Dear Ms Bleeser

Invitation to Comment on Health Practitioner Regulation (Consequential Amendments) Bill 2010

Thank you for the opportunity to review the regulation that is currently before the Community Affairs Legislation Committee. The Australian Society of Anaesthetists has reviewed the draft legislation.

Rather than replicate the complete submission by the Australian Medical Association the Australian Society of Anaesthetists wishes to endorse the submission by Dr Andrew Pesce, the President of the Australian Medical Association made to the Community Affairs Legislation Committee 26 March 2010.

Yours sincerely,

Dr Elizabeth Feeney
ASA PRESIDENT
