

Dear Senators, please help our nation!!!

You have the "power-to-rule" yet UNDER God Almighty, Who has given us His supreme law:

"you shall not kill"!

We cannot be wiser than God, and any funding for baby-murder, let alone for reasons of "undesired sex of a baby" comes from the Evil One,

I endorse a limiting of my taxpayers money, so that it WILL NOT GO to fund this diabolical trend in our good Australian homeland.

Yours truly,

Adriana Vandervan,
