Remove covered walkway adjacent to building, install gate on frontage. Install window surrounds internal, new LED lighting, 3 new electrical boards and replace hardwood flooring to stage and resurface existing timber flooring	The building paint condition is poor and this negatively impacts on the community perception of the facility. Interior flooring in hall resurfaced. Damaged stage floor being replaced to remove holes. LED lighting to replace fluorescent lights in hall.	Nov-20	Mar-21	1,100,000	300,000
NSW	Bega Valley Shire Council	Community infrastructure	Bicycle and Walking Paths Improved Accessibility of Community Facilities and Areas	Renewal of the Berrambool footbridge and construction of an off road connecting path	Berrambool sporting complex is one of Council's major sporting facilities and is currently disconnected from the CBD via any means of continual active transport options. There is currently a carpark, skatepark clubhouse and a small footpath network within the sporting facility. There is a footbridge over the creek that is in desperate need for renewal but not connected to a path network. The bridge was built by community volunteers many years ago and is a warranted piece of infrastructure that needs to be renewed. By extending the path network from the existing path along the service lane to the existing path at the Berrambool Sporting complex we will be closing a vital missing link in our active transport network.	Aug-20	Jun-21	350,000	350,000

NSW	Bland Shire Council	Community infrastructure	Painting/Improvement to Community Facilities Landscaping Improvements	West Wyalong Tennis Club Clubhouse modification	The existing clubhouse was originally a school building before being transported to the existing site more than 60 years ago. The clubhouse is in urgent need of major repairs or replacement. Those who are no longer able to participate in tennis but would like to attend as a spectator and experience the social aspect of the sport are severely restricted at the current location. The new location, facilities and amenities will open up the area to ensure they are practical accessible for all.	Oct-20	Mar-21	251,841	103,401
NSW	Bland Shire Council	Community infrastructure	Replacement of Lightbulbs in street lights	Public Lighting (LED with Smart Controllers) in Bland Shire Council	Street lights in the Bland Shire are old and consume high levels of energy. Maintenance costs are high and due to the age of the network and lack of suitable technology faults can be difficult to anticipate, locate and repair. The rollout of replacement LED lights in September 2020 will significantly upgrade the network. The further development and purchase of compatible smart controllers under this project will enable real time monitoring and control of the entire network - significantly reducing outages and maintenance time and costs. NSW	Bland Shire Council	Community infrastructure	Painting/Improvement to Community Facilities Landscaping Improvements Improved accessibility of community facilities and areas	Refurbishment and rejuvenation of internal and external areas within the Bland Community Care Centre.	Since being built in the late 1990's the Community Care Centre has not had any refurbishments, updates or major maintenance works carried out. The decor and furniture is old, worn and past its used by date, the gardens are in urgent need of replacement and major improvements are required to make the outdoor part of the facility accessible and user friendly for clients. The project will create a modern, accessible facility which can be enjoyed by all ages for several years to come. The updated decor, furniture and fittings will facilitate a modern space which will help attract additional visiting services to take up available office space within the	Oct-20	Feb-21	81,889	81,889
NSW	Bland Shire Council	Road	Bridge works	Raising and widening of the Ungarie School Bridge (Mackrell Street Bridge)	The existing bridge/culvert known locally as Ungarie School Bridge (Mackrell Street bridge) regularly floods, cutting off access from the main township to Ungarie Central School and a number of other properties and parts of Ungarie. Council commissioned an independent Ungarie Floodplain Risk Management Study which identified the raising and widening of the Mackrell Street bridge as a key mitigation strategy to reduce the impact and potential damage caused by the regular overflow of the adjacent Humbug Creek.	Jan-21	Jun-21	1,765,071	882,536
NSW	Bland Shire Council	Road	Resealing	Gravel resealing program in the townships of West Wyalong and Wyalong	Bland Shire Council has the second longest road network in the state. With a large area to cover and limited available funding, Council has previously been unable to identify appropriate funding programs for urgently needed resealing work throughout the major Shire population centres of West Wyalong and Wyalong. This program will address this need and provide a smoother, safer and more positive experience for local residents and visitors to West Wyalong and Wyalong.	Sep-20	Jun-21	328,271	328,271
NSW	Blayney Shire Council	Road	Rehabilitation, Widening and Resealing	Newbridge Road road works	The proposed works location is a narrow road (> 6.5m) with a failed bitumen surface that generates poor lane positioning for motorists on approach to a number of sharp bends, and approaches to the existing railway underpass on the Main Western Railway. NSW	Griffith City Council	Community Infrastructure	Landscaping improvements	Install entrance signage on arterial roads at three locations upon entering Griffith City's urban centre.	The current entrance signage into the City is dated, of poor quality, lacks presence and consistency.	Feb-21	May-21	200,000	100,000
NSW	Gunnedah Shire Council	Road	Reconstruction, widening, sealing	Oakey Creek Road Intersection via Clifton Road to Leys Road Intersection road works	The unsealed surface currently contributes to:  * High vehicle operating costs and reduced average travel speeds. * Prevents the use of Clifton Road as a HML B-double route * Constrains usage of the shorter route between the Oxley and Kamilaroi Highways * Contributes to safety hazards such as poor skid resistance, high maintenance costs, dust/visibility issues and poor access during wet weather	Nov-20	Feb-21	1,378,750	1,007,220
NSW	Gwydir Shire Council	Mixed	Traffic Improvement, Picnic Shelters or Barbeque Facilities at Community Parks	Batterham Lookout Bingara makeover	The lookout road is not compliant with current Australian Standards and safety requirements. This project will ensure that the area is brought up to Standards. Further there is little signage to direct and inform visitors and residents. The existing furnishings are dated and hard to maintain and clean. The existing pathway to the bird watching platform is uneven and weather worn. The upgrade will improve safety and usability. These will be replaced which will make the whole area more aesthetically pleasing, safe and easier to maintain.	Oct-20	Jun-21	240,242	240,000
NSW	Gwydir Shire Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas, Landscaping Improvements, Picnic Shelters or Barbeque Facilities at Community Parks	Warialda and Bingara CBD improvements	Gwydir Shire is a popular regional tourist destination for day trips and weekend stays. This project improves the amenity of the towns. Further Gwydir Shire has a high percentage of senior residents and young families, Council will increase the number of shaded resting places for their enjoyment and use. This is particularly beneficial given our extreme summers.	Mar-21	Apr-21	100,000	100,000
NSW	Gwydir Shire Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas, Landscaping Improvements, Toilet Blocks, Noise and Vibration Mitigation Measures, Other (relocation and upgrade of old animal shelter)	Warialda Animal Shelter construction	Current facility and site is unsuitable. It is situated near a gully and noise travels to residences causing some nuisance. The facility is also small and outdated.	Dec-20	Feb-21	179,500	160,000
NSW	Gwydir Shire Council	Community Infrastructure	Landscaping Improvements	Warialda and Bingara Dog Exercise Area fencing and park furniture	The off leash areas currently are not fenced and have no other infrastructure. Without fencing there is a danger that dogs will run onto the roads surrounding the park areas. The fencing will increase patronage and permit appropriate unleashing of dogs for exercise. The access to bags and bins will encourage users to keep the area tidy and dispose of dropping appropriately. The exercise obstacles will offer alternative activities for the dogs and their owners. The plantings will increase the visual amenity of the area making it a pleasant place to take dogs for exercise. In the warmer months access to water is essential for dogs after exercising. Seating and will allow owners to sit, rest and socialize with other community members.	Oct-20	Oct-20	120,600	106,000
NSW	Gwydir Shire Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas, Other (Council owns the Warialda Medical Centre - it is the only centre in Warialda and through bulk billing is a community centre)	Renovate Warialda Medical Centre	The project will see the internal layout of the Centre altered so as to allow for a more COVID19 safe environment for patients, staff and visitors. The project will also create a designated ambulance entry/exit which will make the facility compliant and preserve the dignity of patients who currently have to wheeled from the premises through the main reception area. The renovation will increase the functionality of the centre particularly for the doctors and a new and modern centre will attract more allied health service providers to the town.	Dec-20	Jan-21	230,000	230,000
NSW	Hilltops Council	Mixed	Reconstruction, drainage, toilet blocks	Development of a safe B double decoupling bay and rest area for heavy vehicle operators.	Access improvement by enabling safe decoupling of B Double transport to then gain access on the "last mile" local freight network.	Oct-20	Jun-21	2,323,903	1,200,000

NSW	Narrabri Shire Council	Road	Reconstruction	The proposed works to be conducted are to fully reconstruct the pavement in the three main CBD blocks.	The current road surface in is very poor condition and in its current condition, is not meeting traffic demand. The sub-standard condition has resulted in increased maintenance, which has a flow on effect of increased cost to Council. In addition, the poor road surface provides rough and uneven driving conditions for road users. This impacts on CBD aesthetics and results in decreased willingness to access the CBD which can be assumed impacts on business economics for CBD businesses. Failure to receive project approval will result in further road degradation which may increase vehicle wear and tear and result in increased safety issues over time. NSW	Shellharbour City Council	Road	Widening, sealing, traffic improvement	Civil construction works to improve access and safety off Tongarra Road, Albion Park into Shellharbour Airport. This would include Tongarra Road widening and new access road pavement and drainage works, as well as line marking and signage to finalise the intersection in it's final arrangement.  While the design of this intersection has been completed (attached), this section of works is not currently earmarked for delivery in Council's 2020/21 Delivery Program and allocation of funding to this project would expedite delivery to satisfy the stimulus objectives of the grant program. Further to this, the completion of this work would contribute towards the Airport redevelopment which aims to encourage investment and improve access to the local economy.	Completion of these works prior to the development of the Airport Business Precinct would improve the safety of the intersection by ensuring the appropriate turning and merging lanes are in place. NSW	Wingecarribee Shire Council	Community Infrastructure	Other: Repair/refurbishment of SES volunteer centre	<p>The Mittagong SES Volunteer Centre building repair and refurbishment project is to replace roofing, address structural issues, improve storm water drainage and construct a retaining wall to restore the centre.</p> <p>NSW SES members work closely with residents to build stronger, more resilient communities to reduce the impact from natural disasters. The volunteers in the Wingecarribee SES have for several years regularly conducted community resilience programs. These public programs have included local initiatives such as the award winning "Get Ready Girls" program that builds confidence in local women and their resilience skills along with the "SES Youth Forum" a program informing youth on safety measures in times of emergencies.</p> <p>The local SES have in the past have made their training room available to Council, Police and other emergency services for bookings as well as local community organisations. It is also an alternate Emergency Operations Centre available for use by the by the Local Emergency Management Committee.</p> <p>The community service provided by the Mittagong SES Volunteers cannot be understated. They have responded to an average of 473 requests for assistance per year over the past 4 years related to floods and storms. The Wingecarribee Shire residents rely on the SES volunteers for emergency response.</p> <p>Due to water intrusion and mould issues as well as structural defects, the volunteer centre cannot be safely occupied and the community programs and volunteer training cannot be held. By restoring the centre for safe use, these programs will</p>	<p>Due to stormwater and drainage issues for the building and site, water ingress has resulted in mould contamination to several rooms within the centre. NSW	Wingecarribee Shire Council	Community Infrastructure	Painting/Improvements to community facilities	<p>The Church Road Oval Amenities Building Refurbishment project is designed in 2 stages. Stage 1 is currently funded and programmed for delivery in 2020/21 in Council's capital works program. The works commenced in August 2020. Stage 2 is fully designed and shovel ready, but remains unfunded. Stage 2 works include construction of the second story clubhouse, access ramp, provision of awning and conversion of existing public toilets to storage.</p> <p>Should this funding application be successful, it would enable Council to construct the second stage of the amenities building immediately.</p>	<p>Currently there is no indoor training facility on site to facilitate rainy-day training and strategy sessions. The construction of the second story clubhouse will provide an indoor venue for rainy day training. Further, the planned improvements include an access ramp to the first floor, kitchenette and awning. QLD	Cherbourg Aboriginal Shire Council	Road	Sheeting, rehabilitation, sealing	Cherbourg, multiple locations 4 road areas - resheeting, rehabilitation, vegetation clearing	Road surface deteriorating in multiple places and grass growing in road shoulders. Multiple potholes and crack sealing	Sep-20	Dec-20	39,849	39,849
QLD	Croydon Shire Council	Community infrastructure	Playgrounds and skateparks	Installation of rubber softfall surfacing around the Croydon Pump Track	A pump track is a circuit of rollers, banked turns and features designed to be ridden by cyclists of all ages and skill levels. The Croydon pump track is made of asphalt with hard gravel batters. Installation of rubber softfall surfacing (OneSafe wet pour) around the track will create a deceleration zone and absorb impact thus reducing damage to push bikes and injury to riders using the track.	Oct-20	Oct-20	234,921	209,921
QLD	Croydon Shire Council	Community infrastructure	Repairs/replacement of fencing	Croydon Heritage Precinct - upgraded fencing	Croydon's renowned Heritage Precinct is a hot spot tourist attraction comprising of an original Court House, Town Hall, Police Residence and Police Station with Goal House. The buildings are maintained to preserve their historical accuracy and are complimented, at the eastern end, by a traditional white picket fence with working replica lamp posts and original sandstone kerbing. The rear area of the buildings, at the eastern end, are secured with high colourbond fencing which provides privacy for neighbouring residential buildings. Whilst the working replica lamp posts and original sandstone kerbing continues to the western end of the precinct the fence does not. The current western end fencing is dilapidated and does not compliment the existing eastern end fencing which supports the heritage look and feel of these beautiful old buildings, whilst ensuring privacy to the adjoining residences. The western end fence upgrade will promote tourism to the entire precinct whilst completing and preserving the history and heritage of the town of Croydon.	Oct-20	Mar-21	145,000	145,000
QLD	Croydon Shire Council	Road	Widening	Intersection of the Croydon to Richmond Road and Gulf Developmental Road 92B road works	Significance and is 390kms in length, of this, 216 kilometres is located in Croydon Shire. The road is part of the inland road network linking cattle properties to major freight routes on the Landsborough and Flinders Highway and the Gulf Developmental Road, essentially connecting the Gulf of Carpentaria to the Southern Downs Region. Council is committed to the upgrade and maintenance of the Richmond Road and has been proactive in upgrading the road to a seal standard. The intersection of the Richmond Road and the Gulf Developmental Road 92B comprises of a single width (single lane) grid and poses a serious safety hazard to all road users. The upgrade of the grid to a double width (two lanes) at the intersection will improve traffic flow and significantly alleviate road safety issues associated with the current single lane grid.	Nov-20	Dec-20	110,000	110,000
QLD	Douglas Shire Council	Community	Other: Tourist Info Shelter and Boomgate to Van Park	Erect one information shelter Install one electric boomgate	The project will address the problem of having information available to tourists at times when the Kiosk is closed. The boom gates will deter access to the van park after hours by those who have not paid for a site.	Sep-20	Jun-21	36,000	
QLD	Douglas Shire Council	Road	Reconstruction	Unsealed sections of Forest Creek road, north of the Daintree River will be upgraded. Concrete floodway will be installed (240m x 6m).	The project will address the problem of unsealed sections washing away after the annual monsoon season or severe wet weather events, into nearby creeks, Daintree River and Great Barrier Reef and improve access for residents, primary producers/business owners and students accessing goods, services, education, employment and commercial networks; as well as reducing run off into waterways.	Apr-21	May-21	426,460	150,000
QLD	Douglas Shire Council	Road	Drainage	The project will improve drainage and install three floodgates along Wharf Street Port Douglas.	The project will address the problem of two major drains and three minor drains blocking up after high tides, flooding and storm tide inundation, and water inundation to homes and businesses; and the associated financial and emotional stress on residents and business owners.	Feb-21	Jun-21	219,324	40,000
QLD	Douglas Shire Council	Road	Traffic Improvement, Street Lighting Equipment	Install Speed cushions along Marlin Drive Wonga Beach. Three 9.0m wide sections of speed cushions.	The project will respond to a petition, signed by 20 petitioners and community consultation urging Council to install a "Speed bump" on Marlin Drive; a long, wide and straight road with vehicles constantly exceeding the 50kph speed limit, endangering children and residents.	Jan-21	Mar-21	90,000	40,000
QLD	Douglas Shire Council	Community	Other: Add Wi-Fi service to existing Wonga Van Park for patrons	Install Wi Fi at Wonga Beach Van Park	Wi-Fi is now a common service at these facilities. Not having the service at this site has generated customer complaints. Adding this service will attract more patrons to the site.	Oct-20	Nov-20	8,662	8,337
QLD	Flinders Shire Council	Community Infrastructure	Bicycle and walking paths Street Lighting Equipment	Walking path and pedestrian lighting around Recreational Lake	Safety of the pedestrians.	Jul-20	Dec-20	858,755	858,755

