

to whom it may concern,

the live export trade has been uncovered ,and what a disturbing sight it is .we as australians cannot justify this torture of animals and call it trade .it must stop. the proof is australian animals being slaughtered outside australia is not humane,SO THAT DOESN,T WORK .!the transporting of these poor helpless animals is not regulated properly to humane standards ,SO THAT DOESN,T WORK.!the conditions in which the animals are kept ,in some sort of huge metal trap could not in any conditions be called humane ,only barbaric.SO THAT DOESN,T WORK.!it,s been proved that we have no control over the employees overseas or the conditions in which the animals have to bare.SO THAT DOESN,T WORK!.so what is there to discuss ?,IT DOESN,T WORK ,find an ALTERNATIVE and do it fast animals are suffering as we speak.BAN LIVE EXPORT
