,000	\$70,516
WA	City of South Perth	1	Combination	South Perth Esplanade, Cycle path upgrades	This segment of cycle path is part of the top priority actions in the City's Joint Bike Plan 2018 because the adjacent road has the highest number of recorded cycle crashes of any City-managed road. The road caters for high volumes of recreational cyclists and a wide range of path users, which introduces potential conflicts. This project will provide a safe dedicated cycle path to reduce crashes. The works will form part of a regionally significant bike path that, once fully constructed, will provide a continuous red asphalt cycle path for all the parklands on the popular bridge to bridge trail enabling safe cycling between Perth City and the City of South Perth.	Oct-21	Dec-21	\$90,000	\$90,000
WA	City of South Perth	2	Community	Mends Street Fibre Optic Cable Installation	Closed Circuit TV (CCTV)	Oct-21	Dec-21	\$100,000	\$90,000
WA	City of South Perth	2	Community	Waterford Triangle	Bicycle and Walking Paths Painting/Improvements to community facilities Improved Accessibility of Community Facilities and Areas Playgrounds and Skate parks (including all ability playgrounds)	Jan-22	Jun-22	\$1,000,000	\$660,998
WA	City of South Perth	2	Community	Neil McDougall Lake WSUD	Improved Accessibility of Community Facilities and Areas Landscaping Improvements	Jan-22	Jun-22	\$650,000	\$600,000
WA	City of Stirling	1	Community	Mettams Pool Beach - coastal erosion rectification	Impacts of rising sea level and erosion of coastal infrastructure assets	Nov-20	Apr-21	\$600,000	\$300,000

WA	City of Stirling	1	Community	Poynings St, Westminster - Concrete Path	Adjust residential cross overs, reinstate verges, service access points cover to path finished level, prune trees.	Jun-21	Jun-21	\$75,948	\$75,948
WA	City of Stirling	1	Community	Karrinyup Rd, Trigg - Concrete Path	Adjust residential cross overs, reinstate verges, service access points cover to path finished level, relocate sign.	Jun-21	Jun-21	\$35,799	\$35,799
WA	City of Stirling	2	Road	Right Of Way 27002 - East of Alvan St, Mt Lawley	Reconstruction of a right of way (road). Bring the road up to Australian traffic standard. Safe access to the properties. Mitigated risk of property flooding.	Jul-21	Oct-21	\$320,000	\$320,000
WA	City of Stirling	2	Community	Grenville Reserve Carpark, Tuart Hill	Construction of 62 off street car parking bays. Adjustment of existing car park levels, flooding issues, lack of parking space.	Jun-21	Jul-21	\$150,000	\$150,000
WA	City of Stirling	2	Community	Charles Riley Soccer. Charles Riley Memorial Reserve, North Beach.	Upgrade of existing sports floodlighting for North Beach Soccer to current Australian Standards. Lighting at Charles Riley Reserve (upper oval) currently doesn't meet Australian Standards.	Oct-21	Dec-21	\$620,000	\$620,000
WA	City of Stirling	2	Community	Coolbinia Oval No 2, Yokine Regional Open Space 100 Wordsworth Ave, Yokine.	Upgrade of existing sports floodlighting for AFL to current Australian Standards. Lighting at Coolbinia Oval No 2 currently doesn't meet Australian Standards.	Oct-21	Dec-21	\$330,000	\$330,000
WA	City of Stirling	2	Community	Terry Tyzack Pool Concourse Retiling	Project addresses a number of safety and compliance issues raised by staff management and members of the public. Whilst addressing these issues the works will also enhance the internal aesthetics and consider the indoor pool facility in a safe and compliant manner for existing and future patrons. An opportunity to increase male change rooms which have been noted as being on the small side for the number of patrons using the facility will also be achieved and improve accessibility to the change rooms. It is likely the indoor Myrtha pool will be re-lined as part of the project due to the nature of intrusive construction to adjoining materials.	Dec-21	Feb-22	\$1,672,000	\$1,672,000
WA	City of Stirling	2	Community	Scarborough Tennis Club Refurbishment. 92 Deanmore Road, Scarborough	Condition and compliance upgrades to the Scarborough Tennis Club building. The need to refurbish Scarborough Tennis club has arisen from condition modelling data indicating the facility requires a 25 year upgrade. The facility was constructed in 1967 and has likely not undergone any major refurbishments in this time. User needs, Standards of accessibility and Code compliance will be addressed in the scope of the proposed refurbishments	Dec-21	Apr-22	\$750,000	\$750,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

WA	Collie Shire Council	1	Community	Collie River Valley Tourist Park, Collie - New ring main water supply	Old supply line at end of life and subject to frequent burst pipes with large volumes of water being lost.	Dec-20	Feb-21	\$96,000	\$96,000
WA	Collie Shire Council	1	Community	Jones St, Collie - Construction of a 1.8m wide footpath	Replace old path containing many broken slabs	Mar-21	Mar-21	\$37,500	\$37,500
WA	Collie Shire Council	1	Community	Collie Cemetry - Installation of a walkway	Existing walkway is cracked and uneven due to tree roots	Apr-21	Apr-21	\$15,000	\$15,000
WA	Collie Shire Council	1	Community	Soldiers Park and Buckingham Way Playground - Shade construction and amenities upgrade	Lack of shade for children playing on playground equipment	Feb-21	Mar-21	\$48,000	\$48,000
WA	Collie Shire Council	1	Community	Steere St North - Construction of 1.8m wide footpath	Replace old path with many broken slabs	Feb-21	Feb-21	\$45,000	\$45,000
WA	Collie Shire Council	1	Community	Throssell St, Collie - Installation of tie-downs for roof at Museum	Roof has been found to need further tie-down installations to withstand loads. Will allow for a more structurally sound building	Feb-21	Mar-21	\$20,000	\$20,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Collie Shire Council	1	Community	Community Sports Hall Coombes St, Collie - Roof repair	Roof leaks	Feb-21	Mar-21	\$33,980	\$33,980
WA	Collie Shire Council	2	Community	Refurbishment of Swinging Bridge across Collie River (southern end Rigby Street, Collie)	Bridge works: the pedestrian bridge that connects river walk paths is unsafe and needs refurbishment.	Jun-21	Dec-21	\$200,000	\$200,000
WA	Collie Shire Council	2	Community	Refurbishment of the Jack Mears Springs boardwalk (Collie River near intersection of Mungalup and Crampton Roads)	Bicycle and walking paths: Degraded board walk at significant Aboriginal heritage site adjacent to the Collie river walk requires replacement.	Jun-21	Dec-21	\$194,429	\$194,429
WA	Collie Shire Council	2	Community	Replacement of fencing at Collie Recreation Ground (Prinsep St) and Roche Park playing fields (Coalfields Road between Paull and Gavan Streets)	Repairs/Replacement of fencing:	Dec-21	Apr-22	\$59,700	\$59,700
WA	Morawa Shire Council	1	Community	The ablution block needs repairs and upgrades to provide safe and comfortable access to guests. The current block was built in the late 80s and has not been upgraded since. The interior will be updated with more shower and toilet stalls, modern tiling, furniture and flooring. The facilities provides will be washing machines and dryers with	Outdated, uncomfortable and unsafe use of ablution block	Feb-21	Jun-21	\$50,000	\$50,000
WA	Morawa Shire Council	1	Road	Removal of old street light poles, disconnect power. Purchase and install solar powered poles	Expensive (40k per year) and old street poles - one came down a few months ago. Rust had bitten through the pole's iron base and the pole fell over. Replacement is more economical (solar powered), brighter, and fewer poles are required.	Feb-21	Jun-21	\$78,927	\$78,927
WA	Morawa Shire Council	1	Road	Erection of new, uniform town "welcome" and Farwell" signs with additional information on businesses/activities within the Shire. Removal of old signs	illegible, old, weathered signs. No business information.	Jan-21	Feb-22	\$10,000	\$10,000
WA	Morawa Shire Council	1	Road	The old Three Springs Road is a graveol road and needs a reconstruction with gravel resheeting, tree pruning and grading. This road is not on Council's 5 year road plan and is not funded by RRG or R2R.	Potholes, overhasnging trees, uneven terrain and unsafe travel conditions especially in the wet for larger vehicles.	Oct-21	Feb-22	\$190,000	\$190,000
WA	Morawa Shire Council	1	Community	This project will see the formal expansion of the Caravan Park to the north for larger, heavier vheiles in the season (August - November). Works will consist of earth eorkds, fence erecting, trenching, tree pruning and levelig.	Currently, large RVs have no place to park their vans and are being placed on a reserve north of the park on a bushy area. This area needs to be developed and fenced off to accommodate larger RVs with access to the park. RVs should be self-contained without power, water of ablution need. Drive through sites comprised of dirt	Mar-21	Jun-22	\$70,000	\$70,000
WA	Morawa Shire Council	2	Community	Renovation of Sport Precinct Clubhouse	Sport and Recreation Facility used by the bowling and golf club and broader community as a socialisation space. Wookwork, flooring, painting, air conditioning all-in need of repair and upgrading.	Sep-21	Dec-21	\$142,000	\$142,000
WA	Morawa Shire Council	2	Community	Upgrade/Renovation of Old Shire Chambers/Admin Building	The Shire has been operating from a new office building for several years and the old facility is a large space and heritage listed. The upgrade works will improve electrics, repaint wall, fix flooring and recommission bathrooms to make the facility accessible and useable to a community group/s or for a use that benefits the whole community such as a discovery centre.	Sep-21	Dec-21	\$141,669	\$141,669

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Mt Magnet Shire Council	1	Community	Federation Park and Hepburn Street - Recreational Infrastructure	Aged infrastructure and additional recreational infrastructure	Oct-20	Apr-21	\$47,000	\$47,000
WA	Mt Magnet Shire Council	1	Community	Hepburn, Richardson and Attwood Streets - CCTV	Community safety	Nov-20	Jan-21	\$20,000	\$20,000
WA	Mt Magnet Shire Council	1	Community	Cemetery, Seniors Building and Swimming Pool - Repairs	Improved safety and security to community facilities including the cemetery, swimming pool and park	Nov-20	May-21	\$54,374	\$54,374
WA	Mt Magnet Shire Council	1	Road	Mount Magnet Shire Multiple Sites - Signage	Increase and improve road safety with installation of new signage	Oct-20	May-21	\$20,000	\$20,000
WA	Mt Magnet Shire Council	1	Community	Hepburn, Richardson, Attwood and Laurie Streets - Footpaths	To primarily improve pedestrian access in selected town streets	Jan-21	Mar-21	\$100,000	\$100,000
WA	Mt Magnet Shire Council	2	Community	Mt Magnet Town Cemetery, on Cemetery Road.	Installation of a Roof over Existing Toilet Block and covered walkway. Toilet block installed last year by the Shire and has no overhead protection especially for funeral gatherings/visitors and users' queue to use the facilities.	Feb-22	Apr-22	\$20,000	\$20,000
WA	Mt Magnet Shire Council	2	Community	Mt Magnet Town Cemetery	Fencing and further development work required due to recent GPR Survey carried out and old grave sites discovered and located.	Feb-22	Apr-22	\$20,430	\$20,430
WA	Mt Magnet Shire Council	2	Combination	Mount Magnet Rural Roads	Installation and replacement of (5) new grids on roads within the Shire's boundary on Yoweragabbie and Wogarno access rural roads. The Shire participates on the Mid-West-Gascoyne Region Group Meetings co-ordinated by Regional Manager for Main Roads. All roads are publicly accessible.	Mar-22	May-22	\$50,000	\$50,000
WA	Mt Magnet Shire Council	2	Community	Mount Magnet Museum	New shed for holding and display items of historical value and interest.	Dec-21	May-22	\$62,000	\$62,000
WA	Mt Magnet Shire Council	2	Combination	Mount Magnet, Creek Area on Warren Street located between the Hepburn and Watson Street.	Beautification Programme – Parking area well used by visitors, caravan commuters and trucks (RAV 3) that overnight on Warren Street as handy to shops and accommodation. Grassed area be extended and install children's playground. Warren Street is located between Hepburn Street (main road in town) and Watson Street.	Mar-22	May-22	\$20,420	\$20,420
WA	Narembeen Shire Council	1	Road	Bows Road Narembeen – culvert replacement	Culvert damaged due to significant rainfall events, corrosion due to salt content, past repair and requires replacement, infrastructure damage a potential public safety hazard	Oct-20	Nov-20	\$200,000	\$200,000
WA	Narembeen Shire Council	1	Community	Narembeen Public Hall – internal and external restoration	Restoration to ensure hall is preserved in line with heritage conservation plan; address issues such as rising damp and electrical rewiring to ensure public safety, maintain historically important building, improve accessibility	May-21	Jun-22	\$180,000	\$180,000
WA	Narembeen Shire Council	1	Combination	Narembeen townscape improvements – street lighting, streetscape improvements, signage	Currall Street is very dark at night along main entry to town, affecting safety of road users and pedestrians. Streetscape improvements to main business hub are desired. Both components would have a significant effect on the attractiveness of the streets, the amenities around them in particular the sporting, tourism and business hub of the community. Signage has become old and dated.	Nov-21	Mar-22	\$166,842	\$166,842
WA	Narembeen Shire Council	2	Community	Walker Lake Dual use path	Construction of approximately 1.5km of Dual use concrete path around Walker Lake, Narembeen. A gravel walk path currently exists and this represents a fall hazard for users, in particular elderly residents at the nearby Aged Care facility. The allocation includes an allocation for signage for LRCI and interpretation	Nov-21	Mar-22	\$250,000	\$250,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Narembeen Shire Council	2	Community	Museum preservation works	Building restoration works are required to be undertaken to the historic Narembeen Museum (formally St Pauls Anglican Church). A Conservation Management plan has been completed which identifies a list of priority works to be undertaken to the building to preserve its condition.	Apr-21	Jun-22	\$136,774	\$136,774
WA	Shire of Ashburton	1	Community	New concrete footpath routes and links in TomPrice	No safe pedestrian access to new Child Care Facility, South Road, Tom Price. Lack of safe pedestrian access and no exercise link in residential area in Tom Price. No safe direct route for pedestrian access to town centre and incomplete exercise loop around the Clem Thompson Oval, Tom Price. No safe pedestrian access to ANZAC Memorial Park from Acacia Street, Tom Price.	Sep-20	Oct-20	\$2,047,260	\$773,161
WA	Shire of Ashburton	2	Community	Onslow Detention Basin 2 Landscaping and Amenity Improvements	The scope of the project involves reshaping of the existing basin with further beautification to include: <ul style="list-style-type: none"> • Shared use of footpaths and solar lighting • Additional tree planting along with Salt tolerant shrubs and grasses. • Coloured rock in lay within the basin • Salt tolerant grasses within the basin • Picnic shelters • Limestone feature walls replacement/modifications of the existing fountain with a more substantial structure to agitate the water which will minimise the significant mosquito breeding on stagnant water. 	Jan-22	Jun-22	\$1,765,187	\$865,187
WA	Shire of Augusta Margaret River	1	Community	Margaret River HEART - Storage	The existing venue has a significant lack of shelving meaning that theatre/performance/venue related items cannot be adequately stored.	Apr-21	Jun-21	\$17,794	\$17,794
WA	Shire of Augusta Margaret River	1	Community	Gloucester Park Oval - Parking	Damage to gravel verge and improved pedestrian access at high usage location (sporting ground and skate park)	Nov-20	Dec-20	\$61,406	\$61,406
WA	Shire of Augusta Margaret River	1	Community	Blackwood Avenue - Landscaping	Augusta residents feel that the main street of Augusta is dull and looking unloved. The Shire has previously been working with community members to determine what can be done to improve the amenity, with incremental landscape works being a solution supported by all.	Dec-20	Jun-21	\$12,000	\$12,000
WA	Shire of Augusta Margaret River	1	Community	Gracetown Jetty and Boat Ramp - Refurbishment	Renewal and major maintenance of structural components of the jetty that are corroded. The jetty is required for the safe launching of recreational boats from the adjacent boat ramp.	Feb-21	Jun-21	\$122,802	\$122,802
WA	Shire of Augusta Margaret River	1	Community	Fearn Avenue - Access Ramp	Insufficient pedestrian access as the previous non-complaint access path was removed in order to locate services as part of the main street works. The contract for the main street did not include replacement of this path.	Feb-20	Aug-21	\$88,000	\$88,000
WA	Shire of Augusta Margaret River	1	Community	Georgette Drive - Replacement Path	Narrow/ damaged pathway in a highly utilised location (access to Primary School), missing links in the town site pathway network and lack of provision for universal access.	Nov-20	Feb-21	\$60,706	\$60,706
WA	Shire of Augusta Margaret River	1	Community	Margaret River Bowling Club - Roofing	Water egress to the building and need to improve energy efficiency.	Apr-21	May-21	\$100,000	\$100,000
WA	Shire of Augusta Margaret River	1	Community	Wallcliffe Road - Replacement Path	Damaged pathway which presents trip hazards and poor appearance.	Nov-20	Nov-20	\$34,385	\$34,385

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Augusta Margaret River	1	Community	Bussell Highway - Path	There is currently no safe / universal access for pedestrians to use between the Margaret River Education campus (TAFE) and the high school. This is a high use pedestrian area and currently pedestrians / cyclist need to walk alongside Bussell Highway to gain access between these two high use locations.	Dec-20	Feb-21	\$90,000	\$22,500
WA	Shire of Augusta Margaret River	1	Community	Reuther Park - Replacement Path	The upgrade to the Main Street of Margaret River is currently undergoing an upgrade. This has included a new pathway connection to facilitate pedestrian access from the high school, around a roundabout and then through Reuther Park where the path joins into the existing paved path. Connection of the existing to the new could serve as a trip hazard. It also causes issues for people with a vision impairment due to the change in colour of the surface material.	Feb-21	Mar-21	\$36,663	\$26,663
WA	Shire of Augusta Margaret River	1	Community	Walkington Avenue	As the existing path is constructed from 600mm square concrete slab as the street trees have grown gaps and trip hazards have become apparent in this pathway.	Feb-21	Mar-21	\$47,000	\$47,000
WA	Shire of Augusta Margaret River	1	Combination	Fearn Avenue - Intersection Transformation	Fearn Avenue between Bussell Highway and numerous carpark entry points has been constructed as a shared zone for use by pedestrians and vehicles. The local community have showed their strong desire for this area to be permanently closed to vehicles traffic and transformed into a pedestrian mall to allow for a traffic free public meeting space (which the town centre does not currently have). The Shire is in support of this closure.	Jul-21	Dec-21	\$29,083	\$29,083
WA	Shire of Augusta Margaret River	1	Community	Fearn Avenue - Wallcliffe Road Walking Path	The existing path is constructed from red brick pavers that slopes towards a private lot meaning that stormwater currently drains off the road and into the private lot. As this lot is now under construction the Shire needs to rebuild the path (with a 2% fall towards the road) to ensure stormwater is directed towards the road and into the townsite drainage system. In addition this provides an opportunity to improve a high use pathway within the town centre of Margaret River.	May-21	Sep-21	\$63,500	\$63,500
WA	Shire of Augusta Margaret River	2	Community	Wadandi Track: Heritage pedestrian bridge B9293 refurbishment Lat -33.938030 Long 115.068919 Bridge works	Bridge works - Bike and walking path, repairs to pedestrian bridge.	Aug-21	Dec-21	\$454,000	\$454,000