QLD	Gympie Regional Council	Road	Widening	Amamoor Creek Road	The section of road experiences a high volume of traffic that travels between the townships of Amamoor and Dagon (471 vpd in 2019). The road is a narrow bitumen sealed road that experiences continual shoulder wear. The existing road seal width is insufficient for two cars to pass forcing vehicles to use the unsealed portion of the carriageway. These factors are amplified when road conditions are adverse erg. rain or heavy fog. Additionally, once a year the road experiences high tourist traffic attending the Gympie Country Music Muster at Amamoor State Forest (2,000-5,000 vpd).	Feb-21	Apr-21	147,000	147,000
QLD	Gympie Regional Council	Road	Sealing	Brooloo Township road works	The township has experienced recent growth. Sections of the road network are currently unsealed and adjacent houses are experiencing increased dust issues due to the additional traffic. A steep section of Henry Street (unsealed) also experiences table drain scouring due to the road grade and limited controls.	Apr-21	Jun-21	335,000	335,000
QLD	Gympie Regional Council	Road	Widening	Eel Creek Road	A combination of high speeds, high volume, heavy vehicles, narrow road seal width with unsealed shoulders contribute to the factors that cause issues along this section of Eel Creek Road. The existing road seal width is insufficient for two heavy vehicles to pass forcing vehicles to use the unsealed portion of the carriageway. These factors are amplified when road conditions are adverse e.g. rain or heavy fog.	Feb-21	Jun-21	350,000	350,000
QLD	Gympie Regional Council	Community Infrastructure	Bicycle and walking path	Excelsior Road Footpath	The section of grassed verge experiences a high volume of foot traffic that goes between bus stop and local shopping centre, to the local Community Centre. A number of users are within motorized wheel chairs and experience issues with the current grassed verge (wet slippery grass, uneven ground). The path will complete a missing link and provide accessible connection along the eastern side of Excelsior Road. The route provides access to the Gympie Community Hub via Dent Lane. A local access advisory committee has previously raised the issue with Council.	Mar-21	Jun-21	13,802	13,802
QLD	Gympie Regional Council	Community Infrastructure	Bicycle and walking path	Mellor Street Footpath	The section of footpath experiences a high volume of foot traffic that goes between the adjacent attractors such as the Town Library, Town Hall, A Childcare Centre and the Gympie Civic Centre. The footpath has significantly deteriorated and is beyond maintenance, requiring a full replacement in concrete.	Mar-21	May-21	61,000	61,000
QLD	Gympie Regional Council	Road	Widening	Rocks Road (Pie Creek)	A combination of high speeds, substandard horizontal and vertical curves, inadequate sight distance, narrow road seal width with unsealed shoulders contribute to the factors that cause run off road crashes along this section of Rocks Road. The existing road seal width is insufficient for two cars to pass forcing vehicles to use the unsealed portion of the carriageway. These factors are amplified when road conditions are adverse e.g. rain or heavy fog. Additionally, there are sections where heavily vegetated areas are within the clear zone and also reduce visibility.	Apr-21	Jun-21	455,000	455,000
QLD	Ipswich City Council	Community Infrastructure	bicycle and walking path	Highridge Road Springfield - new path	Providing a disability compliant pedestrian connection along Highridge Road to the proposed Arborwood Avenue footpath.	Sep-20	Sep-20	237,600	216,000

QLD	Lockyer Valley Regional Council	Road	Maintenance	Asphalt Resheet Program	Severe cracking is evident at both locations reducing the sealing ability of the surface and accelerating pavement failures. Rutting is visible and accelerating on Railway Street, and expected to become problematic at Cochrane Street without this treatment.	Feb-21	Apr-21	360,079	360,079
QLD	Lockyer Valley Regional Council	Community Infrastructure	Painting/improvements to community facilities	Laidley Cultural Acoustic improvements	Echoing and feedback through the PA system, resulting in poor acoustics when using the facility and poor feedback from users.	Oct-20	May-21	117,000	117,000
QLD	Lockyer Valley Regional Council	Community Infrastructure	Bicycle and walking path	Murphy's Creek upgrades	Murphy's Creek has limited pedestrian connectivity resulting in locals (including school children) using road shoulders as walkways, increasing their interaction with vehicular traffic and heightening safety risks.	Aug-20	Oct-20	200,000	200,000
QLD	Lockyer Valley Regional Council	Mixed	Road - reconstruction, community infrastructure - off-road car park	Whites Road Entrance upgrades	Insufficient road width currently with no formalized parking, bus set down area or lighting to cater for night time events. These factors result in higher risk to patrons of the recreation reserve and poor public feedback.	Mar-21	Apr-21	250,000	250,000
QLD	Logan City Council	Community	Off-road car parks	The project includes the formalisation and upgrade of the access road and car park used by Logan hospital staff and the Waterford Rugby League Club (the Club). This project will complement the construction of a new clubhouse for the Club that is being delivered as a separate initiative funded by Council and Queensland State Government.	The existing gravel car park does not meet accessibility standard.	Feb-21	Jun-21	500,000	500,000
QLD	Logan City Council	Community	Painting/improvements to community facilities	Replacing the sports floor for 3 courts that are end of their useful life.	The sports floor is nearing the end of its useful life and a sudden failure will prevent the courts from being available for an extended period of time due to the long lead times for new floors.	Jan-21	Apr-21	837,130	837,130
QLD	Logan City Council	Community	Other: Sporting Facilities Upgrades	The project includes: - Rugby league/Touch football new clubhouse and change rooms - Rugby league/Touch football lighting upgrade for Field 1 - Rugby league/Touch football new lighting for Field 2 - Netball courts upgrade from grass courts to hard-courts	Jimboomba Park is a Metropolitan Sports Park located in the growth areas of Logan. The park is highly used and Council has been delivering facility improvements over the last 10 years to allow for greater use. Key problems being addressed include: - The existing rugby league and touch football clubhouse is at the end of its useful life and needs replacing to meet the current standards and club requirements - Field lighting at the end of its useful life that needs upgrade - Field requiring lighting to allow for greater use (nighttime training and competition) - Netball grass courts that are overused and need to be upgraded to hard-courts to increase use.	Feb-21	Jun-22	3,300,000	1,000,000
QLD	Logan City Council	Community	Painting/improvements to community facilities	Replacement of worn, non-compliant overhead rigging in the fly tower and front of house areas of the theatre. SA	Adelaide Hills Council	Community infrastructure	Toilet blocks	Increase facility capacity, including creating an integrated disability compliant toilet block	The current toilet facilities for hall users are located adjacent to the hall, as a separate shared public toilet block. There are safety concerns for users of the Hall (particularly children and the elderly) due to the limited visibility from the Hall to the toilets and also sloping and uneven ground. It is believed the location of the toilets, plus the limited capacity offered, inhibits use of this historic community asset and places children and elderly community members at risk due to its isolated positioning.  New toilets attached to the Hall will ensure safe accessibility to toilets for Hall users particularly for children, mobility impaired and during those Hall events occurring after dark.  The new toilets will also be accessible to the general public during events such as the Woodside markets, Christmas pageant and Tour Down Under. The Hall does not currently have general access suitable for PWD and the new structure will provide that access to both	Oct-20	Mar-21	200,000	200,000
SA	Adelaide Hills Council	Community infrastructure	Bicycle and walking paths	Works on Bikeway connection between Stirling and Crafers	Currently no marked bikeway exists between Stirling and Crafers, forcing cyclists to use a very steep road network and be amongst traffic.  These proposed works complete a connection between Stirling and Crafers, which has been identified by Bicycle SA and the Department of Planning, Transport and Infrastructure as one of the key gaps in cycle connectivity in SA.	Dec-20	Jan-21	125,000	125,000
SA	Adelaide Hills Council	Community infrastructure	Other - footpath, landscaping and irrigation	Mill Road Reserve - footpath, landscaping and irrigation system	A land recovery and township entrance statement improvement. Post natural disaster and current pandemic, the Lobethal township entrance is being revitalised.  This landscape project is considered a tangible benefit in delivering community benefit, improved road safety (erosion control), accessibility to interpretation (fire resistant plant species) and visual amenity (revegetation). SA	Adelaide Plains Council	Community	Other; Levee - Property Protection.	280 metres of upgraded levee on the eastern side of Middle Beach homes to ensure private and public infrastructure is protected in times of coastal inundation.	The settlement has experienced storm surge flooding in the past, resulting in significant inundation of the settlement causing damage to private and public infrastructure.	Jan-21	Feb-21	30,000	30,000
SA	Adelaide Plains Council	Community	Other; RV dump point	Installation of a new RV dump point within the Two Wells township will assist in promoting tourism, and correct disposal of RV waste.	There is currently no RV dump point within the Two Wells township, this causes illegal dumping of RV waste on roadways and public toilets creating unsanitary conditions.	Feb-21	Apr-21	5,000	5,000
SA	Adelaide Plains Council	Community	Toilet Blocks	Upgrade of the existing toilet block at Two Wells Oval. The upgrade works proposed are; demolition of existing toilets, installation of new concrete slab, underfloor plumbing, and toilet facility with increased number of toilets, and provisions for disability access.	The existing toilets are inadequate for current requirements (throughput and disability access) and are in a deteriorated condition. This will cater for the increase usage generated by the significant residential growth within Two Wells .	Feb-21	Apr-21	140,000	
SA	Alexandrina Council	Road Infrastructure	Reconstruction, Traffic Improvement, Landscaping	Main works involve the reconfiguration of Albyn Terrace and Dawson Street	The aim of the works is to slow traffic, encourage walking and promote social interaction.	Feb-21	Jun-21	720,920	685,920
SA	Anangu Pitjantjatjara Yankunytjatjara	Road	Street lighting equipment Other: Install new lights on existing poles which are more energy efficient lights and last longer, to identified communities across the APY Lands SA Replacement of light bulbs in street lights	Light installation in Ernabella, Amata, Kalka, Nyapari, Kanpi, Pipalyatjara and Kalka	Providing lights in communities, to ensure safer communities safer spaces and roads, for all residents. SA	The Berri Barmera Council	Community infrastructure	Bicycle and Walking Paths, Painting/Improvements to community facilities, Repairs/Replacement of fencing, Improved Accessibility of Community Facilities and Areas, Landscaping Improvements, Picnic Shelters or Barbeque Facilities at Community Parks, Playgrounds and Skateparks (including all ability playgrounds)	The revitalisation of Berri's Colin Jennings Apex Park (Apex Park) will incorporate improvements including an upgrade of the previous BMX track to a versatile pump track which can be used by bike riders, skateboarders and scooter riders of all abilities. Complimenting this will be an off-grid solar BBQ shelter and associated amenities so park users can spend extended time enjoying this space and the additional play equipment that will accompany it. Concrete connecting footpaths, that double as a junior scooter track meander through the native vegetation to connect the different zones of the park. Finalising the upgrades is new fencing for the current dog park, bringing the whole area together to deliver a unique and enjoyable public open space that provides positive health and wellbeing opportunities for the Berri and wider Riverland community.	The Berri township does not currently have a suitable community open space that provides adequate facilities for people to connect and enjoy together, while meeting the needs for families that are transport disadvantaged and unable to access other facilities within the district. Additionally, Berri has no free active public facilities for older age groups (pre-teens and teens) such as a skate park.  This project will provide a pump track (amongst other infrastructure) which caters for a variety of ages and wheeled users. This is a community facility that is not currently provided by any of the other Riverland Councils and will be a distinctive point of difference for the park.  The space currently has ad-hoc infrastructure including; a dog park, two small pieces of playground equipment, asphalt multi-use court and shaded gazebo. The existing layout lacks connectivity between the current facilities which reduces the appeal of the area. By teaming the pump track up with dedicated concrete connecting footpaths, that double as a junior scooter track, provides the safe connectivity required for the individual areas and is the perfect combination for families with children of varying ages.  To ensure that the new features of the park are fully maximised, complimentary facilities such as; a fully solar BBQ, solar lighting, seating and drinking fountain will be installed to enable visitors to extend their time and utilise all that the park has to offer leading to enhanced positive health and wellbeing for our residents and other users.. SA	City of Charles Sturt	Community	Bicycle and Walking Paths, Landscaping Improvements	Renewal of footpaths along NE side of Nicholls Tce (between Alma Terrace, Nicholls Terrace and Emily Street, Woodville, Renewal of footpaths along NE side of Nicholls Tce (between Alma Tce and Elizabeth St), SE side of Alma Tce (between Nicholls Tce and No. 100-104 Alma Tce) and SW side of Emily St (between Elizabeth St and Alma Tce). Extension of existing Shared Use Path along Alma Tce from Nicholls Tce corner to the pedestrian access to Albert Park train station. New landscaping and tree planting along Nicholls Tce and Alma Tce verges.	The suburb of Woodville West is undergoing significant urban renewal as a result of a State Government initiated project to renew an area with a high concentration of social housing into an area with a broad mix of housing types and new public spaces. While the new development is progressing well, Council has received a number of complaints from residents in the interface area with the new development about the quality and appearance of existing assets and the public realm and a desire for Council to invest in the upgrade of these assets to be more consistent and sympathetic to the evolving urban renewal area. This funding presents an opportunity for Council to bring forward some works already identified in our Asset Management Plans and Strategic Plans for delivery within the next 4yrs and action some of the concerns raised by the local community. The new system will provide for increased reliability as the condensing boilers will be far more reliable than the existing style of system. This is because the boiler heats non-pool water and the heat is then transferred to the pool water via a separate titanium plate heat exchanger. This removes a large portion of the corrosion from the boiler itself.	Apr-21	Jun-21	275,000	250,000

