

THE SECRETARY  
SENATE SELECT COMMITTEE  
ON AGRICULTURE  
AND RELATED INDUSTRIES

DEAR SIR/MADAM.

I AM LOGGING THIS SUB-  
MISSION RE THE BUSHFIRES AND  
THE LACK OF CONTROLLED BARK-  
BURNING. THIS PARAMOUNT FACTOR  
APPEARS TO BE IGNORED, MAINLY  
BECAUSE OF THE GREEN INFLUENCE.  
SURELY LIVES AND PROPERTY  
ARE MORE VALUABLE THAN UNWANT-  
ED UNDERGROWTH, WHICH HAS  
BEEN DESTROYED ALSO WITH  
NATIVE FAUNA.

PLEASE, I HOPE THIS VITAL  
BARK BURNING WILL RECOMMENCE  
TO PREVENT FURTHER TRAGEDIES.

YOURS

BOB HOBART.
