We, the National Association of Catholic Families would like to register our opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the *Australian Capital Territory (Self-Government) Amendment (Dis-allowance and Amendment Power of the Commonwealth) Bill 2010.*

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which we reject.

The dignity of the human person, of marriage and the rights of children to a mother and a father are fundamental to the common good of society. They each deserve total, unambiguous civil and legal support. Any legislative undermining of the 'natural' marriage and life to its natural conclusion will weaken families significantly, and is not in the best interests of our Nation - the families, elderly, handicapped or depressed people and the future children of our nation.

We urgently request your support of our concerns.

Yours Sincerely

(Mrs)Mary Clare Meney

**President
National Association of Catholic Families**
