## Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a RN, currently earning around 38.00 per hour.

I have family and a mortgage

If penalty rates were abolished. There would be no incentive to leave my family and work weekends..

My weekends are important to me because...I spend time going to sporting events with my Daughter

I urge the committee to keep penalty rates.
