Dear SECCA

Re: Letter of support for NDIA submission regarding sexuality for the Capability and Culture feedback review

Sexual Health Victoria is pleased to provide its support to Sexuality, Education, Counselling and Consultancy Agency (SECCA) regarding their NDIA submission regarding sexuality for the Capability and Culture feedback review.

Sexual Health Victoria is a state-wide independent, for-purpose, all-choice organisation that focuses on reproductive and sexual health care, education and advocacy.

Sexual Health Victoria seeks to advance sexual health literacy and build capacity through education services within the primary care and community-based systems to further support people to make decisions about their reproductive and sexual health and well-being that are right for them.

As the Chief Executive Officer of Sexual Health Victoria, I fully support SECCA's submission, and the recommendations put forward in their submission.

Yours sincerely,

Caroline Mulcahy
Chief Executive Officer
Sexual Health Victoria