WA	Shire of Broome	2	Community	Broome Recreation and Aquatic Centre Carpark - Upgrade	This is a high visitation area and provides parking for users of the Facility particularly those accessing Father McMahon Oval for organised sport. The existing carpark is a formed carpark which lacks a seal, line marking, pedestrian access ways. The upgrade to existing carpark seeks to provide a sealed surface allowing for better amenity and formalised carparking bays improving safety and capacity. The project includes landscaping, kerbing and a footpath network to improve safety for users.	Nov-21	Mar-22	\$585,000	\$315,000
WA	Shire of Broome	2	Community	Broome Cemetery Fencing Upgrade	Council have recently adopted the Broome Cemetery masterplan 2020. This document had significant community consultation with the top priority increased safety through installation of 1800mm Garrison fencing around the perimeter of the facility. This project proposes to fence the Cemetery Boundary with 1800mm Garrison fencing with 2 vehicular gates and 3 pedestrian gates.	Aug-21	Jun-22	\$320,000	\$310,000
WA	Shire of Broome	2	Road	Kerr Street and D'Antoine Street Footpath - New	Kerr Street and D'Antoine Street are currently highlighted in the Shire of Broome's 10 year footpath plan. These roads provide an important connection between the Old Broome area and the Boulevard Shopping centre and Broome Senior High School. The installation of 2m wide footpath will improve pedestrian safety for these important links.	Sep-21	Jan-22	\$105,000	\$100,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Broome	2	Community	Town Beach Carpark Lighting and Landscaping - New	Council is installing 45 new car bays within the Town Beach precinct to support increased visitation resulting from \$24M of upgrades that have and are being completed within this precinct. The new carpark is being part funded through the LRCI phase 1 grants. This project is seeking to provide compliant lighting and landscaping (including fencing) to the new carpark to improve safety for users accessing the Town beach playground, water park and Jetty (under construction).	Sep-21	Nov-21	\$128,056	\$128,056
WA	Shire of Broomehill-Tambellup	1	Combination	Broomehill Village townsite, Journal St - Improvements to road and footpath	Widen the seal, improve drainage, install kerbing and footpath on Journal Street - from Ivy Street to Javelin Street	Nov-20	Jun-21	\$95,000	\$94,962
WA	Shire of Broomehill-Tambellup	1	Road	Tambellup townsite - Installation of new kerbing at multiple locations	Damaged sections to be removed and new kerbing installed which will alleviate water pooling and drainage issues.	Dec-20	Dec-20	\$21,000	\$21,000
WA	Shire of Broomehill-Tambellup	1	Road	Beejenup Road, Tambellup East - gravel resheet	Existing gravel has been worn away by traffic over the years and the road becomes slippery and dangerous in wet conditions. This road is a significant connecting road for heavy vehicles.	Nov-20	Jun-21	\$30,000	\$30,000
WA	Shire of Broomehill-Tambellup	1	Road	Birt Road, Tambellup West - Gravel re-sheet	Existing gravel surface is down to a clay base and breaks up under dry conditions and the road becomes slippery and dangerous in wet conditions. This road is a significant connecting road for heavy vehicles.	Nov-20	Jun-21	\$30,000	\$30,000
WA	Shire of Broomehill-Tambellup	1	Road	Paul Valley Road, Tambellup West - Clearing of vegetation and gravel re-sheet	This section is in poor condition and badly corrugated. Clearing vegetation will improve visibility and access for heavy haulage vehicles as this road is a significant connecting route to the Albany Highway.	Nov-20	Jun-21	\$60,000	\$60,000
WA	Shire of Broomehill-Tambellup	1	Road	Yetemerup Road, Tambellup East - Clearing of vegetation and gravel re-sheet	Existing gravel has been worn away over time from increased heavy traffic and becomes slippery and dangerous in wet conditions. Vegetation clearing to improve visibility and access for heavy haulage vehicles as this road is a significant connecting route through to the CBH facility in Cranbrook	Nov-20	Jun-21	\$60,000	\$60,000
WA	Shire of Broomehill-Tambellup	1	Road	Stirling Access Road, Tambellup East - Repair failures and gravel resheet	Road is in poor condition, corrugated and failures in gravel surface at various sections. This road is a significant connecting route through to the CBH facility in Cranbrook and Great Southern Highway	Nov-20	Jun-21	\$60,000	\$60,000
WA	Shire of Broomehill-Tambellup	1	Road	Flat Rocks Road - Clearing of vegetation, clean table drains and gravel re-sheet	Vegetation to be cleared away from table drains. Existing gravel has worn away by increased traffic over the years and is corrugated, road becomes slippery and dangerous in wet conditions. This road is a school bus route, and a major connecting route through to the CBH facility in Broomehill and also Albany Highway.	Nov-20	Jun-21	\$85,000	\$85,000
WA	Shire of Broomehill-Tambellup	2	Road	Nymbup Road, Tambellup West	Extend & repair culverts along road	Jan-21	Dec-21	\$20,000	\$20,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Broomehill-Tambellup	2	Road	Greenhills South Road, Tambellup West	Widen, reconstruct & seal – slk 14.15 to 15.27 (including floodway section)	Jan-21	Dec-21	\$150,000	\$150,000
WA	Shire of Broomehill-Tambellup	2	Road	Beejenup Road, Tambellup East	Reconstruct & seal corners – slk 21.82 to 23.00	Jan-21	Dec-21	\$53,100	\$53,100
WA	Shire of Bruce Rock	1	Community	Bruce Rock Caravan Park, Dunstall St - Various upgrades	The existing ablution facility is very old and is well and truly due for an upgrade. When Council investigated costings it was deemed more cost-effective to demolish the current facility and build a new structure rather than renovating. The current facility does not have adequate equal accessibility, which will be rectified in the new building.	Feb-21	Jun-21	\$333,674	\$333,674
WA	Shire of Bruce Rock	1	Community	Bruce Rock Recreation Centre, Dunstall St - Installation of power	Currently the cricket shed has no power, which has resulted in the local Cricket Club having to use a generator to run equipment including ball machines and lighting for their training sessions, club days, and fixtures night matches. The installation of power will prevent the carting of a generator to the facility each week, and makes the facility more user friendly.	May-21	Jun-21	\$4,500	\$4,500
WA	Shire of Bruce Rock	1	Community	Johnson Street, Bruce Rock - Parklet upgrades	Before Council installed the temporary parklets, there were no attractive outdoor seating and dining options on the main street, especially near operating food businesses. The temporary parklets have made our main street more vibrant and have been deemed a great success. The parklets make it obvious to passing travelers that the food businesses are open, and encourage them to stop and spend, which boosts our local economy. Making the parklets permanent will increase all these benefits and ensure we can continue to reap them well into the future.	Apr-21	Oct-21	\$126,003	\$126,003
WA	Shire of Bruce Rock	1	Community	Railway Dam, off Bruce Rock East Road - Improvements to water catchment system	The project will improve the water catchment system as well as increase the capacity of the catchment, which will allow us to retain more water during rainfall events. In previous years where poor weather conditions have occurred, Council has had to purchase water to keep our oval and gardens alive. This project will not only save Council funds in the future, but makes our town attractive to tourists, and allows our sporting clubs to still be able to participate in their sporting activities.	Feb-21	Jun-21	\$62,125	\$62,125
WA	Shire of Bruce Rock	2	Community	Bruce Rock Caravan Park Upgrade Stage 2. Bruce Rock Caravan Park, Dunstall St, Bruce Rock, WA, 6418	Picnic Shelters or Barbeque Facilities at Community Parks, OTHER. This project will consist of redevelopment of 7 powered sites including access points for power and water, bay parking, landscaping, installation of a permanent veranda on the campers kitchen, a commercial bbq at the campers kitchen, installation of solar lighting, painting of the 6 backpacker huts. The Bruce Rock Caravan Park is Shire owned and is a key accommodation venue and tourism driver in the Shire.	Sep-21	Dec-21	\$116,500	\$116,500

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Bruce Rock	2	Community	Dam Catchment Improvements 'Negri Dam', located in a paddock along the Bruce Rock – Narembeen Road.	Sporting and recreation facilities, OTHER. This project will increase the capacity of the nominated dam, which will allow for greater water collection and storage capacity, which will improve Council's water management and drought proofing. The water supply is used to maintain landscaping throughout the town as well as the Recreation Centre's oval.	Aug-21	Dec-21	\$19,000	\$19,000
WA	Shire of Bruce Rock	2	Community	Improve accessibility to the Bruce Rock Town Hall Bruce Rock Town Hall, 56 Johnson St, Bruce Rock.	Improved Accessibility of Community Facilities and Areas Installation of automatic doors at the entrance of the Town Hall, replacing the existing narrow and heavy doors. This will greatly increase accessibility to the building.	Aug-21	Oct-21	\$21,000	\$21,000
WA	Shire of Bruce Rock	2	Community	Improvements at the Bruce Rock Recreation Centre Bruce Rock Recreation Centre, Dunstall St, Bruce Rock	Improved Accessibility of Community Facilities and Areas, Landscaping Improvements, Other. Upgrading reticulation at the Recreation Centre to improve water efficiency, and the playing surface of the town oval. Install synthetic grass in some garden beds in the Recreation Centre surrounds. Install an accessibility ramp near the tennis courts which will allow wheelchair, pram and mobility scooter users to access the Recreation Centre from the southern end.	Aug-21	Dec-21	\$219,078	\$219,078
WA	Shire of Bruce Rock	2	Community	Bruce Rock Supermarket. Corner of Johnson and Bath Street, Bruce Rock, WA.	The only supermarket in the Bruce Rock town site burnt down as a result of arson in March 2020. The Shire seeks to construct a new supermarket building to ensure residents have access to a secure food supply. This is paramount for vulnerable community members who are unable to travel 40km to the next town for grocery shopping with no support system present. Currently, the Shire are operating a temporary supermarket from the Town Hall, resulting in the hall being unavailable for community events and sporting activities. A retail consultant determined that the Shire of Bruce Rock would be extremely unlikely to attract a retailer to operate a grocery store if the retailer had to also construct a building. The Shire intend to build the supermarket, fit it out, and lease it to an independent retailer. Building a new supermarket contributes to the local economy by creating jobs during construction and ensuring the continued future of the local retail economy. At present, many retail businesses in Bruce Rock have been negatively impacted by people travelling out of town for grocery shopping, as the current supermarket is unable to stock all the stock lines they require. Specific components of the construction of the Supermarket Phase 2 funding will be used for include: substructure, trenching and conduiting for Electrical and Communication Services, and power supply head works.	Jan-22	Jun-22	\$4,173,000	\$375,578

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Bruce Rock	3	Community	Bruce Rock Supermarket. Corner of Johnson and Bath Street, Bruce Rock, WA.	OTHER. The only supermarket in the Bruce Rock townsite burnt down as a result of arson in March 2020. The Shire of Bruce Rock seek to construct a new supermarket building to ensure our residents have access to a secure food supply. This is especially important for vulnerable members of our community who are unable to travel 40km to the next town for grocery shopping and lack a support system who could do this for them. At present, the Shire are operating a temporary supermarket out of the Town Hall, which was not designed for this purpose and has resulted in the hall being unavailable for community events and sporting activities. After engaging a retail consultant, it was determined that the Shire of Bruce Rock would be extremely unlikely to attract a retailer to operate a grocery store if the retailer had to construct a building as well. The Shire intend to build the supermarket and fit it out, and then lease it to an independent retailer. Constructing a new supermarket will contribute to the local economy by creating jobs during the construction phase and ensuring the continued future of the local retail economy. At present, many retail businesses in Bruce Rock have been negatively impacted by people travelling out of town for grocery shopping, as the temporary supermarket is unable to stock all the stock lines they need/desire, and then completing the rest of their retail shopping in the other town for conveniences sake. Specific components of the construction of the Supermarket Phase 3 funding will be used for the superstructure (column, roof, external & internal walls, windows, external & internal doors).	Jan-22	Jun-23	\$4,173,000	\$1,052,604
WA	Shire of Capel	1	Combination	Ramsay Road, Stratham Rehabilitation and Widening of Ramsay Road, including provision for construction of new pedestrian footpath	Significant pavement deformation in isolated areas, poor cross sectional design, narrow seal	Jan-21	Jun-21	\$580,450	\$429,394
WA	Shire of Capel	2	Road	Ramsay Road, Stratham, WA. Chainage 1.5 to 3.34 From (115.5919661, -33.4557495) to (115.603933, -33.444281) Rehabilitation, Widening and Bicycle and Walking Path	Rehabilitation and widening of a portion of Ramsay Road, including construction of new pedestrian footpath. Stage 2 of project (Stage 1 carried out under LRCI Phase 1) Significant pavement deformation in isolated areas, poor cross sectional design, narrow seal (currently 5.8m to be widened to 6.2m). Drainage improvements and addition of kerbing to new footpath.	Sep-21	Dec-21	\$982,454	\$763,658

Installation of a nature play playground, gazebo refurbishment and general park furniture upgrades to improve facilities for a broad range of the community & tourists. Town Beach: Install of full shade for playground and selective play and park equipment upgrades/refurb. The upgrades ensure sun and wind protection during the entire year.	Jul-22	Jun-23	\$434,082	\$434,082
WA	Shire of Carnarvon	3	Community	Baxter Park ablution block refurbishment	Removal of aging toilet block and replace with a contemporary toilet block to encourage usage of the Park by community and tourists.	May-22	Dec-22	\$100,000	\$100,000
WA	Shire of Carnarvon	3	Community	Replacement of Shire admin building roof	Replacement of the aging asbestos roof of the Shire administration office. The Shire Administration office is publically accessible, with the building being open between 9:00am to 4:00pm. The building is also used for regular meetings with the several stakeholders including the general public.	Jul-22	Jan-23	\$300,000	\$300,000
WA	Shire of Carnarvon	3	Community	Fascine wall cathodic protection & capping beam replacement	Structural improvements and maintenance of the Fascine wall being part of the popular Fascine area used for leisure, sport, play and tourists. Note: Works to commence in winter time.	Mar-23	Jun-23	\$854,000	\$854,000
WA	Shire of Chapman Valley	1	Community	Install new WiFi Internet to Reserve area	Coronation Beach is an internationally renowned kite & windsurfing location, which needs exposure to the international world through a high speed fixed wireless Internet service. Installation of a tower will enable the site to be linked the world, therefore improving the exposure of the site, attract more users.	Dec-20	Dec-20	\$35,000	\$11,700
WA	Shire of Chapman Valley	1	Community	New rigging area for kite and wind surfers	No current rigging area. Coronation Beach is an internationally renowned kite & windsurfing location, which need facilities 9such as rigging areas) established and improved.	Oct-20	Mar-21	\$5,000	\$5,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Chapman Valley	1	Community	Renovate Kindergarten Building to house Nabawa Library	Currently the Nabawa Library is located within the Shire Administration Building meaning it is distanced from the Chapman Valley Primary School, making it less accessible to the students. The Shire office hours also restricts public use as most residents cannot get to Library during their normal work hours. Relocating to Library and having this more accessible to students and public is a more practical solution. The State Library Board has formally endorsed the proposed Library relocation.	Nov-20	May-21	\$22,000	\$22,000
WA	Shire of Chapman Valley	1	Community	Resurface Tennis Courts	Existing tennis courts are at the point of not being able to be used. Sub-base needs removing and reconstructed, then new court surface installed.	Feb-21	May-21	\$124,589	\$75,377
WA	Shire of Chapman Valley	1	Road	Stadium roof repairs and internal lighting upgrades	Existing roof damaged and leaks resulting in internal damage to internal basketball court/roller derby rink surface. Lighting aged and inadequate needs to be upgraded.	Mar-21	Mar-21	\$11,000	\$11,000
WA	Shire of Chapman Valley	1	Road	Widen existing road shoulders in Parkfalls Estate	The Parkfalls Estate is a rapidly growing peri-urban area within the Shire, which is resulting in public exercising (walking) throughout the precinct. The current shoulder width is not wide enough, resulting in people having to walk on the road bitumen surface (i.e. mixing with vehicular traffic). Widening shoulder will alleviate the unsafe pedestrian/vehicular mix.	Oct-20	Jun-21	\$105,000	\$105,000
WA	Shire of Chapman Valley	1	Community	Replace asbestos cladded storage shed at Yuna Golf Club	Existing asbestos cladded shed is dilapidated and dangerous. Needs removing totally from the site	Mar-21	Jun-21	\$15,000	\$15,000
WA	Shire of Chapman Valley	1	Community	Build new disabled access toilet facility	Only one toilet on site, which is old and not disability access compliant. When events are held at the site transportable disabled access toilets are hired in to accommodate the unmet need.	Aug-20	May-21	\$40,500	\$40,500
WA	Shire of Chapman Valley	1	Road	Build new road into Yuna Refuse Site/Transfer Station	As the Yuna Refuse Site/Transfer Station is an unmanned site where there has been a history of illegal dumpings of materials (e.g. asbestos, tyres, chemicals, etc.). The existing road into the site is winding and makes it difficult to monitor those accessing site. The CCTV will help in identifying illegal use.	Oct-20	Jun-21	\$24,360	\$24,360
WA	Shire of Chapman Valley	1	Community	Renovate and Upgrade Nabawa Community Centre Kitchen	Kitchen is decades old and dysfunctional. Badly needs renovations and upgrade works undertaken.	Mar-21	Jun-21	\$22,000	\$22,000
WA	Shire of Chapman Valley	1	Community	Install window security shutters on Nabawa Recreation Stadium	New shutters will improve security of building which contains significant historical sporting memorabilia.	Mar-21	May-21	\$5,000	\$5,000
WA	Shire of Chapman Valley	1	Community	Replace playground	The existing playground is decades old and in a state of disrepair. Badly needing replacement.	Feb-21	Mar-21	\$28,500	\$28,500
WA	Shire of Chapman Valley	2	Road	Wandana Road	Resealing - with edge repairs and crack sealing	Apr-21	Jun-22	\$327,153	\$283,397
WA	Shire of Chapman Valley	2	Road	White Peak Road	Resealing - with edge repairs and crack sealing	Apr-21	Jun-21	\$56,632	\$56,632

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Chapman Valley	3	Road	Coronation Beach Road	Reconstruction & Reseal: Coronation Beach Road. Remove/trim/clear vegetation to extent of clear zone, repair failing pavement, reconstruction of unsealed shoulders, localised seal widenings where failing and on crests/ bends, reseal existing remaining surfacing. Reinstatement of Centrelines and RRPm's after sealing. Infill and reshaping of shoulder material will have a moderate impact in drainage of the road and prevent damage from future rain events. Estimated distance of 4.2km x 7.2m. From SLK 0.00 to SLK 4.20 (i.e. 30,240 sqm of bitumen surface). Shoulders (both sides of road) 8.4km x 2m = approx. 16,800sqm. The actual area completed in obviously contingent upon cost of contractor services and materials so this may differ.	Jan-22	Jun-22	\$420,000	\$420,000
WA	Shire of Chapman Valley	3	Community	Chapman Valley Road (Lot 10396)	Improvements to community facilities: Lesser and Main Hall sections of the Nabawa Community Centre have not been renovated since built (1960s) and need significant internal upgrade works to modernise an old building i.e. Flooring, ceiling repairs and upgrade to establish better acoustics, new cupboards, air conditioning, painting. The upgrades also include lockable library book shelves ensure compliance with security required by the WA State Library Services.	Jan-22	Mar-23	\$25,000	\$25,000
WA	Shire of Chapman Valley	3	Community	Coronation Beach Road (Reserve 19893)	Improvements to community facilities: Installation of Coronation Beach Fixed Electronic Display Sign	Jan-22	Jun-22	\$15,000	\$15,000
WA	Shire of Chapman Valley	3	Community	Chapman Valley Road (Reserve 52196)	Improvements to community facilities: Chapman Valley Western Riding Club Arena Lighting – Nanson. There are currently no lights in place at this venue. The CV Western Riding Club has progressively established and improved the facilities at the venue in accordance with the Shire's Master Plan for this precinct. Lights will allow the Club to seek State & National circuit events to come to the venue in the future.	Feb-22	Jun-23	\$85,056	\$85,056
WA	Shire of Chapman Valley	3	Community	Chapman Valley Road (Lot 3270)	Improvements to community facilities: Installation of Nabawa Townsite Fixed Electronic Display Sign	Jan-22	Jun-22	\$15,000	\$15,000
WA	Shire of Chapman Valley	3	Community	Coronation Beach Road (Reserve 19893); Chapman Valley Road (Reserve 28869); Chapman Valley Road (Reserve 11351)	Closed Circuit TV (CCTV): Installation of Closed Circuit TV (CCTV) on Coronation Beach, Yuna Golf Club & Fig Tree	Jan-22	Jun-22	\$26,400	\$26,400
WA	Shire of Chapman Valley	3	Road	Nanson Howatharra Road	Reconstruction & Reseal: Remove/trim/clear vegetation to extent of clear zone, repair failing pavement, reconstruction of unsealed shoulders, localised seal widenings where failing and on crests/ bends, reseal existing remaining surfacing. Reinstatement of Centrelines and RRPm's after sealing. Infill and reshaping of shoulder material will have a moderate impact in drainage of the road and prevent damage from future rain events. \$144,418/\$14 = approx. 10,315sqm. The actual area completed in obviously contingent upon cost of contractor services and materials so this may differ.	Jan-23	Jun-23	\$144,418	\$144,418

