Dear Secretary

Re: Correction to Hansard – public hearing on the Australian Naval Nuclear Power Safety Bill 2023

I am writing in relation to the Senate Select Committee Foreign Affairs, Defence and Trade, public hearing on the Australian Naval Nuclear Power Safety Bill 2023, on 13 March 2024.

I wish to correct evidence provided to the Committee during its examination of the Australian Radiation Protection and Nuclear Safety Agency – page 21 of the Proof Hansard refer.

In answering a question from Senator David Fawcett, I said: The ARPANS Act is our responsibility or the Department of Health and Aged Care's responsibility.

The ARPANS Act is administered by the Department of Health and Aged Care.
