

Subject: Migration and Maritime Powers Legislation Amendment (Resolving the Asylum Legacy Caseload) Bill 2014
Date: Thursday, 23 October 2014 9:59:26 PM

Dear Senators,

Please oppose this evil bill, that deprives hope of life or liberty to the most hopeless. While we cannot just accept the world's refugees with an open door policy, this bill is the typical simplistic, draconian monstrosity that seems to characterise the Abbott government. Please hold this cruel and lazy government to account. Tell them to frame a reasonable bill that balances Australia's needs with our obligations, rather than trying to foist on us this knee-jerk attempt to appeal to the most bigoted.

Yours sincerely,

Tony Guttman