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Chittering	1	Community	Brockman Centre Chittering - paths and landscaping	The existing paths that allow pedestrian access between the buildings and displays consist of round gravel stones. This is a trip hazard especially for the aged and infirm. The new paths will provide safe access.	Aug-20	Jun-21	\$73,775	\$73,775
WA	Shire of Chittering	1	Road	Davis Road - reconstruction of floodway across the Brockman River	Current floodway has come to the end of its life. Pavement has failed.	Feb-21	May-21	\$161,121	\$161,121
WA	Shire of Chittering	1	Community	John Glenn Park Muchea - shade structure	Shade sales have a tendency to get damaged in strong winds, and a solid roof structure will be a considerate cost saving over the lifetime of the structure.	Mar-21	Jun-21	\$50,000	\$50,000
WA	Shire of Chittering	1	Community	Needoonga Lake Bindoon - viewing platform and paths	The Bindoon Townsite which includes the Bakery and Locovore store is very busy and popular with tourists. At present there is only access to the lake through a gravel car park which is unsafe due to the loose surface and vehicular traffic.	Feb-21	Apr-21	\$47,713	\$47,713
WA	Shire of Chittering	2	Road	Wandena Road Slk 7.47-Slk 8.61	Reconstruction from a gravel road to a bitumen seal	Sep-21	Dec-21	\$238,142	\$238,142
WA	Shire of Chittering	2	Road	Binda Place carpark Chittering	Reconstruction from gravel carpark to asphalt seal.	Oct-21	Dec-21	\$138,637	\$138,637

WA	Shire of Coolgardie	2	Road	Coolgardie North Road	Additional identified works as a result of severe rain events - reconstruction, widening, sheeting/re-sheeting, resealing and drainage	Feb-21	Mar-21	\$358,515	\$332,148
WA	Shire of Coolgardie	3	Community	Coolgardie Waste Facility	Coolgardie Waste Facility currently accepts less than 5000 tonnes per annum (tpa) of Class II waste. The Site is not currently licensed as the Site's annual intake of waste has been below the licensing threshold and the Site is "registered" as a Category 89 prescribed premises rather than "licensed" as a Category 64 Class II/III landfill. It is proposed to expand the current facility within and along the western boundary of the Site to accept Class III waste. The future Site will comprise of engineered landfill cells, leachate and stormwater ponds as well as other general site infrastructure and specific waste management infrastructure. The LRCI Phase 3 funding will be used to construct Cell 1 and Leachate Pond.	Jan-22	May-22	\$3,027,414	\$728,002
WA	Shire of Coorow	1	Road	Railway Road, Gunyidi. Widen road from 8m to 10m and widen culvert on corner to 12m. Seal 7m wide.	Closed gravel road with narrow culvert unsuitable for increased heavy vehicle traffic.	Feb-21	May-21	\$286,530	\$286,530

WA	Shire of Coorow	3	Community	Coorow Sports Courts	To upgrade netball court playing surface to enable netball to continue to be played in Coorow. Scope of works include grinding the court surface, grinding out cracks and resurfacing the netball court. (\$38,803). In addition, there will be a concrete pad for the junior tennis hit up wall (\$7,000)	Feb-22	Mar-22	\$45,803	\$31,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Coorow	3	Community	Maley Park Upgrade	Upgrade to Maley Park. Scope of works include replacing all external windows, all brick paving, indoor toilet facilities and storeroom and upgrading kitchen facilities	Jan-22	Jun-23	\$100,000	\$100,000
WA	Shire of Coorow	3	Community	Caravan Park Cabins	Design and construct 2 caravan park cabins including one to disability access specification including landscaping	Jan-22	Jun-23	\$300,000	\$300,000
WA	Shire of Coorow	3	Combination	Tourism Directional Road Signage	Upgrade and install tourism directional signage throughout the Shire (Coorow, Green Head, Long Leeman) to ensure tourism traffic flows into and through the townsites	Jan-22	Jun-22	\$50,128	\$50,128
WA	Shire of Coorow	3	Road	Leeman Footpaths	Construction of approximately 250m of concrete footpaths in Leeman	Jan-22	Jun-22	\$25,000	\$25,000
WA	Shire of Coorow	3	Community	Park 601, Greenhead	Park beautification as per prepared plan. Park beautification includes a nature based playground, redesign and tidy up of existing boat, addition of bike rack, bench seating, paint bike trail on existing concrete and additional landscaping. Preliminary plans have been drawn up.	Jan-22	Jun-22	\$40,000	\$40,000
WA	Shire of Coorow	3	Community	Leeman Streetscape	Streetscape projects along the foreshore area in Leeman. \$17,500 of LRCI funds will go towards the Leeman Community Fresco Project. \$22,500 of LRCI funds will go towards the shade structure over new playground at Back Beach on the foreshore. The Fresco project will include: Installation of new seating areas at the northern end of the foreshore and a moveable volleyball equipment and facility; Installation of colourful public art on path connecting the foreshore with the Community Recreation Centre, with local community groups such as Leeman Primary School, Leeman Townscape and Tourism Advisory Group, Leeman Green Head Community Resource Centre assisting with painting interactive play elements; Greening / landscaping and lighting to complement the new seating spaces, including planter boxes along the path; and installation of bicycle parking and an accessible beach mat at the foreshore to improve the inclusivity and useability of the site for all groups. There will also be the replacement of water tank. Construction/erection of the shade structure will be over the new playground on the southern end of the Leeman foreshore. LRCI funds will not be spent on the moveable volleyball equipment or the colourful public art.	Jan-22	Jun-22	\$68,000	\$40,000
WA	Shire of Coorow	3	Community	Rotary Park, Coorow	Park beautification as per prepared plan. Park beautification including a nature based playground, redesign and tidy up of existing play equipment, addition of bike rack, bench seating and add concrete bike path. Preliminary plans have been drawn up.	Jan-22	Jun-22	\$40,000	\$40,000
WA	Shire of Coorow	3	Community	3 Bays Walkways, Greenhead	Concrete footpath to remaining limestone section. Approximately 500m	Jan-22	Jun-22	\$100,000	\$100,000
WA	Shire of Coorow	3	Community	Hunter Bay Stairs	Repairs to public access stairs to Hunter Bay.	Jan-22	Jun-22	\$30,000	\$30,000
WA	Shire of Coorow	3	Road	Dynamite Bay Footpath	Construction of footpath alongside the exit driveway to Dynamite Bay beach area	Jan-22	Jun-22	\$20,000	\$20,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Corrigin	1	Road	Bendering Road Reconstruction and widening of existing pavement to 7 metre seal including stabilisation, drainage, signage and clear zones	Poor road surface due to narrow pavement width of 3.6metres and pavement failure in low lying sections.	Nov-20	Jun-21	\$797,143	\$472,092
WA	Shire of Corrigin	2	Community	Painting/ Improvements to Corrigin Town Hall at 21 Goyder Street Corrigin	External painting Corrigin Town Hall	Jul-21	Dec-21	\$50,000	\$50,000
WA	Shire of Corrigin	2	Community	Repair and improvements to Old Roads Board Building at 21 Goyder Street Corrigin	Urgent conservation work to repair Old Roads Board Building to address rising damp, repair cracks in parapet and improve drainage.	Jul-21	Dec-21	\$275,000	\$274,511
WA	Shire of Corrigin	2	Community	Standpipe controller Connelly Parade Corrigin	Installation of standpipe controller on tanks at Connelly Parade Corrigin	Apr-21	Jun-21	\$20,000	\$20,000
WA	Shire of Corrigin	3	Community	Kunjin Street Corrigin	The overall aim of the park is to link the main highway going through town to the main street/town centre. This park is the main stopping point for visitors passing through Corrigin and it is an aged space and does not provide accessibility for all age groups. The proposed works funded by phase 3 of the LRCI grant scope will see more accessible play equipment including climbing towers and slides along with swings/hammocks and a flying fox replacing the existing aged playground structure. Rotary Park has a creek running through the middle which is vital to take large amounts of water from the northern side of the town under the main highway to the creek system on the south of town. The funding will ensure the bridge crossing the creek allows access for all people to the new playground location, accessibility for wheelchairs, prams, scooters, and bikes. The landscaping plant selection will comprise of native waterwise species which can double as an educational experience for tourists to learn about native flora while visiting the park.	Jan-22	Jun-23	\$1,815,024	\$944,184
WA	Shire of Cranbrook	1	Community	Extension of current footpath network from the Frankland River Caravan Park to Wingebellup Road by installing new an approximately 70m long concrete footpath and associated kerb ramps. The footpath design will be altered to tie in with footpaths being installed as part of the Frankland River Chalets Project.	This footpath will provide connection for visitors staying at the Caravan Park to the Main Street and Business Precinct. It will allow for and encourage visitors to explore the town and visit local businesses safely.	May-21	Jun-21	\$17,560	\$17,560
WA	Shire of Cranbrook	1	Community	Construction of an internal sealed one-way sealed loop access for the hearse, associated kerbing, internal footpaths	Improve access and accessibility especially for pedestrians with mobility aids	Jan-21	Mar-21	\$105,825	\$105,825
WA	Shire of Cranbrook	1	Community	Upgrade of existing off-road parking bays, extension of existing footpath, upgrade kerb ramps	Address facility standards, drainage problems, mobility access	Dec-20	Jan-21	\$20,770	\$20,770
WA	Shire of Cranbrook	1	Community	Safe pedestrian Crossing Point, kerb ramp and signage	No current designated crossing point	Apr-21	Jun-21	\$2,100	\$2,100
WA	Shire of Cranbrook	1	Community	Construction of footpaths, kerb ramps	Upgrade current footpath network to improve walking and cycling environment.	Jan-21	Jun-21	\$167,914	\$167,914
WA	Shire of Cranbrook	1	Community	Construction of 1.5m wide and 1.65km long compacted gravel walking path along road	Limited pedestrian network within Tenterden, encourage walking.	Dec-20	Dec-20	\$20,000	\$20,000
WA	Shire of Cranbrook	1	Community	Gillamii Centre, Cranbrook – Construction of road and parking bays	Currently the parking consist of informal unmarked bays where departing visitors to the facility are reversing out onto the highway which receives a high volume of heavy vehicle traffic This has been identified as a hazard.	Jan-21	Mar-21	\$56,900	\$56,900

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Cranbrook	1	Community	Cranbrook Community Men's Shed - Seal existing off-road parking bays including kerbing, bollards and drainage.	New levels achieved will address drainage problems and issues with access, especially to people who use mobility aids such as wheelchairs.	Jan-21	Mar-21	\$52,500	\$52,500
WA	Shire of Cranbrook	2	Combination	Drainage Upgrade near Cranbrook Sporting Club - King Street, Cranbrook	Currently excessive pooling occurs on the road along the eastern kerb of King Street outside the Cranbrook Sporting Club causing issues with access to the venue from the on-street car parking bays. This project will involve drone survey, design and construction of solution. The solution will involve installation of side entry pits and pipes to redirect this water underground which, in turn, resolving drainage and access problems.	May-21	Dec-21	\$120,000	\$120,000
WA	Shire of Cranbrook	2	Combination	Cranbrook Community Precinct Footpath – Frederick Square, Cranbrook	The Cranbrook Community Precinct does not currently have a shared path that is inclusive for the whole the community. This project will involve upgrading the compacted gravel path to be a concreted shared path that is accessible for the whole community, allowing our community space to be an inclusive area.	Jun-21	Dec-21	\$120,000	\$120,000
WA	Shire of Cranbrook	2	Community	Cranbrook Tourist and Information Bay, Climie Street, Cranbrook	This project would involve the upgrade and landscaping of the Cranbrook Tourist and Information Bay. It will be creating an inviting green space for our community with the increase of shade and beautification of the townscape.	Jul-21	Apr-22	\$82,098	\$82,098
WA	Shire of Cuballing	1	Community	Shire of Cuballing Administration Building - improved accessibility	Administration access is not suitable for disabled access.	Feb-21	Sep-21	\$62,833	\$62,833
WA	Shire of Cuballing	1	Community	Yornaning Dam Recreation Area – shade sails	Provide shade and shelter for the playground equipment so the community can utilise the playground in all weather conditions.	Nov-20	Dec-20	\$35,000	\$35,000
WA	Shire of Cuballing	1	Road	Congelin-Narrogin Road Cuballing – culvert replacement	Existing culvert is old wooden culvert and has started to collapse due to white ant damage. Current culvert is also to narrow.	Sep-20	Feb-21	\$35,856	\$35,856
WA	Shire of Cuballing	1	Community	Popanyinning Main Street Refurbishment – CCTV installation, rest area upgrade, playground upgrade, traffic control devices	The main street of Popanyinning is a main highway so vehicles pass through town quickly. The aim is to slow traffic down and entice travellers to stop and rest. Also the playground upgrade will be used by local residents.	Oct-20	Dec-21	\$73,800	\$73,800
WA	Shire of Cuballing	1	Community	Cuballing Town Hall - painting	Paint is loose, flaking and blistered. This means the weather is able to penetrate the wood work and cause further damage. Painting the exterior will preserve the hall and make it aesthetically pleasing.	Apr-21	May-21	\$14,400	\$14,400
WA	Shire of Cuballing	1	Community	Cuballing Town Hall - drainage improvements	Flooding occurs after rain as storm water cannot drain away properly.	Jan-21	Apr-21	\$25,879	\$25,879
WA	Shire of Cuballing	2	Community	Administration Office Refurbishment 186 Campbell Street, Cuballing WA 6311	The refurbishment includes changing the layout of the existing reception area. Installing a new reception counter that has a lower area for wheelchair access. Replacement air conditioning, floor coverings & electrical works. This will also involve installing a separate room for our server. Outside we will place a large noticeboard where the old entrance doors were and install new signage to the buildings entrance.	Aug-21	Feb-22	\$73,211	\$73,211

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Cuballing	2	Combination	Popanyinning Main Street Refurbishment – Stage 2 Francis Street, Popanyinning WA 6309	The Shire of Cuballing used a portion of the Phase 1 LRCI funds to carry out stage 1 of this project. Stage 2 of the project includes improving drainage to the area, installing traffic control devices, kerbing, street bins, gardens and trees, and a lawn area with picnic shelter, plus better access to the existing public toilet rest area.	Aug-21	Feb-22	\$152,590	\$114,311
WA	Shire of Cue	1	Community	Cue Waste Disposal Site - Replacement of fence	The current fence surrounding the tip is a 4ft cattle fence which allows people to dispose waste incorrectly. The fence would also contain loose material within the site reducing the environmental impact in the area.	Sep-21	Jun-22	\$225,000	\$100,000
WA	Shire of Cue	1	Community	Old Railway Building and Oval - Improvements to the gym and recreation area	Safety concerns due to no protection from the sun, the current surface of the area is rock/sand, and there is no lighting	Sep-21	Jun-22	\$100,000	\$100,000
WA	Shire of Cue	1	Community	Cue Hill - Construction of a walking trail, carpark and landscaping improvements	Provides safer pedestrian access to Cue Hill as we currently have pedestrian/car interaction as people use the road to climb the hill	Sep-21	Jun-22	\$40,000	\$40,000
WA	Shire of Cue	1	Road	Robinson Street - Road Train Assembly Sealing	Impact of dust blowing into town and wet weather accessibility	May-21	Jun-22	\$150,300	\$150,300
WA	Shire of Cue	2	Community	Closed Circuit TV (CCTV) – Cue Townsite	Works associated with installing a fixed mobile CCTV system to main street, water park/nursing post, town hall and rubbish tip. The problem being addressed includes windows being broken in main street, break-ins and damage to infrastructure, including fire damage	Jan-22	Jun-22	\$50,000	\$50,000
WA	Shire of Cue	2	Community	Other – upgrade community amenities – Cue Townsite	Works that do not fall into the above categories which includes upgrading the standpipe to be fully automated at the pump. The problem being addressed includes Access to the standpipe can only occur during works hours and cannot be accessed on weekends as it requires a key to unlock it. Also, the current system doesn't have a dispensing hose making it difficult for people with smaller vehicles (e.g. fire truck)	Aug-21	Jun-22	\$60,000	\$50,000
WA	Shire of Cue	2	Community	Multiple Locations - Improved Accessibility of Community Facilities and Areas and Landscaping Improvements	Install disability pathways around the new youth and community centre, install access ramp and stairs up to the centre which includes large retaining wall, install ag-drains, concrete edging that leads to the oval, and concrete the platform area for disability access. There is no hard surface/disability access to the youth and community centre. There is also no drainage to move water away from the building which needs to be installed before the pathways are done, and the platform has a dirt surface	Sep-21	Jun-22	\$180,000	\$130,626
WA	Shire of Cue	3	Community	Airport runway sealing	Seal the airstrip so we can have an all-weather runway which allows the Royal Flying Doctor service to land anytime. With the towns ageing population it is becoming a priority project the town needs. There may also be an opportunity for the community to book flights to Perth to see family, for medical reasons or for a holiday if a charter airline begins flying into Cue. This may arise as larger aircraft will begin servicing the mining sector in town who will co-fund the project.	Mar-22	Jun-22	\$800,000	\$400,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Cue	3	Community	Masonic Lodge	The Masonic Lodge in town is in disrepair and closed to the public. We are currently renovating the heritage listed Railway Building and Bank of NSW. So we would like to renovate the lodge and make it safe and open it to the public who have shown a great interest in visiting it and learning its history. The renovation works will include external repairs to the wooden façade, doors, and balcony. It will also include repairing floors, walls, roof and staircase inside the building the building. The tin sheets will need to be re-attached inside and out of the building. We will install air-conditioning, toilets and a kitchen plus a pathway to the backdoor for disability access. We will repair the stone work at the base of the structure and repair any structural damage. Fencing, car parking and landscaping will also need to be completed.	Mar-22	Jun-23	\$500,000	\$280,600
WA	Shire of Cunderdin	1	Community	This Floodlighting Project for the Cunderdin Football oval and Basketball/Netball courts, involves the replacement of current insufficient lights and installing new lights, light poles and power supplies. The project involves two different areas of playing	Currently our facilities does not comply to the Australian Standards for lighting, and thus the Shire would like to improve the facilities to ensure our community keeps on playing and participating in sports; encouraging social wellbeing within our community. The new lights will comply with Australian Standards for training purposes and also utilise a lighting control system, to give clubs easy access to turning on/off lights. The lights will also comply with the Shire of Cunderdin Community Strategy Plan – Sustainable Environmental Strategies; reducing energy consumption through LED lamps and the utilising lighting control system. The dimmable option or the option to turn on only certain lights further support the Shire's Sustainable Environmental Strategies; by reducing energy consumption.	Feb-21	Jul-21	\$21,674	\$19,824
WA	Shire of Cunderdin	1	Community	Installation of disability friendly pathways, landscaping, seating, lighting and bbq area at Sandalwood Village (Independent Lifestyle Village).	Currently the area within Sandalwood Village is under developed, with only a dirt/gravel area as their community space. The residents have no access to a garden/community area to connect and socialise. The area is currently a safety risk for our older residents (trip/slips).	May-21	Aug-21	\$160,652	\$2,084
WA	Shire of Cunderdin	1	Community	Installation of limestone retainer wall and fencing next to the Basketball Courts.	The installation of retainer wall will reduce erosion issue at the courts, which is currently damaging the court surface. Water run off causes the dirt around the fence to wash away, exposing the court surface. The installation of new fence will stop the ball running into the road, posing a safety issue especially for our younger participants.	Mar-21	Aug-21	\$240,305	\$223,687
WA	Shire of Cunderdin	1	Community	Cunderdin sport & Recreation Oval - Oval Water Supply & Reticulation project	This project will enable the reticulation of the local sports oval, ensuring the play field surface (grass) is suitable for all sports	Aug-21	Jun-22	\$23,333	\$0
WA	Shire of Cunderdin	2	Community	Cunderdin Memorial Pool	Resurfacing the Cunderdin Pool basin	Aug-21	Mar-22	\$160,000	\$160,000
WA	Shire of Cunderdin	2	Community	Cunderdin O'Connor Park	Youth Precinct Park Improvements	Oct-21	Dec-21	\$121,707	\$121,707
WA	Shire of Cunderdin	2	Community	Cunderdin Sport & Recreation Centre Oval	Oval water supply & reticulation project (phase 2)	Oct-21	Dec-21	\$60,630	\$41,461
WA	Shire of Cunderdin	2	Community	Cunderdin Sport & Recreation Centre	Sports Centre Parking, Drainage and Revitalisation Project	Oct-21	Dec-21	\$80,246	\$80,246

