

I find it unacceptable for Australia to continue the live animal export trade in the knowledge that we can never ensure the wellbeing of our animals from the moment they leave our shores.

A further important point is that the industry has clearly been shown to be incapable of raising animal welfare standards in their export markets to an acceptable level and that Australia can no longer put its faith in them to do so.

I have been so traumatized by the footage I have seen. Please ban this trade and bring the work back to Australia
