Senator Dean Smith

Chair
Parliamentary Standing Committee on Public Works
Parliament House
CANBERRA ACT 2600

Dear Senator Smith,

**COMMUNITY CONSULTATION REPORT - BATTLEFIELD AIRLIFTER MAIN
OPERATING BASE FACILITIES PROJECT, RAAF BASE AMBERLEY**

This letter is to inform the Parliamentary Standing Committee on Public Works (PWC) of the nature and extent of community consultation as part of the Battlefield Airlifter Main Operating Base Facilities Project (the Project).

Broadly, the objectives of the strategy for community consultation adopted by Defence were to:

- Ensure that the public was informed about the project using cost effective, wide ranging communication channels; and
- Ensure that the public had every opportunity to raise issues of concern or seek further information.

The consultation activities undertaken included:

- Detailed email correspondence with local interest groups, State and Federal members with individual briefings conducted where requested. A list of members and interest groups consulted, with a short description of the outcomes of the contact, is detailed at Annex A. An example of the correspondence sent to the respective groups is detailed at Annex B;
- Advertisements placed in the local newspapers are detailed at Annex C;
- Community Information Forum, details listed at Annex D; and
- Promotion of the Project through local community networks including the Department of State Development, Queensland Government and the RAAF Base Amberley Consultative Working Group.

Key issues raised by the Community through the Consultation sessions are listed at Annex E.

In general, the community feedback regarding the Project was positive. There was good support from the local communities as the Project has the potential to generate employment for local businesses.

In conclusion, no significant issues have been identified during Defence's community consultations that will impact on the proposed works. Defence is satisfied that it has taken all reasonable steps to inform the Community about the project and to provide opportunities for the Community to raise concerns.

Yours sincerely,

N. FBENTEL

Brigadier

Director General

Capital Facilities and Infrastructure

23 October 2015

Annexes:

- A. List of Stakeholders Consulted
- B. Example correspondence send to Key Stakeholders
- C. Newspaper and Media Advertisements
- D. Public Consultation Sessions undertaken for the BFA Facilities Project
- E. Key questions and issues raised during the Community Consultations sessions.

EXAMPLE CORRESPONDENCE SENT TO KEY STAKEHOLDERS

An example of the email correspondence is as follows:

Dear

I am writing to you on behalf of the Department of Defence regarding RAAF Base Amberley and the Battlefield Airlifter Facilities Project.

The Battlefield Airlifter Facilities Project will provide fit for purpose facilities to support and sustain the operation of the C-27J aircraft capability.

The Project will provide new or upgraded working and living accommodation, administration, logistics, and maintenance facilities, training and simulator facilities, multi-storey car park and associated support services and infrastructure.

The estimated cost of the Project is \$380 million, excluding Goods and Services Tax.

Subject to Parliamentary approval of the Project, construction is expected to begin in the first half of 2016 with Final Operating Capability facilities completed by mid 2019.

The Statement of Evidence, which provides detailed information on the Battlefield Airlifter Facilities Project, can be downloaded from the PWC website: http://www.aph.gov.au/Parliamentary_Business/Committees/Joint/Public_Works/Battlefield_Airlifter

The public hearing for the Parliamentary Standing Committee on Public Works is scheduled for 3 November 2015, at the Metro International Hotel Ipswich.

If you would like any additional information or would like to be briefed on the project please do not hesitate to contact either myself via mobile phone below or e-mail on christopher.sankey1@defence.gov.au or the Project Officer for the Project, Chris Homann (02) 6266 8146 or e-mail chris.homann@defence.gov.au "

DATED OCT 2015**

The PWC public consultation sessions for the Battlefield Airlifter Facilities Project were advertised in the Courier Mail and Queensland Times (newspaper and online).

Australian Government
Department of Defence

Notice of Community and Information Forum

**Growler Airborne Electronic Attack Capability Facilities Project
And
Battlefield Airlifter Main Operating Base Facilities Project**

RAAF Base Amberley and Army Aviation Centre Oakey

The Department of Defence is holding a community information forum to outline the proposed construction works related to the Growler Airborne Electronic Attack Capability and Battlefield Airlifter Main Operating Base Facilities Projects. These works are subject to Parliamentary approval.

The Growler Airborne Electronic Attack Capability and Battlefield Airlifter Main Operating Base Projects incorporate the provision of new RAAF capabilities and aircraft that will require the construction of new facilities and infrastructure at RAAF Base Amberley

The Growler Airborne Electronic Attack Capability Project will also require minor refurbishment of existing facilities at Army Aviation Centre Oakey.

The Department of Defence and representatives from each of the Managing Contractors will be in attendance to provide one-on-one information on the projects and to answer any questions.

When: Wednesday 7 October 2015

Time: 6:00pm – 7:00pm

Where: Lockyer Room, Ipswich Civic Centre, Cnr Limestone and Nicholas Streets, Ipswich, QLD 4305

**ANNEX D TO

DATED OCT 2015**

**PUBLIC CONSULTATION SESSION FOR THE BATTLEFIELD AIRLIFTER MAIN
OPERATING BASE FACILITIES PROJECT**

A Community Information Forum was conducted over a period of approximately one hour to allow members of the public to understand the Project and the proposed works. The Community Information Forum was conducted at the following location and time:

- A drop in Community Information Forum was held on Wednesday 07 October 2015 between 6pm and 7pm, at the Ipswich Civic Centre, Lockyer Room.
- A total of twenty three (23) members of the public attended the evening which included members of the local community, contractors from Brisbane, Ipswich and Gatton as well as a representative from the Queensland State Government.