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Dalwallinu	1	Road	Widening of road and clearing of vegetation Upgrade of signage Installation of new guide posts	Width of the road for safety.	Aug-20	Feb-21	\$339,538	\$339,538
WA	Shire of Dalwallinu	1	Community	Installation of seating in two popular tourist areas	Lack of seating for the community and the many tourists that visit the Shire.	Oct-20	May-21	\$15,000	\$15,000
WA	Shire of Dalwallinu	1	Community	Install dual use paths along Wasley and Bell Streets	Lack of footpaths in this area of the townsite.	Dec-20	May-21	\$50,619	\$50,619
WA	Shire of Dalwallinu	1	Community	Upgrade Recreation Centre and construct new gravel car park for Sport Club, Rec Centre and Aquatic Centre patrons	Safety, as area is currently gravel.	Dec-20	May-21	\$13,598	\$13,598
WA	Shire of Dalwallinu	1	Community	Install car park shelter for Sports Club, Rec Centre and aquatic Centre patrons	Lack of shelter for vehicles during summer hot periods and winter wet periods.	Nov-20	Nov-20	\$27,840	\$27,840
WA	Shire of Dalwallinu	1	Community	Install shelter in front of existing sporting pavilion	Lack of shelter outdoors to watch sport.	Nov-20	Nov-20	\$37,160	\$37,160
WA	Shire of Dalwallinu	1	Community	Seating for Dalwallinu Recreation Centre and precinct area	Lack of seating for patrons of the Rec Centre and spectators who wish to watch football from the side of the oval area.	Aug-20	Mar-21	\$43,435	\$43,435
WA	Shire of Dalwallinu	1	Community	Fencing for Kalannie Oval	Vehicles parking on the oval and children running onto the oval during a game.	Nov-20	Apr-21	\$30,235	\$30,235
WA	Shire of Dalwallinu	1	Community	Install 3 new solar lighting towers in the main shopping precinct	Lighting and visual amenity	Oct-20	Mar-21	\$20,000	\$20,000
WA	Shire of Dalwallinu	1	Community	Install new playground, landscaping works and new picnic shelters	Outdated play equipment, and improved amenity of the townsite.	Dec-20	May-21	\$12,324	\$12,324
WA	Shire of Dalwallinu	1	Community	Installation of safety barrier	Parking on concrete.	Apr-21	Jun-21	\$2,787	\$2,787
WA	Shire of Dalwallinu	1	Community	Replace fencing at the Dalwallinu Cemetery and Wubin Playground	Old fencing requiring upgrading.	Oct-20	May-21	\$12,690	\$12,690
WA	Shire of Dalwallinu	1	Community	Improve and upgrade Dalwallinu Public Toilet Facility	Access issues for the disabled toilet. Improvements to ageing facility.	Oct-20	Jun-21	\$103,000	\$103,000
WA	Shire of Dalwallinu	1	Community	Install one universal access ablution facility (toilet)	Access issues for the disabled toilet.	Sep-20	Jun-21	\$50,996	\$44,996
WA	Shire of Dalwallinu	1	Community	Installation of a fence at the Dalwallinu Recreation Centre to ensure a safe space for the children to play.	Safety for children	Jun-21	Jun-21	\$8,702	\$6,688
WA	Shire of Dalwallinu	2	Community	Shade Sails – Dalwallinu Recreation Centre	Playgrounds Supply and installation of shade sails over the new Dalwallinu Playground to provide safe playing condition when used during the sunlight hours. Output Achieved: Shaded play area for children.	Oct-21	Oct-21	\$31,950	\$31,950
WA	Shire of Dalwallinu	2	Community	Water Fountains – Dalwallinu Recreation Centre and Aquatic Centre	Other (Sporting & Rec facilities) Supply and installation of water fountain/chiller for use by patrons. Output Achieved: Access to chilled water for patrons	Jul-21	Aug-21	\$5,460	\$5,460
WA	Shire of Dalwallinu	2	Community	Solar Installation – Dalwallinu Recreation Centre	Other (Sporting & Rec facilities) Supply and installation of a solar system for the Dalwallinu Recreation Centre. This is to offset the increased power usage after the upgrade to the building. Outcome Achieved: Reduced power consumption.	Aug-21	Mar-22	\$40,350	\$40,350
WA	Shire of Dalwallinu	2	Community	New Oven – Dalwallinu Recreation Centre	Other (Sporting & Rec facilities) Supply and installation of new oven to Dalwallinu Recreation Centre. Existing oven was from the old building prior to the upgrade. Is not user friendly and is not fit for purpose for the facility. The oven is well used by hirers of this facility. Outcome Achieved: A useable oven for a well-used community facility.	Aug-21	Mar-22	\$16,105	\$16,105

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Dalwallinu	2	Community	Upgrade of Ablution Facility – Dalwallinu Caravan Park	Toilet Blocks Demolition and installation of a new abluion facility to ensure compliance with the regulations due to expansion of park. Existing abluion facility is old and requires replacing. Outcome Achieved: This will provide a safe and pleasant experience for tourists to Dalwallinu.	Aug-21	Aug-21	\$356,255	\$306,255
WA	Shire of Dalwallinu	2	Community	Generator – Dalwallinu Recreation Centre Precinct	Other (Sporting & Rec facilities) Installation of a generator for use in the Dalwallinu Recreation Precinct in times when power is not available. This will ensure continuity of power so that the Sports Club and users of all facilities in the precinct can operate without mains power being available. This is a regular occurrence in Dalwallinu. The Recreation Centre is also the appointed evacuation centre for the Shire. Outcome Achieved: Ability to keep the Rec Centre precinct functioning during a power outage. Increased Scope: The council will install a concrete pad and a switch to isolate the solar system from the generator in order for the generator to function correctly.	Aug-21	Jan-22	\$40,730	\$40,730
WA	Shire of Dalwallinu	2	Community	Shade sails – Dalwallinu Aquatic Centre	Other (Sporting & Rec facilities) Supply and installation of shade sails to the shallow end of the 25M pool to provide shade for swimmers. Plus new shade sails on the seating area which is used by patrons and also the school students during swimming carnivals and swimming lesson. Outcome Achieved: Well shaded areas for patrons safety.	Jul-21	Feb-22	\$81,000	\$80,000
WA	Shire of Dalwallinu	2	Community	Shaded Seating - Xantippe	Picnic Shelters Supply and installation of shaded seating, to a very popular tourist spot in the Shire of Dalwallinu. Xantippe is the only place in Australia which starts with the letter X. After featuring on the morning program Sunrise and in the Australia Post Coin Hunt, this tourist spot is well utilised. Outcome Achieved: Seating for tourists	Aug-21	Oct-21	\$9,500	\$7,500
WA	Shire of Dalwallinu	2	Community	Water Fountain – Kalannie Sports Pavilion	Other (Sporting & Rec facilities) Supply and installation of water fountain/chiller for use by patrons. Outcome Achieved: Access to chilled water for patrons	Aug-21	Aug-21	\$2,710	\$2,710
WA	Shire of Dalwallinu	2	Community	Dump Point – Kalannie Caravan Park	Toilet Blocks Installation of a dump point for tourists to utilise. Outcome Achieved: Provision of a dump point for tourist to use whilst travelling through Kalannie.	Aug-21	Sep-21	\$8,470	\$8,470
WA	Shire of Dalwallinu	2	Community	Water Fountain – Dalwallinu Discovery Centre	Other Supply and installation of water fountain/chiller for use by tourists and users of the Dalwallinu Town Hall. The hall is used by many children during the dance season. Outcome Achieved: Access to chilled water for tourists and children utilising the hall for dance classes.	Jul-21	Aug-21	\$3,905	\$3,905
WA	Shire of Dalwallinu	3	Community	Multi Purpose Early Childhood Learning Centre – McNeill Street, Dalwallinu	Improvements to Community Facilities Construction of a new Multi-Purpose Early Childhood Learning Centre which will co-locate the Day Care Centre, Toy Library and Playgroup	Jul-22	Jun-23	\$1,950,000	\$1,400,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Dalwallinu	3	Combination	Footpaths (Hyde and James Street, Dalwallinu)	Bicycle and Walking Paths Construction of footpaths in line with Council's New Bike Path Plan (Hyde and James Street, Dalwallinu)	Jul-22	Oct-22	\$150,000	\$119,820
WA	Shire of Dandaragan	1	Community	Construction of a pavilion and ablation facility on the Jurien Bay Foreshore	Currently the Jurien Bay Foreshore area is underutilised but has the potential to become a popular active space for businesses to service the needs of active users of the foreshore. The design and construction of this facility will enhance the foreshore area and increase use of the location by active users.	Apr-21	Sep-21	\$750,000	\$590,929

WA	Shire of Dowerin	3	Community	Carpark & Park Lighting LED Upgrade	Replacement of Light Bulbs in Street Lights: Upgrade the lighting in Dowerin's parks and facility carparks to improve safety for road and pedestrian users. Existing globes will be replaced with LED – a more energy efficient globe reducing operational costs and the LED will provide increased illumination.	Feb-22	Apr-22	\$22,000	\$22,000
WA	Shire of Dowerin	3	Community	Short Stay Accommodation Laundry Improvements	Improvements to community facilities: Installation of cabinetry on the SSA laundry to improve the functionality and amenity for guests and users.	Feb-22	May-22	\$8,492	\$8,492
WA	Shire of Dowerin	3	Community	Administration Toilet Refurbishment	Improved Accessibility of Community Facilities: Refurbishment of the administration of the male and female toilets to improve the accessibility and amenity of the facility. Project includes the provision of a unisex disabled toilet, improved partitioning for privacy, renewal of vanities and flooring, repairs to ceiling and painting.	Feb-22	May-22	\$10,000	\$10,000
WA	Shire of Dumbleyung	1	Community	Community Facilities Solar Power Project	The Shire of Dumbleyung is 2540km2 and sparsely populated with only 671 people. With such a small population and two towns in the community, this population is faced with the challenge of keeping the duplicated facilities across both towns as it is imperative to the individual town's identity and culture. By embracing a renewable energy initiative, it also alleviates some of the financial burden on community groups and rate payers into the future.	Dec-20	Aug-21	\$31,935	\$31,935
WA	Shire of Dumbleyung	1	Community	Stubbs Park Grand Stand Change room Upgrade	Stubbs Park Grand Stand Changerooms brickwork is deteriorating along with asbestos present. The wet area drainage is old and inaccessible, meaning shower and toilet blockages are frequent and difficult to fix. The wet areas are not partitioned or suitable for female teams along with there being no medical or umpire space.	Jan-21	Aug-21	\$396,687	\$396,687

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Dumbleyung	2	Community	Complete gravel base bitumen sealed roaded catchment area. Dumbleyung Horse Dam stormwater collection area and supporting infrastructure Reserve 19572 (See location attachments)	Purpose: Securing a water supply for community and emergency use. At the community water security forum, it was raised as a high priority to secure more effective water supply for the Dumbleyung Town site. We have allocated LRCI Phase 2 funding to this project as this is a suitable site close to the Dumbleyung town site. The Community Dam size is approximately 28,000 M3 to 30,000 M3 which will have a roaded catchment of 3/4 hectares constructed. The site will be prepared for a gravel base with a bitumen seal	Feb-22	Mar-22	\$303,229	\$303,229
WA	Shire of Dumbleyung	3	Community	Dumbleyung Swimming Pool upgrade: New plant room, balance tanks, retro fit heating system	Dumbleyung swimming pool upgrade - Site preparation, engineering and architectural plans and design, construction of New plant room, balance tanks, retro fit heating system. The engineering and architectural plan need to incorporate both projects as they are interconnected	Apr-22	Oct-22	\$675,000	\$675,000

Dec-22	May-23	\$300,000	\$300,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Exmouth	1	Road	Murat Road Widening and resealing of Murat Road SLK 1.77 - SLK 3.11. This road is main thoroughfare and only access road into the town.	Width of current seal is below Aus. Standards and road run off by vehicles is creating edge seal breakage further decreasing the width of seal.	Feb-21	May-21	\$864,000	\$304,249
WA	Shire of Exmouth	2	Community	Town Beach Park Upgrade and Revitalisation	The project will create a fun vibe atmosphere to the Town Beach park precinct by providing pedestrian friendly passive recreational area and itinerant trader space for the community. Works will include: feature concrete hardstands, new turf, landscaping, upgraded utilities and ablutions.	Oct-21	Dec-21	\$728,302	\$278,302
WA	Shire of Exmouth	3	Road	Yardie Creek Rd Reseal	Application of stone chip and bitumen reseal to the road. The road is experiencing stone stripping and has had recent bitumen edge repairs which need to be overlaid to maintain the life of the road. The planned works consist of an estimated 11.4 kms of road at 7 metre width equating to 79,800 m2.	Apr-22	Jun-22	\$808,498	\$608,498
WA	Shire of Gingin	1	Community	Gingin Outdoor Activity Space	Need for an outdoor space that supports inclusion and engagement of all ages.	Jan-21	May-21	\$1,124,890	\$367,890
WA	Shire of Gingin	1	Community	Lancelin Skate Park upgrade stage 2	Deterioration of existing skate park infrastructure; need to improve user experience; only a portion of the works previously carried out (stage 1) due to costs.	Mar-21	May-21	\$218,200	\$168,200
WA	Shire of Gingin	1	Community	Guilderton Foreshore toilets renewal	Refresh and bring facilities up to current standards including improved disability access; highly utilised tourist precinct, with condition of facilities causing complaints.	Feb-21	May-21	\$65,000	\$46,022
WA	Shire of Gingin	2	Road	Beermullah West Road — Floodway renewal project, Beermullah Road West, Gingin.	The 4.12km section (SLK3.69 -7.81) identified for pavement reconstruction requires full drainage and floodway renewal to be completed prior. These works ensures safe surfaces for users.	Feb-22	Apr-22	\$375,000	\$326,685
WA	Shire of Gingin	2	Road	Nabarro Road. Gravel re-sheet. Nabaroo Road, Gingin.	PWC: Road Re-sheeting Budget constraints limited work of this section of road to maintenance only which continues to require return work. This project will provide a 100mm gravel re-sheet to 1.4km (SLK13.45 — 14.85) of the more deteriorated section of the road together with associated drainage clearing and culvert repairs/renewal, providing a safer surface for road users.	Feb-22	Apr-22	\$329,026	\$100,000
WA	Shire of Gingin	2	Road	Footpath Renewal Program, Various townsites Shire of Gingin.	WC: Bicycle and Drainage Budget constraints has limited Council's capacity to undertake a renewal and addition work to its foot and bicycle path network within its five townsites. Many of the older paths are individual slabs which, over time, have become trip hazards requiring ongoing maintenance. They are also narrow limiting access to all users. Increases in road and pedestrian traffic also require installation of paths where no path exists. The installation of new paths and the renewal of existing paths will provide a safer trip for pedestrians, bike riders and vehicles using these roads.	Mar-22	Apr-22	\$200,000	\$100,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required

WA	Shire of Harvey	3	Combination	Treendale / Australind Bus shelters / access improvements / artwork	Lack of bus shelters and access paths at various locations in both Australind and Treendale on bus routes. The proposal is to roll out bus shelters at strategic bus stop locations, improve access and incorporate artwork in the bus shelter designs where appropriate. The proposal is to incorporate artwork in the bus shelter and ensure that all shelters are universally accessible. The artwork will be overseen by the Shire's Arts and Culture Advisory Group, where the artwork will engage local artists to host workshops with community members in the creation of the artwork. This will increase the Shire's community participation, appreciation and engagement with arts and culture as part of the Shire's Creative Communities strategy.	Mar-22	Aug-22	\$150,000	\$150,000
WA	Shire of Harvey	3	Combination	Australind - Seating along Paths interpretive signage - Old Coast Road / Paris Road to include shade, landscaping and public art.	Seating along paths is proposed with more shade to be provided where seating is to be located, including interpretive signage that provides information and history of the area. The proposal is to incorporate artwork in the seating where possible, plant appropriate trees/landscaping and seating locations to provide shade and have signage which briefly outlines the history of the area. The main purpose of the project is to enhance amenity of young and old to encourage walking and provide rest areas of interest along the route. The artwork will be overseen by the Shire's Arts and Culture Advisory Group, where the artwork will engage local artists to host workshops with community members in the creation of the artwork. This will increase the Shire's community participation, appreciation and engagement with arts and culture as part of the Shire's Creative Communities strategy.	Feb-22	Sep-22	\$100,000	\$100,000
WA	Shire of Harvey	3	Community	Harvey Skatepark	Current skate park location need to be reassessed/upgraded. Meridan Park proposed as new location and upgrade. There is an existing small old skate facility in the township of Harvey. The proposal is to construct a new state of the art skate park in a new location, as approved by Council near the Shire's existing aquatic facility in Harvey.	Jun-22	Jun-23	\$880,000	\$880,000
WA	Shire of Harvey	3	Community	Australind Skatepark – CCTV / free WIFI	The need for the provision of CCTV at the Australind Skate park. The nature of this facility lends itself to the provision of safety measures to help protect its users. Enables the accessibility to Wi-Fi which would 'piggyback' on the back of the CCTV communications network.	Feb-22	Jun-22	\$40,000	\$40,000

