Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a RN, currently earning around \$38 per hour.

I am sole breadwinner .He is not even entitled to a health card as I am suppose to earn too much.

If penalty rates were abolished... I would earn a lot less making it very hard to live a comfortable life

My weekends are important to me because...I have 11 grandkids from ages of 5 to 18

I urge the committee to keep penalty rates.
