

Senate Community Affairs Legislation Committee
Public Hearing – 6 August 2024
NDIS Amendment (Getting the NDIS Back on Track No.1) Bill 2024
ANSWER TO QUESTION ON NOTICE
National Disability Insurance Agency

Topic: Modelling on Further Legislation

Question reference number: NDIA IQ24-000054

Question asked by: Maria Kovacic

Type of Question: Spoken. Hansard Page: 18

Date set by the Committee for the return of answer: 7 August 2024

Question:

Senator KOVACIC: My question relates to future tranches of legislation. Has any modelling been done on that yet?

Ms Falkingham: We'll take that on notice for you. Obviously, DSS leads the legislation. There have been, I think, discussions in relation to some further fraud changes, but other tranches of legislation wouldn't capture just the NDIA; they would capture also the NDIS Quality and Safeguards Commission and other parts of the disability ecosystem. But we can take on notice whether there has been any modelling done for tranche 2 yet.

Senator KOVACIC: That's great. If so, what savings are forecast in that as well?

Answer:

The National Disability Insurance Agency has not done any modelling for future tranches of the legislation.

The Department of Social Services who are responsible for the legislation have also advised that they have not done any modelling for future tranches of the legislation.
