PARLIAMENTARY COMMITTEE QUESTION ON NOTICE

Parliamentary Joint Committee on Corporations and Financial Services

QoN Number: QoN022-01

Subject: Payments businesses

Asked by: Senator Deborah O'Neill

Question:

Does AUSTRAC believe there is a need to force payments businesses engaging in operations in Australia to put themselves under AUSTRAC jurisdiction?

Answer:

The Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act) regulates businesses that have a geographical link to Australia; such as where a business provides services through a 'permanent establishment' in Australia.

Extending Australia's AML/CTF regulation to apply extra-territorially, or forcing businesses domiciled in another jurisdiction to comply with legislation in Australia as well as in their own jurisdiction, would be a policy matter for the Government.