WA	Shire of Jerramungup	2	Community	Kokoda Opshop, Jerramungup	Repaint mural	Jun-21	Dec-21	\$25,000	\$25,000
WA	Shire of Jerramungup	2	Road	Rabbit Proof Fence Road	Form and gravel resheet 5kms (White Road to Exchange Road)	Oct-21	Dec-21	\$306,653	\$214,677
WA	Shire of Jerramungup	3	Community	Fishery Beach Boat Ramp and Jetty Construction	Construction of a 2 new boat ramps and jetty. The ramps and jetty are now more than 25 years old. The jetty is narrow, corrosion of steelwork and damage to fenders and ladders is evident, timber kerbing is subject to marine growth, and numerous concrete ramp units have been displaced with degradation to the running surface. The structures have exceeded their intended design life the jetty does not meet current standards and the ramps are in very poor condition. The predominant benefit of this project is ensuring that Bremer Bay continues to have recreational boat access to its waters. A widened Jetty will provide safer access for the Volunteer Marine Rescue Service to access and egress their boat having noted that it is very difficult to carry a stretcher along the existing jetty. A widened jetty will also provide universal access of which the existing facility currently restricts. Bremer Bay's attractiveness as both a destination and as a place to live is largely attributed to the marine environment and a reliable recreational boat launching facility is a fundamental part of this.	Jan-22	Jun-22	\$1,624,680	\$874,680

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Katanning	1	Community	Austral Terrace - Paving	The paving is uneven and has ongoing drainage issues. Improvements to the paving will increase safety for pedestrians.	Dec-20	Jun-21	\$188,546	\$188,546
WA	Shire of Katanning	1	Community	Conroy to Adam Street - Footpath Replacement	The paving is uneven and has safety concerns for pedestrians and cyclists. Improvements to the paving will increase safety for pedestrians. Significant issues have been experienced in the Piesse Park vicinity that needs increased surveillance. CCTV infrastructure will address this.	Mar-21	Jun-21	\$144,876	\$144,876
WA	Shire of Katanning	2	Community	Prosser Park, Conroy Street - Basketball Court Upgrade	Sporting and recreation facilities/ Repair and resurface basketball court surface.	Jun-21	Aug-21	\$30,000	\$30,000
WA	Shire of Katanning	2	Combination	Piesse Park and other public areas – CCTV installation	Closed Circuit TV/ Installation of CCTV at Piesse Park, Synott Ave and ablution block to stop anti-social behaviour.	Jun-21	Aug-21	\$100,000	\$100,000

WA	Shire of Kojonup	2	Road	Spring St/Soldier Road kerbing	General road maintenance	Aug-21	Dec-21	\$70,000	\$66,000
WA	Shire of Kondinin	1	Community	Hyden and Kondinin sporting precincts - car park resealing	Improve community accessibility to sporting venues and improve drainage and efficient use of space.	Sep-20	May-21	\$37,349	\$37,349
WA	Shire of Kondinin	1	Community	Wave Rock Precinct Hyden - construction and planting of boardwalk	Increased presence of Aboriginal history and practices along with landscaping that will generate regional employment. Provides additional activities prolonging time spent and people attracted to this regional tourist attraction.	Apr-21	Aug-21	\$40,000	\$40,000
WA	Shire of Kondinin	1	Community	Marshal Street Hyden - roadside landscaping and reticulation	Plant and manage greenery at the approach/entry of the Hyden townsite that will improve the areas aesthetics and help manage roadside water pooling. Green space and shade adjacent to sporting precinct.	Sep-20	Oct-20	\$25,717	\$25,717
WA	Shire of Kondinin	1	Community	Kondinin, Hyden and Karlgarin - footpaths	Replacement of aged and deteriorated asphalt paths with implementation of current standards for gradients and access ramps. Safety linking aged care and education facilities with other town services.	Apr-21	Aug-21	\$273,326	\$273,326
WA	Shire of Kondinin	1	Community	Gordon Street Kondinin - toilet block	Current public toilet no longer operable experiencing maintenance and plumbing issues and does not comply with disability standards; also poorly positioned in the middle of the lawn area in the Shire Caravan Park. By locating the new toilet and shower closer to the information bay and travel stop, BBQ, gazebo and historic interpretation will make it much more accessible to the uses including truck drivers and tourists, and will not conflict with the guests at the caravan park who have their own amenities for paying guests.	Mar-21	Aug-21	\$132,000	\$132,000
WA	Shire of Kondinin	1	Community	Wave Rock Precinct Hyden - toilet block screening	Since a second toilet block was installed to match increase in demand, the Shire has received regular feedback from visitors to Wave Rock that they feel exposed using these toilets and have suggested installing some screening to offer greater privacy coming in and out of the toilets and to make them more accessible. A screen would also improve the aesthetics of the toilet block and tie in with the older one on site which is screened.	May-21	Jun-21	\$4,842	\$4,842

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Kondinin	1	Community	Tolland Road, Hyden - Sandpipe Controller	At the moment the Shire has a number of community water sites and unlike all surrounding Shires does not charge for water use. The two water tanks at Tolland Road are currently accessed by connecting straight into the tank for agricultural and emergency purposes. In this current scenario there is no way of tracking who is using the water or how much water is being used each day. By installing a standpipe controller will enable the Shire to monitor the use and user of the water and also establish a user pay system through the swipe cards. This will ensure that the Shire can manage a more equitable water use system accessible to the local community.	Feb-21	Apr-21	\$30,000	\$30,000
WA	Shire of Kondinin	2	Community	IMPROVEMENT TO COMMUNITY FACILITIES – Corner Aylmore & Hyden-Lake King Road, HYDEN Corner Kondinin Lake Road & Graham Street, KONDININ Corner Bendering Road & Kondinin-Naremben Road, KONDININ	Installation of 3 x Standpipe Controllers at existing community water sites to enable the better management and access to the Shire's community water supplies.	Mar-21	Aug-21	\$90,000	\$90,000
WA	Shire of Kondinin	2	Community	2 SPORTING AND RECREATION FACILITIES 38 (Lot 151) Marshall, HYDEN (Hyden Swimming Pool) Upgrades to Hyden Swimming pool building	Upgrades to Hyden Swimming pool building The pool was constructed in the 1970's and has open roof change rooms. The works will include roofing over the change rooms which are currently very exposed and new awnings to create more shaded areas at the pool.	Sep-21	Nov-21	\$100,000	\$100,000
WA	Shire of Kondinin	2	Community	PICNIC SHELTERS & PLAY EQUIPMENT AT COMMUNITY PARKS 103 (Lot 231) Graham Street, KONDININ (Kondinin Community Garden)	A shelter and associated steps to cover deck area at Kondinin Community Garden and some nature play equipment. Providing a shelter and steps and nature play equipment will improve community access and shelter for the deck and the community garden more generally and attract more people to the public space.	Sep-21	Feb-22	\$40,000	\$40,000
WA	Shire of Kondinin	2	Community	SPORTING AND RECREATION FACILITIES 38 (Lot 151) Marshall, HYDEN	Upgrades to Hyden Swimming Pool Car Park Current dirt surface creates dust into the swimming pool and surrounding area. New surface and layout will suppress dust and improve functionality.	Jan-21	Nov-21	\$40,000	\$40,000
WA	Shire of Kondinin	2	Community	BBQ FACILITIES AT COMMUNITY PARKS 38 (Lot 151) Marshall, HYDEN (Hyden Swimming Pool) Lot 567 Corner Gordon & Graham Street, KONDININ (Kondinin Aquatic Centre) Corner Melba Street and Foundation Street, Karlgarin (Stafford Park)	Installation of 3 x public BBQ's. One at the Hyden Swimming Pool, one at the Kondinin Aquatic Centre and one at Stafford Park in Karlgarin. The swimming pools have old gas BBQ's that are in need of replacement. The installation of permanent electric BBQ's will provide community access to these facilities in the long term. Stafford Park in Karlgarin has a high stopover of tourists and locals. A BBQ here will be a good addition to this park and increase usage.	Feb-21	Nov-21	\$25,000	\$25,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Kondinin	2	Community	BICYCLE & WALKING PATH Smith Loop, Hyden	Installation of shared pathway around Smith's Loop, Hyden where currently no footpath, to connect to existing shared pathway leading into Hyden Town Centre. The bike / walking path can be extended for the whole area around Smith's Loop to improve connectivity to the Hyden town site.	Oct-21	Dec-21	\$119,684	\$119,684
WA	Shire of Kondinin	2	Community	LANDSCAPING IMPROVEMENTS / PICNIC SHELTER AND BBQ FACILITIES Nos.27 & 31 (Lots 265 & 259) Gordon Street, Kondinin WA	To improve the physical appearance and functionality of the Kondinin Caravan Park and Information Bay through undertaking landscaping, kerbing, cross-overs, signage, retaining walls and parking areas, marked bays, seating and shelters, and a new BBQ.	Aug-21	Dec-21	\$70,000	\$70,000
WA	Shire of Koorda	1	Community	Upgrade of short term accommodation units. Removal of existing 50 year old units and replacement with new facilities to accommodate families, universal access customers, rural seasonal workers, business and tourism visitors.	Upgrade of run down short term accommodation units. Removal of asbestos building materials from the interior and exterior of the units. To address the local accommodation shortage in the current market for self contained two-bedroom, fully self contained units (family and universal access friendly).	Jan-21	Jun-21	\$600,000	\$439,707
WA	Shire of Koorda	2	Community	Koorda Caravan Park - 32 Scott Street, Koorda, WA, 6475 -30.822046, 117.486609	Upgrade of caravan park facilities. Removal of dated/existing ablation block (4 x showers, 4 x toilets). Replacement with transportable ablation facilities and laundry room. Improved ablation facilities to 8 x shower/toilet unisex units (includes 1 x universal access unit). Define parking bays and upgrade water and power infrastructure. Improve landscaping to provide more shade. Improvement of local tourism product due to limited and aged facilities. Lack of ablutions for visitors. Addition of universal ablation. Definition of park bays with upgrades to landscaping and addition shaded areas to enhance general amenity.	Mar-21	Jun-21	\$350,000	\$303,810
WA	Shire of Kulin	1	Community	Kulin All Ages Activity Precinct	Council engaged consultant Emerge Associates to develop a Master Plan for All Ages Activity Precinct. This culminated in a Masterplan Concept Design, which focused on providing multi-purpose amenities for all ages and families incorporating the following elements.	Mar-21	Jun-21	\$300,000	\$150,000
WA	Shire of Kulin	1	Community	Kulin Cemetery Upgrade	The Kulin Cemetery is the final resting place for so many of our community's residents and it is appropriate that we show them respect through the improvement and beautification of this facility. The Kulin Lions Club has actively been upgrading the interior of the cemetery over recent years with the addition of seating and a gazebo over the Niche Wall area. It is now timely to carry out some much-needed work on the entrance.	Apr-21	Apr-21	\$16,720	\$11,720
WA	Shire of Kulin	1	Community	Kulin Johnston St CCTV	Improved surveillance of key business precincts within town centre and also Shire operated local fuel facility, following increased criminal activity in the area.	Nov-20	May-21	\$75,000	\$75,000
WA	Shire of Kulin	1	Community	Kulin Oval Irrigation Upgrade	The existing Kulin Oval Irrigation infrastructure does not adequately irrigate the oval in an even and consistent manner, particularly during windy conditions. The water efficiency of the existing sprinkler heads need replacing and relocating to improving to maximise water usage and minimise wastage.	Nov-20	Nov-20	\$150,000	\$150,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Kulin	1	Community	Kulin Townsite Footpaths Upgrade	The existing footpath network within the Kulin townsite has been constructed to varying standards and levels of service. Currently some streets are not serviced, but any footpaths, whilst many streets have older footpaths that are damaged or past their used by date and need replacing. New pram ramps need to be installed at specific locations across the network to improved disabled access.	Nov-20	Mar-21	\$150,000	\$150,000
WA	Shire of Kulin	1	Community	Kulin VDZ Playground Softfall	The existing soft fall at the Kulin "Visitor Discovery Zone" Playground us reaching its used by date, showing significant signs of deterioration. It has numerous patches of extensive holes. It is in urgent need of replacement to remain compliant as well as provide an improved visual amenity.	Apr-21	Jun-21	\$50,000	\$25,000

WA	Shire of Lake Grace	2	Community	Newdegate Town Centre WA 6355	Upgrade walking trails to increase local & tourist attraction	Aug-21	Sep-21	\$50,000	\$50,000
WA	Shire of Lake Grace	2	Community	Varley Town Hall Thomas & Pitt St, Varley 6355	Pave outdoor area for patrons to utilise which is currently sand	Aug-21	Aug-21	\$15,000	\$15,000
WA	Shire of Laverton	1	Community	Renovation of the Old Coach House at Laver Place Laverton	Renovation of a historic and recognisable building within the town of Laverton	Aug-20	Jun-21	\$150,000	\$100,000
WA	Shire of Laverton	1	Road	Construction of turning nodes at both ends of the Laverton Airport runway	To allow larger aircraft to utilise the airport as the current lack of nodes does not allow the turning circles for larger aircraft and the demand is driven by the mining industry and the regular RPT	Feb-21	Jun-21	\$0	\$0
WA	Shire of Laverton	1	Community	Installation of solar systems on the Aquatic Centre and Old Coach House	To reduce the reliance on power supplied by the electricity grid	Feb-21	Jun-21	\$160,000	\$80,000
WA	Shire of Laverton	1	Community	CCTV at Laverton Townsite	The Council has experienced a growth in petty crime within the townsite and the aim is to curb the crime rate. The Police will have access to ensure that matters can be followed up with an evidence base.	Feb-21	Jun-21	\$150,000	\$150,000
WA	Shire of Laverton	1	Community	Upgrade of tourist information bay at Beria Road Laverton	The current facility is tired and needs to be upgraded to provide a welcoming aspect to all road users visiting Laverton.	Sep-20	Jun-21	\$103,559	\$103,559
WA	Shire of Laverton	2	Road	Bandy Road	Sheeting/re-Sheeting Length from 0.00 to 7.5 slk	Aug-21	Dec-21	\$510,698	\$387,178
WA	Shire of Laverton	3	Combination	Laverton Airport	Other – to reseal the runway, taxi way and apron at the Laverton Airport – The Council has 3 RPT flights plus numerous charters, RFDS and Police Operations and other users of the Airport. The area to be resurfaced is the entire length of the runway at 1860 metres in length by 15 metres in width. The reason behind the choice of this project is to preserve the runway as under the asset management renewal program, the runway requires a reseal and the apron and taxiways covering an area of approx. 4000sqm requires a reseal. The use of the airport is increasing through the increase in mining operations as well as the uses previously described.	May-22	Dec-22	\$1,467,138	\$1,067,138

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire Of Leonora	1	Community	Play area at Tower Street, Leonora	Feedback from the Leonora community have identified that the playground located in the main street of Leonora is outdated with aged equipment.	Jun-21	Sep-21	\$317,000	\$250,415
WA	Shire Of Leonora	1	Community	Toilet block at Trump Street	Designed to suite the environment, usage and aesthetic requirements as well as community sentiment around the site.	Dec-21	Dec-21	\$150,000	\$150,000
WA	Shire Of Leonora	1	Community	Camping infrastructure at Malcolm Dam Nature Reserve Recreation and Water Reserve	Providing outside infrastructure which will attract community visitors to stay longer and make their travel adventure more enjoyable.	Oct-21	Dec-21	\$60,000	\$40,000
WA	Shire Of Leonora	2	Community	Extension to Children's Playground Lot 1425 Tower Street, Leonora: Playgrounds and Skateparks (including all ability playgrounds)	Play area that provides a strong sense-of-space, learning opportunities, reflects the values of the community and is based on nature play. It is intended that it will be designed to specifically meet the needs of children of different age groups, with a progression that will provide challenges as they grow. Feedback from the Leonora community have identified that the playground located in the main street of Leonora is outdated with aged equipment	Oct-21	Dec-21	\$717,000	\$333,724
WA	Shire of Manjimup	1	Community	Provide Free WiFi to visitors in outer towns to stimulate CBD areas and the local economy.	Currently mobile signal and internet is limited in the Shire's outer tourist towns and in one case only one mobile phone provider is available. The project will allow visitors in the region to access the internet in these towns spending more time and money in those communities.	Apr-21	Feb-22	\$50,000	\$50,000
WA	Shire of Manjimup	1	Community	1. Proposed accessible compliant access ramp and handrail to improve accessibility to Manjimup Community Library. 2. Modification of existing access ramp and associated landing and steps to improve accessibility to Walpole Community Library	Modification of gradients, new handrails and tactiles is required to comply with current standards and facilitate access for those persons with a disability. Facilities have been identified by Disability, Access and Inclusion Advisory Committee as non-compliant, hindering access for persons with a disability.	Sep-20	Apr-22	\$60,000	\$50,000
WA	Shire of Manjimup	1	Community	Upgrade the existing 880 metre informal trail to an accessible path, including construction of corridor to Richards St, Northcliffe	The lack of accessibility from the town site to the towns only recreation ground and facilities.	Jan-21	Dec-21	\$140,000	\$140,000
WA	Shire of Manjimup	1	Community	Modernisation of Existing Toilet Block to meet current standards for ambulant toilet facilities and visitor expectations.	With increased visitors to Walpole, the Shire is receiving regular feedback that the facilities are outdated and require modernising. Modifications are also required to ensure compliance with ambulant toilet requirements.	Jul-21	Feb-22	\$150,000	\$150,000
WA	Shire of Manjimup	1	Community	New Toilet Block consisting of two public uni-sex accessible compliant toilets. It is proposed that one cubical will incorporate a child change table, with the other an adult change table.	The Pemberton Townsite is currently serviced by a single toilet block, which experiences extreme levels of use during peak tourist periods and does not provide adult change table facilities. Additional toilets and facilities are required to meet resident and visitor demands.	Jul-21	Mar-22	\$150,000	\$150,000
WA	Shire of Manjimup	1	Community	Brockman Street, Manjimup - Upgrade existing path	The current path that provides connection from Manjimup's town centre through, with regular complaints received about its condition requiring frequent and ongoing maintenance. Some residents in the area cannot use this path due to its inaccessible condition.	Jan-21	Jun-21	\$150,000	\$150,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Manjimup	1	Community	Manjimup Regional AquaCentre Upgrade: Replacement of Air Conditioning Units at the Regional Aquatic Centre	The issue of inconsistent air temperature, the occurrence of condensation and high humidity levels in the pool hall. Without the management of air quality in the Centre, the conditions will rapidly cause damage to the building structure and equipment. There will be a very costly increase of heating demand in the pool water as the heat energy naturally will escape into the cooler air. The air quality also has a large impact on customer comfort. The existing units were installed in 2006 and are now beyond repair.	Feb-21	Dec-21	\$263,000	\$172,987
WA	Shire of Manjimup	1	Community	Quinninup lake upgrade: Provide park furniture and path upgrade	Following the recent lease being given to the Shire, public access to the lake is now allowed, in turn providing a public recreation facility. As such seats, shelters and paths are needed.	Nov-20	Oct-21	\$50,000	\$50,000

WA	Shire of Moora	2	Community	Moora Aerodrome Emergency Service & Safety Upgrade	Other: Works that do not fall into the above categories - sealing runway turning nodes / taxiways / aprons / aerial firefighting services	Feb-21	Jun-21	\$620,000	\$200,488