TAS	Dorset Council	Road	Reconstruction	Carisbrook Lane Legerwood between the Junction of Tasman Highway and McDougalls Road upgrades to cater for heavy vehicles	The current carriageway is narrow and uneven with areas of pavement failure which creates increasing safety and operator cost issues. The road is classified as 'Heavy Rural' and while it is a gazetted HML/HPV route it does not currently meet the required geometric standards. Carisbrook Lane is used extensively by B-Double and Hi Production Combinations as well as 9 axle Articulated Vehicles transporting close to 200,000T of products into and out of the region. It is also the local school bus route. The prohibitive costs of an upgrade and conflicting demands on resources has meant that short term annual maintenance fixes have been required to be utilized to ensure ongoing safety compliance. This project will enable investment into the much needed longer term solution of a reconstruction and ensure an increased standard of safety for both heavy vehicle operators and the local community. TAS	Waratah-Wynyard Council	Combination	Repairs/replacement of fencing, other - virtual fencing to mitigate the amount of browsing fauna roadkill	Installation of new virtual fencing to stop Tasmanian Devils (among other animals) crossing the road in the Rocky Cape National Park environmentally sensitive area. Virtual Fencing is an active electronic protection system that alerts animals before crossing the road when a vehicle is approaching between dusk to dawn. It is proven to be extremely effective in preventing wildlife-vehicle collisions in Australia and around the world. The device is triggered by vehicle headlights and emits a buzzing sound and flashing light to warn nearby wildlife of approaching vehicles. The devices are not visually intrusive and are currently used in Tasmanian National Parks such as Cradle Mountain.	Reducing the amount of wildlife killed on council roads is an action in council's recently adopted Integrated Community Environmental Plan and supports the Tas. Govt. Save the Devil Program. Local residents and council have identified an area (approx. 3kms) between Banksia Park and Lake Llewellyn as a hot spot for Devil Road kill.	Aug-20	Oct-20	29,000	29,000

SA	City of Holdfast Bay	Community infrastructure	Widening the beach	Somerton and Glenelg Beaches Installation of three new sand groynes to reduce sand loss, increase beach width, improve access at high tide to enhance recreation and tourism, and protect dunes and seawall infrastructure. This works is recommended by the Coastal Protection Board (SA)	Sand lost as a result of littoral drift depletes our beaches of sand and increases risk of damage to coast, dune and seawall. Small groynes are beneficial to maintain sand on our beaches to retail beach height. This provides benefit to beach users, supports local tourism and also assists in protecting the coast from major damage during storm events	Feb-21	May-21	250,000	180,000
SA	City of Holdfast Bay	Mixed	Drainage, bicycle and walking paths, improved accessibility	Harrow Road / Esplanade Somerton Park It is proposed to support the existing retaining wall by placing rock seawall in front of the retaining wall to match the adjoining seawall. This would then prevent the wall from failing. WE propose to extend the stormwater pipe to the edge of the new rock wall.	The retaining wall / stormwater headwall located between the beach and the Esplanade path and road has been identified as high risk of failure. This would result in loss of a section of the coast path and adjoining road, and potential safety issues for those on the coast path and on the beach.	Mar-21	May-21	265,000	250,000
VIC	Ararat Rural City Council	Road	Reconstruction, Rehabilitation	Replacement and upgrade of large elevated culvert crossing. To meet the needs of our rapidly growing community an Early Learning Centred was co-located at Warragul Primary School and the increased traffic has resulted in access and safety issues for parents and children, increased damage to existing unsealed road surface, access and amenity for local residents, and parking challenges. This project is supported by the Council Plan under the following initiatives: - Quality community focused services, facilities and infrastructure to support a growing community - Develop a coordinated approach to the planning and delivery of early years services to support Baw Baw's growing population - Parking provisions are also key to providing a safe and sustainable environment for our communities and residents	Jan-20	Apr-20	370,000	370,000
VIC	Baw Baw Shire Council	Road	Street lighting equipment	changeover existing inefficient old street lighting in Baw Baw Shire with the most energy efficiency LED Streetlighting available currently. The shovel ready program covers the replacement of 1,230 old and inefficient street lights which includes high-pressure sodium vapour and high wattage mercury vapour to the most energy-efficient LED lighting.	The changeover program will generate local employment, improve community safety, reduce impact on our environment and save money for our local community. Energy Efficient street LED lighting are up to 60 percent more energy efficient than traditional high pressure sodium bulbs or mercury vapour and can last 15 to 20 years. LED lights are free of all harsh chemicals and therefore minimise impact on our environment. LED lights are also 100% recyclable and can significantly reduce your carbon footprint. LED street lighting potentially make public transportation easier, as well as improving visibility on roads.	Sep-20	Jan-21	575,027	645,351
VIC	Baw Baw Shire Council	Community	Bicycle and Walking Paths	The project will develop an intertown connection for use for pedestrians and cyclists between Erica and Rawson that aligns with Baw Baw Shire's Paths and Trails Strategy. The project will include a granitic sand path approximately 4.7km in length from Henty Street, Erica to Pinnacle Drive, Rawson. The proposed route of this path begins at the intersection of Henty Street and School Road. From here the proposed path follows the East side of School Road/ Moe-Rawson Road, crossing Collins Road and Thomson Valley Road. The proposed route turns East at the intersection with Knotts Siding Road, and runs along the South side of Knotts Siding Road into Rawson via Tyers-Walhalla Road (West side).	The project will achieve the following solutions as identified in Council's Paths and Trails Strategy: - Meet demands for connectivity for pedestrians and cyclists to key public points of interest in the Shire. - Growing demands for new paths and trails to connect our smaller communities. - Providing additional leisure and recreation opportunities to our communities aimed to encourage the community to stay healthy and increase community connectedness and participation. - Offer an additional tourism experience for visitors to the region to benefit businesses in communities where tourism is a major contributor to economic output and job creation. VIC	Cardinia Shire Council	Community	Painting/Improvements to community facilities	Cameron Way: Construction of a boardwalk in and around the wetland area	The wetland area of the reserve currently has now easy way to access the area and there is no signage outlining the importance of wetlands to the environment	Feb-21	Jun-21	400,000	200,000
VIC	Cardinia Shire Council	Community	Improved Accessibility of Community Facilities and Areas	Worrell Recreation Reserve: Construction of new car park at Worrell Recreation Reserve	Provision of improved parking and traffic flow for a busy multi-purpose community center and local precinct	Nov-20	Dec-20	750,000	375,000
VIC	Cardinia Shire Council	Community	Toilet blocks	Kath Roberts Reserve: Construction of new paths for pedestrian and cyclist	Lack of connectivity with existing path network and this reserve, plus updating equipment to include all ability equipment	Feb-21	May-21	70,000	50,000
VIC	Casey City Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas, Other (Improved Access to Recreation Facilities through All-Weather Provision)	Berwick Bowling Club, Edwin Flack Reserve Berwick - roof structure and lighting	During wet weather the facilities are not able to be used and during non-daylight savings hours use is limited to daytime. This project will provide an all-weather bowling green enabling year-round participation in lawn bowls.	Feb-21	Jun-21	1,000,000	500,000
VIC	Casey City Council	Road	Resealing	Manks Road Clyde - resealing	The road re-sealing works are required to ensure a safer road asset, to improve congestion and provide for the adequate protection of the new shoulder works.	Oct-20	Jun-21	360,000	300,000
VIC	Casey City Council	Mixed	Bridge works, Bicycle and Walking Paths	Sawtells Inlet, Tooradin - pedestrian bridge replacement	The existing pedestrian bridge is in poor condition and in need of replacement. The bridge was closed to the public in 2017 due to safety concerns resulting from decay of the timber structure. The project is a high priority for the region to connect local residents and tourist visitors to landmarks within the Tooradin township.	Feb-21	May-21	750,000	750,000
VIC	Central Goldfields Shire Council	Community Infrastructure	Landscaping Improvements	Central Goldfields Shire (various locations) – shade structures, tree planting and fencing	To provide shade and improve landscape areas which addresses issues to the buildings that were identified in the Community Plans.	Nov-20	Jun-21	215,000	215,000
VIC	Central Goldfields Shire Council	Community Infrastructure	Painting/Improvements to community facilities	Central Goldfields Shire (various locations) - town hall building improvement works	Improvements to the Town Halls which addresses issues to the buildings that were identified in the Community Plans. VIC	Colac Otway Shire Council	Road	Rehabilitation	Road repairs at main entry and emergency entry and nearby roundabout at Colac Hospital	The roundabout and section of Connor Street are heavily used for everyday access to Colac Hospital, Bulla Factory, and various medical centres. Repair of this road will improve the safety of the road surface for users, especially ambulances and other medical vehicles entering the hospital and people visiting the various medical services in this area. The asphalt works will also assist in reducing traffic noise for aged care residents and patients who are situated in hospital wards and wings adjacent to this roadway. Undertaking rehabilitation works now will avoid the need for full road reconstruction when the road fails. If a full reconstruction were required it would cause substantial disruption in the area and interrupt hospital	Oct-20	Dec-20	200,000	200,000
VIC	Colac Otway Shire Council	Community Infrastructure	Painting/improvement to community facilities	Resurfacing two tennis courts and one netball court	The condition of the existing asphalt surface of these courts has reached a point where it is no longer safe to play. There are cracks with weeds and during rainfall, water pools on the surface causing slipperiness and poses a risk to the users. The courts are used by the Apollo Bay Netball club, casual and social tennis players from the townships of Apollo Bay, Skenes Creek and Marengo and visitors to the adjacent camping ground.	Aug-20	Jan-21	40,000	40,000
VIC	Colac Otway Shire Council	Community Infrastructure	Bicycle and walking path	Construct footpath in Birregurra (and associated crossing treatments)	There are currently no all weather connections or dedicated pedestrian crossing points to the train station. This station provides a connection to the major centres of Geelong (45 mins journey) and Colac (30mins journey), and is used as a sustainable transport connection to jobs and services.	Nov-20	Mar-21	195,000	195,000
VIC	Colac Otway Shire Council	Community Infrastructure	Bicycle and walking path	Construction of concrete footpaths in multiple locations	Many key connections that link schools, shopping precincts, tourist destinations, community facilities, open space and off road shared paths do not have existing hard surface, accessible paths on either side of the road. This limits access to recreational and community destinations for many residents and visitors, particularly for the elderly and mobility impaired and in high rainfall areas such as Gellibrand, Lavers Hill and Apollo Bay.	Sep-20	Mar-21	318,000	318,000
VIC	Colac Otway Shire Council	Road	Sealing	Sealing of 700m of road	The main benefit this project will deliver is improved safety by providing all weather access constructed to a higher standard, for adjoining property owners and other road users in general. It will provide an attractive alternative access route for residents in the Swan Marsh community. It will provide a viable option for heavy vehicle access (milk tankers, stock trucks, quarry vehicles) into and out of the Swan Marsh district. It will provide an attractive alternative access point for emergency responders (Fire Safety Victoria, etc.), both into and away from the Swan Marsh district. Safety at night or in foggy circumstances will be greatly improved through road side delineation, the advantage of a sealed surface, and through the addition of solid edge lines. Routine maintenance of the unsealed surface (maintenance grading) will be substantially reduced – shoulders will still require periodic maintenance.	Feb-21	Mar-21	285,000	285,000

