
I Robert Feeney

I would like to register my opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the *Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010*.

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which I reject. I feel this nation has been founded on Christian principles which protect and value family and society. Research proves that the best, safest and healthiest environment for a child to grow up in is in a home with a mother and father. Same sex marriages erodes this notion, and therefore I believe will have significant impact on Australian Society. Furthermore I do not believe we have the right to take another's life. Euthanasia is a minority viewpoint and I believe life ought to be valued and protected at all costs. Hence I believe the Private Members bill is not being in the best interests of our Nation or the families, old people and the children of our nation.