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Moora	3	Community	Moora Weir	Moora Water Security, Climate Resilience and Drought Proofing Programme. The project addresses the town's dependency on reducing aquifer supplied water and significant limitations on the availability of secondary water supplies. This involves the construction of a 1-1.5 gegalitre weir to collect seasonal flood water from the Moore River via two sluice gate-controlled channels which direct into the weir, some of the high floor water that passes the town each wet season. The project also involves the redesign of existing storm water mains to capture and direct storm water to the weir via three pumping stations and collector reservoirs. This project will provide the town with greater water certainty – last year, the town's secondary water supply contained 2 days water supply when May rains arrived. The reservoir will reduce demand on the town's aquifer fed water supply.	Feb-22	Mar-23	\$2,000,000	\$400,000
WA	Shire of Moora	3	Community	Moora Aerodrome, Airstrip Road Moora	Moora Aerodrome Emergency Services & Safety Upgrade. The project addresses a dangerous situation at the town's aerodrome because the current single runway is unsealed, and access to the aerodrome is via the runway threshold. The project also addresses is the region's limited firefighting capacity in what is a region highly prone to bushfires fed by enormous fire loaded crops. Construction involves the sealing of turning and power-up runway nodes, creation of sealed taxiways, hardstands and aprons, the installation of 4x350,000 litre water storage tanks and high-volume pumps, radio navigation and communications equipment and the construction of a cross (second) runway; these works will create a forward operating firefighting base for water bombers operated by the Departments of Fire and Emergency Services, Parks and Wildlife service and Biodiversity and Conservation.	Feb-22	Sep-22	\$2,000,000	\$400,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Moora	3	Community	Moora Shire Administrative Complex, Padbury Street, Moora	Early Childhood Development Centre. The project addresses the paucity of specialist early childhood development services in region. Currently, families either travel considerable distances to Perth or relocate from the region to Perth to access specialist services. This project will link major teaching hospitals, specialists and facilities with a regional centre of clinical expertise. The Centre will incorporate a specialist Indigenous child health unit to serve the significant indigenous population of the region. Construction involves the construction of a brand new 55 place childcare centre and a separate early childhood development centre that provides specialist medical and clinical services. The early childhood development centre will be the only facility of its type outside Perth. It will provide specialist services medical and clinical services to address childhood issues such as physical, developmental, behavioural, mental health, hearing, visual, gastrointestinal, orthopaedic and skin disorders. The facility will be linked to the Perth Children's Hospital, Telethon Children's Institute, Joondalup Health Campus, Moora Regional Hospital and private practitioners. The current 28 place day care centre building is very old, has substantial cracking due to deep flooding and requires regular treatment to manage mould infestations following major flooding.	Jan-22	Dec-22	\$2,200,000	\$215,714

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Sandstone	3	Community	Sandstone Caravan Park extensions	The project would enable the construction of up to three on site units at the Sandstone Caravan Park. As of 31st December our caravan income was 70% greater than the same period last year. A result of people now looking at their own back yard instead of going overseas. In addition to having to turn people away due to no vacancies, council had a number of enquiries regarding onsite accommodation. This project aims to resolve this issue. We envisage that the accommodation will house up to 6 persons which would equate to 1095 persons at 50% occupancy. The benefit to the community is that additional persons in town would help the local economy, without impinging on current accommodation available. This project will be the first stage of a proposed caravan park extension with additional bays being currently planned as stage II. At this stage the \$700,000 is only an indicative figure with council agreeing to fund any requirement over the grant amount.	Jul-22	Jun-23	\$700,000	\$643,584
WA	Shire of Serpentine Jarrahdale	1	Community	Helen Crescent Byford (Shelly Street to Park Road) - footpath	No pedestrian footpath forces school children to walk along the road.	Nov-20	Jun-21	\$6,750	\$6,750

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Shark Bay	2	Community	Improvements to Community Facilities	Accessible door for the general public to be installed at the Shark Bay Museum and Discovery Centre	May-21	May-22	\$30,000	\$20,473
WA	Shire of Shark Bay	2	Community	Improvements to Community Centres	Upgrade swipe card entrance system to improve security at the Shark Bay Recreation Centre and Community Gym	Apr-21	Mar-22	\$10,581	\$10,581
WA	Shire of Shark Bay	2	Community	Improvements to Community Facilities	Upgrade and visual amenity relocation of the Denham Morgue to a more discrete location (currently near town centre and next to Independent living Units and Day Care Centre).	Mar-21	Dec-21	\$85,000	\$45,000
WA	Shire of Shark Bay	3	Community	Shark Bay World Heritage Discovery and Visitors Centre (Knight Terrace)	Improvements to community facilities. Upgrade to air conditioning for the Theatre, Gallery and Museum	Jul-22	Aug-22	\$250,000	\$248,124
WA	Shire of Shark Bay	3	Community	Denham Foreshore Children's Playground (Knight Terrace)	Playgrounds and skate parks. Purchase and installation of hard shade structures over children's play equipment to create shaded summer play areas.	Aug-22	Sep-22	\$75,000	\$75,000
WA	Shire of Shark Bay	3	Community	Denham Town beach (Knight Terrace)	Other - Beach accessibility project. Purchase and installation of matting and beach wheelchair to allow beach/water access for those living with a disability. There is currently no access at the Denham Town Beach for wheelchairs. A floating beach wheelchair is a wheelchair that has specialised wheels and large armrests that become stable floatation devices, meaning the wheelchair can be pushed into the water. The Shire has received many requests from our older residents to improve beach access and they currently find it difficult to get to the water (ABS statistics show that 45% of Denham's population is aged 50 or over). This wheelchair will allow those with disability and the elderly to access the water (via the matting which will be installed from the footpath to the water) so older residents and people living with a disability can swim and experience water activities.	Jul-22	Aug-22	\$50,000	\$50,000
WA	Shire of Shark Bay	3	Community	Denham playing surfaces (eg town oval, foreshore)	Landscaping Improvements; Sport and Recreation Facilities. Installation of new reticulation and resurfacing/regreening of town oval playing areas and foreshore recreation areas.	Oct-22	Nov-22	\$90,000	\$90,000
WA	Shire of Shark Bay	3	Community	Denham townsite	Street lighting equipment. Installation of additional solar street lighting in dark/problematic areas in the town (approximately 12 lights)	Aug-22	Aug-23	\$80,000	\$80,000
WA	Shire of Shark Bay	3	Community	Denham Recreation Centre	Sporting and Recreation facilities; Bicycle and walking paths. Creation of accessible access ways into the recreation precinct. Creation of accessible access ways into the recreation precinct. There is currently no accessible access ways directly into the Recreation Precinct. This project will install 2 access ramps and create a small pathway along the side of the current carpark to enable safe access for those with wheelchairs or other mobility devices. The access ways will also be useful to parents with pushers and prams.	May-22	Jun-22	\$30,000	\$30,000

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Shark Bay	3	Community	Shark Bay Library (Knight Terrace)	Improvement to Community Facilities. Installation of accessible door for Shark Bay Library. The current heavy manual sliding glass door into the public Library is aged and difficult to open, especially for those that are older or frailer (ABS statistics show that 45% of Denham's population is aged 50 or over). This project will see the replacement of that door with an automatic sliding door (with movement sensor) which will allow much easier access for many patrons.	Aug-22	Aug-22	\$25,000	\$25,000
WA	Shire of Shark Bay	3	Community	Denham Townsite	Installation of five additional fixed cameras and upgrade of aged equipment. Four additional cameras will be installed at critical points along the Denham foreshore to provide complete coverage of the popular main street and beach access areas. One additional camera will also be installed in the 24 hours unstaffed community gym to ensure full coverage for patron safety in all public areas of the gym.	Oct-22	Nov-22	\$50,000	\$50,000
WA	Shire of Shark Bay	3	Community	Denham Recreation Centre and Town Hall	Phase 2 of the LRCI grants allowed the Shire to install an external electronic entry system to the town Recreation Centre and gym. This has allowed much easier, safer and controlled access (access can be provided via the user's mobile phone) to these facilities. Similar external access is now requested for the Town Hall. Additionally, controlled access is needed on several internal doors within the Recreation Centre (which currently rely on users manually locking them to prevent access by unauthorized persons). Recently a number of items in the community meeting room were damaged after the door was accidentally left unlocked.	Oct-22	Oct-22	\$20,000	\$20,000
WA	Shire of Tammin	1	Road	Upgrade of Town Street	Existing road surface is deteriorating, visual improvement of access from Great Eastern Hwy to the school, retirement village and sports grounds.	Nov-20	Jun-21	\$78,831	\$79,285
WA	Shire of Tammin	1	Community	Installation of 120m of new footpaths	Improvement of access for the Senior's village residents and public to the Town Hall facilities and park.	Nov-20	Jun-21	\$30,191	\$30,798
WA	Shire of Tammin	1	Road	Town Street: Installation of two coat re-seal, kerbing, pram ramp, car park crossover and footpaths	Existing road surface is deteriorating and road edges are no longer defined. This is a school bus route and it needs to be safe for all users.	Nov-20	Jun-21	\$45,497	\$49,310
WA	Shire of Tammin	1	Combination	Great Eastern Hwy: Upgrade of information bay in town centre	Existing road surface is deteriorating and kerbing needs replacing. Repair damage on seal caused by tree roots. Landscaping is in need of sprucing up	Nov-20	Jun-21	\$63,732	\$64,195
WA	Shire of Tammin	2	Combination	Traffic Improvement	Installation of electronic speed display signs. Speeding traffic entering town, educational purpose for the road users and community.	Apr-21	May-21	\$15,500	\$15,500
WA	Shire of Tammin	2	Community	Kadjinini Park – refurbishment upgrades	Refurbishment and installation of new equipment at the Kadjinini Park, playground and water fountains, landscaping, seating and ease of access for the community. Park is ageing, in need of refurbishment and upgrading to enhance activities with the community	Apr-21	Sep-21	\$70,000	\$70,000
WA	Shire of Tammin	2	Road	Reconstruction, Bungulla North RD	Reconstruction of a 500m section of Bungulla North Rd road Straight Line Kilometre 6.0 to 6.5, currently the seal width is 4m and will be reconstructed to a 7m wide seal. New section of road will increase the safety of road users and trucks passing oncoming traffic	Apr-21	May-21	\$74,021	\$74,021

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of Three Springs	1	Combination	Revitalisation of Railway Road	Improvement of drainage, replacement of damaged kerbing, landscaping upgrades, replacement of fencing, repairs to existing tourist information gazebo, replacement of bins and benches, sealing of parking bays.	Nov-20	Mar-21	\$329,104	\$329,104

WA	Shire of West Arthur	1	Road	Lake Towerrinning - Resealing	Lake entrance and carpark seals are in poor condition, potholed and require resealing	Jan-21	May-21	\$22,557	\$22,557
WA	Shire of West Arthur	1	Community	Darkan Swimming Pool - Shelter Shade	Previous shade material was irreparably damaged in winter storms. The shade covers the toddler swimming pool and lawn area.	Feb-21	Feb-21	\$4,364	\$4,364
WA	Shire of West Arthur	1	Community	Lake Towerrinning - Jetties	These jetties are extensively used by the local community and visitors during the summer months. The jetties have been identified as being a safety hazard to the public. Repair of the jetties is seen as a high priority project for our Shire	Feb-21	Jun-21	\$124,545	\$124,545
WA	Shire of West Arthur	1	Community	Arthur River Hall - Kitchen	The kitchen in the Arthur River Hall is not currently suitable for preparation of food. It can currently only be used for service of coffee, tea and food. As a result, the functions that the hall can be used for is limited. It is proposed to improve the kitchen facilities to commercial kitchen standards to allow the local community to use the hall for functions.	Feb-21	Jun-21	\$14,935	\$14,935
WA	Shire of West Arthur	1	Community	Darkan Sports Grounds - Seating	There is currently no fixed seating at the oval, there are 2 picnic tables. These additions will be used by junior and senior sports and also community events, in particular the annual Sheepfest.	Jan-21	Mar-21	\$11,000	\$11,000
WA	Shire of West Arthur	1	Community	Darkan Town Hall - Kitchen	The Shire Hall is currently used for the preparation of meals by volunteers for senior residents on a weekly basis. The popularity of the program has meant that there is now insufficient oven space to produce the number of meals required. In addition, some improvements to the kitchen fixtures and fittings will be undertaken to ensure that the kitchen operates more efficiently.	Feb-21	Apr-21	\$2,808	\$2,808
WA	Shire of West Arthur	1	Community	Moodiarrup Community Hall - Ceiling	Deteriorating condition of the ceiling	Jan-21	Mar-21	\$12,227	\$12,227

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Shire of West Arthur	1	Community	Darkan Railway Reserve - Shelter	<p>The existing facilities are over 20 years old and in dire need of upgrading. The existing shelter does not address the current needs of the community and is big enough for one group to use at a time.</p> <p>It is proposed that the shelter will cover 3 BBQs, picnic tables and other seating. The shelter will be designed as a feature which will showcase some of the Shire's history and community story. It will be constructed closer to the centre of the reserve which will allow improved access to the public toilets and closer to the existing War Memorial for use on ANZAC Day and Remembrance Day events.</p> <p>This is the only community BBQ facility in Darkan.</p> <p>The BMX</p>	Feb-21	Jun-21	\$55,725	\$55,725
WA	Shire of West Arthur	1	Community	Darkan Caravan Park - Refurbishment	Lack of accomodation for visiting horse riding and cycling groups using the nearby Collie to Darkan Rail trail and sporting groups using nearby sporting facilities. The building is in good general condition but needs refurbishing to bring it up to standard.	Nov-20	Apr-21	\$15,235	\$15,235
WA	Shire of West Arthur	1	Community	Darkan Sporting Grounds - Water Fountain	There are no water fountains at the sports grounds. The grounds are used regularly for junior sport, senior sport and as show-grounds for community events.	Jan-21	Mar-21	\$4,777	\$4,777
WA	Shire of West Arthur	1	Community	Moodiarrup Sports Complex - Ceiling	Deteriorating condition of the ceiling in two areas of the sports clubrooms	Jan-21	Jun-21	\$15,182	\$15,182
WA	Shire of West Arthur	1	Community	Lake Towerrinning - Retaining Wall	Due to the salt content of water around the playground the equipment has rusted and requires replacement. There are also components of the playground that are missing or damaged creating a safety hazard. The retaining wall has also suffered as a result of the salt content of the water and requires replacement.	Jan-21	Jun-21	\$16,500	\$16,500
WA	Shire of West Arthur	2	Community	Darkan St John Ambulance Sub Centre – Darkan Railway Reserve Fisher Street Darkan Work category: Other	<p>Construction of new St John Ambulance Darkan Sub Centre. An emergency facility. Funding will be used for initial site works, services, fencing, and part construction, with the remaining works to be completed by 30/6/22.</p> <p>The land is owned by the Crown and the Shire has a management order for the use. It is proposed that St John Ambulance will be the owner of the building. The building will replace the existing 1960s building which the volunteer group has outgrown.</p>	Sep-21	Dec-21	\$500,000	\$75,000
WA	Shire of West Arthur	2	Community	Street seating Burrowes Street Darkan Work category: Other	Park bench seat outside post office. To be located on road reserve managed by the Shire. WA	Town of Cambridge	2	Community	City Beach Tennis Club Retaining Wall	Sporting and recreation facilities: Replacement of the failed City Beach Tennis Club Retaining Wall	Sep-21	Dec-21	\$200,000	\$200,000
WA	Town of Claremont	1	Community	Claremont Aquatic Centre works Renewal of the Town's aquatic centre disabled change room and toilet facility and the addition of a family change room, improvements to the associated universally accessible access ramp, and the retaining and landscaping of the surrounding garden area.	The existing disabled facilities at the aquatic centre are in a poor condition and require renewal. The original aquatic centre complex was constructed in 1960. The change rooms and toilets that are still in use today were constructed in 1971 without dedicated disabled facilities. Around 2004 a demountable disabled toilet and change room was added to the south of the change rooms with a short access ramp connection provided. Having originally been constructed as a temporary measure, this disabled toilet and change facility is still in use today and is in urgent need of renewal. The disabled access path to this area is also in need of enlargement and improvements. Due to the vertical grades of the site, retaining of the land will be required to accommodate this work. The community facility also lacks a dedicated family change room with some patrons instead using the disabled change room in this capacity. New family change rooms will be added adjacent to the disabled facilities. All proposed renewals and upgrades will be designed to comply with universal access requirements in accordance with the Town's Disability Access and Improvement Plan.	Aug-20	May-21	\$160,000	\$104,010

State	Council/Eligible Funding Recipient	Phase	Infrastructure type	Description of project	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
WA	Town of Claremont	2	Community	Claremont Aquatic Centre. 12 Davies Rd Claremont, WA 6009. Aquatic Centre Roof.	Improvements to community facilities Sporting and recreation facilities The aquatic centre changing facilities are in a poor condition and require renewal. The original aquatic centre complex was constructed in 1960. The change rooms and toilets that are still in use today were constructed in 1971. The tile roof installed at that time is fifty years old and has numerous leaks which cause damage to the internal walls, ceilings, and wiring and needs total renewal. The solar system on the roof has not functioned fully for many years and would need removing to replace the roof. When the new roof is installed a new 33kw system will be installed to replace this old system.	Jul-21	Dec-21	\$115,925	\$115,925
WA	Town of Claremont	2	Community	Claremont Tennis Club. 2 Davies Rd Claremont, WA 6009. Synthetic Court and Flood Light Renewal.	Improvements to community facilities. Improved Accessibility of Community Facilities and Areas. Sporting and recreation facilities. The Tennis Club has two old synthetic courts which are heavily worn and in need of resurfacing. They have excessive wear in high use areas. The existing lights illuminating the courts have failed and, due to the type and condition of the poles, cannot easily be replaced. The existing brick shade structure is in a poor condition and requires renewal. The retaining structure and shade structure does not comply with current building code requirements for accessibility and require renewal. The project will be to remove worn and ripped non-seam synthetic court surface. Decommission and remove old lighting. Demolish shade structure and retaining walls. Undertake earthworks. Construct new BCA compliant retaining and shade structures. Install new light poles and LED lighting. Resurface two courts with seamless synthetic materials.	Nov-21	Jun-22	\$185,000	\$125,000
WA	Town of Claremont	2	Community	Cresswell Park Swanbourne. 383972.7 6461620.9 GDA94/MGA50	Playgrounds and Skate parks (including all ability playgrounds). Playground Installation. The playground in Cresswell Park was in a poor condition. The playground was therefore removed. A replacement playground is now required to be installed.	Nov-21	Jan-22	\$80,000	\$60,000
WA	Town of Claremont	2	Community	Claremont Park Claremont. 385030.5 6460701.5 GDA94/MGA50	Playgrounds and Skate parks (including all ability playgrounds). Playground Installation. The playground in Claremont Park is in a poor condition and requires replacing.	Jul-21	Mar-22	\$100,000	\$50,000

WA	Town of Claremont	3	Road	Leura Ave Roundabout	Reconstruction of damaged roundabout. The existing roundabout was originally constructed using rubber materials and since installation the road network usage has intensified significantly due to developments occurring within the Town inclusive of a new public bus terminal and the Metronet Project. Unfortunately, the intensification in use has seen the existing roundabout materials break up and fall apart leaving it in a very poor condition. We intend to reconstruct the roundabout using more durable materials inclusive of reinforced concrete and kerb.	Jul-22	Sep-22	\$150,000	\$88,020
WA	Town of Claremont	3	Community	Meals on Wheels Facility Refurbishment	Refurbishment of facility including replacement of kitchen used for Meals on Wheels services. The MOW of facility is a community hall type Council owned facility with a multipurpose room, toilets, and a large kitchen. It is for public use with bookings being made through application to the Town. It is often used for local clubs and not-for-profits meetings and gatherings. A regular long term user group of the facility is the Meals on Wheels team which is co-funded by the Town. This group prepares meals for vulnerable/at need community members, delivering them throughout the week. Unfortunately, the kitchen is approximately 50 years old, and although minor repairs and additional pieces of equipment have been organised over the years, the entire kitchen and toilets are in need of renewal. We intend to refurbish these rooms, replacing all fixtures and fittings with modern commercial type equipment while also undertaking minor repairs and improvements to the fabric of the building. Response to Senator Sterle Request dated 4 February 2022

The following information is provided in response to Senator Sterle's request in his correspondence to the Department on 4 February 2022. This relates to information for Regional Development and Local Government. The response has been broken down into four components:

1. Program overview and funding
2. COVID Relief and Recovery Fund - Initiatives
3. Project listing and summary (including Attachments A and B)
4. Local roads component of grants paid to councils (including Attachment C)

1. Program Overview and Funding

This component of the Department's response is consistent with previous responses provided to Senator Sterle.

