Inquiry into the Australian Government's response to the COVID-19 pandemic

2021 - 2022

Division: Macroeconomic Conditions Branch
Topic: Omicron workforce modelling
Reference: Written
Senator: Katy Gallagher

Question:

Please provide the committee with modelling produced by or for the Department on the impact of the Omicron variant on workforce availability.

Answer:

The material requested was prepared for the consideration of National Cabinet which the Government considers is a committee of Cabinet. As such, the Government considers that disclosure of this material would not be in the public interest.
