Data Descriptions/Notes- Table 1:

* Recipients of Newstart Allowance and Jobseeker Payment prior to 29 May 2020 included recipients of Bereavement Allowance and Sickness Allowance as these payments have been subsumed into JobSeeker Payment. This allowed for a better comparison between the recipient numbers. Recipients of Bereavement Allowance and Sickness Allowance recipients are no longer included in this data since 29 May 2020, due to the small number of recipients and subsequent risk of identification of individuals if combined with other publicly available data.

[^] Claims on hand, includes legacy claims for Newstart Allowance, Bereavement Allowance and Sickness Allowance.

Recipients of JobSeeker Payment/Newstart Allowance/Sickness Allowance who are determined to be current (i.e. entitled to be paid) on the Centrelink payment system and not in receipt of a zero rate of payment.

Recipients of Bereavement Allowance/Youth Allowance (other) who are determined to be current (i.e. entitled to be paid) on the Centrelink payment system.

Note: From 20 March 2020, JobSeeker Payment replaced Newstart Allowance as the main income support payment for recipients aged between 22 years to Age Pension qualification age who have capacity to work. Bereavement Allowance closed to new entrants and will cease when all current recipients have completed their bereavement period. Sickness Allowance closed to new entrants and will cease on 20 September 2020.

Note: Newstart Allowance (including Bereavement Allowance and Sickness Allowance) claims reflect claim activities lodged prior to the introduction of JobSeeker Payment on 20 March 2020. Where an outstanding Newstart Allowance, claim is granted, the recipient will instead transfer to JobSeeker Payment.

ANSWER TO QUESTION ON NOTICE

Department of Social Services

Topic: Senate Select Committee on COVID-19 - Supplementary response to SQ20-000498

Question reference number: SQ20-000501

Senator: Katy Gallagher

Type of Question: Written. Hansard Page/s:

Date set by the Committee for the return of answer: 22 July 2020

Question:

For each state/territory, CED and LGA:

a) What is the total value of Coronavirus Supplement payments in the most recently available week? And how many people received the Coronavirus Supplement?

Answer:

Table 1 provides a breakdown of payment recipients eligible for the Coronavirus Supplement by payment type and Commonwealth Electoral Division as at 26 June 2020.

Table 2 provides a breakdown of payment recipients eligible for the Coronavirus Supplement by payment type and Local Government Area as at 26 June 2020.

Table 3 provides a breakdown of the expenditure in the fortnight ending 26 June 2020 by Commonwealth Electoral Division.

Table 4 provides a breakdown of the expenditure in the fortnight ending 26 June 2020 by Local Government Area.

As the number of recipients is point in time (as at 26 June 2020) and Coronavirus Supplement outlays cover the fortnight period ending on 26 June 2020, these figures are not directly comparable. For example, recipients of the Supplement during the fortnight may no longer be on payment as at 26 June 2020.

The expenditure figures for the fortnight ending 26 June 2020 reflect the actual amounts paid in the fortnight to recipients. Expenditure figures differ from the total outlays provided in previous Questions on Notice (such as SQ20-000498) as the total outlays include all amounts drawn down for the fortnight, including payments made in retrospect of previous entitlements (for example, backpay).