Community Development Grants Programme (CDG)

The Community Development Grants Programme (CDG) provides funding for projects identified by the Australian Government, including 2013, 2016 and 2019 election commitments, as well as other government priority commitments.

Successive governments have delivered their election commitments through a specific program established for that purpose. The CDG Programme was established in 2013 to deliver the Australian Government's election commitments and other identified projects for community or regional infrastructure. It is not a competitive grants program. Projects receiving a funding commitment under the CDG Programme are required to undergo a value-with-relevant-money assessment in accordance with published guidelines.

The program guidelines for CDG can be found at the following link:

<https://www.infrastructure.gov.au/territories-regions-cities/regions/regional-community-programs/community-development-grants>

Program allocation profile over the life of the program is as below – data as at 31 December 2021.

FINANCIAL TRACKING – Community Development Grants Programme

* All funding has been committed. The funding profile will be settled and adjusted upon projects being contracted including settling payment milestones.

Response to Senator Sterle Request dated 4 February 2022

Current Appropriation profile for the program life cycle (Excluding amounts appropriated in the 2021-22 Portfolio Additional Estimates Statements) is below – data as at Budget, 11 May 2021.

FINANCIAL TRACKING – Community Development Grants Programme								
Appropriation	Pre-2020-21	2020-21	2021-22	2022-23	2023-24	2024-25	2025-26	Total
Budget	\$873,987,290	\$249,276,000	\$292,506,543	\$281,530,896	\$281,068,400	\$199,898,000	\$124,446,000	\$2,302,713,129

Building Better Regions Fund (BBRF)

The Australian Government announced \$250 million in the 2021-22 Budget towards a sixth round of the Building Better Regions Fund (BBRF). An additional \$100 million towards round five was also announced in the 2021-22 MYEFO process, bringing the total appropriation for this program to \$1.383 billion from 2017-18 to 2024-25.

The BBRF is an open, competitive grants program. BBRF applicants must be a local government body or incorporated not-for-profit organisation.

Round 5 is being delivered like previous rounds; with Infrastructure Project and Community Investment streams. Under Round 5 there will be:

- \$100 million dedicated to supporting tourism-related infrastructure projects which are focussed on mitigating the economic impacts of the COVID-19 pandemic on a region's tourism industry,
- \$100 million will support regional and remote Australia more broadly by funding general infrastructure and community investment projects; and
- The additional \$100m will be distributed to projects across the Infrastructure Stream which met the criteria for tourism and general infrastructure.

BBRF Round 5 opened for applications on 12 January 2021 and closed on 12 March 2021. There were 1,085 applications received, and 298 successful projects under Round 5 were announced on 8 October 2021.

The program guidelines for BBRF (rounds 1-5), including co-funding requirements, can be found at the following links - (there is a separate link for each of the Infrastructure Projects and Community Investment streams).

- <https://www.business.gov.au/grants-and-programs/building-better-regions-fund-community-investments-stream>
- <https://www.business.gov.au/grants-and-programs/building-better-regions-fund-infrastructure-projects-stream>

BBRF Round 6 opened for applications on 13 December 2021 and closed on 10 February.

The program guidelines for BBRF Round 6, including co-funding requirements, can be found at the following links – (there is a separate link for each of the Infrastructure Projects and Community Investment Schemes):

- <https://business.gov.au/grants-and-programs/building-better-regions-fund-infrastructure-projects-stream-round-6>
- <https://business.gov.au/grants-and-programs/building-better-regions-fund-community-investments-stream-round-6>

Response to Senator Sterle Request dated 4 February 2022

Program allocation profile over the life of the program is as below, and includes funding for grant rounds not yet finalised – data as at 31 December 2021.

FINANCIAL TRACKING – Building Better Regions Fund							
Appropriation	Pre-2020-21	2020-21	2021-22	2022-23	2023-24	2024-25	Total

Regional Recovery Partnerships

On 30 September 2020, the Australian Government announced its commitment of \$100 million over two years from 2020-21 to fund the Regional Recovery Partnerships (Partnerships).

The Partnerships support existing plans and priorities within the regions – investing in places and priorities other levels of government are also seeking to develop.

The 10 regions are: (NSW) the Snowy Mountains, Hunter and Newcastle, and Parkes Regions; (QLD) Cairns and Tropical North Queensland, Gladstone, and Mackay-Isaac-Whitsunday Regions; (TAS) all of Tasmania; (VIC) Gippsland Region; (SA) Kangaroo Island; (WA) South West Region.

This program has now been fully committed. A listing of the announced projects funded through the Partnerships to date is contained at Attachment A. Not all committed projects have been announced.

FINANCIAL TRACKING – Regional Recovery Partnerships				
Appropriation	Pre-2020-21	2020-21	2021-22	Total
Budget	-	\$48,840,000	\$51,160,000	\$100,000,000

Committed funds	-	\$48,840,000	\$51,160,000	\$100,000,000

Current Appropriation profile for the program life cycle is below – data as at Budget, 11 May 2021.

FINANCIAL TRACKING - Regional Recovery Partnerships				
Appropriation	Pre 2020-21	2020-21	2021-22	Total
Budget 2021-22	-	50,000,000	50,000,000	100,000,000

Response to Senator Sterle Request dated 4 February 2022

Drought Communities Programme (DCP)

The original DCP commenced in 2015, providing \$34.5 million over four years to 23 LGAs. Each LGA received \$1.5 million for local infrastructure initiatives that provided employment for people whose work opportunities had been impacted by drought. All projects were completed by 30 June 2019. Information regarding these projects can be found on GrantConnect at www.grants.gov.au.

Program allocation profile over the life of the program is as below.

Appropriation	Pre-2020-21	Total
Budget	\$34,500,000	\$34,500,000
Contracted Funds	\$34,483,725	\$34,483,725
Uncontracted funds	-	-
Unallocated	\$16,275	\$16,275

This program is complete, and has no future appropriation profile.

Drought Communities Programme Extension (DCPE)

The Australian Government allocated \$301 million under the Drought Communities Programme (DCP) Extension, with \$297 million committed to support drought-affected agricultural regions and the remaining \$4 million returned to Consolidated Revenue.

Program guidelines provide for the Minister with responsibility for drought to approve Local Government Areas (LGAs) as eligible for the DCP Extension at any time, in consultation with the Prime Minister and Minister for Agriculture (where they are different).

Councils in 180 LGAs impacted by drought are being funded, with the last funding announcement made in January 2020. The program is now closed to new entrants and no further rounds are planned. Projects are to be completed and acquitted by 30 June 2022.

Program allocation profile over the life of the program is as below - data as at 31 January 2022.

FINANCIAL TRACKING – Drought Communities Programme Extension

Response to Senator Sterle Request dated 4 February 2022

National Stronger Regions Fund (NSRF)

The National Stronger Regions Fund (NSRF) was established in 2014, to deliver priority infrastructure in Australia's regions.

Grants range from \$20,000 to \$10 million and require at least a 50 per cent co-contribution to eligible project expenditure.

The objective of the NSRF is to support economic growth and sustainability in Australia's regions, particularly disadvantaged regions.

The program guidelines for NSRF, including co-funding requirements, can be found at the following link:

<https://www.infrastructure.gov.au/territories-regions-cities/regions/regional-community-programs/national-stronger-regions-fund>

No further NSRF funding rounds have been conducted.

Program allocation profile over the life of the program is as below – data as at 31 December 2021.

FINANCIAL TRACKING – National Stronger Regions Fund				
Appropriation	Pre-2020-21	2020-21	2021-22	Total
Budget	\$558,212,883	\$41,081,363	\$8,600,000	\$607,894,246
Contracted Funds	\$558,186,739	\$20,901,824	\$3,035,779	\$582,124,342
Uncontracted funds	-	\$10,000,000	-	\$10,000,000
Unallocated	\$26,144	\$10,179,539	\$5,564,221	\$15,769,904

Current appropriation profile for the program life cycle is below – data as at Budget, 11 May 2021.

Budget 2021-22	558,212,883	49,681,363	607,894,246

Regional Growth Fund (RGF)

The Regional Growth Fund (RGF) provides grants for major transformational projects that create jobs and support long-term economic growth across Australian regions.

RGF provides grants of at least \$10 million, with grantees or other contributors required to contribute at least 50 per cent cash funding to the project. The total project cost must be at least \$20 million.

The program guidelines for RGF, including co-funding requirements, can be found at the following link:

- <https://www.infrastructure.gov.au/territories-regions-cities/regions/regional-community-programs/regional-growth-fund>

Response to Senator Sterle Request dated 4 February 2022

Program allocation profile over the life of the program is as below – data as at 31 December 2021.

FINANCIAL TRACKING – Regional Growth Fund

Regional Jobs and Investment Packages (RJIP)

RJIP was a 2016 election commitment of \$200 million for nine packages to support regional communities to diversify their economies and drive growth. The Australian Government approved a further \$20 million for the Latrobe Valley region as part of a package of Commonwealth assistance following the announcement of the closure of the Hazelwood power station, bringing the total to 10 pilot packages.

The program guidelines for RJIP, including co-funding requirements, can be found at the following link:

<https://business.gov.au/grants-and-programs/regional-jobs-and-investment-packages-rjip>

The program opened to applications in May 2017. Program guidelines required the program to end on 30 June 2020.

The program has now been extended to 30 June 2022 to allow projects to complete.

Response to Senator Sterle Request dated 4 February 2022

Program allocation profile over the life of the program is as below – data as at 31 December 2021.

Appropriation	Pre-2020-21	2020-21	2021-22	Total
Budget	\$136,162,813	\$50,014,444	\$20,217,435	\$206,394,692
Contracted Funds	\$136,162,813	\$34,014,808	\$19,738,627	\$189,916,248
Uncontracted funds	-	-	-	-
Unallocated	-	\$15,999,636	\$478,808	\$16,478,444

Unallocated funds in this program arise from two projects that did not progress.

Current Appropriation profile for the program life cycle is below – data as at Budget, 11 May 2021.

FINANCIAL TRACKING - Regional Jobs and Investment Packages				
Appropriation	Pre 2020-21	2020-21	2021-22	Total
Budget 2021-22	136,162,692	50,014,565	20,217,435	206,394,692

Murray Darling Basin Plan

This program is not administered by the Department of Infrastructure, Transport, Regional Development and Communications.

Response to Senator Sterle Request dated 4 February 2022

2. COVID Relief and Recovery Fund

On 12 March 2020, the Australian Government announced the \$1 billion COVID-19 Relief and Recovery Fund (the Fund) to support regions, communities and industry sectors that have been disproportionately affected by COVID-19.

\$1 billion has been announced to support the agricultural, arts, fisheries, tourism and transport industries. The Fund was fully allocated and its legislated end date was 30 June 2021.

A list of the announced proposals by Department is below, with the breakdown of funding provided as at the date of each announcement. Initiatives under the Fund are delivered by the agency with the relevant policy responsibility. Questions on the administration of each initiative should be directed to the responsible agency.

COVID-19 Relief and Recovery Fund

SUMMARY OF INITIATIVES ADMINISTERED BY DITRDC – AS AT 31 DECEMBER 2021

Announced initiatives administered by the Department of Infrastructure, Transport, Regional Development and Communications (DITRDC) (\$450.6 million announced; \$348.3million spent as at 31 December 2021):

Initiative Name	Initiative Description	Funding allocated	Status (as at 31 December 2021)
<u><i>Regional Airlines Funding Assistance (RAFA) Program</i></u>	Assist smaller domestic air service providers maintain connectivity for regional communities.	\$100 million	Program ended on 31 December 2020. The program assisted 13 air operators to maintain essential services to regional communities during 2020.
<u><i>Regional Airline Network Support (RANS) Program</i></u>	Assist domestic commercial airlines to maintain a basic level of connectivity across their network of regional routes.	\$198 million	Ongoing. As at 31 December 2021, under the RANS program, 14 airlines have provided a total of 18,908 return services, carrying 1,074,863 passengers to 121 ports, of which 110 are regional or remote.
<u><i>Supporting Indigenous Visual Arts Centres</i></u>	Support Indigenous Art Centres and Indigenous Art Fairs during the Coronavirus crisis.	\$12 million	Implemented and fully expended. Initial round of funding provided to 86 recipients (82 Indigenous art centres and 4 Indigenous art fairs). Additional funding in 2020-21 provided to 90 recipients (84 Indigenous art centres and 6 Indigenous art fairs).
<u><i>Support Act – crisis relief for artists, crew and music workers</i></u>	Help Support Act to provide crisis relief to artists, crew and music workers affected by the crisis.	\$10 million	Implemented and fully expended. Support Act has

Response to Senator Sterle Request dated 4 February 2022

			provided crisis relief grants, Wellbeing helpline and mental health programs to the music and performing arts sector.
<u>Support Act – Further support for artists, crew and music workers</u>	Help Support Act to provide further crisis relief to artists, crew and music workers affected by the crisis.	\$10 million	Implemented and fully expended. Support Act has provided crisis relief grants, Wellbeing helpline and mental health programs to the music and performing arts sector.
<u>Crisis relief for regional arts</u>	Provide targeted support to organisations, artists and arts workers in regional communities.	\$10 million	Implemented and fully expended. The grant was paid to Regional Arts Australia (RAA). Funding was delivered by RAA and the regional program administrator organisations to 349 projects across regional and remote Australia.
<u>Supporting Cinemas’ Retention Endurance and Enhancement of Neighbourhoods (SCREEN)</u>	Supports Screen Australia to assist independent cinema operators who have experienced significant declines in revenue.	\$20 million	Ongoing in 2021-22, administered by Screen Australia. \$20 million over two years, administered by Screen Australia, will assist independent cinema operators who have experienced significant declines in revenue due to the pandemic with one-off business continuity grants of up to \$85,000. Grants are open and applications are being processed.

Response to Senator Sterle Request dated 4 February 2022

<p><u><i>Playing Australia Regional Recovery Investment</i></u></p>	<p>Supports national performing arts touring, including for presenters, promoters and smaller arts companies.</p>	<p>\$5 million</p>	<p>Ongoing in 2021-22, administered by the Australia Council. The program funding supported 19 tours. Six tours were supported in 2020-21, with a further 13 supported in 2021-22. As of 31 December 2021 all \$5m was allocated to Playing Australia projects.</p>
<p><u><i>Maritime Freight Underwrite for Indian Ocean Territories</i></u></p>	<p>Ensure freight continuity to the external territories of Christmas and Cocos (Keeling) Islands</p>	<p>\$1.4 million</p>	<p>This measure ended on 31 December 2020. No funding was spent under this demand-driven measure.</p>
<p><u><i>Sustaining Tourism at Australia's Iconic World and National Heritage Sites (Norfolk Island)</i></u></p>	<p>Fund conservation works for Norfolk Island heritage projects.</p>	<p>\$0.8 million</p>	<p>Contracts are in place and funds committed by 31 December 2021 for the construction of remaining waypoint infrastructure, sign content development, design and fabrication.</p>
<p><u><i>Regional Recovery Partnerships</i></u></p>	<p>The Partnerships will coordinate investments with all levels of government to support recovery and growth in 10 regions across Australia, delivering jobs and economic diversification.</p>	<p>\$83.4 million (of \$100m initiative)</p>	<p>Ongoing in 2021-22. Project approval for all regions is complete and projects are either announced or with State Ministers for counter signature.</p>

3. Detailed Project Listings

A summary of all projects announced under the Regional Recovery Partnerships is at **Attachment A**. Data is valid as at 31 December 2021.

A detailed project listing for all other regional programs is provided at **Attachment B**. Project data is at 31 December 2021, and includes projects which are:

- Active – includes projects which have commenced, and projects which have been announced but may not have yet commenced;
- Completed - projects which have been completed, including the project completion date where recorded.

BBRF has a number of completed projects where the completion date has not yet been provided by the DISER Grants Hub. There are also instances in other programs where the project completion date has not been recorded for every project.

Assumptions and additional information:

Not all requested data is either captured by the Department, or captured in an easily reportable, reliable and consistent format.

- Package identifier is not relevant to regional programs.
- Commitment is not assigned on a project-by-project basis for regional programs.
- Total Project Cost is not recorded in a way that is able to be reliably reported and is not relevant for all projects/programs.
- Forecast expenditure has not been provided across the forward estimates. Individual projects are constantly subject to project variations, which can be caused by slippages due to external factors (e.g. COVID, bushfires and planning delays), as well as delays experienced by internal issues associated with the grantee themselves. Where projects are multi-stage or have multiple co-funding partners, changes to project expenditure can vary considerably over the life of the project.
- Project description is published on GrantConnect at www.grants.gov.au.
- Electoral Division information is not provided. This information is not relevant to the Department's assessment of projects and does not form part of the Department's advice to government for regional programs. Information relating to the grant recipient's location can be found on GrantConnect at www.grants.gov.au.

4. Local Roads Component of the Financial Assistance Grant paid to Councils

The Local Roads component of the Financial Assistance Grant paid to Councils is contained in **Attachment C**. This table is based on the following principles:

- Financial allocations represent actual cash payments made to councils for the 2020-21 financial year; and
- Allocations in 2021-22 represent cash payments to be made in 2021-22.
- Payment are made to councils in four equal quarterly instalments – August, November, February and May.
- Cash payments in 2020-21 include an advance from 2021-22 that was paid to LGAs on 7 June 2021.

LGA recommendations are only available for the current year or historically. LGA recommendations for the forward estimates are only determined at the beginning of each fiscal year by the state and territory governments.

There are no estimates beyond 2025-26.

Where an amount is shown as "-", no funding is provided. Where an amount is shown as "0.0", a positive amount between \$1 and \$49,999 inclusive is provided.

Figures may not add precisely due to rounding.

Estimates have been updated as at MYEFO 2021-22 to reflect the Treasurer's Determination, which was issued on 30 June 2021.

Regional Deals Additional Estimates 2021-22

Report prepared for the purpose of tabling to the Rural and Regional Affairs
and Transport Committee

About this report:

The information in this report is based on information reported to the Department as at the time listed on the front of the report. Information is supplied to the Department by partner agencies or Deal partners.

The information contained in this report is correct as at 31 December 2021.

All figures are in \$million.

Some projects may have been amended since Budget and/or may involve funds that are under consideration for movement between financial years. These changes will be reflected in the next update.

Status of Commitments are classified as:

- **Future Project** – the commitment is not planned to commence until some future date.
- **Pre-Planning** – the commitment's planning work has commenced.
- **On Time** – the commitment is running to schedule, including ongoing commitments
- **Completed** – the commitment is complete.
- **On Hold** – the commitment is pending next steps.
- **Discontinued** – the commitment is no longer part of the City Deal.
- **Behind** – the commitment is running behind schedule.
- **Issue** – the commitment has an issue that is preventing progress or completion.