VIC	Colac Otway Shire Council	Community Infrastructure	Playgrounds and skateparks	Construction of new play space	Residents of the Petjull Street park catchment do not currently have access to a playground within walking (500m) distance, with the nearest playground being more than a kilometre away. The park is currently undeveloped with some trees and park benches. This development will create a social destination for the many children, families and carers in the area, activities for a range of age groups and access to these facilities with the creation of a hard surface path connecting to the existing footpaths.	Mar-21	May-21	100,000	100,000
VIC	Colac Otway Shire Council	Community Infrastructure	Bicycle and walking path	Construction of pedestrian and cycling bridge and paths	In 2016 a pedestrian bridge that forms part of the Barongarook Creek Shared Trail was washed away by flood waters. The bridge connection forms a critical off-road link for users of the Barongarook Creek shared trail and, once completed, will provide a continuous, 1.3 kilometre off-road walking and cycling connection from the Coles on Bromfield Street and the Visitor Information Centre on the corner of Murray and Queen Streets, via picnic/toilet facilities and a recently constructed Traditional Owner memorial space to Lake Colac. If the bridge is not replaced, pedestrians, wheelchair users and cyclists are diverted 360 metres via a car park, up to busy Murray Street (Princes Highway) and must cross at traffic lights and journey along Murray Street to arrive at the continuation of the shared	Mar-21	May-21	390,000	390,000
VIC	Colac Otway Shire Council	Road	Traffic improvement	Installation of speed humps outside school	Speeding vehicles currently pose a safety risk to children accessing the Specialist School in Wilson Street, Colac. Students aged 5-18 with special needs and their carers currently use the crossing daily during school term. Cars and heavy vehicles use this local road as a short-cut between the C155 (Colac-Lavers Hill Road) and Queen Street (north south collector road). The installation of speed humps either side of the crossing aims to slow vehicles and deter heavy vehicles, generally improving	Oct-20	Oct-20	20,000	20,000
VIC	Colac Otway Shire Council	Road	Drainage	Construction of new kerb and channel, and associated drainage	In 2019 Colac Otway Shire adopted a masterplan for Forrest Common Reserve, the main community park servicing the Forrest township. The plan identified that road run-off from Station Street was causing damage to the reserve, particularly the playground and car park. High volumes of stormwater sheet across the reserve carrying debris and spreading playground softfall into the car park, creating slippery surface	Feb-21	Apr-21	155,000	155,000
VIC	Corangamite Shire Council	Road	Sealing	This project will seal the truck and long vehicle parking area located opposite the Skipton Roadhouse service station on the Glenelg Highway.	Upgrading an unsealed truck parking area to a sealed parking area will improve the conditions for heavy vehicle drivers exiting the parking area and safety for users of the adjoining highway as well as reduce dust for nearby business and residents.	Feb-21	May-21	80,000	80,000
VIC	Corangamite Shire Council	Community	Toilet Blocks	To replace the existing Estcourt Street public toilet block.	The Estcourt Street public toilet block is in poor condition. It services the main central business area of Terang and has been identified by Council through its asset management plan for removal and replacement. Providing improved public toilets will ensure appropriate amenity for users and equity of access for users.	Aug-20	May-21	175,000	175,000
VIC	Corangamite Shire Council	Community	Improved Accessibility to Community Facilities and Areas	This project will provide all abilities access to the War Memorial in Camperdown and streetscape infrastructure upgrades in Finlay Avenue between Pike Street and the War Memorial.	Camperdown's War Memorial does not currently enable all abilities access. For ANZAC Day celebrations, Councils' building team erect a temporary ramp to provide access for those unable to use the existing steps. Renewal of existing infrastructure will also be undertaken.	Oct-21	May-21	200,000	200,000
VIC	Corangamite Shire Council	Community	Other: Streetscape access and beautification works	This project will provide upgrades to infrastructure in Cobden's main streets which have been identified as a priority by the Cobden community.	Cobden's streetscape requires a refresh. The various works will help to improve the aesthetic of the main street in Cobden whilst addressing safety and access issues identified by the community.	Feb-21	Jun-21	300,000	300,000
VIC	Corangamite Shire Council	Road	Sealing	This project will seal Windham Street which provides access from and to the Skipton Roadhouse service station and is used by heavy vehicles to access the key routes north of Skipton.	Upgrading an unsealed road to a sealed road to improve access to heavy and other vehicles. Windham Street is partly sealed (50m). This will extend the seal along the entire road.	Feb-21	May-21	50,000	50,000
VIC	Corangamite Shire Council	Community	Painting/Improvements to Community Facilities and Areas	This project will include the replacement of the roof over the two court basketball stadium and minor facility upgrades.	The existing roof is over 20 years old and at the end of its useful life. It is leaking during certain rain and wind events and presents safety risk to participants using the courts, so much so that competition was postponed last season. This project will ensure the safety for players, officials and spectators and have been identified several years ago as a priority by the Committee of Management.	Aug-20	May-21	120,000	120,000
VIC	Corangamite Shire Council	Community	Playgrounds and Skateparks	This project will involve the construction of a skatepark in Skipton.	The Skipton community have identified a Skatepark as a key priority in its community plan and as a key project highlighted by a petition signed by more than a hundred young people from around Skipton and district. The skate park will provide an important year-round recreational opportunity for young people.	Jul-20	Jun-21	160,000	120,000
VIC	Corangamite Shire Council	Community	Toilet Blocks	To replace the existing Derrinallum public toilet block.	The Derrinallum public toilet block is in fair condition and has been identified by the community through its community plan as requiring either replacement or an upgrade to provide contemporary facilities for visitors and users. Derrinallum is located on the Hamilton Highway and these toilet blocks are heavily used by travellers. Providing improved public toilets will ensure an inviting amenity and encourage people to stop in the town.	Oct-20	Jun-21	175,000	175,000

Information below as at 14 October 2020.

Construction on projects can extend beyond June 2021 if approved by the Department in exceptional circumstances or where LRCI funding is less than 50% of total project cost.

State	Council/Eligible Funding Recipient	Project Category	Project Sub-Category	Description of project and works proposed	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Corangamite Shire Council	Community	Improved Accessibility to Community Facilities and Areas	This project will see an upgrade to the existing netball infrastructure, including court lighting, shelters and inclusive design changerooms for players, officials and spectators.	The upgrades have been identified as a priority to improve the safety for participants, increase the chances of clubs attracting and retaining participants and to increase access and usage. These works are identified as a priority in the Great South Coast AFL, Netball and Cricket Strategy and are supported by the Recreation Reserve Committee of Management, Cobden Football Netball Club and Cobden Tennis Club.  In addition, there is a demand for female facilities at the Cobden Recreation Reserve with the establishment of an under 18's female football team. If funding can be secured through this program, it is expected that there will be an increase in the number of females participating at the reserve.  Currently, there are three under 18 female football teams across the Corangamite Shire. The upgrade allows Cobden Recreation Reserve to become a venue for further female teams including the development of female senior sides.	Feb-21	Jun-22	600,000	300,000
VIC	Corangamite Shire Council	Community	Bicycle and Walking Paths	This project will replace bridge structures on the Camperdown Timboon Rail Trail which have been identified as requiring replacement in the recent Management Plan.	The upgrades will improve the safety of all users of the trail.	Oct-20	Jun-21	100,000	50,000
VIC	Corangamite Shire Council	Community	Playgrounds and Skateparks	This project will provide fixed fitness equipment at the existing playground.	This project has been identified as a priority by the Derrinalum Progress Group to provide access to fitness and exercise equipment and encourage a healthy lifestyle as well as boost local economy by incentivising visitors and users to the area.	Aug-20	Dec-20	25,000	20,000
VIC	Corangamite Shire Council	Community	Improved Accessibility to Community Facilities and Areas	This project will provide all abilities access to the Camperdown Court House which the local visitor information centre operates within.	The Camperdown Courthouse is leased by a volunteer community group who provides visitor information services, local art displays and various events and functions. The Court House does not currently provide permanent all abilities access. For those people requiring access a portable ramp is provided on request at a door to the rear of the building to provide access.	Oct-20	Jun-21	125,000	125,000
VIC	Corangamite Shire Council	Community	Bicycle and Walking Paths	This project will renew the boardwalk infrastructure on the pedestrian link from Hennessy Street to Morris Street behind the Port Campbell Public Purpose Reserve. VIC	Corangamite Shire Council	Community	Other: Project Mangement Resource	Project Management resources to deliver on funded projects will include 1 temporary full time staff member and a part time or contracted resources as available and where required.	Project management resources delivers on the LRCI program's key outcome to 'protect and create short term employment opportunities through funded projects'. With the extent of stimulus funding initiated from local, state and federal government AND the eligible projects being additional to Council's 20-21 work plan, additional resources are required to assist with project management and delivery.	Jul-21	Jun-21	165,555	165,555
VIC	Corangamite Shire Council	Community	Painting/Improvements to Community Facilities and Areas	This project will see an upgrade to the existing oval to provide improved safety and ground condition for players.	The current cricket ground has issues with drainage and surface cover. This project will see the drainage improved and better surface cover provided.	Sep-20	Dec-20	15,000	15,000
VIC	Corangamite Shire Council	Community	Improved Accessibility to Community Facilities and Areas	This project will see an upgrade to the existing clubrooms to provide an inclusive design and provide improved functionality for users.	The current facilities are ageing and require ongoing and increasing maintenance. The layout is not functional and there are issues with accessibility for both participants that are ageing and those with a disability.	Nov-20	May-21	400,000	300,000

VIC	Manningham City Council	Community	Bicycle and Walking Paths, Improved Accessibility of Community Facilities and Areas, Landscaping Improvements	Ruffey Lake Park is a Council reserve, 66 hectares in area. The proposed works include the sealing of paths between the boardwalk at the main carpark, The Boulevard public toilets and picnic shelters. Marking of a new DDA parking bay in The Boulevard off road carpark. Installation of solar powered lights along this path to the toilets. Construction of footpath connections, in several cases to residential park interfaces including Victoria Street and King Street, including associated landscaping and works.	Council is in the process of completing improvements to The Boulevard public toilet block, to in part achieve DDA compliance. Council commissioned a Building DDA Inspection report for the public toilets and the recommendations included sealing of existing gravel paths to access the toilets, lighting improvements and the provision of an additional DDA compliant parking bay in closer proximity to the toilets. The previous Council project scope was limited to the public toilet improvements. This project also seeks to improve access to Ruffey Lake Park, by providing further pedestrian linkages to abutting streets.	Apr-21	May-21	141,402	141,402
VIC	Manningham City Council	Community	Bicycle and Walking Paths, Off-road Car Parks, Other: Drainage	Sealing of existing granitic sand carpark with asphalt, construction of kerb and channel and a footpath along the northern boundary, construction of a footpath connection to George Street and linemarking of the carpark including the marking of pedestrian islands between George Street and the proposed northern footpath.	There is no safe, defined pedestrian access path through the carpark to the Athletics Track or for pedestrian visitors entering the site from George Street. The maintenance demand associated with the existing granitic sand carpark pavement is excessive. Under traffic the ride quality of the granitic sand is poor particularly after rain, when large numbers of potholes develop.	Feb-21	Mar-21	395,000	395,000
VIC	Mansfield Shire Council	Road	Sheeting	Gravel resheeting of various council roads	The problem addressed is improvement on existing poor road conditions. Greater than half of the Federal program is allocated to work on Fire Access Roads which are close to the end of their life. The balance of the Federal grant is allocated to higher priority Access and Collector Roads.	Dec-20	May-21	1,449,000	591,593
VIC	City of Melbourne	Road	Other: Full reconstruction of asphalt footpath in accordance with CBD specifications, General footpath renewal	Punt Road full reconstruction of 100mm thick asphalt footpath. VIC	City of Monash	Road	Traffic improvement	To reduce traffic speed and maintain on-street parking along Mackie Road, road cushions are considered appropriate traffic management devices.	Mackie Road has an average daily volume of about 4,600 vehicles and an 85th percentile speed of 56km/h. The complaints about speeding issues are becoming more frequent. The proposed road cushions will encourage motorists to drive slowly.	Jan-21	Feb-21	66,000	66,000
VIC	City of Monash	Road	Traffic improvement	A 'Flat-top' style road hump is to be constructed in Palmerston Grove near Chapman Street to address the concerns of traffic speeding through the residential area north of the Atkinson Street car park in Oakleigh.	The proposed flat topped road hump will encourage motorists to drive slowly when entering the residential area and will also deter motorists from entering the residential area searching for a parking space.	Oct-20	Jan-21	60,000	60,000
VIC	City of Monash	Road	Bicycle and walking path	To improve pedestrian and cyclist safety along Park Road in Oakleigh at Scotchmans Creek Trail shared path and to encourage more people to the Oakleigh Recreation Centre, the construction of pedestrian and cyclist priority crossings is proposed.	There is a high pedestrian and cyclist volume along Park Road generated by the Scotchmans Creek Trail and Oakleigh Recreation Centre and it is proposed to highlight and enforce priority for pedestrians and cyclists at suitable locations. These will also improve accessibility in and around these community facilities.	Feb-21	Jun-21	100,000	100,000
VIC	City of Monash	Community Infrastructure	Bicycle and walking path	The renewal and upgrade to current standard width (3m) of the popular Gardiners Creek Trail shared path. High standard shared path connections provides safety and amenity improvements for both pedestrians and cyclists.	The current narrow path width (2.0-2.5m) is creating conflicts between pedestrians and cyclists, with complaints of crashes and near misses becoming more frequent. This affects the community's perceptions of safety when using on the path.	Feb-21	May-21	550,000	550,000
VIC	City of Monash	Road	Traffic improvement	Improve road safety in the local area, a 'Flat-top' road hump is to be installed to slow the speed of traffic down.	There is a length (250m) of road along Lawrence Road between the road hump outside 261 Lawrence Road and the raised T-intersection at Taroona Avenue, which does not have any physical treatment to slow down the traffic	May-21	Jun-21	30,000	30,000

VIC	Mornington Peninsula Shire Council	Community Infrastructure	Bicycle and Walking Paths	Delivery of a pedestrian footpath and a pedestrian refuge at the intersection of Park Lane/Frankston-Flinders Road	This path has been identified as a missing link on the Principal Pedestrian Network in Somerville. A pedestrian refuge at this location as it is a thoroughfare from 3 schools in the area and is heavily used by school children. The crossing facility is required to safely walk to the residential areas on either side of Frankston-Flinders Rd.	Feb-21	May-21	99,639	99,639
VIC	Mount Alexander Shire Council	Road	Traffic Improvement	Barker Street, Castlemaine, Pedestrian crossing treatment to be determined by Regional Roads Victoria. More details can be provided by mid-August if required.	Barker Street (the Midland Hwy), is a 4 lane hwy that runs through the centre of Castlemaine. There is a 1.8km stretch that links from the town entrance to the CBD. There are no pedestrian crossing points along this section of highway. This section is used by students accessing the only high school in the region, Castlemaine North Primary School (the primary school with the highest enrolments in the Shire), Windarrang - an organisation that provides a day care service for adults with a disability, along with connections to Castlemaine Botanical Gardens - the Shire's most used public space for informal recreation.  The lack of pedestrian crossing creates a huge risk for residents and is a barrier to those with mobility issues.	Feb-21	May-21	500,000	500,000
VIC	Mount Alexander Shire Council	Community	Bicycle and Walking Paths	Castlemaine Botanical Gardens Flora and Fauna Reserve, Repair to deteriorated path network sections within the Castlemaine Botanical Gardens Flora and Fauna Reserve - an important environmental area of the gardens which is of national significance due to the population of the endangered Etham Copper Butterfly as well as numerous other local ecological features and examples of our Indigenous heritage.	The path rehabilitation works will improve accessibility to the Flora and Fauna Reserve. This network of paths is essential to providing visitors with opportunities to learn and engage with our Indigenous history as well as discouraging visitors from venturing into and disturbing the habitat of the Etham Copper Butterfly. The path network is used regularly by residents and visitors undertaken informal recreation pursuits such as walking and running. The current state of the path network acts as barrier to access for all of the above listed activities.	Mar-21	Apr-21	50,000	50,000
VIC	Mount Alexander Shire Council	Road	Other: Electric Vehicle Charge Point	High Street, Harcourt Installation of electric vehicle charge point to be delivered in partnership with Central Victorian Greenhouse Alliance (CVGA) and Dept of Environment Land Water and Planning (DELWP) who are delivering a regional project rolling out EV charge points across the region.	There is currently only one other electric vehicle charge point in the shire. The existing point is located in Newstead and is several years old, which means that it takes a long time for vehicles to charge.  The charge point will be located on Crown land managed by Council.  The new vehicle charge point will be located in Harcourt. A township that is identified as a small town with capacity for growth. It is located just off the Calder Hwy, making it an easy exit point for people travelling between Bendigo and Melbourne.  With the prevalence of electric vehicles increasing, it is important for the shire to provide the infrastructure necessary to promote this sustainable choice of travel. Construction on projects can extend beyond June 2021 if approved by the Department in exceptional circumstances or where LRCI funding is less than 50% of total project cost.

