

## Environment Centre NT

1. Would ECNT work together with the EDO on campaigns to stop the Barossa Gas Project?

ECNT objects to the question on the basis that it is not relevant to the Committee's Inquiry (see Clauses 1(9) and 1(10) of [Senate Privilege Resolutions](#)).

2. Did the ECNT have any engagement with a Ms Alina Leikin?

ECNT objects to the question on the basis that it is not relevant to the Committee's Inquiry (see Clauses 1(9) and 1(10) of Senate Privilege Resolutions).

3. Did the ECNT ever engage in discussions with the EDO about manipulating the views of indigenous stakeholders and confecting evidence in order to stop the Barossa Gas Project?

ECNT objects to the question on the basis that it is not relevant to the Committee's Inquiry (see Clauses 1(9) and (10) of Senate Privilege Resolutions).

4. Does the ECNT support the behaviour of the EDO in the recent Federal Court Case against the Santos Barossa Gas Export Pipeline?

ECNT objects to the question on the basis that it is not relevant to the Committee's Inquiry (see Clauses 1(9) and (10) of Senate Privilege Resolutions).

5. Is the ECNT opposed to regulatory reform that would help prevent the future manipulation of vulnerable indigenous stakeholders?

ECNT is opposed to regulatory reform that would undermine the consultation rights of First Nations people and reduce environmental protections in relation to offshore gas projects, and refers to our statement and evidence to the Committee in this regard.
