

**Correction to Evidence given by Christine Holgate on 13<sup>th</sup> April 2020 in relation to the Australia Post Senate Inquiry:**

In the Hansard of the 13<sup>th</sup> April, on page 16, the sixth paragraph down, Senator Kitching asks a question, it was “At the start of a financial year were you given a number of KPIs and in that list of KPIs was there a criterion around ensuring regulatory relief.”

Christine Holgate replied: “There is not in the FY21.”

The response was incorrect. There was not in the FY20 KPIs. For FY21, all members of the Executive Team have a strategic KPI, which is ‘Protect Regulatory Relief and ensure it is rolled out’.