State	Council/Eligible Funding Recipient	Project Category	Project Sub-Category	Description of project and works proposed	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	South Gippsland Shire Council	Community Infrastructure	Other - Sporting facility improvements	Redevelopment of Poowong Recreation Reserve	Current courts are in poor condition and non-compliant for netball in terms of run-off requirements and lighting.	Nov-20	May-21	550,000	325,000
VIC	South Gippsland Shire Council	Road	Reconstruction, rehabilitation, drainage	Road rehabilitation bundle	Bena Kongwak Road, Bena - width varies from 5.8 to 6.0 metres. This section of road has no road shoulders, with drop offs into deep table drains that pose as a safety hazard for motorists.  Ferrier Street, Korumburra - assets including footpaths, kerb & channel and road pavement have reached the end of their usable lives based on condition surveys and need to be upgraded.  Old Waratah Road, Fish Creek - the kerb and channel and road surface are in poor condition and this section of road has complaints of excessive speed along the road from local residents, hence the decision to include slow points to reduce traffic speeds.	Nov-20	Mar-21	550,000	550,000
VIC	South Gippsland Shire Council	Community Infrastructure	Off-road car park	Upper Commercial Street Car Park	Insufficient long term parking supply close to the commercial area including increased demand for parking that will be created by the construction of the new Korumburra Hub building. The carpark will also service users of the proposed new rail trail from Leongatha to Nyora which will pass through this rail station precinct.	Feb-21	Jun-21	450,000	700,000
VIC	Southern Grampians Shire Council	Community Infrastructure	Landscaping Improvements	Landscaping, Hamilton Gateways - Coleraine Road - Market Place to Glenelg Hwy	Coleraine Road has been identified in the Hamilton Structure Plan as a priority for landscaping due to the substantial regional traffic on this town entrance.  The project has been supported through Council Briefings and is consistent with strategic objectives to enhance Hamilton's gateway entrances which improve the "sense of arrival" to the town and deliver intergenerational outcomes for a relative low cost.	Sep-20	Mar-21	125,000	125,000
VIC	Southern Grampians Shire Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas	Fabricate and Install lift, Hamilton Gallery	Improve accessibility of community facilities. Currently only access via stairs.	Feb-21	May-21	200,000	200,000
VIC	Southern Grampians Shire Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas Picnic Shelters or Barbecue Facilities at Community Parks	Dunkeld Visitor Hub - Car parking and drainage, landscaping for the Grampians Peaks Trail head. State	Council/Eligible Funding Recipient	Project Category	Project Sub-Category	Description of project and works proposed	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Surf Coast Shire	Community Infrastructure	Painting/Improvements to community facilities Other - fitness equipment	Works to include the provision of a multi fitness combination unit, Deans Marsh Reserve - Pennyroyal Valley Rd, Deans Marsh	Deans Marsh Reserve is the hub of community activity with an oval, playground, skate park, tennis courts and buildings providing a range of programs and services. There are several basic pieces of fitness equipment however they don't meet all the needs of the community. This project will provide a key multi fitness combination unit identified by the community as perfect to help them to be more active, more often.	Oct-20	Dec-20	18,000	18,000
VIC	Surf Coast Shire	Road	Reconstruction Rehabilitation Widening Sealing	The works include rehabilitation, widening and sealing of a road in Winchelsea, Mousley Road between Princess Highway and Alsop Drive in Winchelsea	To provide improved access for commercial vehicles to small businesses	Jan-21	Apr-21	450,000	350,000
VIC	Surf Coast Shire	Community Infrastructure	Playgrounds and Skateparks (including all ability playgrounds)	The project includes the development of a BMX Track / Bike Park within Ocean Acres Reserve	Council officers are attending to unauthorised bike trail building in the bushland adjacent to the Ocean Acres Reserve and at other locations in Torquay. This proposal presents an opportunity to engage interested members of the community in the planning, design and ongoing maintenance of a bike park facility in an appropriate open space area. The large area of open space that is the 'drainage basin' holds water in some areas rather than the water draining to where it was intended (into the drainage outlet within the basin) and as a result the space is wet and boggy for close to 6 months of the year.	Feb-21	Apr-21	80,000	80,000
VIC	Surf Coast Shire	Community Infrastructure	Painting/Improvements to community facilities	Construct a concrete pathway and seating area that runs between the north and south courts, 1A Geelong Rd, Torquay - Spring Creek Reserve	This project will address issues with the area becoming boggy to walk on and will prevent gravel and mud being transferred onto the playing surface. The project will improve accessibility and safety, and increase the longevity of the court surfaces.	Sep-20	Feb-21	31,000	21,000
VIC	Surf Coast Shire	Community Infrastructure	Improved Accessibility of Community Facilities and Areas Landscaping Improvements Picnic Shelters or Barbeque Facilities at Community Parks	Provides a redeveloped outdoor social facility for Winchelsea residents, Barwon River Reserve, 4 Barwon Terrace, Winchelsea	The current Mud Brick Hut is in need of renewing and the gathering spaces are disconnected from the adjacent play space and only accessed from the road via stairs. There is limited space for large gatherings and visibility from the shelter to the play space is impeded. Shade and protection from the elements is also needed. The design aims to create a flexible space for multiple uses and events, to build a greater visual connection to the play space and river below and to provide DDA compliant access and inclusion.	Feb-21	May-21	135,000	50,000
VIC	Surf Coast Shire	Community Infrastructure	Painting/Improvements to community facilities Improved Accessibility of Community Facilities and Areas Landscaping Improvements	Stage 2 works to include external accessible unisex toilet, fitness elements, safety fencing, wind screening, storage container and feature planting, Wurdale	Accessibility to toilet facilities, community safety, wellbeing opportunities and landscape amenity improvement. The site is rural and has not been upgraded for many years	Dec-20	Jun-21	50,000	50,000

The existing footpath network does not provide the necessary connections to facilitate off road community recreation and exercise opportunities for the community.	Nov-20	Jun-21	225,000	225,000

## Local Roads and Community Infrastructure Program - Projects Approved - Details

Information below as at 14 October 2020.

Construction on projects can extend beyond June 2021 if approved by the Department in exceptional circumstances or where LRCI funding is less than 50% of total project cost.

State	Council/Eligible Funding Recipient	Project Category	Project Sub-Category	Description of project and works proposed	Problem being addressed	Date construction commence	Date construction completed	Total project cost	LRCI Program Funding Required
VIC	Towong Shire Council	Community Infrastructure	Improved Accessibility of Community Facilities and Areas Landscaping Improvements Picnic Shelters or Barbeque Facilities at Community Parks	The creation of a wayside stop including furniture and shelter, Murray River Road between Bellbridge and Granya.	Bushfires and Covid-19 have significantly reduced tourism visitation in Towong Shire. The construction of these features along the Murray River Road will see regular wayside stops at features of interest all the way along the 'Great River Road'. Using previous funding wayside stops were created at the Upper Murray end of the shire and this is now an opportunity to finish the remaining sites to tie in with a large promotional campaign for the route to attract tourists back into the area	Jan-21	Jun-21	160,000	160,000
VIC	Towong Shire Council	Road	Reconstruction Widening Drainage	Widening of Towong Street East, installation of kerb and stormwater pipes, Towong Street East, Tallangatta	Towong Street East is the primary entrance into Tallangatta from the East. The street is lined with houses and has a large open stormwater drain on the Southern side. The northern side of the road has kerb. This provides a poor first impression of the town and makes this side of the street inaccessible to pedestrians. There is also limited on street residential parking, and requires improvement.	Jan-21	Jun-21	481,232	481,232
VIC	Towong Shire Council	Road	Other - The installation of a roadside heavy vehicle weighbridge for Corryong	Installation of a heavy vehicle compliant weighbridge to service the Corryong community	Corryong area generates a significant amount of heavy vehicle traffic that is loaded locally including a saw mill, concrete batching plant and stock trucks. These trucks have no way of knowing if they have exceeded their weight limits until they drive to the Logic Centre at Barnawartha which is over 100km away. There is a history of truck rollovers on the Murray Valley Highway between Corryong and Wodonga enroute to Barnawartha.	Jan-21	Jun-21	300,000	300,000
VIC	Wellington Shire Council	Community Infrastructure	Painting/improvement to community facilities	Maffra Memorial Swimming Pool works	This will deliver more efficient pool water heating and dramatically reduce maintenance replacement costs over the extended operating life of the higher efficiency heating system.	Oct-20	May-21	200,000	200,000
VIC	Wellington Shire Council	Community Infrastructure	Painting/improvements to community facilities	Installation of swimming pool blankets at two of Wellington Shire Council's regional outdoor (seasonal) swimming pools	Installation of pool blankets will provide multiple benefits. Blankets reduce overnight heat loss and improve bather comfort and appeal. By maintaining water temperature, the pools become more enjoyable to a wider age and range of potential users. Improved stability of water temperature also assists programming – of swim lessons, exercise program and more. Blankets reduce evaporation and water loss when the pools are not in use. Blankets reduce solar degradation of swimming pool water treatment chemicals, thereby reducing the amount of chemical required as well as reducing the volume of chemical that must be transported and stored.	Sep-20	Dec-20	90,000	90,000
VIC	Wellington Shire Council	Community Infrastructure	Painting/improvements to community facilities	This will replace 8 domestic water heaters with two (2) gas fired industrial grade water heating units at Aqua Energy Leisure Centre.	Industrial grade water heaters are required to ensure the consistent and reliable provision of heating for swimming pool water and air. Improved efficiency design will reduce operating and maintenance costs, improve pool heating efficiencies and is part of a planned, cyclic pool heater replacement program.	Oct-20	Feb-21	60,000	60,000
VIC	Wellington Shire Council	Community Infrastructure	Other: Sports lighting	Installation of LED oval lighting at Boisdale Recreation Reserve	The lighting upgrade allows increased usage hours for the oval which will directly contribute to the provision of training and competition for women's football on the ground.	Aug-20	Dec-20	95,000	80,000
VIC	Wellington Shire Council	Community Infrastructure	Landscaping improvements, playgrounds and skateparks	Renewal of existing play features within the camping ground to bring them up to standard, and enhance the play to incorporate nature-based play, Quarry Reserve – BRIAGOLONG	Current equipment does not meet the Australian Standards (AS 4865)	Oct-20	Jun-21	60,000	60,000
VIC	Wellington Shire Council	Community Infrastructure	Bicycle and walking path, landscaping improvements	Expansion of the path network within Flooding Creek (Saleyards) Reserve	Flooding Creek Masterplan, completed in 2003, identified the opportunity to create an off road linear linking shared path, connecting new residential developments in the north west of Sale, through to the Port of Sale Cultural Hub, Sale Central Business District and Lake Guthridge-Guyatt Parklands. Stage 1 of the Masterplan saw the creation of Flooding Creek (Saleyards) Reserve. This revegetated area is a popular passive recreation space for the community. The expansion of the path network in Saleyard Reserve will provide for greater opportunity for informal recreation and relaxation, while also creating an off road connection to the new shared path along the disused Back Maffra Road. The Back Maffra Road section of the shared path will create a link along Flooding Creek to connect into Ross Street Reserve and the existing shared path network along Cunninghame Street.	Feb-21	Jun-21	270,000	200,000
VIC	Wellington Shire Council	Road	General maintenance, sheeting/resheeting	Asphalting of entry road from Gordon Street, Heyfield	Maintenance	Mar-21	Jun-21	50,000	50,000
VIC	Wellington Shire Council	Road	Traffic improvement	Heyfield War Memorial Hall streetscape	Vehicle and pedestrian safety	Feb-21	Jun-21	200,000	200,000
VIC	Wellington Shire Council	Community Infrastructure	Landscaping improvements, bicycle and walking path	Development of path network around Dolomite Wetlands	The Dolomite Wetlands is a degraded site and is accessed by unauthorised vehicles. WA	Shire of Carnamah	Community Infrastructure	Painting/improvements to community facilities	Carnamah Recreation Centre The recreation centre was built in the early 1980s and has served the community well, however due to its age is in desperate need of major repairs / improvements.	The parquet flooring in the stadium includes a small section with sustained water damage along with several spots with chips or indentations. The parquet floor area in the function room has sustained water damage. The floors will be sanded back, damaged sections repaired, new lines marked where required and resealed with MVP waterborne polyurethane timber sports seal. Carpeted area in the function room has also suffered from water damage and needs to be replaced. Remedial work will be undertaken to prevent water ingress	Feb-21	Apr-21	56,000	56,000
WA	Shire of Carnamah	Community Infrastructure	Painting/improvements to community facilities	Carnamah Recreation Centre - roof and exterior The recreation centre was built in the early 1980s and has served the community well, however due to its age is in desperate need of major repairs / improvements.	Due to the age of the roof the sheets and gutters are showing signs of rusting and will eventually lead to further water damage to the facility. The exterior of the building needs repainting.	Feb-21	Apr-21	149,783	149,783
WA	Shire of Carnamah	Community Infrastructure	Painting/improvements to community facilities	Carnamah Town Hall The hall flooring is comprised of the original tongue and groove wandoo boards and has now been sanded down so many times that the edges of the boards are splintering. It's proposed to lay 14mm select grade Jarrah boards over the top of the existing wandoo boards.	The hall is used regularly for children's dancing and gymnastic classes and these activities have to be restricted to a certain section of the hall to prevent participants getting splinters	Jan-21	Feb-21	84,636	84,636
WA	Shire of Chittering	Community Infrastructure	Bicycle and Walking Paths, Improved Accessibility of Community Facilities and Areas, Landscaping Improvements	Brockman Centre Chittering - paths and landscaping	The existing paths that allow pedestrian access between the buildings and displays consist of round gravel stones. This is a trip hazard especially for the aged and infirm. The new paths will provide safe access.	Oct-20	Mar-21	73,775	73,775
WA	Shire of Chittering	Road	Reconstruction	Davis Road - reconstruction of floodway across the Brockman River	Current floodway has come to the end of its life. Pavement has failed.	Jan-21	Apr-21	161,121	161,121
WA	Shire of Chittering	Community Infrastructure	Other (solid shade structure)	John Glenn Park Muchea - shade structure	Shade sales have a tendency to get damaged in strong winds, and a solid roof structure will be a considerable cost saving over the lifetime of the structure. WA	Shire of Chittering	Community Infrastructure	Bicycle and Walking Paths, Improved Accessibility of Community Facilities and Areas, Landscaping Improvements	Needoonga Lake Bindoon - viewing platform and paths	The Bindoon Townsite which includes the Bakery and Locovore store is very busy and popular with tourists. At present there is only access to the lake through a gravel car park which is unsafe due to the loose surface and vehicular traffic.	Oct-20	Mar-21	47,713	47,713
WA	Town of Claremont	Community Infrastructure	Painting/improvements to community facilities, improved accessibility of community facilities and areas, landscaping improvements. Toilet blocks	Claremont Aquatic Centre works Renewal of the Town's aquatic centre disabled change room and toilet facility and the addition of a family change room, improvements to the associated universally accessible access ramp, and the retaining and landscaping of the surrounding garden area.	The existing disabled facilities at the aquatic centre are in a poor condition and require renewal. The original aquatic centre complex was constructed in 1960. The change rooms and toilets that are still in use today were constructed in 1971 without dedicated disabled facilities. Around 2004 a demountable disabled toilet and change room was added to the south of the change rooms with a short access ramp connection provided. Having originally been constructed as a temporary measure, this disabled toilet and change facility is still in use today and is in urgent need of renewal. The disabled access path to this area is also in need of enlargement and improvements. Due to the vertical grades of the site, retaining of the land will be required to accommodate this work. The community facility also lacks a dedicated family change room with some patrons instead using the disabled change room in this capacity. New family change rooms will be added adjacent to the disabled facilities. All proposed renewals and upgrades will be designed to comply with universal access requirements in accordance with the Town's Disability Access and Improvement Plan.	Oct-20	Apr-21	160,000	104,010

