
I am voicing my concerns her about the proposed bill which will provide Medicare funding for sex selection abortions. I am utterly and wholeheartedly opposed to this on many levels. This act would see an increase in the number of abortions all in the name of sex selection.

Aborting an unborn child on the basis of gender is NOT a medical procedure and should not be afforded Medicare Benefits.

I believe in the right to life of every child regardless of gender. This is the basic right of all children! I am trusting that this bill will NEVER be passed.

Yours faithfully,
Rhonda Blunt
