Dear Sir/ Madam,

I am at a complete loss as to why another inquiry is being held into this matter, as to the very poor treatment of the Commonwealth Government employees pension systems CSS and PSS also our fellow ADF pensioners.

We have had two (2) previous Senate inquiries that recommended that us the CSS and The PSS superannuated and the ADF receive the same percentage and indexation rises as the aged pensioners.

The Prime Minister (Mr. Kevin Rudd) in his pre- election message promised that if Labour was elected they would deliver a fairer indexation system, for us people making this submission.

The percentage of variation between CSS - PSS 0 ADF pensions and the old age pension is scandalous, also personally having saved during my working life I do not receive any type of assistance, making life very difficult.

Trusting this submission, awakes you all of the poor support that we superuates and ADF personal have been copping.

Your's faithfully

K. W. Sly