**Senate Rural and Regional Affairs and Transport Legislation  
Committee  
Monday 19 October 2020**

**Opening statement from the Secretary of the Department of  
Infrastructure, Transport, Regional Development and  
Communications**

Good morning.

I would like to update the committee on key developments in this portfolio, since my last statement before the Senate Select Committee on COVID on 6 August.

At that time, I spoke about the unprecedented efforts and cooperation going on across governments, businesses, workforces and unions to keep essential services running, across sectors like aviation, commercial shipping and road freight.

There has continued to be intense pressure on Australia's transport networks, notably on our aviation, maritime, and road freight systems.

To support the continued movement of freight around the country by road and rail, the Government continues to engage with states and territories, regulators and industry as COVID-response measures evolve.

All jurisdictions that have border restrictions in place have exempted freight movements. This kind of cooperation is vital to maintaining cross-border freight movements while also ensuring freight does not become a vector for transmission.

Cooperation has also been essential for the non-cruise maritime sector, where agencies have been working closely with industry to manage issues such as international crew changeovers.

On the positive side, bulk shipping has continued with strong growth in iron ore volumes. Container freight volume is strong with some lines even looking at increasing services above what was available pre-COVID.

As I have outlined previously, the Government has taken significant action to support the aviation industry through COVID, including funding to maintain a minimum level of aviation connectivity.

It is important to maintain essential connectivity on regional and major routes during the COVID-19 crisis and preserve critical capacity, particularly in thin markets, while not distorting market shares so a competitive aviation market could restart post COVID-19.

The Government has announced the Domestic Aviation Network (DANS), the service for major routes, will be extended to the end of January [2021] and that the Regional Aviation Network (RANS) will be extended to the end of March [2021].

The International Freight Assistance Mechanism has also been extended to June next year, supporting vital trade flows.

The Government has also worked closely with the local aviation industry to provide financial assistance targeted at regional aviation to protect against insolvency, preserving their capacity for the recovery, and ensuring thin regional market connectivity is not lost post COVID-19.

In total, over this current financial year and the last one, the Government has committed more than \$1.3 billion to support our aviation industry through COVID-19 and to keep air freight moving.

The creative economy has also been disproportionately affected by COVID-19. In response, the Government has provided \$700 million in targeted support for the arts and creative sectors.

The loss of tourism activity is having a huge impact, including in some parts of regional Australia, many of which are highly dependent on tourism as their biggest earner and employer.

The \$1 billion Relief and Recovery Fund was introduced to support the regions, communities and sectors that were hard hit by this pandemic.

There is also new investment in telecommunications infrastructure that the Department will be overseeing and guiding. In addition to the NBN which will be undertaking a major, demand driven, network investment program, the Department will be working on programs to improve digital connectivity in regional Australia and on trials of use cases for 5G technology.

To provide guidance and help reduce uncertainty, the Government has worked through the National Cabinet, the AHPPC and other forums to develop formal protocols and principles for industry on how to operate in a COVID-safe way.

So far, across this portfolio we have delivered AHPPC approved protocols for safe air travel, public transport use, the private bus and coach sector, and for the National Collecting Institutions.

While the Government has been working hard with industry to ‘keep the lights on’, so to speak, we are also focused on identifying every possible opportunity to position Australia for economic recovery and job creation.

The Government has substantially increased its investment in transport and community infrastructure, committing around \$10 billion in additional investments across Australia to deliver targeted road safety works and local roads and community infrastructure projects, and expedite delivery of major projects.

This investment will support economic activity, employment, and will also help boost productivity, and improve safety and connectivity for people and communities. The Department is now getting on with the very substantial task of delivering these projects.

I would like to take this opportunity to also update the Committee on the Department’s actions in response to the Australian National Audit Office’s (ANAO) independent audit on the Purchase of the “Leppington Triangle” Land for the Future Development of Western Sydney Airport.

The ANAO released its report on 21 September 2020. The Department's response, released the same day, agreed to all three of the ANAO's recommendations.

The ANAO's audit focussed on the administrative activities of officials in the Western Sydney Unit in 2018.

I take very seriously the allegations of unethical conduct by officers of the Department outlined in the ANAO's report.

This Department has a long history of operating in line with the highest standards of integrity and ethics.

To ensure that all issues raised are addressed in detail and that lessons learned are embedded across the Department, I am taking actions beyond the recommendations of the independent ANAO audit.

In relation to matters of staff conduct raised by the ANAO, I have instigated formal investigation processes in relation to potential breaches of the APS Code of Conduct.

Investigation into conduct related to the acquisition is being undertaken by former Inspector General of Intelligence and Security and Deputy Commonwealth Ombudsman, Dr Vivienne Thom AM. Dr Thom is highly experienced, having conducted many formal inquiries and complex reviews throughout her distinguished career.

These matters are being dealt with in accordance with the *Public Service Act 1999*. It is important that investigations are allowed to run their full course to ensure that due process is followed.

For completeness, the circumstances of the Leppington Triangle acquisition have also been referred to the Australian Federal Police.

In addition to investigations into staff conduct, I have commissioned an additional independent audit of the conduct of the Leppington transaction to identify any further areas for improvement or lessons learned. I will publicly release this report.

This work is being undertaken by Mr Mark Harrison from Sententia Consulting Pty Ltd, who has substantial experience and expertise in audit, financial, risk and governance advisory services, in both government and the private sector.

Mr Harrison is currently President of the Asian Confederation of Institutes of Internal Auditors and previously served as the National President of the Institute of Internal Auditors in Australia.

Separately, I am commissioning an independent review of the Western Sydney Unit's systems, processes, culture and capabilities, and the Unit's systemic engagement with the Department's governance structures and enabling divisions.

This review will ensure the Department has the right mix to deliver in future and any lessons learned are embedded in the Department.

As an immediate step, and in addition to the reviews underway, I have amended the Department's Accountable Authority Instructions to put in place two new protocols.

The first protocol ensures any future property acquisitions or disposals are agreed by the Department's senior governance committee, prior to the exercise of financial delegations.

Under the second protocol, in future where the ANAO recommends internal review of issues, the review will be undertaken by a reviewer from outside the affected work area. The review approach will require agreement by the Department's senior governance committee, with consideration of the outcomes by the Secretary.

And finally, I have established an Assurance Taskforce within the Department to drive implementation and provide oversight of the response to the ANAO's recommendations, implementation of the above protocols, as well as any outcomes from the investigations and reviews outlined above.

The Assurance Taskforce will be led by a senior officer in the Department who has substantial experience with internal audit, assurance and probity matters. The Taskforce will report directly to me.

These actions, which are in addition to those outlined in our response to the ANAO's report, ensure a comprehensive approach to dealing with the issues identified in the audit.

As the new accountable authority, I intend to get to the bottom of this, and wherever necessary hold people to account through proper, fair and thorough processes and make sure we have the right culture, capabilities, processes and systems going forward.

Through this period, the department has continued to deliver its essential ongoing business in program, policy and regulatory functions, in spite of many of our staff working from home.

I would like to take this opportunity to thank the stakeholders we have partnered with in responding to COVID19.

I would also like to thank the people that are my department – many of whom I have not seen in person since early April – as well as our portfolio agencies for their extraordinary efforts.

Thanks.

## Response to Senator Sterle Request dated 7 October 2020

In response to Senator Glenn Sterle's questions on 7 October 2020 in relation to the following Regional Programs:

### **Assumptions:**

- Electorate information is not recorded, except for the Stronger Communities Programme (which has electoral boundaries as a criteria).
- 'Date Funding Agreement signed' is published on GrantConnect at [www.grants.gov.au](http://www.grants.gov.au).
- Project Scope is published on GrantConnect at [www.grants.gov.au](http://www.grants.gov.au).
- 'Funding Breakdown between various levels of government (and other proponents where applicable), by financial year' is not recorded in a way that is able to be reported and is not relevant for all projects/programs.
- 'Planning Start Date' is not recorded.
- 'Construction Start Date' is not recorded.

### **Community Development Grants Programme**

Projects funded through the Community Development Grants Programme are required to be completed by 30 June 2026.

Current unallocated funding in the program is \$25.7 million as at 30 September 2020.

### **Building Better Regions Fund**

The Australian Government announced \$200 million in the 2020-21 Budget towards a fifth round of the Building Better Regions Fund (BBRF), bringing the total commitment for this program to \$1.042 billion from 2017-18 to 2023-24.

In Round Five, the Australian Government is again targeting investment in shovel-ready projects that deliver jobs and drive economic growth. \$100 million will be dedicated to tourism related infrastructure Projects and the other \$100 million will support regional and remote Australia more broadly, by funding Infrastructure Projects and Community Investment projects. The detailed guidelines for delivery of the new round of the BBRF, including specific eligibility criteria for the tourism related infrastructure funding, timing of the round etc. are being finalised. The co-funding requirements will remain the same:

- Projects classified as remote or very remote will be eligible for total Australian Government funding up to 75 per cent of the total eligible project cost.
- Projects granted an exceptional circumstances exemption from the cash contribution requirements will be eligible for total Australian Government funding up to 100 per cent of the total eligible project cost.
- Projects with a total grant amount of equal to or less than \$20,000 will be eligible for total Australian Government funding up to 100 per cent of the total eligible project cost.
- All other projects will be eligible for total Australian Government funding up to 50 per cent of the total eligible project costs.

Grant Opportunity Guidelines will be made available shortly to assist potential applicants.

## Response to Senator Sterle Request dated 7 October 2020

Details for previous Rounds of BBRF are as follows:

- The majority of Round One projects were completed by 31 December 2019
- Round Two projects are expected to be completed by 31 December 2020
- Round Three projects are expected to be completed by 31 December 2021
- Round Four projects are expected to be completed by 31 December 2022.

Total funding allocated to this program for the 2020-21 financial year and forward estimates:

- As per page 56 and 57 of the Portfolio Budget Statements 2020-21, funding of \$277.5 million has been allocated for the program in 2020-21.
- Funding has been allocated to BBRF in the forward estimates as follows:
  - 2021-22 \$188.1 million
  - 2022-23 \$169.8 million
  - 2023-24 \$98.1 million.

With the exception of the funding announced in the 20-21 Budget, the program is fully committed.

### **National Stronger Regions Fund**

All projects must be completed by 30 June 2021. This program is fully committed. There have been no further rounds.

### **Regional Growth Fund**

Projects funded through the Regional Growth Fund are required to be completed by 30 June 2022. This program is fully committed. There have been no further rounds.

### **Regional Jobs and Investment Packages**

All projects must be completed by 30 June 2021. This program is fully committed. There have been no further rounds.

### **Stronger Communities Programme**

The Australian Government committed a further \$22.65 million in the 2020-21 Budget to deliver a sixth round of the Stronger Communities Programme (SCP).

The Business Grants Hub in the Department of Industry, Science, Energy and Resources administers the SCP on behalf of the Department. The Department is working with the Business Grants Hub on the implementation of Round Six. Program guidelines and an opening date for applications will be announced shortly.

Total funding allocated to this program for the 2020-21 financial year:

- As per page 56 of the Portfolio Budget Statements 2020-21, funding of \$22.65 million has been allocated for the program in 2020-21.
- As a one-off exemption under Round Six, the requirement for incorporated not-for-profit community organisations to provide 50 per cent matched funding has been removed, in recognition of their limited capacity to raise funds while COVID-19 restrictions remain in place.

With the exception of the funding announced in the 2020-21 Budget, this program is fully committed.

## Response to Senator Sterle Request dated 7 October 2020

### **Drought Communities Programme (DCP)**

All projects in the original DCP were completed by 30 June 2019. Information regarding these projects can be found on GrantConnect at [www.grants.gov.au](http://www.grants.gov.au).

### **Drought Communities Programme Extension**

The DCP Extension was announced in August 2018. The most recent announcement, on 28 January 2020, extended funding to a further 52 Local Government Areas (LGAs), taking the total number of councils receiving funding under the program to 180. Details of the announcement of eligible councils for funding from the DCP Extension are:

122 Local Government Areas announced before 7 November 2020:

- 81 LGAs were required to complete projects by 30 June 2019.
- 15 LGAs were expected to complete projects by 31 December 2019.
- 26 LGAs are expected to complete projects by 30 June 2020.

