Standing Committee on Agriculture and Water Resources
Inquiry into Water Use Efficiency

Issue date: 6 September 2017

Department to appear at water use efficiency hearing

The House Agriculture and Water Resources committee will hold a public hearing in Canberra on Thursday, 7 September for its inquiry into water use efficiency in Australian agriculture.

The Department of Agriculture and Water Resources will give evidence to the inquiry for a second time.

House Agriculture and Water Resources committee chair, Rick Wilson MP, discussed the hearing:

“The Committee has collected some interesting and compelling evidence over the last few months. As we approach the end of the evidence gathering phase of the inquiry, we now provide the department with an opportunity to address some of the issues and concerns raised in submissions and discussed by witnesses at public hearings”.
