CANBERRA ACT 2600

Dear Mr Perrett

COMMUNITY CONSULTATION REPORT
HMAS *HARMAN* REDEVELOPMENT PROJECT

1. The HMAS *Harman* Redevelopment Project (the Project) was referred to the Parliamentary Standing Committee on Public Works on 27 September 2022. The Project proposes to deliver facilities and infrastructure at HMAS *Harman* in the Australian Capital Territory.
2. This letter is to inform the Committee of the nature and extent of community consultation that has been undertaken by the Department of Defence on these works. The aim of the consultation is to ensure local communities and other stakeholders are:
 - a. well informed about the Project details through effective and proven communication channels
 - b. provided the opportunity to raise any concerns or to seek further information so that, wherever feasible, Defence could address these in the program of works.
3. The following stakeholder and community consultation activities are being delivered in accordance with the Project's comprehensive community engagement strategy:
 - a. Advertising community information forum details in relevant local newspapers in the Canberra (ACT) and Queanbeyan (NSW) areas, and establishing a Project email address to receive submission and questions about the Project. These details were included in the advertising shown at **Annex A**.
 - b. Conducting two community information forums in Queanbeyan on 19 and 20 October 2022. The type of information Defence presented to the public is shown at **Annex B**, and the level of attendance is provided at **Annex C**.
 - c. Inviting key stakeholders, including Federal, State and Local Members, and local community and business groups, to receive a personal briefing about the Project. An example of the invitation sent is at **Annex D**, and a list of all stakeholders engaged by the Project and the status of the engagement is provided at **Annex E**.
 - d. A summary of topics and key issues raised during community information forums are at **Annex F**.

4. Information about the works proposed was generally well received at the community information forums and feedback received to date has been supportive, and Defence has not been made aware of any objections to the proposed works.

5. Comments raised by the community mainly focused on the Women's Royal Australian Naval Service Memorial at HMAS *Harman*, with Defence advising that the Memorial will not be impacted by the Project.

6. Consultation activities continue, particularly the briefings to Local, State and Federal Members of Government. Ongoing activities can be further advised at the Hearing.

Yours sincerely,

RM Tilley

Dear Mr Smith,

HMAS *HARMAN* REDEVELOPMENT PROJECT

I would like to inform you of works proposed by the Department of Defence at HMAS *Harman*, Australian Capital Territory, under the HMAS *Harman* Redevelopment project (project). The project was referred to the Parliamentary Standing Committee on Public Works (PWC) on 27 September 2022. The project, which is subject to Parliamentary Approval, can be viewed on the PWC website:

[Department of Defence - HMAS *Harman* Redevelopment Project - Parliament of Australia](#)

The aim of the project is to address existing facilities and infrastructure at HMAS *Harman* that are aged and approaching the end of useful life. The proposed works will take place on Defence managed land at HMAS *Harman* and include new and upgraded engineering services infrastructure, new and refurbished office accommodation, an upgraded and expanded base entry precinct, a new gymnasium and refurbished living-in accommodation.

If you or your staff would like a personal briefing on the project, please contact via email at HarmanRedevelopment@app.com.au.