122 Local Government Areas previously announced and 6 new LGAs announced on 7 Nov 2019.

- 128 LGAs are expected to complete projects by 31 December 2020.

52 Local Government Areas announced on 28 January 2020

- 52 LGAs are expected to complete projects by 30 June 2021.

To accommodate the impact of COVID-19, the end date of projects due for completion on or after 31 December 2019 has been extended by up to six months, with all projects to be completed by June 2021.

For the DCP Extension:

- funding of \$109.7 million was allocated in 2020-21, per pages 56 and 57 of Portfolio Budget Statements 2020-21
- \$297.0 million of the \$301 million total program funding has been allocated to eligible LGA's
- no further funding was allocated in the 2020-21 Budget.

### **Regional Deals**

Projects being undertaken under the Barkly and Hinkler Regional Deals are provided.

### **Lists of Active Projects**

See attached list of active projects as at 31 August 2020 (including project name, location, amount and date of announcement).

In the Active Projects list for the Community Development Grants program the project location has been provided where known, otherwise the State is listed. Location will not be recorded in the Department's database until the proponent has provided the necessary information back to the Department.

In the Active Projects list for the Regional Jobs and Investment Packages some projects have had their announcement dates revised from information previously provided.

# Regional Development Programs in 2020-21 Federal Budget

## New Regional Programs

Name of program	Funding allocated over Forward Estimates	How Funding Distributed	Co-funding arrangements
<b>Regional Recovery Partnerships</b>	\$100 million	<p>The investment regions are:</p> <ul style="list-style-type: none"> <li>• (NSW) The Snowy Mountains, Hunter and Newcastle and Parkes Regions;</li> <li>• (QLD) Cairns and Tropical North Queensland, Gladstone and Mackay-Isaac-Whitsunday Regions;</li> <li>• (TAS) all of Tasmania;</li> <li>• (VIC) Gippsland Region;</li> <li>• (SA) Kangaroo Island;</li> <li>• (WA) South West Region</li> </ul> <p>A number of factors were taken into account in selecting the regions, including assessing the impact of COVID-19, bushfires and drought. This factored in the best available, real-time data from the ABS and other sources. Other considerations included aligning with state government investments and clearly identified priorities in those regions.</p>	<p>Co-funding will be required. Co-funding arrangements are yet to be determined.</p>
<b>Additional Regional Connectivity Program</b>	2020-21: \$11.0 million 2021-22: \$19.3 million	<p>The Regional Connectivity Program is a place based approach to target investment in non-Major Urban areas outside the National Broadband Network fixed line footprint, predominantly serviced by the Sky Muster satellite service.</p> <p>Successful projects are selected through a competitive, merit-based selection process against eligibility and merit criteria set out in the program guidelines.</p>	<p>All projects will be expected to provide a substantial financial (cash) co-contribution to the capital costs of building and/or installing telecommunications infrastructure.</p> <p>Applicants are encouraged to seek financial co-contributions from state, territory or local governments, local communities and/or other third parties.</p>

Notes: Other initiatives agreed under this package of measures should be referred to the relevant agency with policy responsibility – such as Austrade for the Recovery for regional Tourism initiative, or Department of Health for the Rural Health Multidisciplinary Training Program Infrastructure initiative.

## Local Government

### Local Roads and Community Infrastructure Program

Total program funding profile:

- 2020-21: \$425m
- 2021-22: \$75m

The formula used to calculate a Nominal Funding Allocation has been modelled on funding allocations under the Roads to Recovery Program and the local road component of the Financial Assistance Grants Program. There is no requirement by grant recipients to co-fund projects, but they may choose to do so. The Eligible Funding Recipients for this grant program are:

- all local councils in Australia
- the ACT government in lieu of a system of local government
- relevant state government, the shires of Christmas Island, Cocos (Keeling) Islands and Norfolk Island and the Lord Howe Island Board that provide local council services to 'unincorporated areas' in Australia
- the NT Government for areas that were unincorporated until 2008 but are yet to transfer to the new councils
- the Victorian Department of Environment, Land, Water and Planning for the French Island.

Information on the program, including program guidelines and funding allocations for each recipient are available at: [https://investment.infrastructure.gov.au/infrastructure\\_investment/local-roads-community-infrastructure-program/index.aspx](https://investment.infrastructure.gov.au/infrastructure_investment/local-roads-community-infrastructure-program/index.aspx).

### Extension to the Local Roads and Community Infrastructure Program

Total program funding profile:

- 2020-21: \$500m
- 2021-22: \$500m

The formula used to calculate a Nominal Funding Allocation is a combination of:

- one-third of total program funding allocated using the same method as for the first funding round under the program
- two-thirds allocated according to population.

There is no change to the Eligible Funding Recipients. Program guidelines will be available shortly.

## Financial Assistance Grant Program

All payments made under the Financial Assistance Grant program (FA Grant) are made in accordance with the governing legislation - *Local Government (Financial Assistance) Act 1995* (the Act).

The FA Grant consists of two components: a general purpose and an identified local road component. Both components of the grant are un-tied in the hands of local government, allowing councils to spend the grants according to local priorities.

While the Commonwealth Minister responsible for Local Government approves the annual funding allocations, local government grants commissions in each state and the Northern Territory recommend the distribution of the funding under the program to local governing bodies in accordance with the Act and the National Principles for allocating the grant.

Attached are nine zipped files. Each file contains the cash payments to each local governing body by state in each year from 2012-13 to 2020-21 under the FA Grant.

The cash payment is broken down by:

- Local Road and General Purpose components for the year
- Local Road and General Purpose components for the bring-forward payment made in that year.

Additional information is provided for both South Australia and Western Australia. These two states allocate a proportion of their local road component to 'Special Works'. Special works change annually and are distributed with the Ministers approval as part of the regular FA Grant. This additional information is included for comparability purposes as annual changes to payments can fluctuate significantly.

\*Additional funding for this project reflects funding which was not previously included in the Infrastructure Investment Program (IIP). In addition, \$130.7 million was added to the Roads of Strategic Importance Initiative through the 2020-21 Budget that was not previously included in the IIP but which has not been apportioned to individual projects.

**Request: Chronology of all decisions taken with respect to the Leppington Triangle purchase (correspondence from Senator Sterle of 7 October 2020)**

Please to the following in relation to the below table:

- Third party consultation: This column records Western Sydney Unit's consultation with parties external to the Department of Infrastructure, Transport, Regional Development and Communications (the Department of Infrastructure). The Department of Infrastructure consulted the Department of Finance on the land acquisition processes under the *Lands Acquisition Act 1989* (LAA) and, where relevant, the Department of Finance exercised delegations under the LAA to support the Leppington Triangle acquisition to operationalise decisions that had been taken by Infrastructure. As consultations on aspects of potential land acquisitions and disposals occurred over the course of the project, this table does not list Department of Finance consultation separately. The Australian Government Solicitor (AGS) acted as the Department of Infrastructure's legal adviser on the Leppington Triangle matter. As legal adviser to the project, AGS provided input into legal aspects of the transaction but did not make any formal decisions. Given AGS' involvement as legal adviser throughout the project, this table does not list consultation with AGS separately.
- Portfolio Minister at date: As requested, this column notes the portfolio Minister at the time a decision was taken. All decisions listed below were decisions made by the either Department of Infrastructure or the Department of Finance.

**Request: A chronology of all decisions taken with respect of the realignment of The Northern Road (correspondence from Senator Sterle of 7 October 2020)**

**Context**

The upgrade and realignment of The Northern Road is part of the \$4.1 billion Western Sydney Infrastructure Plan (WSIP) that is being jointly funded (80:20) by the Australian and NSW Governments. WSIP was announced in early 2014 – with individual projects that form part of WSIP progressively completed and opened to traffic, and the final projects expected to be completed by 2025.

Although the project that make up the WSIP are jointly funded, delivery is the responsibility of the NSW Government’s Transport for NSW (TfNSW, formerly known as Roads and Maritime Services (RMS)).

As the delivery partner, the detailed design, planning and associated approvals (including community consultation), land acquisitions and construction are ultimately the responsibility of the NSW Government – with the NSW Government the final decision-maker on the alignment of the roads. These decisions are, however, made in consultation with relevant stakeholders, including the Australian Government and the Department of Infrastructure, Transport, Regional Development and Communications.

RMS was responsible for consulting with the community and affected landowners on the alignment, including the Department of Infrastructure, Transport, Regional Development and Communications (the Department of Infrastructure), and RMS was the decision-maker on the road alignments.

**Notes on table**

The table below lists decisions taken by the Australian Government and the Department of Infrastructure in relation to the realignment of 11km of The Northern Road around the Western Sydney International (Nancy-Bird Walton) Airport (referred to as Stage 4 of The Northern Road realignment).

In relation to this table:

*Third party consultation:* This column lists the Department of Infrastructure’s consultation with parties external to the department. The Department of Infrastructure consulted the Department of Finance on the land acquisition processes under the *Lands Acquisition Act 1989* (LAA). This table does not list Department of Finance consultation separately. The Australian Government Solicitor (AGS) has provided legal and probity support to the Department on a wide range of matters related to the Western Sydney International Airport, including preparing a lease of Commonwealth land to RMS for the construction of the road.

- *Portfolio Minister at date:* As requested, this column notes the portfolio Minister at the time a decision was taken, even when the Minister was not the actual decision maker.

2.	1 October 2015	The Australian Government agrees in-principle to the Department of Infrastructure commencing a process to transfer Commonwealth land to RMS for the re-alignment of TNR along the 'Eastern route'.	The Hon Warren Truss MP, Minister for Infrastructure and Regional Development	NSW RMS	The Hon Warren Truss MP, Minister for Infrastructure and Regional Development
3.	2 December 2015	Department of Infrastructure agrees to the development of an overarching strategy for acquisitions and disposals of land and other interests for the proposed Western Sydney Airport, including for The Northern Road realignment.	Executive Director, Western Sydney Unit	NSW RMS	The Hon Warren Truss MP, Minister for Infrastructure and Regional Development
4.	15 October 2016	Department of Infrastructure approves the Land Acquisition and Disposal Strategy for the Leppington Pastoral Company land, including transfer of Commonwealth land to RMS for the re-alignment of TNR.	Executive Director, Western Sydney Unit	NSW RMS	The Hon Paul Fletcher MP, Minister for Urban Infrastructure

- Following NSW's publication of the preferred route for the re-alignment of The Northern Road on 12 November 2015, the Department of Infrastructure took action to give effect to the realignment through:
  - entering into a Memorandum of Understanding with RMS and Liverpool City Council (Roads MoU) relating to roads associated with the development of the Western Sydney Airport. The MOU is signed by all parties in December 2017
  - entering into the Western Sydney Airport – TNR Realignment Construction Lease with RMS on 23 May 2018 effective until 30 April 2021.
- Following completion of The Northern Road, the Commonwealth will consider disposing of some of the leased areas to the relevant road authority to support ongoing maintenance of the road corridor.

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

NSW	Sydney to Newcastle Faster Rail - Planning	Major Project Business Case Fund		2020-21 Budget	15.0	15.0	Capped at \$15m	0.0	5.0	10.0	0.0	15.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	In Planning	Sydney to Newcastle is one of the oldest and busiest regional passenger lines in Australia. The 117 kilometre corridor has tight curves and steep gradients resulting from geographic limitations and an alignment dating back to the 1880s. These constraints, and the interaction between passenger and freight trains, restricts the number and speed of passenger trains that can operate in the corridor. The current travel time from Sydney to Newcastle by rail is around 2.5 hours compared to around 2 hours by road. The Australian and New South Wales Governments completed a strategic business case for faster passenger rail between Sydney and Newcastle in 2019. The business case supported the case for faster rail passenger rail given expected population growth and future development opportunities along the corridor. In 2016, Infrastructure Australia also assessed upgrading the corridor as a "priority initiative". This further funding will finalise the scope, cost, timing and delivery of faster rail projects along the corridor and facilitate a detailed assessment of projects by Infrastructure Australia. The project will also consider value sharing opportunities and possible alternative funding and financing mechanisms in partnership with the New South Wales Government. **Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

VIC	Business Case for Melbourne Inland Rail Intermodal Terminal	Major Project Business Case Fund		2019-20 BUDGET	20.0	10.0	50	3.4	2.0	2.0	1.6	9.0	1.0	0.0	0.0	0.0	0.0	0.0	1.0	Underway	Currently, there is no terminal in Melbourne that is capable of accommodating the Inland Rail service offering of double-stacked 1,800-metre trains. Government involvement will ensure that an intermodal terminal with sufficient capacity to accommodate such trains is available to support Inland Rail in Melbourne from the commencement of services in the mid-2020s. The Australian and Victorian governments are currently jointly undertaking a detailed business case to consider the development of an intermodal terminal in Melbourne capable of supporting Inland Rail. The Victorian Government, through the 2018-19 Victorian State Budget and Victorian Freight Plan: Delivering the Goods 2018, that it is considering intermodal terminals at two potential sites for the intermodal terminal: one at Truganina, west of Melbourne (referred to as the Western Interstate Freight Terminal), and the other at Beveridge, north of Melbourne (referred to as the Beveridge Interstate Freight Terminal). The business case will consider the terminal location as well as matters including market access/operating models, financing options and value capture opportunities and is expected to be completed later this year. Funding for this project has been allocated under the Major Project Business Case Fund.	Calwell, Fraser, Gellibrand, Gorton, Maribyrnong, McEwen, Wills

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

The 6 metre wide bridge will provide safe, high-quality infrastructure and encourage more people to ride and walk to and from the city. The Causeway Bridge is one of the busiest connections into the city. It provides an important traffic, walking and bike riding connection between the CBD and East Perth, Heirisson Island and the south-eastern suburbs. The route also links two of the most popular recreational shared paths on the river's north and south foreshores. The existing shared path along the Causeway is no longer meeting the needs of users. **Infrastructure Investment Program - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Table does not list projects in the Roads to Recovery, Black Spot, Heavy Vehicles Safety and Productivity, and Bridges Renewal Programs, Maintenance projects, or unallocated lines (with the exception of Roads of Strategic Importance corridor funding).