Funding profiles are based on the Department's best estimates reflecting current negotiations with project proponents, and may be subject to change.

Start dates showing July may commence at any time during that financial year.

End dates showing June are expected to be completed during that financial year.

Abbreviations used:

- U/N - under negotiation
- N/A - not applicable
- TBC - to be confirmed

<p>Domestic Aviation Network Support</p> <p>Announced on 16 April. Australian Government purchased two separate networks (one from Qantas and the other from Virgin Australia) to deliver minimum levels of domestic aviation services consisting of over 220 return flights per week (approx. 2% of normal activity). This assistance recognised that a strong domestic aviation network is critical to Australia's success and is necessary to maintain transport connectivity during this pandemic.</p> <p>On 7 June 2020 it was announced that DANS would be extended from 1 July 2020 to 30 September 2020 and would focus support on the top 50 routes for the 2018-19 financial year as identified by the Bureau of Infrastructure, Transport and Regional Economics (BITRE).</p> <p>On 28 September 2020 it was announced that DANS would be extended to 31 January 2021. On 14 December 2020 it was announced that DANS would be further extended to 28 March 2021. On 11 March 2021 it was announced that DANS would be further extended to 30 September 2021.</p> <p>On 2 August 2021, the Government announced a further extension to run from 1 October to 31 December 2021, ensuring minimum connectivity on key domestic routes should current state travel restrictions continue.</p>	\$122.7 million	\$201.5 million	NFP	NFP	Airlines that operated on the top 50 routes pre-COVID.	\$124.9 million	NFP	<p>DANS announcements:</p> <ul style="list-style-type: none"> • 16-Apr-2020 –announced the program • 07-Jun-2020 - announced the extension of the program to 30 September 2021 • 28-Sep-2020 - announced the extension of the program to 31 January 2021 • 14-Dec-2020 - announced the extension of the program through to 28 March 2021 • 11-Mar-2021 - announced the extension of the program through to 30 September 2021 • 2-Aug-2021 – announced the extension of the program through to 31 December 2021 • As at 31 December 2021, claims from airlines in relation to this program are still being received and processed.

<p>Returning Australians Home (Identified as the International Aviation Support in the 2020-2021 PBS).</p> <p>Announced on 4 April 2020. The Government established a network of flights to four key international hubs— London, Los Angeles, Hong Kong and Auckland — for four weeks to help Australians get home. The Federal Government worked with Australia’s two major international airlines, Qantas and Virgin Australia, to establish the network. Supporting these four routes ensured that there was a backbone to global travel options for Australians wanting to come home. On 8 May 2020 a further \$50m to continue a network of international flights to London and Los Angeles for a further four weeks and also further non-scheduled flights was announced (see below).</p>	\$108.4 million*	Nil	Nil	108.4 million	None. This procurement was a contract for difference. Bridges Renewal Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: All approved projects from Rounds Four (2019) and Round Five (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Bridges Renewal Program funds the upgrade and replacement of bridges to enhance access for local communities and facilitate better vehicle access leading to higher productivity.

Eligible projects include bridge replacements, bridge upgrade proposals including new bridges replacing an existing water crossing.

New project selection:

• Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.

• The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.

• Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio for approval.

Bridges Renewal Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: All approved projects from Rounds Four (2019) and Round Five (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Bridges Renewal Program funds the upgrade and replacement of bridges to enhance access for local communities and facilitate better vehicle access leading to higher productivity.

Eligible projects include bridge replacements, bridge upgrade proposals including new bridges replacing an existing water crossing.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.
- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.
- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio for approval.

Bridges Renewal Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: All approved projects from Rounds Four (2019) and Round Five (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Bridges Renewal Program funds the upgrade and replacement of bridges to enhance access for local communities and facilitate better vehicle access leading to higher productivity.

Eligible projects include bridge replacements, bridge upgrade proposals including new bridges replacing an existing water crossing.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.

- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.

- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio for approval.

Bridges Renewal Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: All approved projects from Rounds Four (2019) and Round Five (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Bridges Renewal Program funds the upgrade and replacement of bridges to enhance access for local communities and facilitate better vehicle access leading to higher productivity.

Eligible projects include bridge replacements, bridge upgrade proposals including new bridges replacing an existing water crossing.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.
- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.
- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio for approval.

Bridges Renewal Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: All approved projects from Rounds Four (2019) and Round Five (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Bridges Renewal Program funds the upgrade and replacement of bridges to enhance access for local communities and facilitate better vehicle access leading to higher productivity.

Eligible projects include bridge replacements, bridge upgrade proposals including new bridges replacing an existing water crossing.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.

- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.

- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio for approval.

Heavy Vehicle Safety and Productivity Program

Eligible proponents - State, Territory or Local Government Entities

Scope: All approved projects from Rounds Six (2018) and Round Seven (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Heavy Vehicle Safety and Productivity Program funds infrastructure projects that improve the productivity and safety outcomes of heavy vehicle operations across Australia.

Eligible projects include rest areas, parking/decoupling bays, technology trials, road enhancements, livestock vehicle effluent collection and treatment facilities.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.
- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.
- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio.

Heavy Vehicle Safety and Productivity Program

Eligible proponents - State, Territory or Local Government Entities

Scope: All approved projects from Rounds Six (2018) and Round Seven (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Heavy Vehicle Safety and Productivity Program funds infrastructure projects that improve the productivity and safety outcomes of heavy vehicle operations across Australia.

Eligible projects include rest areas, parking/decoupling bays, technology trials, road enhancements, livestock vehicle effluent collection and treatment facilities.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.
- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.
- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio.

Heavy Vehicle Safety and Productivity Program

Eligible proponents - State, Territory or Local Government Entities

Scope: All approved projects from Rounds Six (2018) and Round Seven (2020) as at 1 Feb 2022

Caveat: Construction start and end dates are the most recent as provided by the proponent

Program Objectives:

The Heavy Vehicle Safety and Productivity Program funds infrastructure projects that improve the productivity and safety outcomes of heavy vehicle operations across Australia.

Eligible projects include rest areas, parking/decoupling bays, technology trials, road enhancements, livestock vehicle effluent collection and treatment facilities.

New project selection:

- Applications initially undergo a four stage process within the Department including: eligibility assessment, merits assessment, input from states and territory road authorities and a quality assurance.
- The Departmental process identifies proposals which are eligible and provide value for Australian Government money. Only eligible proposals are recommended to the Deputy Prime Minister for funding.
- Projects found to represent value for Australian Government funding but located within the Deputy Prime Minister's Electorate are excluded from the list of projects provided to his Office for his approval. Rather, these projects are provided to an alternate Minister within the Infrastructure Portfolio.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.
- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.
- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.
- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

112956-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Longreach Tocal Road 36.3 to 36.8km LONGREACH	Improve signage, install delineation and remove vegetation	2021-2022	\$12,500	1-Jul-21	30-Jun-22
112955-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Wolfram Street Granite Street STANTHORPE	Move the limit lines forward on Granite Street and install Intersection Ahead warning signage	2021-2022	\$10,000	1-Jul-21	30-Jun-22
112954-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Longreach Muttaburra Road Chainage 50.5km to 51.5km North east of Captain Starlight's Lookout LONGREACH	Install road furniture to identify the road curves and upcoming floodways and provide delineation	2021-2022	\$10,000	1-Jul-21	30-Jun-22
112953-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Golden Mile Road Queen Elizabeth Drive and Dysart Bypass Road DYSART	Replace existing sign with appropriate curve/intersection signs	2021-2022	\$9,000	1-Jul-21	30-Jun-22
112952-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Mardon Road Inverleigh Road ROSENTHAL HEIGHTS	Install intersection warning signage	2021-2022	\$5,000	1-Jul-21	30-Jun-22
112951-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Acacia Avenue Percy Street WARWICK	Remove the two car parks closest to Acacia Avenue on Percy Street to allow vehicles to turn onto Percy Street from Acacia Avenue, greater sight distance and reduce the potential for collisions	2021-2022	\$5,000	1-Jul-21	30-Jun-22
112950-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Upper Dawson Road Caroline Street ALLENSTOWN	Signalise intersection with controlled right turns on the Upper Dawson Road legs including separate right turn lanes, provide controlled pedestrian crossings and improve night-time visibility by installing and upgrading luminaires	2021-2022	\$676,000	1-Jul-21	30-Jun-22
112949-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Boundary Road Formation Street WACOL	Provide larger diameter island, modify splitter islands and kerb returns, regrade/resurface, revise kerb ramps, footpaths and improved pedestrian refuges, revise signs and linemarking, trim trees, and revise street lighting	2021-2022	\$1,944,000	1-Jul-21	30-Jun-22

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Project ID	State	Proponent	Project Name	Treatment	Financial Year	Approved Australian Government Contribution (100 per cent Australian Government funded)	Start Date	End Date
112948-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	North Isis Road Lynwood Road NORTH ISIS	Widen minor approach road, square up minor road approach legs, and install flag lighting and new signage	2021-2022	\$194,000	1-Jul-21	30-Jun-22
112947-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Old Goombungee Road curve at Wrebeck Road BIRNAM	Widen curve and seal shoulders, install traversable batter to 2m width, install guideposts and chevron alignment markers on outside of curve, improve delineation and install edgelines and increase length of 6% superelevated roadway	2021-2022	\$776,500	1-Jul-21	30-Jun-22
112946-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Goodwin Drive West of Fortune Avenue BONGAREE	Replace existing zebra crossing at a refuge with signalised crossing, install kerb buildouts and narrow the median. New signals include push button activation with pedestrian count-down timers, advance warning signage and flashing lights	2021-2022	\$472,000	1-Jul-21	30-Jun-22
112945-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Adelaide Street Wharf Street BRISBANE	Ban the right turn into Wharf Street westbound, provide mast arm on Wharf Street, provide turn arrow lanterns for partial pedestrian protection, revise traffic signs and linemarking and revise traffic signal phasing	2021-2022	\$460,000	1-Jul-21	30-Jun-22
112944-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Teviot Road Cusack Lane JIMBOOMBA	Signalise intersection to include controlled right turns (maintain slip lanes), and reduce speed limit at intersection from 70 to 60km/h	2021-2022	\$1,265,000	1-Jul-21	30-Jun-22
112943-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Wyper Street Elizabeth Street BUNDABERG SOUTH	Provide kerb extension, linemarking, install painted chevron medians, move hold line forward, provide concrete pathway and kerb ramps, replace old signage and install Give Way Ahead pavement marking	2021-2022	\$320,000	1-Jul-21	30-Jun-22
112942-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Sydney Street Alfred Street MACKAY	Modify the geometry of the roundabout approaches, and install new pedestrian refuges with traffic island protection and new signs	2021-2022	\$503,500	1-Jul-21	30-Jun-22
112941-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Gregory Street Williams Street BOWEN	Install a single-lane roundabout, including reducing the number of lanes to one per leg on intersection approach	2021-2022	\$468,500	1-Jul-21	30-Jun-22
112940-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Pierces Creek Road East of Emu Creek Road EMU CREEK	Widen curve and seal shoulders, install edgelines, improve delineation, increase length of 6% superelevated roadway, install new warning signage and remove roadside hazards	2021-2022	\$586,500	1-Jul-21	30-Jun-22
112939-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Wust Road east of Regency Road (Stage 2) DOONAN	Realignment and superelevation correction, resurfacing to improve skid resistance and install drainage improvements	2021-2022	\$560,000	1-Jul-21	30-Jun-22
112938-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Upward Street Draper Street PARRAMATTA PARK	Construct roundabout, provide Bicycle Awareness Zones, provide on-road-off-road transition and upgrade street lighting	2021-2022	\$709,000	1-Jul-21	30-Jun-22
112937-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Glendon Street Markwell Street KINGAROY	Increase centre roundabout island diameter, install build-outs/kerb extensions, restrict parking bays, remove u-turn provisions, install pedestrian refuge island, remove existing non-compliant kerb ramps and update signage	2021-2022	\$353,500	1-Jul-21	30-Jun-22
112936-21QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Coon Street Off Street and Ann Street SOUTH GLADSTONE	Install two vehicle activated Give Way signs on the minor road approaches to the Coon Street intersection	2021-2022	\$84,000	1-Jul-21	30-Jun-22

105586-20QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Sir Fred Schonell Drive Coldridge Street ST LUCIA	Installation of right and left turn lanes, medians, signalling, signage, linemarking and medians. Upgrade the intersection alignment and regrade and re-surface	2020-2021	\$1,428,000	1-Jan-21	1-Jun-21
105585-20QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Hunchy Road Between Hardings Road and Blackbutt Road HUNCHY	Widen and seal overlay through the 2 curves, remove roadside hazards on both sides of the curves, reshape table drains with traversable slopes, reinstate property cross-overs and upgrade alignment warning signs	2020-2021	\$1,700,000	1-Jan-19	1-May-19
105584-20QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Greenlake Road near Evergreen Road ROCKYVIEW	Change Horizontal Alignment - Realign the road corridor to increase the horizontal curve radius and provide curve widening between approximately Ch2400 - Ch2700. Installation of w-beam guardrail on road side from no existing barrier	2020-2021	\$846,000	1-Jan-21	30-Sep-21
105583-20QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Beechmont Road south of Farm Grove Road BEECHMONT	Increase the existing horizontal radius of the curve from 85m to 150m on the south west section and from 55m to 130m on the northern section. Superelevate the curve and apply curve widening. Install 1m Sealed shoulder on both sides of the roadway	2020-2021	\$982,000	1-Sep-20	29-Oct-21
105582-20QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Tunnel Ridge Road Between Kowald Road and Rose Road LANDSBOROUGH	Remove, redesign and shield roadside hazards, minor shoulder widening and embankment works and installation of barriers along sections with high embankment slopes	2020-2021	\$785,000	1-Jan-21	1-May-21

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

100113-19QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Morala Avenue Sports Drive RUNAWAY BAY	Install a single lane roundabout, upgrade street lighting upgrades and provide pedestrian and cyclist channelisation	2019-2020	\$769,000	6-Jan-20	17-Apr-20
100112-19QLD-BS	QLD	Queensland Department of Transport and Main Roads.	Azalea Street Eugenia Street INALA	Install additional priority signs on median islands on Eugenia Street including Give Way or Stop signage/linemarking as appropriate, realign kerb ramps, upgrade lighting as required	2019-2020	\$185,000	16-Sep-19	9-Oct-19
100111-19QLD-BS	QLD	Queensland Department of Transport and Main Roads.	School Road Fernbrooke Boulevard and Lamington Drive REDBANK PLAINS	Install traffic signals, construct protected slip lanes to separate the left turn on the side roads, install pedestrian crossing facilities on southern three legs	2019-2020	\$613,000	1-Jan-20	1-May-20

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

113634-21SA-BS	SA	SA, Department for Infrastructure and Transport	Frances Road (Bordertown - Hynam) 4 km section from Exton Road POOGINAGORIC	Install shoulder sealing with edge lines, center line and edge line raised reflective pavement markers, and tree removal. Sealing of side road unsealed aprons	2021-2022	\$933,000	1-Jul-21	30-Jun-22
113633-21SA-BS	SA	SA, Department for Infrastructure and Transport	Goodwood Road at Westbourne Park Memorial Hall CUMBERLAND PARK	Install mast arm on the existing pedestrian actuated crossing to address red light running	2021-2022	\$30,000	1-Jul-21	30-Oct-21
113632-21SA-BS	SA	SA, Department for Infrastructure and Transport	Martins Road Ryans Road GREEN FIELDS	Modify existing approaches and circulating path of the four-way Martins Road roundabout	2021-2022	\$475,000	1-Jul-21	30-Jun-22
113631-21SA-BS	SA	SA, Department for Infrastructure and Transport	Woods Hill Road 2.1km section west of Tregarthen Road ASHTON	Improve delineation with speed advisory signs and Chevron Alignment Markers on curves. Minor widening of the Tregarthen Road leg of the Woods Hill Road/Stoney Rise Road Intersection and duplicate stop control signs and approach signage	2021-2022	\$302,000	1-Jul-21	30-Jun-22
113630-21SA-BS	SA	SA, Department for Infrastructure and Transport	Curtis Road Peachey Road MUNNO PARA	Install mast arms on both road approaches and extension of right turn lane (eastern approach)	2021-2022	\$205,900	1-Jul-21	30-Jun-22
113629-21SA-BS	SA	SA, Department for Infrastructure and Transport	Piggott Range Road Easton Road CHANDLERS HILL	Improve curve on Piggott Range Road either side of Easton Road intersection, improve superelevation, widen sealed shoulder, install channelised right turns and painted right-turn treatment at Easton Road, remove hazards and improve sight lines and in	2021-2022	\$1,550,000	1-Jul-21	30-Jun-23
113628-21SA-BS	SA	SA, Department for Infrastructure and Transport	William Street Redin Street PROSPECT	Install a roundabout	2021-2022	\$235,377	1-Jul-21	30-Jun-22
113627-21SA-BS	SA	SA, Department for Infrastructure and Transport	Greenhill Road Hallett Road BURNSIDE	Modify lane lines, kerb alignments and install seagull traffic island. Create exclusive right turn lane for traffic turning into Hallett Road from Greenhill Road, modify slip/service lane kerb for bus turning movements and upgrade street lighting	2021-2022	\$129,000	1-Jul-21	30-Jun-22
113626-21SA-BS	SA	SA, Department for Infrastructure and Transport	North Parade West Street TORRENSVILLE	Install a raised intersection platform with paved in contrasting colour with improved sight lines	2021-2022	\$160,500	1-Jul-21	30-Jun-22
113625-21SA-BS	SA	SA, Department for Infrastructure and Transport	Old Mount Barker Road 2.6 km section north of Church Hill Road ECHUNGA	Install safety barrier and motorcycle barrier, localised road widening, improved corner delineation and linemarking and sight line improvements. Review speed limit and upgrade signage and linemarking and advisory speeds	2021-2022	\$683,867	1-Jul-21	30-Jun-22
113624-21SA-BS	SA	SA, Department for Infrastructure and Transport	Montacute Road 8.5 km section from east of Buffer Zone Track to Marble Hill Road MONTACUTE	Upgrade Montacute Road to create a consistent road environment with the provision of sealed shoulders, edgelines, delineation, advisory signage, and removal and protection of roadside hazards	2021-2022	\$1,141,883	1-Jul-21	30-Jun-22
113623-21SA-BS	SA	SA, Department for Infrastructure and Transport	William Street George Street NORWOOD	Modify the approach central medians, kerb extensions and central roundabout modifications include narrowing all approach lanes. Stormwater improvements, new landscaping, pavement marking and related works	2021-2022	\$120,000	1-Jul-21	30-Jun-23

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.

Black Spot Program

Eligible proponents - State, Territory or Local Government Entities.

Scope: Black Spot Projects approved since 2018 as at 1 Feb 2022.

Caveat: Construction start and end dates are the most recent as provided by the proponent.

Program Objectives:

The Black Spot Program provides up to \$2 million per project in Australian Government funding for the treatment of road locations where known vehicle crashes are occurring or at risk of occurring.

Eligible projects include traffic signals, roundabouts, turning lanes, safety barriers and lighting.

New project selection:

- Nominations for Black Spot locations are invited from state and territory governments, local councils, community groups and associations, road user groups, industry and individuals.

- On receipt of a completed Black Spot nomination form, the relevant state and territory transport agency will examine the nominated site's eligibility for funding.

- Eligible projects are then assessed by a Consultative Panel. Each state and territory have their own Consultative Panel. The Panels consists of representatives drawn from community and road user groups, industry, Australian and local government, and state road and transport agencies.

- Only projects that have been recommended for funding by a Consultative Panel are provided to the Deputy Prime Minister for funding approval.