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Urban Congestion Fund - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget. 2019-20 expenditure for Urban Congestion Fund projects tabled in response to Senate Question on Notice No. 1797

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Urban Congestion Fund - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget. 2019-20 expenditure for Urban Congestion Fund projects tabled in response to Senate Question on Notice No. 1797

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

**Urban Congestion Fund - Projects announced since 2018-19 Budget**

Figures correct as at 2020-21 Budget. 2019-20 expenditure for Urban Congestion Fund projects tabled in response to Senate Question on Notice No. 1797

All figures are in \$ million and prepared on a cash basis. Funding profiles represent the current estimate of project start and end date, which is subject to further consultation with states, territories and local governments.

Project planning can commence before a project is announced or otherwise commences as soon as a project is announced. This includes discussions with state transport agencies.

Some project commitments are being delivered by two different entities. These projects have been split into individual lines. Other projects may have been amended since Budget. These changes will be reflected in the next Budget update.

Funding profiles may not equate to the total Australian Government funding, the difference is due to funding being expensed in earlier financial years.

1	Switching on Darwin	This project will implement city-scale smart infrastructure in Darwin including smart services (lighting, parking, wifi) integrated through an open IoT platform.	\$5,000,000	\$5,567,577	\$10,567,577	Darwin City, NT	Solomon	17-Nov-17	08-Feb-18	29-May-19	Completed
1	Energy Efficient Housing, South East Perth	This project will use Wi-Fi temperature loggers and infrared drone images to collect data on the effect of roof colour on home temperature and display this data on a smart sign at the front of new housing estates in outer metro Perth.	\$132,781	\$162,120	\$294,901	Gosnells, WA	Canning, Burt	17-Nov-17	17-Jan-18	22-May-19	Completed
1	Clever and Creative Geelong	The project will engage local manufacturing companies to deliver LED lighting, environmental sensing, digital signage, public address system, smart parking and free Wi-Fi.	\$415,000	\$769,139	\$1,184,139	Geelong, VIC	Corio	17-Nov-17	17-Nov-17	31-Oct-19	Completed
1	Smart Monitoring and Management, Yellagonga Wetlands	This project will use sensors, satellites and drones to collect real real-time environmental, water quality and public usage data to create an integrated monitoring system for the Yellagonga wetlands.	\$264,938	\$264,938	\$529,876	Joondalup, WA	Moore	17-Nov-17	17-Nov-17	31-Dec-20	In Progress
1	Smart Cities Collaboration, Perth	This project will provide a Smart Cities Collaboration Market Place platform enabling the city and its partners to collaborate and exchange ideas and data to evolve and scale technologies.	\$1,314,494	\$1,314,494	\$2,628,988	Perth, WA	Perth, Swan	17-Nov-17	17-Nov-17	20-May-19	Completed
1	Smart Wayfinding in Port Adelaide Centre	This project will develop an interactive digital platform that integrates maps, websites and destination information for Port Adelaide.	\$100,000	\$223,240	\$323,240	Port Adelaide, SA	Port Adelaide	17-Nov-17	14-Feb-18	30-May-19	Completed
1	Connected Cities, Prospect	This project will install networked remote sensors to provide ongoing data about the use of council assets such as parks and main streets.	\$144,900	\$145,594	\$290,494	Prospect, SA	Adelaide, Hindmarsh, Makin, Sturt	17-Nov-17	17-Nov-17	20-Jun-19	Completed
1	Heywood Park Smart City Precinct	This project will incorporate a range of smart technologies such as lighting, CCTV, parking, signage and waste bins connected to a single control point.	\$240,000	\$250,406	\$490,406	Unley Park, SA	Adelaide	17-Nov-17	17-Nov-17	03-May-19	Completed
1	3D Technology for Urban Planning in Woollahra	This project will implement the latest 3D technologies to develop a new platform where the community can access a 3D representation of the current building environment, development approvals and proposed planning changes.	\$115,000	\$197,241	\$312,241	Double Bay, NSW	Wentworth	17-Nov-17	17-Jan-18	18-Dec-18	Completed
1	Resilient Energy and Water Systems, Fremantle	Block chain technology (distributed ledger) will be used to establish an integrated power, water and mobility system comprising of renewable energy generation, battery storage, recycled and rainwater storage and distribution and an electric vehicle shared ownership trial.	\$2,345,235	\$5,169,137	\$7,514,372	Fremantle, WA	Fremantle	17-Nov-17	17-Nov-17	30-Jun-19	Completed
1	Smart Precinct Woden	Sensor technology for temperature, lighting and motion will be installed in buildings and bus interchanges in Woden, ACT to provide real-time analysis of, and response, to people in the built environment.	\$110,000	\$140,637	\$250,637	Woden, ACT	Canberra	17-Nov-17	17-Jan-18	27-May-19	Completed
1	Automated Traffic Management, Fraser Coast	This project will install integrated traffic counters with automatic database upload in the urban areas of Maryborough and Hervey Bay.	\$140,282	\$140,282	\$280,564	Maryborough, QLD	Wide Bay, Hinkler	17-Nov-17	14-Feb-18	31-Oct-18	Completed

**Smart Cities and Suburbs Program - List of Funded Projects**

Round	Name of Project	Project Scope/Description	Funding Allocated	Agreed/Final Co-contribution	Agreed/Final Total Project Cost	Primary Project Location	Electorate	Project Announcement Date	Project Start Date	Project End Date	Project Status
1	Goldenfields MyH2O App	This project will invest in the development of a MyH2O mobile app to allow council consumers to access their hourly water usage via smart phones or tablets to track daily water usage and costs, set consumption targets and receive alerts if targets are exceeded or leaks are detected.	\$90,349	\$90,349	\$180,698	Temora, NSW	Riverina	17-Nov-17	17-Nov-17	31-Mar-19	Completed
1	Greater Launceston Transformation Project	This project will deliver 3D city modelling using population mobility data derived from mobile phone towers as well as data on other variables such as education and energy, transport and land use.	\$1,580,000	\$1,996,759	\$3,576,759	Launceston, TAS	Bass, Lyons	17-Nov-17	17-Nov-17	28-Feb-19	Completed
1	Smart Transport and Precinct Planning, Atherstone	This project plans to use mobile phone location data to understand the use of Atherstone community facilities.	\$100,000	\$100,000	\$200,000	Melton South, VIC	Gorton	17-Nov-17	12-Feb-18	30-Apr-19	Completed
1	Smart Tourist Towns - Kapunda	Investment in technology such as CCTV, Wi-Fi, bin sensors, electric car charging systems, renewable energy generation and LED public lighting will contribute to digital transformation of Kapunda.	\$159,224	\$259,147	\$418,371	Kapunda, SA	Barker	17-Nov-17	17-Nov-17	20-Mar-19	Completed
1	Smart Active Transport, Liverpool	This project will use smart phone detection technology for real-time measurement of pedestrian and car movements.	\$120,000	\$136,673	\$256,673	Liverpool, NSW	Fowler	17-Nov-17	17-Mar-18	29-Mar-19	Completed
1	Yeppoon Town Centre Smart Precinct Project	Development of the Yeppoon Town Centre Smart Precinct will provide street solar lighting, access to free data, data capture and analytics.	\$197,464	\$197,465	\$394,929	Yeppoon, QLD	Capricornia	17-Nov-17	17-Nov-17	31-Jul-19	Completed
1	Smart Transport, Macquarie Park	This project will deliver 3D city modelling using population mobility data derived from mobile phone towers as well as data on other variables such as education and energy, transport and land use.	\$499,000	\$501,259	\$1,000,259	Macquarie Park, NSW	Bennelong	17-Nov-17	22-Jan-18	15-May-19	Completed
1	Smart Redevelopment, Victoria	This project will use new online data and spatial analytics planning tools to identify residential precincts with high redevelopment potential.	\$225,000	\$257,236	\$482,236	Carlton, VIC	Melbourne, Kooyong	17-Nov-17	19-Nov-17	10-May-19	Completed
1	Census of Land Use and Employment	This project will invest in a new visual interactive cloud system to improve the user experience of the Census of Land Use & Employment survey data.	\$350,000	\$670,479	\$1,020,479	Melbourne, VIC	Macnamara, Malvern, Gellibrand, Maribyrnong	17-Nov-17	22-Dec-17	05-Jun-19	Completed
1	Smart Access to Community Services, Mid Murray Region	This project will install information kiosks and beacons in 11 towns in the Mid Murray Region.	\$151,101	\$184,679	\$335,780	Mannum, SA	Barker	17-Nov-17	17-Nov-17	15-Jun-19	Completed
1	My Virtual Moreland	The project will use smart data capture technologies to generate a 3D model of the Moreland City Council area.	\$396,900	\$440,085	\$836,985	Coburg, VIC	Wills	17-Nov-17	18-Dec-17	16-Jun-19	Completed
1	Streamlined Access to Community Services, Moreton Bay	This project will apply machine learning to the council's customer service data to automatically assign requests to the appropriate work team without manual intervention.	\$100,000	\$119,436	\$219,436	Strathpine, QLD	Dickson	17-Nov-17	07-Feb-18	01-Apr-19	Completed
1	Smart Parking, North Lakes	The project will trial smart parking technology to improve traffic congestion associated with the introduction of pay parking at the North Lakes shopping centre.	\$450,000	\$450,000	\$900,000	North Lakes, QLD	Petrie	17-Nov-17	17-Nov-17	01-Mar-20	Completed
1	Smart Move Newcastle: Intelligent Mobility, Energy and Data	The project will deliver a city-scale transport, energy and digital infrastructure network including laser-enabled roadside poles, solar and battery powered electric vehicle charge points, smart bus stops and smart parking.	\$4,983,680	\$8,792,032	\$13,775,712	Newcastle, NSW	Newcastle	17-Nov-17	17-Nov-18	12-Jun-19	Completed
1	Smart Regional City, Queanbeyan	This project will integrate smart services (parking, lighting, sensors) 3D digital city modelling and open data in Queanbeyan-Palerang.	\$452,168	\$490,551	\$942,719	Queanbeyan, NSW	Eden-Monaro	17-Nov-17	08-Feb-18	29-May-19	Completed
1	Automated Vehicle Trial, Perth	This project will test and evaluate a driverless electric shuttle that will provide the Australian public with a user experience of automated transport technology.	\$490,000	\$607,511	\$1,097,511	West Perth, WA	Perth	17-Nov-17	17-Nov-17	28-Jun-19	Completed
1	Digital Permits for Disability Parking, Rockhampton	This project will connect technical experts with local stakeholders to develop digital solutions linking Australia's disability parking permit scheme to existing parking sensor technologies.	\$125,000	\$125,622	\$250,622	Rockhampton City, QLD	Capricornia	17-Nov-17	22-Jan-18	30-Nov-18	Completed
1	Interactive city management in Melbourne	This project will install a sensor network collecting data on use of public spaces and will build an interactive platform to allow for live community feedback on facilities.	\$400,000	\$504,759	\$904,759	Sunshine West, VIC	Fraser, Hotham, Macnamara	17-Nov-17	15-Jan-18	22-May-19	Completed
1	Smart Active Transport - Urban Heat Maps for Bendigo	A platform will be developed that uses satellite surface temperature data to enable pedestrians and cyclists to map low temperature routes on hot days.	\$116,451	\$130,000	\$246,451	Bendigo, VIC	Bendigo	17-Nov-17	14-Dec-17	31-Dec-19	Completed
1	Shire of Collie Smart Digital Mobile Radio System (DMRS)	The project will invest in a digital radio network for the Shire that can interact with the Western Australian Emergency Radio Network and the Shire's bush fire vehicles.	\$94,470	\$128,088	\$222,558	Collie, WA	O'Connor	17-Nov-17	01-Feb-18	01-Jun-18	Completed
1	Southern Grampians Shire Council - A Smart Connected Rural Community	This project will deliver enabling technologies (network, platform, Wi-Fi) that allow smart city solutions (smart lighting, security, sensors) to be implemented.	\$146,441	\$146,442	\$292,883	Hamilton, VIC	Wannon	17-Nov-17	17-Nov-17	01-Mar-20	Completed
1	Smart Mobility, Sydney	The project will invest in walking counting technology at a large scale across the local government area to collect data on people movement.	\$132,844	\$132,844	\$265,688	Sydney, NSW	Sydney	17-Nov-17	17-Jan-18	06-Jun-20	Completed
1	Smart Social Spaces: Smart Street Furniture Supporting Social Health	This project will install sensors on street furniture and use behaviour and social media mapping to record real time use of urban furnishings in public spaces.	\$296,943	\$360,791	\$657,734	Hurstville, NSW	Barton	17-Nov-17	17-Nov-17	01-Jun-19	Completed
1	Sustainable Urban Growth, Bells Creek	This project will use bioacoustics technology in urban habitats of Bells Creek, QLD to monitor frog populations that are threatened by urbanisation.	\$198,379	\$227,418	\$425,797	Bells Creek, QLD	Fisher	17-Nov-17	07-Feb-18	22-May-19	Completed
1	Community Participation in Smart Urban Planning	This project will develop methods and tools to capture opinions of citizens on urban topics expressed online.	\$99,509	\$99,509	\$199,018	Sydney, NSW	Sydney	17-Nov-17	01-Jan-18	30-Apr-19	Completed
1	Liveable Neighbourhoods in Lake Macquarie and Sydney City	This project will build and test an environmental platform providing data on heat, air quality and noise.	\$433,000	\$433,029	\$866,029	Ultimo, NSW	Sydney	17-Nov-17	17-Nov-17	10-May-19	Completed
1	RailSmart Planning, Wanneroo	Real time patronage and station use data will be used to transform the way Perth metropolitan rail station precincts and employment zones along the Metronet extension.	\$500,000	\$500,291	\$1,000,291	Wanneroo, WA	Cowan, Pearce	17-Nov-17	15-Dec-17	14-Jun-19	Completed
1	V2i Realtime - A Platform to Disrupt Property Development Approvals	This project will implement interactive 3D virtual reality that allows users to comment online, hold discussions, suggest changes and create reports on urban development plans.	\$333,000	\$439,544	\$772,544	Ipswich, QLD	Blair	17-Nov-17	01-Jan-18	01-Nov-18	Completed
1	CityLens – Using Holographic Computing to Decode Our Cities	This project will develop a mixed reality platform using 3D modelling, holographic images and virtual reality, enabling citizens and urban planners to view urban structures overlaid over existing physical environments.	\$160,172	\$163,019	\$323,191	Werribee, VIC	Lalor	17-Nov-17	05-Jan-18	02-Nov-18	Completed

## Summary of Total Transport Infrastructure Investment, including Equity and Concessional Loans
